Superintendent's Message

Janet Sifferman, Superintendent

We have had a successful start to the 2012/2013 school year. At this point, our students have settled into their classes and activities and the rhythm of school is in place.

October is the month for MEAP (Michigan Educational Assessment Program) testing across the State of Michigan for students in grades 3-9. The testing window begins on October 9 and ends October 31. We are required to teach the grade level content expectations the state has established based on national standards. Our curriculum is aligned with these standards. The MEAP test is designed to assess our teaching of these standards and is the benchmark by which we are judged by the state and our public. While the MEAP is by no means the only assessment tool we have, it is the most public. Therefore, it is important that our students do well.

Rest assured our educational practices are not focused solely on standardized testing. We feel it is important to educate the whole child by providing opportunities for reflection, critical thinking, speaking and listening, as well as instruction in the core content areas and the arts. However, because of the importance placed on the MEAP tests, we ask that you help us provide an optimum testing session for our students by ensuring that your child is present, well rested and fed.

Hartland Township Please Stay OFF the Grass

Hartland Township is encouraging its residents to stay off the newly sprouting grass at the M-59 Athletic Fields. Grass needs to remain relatively undisturbed during its first growing season to ensure its future viability. The grass is in a fragile state and can be damaged from people and pets walking on it. The Township is planning to install signs around the park asking people to stay off the new grass.

The 64-acre park located along Highland Road near Pleasant Valley Road was built by Hartland Township in conjunction with the Hartland Area Youth Athletic Association, Hartland Consolidated Schools, and the Hartland Community Soccer Association.

The athletic fields are expected to open in the summer of 2013 for use by residents and youth recreation organizations, provided the turf is well established at that time.

Next Door Hartland Teen Center is OPEN

The new Next Door Hartland Teen Center is OPEN! Students in 7th grade through 12th grade now have a place to hang out with friends, play games, use computers and work on homework in a supervised environment. Next Door HTC is open 2:30-6:00 p.m. each school day and is staffed by two directors. It is located next to the Fire Station on Hartland Road, near Spranger Field.

To download membership forms, visit our website: www.nextdoorhtc.com. Forms are also available in the offices at Ore Creek Middle School and Hartland High School.

Membership at Next Door Hartland Teen Center is free. Members can play pool, foosball, air hockey, and ping-pong. Books, computers, and studying spaces are offered. Members will also find large-screen TVs and comfortable seating. Snacks will be available for a small fee. Additional activities will be added in the future.

Next Door HTC is teen-friendly and teen-driven. Members of the teen center will have opportunities to get involved in its operation. Already, local student Sho Reynolds has acted as teen representative on the board that oversees the teen center. Rachel Appold, a Hartland High School student, designed the logo, and Ore Creek student Nolan Anderer contributed to the marketing. Going forward, teen members will drive the decisions about the types of activities they would like to have at Next Door.

The teen center is a project of the new non-profit Hartland Enrichment and Recreation Organization, or "H.E.R.O." Board. We would like to thank Hartland Township for allowing us to use the old township hall facility and for so generously funding its remodeling.

Principal's Corner

Ben Mainka, Hartland High School Principal

It has been a great start to the school year, and our students are doing a fantastic job adjusting to their new schedules. The teachers were also excited and ready to greet students during this important beginning of the year time period. It has been very fun to see the entire learning community here at Hartland High School positively engaged in starting a new year.

New Construction and Updates

This summer, HCS used portions of the past bond dollars to make necessary improvements to HHS. As parents and students walk the hallways of the school this year, they will notice several improvements including new rubberized flooring material in all of the academic hallways. This new material is a recycled rubber which is extremely durable, easy to clean, and environmentally friendly. In addition to our new floors, new landscaping was completed in the courtyard and in front of the building to improve the physical appearance of the space. Other improvements that will be noticed are a new running track, new digital informational kiosks around the building, and some new classroom furniture. We are very excited and grateful for the community support for the schools and we take great pride in having a state of the art facility, which rivals any in the state of Michigan.

HHS Happenings

If you are a parent of a Hartland High School student and would like to have access to the bi-weekly newsletter, HSHappenings, from Principal Mainka, please make sure that your email address is updated on ParentConnect and you will receive the communication.

New Faces in the Classroom!

This year we are very fortunate because we had the opportunity to hire several great new teachers. These teachers join the ranks of a very proud and excellent staff here at HHS. This new group will provide the high school with even more energy and new ideas as we try and do great things for our children in the classroom. Below is a brief description of each newly hired teacher:

Mr. Kevin Blouin – Mr. Blouin will primarily be working at Farms as a special education teacher, but we are honored that he will be working for two periods at HHS as well. Mr. Blouin does a great job connecting with students and can also be seen working with our students as the Freshman Boys Basketball Coach. We are excited to see his teaching ability combined with his passion for helping children succeed!

Mrs. Nichole Perior – Mrs. Perior has been working with us for two years as a permanent substitute teacher until this year when she was hired as a full-time math teacher. She will be teaching Algebra I and Geometry, and will bring a great base of experience to the job. We are very excited to have her working in a formal capacity and she does an outstanding job with our students!

Mrs. Christina Dubay – Mrs. Dubay has also been working with us for the past two years as a permanent substitute teacher, but until this summer was known as Ms. Rourke. She was married this summer and is excited about working closely with her students. Mrs. Dubay will be teaching Algebra I, Algebra II, and Geometry. Mrs. Dubay is very energetic and brings a great enthusiasm to HHS – she will do an outstanding job motivating our students to learn!

Mrs. Heather Kuhlman – Mrs. Kuhlman is a new math teacher in Hartland, but actually has 9 years of math teaching experience in Fowlerville. She worked as an at-risk math tutor at Fowlerville High School for the last three years after taking a break to stay home with her children. As a community member, she brings a great perspective to our staff and her children are in the district currently. Mrs. Kuhlman's excellent life and teaching experience will be a great asset to our school. She is currently teaching Algebra II and Trigonometry.

Ms. Sarah Tabone – Ms. Tabone is a new teacher who will be teaching English, Math, Leadership, and also online learning courses during the school day. She previously worked as a math teacher at Merrit Academy where she taught a very diverse array of courses. She will do an outstanding job connecting with students and has already begun the hard work of getting our students involved in leadership opportunities.

Students show their "Hartland Pride" during the first week of school.

Welcome Back to School

We have had a very smooth opening of the 2012-2013 school year. Incoming students quickly learned their way around the building and have become very comfortable. The classes of 2017 and 2018 are off to a great start. Look for a school newsletter to be updated every two weeks with information about clubs and activities, the school calendar and lunch menu, and upcoming events. The newsletter is available on the school website (www.hartlandschools.us) Hard copies are available in the front office.

Tardy To School Policy

Please help your child do his or her best. Attendance is a crucial factor for student academic success.

- Students tardy to school (i.e. late to Homeroom) must be signed in at the front office by a parent or legal guardian in order for the tardy to be considered excused.
- Unexcused tardies to school will result in disciplinary action.
- Excessive parent excused tardies may be referred to the Livingston County Attendance Officer.

Parent Connect

Parent Connect allows parents with Internet access to monitor their children's grades. If you had a password assigned last year, it remains the same. Contact Karen Wilson at pc@hartlandschools.us for assistance.

Fall Parent-Teacher Conferences

Parent-Teacher Conferences are scheduled for November 12 and 16 as follows:
Friday, November 16 from 7:40 to 10:30 a.m. and from 11:30 a.m. to 2:30 p.m.
Monday, November 12 from 4:00 to 7:00 p.m.

Spring Conferences will be held at the end of March. Look for more details on the school website/the HMS newsletter.

Phone Messages To Students In School

It can be very disruptive to call students out of class to deliver routine messages. Please make every effort to communicate after school plans with students before they begin their school day. If there is a message that we need to pass on, we will deliver those during passing time with students called down to the office instead of interrupting class. We appreciate your help in keeping our school the best learning environment possible.

Safety In The Parking Lot

The morning "drop off" time before school and afternoon "pick up" time after school means that students who are being driven to and from school must negotiate a very busy parking lot. PLEASE DRIVE SLOWLY AND CAUTIOUSLY and put the safety of our students ahead of time issues.

Ms. Gordinear and Ms. Parlette during seventh grade math.

Welcome To New Faculty And Staff

We would like to welcome several new faculty members at Hartland Middle School. Ms. Shelly Gordinear is new to HMS after teaching at FIS; she is teaching seventh grade math. Ms. Patricia Roberts joined our faculty after several years teaching at FIS. Ms. Roberts is teaching Health and Physical Education. Mr. Daryl Bean joins our music department as our new Choir Director. Ms. Terri Velliky is new to our English department, teaching seventh grade English on Team 7C. Our new Art teacher, Ms. Melanie Baldwin, joins us after teaching in another school district.

Welcome Back Open House & BBQ Was A Big Hit!

Creekside hosted its first ever Back to School BBQ with hot dogs and cake! This was a great opportunity for students and their parents to meet the teacher and see the classroom, drop off school supplies, and also sign up for volunteer opportunities in the classroom and with the PTO. All teachers and staff were on hand to welcome everyone back for the new school year. There was even a school bus available to tour! Everyone who participated enjoyed the opportunity to get back into school mode in an informal manner!

We will like to welcome Jenna Banish to Creekside. She is a recent graduate of Michigan State University and will be teaching 1st grade. Jenna is also a graduate of Hartland High School. We look forward to her enthusiasm and talent as she works with our 1st grade students!

PTO members had their production line going for the BBQ.

"It was an awesome first week back to school at Lakes Elementary"

Lakes Elementary

We are happy to welcome new teacher, Miss Julie Baker who joins our third grade team at Lakes Elementary.

Lakes first grade students have a blast in music class with Mr. Eaton, as they dance to the Animal Action song.

Mrs. Zielinski's kindergarten students are quickly learning school rules and procedures, as they line up to get ready for lunch!

Miss Baker's third grade students turn and talk as they review place value concepts during math workshop.

Good friends, Emma Kastamo, Meredith Sheffer, and Jenna Pietila, reconnect at recess, after a long summer away from school.

First grade teacher, Mrs. Atreo, assists some of our Lakes students as they find their new buses during the first week back to school.

Round Elementary News

Dave Minsker, Principal

810.626.2800

The 2012-2013 school year is underway at Round Elementary and it's been an exciting start. One of the best starts ever!!! We would like to welcome two new members to our teaching staff this year. Mr. Mark Hrit is coming to us from Lakes Elementary. Mr. Hrit is teaching Physical Education and Health and we welcome him to the Round School family. We also welcome Mrs. Tara Bosley back to Round who will be serving as our Reading Support and Reading Recovery Teacher. We wish Mr. Hrit and Mrs. Bosley all the best!

There are many exciting dates to remember in the month of October.

- October 17: PTO Meeting
- October 19: Fall Fun Run
- October 31: Halloween Parade

Again, thank you to all the wonderful people who have made the start of the school year a successful one. I am proud of the accomplishments our staff and students have made so far this year and look forward to watching all our students grow.

Mr. Mark Hrit is teaching Physical Education and Health at Round Elementary School. Welcome Mr. Hrit!

Mrs. Tara Bosley is our Reading Support and Reading Recovery teacher this school year. Welcome Mrs. Bosley!

Students and parents wait outside Round Elementary on the first day of school. The first day is always exciting!!!

A fourth grade classroom awaits students on the first day of school. Round received new classroom furniture this year. Our classrooms look great!

LEGACY High School News

Kirk Evenson, Principal

810.626.2104

Principal, Kirk Evenson and Ashli Hall are ready to welcome LEGACY students back to school

LEGACY HS

Let the celebration begin; the staff and students of Legacy HS are making history in our 30th year of educational success. Hundreds of successful Hartland alumni have earned their diploma at Legacy HS over the past three decades.

The faces and the names have changed but the core philosophy has held true from 1982 until now. Connecting with students in a small, caring environment with tons of support was the recipe for success back then and still is today.

In 1982, Hartland HS counselor, Jo DelVero started a small program to help at-risk students stay in school and graduate. The following spring the first Class of Legacy HS graduated in 1983. Ms. Del Vero knew that a need existed and she was able to convince then HS Principal, Jack Poley, to launch her idea as an Alternative HS.

Thirty years later the students of Hartland and over a dozen surrounding communities have Legacy HS as an educational option for at-risk students to find success. The Hartland Board of Education and Administration continue to fully support this educational option as a county gem.

In recent years the program has quickly grown to over 150 students with the new Hartland Virtual Academy running parallel to Legacy HS. The climate of education is ever-changing and we are able to keep stride with the demands of our customers here in Alternative Ed.

This month the students will take their annual trip to Kensington Metro Park for some team building and a little fun. In November we plan to celebrate Thanksgiving Day with our students on Monday, November 19 and invite all of our alumni back for a 30-year school reunion.

Student C.J. Fremd won the LEGACY T-Shirt design contest.

Long Term Care for Senior Veterans

In the year 1919 President Woodrow Wilson proclaimed November 11 as Armistice Day to honor those Veterans who served during World War I. On November 11, 1954, Armistice Day was proclaimed a legal national holiday and the name was changed to "Veterans Day" to honor all veterans of all wars.

Every November 11, ceremonies are held throughout the United States honoring Veterans of wars. A National Ceremony is held at Arlington Cemetery at the Tomb of the Unknown Soldier, where the laying of the presidential wreath and military playing of "Taps" is presented.

Since its establishment in 1930, the Department of Veterans Affairs has evolved to supporting and aiding the nation's veterans in numerous ways. One of these services for example, the Veterans Health Administration, is the largest single provider of medical care in the United States. Its 22 regions with 154 hospitals and their associated 875 outpatient clinics offer the following services.

- Hospital, outpatient medical, dental, pharmacy and prosthetic services
- Domiciliary, nursing home, and community-based residential care
- Sexual trauma counseling
- Specialized health care for women veterans
- Health and rehabilitation programs for homeless veterans

- Readjustment counseling
- Alcohol and drug dependency treatment
- Medical evaluation for disorders associated with military service in the Gulf War, or Treatment for exposure to Agent Orange, radiation, and other environmental hazards
- HISA grants
- Other special benefits

The Department of Veterans Affairs provides three types of long term care services for veterans.

The first are health care benefits provided to veterans who have service-connected disabilities, who are receiving VA Pension or who are considered low income. These services include free medical care, possible free prescription drugs, orthotics and prosthetics, home renovation grants for disabilities, home care, assisted living, domiciliary care, nursing home care, and a possible host of other services or benefits.

The second benefit is state veterans homes. The majority of these homes offer nursing care but some may offer assisted living or domiciliary care. The Department of Veterans Affairs in conjunction with the states helps build and support state veterans homes. Money is provided to help with construction and a federal subsidy of \$72.71 a day is provided for each veteran using state veterans nursing home services. These homes are generally available for most veterans

and sometimes their spouses and in some cases for so-called "Goldstar parents." Veterans homes are run by the states, sometimes with the help of contract management. There may be waiting lists in some states.

The third benefit for veterans is disability income programs. The most familiar of these benefits is an income for service-connected disabled veterans called "Compensation." The least known of these is a program officially called "Pension" but popularly known as the "aid and attendance benefit."

- All active-duty veterans who served at least 90 days during a period of war are eligible for Pension and the additional income from aid and attendance or housebound allowances. A single surviving spouse of such a veteran is also eligible.
- All qualifying veteran applicants over the age of 65 are eligible for pension but must meet income and asset tests. Applicants under the age of 65 must in addition be totally disabled to qualify. Disability does not have to be service-connected.
- A surviving spouse can be any age and there is no need for disability.

The aid and attendance benefit can pay additional income to provide for the costs associated with home care, assisted living, nursing homes, adult day care and other unreimbursed medical expenses. It can also pay for a family member other than a spouse to be the care

giver. The amount of payment varies with the type of care, recipient income and the marital status of the recipient. Here are some examples of how this benefit can help veterans.

These types of claims require medical evidence in order to receive a rating for aid and attendance or housebound allowances. These ratings must be received or certain non-medical expenses associated with long term care are not deductible from income. Special rules also allow for deducting the annual anticipated cost of month-to-month long term care from household income in order to meet the income test. This special treatment requires special documentation and evidence. In addition, those households with substantial assets will be denied for a Pension income unless those assets are below a certain level determined for each case by VA. The personal residence, personal vehicles and personal property are exempted from this asset test. Finally, evidence must be supplied every year in January that the anticipated costs for the previous year were actually incurred or VA will likely demand for its money back.

Veterans who have substantial assets may need to do some estate planning and realigning of assets to qualify. An elder law attorney should be sought to help with the application in order to avoid lengthy delays in awarding a benefit or a possible denial of benefits.

Choose to be Active

(Please discuss the following fitness activities with your doctor and follow their recommendations.) Staying physically active can help you:

- Keep and improve your strength so you can stay independent.
- Have more energy to do the things you want to do.
- Improve your balance
- Prevent or delay some disease like heart disease, diabetes and cancer.
- Perk up your mood and help reduce depression.

You don't need to buy special clothes or belong to a gym to become more active. Physical activity can and should be part of your everyday life. Find things you like to do.

Go for brisk walks. Ride a bike. Dance. Work around the house. Garden. Climb stairs. Swim. Rake leaves. Try different kinds of activities that keep you moving. Look for new ways to build physical activity into your daily routine.

To get all of the benefits of physical activity, try all 4 types of exercise.

1. Endurance

Be sure to get at least 30 minutes of activity that makes you breathe hard on most or all days of the week. That's call an endurance activity because it builds your energy or "staying power."

You don't have to be active for 30 minutes all at once. Ten minutes at a time is fine. Just make sure you are active for a total of 30 minutes on most days.

How hard do you need to push yourself? If you can talk without any trouble at all, you are not working hard enough. If you can't talk at all, it's too hard.

2. Strength

Keep using your muscles. Strength exercises build muscles. When you have strong muscles, you can get up from a chair by yourself, you can lift your grandchildren, and you can walk through the park.

Keeping your muscles in shape helps prevent falls that cause problems like broken hips. You are less likely to fall when your leg and hip muscles are strong.

3. Balance

Do things to help your balance. Try standing on one foot, then the other. Keep a strong chair in front of you to grab on to if you need assistance. Trying getting up from a chair without using your hands. Always be safe when trying balance activities.

4. Flexibility

Stretching can help you be more flexible. Moving more freely will make it easier for you to reach down to tie your shoes or look over your shoulder when you back the car down the driveway. Stretch when muscles are warm. Don't stretch to the point of pain.

(If you would like to enjoy group exercise programs please contact the senior center at 810.626.2135 for information on a variety of fitness classes and activities.)

Hartland Big Boy Restaurant hosts

"Celebrity Server" night-October 16

The Hartland Big Boy Restaurant will be hosting a "Celebrity Server Night" Fund Raiser on Tuesday, October 16 from 5:00-7:30pm to benefit the Hartland Optimist Club's Christmas "Adopt a Family," and other Optimist Youth Activities and Programs. Hartland Schools' Administrators, Teachers, and Staff assist the Big Boy team for the evening raising money from a percentage of the dinner tab, tips, the 50/50 Raffle and a donation from Nick and Jean Shaieb, owners of the Big Boy Restaurant.

A special addition to the event was for students to enter their name in a drawing for "Breakfast with the Principal." Thank you principals for your support and involvement with your students!

Optimist Clubs are recognized as a "Friend of Youth" and welcome any community member interested in promoting programs and/or activities for children in the Hartland Area. For more information on the Hartland Optimist Club, our meeting times and location, please contact Judy Cowan at 810.632.7415 or Barb Mattioli at 810.629.7921.

Hartland Audubon Club

New Guinea Adventures-October 2

The Hartland Audubon Club meets at the Hartland Senior Center at the Hartland Education Service Center on M59/9525 Highland Road. On October 2 a short meeting will be followed by an exciting presentation beginning at 7:15 pm. During our meeting we always ask for any recent interesting bird sightings and nature happenings. Watch your feeders!

We will be treated to a special presentation entitled New Guinea Adventures, by world traveler Don Burlett. Please join us. We promise to make you feel welcome! Our President arranges wonderful upcoming field trips which are announced at our meetings. Coffee and snacks are provided. Your membership and participation is encouraged.

Hartland United Methodist Church

Annual Turkey Dinner-November 3

With the beginning of the holiday season, the Hartland United Methodist Church is ready to once again serve a delicious homemade turkey dinner to the residents of the community. Since 1942, the church has opened its doors for the Annual Turkey Dinner.

The Turkey Dinner will be held on Saturday, November 3 from 5-7 p.m. The dinner will be served buffet style and will include: turkey, dressing, mashed potatoes and gravy, vegetables, coleslaw, bread, dessert and beverage. There is a ticket donation of \$12 for adults and \$5 children ages 6 to 11. Children under 5 are free.

Reservations are being taken for seating times from 5:00 p.m. to 7:00 p.m. You can call Vivian at 810.629.6142 or the Church Office at 810.632.7476 to make your reservations. All profits will be given to various charities, local and world wide, that the United Methodist Women support.

HARTLAND AREA MAC USERS' GROUP

HāMUG

The Hartland Area Macintosh User Group (HAMUG) will meet Tuesday, October 8 at 7:30 p.m. at the Hartland Educational Support Service Center. Anyone interested in learning more about the Macintosh computer is welcome to attend, regardless of your level of computer knowledge. Have questions or need information? Call Jim Sparks at 810.632.6630.

Black Sheep Weavers Fiber Guild

October Program - Temari

On Thursday, October 4 Beth Battey will give a presentation about Temari to the Black Sheep Weavers Fiber Guild. Temari (small embroidered balls) are a traditional craft of Japan. They started out as a simple child's toy (and are still made as toys in some cases) and over time evolved into elaborately embroidered art form. She will show some examples as well as explain how they are made.

Beth Battey is a music and fiber arts teacher in Ann Arbor, Michigan. She teaches not only Temari, but crochet, knitting, felting, and many things besides.

The Guild traditionally meets from September through May, closing out our year with elections for next year at our member's pot luck in June. We have planned another year of creating art, sharing projects and ideas, attending meetings where we enjoy speakers representing many of the areas of fiber arts or attending workshops to learn a new skill.

Plan now to join us or renew your dues (\$25) when we once again meet at the Hartland Educational Support Services Center on M-59 in Room 3. Please use the Preschool entrance. We always welcome visitors who are interested in any of the fiber arts! For additional information visit our website at www.blacksheepweavers.com or contact Nadine-Treasurer/Membership at 810.229.0869.

Flash from the Friends

Friends of the Cromaine Library

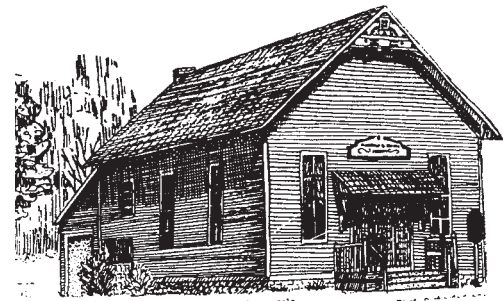

The "Friends" of the Cromaine Library are pleased to announce that their "Fall Book Sale" was a huge success. Even though it was a ton of work, and involved lots of people. We are especially thankful for the help that we received from Hartland's Alternative Ed students. What good worker! As usual, the folks at Taylor Trucking were very accommodating.

It was very exciting to see all the "Friends" that volunteered to help (what a wonderful group). Of course we send a million hugs to all the folks who donated books and those of you who came to purchase. It is important to note that all profits go to help Cromaine with their special endeavors.

We would like to encourage everyone to attend our next "Friends" meeting to be held on

Tuesday, October 9 at 6:30 pm. The meeting will be held on the 3rd floor of Cromaine in the Village. We will have snacks, a short business meeting, and lots of friendly conversation. We look forward to seeing you there.

"Life is nothing without Friendship." Cicero

Hartland Area Historical Society

Night at the Museum

October 27

The Hartland Area Historical Society will be presenting the film "Night at the Museum" starring Ben Stiller on October 27 at 7:00 pm. There will be free popcorn, free soft drinks, and free admission, but donations to cover the cost of the film are greatly appreciated. There will also be a raffle for a copy of the movie on DVD and Blu-Ray. The showing will be at the Florence B. Dearing Museum at 3503 Avon St. in the village of Hartland. For more information, contact Bill McDevitt at bjmcddevitt@hotmail.com or 810-771-8083. More details will be posted at www.hartlandareahistory.org

Hartland Lions Club

Our organization has helped purchase a pair of glasses. We have also donated to the village of Hartland sign project and helped send the Hartland High School GAPP to Germany. However in order to accomplish more, we need more members. Please call Kurt at 810.923.4252 www.hartlandlionsclub.org or stromlund@sbcglobal.net.

Hartland Home and Garden Club

Next Meeting October 10

Jesse Raudenbushy, owner, Starr Valley Farms in Ann Arbor, will be the speaker for our October 10 meeting, 6:30pm, for the Hartland Home and Garden Club. She will be speaking on the "Benefits of Worm Casting in Gardening."

The Hartland Home and Garden Club meets at 6:30pm, the second Wednesday of each month, at the Hartland Senior Center, located within the Hartland Educational Service Support Center, 9525 Highland Road (M-59). For more information, call 248.684.1116.

Gymnastic Coach retires

On August 23, Annette Shaffer held her very last Introductory Gymnastic class after 30 plus years teaching. Annette began teaching gymnastics at the 1921 Building (which stood near the Cromaine Library) in 1989 when hired by Steve Assenmacher-Director of Hartland Community Education at that time.

Annette not only taught many new young children the basic skills of gymnastics, but she was now teaching the children/grandchildren of those early kids she taught at the 21 Building. She was often approached by those former students who proudly shared with their kids that "Miss Annette taught me when I was your age." It was amazing also how many of those early former students Annette remembered by name. We will miss you Annette with your beaming smile and enthusiastic personality!

10 U Eagles Fastpitch Gold

Wins Jaime Ives Softball Tournament

The 10 U Gold Eagles Fastpitch Team capped off a great season with winning the Hartland 7th Annual Jaime Ives Memorial Softball Tournament. The team won four tournaments throughout the season and finished in the top twelve at the NSA (National Softball Assoc.) World Series in Indiana.

State Champion in the Backstroke

Hartland High School sophomore, Amanda Thielen, finished the summer long course meter swim season as a State Champion in the backstroke. At the Michigan Swimming 14 and Under Long Course State Championship Meet, held at Saginaw Valley State University, Amanda finished 1st in the 100 meter backstroke with a time of 1:08.27 and 1st in the 200 meter backstroke with a time of 2:26.13. She also placed 8th in the 800 meter freestyle, 9th in the 1500 meter freestyle, and 13th in the 400 meter freestyle. The following weekend, she was on Team Michigan and competed against 6 other states at the 14 and Under Central Zone Championship Meet, held in Wisconsin. Amanda finished 1st in the 200 meter backstroke with a time of 2:25.05 and 3rd in the 100 meter backstroke with a time of 1:08.70. Amanda is already back in the pool and hopes to have a great season on the Hartland Girls' Varsity Swim and Dive Team.

Aaron Thielen, Amanda's 10 year old brother, had a great finish to his swim season at the Michigan Swimming 14 and Under Long Course State Championship Meet. He received 6 individual medals and 2 relay medals. He placed 2nd in the 400 meter freestyle, 5th in the 200 meter freestyle, 8th in the 100 meter freestyle, and 4th in the 50 meter backstroke, the 100 meter backstroke, and the 200 Individual Medley. Aaron finished in 5th place overall in the Michigan State High Point Individual Standings. He also swam 4 events at the 14 and Under Central Zone Championship Meet.

Congratulations to the Cast *Snow White and the Seven Dwarfs – The Musical*

Hartland Players' Encore Youth Theater would like to congratulate the cast of Snow White and the Seven Dwarfs – The Musical: Allison Darish, Mattison Digue, Jaclyn Ellis, Jenna Koch, Lauren Kreeger, Mackenzie Marshall, Joshua McElyea, Madelyn Offer, Katie Peterson, Morgan Peterson, Maggie Ruby, Gavin Schultz, Trevor Schultz, Avrie Shettler, Zoe Shettler, and Madelynn Stuenkel. Congratulations also go out to: Skip Schultz, Director; Amy Shettler, Assistant Director; Rachel Webber, Student Director; Joey Tripoli, Choreographer; MaryJo Bell, Vocal Coach; Andrea Koch, Producer.

This was an incredible show which delighted audience members both young and old! In total, Encore put on seven performances: for the public, for special groups and organizations, and a special complimentary performance for the community of Hartland during Heritage Day. This performance was presented as a thank you to the community for always showing such great support and encouragement to their talented cast members and crew. Encore has continued to receive rave reviews about this show and inquiries about their future productions.

Encore Youth Theater announces

Winter and Spring Productions

Encore's Winter 2012 production will be The Best Christmas Pageant Ever. It is a hilarious story about one Christmas pageant that goes awry when a mischievous family joins the festivities. It is bound to add Christmas cheer! Performances will be held on November 30, December 1 and December 2.

Encore's Spring 2013 production will be Disney's The Little Mermaid Jr. This promises to be an incredible musical production featuring the undersea and above-land adventures of one very famous little mermaid and her friends. Please visit their website www.hartlandplayers.org or the Crounse Library in mid-November for audition information. Performances for public and school audiences will take place in mid-March.

Encore Youth Theater provides training and experience in the performing and theater arts for students aged 8-18. All interested students are encouraged to audition regardless of prior acting experience.
