## Superintendent's Message

Janet Sifferman, Superintendent

In March of 1994 Michigan voters approved Proposal A, an action that changed how public schools in the State of Michigan would be financially supported. Proposal A set a fixed tax rate on primary homesteads – 6 mills - and this, in addition to other taxes such as sales, income, liquor, and cigarette, as well as lotto revenues are funneled into the school aid fund. Additionally, an 18-mill non-homestead tax for commercial, industrial, non-primary residences and non-qualified agricultural land also goes into the school aid fund. Each public school district in the state is then given a per-pupil foundation allowance from this fund. The state assumes that each district collects the full 18 mills for non-homestead property but requires that the collection of this millage renewal come before the voters as a ballot proposal for their approval. Should the renewal proposal fail, the state does not make up the difference in the district's per-pupil foundation allowance allotment.

This important election will take place on Tuesday, May 7, 2013. Voters in the Hartland Consolidated School district will be asked to maintain the full 18-mill Non-Homestead millage for the district's operating budget. Essentially, the ballot question asks voters to keep the same non-homestead millage rate (18 mills) that has been in effect since 1994 and costs residential homeowners in Hartland nothing more than their time to vote. The revenue from this proposal represents approximately \$4.3 million for Hartland Schools' operating fund.

There will be more information regarding this election in the April issue of Community Life. You can also find information at any of our district buildings and on our web site: hartlandschools.us. Please feel free to call Scott Bacon or me if you have any questions.

## Person of the Month

Linda Hartley - February 2013

Linda Hartley is currently serving her 36th year as a teacher in Hartland Consolidated Schools, and she has spent all 36 at Lakes Elementary School! She was hired immediately prior to the 1977/78 school year – the year Lakes opened – for a 1st/2nd grade combination class. She taught the split class for a few years and 1st grade for a couple of years before moving on to a 2nd grade classroom and she's never looked back.

Linda received both her Bachelor's and Master's degrees from the University of Michigan (so it was an easy transition to Hartland's "Blue & Gold".) She married Scott Hartley in 1976, a freelance artist and musician, and together they raised two daughters – Meghan, a music therapist, and Jennifer, a preschool teacher – who both have found success in New York City

in their chosen professions. Linda and her husband reside in a rural community north of Ann Arbor with their two cats – Sophia and Woody.

### Most memorable moments: ("G" rated)

"Kirk's story about his student who was moved to remark on his shoes rather than one of the big ideas that he had so passionately lectured about, reminds me of a similar story. Many years ago I was re-teaching Joey to add two-digit numbers. He was a high-energy little boy who often needed extra help to learn new concepts. So I gathered the base ten blocks and settled in with him in a spot where I hoped to minimize distractions. I patiently and methodically explained the process, moving the blocks on the mat in order to provide a good hands-on lesson. Joey listened and watched my every move with rapt attention. I really thought he was (finally!) beginning to understand this time. When I was finished, I asked him if he had any questions. Yes, he said, he had just one: Why is that one fingernail shorter than all the others?"

"This next story is about my daughter, Meghan. When she was 4 or 5 years old she came to school with me to spend the day in my classroom for Take Our Daughters to Work Day. After school had been dismissed for the day, I was tidying up and Meg was coloring, and I asked her how she had liked being in my class that day. She answered that she had liked it, had had fun with the kids, and then she added, "I didn't know you could act... so... so... sensible". Ha! My family still loves to tell that story and tease me relentlessly."

### Why are you are still here?

"People sometimes wonder at the fact that I have remained in the same building and in the same position for my entire career. But it truly feels fresh and exciting to me year after year. I always find new opportunities for fine-tuning my teaching:

inspiring professional books to read, energizing workshops, and challenging new technological advances galore! Also, most importantly, I think, I have been extremely fortunate to work with incredibly smart, dedicated colleagues who share my passion and have added so much enrichment (and fun!) to my professional life."

### Positive thoughts about Hartland Consolidated Schools:

"Hartland Schools is truly an amazing place to teach and work and learn! I am thankful every day to work in an environment where people are friendly and caring and dedicated to working hard together in the interest of the students we serve. HCS is a learning community of the highest caliber: we listen to each other, care about each other, and learn from each other. Everyone's input is valued and that fosters a sense of belonging, a sense of being a part of something bigger than just oneself. We take the time to know each other and are interested in each other's lives, concerns, and interests. We share the joys and the sorrows. We constantly change and grow together. It may be summed up in that feeling of HCS being a family that people talk about... and I don't think you can overrate the impact that has on us as employees, as individuals, as a successful, thriving district, and as a community."

"I think it is remarkable that during these really tough times for public education, Jan and this Board of Education use their leadership to pull together as a district instead of succumbing to divisiveness, which could threaten to tear us apart. (In my paranoid moments, I sometimes suspect that that is part of the opposition's grand scheme to undermine and destroy our whole democratic system.) I am very proud of our district's commitment to being an excellent, a *premiere* public school."

"In conclusion, I just want to say that my long, happy teaching career in Hartland has certainly been one of the main highlights of my life. And, I have decided to retire at the end of this school year! It was a tough decision because I do still love my job and can't yet imagine a life without it. But the older, wiser retirees who left before me were right when they said that, although you might not be able to fathom it until it actually happens, you will know when it is time. And it is time now for me to plan to move on to the next phase of my life. I am excited that I will be able to spend more time with family and friends, and will also have more time and energy to pursue my other interests: cooking, quilting, reading, and practicing yoga. I may even find a way to work (albeit in a quiet, behind-the-scenes way) for a high-quality, equitable, public education for all children, and fair wages for their talented, hard-working teachers."

"I want you to know that I will always treasure the many warm friendships I have enjoyed in Hartland and I will miss you! Thank you for so many happy years!"

## Principal's Corner

**Ben Mainka, Hartland High School Principal**

Spring is upon us and we are quickly preparing to take the all-important ACT, MME, EXPLORE, and PLAN assessments at Hartland High School. We have been helping to assist and prepare students for these assessments all year, and the time is finally here to shine. Due to the nature of the assessments, we will be administering all of them during the same three day period, which means that some students will have half days while others are required to report to class. Please pay close attention to the time slots so that you know when your son or daughter is testing. Obviously eating a healthy breakfast and getting a full night of sleep is a great way to help support students in their efforts to perform their best. The ACT score has become increasingly important to colleges and universities recently, so students will try their best to score well.

*The schedule for testing this month is as follows:*

### March 5 – ACT

Freshman – Off All Day

Sophomores – Off All Day

Juniors – ACT Testing All Day

Seniors – Off All Day

## Parenting Awareness Month

This month is Parenting Awareness Month in Michigan. The purpose of Parenting Awareness Month celebrates people raising children and promotes year round education and resources for parents and caregivers. The emphasis is the importance of effective parenting in nurturing or teens and children to become caring, healthy and contributing citizens. Collaborating and Connecting together as parents, schools and community is our goal this year in Hartland Consolidated Schools. We will be celebrating this month together on Thursday March 21 from 6pm to 8pm at Hartland High School. The Hartland Consolidated Schools, Hartland Moms, and The Hartland Coalition will be hosting Parenting Work Shops and a Resource Fair that evening to all parents with students in grades K-12. Further information on the breakout sessions will be sent home from each individual school closer to that date. Please come and celebrate Parenting Awareness Month to network as a community to raise our children and teens together to be healthy and successful. As the old saying goes "It Takes a Village to Raise a Child". ## Student Council News

In January and February, the HMS Student Council collected coins and bills for the American Red Cross Penny Drive. Pennies counted as positive points and silver coins and bills were negative (as classes competed for who could collect the most money). In February, we promoted the Hearts and Flowers sale for Valentine's Day. We sold them during lunch and delivered them on February 14. We also hosted our Valentine's Dance. All of these were a huge success.

## HMS Forensics

Top performances by members of the Hartland Middle School forensics team led to a top finish at the MIFA State Middle Level Tournament held last December. Students in grades 6-8 from all over Michigan competed for awards in 12 interpretation and public address speaking categories. Although Hartland was one of the smaller teams with seven entries, they beat out many larger teams by having four students place in the top four of their event.

In Original Interpretation where students write and perform their own prose and poetry, seventh grade students Nicole and Jennifer Nelson took home the first and second place trophies. Eighth grade student Raymond Kennedy placed fourth with extemporaneous speeches on bullying, standardized testing and student use of social media. Another first place trophy was won by Sierra Dilworth in the category of Storytelling. Other contestants from Hartland were Renee Bragg (Poetry), Louisa Pasternak (Dramatic Interpretation), and Colette Owens (Storytelling).

The spring session of Forensics Club is underway and new members are welcome. Contact [HartlandForensics@yahoo.com](mailto:HartlandForensics@yahoo.com) for more information.

Pictured here, one of our second grade "tribes" celebrate winning one of the challenges, and one of our fourth grade "tribes" races to finish the bridge building challenge as a team without falling into the shark infested waters.

Lakes Elementary staff and students would like to thank the Hartland Board of Education for their commitment and dedication to our district and our school. At the January 28th board meeting, 10 of our Lakes fourth grade students played two advanced songs on four different kinds of recorders to demonstrate our appreciation for all that our board members do. Thanks to Mr. Jason Eaton, Lakes Music Teacher and the following students for their fine performance: Tyler Allen, Evan Ansbro, Cole Dederer, Alex Dunham, Ben Hawker, Sarah Horst, Erica Operti, Violet Sinishtaj, Ava Williams, and Owen Wiltshire. We also presented the board members with two children books.

# Round Elementary News

Dave Minsker, Principal

# 810.626.2800

The first half of the school year was full of excitement and educational experiences at Round Elementary School. This month we would like to recognize Round's new Lego League Club. There are 30 students participating in 5 teams. The purpose of Lego League is to encourage children to learn the value of teamwork and to respect everyone's ideas and contributions to our team, while also discovering the fun in science and technology. Each year, there is a new national challenge for the children to complete. This year, the challenge is "Super Seniors." Children will be designing models of products that can improve the quality of life for senior citizens. Our season began with a trip to Village Manor to interview seniors and generate ideas. **Our pictures show the Lego League in action and a picture of the trip to Village Manor during Christmas.**

We would like to thank those who helped subsidize our costs by sponsoring the purchase of a Lego kit: Capture 3D, Inc.; Hannah LaRue Photography and Design, Round PTO. Thanks to our parent coaches as well: Kristine Antonishek, Steve Powers, Tracie Waldron, Skip Schultz, Tara and Matt Bosley, Frank Tappen and Matt Sorg.

We would like to thank all staff, parents, and community members that make Round Elementary School and wonderful place to be!

Everyone had a blast at Village Night at Rollerama!

Students from Ms. Peifer's a.m. JK class, Mrs. Morrison's 2nd grade class, and Mrs. Cone's 3rd grade class got a tour of one of Hartland's fire trucks recently. This was thanks to the Dibert boys and their winning bid to ride to school on a firetruck in the 2012 Silent Auction!

Dinner and a Movie night was another huge success this year, thanks to the PTO. Dinner was from Fiesta in Hartland and families enjoyed watching "Alvin and the Chipmunks: Chipwrecked" in the gym.

Students learned all about bullies and how to use their character traits to be responsible during the assembly "The Mystery of the Super Surprise" presented by Scheer Genius.

## SILENT AUCTION UPDATE!

## LEGACY High School News

Kirk Evenson, Principal

810.626.2104

Congratulations to all of the 1st semester graduates from the Hartland Alternative Education Programs. Many of the students enrolled at LEGACY High School and Hartland Virtual Academy need to stay in school an extra semester to complete all of the necessary coursework for diploma. It is always a pleasure and an honor to recognize and celebrate the achievement and success of these students. They have made the mature decision to stay in school as a 5th year senior and overcome obstacles in their lives to graduate and earn a HS diploma. The following eleven students have successfully completed all requirements as set forth by the State of Michigan and the Hartland Consolidated Board of Education to earn their HS diploma; congratulations!

### Letter to an "EX"

Below you will find a letter that I just could not resist publishing here. I am not the author, Martha J. Hartney, Esq., deserves full credit. Its content is just so pertinent for our times.

\*\*\*

Dear Ex,

Though we're not married (cohabitating, procreating) anymore, there are a few things I'd like to say about how you set up your affairs for our kids. You're about to go on vacation and I know you worry about being away from them and having an emergency or tragedy happen. I know I don't have ANY say in how you set up your estate plan, but there are things that I'd like you to consider about the well-being and care of our beautiful children.

So please:

- **Make sure your life insurance is up-to date and your beneficiaries are listed properly.** Don't name our kids as direct beneficiaries! That will put them straight into a conservatorship where a judge will supervise their financial lives until 18, then they'll get the assets outright in one fell swoop.
- **Instead, leave your assets to them in trust,** which will sidestep probate, keep the management of your assets private and in your control, and prevent the loss of those assets to our kids' future creditors and predators and reduce the estate taxes that can take valuable resources away from our kids.

- **Name a trustee that I can work with—someone you trust with your life—because your trustee will have to deal with me.** If I were the only parent left, I would be legally responsible for ensuring the assets left to our children are properly managed. I would be looking at the annual accountings. I would be the one asking for court intervention if they are mismanaged or embezzled.
- **Don't leave your assets to our kids outright and don't leave too much.** There is nothing more damaging to a kid's life purpose than having too much money at their fingertips. There's a saying, "Leave them with enough to do something, but not enough to do nothing." If you have a lot of assets, consider giving some to your favorite charity in-stead of the kids.
- **Don't cheap out on an estate plan.** Whitney Houston did that. She bought a schlocky will that didn't protect her assets from her daughter's creditors, estate taxes, and probate. Please spend the money to get it done right. It's really not that much in the scheme of things.
- **Plan for a very long life.** I know you want to leave our kids your accumulated wealth, but think of yourself first. We're all living longer lives and, even though we're not "in love" anymore, I do care about you and your welfare. Create a wealth plan that will give you a lifelong passive income.
- **Make sure you have disability insurance.** Your ability to earn is your greatest asset. Nothing will diminish

your wealth and put you in poverty quicker than not being able to earn money anymore. Even if you don't need care, if you couldn't work, you would run through savings quickly and may have to cheap out on things like your lifestyle, vacations, and even necessities like good, wholesome food or the roof over your head. Please don't let that happen to our kids or to you.

- **Get long term care insurance.** The person who is going to live to 150 is believed to have already been born! People will routinely live to be over 100, and that could be you. Long term care is EXPENSIVE and it's only going to get more so. Since you're over 50 and in good health, consider buying a LTC -policy on you or a rider on your life insurance policy.
- **Name a guardian for our kids and ask me who I named.** We might be able to agree still on that. Of course, I've taken care of my guardianship nomination, but if I didn't, our kids would be subject to a guardianship proceeding and you and I both know that would be bad because our families would duke it out.
- **When you decide to remarry, get guidance from an attorney in advance** be-cause remarriage can cause complications to your planning. I'm sure you've heard of assets going to a spouse instead of to the kids, and while you may eventually want that, don't let that happen by accident or oversight.
- **Make sure you have your own healthcare documents in place, naming your agent for medical decision-**

**making.** Don't name the kids as your agents until they are legally capable, over 18 and emotionally able to handle the job.

- **Check with your attorney and your retirement account custodian to see if I need to sign any waiver to your retirement accounts.** In some cases, if you haven't remarried, as your previous spouse, I may retain some rights in a 401k or similar account that you may have had when we were married. I know that's not what you want and that's okay.
- **Most importantly, shoot a video of yourself telling the kids your life story.** Tell them about how we met and what you liked about me. Tell them it's not their fault that we didn't work out, but we did have some awesome times together. Tell them what a terrific businessperson you are and how you learned to be that. Tell them about your favorite hobbies and what you're good at. Then tell them what you love about them and how blessed you are that we brought them into the world.

So, dear Ex, I do want the bet for our kids and I hope you consider may wishes so that if something did happen to you, they'd be okay. I promise that if something did, I would do everything in my power to make sure they're able to heal, to thrive and to honor you every day of their lives.

With love,  
Your EX

Special thanks to Erica Karfonta, longtime area Rotarian, for involving Rotary in this fundraiser.

We participated with Community Connect in an event which resulted in giving away of over 3000 free books, covering all ages and genre. Any adult in Livingston County that would like help with reading only needs to call 810.522.8933 and be connected to an adult who will tutor an adult learner for free. Our bowling team the “Split Ends” continued its support of Big Brothers/Big Sisters on March 8-10 at Striking Lanes.

## Black Sheep Weavers Fiber Guild

### March 7 - Classic Crackle and More

Crackle is a surprisingly versatile weave with great design potential. It is a block weave that shares some characteristics with overshot and summer and winter, but has its own advantages and idiosyncrasies. This slide-lecture explores four-shaft crackle woven in the classic manner, and the many variations possible with alternate treadlings. A wide variety of projects and samples will be available for examination.

Our presenter is Susan Wilson who received the HGA Certificate of Excellence in Handweaving, Master Level, in 1990, with a specialty in crackle weave. Her book, *Weave Classic Crackle & More* was published in 2011. Susan has lectured and taught workshops throughout the U.S. and at several Convergences and regional conferences. A weaver for more than 40 years, Susan enjoys pattern weaving, sampling to explore woven structure, and creating household textiles and clothing accessories.

Join us for our next meeting and program on Thursday March 7 in room 3 located in the Hartland Educational Support Services Center on M-59. Our social time begins at 6:30pm, followed by a brief meeting and then our featured program or speaker. For more information visit our website [www.blacksheepweavers.com](http://www.blacksheepweavers.com).

## Flash from the Friends

### Alert!!

The Friends are about to embark on a new venture. As usual, we have agreed to help finance the "Big Read." We recognize that this is an expensive project and we have been looking for new ways to increase our treasury.

We think we have an exciting idea. Because the "Big Read" will focus on the works of Edgar Allen Poe, specifically his poem The Raven, we are asking for support from our patrons.

For a donation of just \$1 (one dollar) you can write your name or the name of a special person on a black paper Raven. The Raven will be posted at the Crossroads branch, west windows filling out the large shape of a Raven in flight. When this is filled, we will continue at the Village Library.

Of course the Ravens were featured at our February Book Sale, but will be available at the circulation desk at both Cromaine in the village and the Crossroads branch.

The Friends thank everyone for their ongoing support.

## KIRBY LAW OFFICE, PLC

### Affordable Legal Services

Most people think that they're too young or they don't have enough stuff to worry about making an estate plan. These people are wrong on both counts.

Too many young families are struck with an unexpected disaster with no plan in place to help with the transition.

#### Ask yourself the following questions:

- If something were to happen to the both of us what would happen to our child or children?
- If we're not capable, who would handle our financial affairs?
- If my spouse isn't around and I'm not capable, who would make medical decisions for me?

Were you able to answer any of them? Estate planning isn't just about figuring out what to do with your stuff, it's about the security of knowing that if that unexpected disaster hits your family will be taken care of and given the chance to mourn without the headaches of trying to figure out what to do.

At the bare minimum every family should have a will, a durable power of attorney, and a power of attorney for health care.

## Congratulations Eagle Scouts

### Estin Cantrell

Boy Scout Troop 383 of Hartland, chartered to Hartland United Methodist Church, is proud to announce that Estin Lee Cantrell has earned the rank of Eagle Scout.

Estin is the grandson of Billy and Nancy Cantrell, grandson of Robert and Roberta Legato, son of Tracie Bailey and Scott Cantrell.

Estin earned 26 merit badges, had 55.5 volunteer hours, 36 nights camping and was also a member of the Order of the Arrow. His eagle project was building a roof for a well bladder house in the Hartland Cemetery. He is currently attending Holly High School and is on the academic honor roll. His mother Tracie Bailey lives in Oakland County and his father Scott Cantrell lives in Livingston County.

Estin joins other outstanding American citizens who have become Eagle Scouts, among them former President Gerald R. Ford, Jr., astronaut Neil A. Armstrong, cinematographer Steven Spielberg, and the former head of the F.B.I., William Sessions. Estin has future plans to continue serving his community and country in the armed forces.

### Patrick Walker

Boy Scout Troop 383 of Hartland, chartered to Hartland United Methodist Church, is proud to announce that Patrick L. Walker has earned the rank of Eagle Scout. Patrick is the son of Jeff and Laura (Butts) Walker of Tyrone Township.

Patrick began his scouting career at age 5 as a Tiger Cub before joining the Troop where he earned 35 merit badges, including Aviation and Law; had 182 volunteer hours, 108 nights camping, earned the Kayaking, Snorkeling, and World Conservation patches, and was also a member of the Order of the Arrow service organization within Boy Scouts. He held various positions in the Troop from Den Chief, Chaplain's Aide, Assistant Patrol Leader, Patrol Leader, Instructor, and Junior Assistant Scout Master.

His Eagle project was building a meditation garden with paving stones, benches and plants at the Hartland United Methodist Church. He also raised the funds for the project by having church members buy a brick which was then engraved with what they wanted on it.

Patrick is currently attending the University of Michigan-Flint, remains active within the Troop and church. Patrick joins other outstanding American citizens who have become Eagle Scouts, among them former President Gerald R. Ford, Jr., astronaut Neil A. Armstrong, cinematographer Steven Spielberg, and the former head of the F.B.I., William Sessions.

## Lakes' Cub Scout Pack 385

WELCOME SPRING! Scouts in Pack 385 continue to make great progress through each den's ranks and achievements. As you can see from this snapshot, our Ice Fishing Event was great fun! We also said goodbye to our WEBELOS II as they crossed over to Boy Scouts at the Blue and Gold Banquet last month. Our highly anticipated Pinewood Derby is coming up this month and will once again prove to be a huge success

Last month we also helped out at Gleaners Food Bank and this month we are going to help the Hartland Senior Center. Some dens helped out by sponsoring games at the Lakes Family Fun Fest event. Next month, most of the remaining Scouts will crossover to the next rank, and they are all currently working very hard to do so. As you can tell, we learn, contribute and have a lot of fun! If you would like to join Pack 385 (or have your parents help out in a den), contact Cindy Andersen with any questions (810.360.0660). See you in Scouting.

## Cub Scout Pack 380

We had our Pinewood Derby in January and it was great fun! There were some awesome car designs this year. We held our Blue and Gold banquet in February and said goodbye to our Webelo IIs who crossed over to Boy Scouts – congratulations!!

## Troop 383 News

Troop 383 has fun, even in snow! You can visit us and we hope you join us. We meet every Wednesday at the United Methodist Church in Hartland.

### Female Version "The Odd Couple"

by Neil Simon

Felix and Oscar become Florence and Olive, the slob and the fuss-budget who decide to room together - with hilarious results. Olive Madison, a divorcee who freely admits to being a slob, is being played by Kathy Booker, "I leave a mess when I read a book." Fussy and prissy neat freak Florence Unger, being played by Stephanie Bell, is near suicidal because she's just broken up with her husband.

The reinvention of Neil Simon's famous play opens in Olive's apartment with a group of caring friends playing their weekly game of Trivial Pursuit -Mickey, by Jenifer Thomas; Renee, by Cary Kalowick; Sylvie, by Jennie Ross; and Vera, by Jill Mac, worrying and waiting for Florence. Meanwhile Olive had set up a date that backfires with the Costazuela brothers from upstairs - Manolo, by Bill Brezina and Jesus, by Brian Pearce.

March performances will be at the Hartland Music Hall, downtown Hartland on March 2, and 3. Reserved seating, so please call early. Tickets price are \$10 Adults, \$8 for Seniors/Students, available through Cromaine Library, downtown Hartland or the Hartland Players Box Office in advance at 810.632.5849. Tickets available at the door and doors open ½ hour before each performance. The show will be directed by Janet Winn, Co-Producer Carol Warren, and Co-Producer, Jennie Ross. Have you ever been told you have a great voice?

From audio books and cartoons to documentaries, commercials and more this class will introduce you to the growing field of "voice over."
