Superintendent's Message

Janet Sifferman, Superintendent

I hope everyone had a fun and relaxing summer. We are excited to welcome our students and families for the 2012/2013 school year. We have been busy this summer working on renovations to our buildings and sites. We are nearing the end of the work outlined in our 2010 Bond Issue. Thank you, Hartland community, for your continued support of Hartland Consolidated Schools.

When you return, you will see some new faces among our staff members. We have hired some new teachers and a new high school principal, Ben Mainka.

We continue to offer exemplary programming and opportunities for our students and look forward to beginning our work together. Please take a few minutes to stop in and see our facilities and what is happening in our classrooms.

Teen Center Coming to Hartland Next Door opens this fall

We are excited to recognize a group of volunteers that have formed a non-profit organization, named Hartland Enrichment and Recreation Organization (HERO). This organization, with a non-profit umbrella, will be leading its first project, a Teen Center named "Next Door." Slated to open by October 2012, Next Door will serve 7th-12th graders from 2:30-6:00pm on school days and will be housed in the old Township Hall, located on Hartland Road, right next to the fire station.

Hartland Township Trustee Joe Petrucci stated, "We are excited to be in a position to repurpose our old Township Hall. The Township's original plan was to sell the property, but due to current economic conditions the Board looked at other options. Every organization we spoke with agreed that there is a need for a place for our teens to enrich their lives. Our old hall offers a perfect location for a teen center. The Township Board is also considering moving our Sheriff Substation to that site and also offering meeting space for other non profit organizations that continue to make our community a special place."

The need in our community for teenagers to have somewhere to go after school has been identified for several years. This venue offers an ideal place where students can hang out with friends in a positive, safe, supervised place, and stay on the right path toward adulthood. The Township has supported the Senior Center for years, and this opportunity for our youth strengthens the community's efforts to reach out to citizens of all ages. What makes this location perfect is that that it is across the street from the Junior and Senior High School Campus.

The north end of the building will be a recreation area for the teens, with billiards, ping pong, couches and TVs. The south side of the building will have office space and a meeting area that can serve as a study and tutoring space for the teens and a meeting area for other community groups. Again, one of the offices may also house the Livingston Sherriff's substation, which is currently located at the Township Hall on Clark Road.

Open houses for Next Door Teen Center will be held in late August and in September. Students will need to have proper paperwork filled out to attend, but will be of no cost to the teens.

Ceci Marlow, Director of Cromaie Library agrees. "Cromaie is excited to work with the Next Door Hartland Teen Center, bringing supervised after school activities, especially outdoor ones, for our community's teens."

Next Door is currently seeking and accepting donations. Monetary donations will be accepted at the Cromaie Library until the center completes its makeover. HERO will be working with local business and organizations to assist in the cost of running the center. You can contact Kay Fountain at 810.923.6015 with any questions you may have concerning Next Door Hartland Teen Center.

Robotics Teams Seeking members

The Steel Eagles from Ore Creek Middle School, part of the Hartland School District Robotics teams, presented at the 2012 Detroit Makers Faire. The event played host to a dozen local robotics teams including members from FLL, FTC and FRC levels. The Steel Eagles known as FIRST Tech Challenge Team #5290 shared their robots inside The Henry Ford Museum. The Steel Eagle spent two days working with the public. Their goal was to teach young people about our Hartland community and our involvement in the high tech sport of robotics. Members Miles Bednarski, Domenic Portuesi, Jordan Wallick and Mitchell Bednarski shared their three custom robots known as A.R.C, Billet and Hammer. The team spent this last summer building the two new robots and teaching classes at the Community Education Center.

Hartland School District Robotics was founded to help the community learn more about the potential of our students and grow the program. The young members work to raise public awareness of the generous support given by companies and organizations in our community. This program is ever growing and hopes to field teams in Jr. FLL, FLL, FTC and FRC in the 2012-2013 season. The group is looking for parent/mentors for team support and find potential sponsors to help the program grow in Hartland. If you are a parent or an organization in the community that would like to help, please contact Matt Bednarski at Hartlandschooldistrictrobotics@gmail.com.

Principal's Corner

Ben Mainka, Hartland High School Principal

If you have been to any store over the past month, you would have seen the large displays marketing their products under the "Back to School!" motto. This has always served as a constant reminder that the warm summer months will be ending soon, but that the fall brings with it so many new and exciting things to look forward to. This year is especially new for me personally as I will begin my first year as the Hartland High School Principal. I am very honored and proud to serve such an outstanding community and amazing students and staff.

Before I get into some of the things to watch for this fall at HHS, I would like to take a brief moment and tell you a little about my background. I attended Spring Arbor University and received a bachelor's degree in Biology, Kinesiology, and Secondary Education. Shortly after that, I began teaching high school Biology in an urban school located on the south side of Chicago. I was then fortunate enough to begin my career here in Michigan working as a varsity coach and teacher for the South Lyon Community Schools. During that time, I received my master's degree from the University of Michigan in Public Administration (MPA), with the hopes of someday becoming a school leader. After spending my teaching years in South Lyon, I was hired by Fowlerville Community Schools as their High School Assistant Principal and eventually the Junior High School Principal. While I greatly enjoyed my post as the Principal at Fowlerville Junior High School, there was no place that I would rather serve than at Hartland High School. My wife Jen and our three daughters, Abigail, Alyssa, and Ariana have lived in this area for the last ten years. We are expecting our fourth child in November and are very excited to have our family invested in such an amazing school district. Hartland is a very special place and I am proud to have the opportunity to serve in this new capacity. My hope is that I will have the opportunity to meet many of you at the numerous school and community events that I will be attending.

Dress Code Reminder – School Shopping

As the "Back to School" signs are popping up in every store these days, parents are probably beginning to think about school clothes shopping. While families are out looking at clothes this year, we wanted to take a brief moment to remind students and parents of the dress code standards at Hartland High School. A complete policy can be found in the Student Handbook online, here are a couple brief points to consider when buying clothes this year:

- Clothing that have designs which advocate or advertise the use of drugs, alcohol, tobacco, or violence will not be permitted in school.
- Clothing that is not the proper size or length including but not limited to tube skirts, short athletic shorts or skirts, halter tops, tube tops, half t-shirts, bare midriffs, cutoffs, tank tops (with narrow straps), pants that sag and expose undergarments, and other similar clothing pieces will not be permitted in school.
- Clothing that is see-through including articles of clothing that have excessive amounts of holes where skin is exposed (i.e. jeans with rips, tears, and holes above the knee) are not permitted in school.

Students who violate the dress code policy will not be able to attend class until their appearance is appropriate for school. Please avoid any unnecessary dress code violations by purchasing clothing that meets the school standard.

Colleges that Change Lives – A Unique Opportunity to Attend

The "Colleges that Change Lives" program is coming to Michigan! Middle and High school students and their parents are encouraged to attend a free, highly informative college selection program in Dearborn, on August 30 at 7:00 PM, at The Henry Marriott Hotel. This highly respected panel of colleges has not visited Michigan in the past, and this may be a one-time event. Don't miss hearing from 40 colleges that are ranked the best in the country by many independent research companies. "Colleges That Change Lives" events have been offered at no charge to the attendees, and they have been extremely well attended, continuing to attract standing-room-only audiences across the U.S.

Welcome From The Principal

On behalf of the faculty and staff of Hartland Middle School at Ore Creek, welcome to the students and families new to our school as well as to those returning for another school year. We have been working hard to continue to provide the best education possible for our students.

The school office reopens August 15 with office hours 8:00 a.m. to 4:00 p.m. Please feel free to drop by or call the Middle School office at 810. 626.2400 with any questions. We plan to mail schedules and other information home by August 24.

Tardy To School Policy

Please help your child do his or her best. Attendance is a crucial factor for student academic success.

- Students tardy to school (i.e. late to Homeroom) must be signed in at the front office by a parent or legal guardian in order for the tardy to be considered excused.
- Unexcused tardies to school will result in disciplinary action.
- Excessive parent excused tardies may be referred to the Livingston County Attendance Officer.

Parent Connect

Parent Connect allows parents with Internet access to monitor their children's grades. If you had a password assigned last year, it remains the same. Contact Karen Wilson at pc@hartlandschools.us for assistance.

Phone Messages To Students In School

It can be very disruptive to call students out of class to deliver routine messages. Please make every effort to communicate after school plans with students *before they begin their school day*. We appreciate your help in keeping our school the best learning environment possible.

Safety In The Parking Lot

The morning "drop off" time before school and afternoon "pick up" time after school means that students who are being driven to and from school must negotiate a very busy parking lot. PLEASE DRIVE SLOWLY AND CAUTIOUSLY and put the safety of our students ahead of time issues.

Newsletters

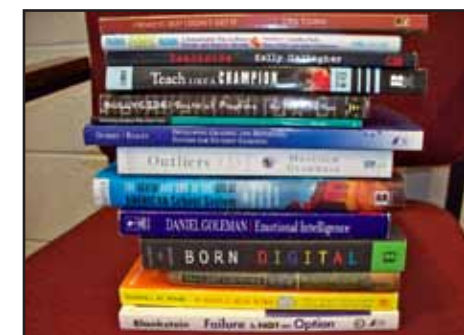

Newsletters will not be mailed home or sent home with students. Updated newsletters will be available approximately every two weeks (every other Thursday) via the school website (www.hartlandschools.us). If you do not have Internet access, you or your child may pick up a hard copy of the newsletter in the school

office. Athletics

Cross Country and Girls Volleyball seasons start at the beginning of the school year. Students planning on participating in any school sports team or club this year must have a current physical (dated after April 15, 2012) on file in the Middle School office in order to participate (forms are available in the Middle School office and will be mailed with student schedules). There is a participation fee for interscholastic sports and school sponsored clubs. A one-time \$95 fee will allow students to participate in any school team and/or club for which they otherwise qualify (this one-time fee covers all sports and clubs throughout the year).

National Junior Honor Society (NJHS)

Our school counselor/NJHS sponsor invites eighth grade students who are eligible to join the Hartland Middle School NJHS. Students must have maintained a 3.6 or higher grade point each marking period in seventh grade and write an essay on service, character, and leadership in order to be considered for admission. If you believe your child qualifies, and you would like more information, please contact our counselor through the school office.

The HMS faculty is committed to life-long learning and modeling reading to learn. Pictured are some of the books that have been read by our faculty book club.

The busses, hallways, classrooms, and commons will soon be filled with students again, as in this photo from the beginning of last school year.

HMS students will soon be back and ready to read.

Students will soon be back to reading every day! Each Wednesday morning we start our day with DEAR Day, drop everything and read.

Welcome Back!

Lawrence Pumford, Principal

We are excited to start the new year at Creekside and welcome all of our students back to school! The teachers have been very busy this month as they prepare their rooms and teaching materials for their new students. The physical facilities crew has also been busy this summer upgrading the heating and cooling systems and replacing defective classroom furniture. Thank you to our community for supporting the 2010 bond and making these changes possible.

We would like to welcome Nicole Sidge as our newest staff member. Nicole will be teaching in our resource room. She is a graduate of Michigan State University and has recently completed a study abroad program in Australia. Nicole is the daughter of a lifelong resource teacher and has spent many hours working in resource classrooms. We are delighted have her as part of the Creekside team.

We look forward to seeing all of our parents and families at our open house on August 29 from 5:00 to 7:30pm. Our teachers are anxious to meet their new students and families and share information that will help everyone to be ready for the new year.

Nicole Sidge

We say Good-bye to last year and Hello to this year.

The 2011-12 school year end with many fun events. Field Day and the 4th grade Clap out just to name a few. Good Luck to all of the 11-12 Creekside 4th graders. We thank you for all the memories over the last 5 years and wish you good luck at Farms!

A Message From Your Principal Welcome Back!

Lindsay Smither, Principal

I am so excited to welcome you all to the Lakes Elementary for the 2012-2013 school year! I hope that your summer was filled with fun adventures, lots of reading, plenty of rest and relaxation, and that you are ready to begin another amazing year at Lakes. Best of luck to our Lakes students who are moving on to 5th grade at Farms this year. We wish you all well and will miss you!

We would also like to send well wishes to five of our teachers that will not be returning to Lakes this year. Congratulations to Mrs. Ganster, Mrs. Wills, and Ms. Dodd on their retirements; to Mr. Hrit who will be teaching Physical Education at Round School this year; and to Ms. Alef who has accepted a teaching position in another district closer to her home. We truly appreciate all of their important contributions to our school community over many years at Lakes. They will all be missed!

I am pleased to announce four new additions to our Lakes staff this year. We are happy to welcome two newly hired teachers, Mrs. Tracy Redford who will teach third grade and Mrs. Nicole Mitchell who will teach first grade. Also, to Mrs. Lianne Mehmed who will be teaching physical education and health at Lakes. We are excited that these wonderful teachers will be joining our Lakes family. (At the time of writing this article, no teacher has yet been hired to replace Ms. Alef or Ms. Dodd. This will have been done after August 15.)

You will receive a letter from me sometime near the end of August, concerning teacher assignments for the new school year, as well as other important information to know before the first day.

Our Kindergarten Orientation will take place on Wednesday, August 29 from 4:30-6:00 PM at Lakes and you should have already received your letter indicating who your kindergarten teacher will be. We will ask parents and students to visit their classrooms first and then parents will join me in the gym to receive some important building and routine information about Lakes Elementary, while our newest students stay in the classrooms with their teachers and enjoy some fun activities. There will also be a school bus out in front of the building for kindergarteners to explore that evening. We hope to see you there!

Curriculum Nights for our other grade levels will take place later in the month of September.

As always, I have missed you all over the summer and can't wait for school to begin again! Enjoy the rest of your vacation and I will see you soon.

Welcome new teachers, Mrs. Tracy Redford and Mrs. Nicole Mitchell

Congratulations to our own Mrs. Dotty Selix (pictured here with Superintendent, Mrs. Janet Sifferman) for being selected as Hartland's Teacher of the Year!

Round Elementary School is looking forward to another great school year in 2012-2013. The Round School staff hopes you had a relaxing summer. Last school year our students and staff experienced many new, wonderful and exciting things. This year we plan on pushing forward on our vision to make Round the best it can be. We return an excellent teaching staff ready to work hard for our students, parents, and community. The sky's the limit for Round Elementary School and I welcome everyone back for another fantastic school year.

Round Elementary School welcomes Mark Hrit to our teaching staff. He comes to us from Lakes Elementary and will be teaching Physical Education. We welcome Mark to the Round School family!!!

The pictures represent our final week of last school year. After Field Day there was a popular assembly with a funny comedian. Lots of laughs ended a fun and exciting day. The last day ended with the 4th grade clap-out and the celebration in the gym. Round Elementary School is a special place where our commitment to excellence, relationships and making our students great people, as well as great students, is a main priority. Welcome back Round School family and I look forward to the wonderful year we will spend together.

Our guest comedian talks to our students, parents, and teachers at the conclusion of our Field Day activities.

Some of our students were part of the comedic skit.

Great endings and new beginnings

William C. Cain, Principal

Great endings and new beginnings at Village Elementary School. It seems like yesterday when we clapped out Village Elementary's contribution to the class of 2020. This is a wonderful class and a reflection of the culminating efforts of a great staff, extremely supportive parents as well as an exceptional group of children. All of us at Village Elementary are excited to hear of the continued successes of this class. It is hard to say good-bye, but we know the best is yet to come for the class of 2020. Along with the entire fourth grade, we have a few staff members that will be moving on as well.

Change is difficult, it can be scary, but we all know change is healthy. The following teachers and staff leaving Village are as follows. Judy Barranco has retired, and we wish her the best in her well deserved retirement. Beth Economou is going to work in the private sector as she opens her own practice. Beth has been a valuable member of our team and we wish her great success in her new endeavors. Patti McRae will be moving to Farms this fall to teach fifth grade. Pattie has been at the Village for many years and we certainly appreciate her contributions and wish her well at Farms. Tracy Redford moves to Lakes and will be teaching first grade. Tracy has been a great asset to the Village and we wish her well at Lakes. I feel certain that all of our staff leaving will have continued success, and all of us at Village thank them for the contributions they have made here all through the time they have spent at the Village.

For our Village family, I hope you all had a wonderful and relaxing summer. It is a privilege for me to enter my eleventh year as Principal of Village Elementary. I look forward to another year with this outstanding staff, great parents, and students, to provide the best possible educational experience for our children. This year will be filled with many exciting activities and events, so I encourage you to attend the open house scheduled for August 30, here at Village. Communication is important to the success of any program, so please note the upcoming events and the schedules listed in this edition (bus schedules, etc.), and feel free to contact me at Village Elementary if you have questions regarding your Village Elementary student.

We have had some grade level changes within the building and new additions as well. We will highlight those changes in the next Community Life article as there may be some changes right up until school starts. As a new year is set to begin, I am excited for the magical experiences that come with the new year. 2012-2013 will be no exception from previous years, with an outstanding staff, tremendous parents and wonderful children, together great things will happen.

We welcome all of our new comers to Village; we are all looking forward to this new beginning, and wish you a wonderful school year!

Village second grade students enjoyed their walking history tour of Hartland.

Soccer on a giant scale was a student favorite on field day.

Field day may have been rained out, but it didn't keep the kids from having a blast!

Our courtyard was brightened this spring with a new flower garden, thanks to Girl Scout Troop 41133.

LEGACY HS

Kirk Evenson, Principal

Welcome back students! The year 2012-2013 should prove to be another successful year for the students of Legacy HS. This year we take time to celebrate a very special milestone; our 30-year anniversary, 1983-2013. The vision for a successful alternative education was crafted by Ms. Jo Del Vero in the fall of 1982. Her vision is still present today in the halls and the classrooms of Legacy HS.

Support from the district administration and the Board of Education is the main reason Legacy HS has been able to achieve this honor. As we continue to evolve with the changes of the educational climate, Hartland continues to be the leader in the county and at the state level in alternative education.

This year we would like to welcome Ms. Megan Schaefer to the team of professional staff members. Ms. Schaefer returns to Hartland, a 2004 graduate of Hartland HS, to teach science. She brings with her two years of experience from Lincoln HS in Owosso. Welcome to the team.

The first day of class will be Tuesday, September 4, 2012. This school year will be our best yet; 30-years strong in educational excellence.

If you have any questions or would like to seek enrollment, please contact us at 810.626.2104. You can also follow us on Twitter @LegacyHartland.

Alan Keesler, Kevin Callaghan-Wilson and Brian Bierman

Students work & earn this summer

Many LEGACY students were hard at work over the summer earning money and HS credit while working in the school district. Workforce Investment Act federal grant money was constructively utilized by Ms. Susan Silver, LEGACY career counselor, in a summer work program aimed at supporting local youth and their education.

Thirteen teenagers from LEGACY HS participated in the summer program for a total of 7 weeks, from June 18-August 2. They worked tirelessly on small projects involving construction of picnic tables, benches, sports equipment and other beautification projects led by work supervisor, Mr. Paul Schultz. They were paid an hourly wage, working approximately 20-30 hours/week.

In addition, these students were also earning an academic credit in math, led by math teacher and supervisor, Mr. Craig Munro. Solving real-world problems as described in the Michigan HS curriculum guide is an excellent way for students to make progress towards graduation.

The students that worked this summer were: Tori Avery, Brian Bierman, Kevin Callaghan-Wilson, Haley Chant, Katrina Dorcozy, Hunter Griffin, Alan Keesler, Bianca Leopnard, Meghann Pechota, Nate Rotary, Joe Salter, Brianna Schaefer and Jasmine Walton. This program was very successful and accomplished many great things over the summer recess.

NAWROCKI CENTER
For Elder & Family Law

ELDER LAW TODAY

10299 Grand River, Suite N • Brighton, Michigan 48116 • Phone 810.229.0220

The Hidden Secret of Elder Abuse

Many elderly people rely entirely on family or other trusted individuals to help them. Whether it is for physical needs or emotional needs, as people grow older they tend to need more and more help from others. This dependence on caregivers or family members makes an older person more vulnerable for abuse.

For example, an older person relying on her children to provide meals and transportation and help her with financial decisions finds it difficult to complain when one of her children takes advantage of her. If, for instance, the child takes her money, hits her or neglects her care, the parent may be threatened with loss of support from the child if the parent complains. The child may also use threats of violence to keep the parent in line. It is estimated that 5% to 10% of elderly Americans are suffering abuse. According to the National Committee for the Prevention of Elder Abuse,

"Spiraling rates of elder mistreatment are reported by both practitioners and researchers. In a recent national study of Adult Protective Services (APS), typically the agency of first report concerning elder abuse, there were 253,421 reports of abuse of adults age 60+ or 832.6 reports for every 100,000 people over the age of 60 (Teaster, Dugar, Otto, Mendiondo, Abner, & Cecil, 2006). The National Elder Abuse Incidence Study (National

Center on Elder Abuse, 1998) found that more than 500,000 persons aged 60+ were victims of domestic abuse and that an estimated 84% of incidents are not reported to authorities, denying victims the protection and support they need."

Much attention has been focused on abuse in nursing homes but most of the elder abuse in this country is at the hands of family members or other caregivers in the home.

There are a number of reasons why incidents of abuse, neglect, or exploitation are not reported to Adult Protective Services or other authorities. One of the most common reasons is the victim's fear of losing support. Many of the perpetrators are family members and the victim fears that reporting the crime will result in removal of the caregiver, as the perpetrator may face incarceration or may discontinue relations with the victim once accused, charged, or convicted. Many of these victims fear that by reporting abuse they will be left alone and expected to care for themselves or they will be forced to live in a nursing home.

Many states have implemented mandatory reporting laws to assist in the prevention of abuse, neglect or exploitation of vulnerable adults. Utah is one of the many states to have a mandatory reporting law (U.C.A. § 76-5-111). Utah law states that any person who has reason to believe that a

vulnerable adult has been the subject of abuse, neglect, or exploitation shall immediately notify Adult Protective Services or the nearest law enforcement agency. Anyone who makes the report in good faith is immune from civil liability in connection with the report; however, any person who willfully fails to report is guilty of a class B misdemeanor.

It is important to note that the anonymity of the person or persons making the initial report and any other persons involved in the subsequent investigation shall be preserved and may only be released in accordance with the rules of the division (U.C.A. § 62A-3-311). In addition, all investigation information is confidential.

The following is a list of indicators of abuse, neglect or exploitation. It is important to note that the following lists are merely indicators and may not always be violations.

Signs of Abuse:

- Unexplained bruises, welts, fractures, abrasions or lacerations
- Multiple bruises in various stages of healing
- Multiple/repeat injuries
- Low self-esteem or loss of self determination
- Withdrawn, passive
- Fearful
- Depressed, hopeless
- Soiled linen or clothing
- Social Isolation

Signs of Neglect/Self-Neglect:

- Dehydration
- Malnourishment
- Inappropriate or soiled clothing
- Odorous
- Over/under medicated
- Deserted, abandoned or unattended
- Lack of medical necessities or assistive devices
- Unclean environment
- Social Isolation

Signs of Exploitation:

- Missing/"disappearing" property
- Inadequate living environment
- Frequent/recent property title changes or will changes
- Excessive home repair bills
- Forced to sign over control of finances
- No/limited money for food, clothes and other amenities

Prevention can only occur if there is awareness, the statutes are adhered to, and any suspicions of abuse, neglect or exploitation of vulnerable adults are immediately reported to Adult Protective Services and/or law enforcement.

All states have agencies that receive complaints of abuse. In some states failure to report abuse of the elderly is a crime. To contact an abuse complaint department, call your local area agency on aging.

## Hartland Area Historical Society

### Announces new officers

The new 2012-13 officers and appointees for H.A.H.S. are: **President**-Hildy Foley, **Vice President**-Wm(Bill)McDevitt, **Secretary**-Shyrl Cone and **Treasurer**-Barbara Krueger. **Trustees** are Michael Forster, Janet Frick, Kathie Horning, Diana Wells and John Wiese. **Curator**-Michael Forster, **Registrar**-Emma Winegarner, **Newsletter**-Diana Wells, and **Webmaster and Genealogist**-Bob Ruby. Diana Wells was appointed to fill the vacated term of Tom Parshall who resigned for personal reasons.

During Tom's tenure as President he saw to the renovation of the interior of the museum. Still there is a lot to do. This summer we have two projects, new front doors and closets built in the upper room, as well as painting it. This room is for storage office space. Through several generous donors the doors will be paid. Future costly projects that need to be done are insulating the main part of the museum and painting the exterior.

The museum belongs to the community, but the H.A.H.S is the caretaker. With the help of volunteers we keep the museum open during the summer on Wednesdays and Sundays from 1-3pm. Tours for groups are by appointment. Call 810.229.7621.

To pay the cost of keeping the museum open we depend on dues monies, donations and fund raisers. Hartland is fortunate to have this unique museum and I encourage our readers to visit it.

## Black Sheep Weavers Fiber Guild

### Meetings resume September 6

Please join us as we begin our new year of interesting programs and speakers. Meet our new Board members and a welcoming group of fiber artists who enjoy sharing their time and experience in the fiber arts. In addition, this year we will be meeting in Room 3 that has been totally renovated to accommodate larger group meetings.

Our first program is our Members Showcase. During the summer, many of us were involved in various art shows throughout Michigan. Each member is encouraged to show and share their recent and summer fiber art projects with the group. Guests or artists coming for the first time and wish to join should bring their art work to show. This is a great time to have new art work reviewed to ensure it meets the Standards of Acceptance criteria to be included in future Guild sales. In addition, the 2012-13 membership dues (\$25) are collected at this meeting. To be eligible to sell items in the December Holiday Sale, dues must be paid at or before the October 4 meeting.

The Guild traditionally meets from September through May, closing out our year with elections for next year at our member's pot luck in June. We look forward to another year of creating art, sharing projects and ideas, attending meetings where we will enjoy speakers representing many of the areas of fiber arts or attending workshops to learn a new skill.

Plan now to join us or renew your dues (\$25) when we once again meet at the Hartland Educational Support Services Center on M-59. We always welcome visitors who are interested in any of the fiber arts! For additional information please visit our website at [www.blacksheepweavers.com](http://www.blacksheepweavers.com) or contact Nadine-Treasurer/Membership at 810.229.0869.

## Heritage Day 2012

### Community Scarecrow Contest

**WHAT:** Create a scarecrow out of whatever materials, in whatever fashion desired, and display it at a retail or other business in the Hartland area. Register your site's location no later than September 10 by sending an e-mail to [info@hartlandchamber.org](mailto:info@hartlandchamber.org) or [cmarlow@cromaine.org](mailto:cmarlow@cromaine.org). People's Choice Awards (certificates) for most interesting, most historic, and most colorful (3) will be given on Heritage Day, Saturday September 22 announced around noon as part of the day's activities.

**WHO:** All Chamber of Commerce members, community nonprofits, school groups, churches, retail and other businesses are invited to create a scarecrow for display at their business. If you are a community nonprofit without a location (e.g., Boy Scouts), ask a retail business to permit the group to create and display a scarecrow.

**WHEN:** Scarecrows are to be prepared by September 15 and displayed for the community at your site from September 15 through September 22. People's Choice ballots can be downloaded from the Hartland Area Community Council and Hartland Area Chamber of Commerce web sites beginning September 12. Votes must be turned in by the morning of Heritage Day and can be turned in at the Cromaine District Library or Hartland Chamber of Commerce offices, e-mailed to [info@hartlandchamber.org](mailto:info@hartlandchamber.org) or to [cmarlow@cromaine.org](mailto:cmarlow@cromaine.org).

**WHERE:** We'll see Hartland Area Scarecrows throughout the area—in front of big box stores, medical/dental offices, schools, and churches. Your participating group will certainly want to be sure that ALL members vote for your scarecrow—and get others to vote, too! If you have a booth at Heritage Day—bring your scarecrow and have it there, too!

**WHY:** Primary purposes of the Hartland Area Scarecrow Contest is to increase community awareness of the annual Heritage Day event, introduce the community to new and overlooked businesses in the area, showcase our many talented and creative builders, and discover a craft—creating scarecrows—that is an important part of our agriculture heritage.

*Have fun dressing, stuffing, and positioning your scarecrow to reflect your interests—and attract new customers and members to your group.*
