Superintendent's Message

Janet Sifferman, Superintendent

On May 7, Hartland Consolidated Schools will hold a special election. Though new legislation requires school districts to now hold their Board of Education elections in November of even years, in May the district still needs to renew the 18-mill non-homestead millage. On Tuesday, May 7, there will be a ballot question asking voters to authorize a renewal of the 18-mill Non-Homestead Tax that has existed since Proposal A went into effect in 1994. The Non-homestead renewal is part of the funding for public schools allocated by the State of Michigan and directly impacts the district's general fund.

The non-homestead ballot for this May generates an estimated \$4.3 million in revenue for the district, so it is obviously extremely important that we levy the full amount of 18 mills as dictated by the state. It is also important to note that the state assumes school districts are collecting the full 18 mills, so should this proposal not pass, the shortfall will not be covered by the state.

This millage is not assessed against residential homestead property or qualified agricultural property. For residential homestead property owners and qualified agricultural property owners, passage of the Non-Homestead Tax costs you nothing except your time to vote.

Local business or other non-homestead property owners will only be taxed at the rate (18 mills total) that was planned when state voters passed Proposal A in 1994. The individual parcels have been limited to increases no greater than the cost of living just as homestead property has been limited.

Additional information on this issue can be found in this edition of Community Life, information distributed through our school buildings and on our web site. If you have any questions or concerns regarding this very important issue, please contact the Administration Office at (810) 626-2100.

Person of the Month

Peggy Storey - March 2013

Peggy Storey has been living and teaching in Hartland for 23 years. She began her career here in a split position between Village and Round Elementary as a special education teacher. The following year she moved to Farms Middle School and then to Hartland Middle School when it opened.

Peggy received her Bachelor's and Master's Degrees from Central Michigan University and received certificates in Special Education for the cognitively impaired from Columbus College in Georgia, and for the emotionally impaired and Teacher Consultant from Central Michigan. Peggy is married to David and they recently celebrated their 40th anniversary! Both of their sons, Scott & Steven, graduated from Hartland High School and are now teachers - Scott at Lakes Elementary and Hartland Middle School, and Steven in DeWitt. Peggy's three grandchildren, Easton, Jack and Anthony, also currently attend or will soon attend Hartland Schools.

Most memorable moments: ("G" rated)

"I have worked with so many wonderful people and enjoyed so many students, that every year is different and special! However, I am most appreciative of the opportunity I was given to create a program called Experience Based Career Education (EBCE). Years ago, Jan Sifferman was my principal at Farms Middle School. As a principal, Jan had the desire to reach ALL students in a variety of ways. With support from Jan and the School Board, we created EBCE, a career and leadership class that allows students to take what they have learned in school and apply those skills to running student businesses and leadership programs. EBCE focuses on students accepting responsibility for their choices, building leadership, running craft, jewelry and candy businesses, selling concessions at middle school athletic events, dances and other activities, working in the cafeteria, running school-wide locker clean-outs and a variety of other opportunities. Students also work closely with community agencies to offer positive educational programs such as "Kick Butts Day," "Smart Moves, Smart Choices," "Those Who Host Lose The Most" and others. The amazing work of these students has earned them several awards, including the "Rising Star Award" from the Michigan Association of School Boards, the "Outstanding Workforce Development Program" from the Livingston County Workforce Development Council, and the "Golden Apple Award" from the Michigan Education Association."

Why are you are still here?

"Having taught in several states and numerous school districts, my husband and I knew that when we came to Hartland, we had found our "home." This was the type of school district I was proud to teach in and raise a family in! Hartland absolutely is a premier "School of Choice" in Michigan! The support I have received from Jan Sifferman, Steve Livingway and several assistant principals has allowed me to be the best teacher I can. The enthusiasm and creativity of my fellow staff

members has encouraged me to continue to grow as a teacher and to appreciate the changes we can make as a group! It is impossible to count the number of past students that have come back to say thanks for believing in them and teaching them that each and every choice they make will affect the rest of their lives."

Positive thoughts about Hartland Consolidated Schools:

"I don't know of any other school district where the School Board, superintendent, principals, teachers and parents are as supportive of ALL STUDENTS and continually strive to create programs and opportunities for students to succeed in and out of school in an ever-changing society. Hartland has the vision to think "outside the box" and give students much more than the "basics". Regardless of the many federal and state changes and demands, Hartland continues to look at the "entire child" and to provide options for students to grow physically, academically, socially and emotionally. There is no better job than teaching – supporting and encouraging students to be proud, successful and responsible for their own lives!"

Program Coordinator Needed

Hartland Community Education will be hiring a full-time program coordinator to work at the Hartland Senior Center. This person will plan, implement and evaluate activities, classes and services for older adults under the supervision of the center director. For more information regarding job description, qualifications and application process please contact Alice Andrews at 810.626.2135.

PARENT, TEACHER, EMPLOYEE NOTIFICATION OF THE AVAILABILITY OF THE MANAGEMENT PLAN FOR ASBESTOS

According to AHERA 763.93 (g) (4) "...at least once each school year, the LEA shall notify in writing, parent, teacher, and employee organizations of the availability of the management plans and shall include in the management plan a description of the steps taken to notify such organizations, and a dated copy of the notification. In the absence of any such organization...the LEA shall give written notice..."

The procedure and plan that the LEA has adopted for the notification listed above is as follows:

- * In writing, notify the presidents of each of the three above organizations of the availability of the asbestos management plan.
- * In the event that there is no organization representing any of the above three groups, individual letters will be sent out, or notice will be given in a newsletter of the availability of the management plan.
- * The Designated Person will be responsible to update the management plan as needed, and annually by March 30th of each school year.
- * The Designated Person will be responsible to ensure that a copy of the following or similar notification will be sent to the above organizations and/or individuals by April 30th of each school year and copies of the notices are filed in the management plan.

Principal's Corner

Ben Mainka, Hartland High School Principal

We had a fantastic ACT/MME/EXPLORE/PLAN week on March 5, 6, and 7 this past month. Students were ready to take the assessment, felt prepared, and were on time and ready to go. It was a great school effort to get things in place and we should expect to see our scores from these assessments coming back over the course of the next couple weeks.

The HHS Drama Club and our students are proud to present Disney's Tarzan on April 26, 27, and 28 and May 3, 4, and 5. Tickets are available online at www.hartland-dramaclub.weebly.com. We hope that Spring Break is a safe and fun experience for all of our families and we look forward to a great month!

HHS State of the School Address was a Success!

The first Annual State of the School Address was held at the end of February, and Mr. Mainka as well as each class president provided an update and presentation on their work this year at HHS. There were over 450 community members, parents, and students in the audience to witness a great event! Thank you for all of your support and letting us know we should continue with this next year!

HHS Sophomores Debate Their Way to Nationals

Four members of the HHS debate team competed at the National Forensic League District tournament on February 2 at Dexter High School. The resolution they debated was "Resolved: On balance, the Supreme Court decision in Citizens United v. Federal Election Commission harms the election process." Each team was required to debate both sides of that resolution which focused on whether corporations have the same rights as individuals with regard to campaign contributions. Congratulations goes to sophomores Kendra Rocha and John Moraitis who took first place. The district tournament is also the national qualifier, so Rocha and Moraitis now have the opportunity to compete in the national tournament held in Birmingham, Alabama. Also competing for Hartland were sophomore Morgan Herrington and freshman Brenna Rosso.

MDA Fundraiser a Success!

Thank you to all that donated to the MDA fundraiser. A total of \$2660.00 was raised to help our families here in Livingston County. Here is a mug shot of our awesome principal Ben Mainka during his trying time in Lock-Up. Thank you Ben for being our fall guy!

Students read during Wednesday morning Drop Everything and Read time.

Morning "DROP OFF" Time

Please note that the school day does not begin until 7:40 a.m. Students are allowed to enter classroom areas/access lockers beginning at 7:30 a.m. Parents who elect to drive instead of sending children on the bus need to realize that children dropped off to wait in the commons/cafeteria area before 7:30 a.m. ARE NOT SUPERVISED.

We suggest that you either (1) send your children on the bus or (2) not drop them off earlier than 7:30 a.m. if you want them to be supervised before the start of school at 7:40 a.m.

Honors Night/Awards Assembly

Our annual Honors Night/Award Assembly is scheduled for Wednesday, May 29 at 6:30 p.m. at Hartland Middle School. Students receiving an award will receive an individual invitation. Students who have been on the honor roll for any marking period this school year are invited to attend and will be recognized as a group, but will not receive individual invitations. We expect the ceremony to last approximately 90 minutes. Other "Team Awards" will be given on the last day of school.

NJHS Book Drive

The Hartland Middle School National Junior Honor Society recently sponsored a successful book drive in conjunction with March is Reading Month and national mathematics "Pi Day." Since we reached our school-wide goal of 2,013 donated books, NJHS students served free pie to all students during lunches on "Pi Day."

KROGER Community Rewards

HMS is registered with the Kroger Community Rewards program. You can register on-line at <http://www.krogercommunityrewards.com>. A percentage of your purchases linked to your Kroger Plus card will be donated to our school. HMS supporters who have signed up (so far only 35 households!) who shopped at Kroger between 11/01/2012 and 01/31/2013 have contributed to our most recent \$251.65 total quarterly donation. Please sign up as it costs you nothing. Thank you so much to those families already participating!

Congratulations to March 2013 Students of the Month

Each month at Farms Intermediate School we acknowledge students who have been nominated by their teachers for outstanding academic performance, as well as, for displaying exemplary Reason, Respect, and Responsibility. Students are presented with an All-Star Certificate and their names are announced school-wide. Congratulations to our Students of the Month!

Star Readers Program

Our Star Reader program is designed to encourage students to read, read, read. The Farms teachers select two students each month from their homeroom classes who have exhibited good reading habits. These students are the ones you see reading whenever they have a few minutes to spare. All monthly win-

“Give Your Heart a Hand”

Lakes Elementary participates every year in a variety of charities, the biggest of which is our Jump Rope for Heart event to raise money for the American Heart Association. This year it was held during the school day on Thursday, February 21 and our theme was “Give Your Heart a Hand!” In preparation for the big event, students practiced their jump rope skills in gym class for several weeks with physical education teacher, Mrs. Mehmed. They also made hearts being held by hands in art class with art teacher Mrs. Russano and learned about ways in which we can all help our hearts to stay healthy in health class with Mrs. Mehmed. The hearts were displayed in a giant banner and also around the entire gym. Music teacher, Mr. Eaton, played the awesome music that our students jumped to on the big day, and Mrs. LaPointe (media teacher), Mrs. Russano, and Mrs. Mehmed supervised the all-day event. Several parents also helped with the snacks after jumping, and all students (and Mrs. Smither and many teachers) joined in during the cool down to do the Cha Cha Slide. Although we do not have a final total of money raised for the American Heart Association, we appreciate the generosity of our Lakes families in donating to this very worthy cause, as well as the lesson of “giving back” that our students learn. Thank you so much for your support!!

Round Elementary News

Dave Minsker, Principal

810.626.2800

The students at Round Elementary School are looking forward to an exciting spring after a cold winter. Our April highlights include a couple educational activities. The "Brainstormers" acting group paid another visit to Round. They acted out stories written by Round School students. These skits were entertaining and showed our students how exciting writing can be. Third grade teacher Mrs. Rutherford conducted an "Ask An Expert" activity where her students wrote a piece of writing about something they know a lot about. They then were able to explain the concept to other students and staff as the expert in that area. They not only had to write their piece but also explain it. Fun was had by all. Round Elementary would like to wish everyone an exciting spring.

The Brainstormers acting group performed skits of student writings.

Kindergarten, 1st, and 2nd grade students act out stories written by their classmates during a Brainstormers activity.

First grade student Drew Bosley shows off his expert writing sample during a 1st grade "Meet the Expert" activity.

First grade student Vincent Ferrera explains his writing piece to a Kindergarten student at the "Meet the Experts" event at Round.

Mrs. Rutherford's 1st grade class sits at their stations and gives their expert opinions about their writing.

Students in Mrs. Butzier's first grade class dressed up like they were 100 years old to celebrate the 100th day of school.

Mrs. Meier's first grade class kicked off March is Reading month by wearing red and white in honor of Dr. Seuss's birthday.

All of our Village students enjoyed our annual spring book fair and Family Literacy Night.

Many families came to enjoy our Science Fair and we loved having so many talented and creative entries from our young scientists!

At our annual Jump Rope for Heart event, we raised over \$8,000 for the American Heart Association. The teacher of one of our top fundraising classes, Mrs. Rumble, got to shave a heart into Mr. Cain's head for exceeding our goal.

Upcoming Events:

- March 29-April 5 No School
- April 10 PTO meeting at 6:30 p.m.
- April 12 and 26 Spirit Store
- April 19 Popcorn Friday

Volleyball Tournament

The second annual Volleyball Tournament was hosted by Hartland LEGACY. Lansing Fulton, Mt. Pleasant Odyssey and Owosso Lincoln Schools traveled to the tournament. LEGACY offered three teams coached by Mr. Lemay, Charles Banks and Mrs. Vaughn. LEGACY fought hard and in the final Championship, Mr. Lemay's team placed 2nd while Charles Banks' team, placed 3rd and Mrs. Vaughn's team 4th. The whole school was able to watch the Championship rounds. According to Coach Lemay, the students were "Rock Stars in both playing ability and behavior."

LEGACY Lunch with the Principal

Tyler Schuster enjoys lunch with Principal Kirk Evenson. Tyler won the lunch from the Valentine's Week Random Act of Kindness raffle put on by the LEGACY Student Advisory Council in order to recognize positive things that take place on a daily basis. LEGACY staff members were given a number of tickets to distribute to students who offered a "Random Act of Kindness" to someone. A drawing took place at the end of the contest for the prizes that included lunch, a day in the gym and t-shirts among others.

May 7, 2013 — Special School Election

"Your Vote Counts and Costs You Only Your Time to Vote"

On Tuesday, May 7, 2013, voters in the Hartland Consolidated School District will be asked to maintain the full 18 Non-Homestead mills for the schools' operating budget. Essentially, the ballot question asks district voters to keep the same millage rate, 18 mills, that has existed since Proposal A went into effect in 1994. For residential homestead property owners and qualified agricultural property owners, the maintaining of the 18 non-homestead mills will cost you nothing except the time and energy you expend to go to the polls.

In March of 1994, Michigan voters approved Proposal A. That action completely changed how Michigan public schools would be financially supported in the future. The success of that vote significantly reduced tax millages for people who owned one home (called your homestead). For example, the Hartland Consolidated Schools operating tax millage was 37 mills before Proposal A. After the 1994 vote, it was reduced to six mills and remains this amount. The 6 mills are sent directly to Lansing. This and other taxes, such as sales tax, income tax, liquor and cigarette taxes, and lotto revenues all go into making up the dollars for the state school aid fund. From these collected monies, the State reimburses school districts with a foundation allowance.

In Hartland our foundation allowance for the 2012/2013 school year is \$6,966.00 per pupil. Please keep in mind that this is the basic foundation grant promised under Proposal A. **The 18-mill Non-Homestead Tax portion of school funding is extremely important for Hartland Schools, equating to approximately \$4,346,475 in revenue next year.** Non-Homestead property is defined as commercial, industrial and second homes such as vacation cottages. Non-qualified agricultural land that is not farmed by the owner is also subject to the 18-mill tax levy. The crux of Proposal A is based on the assumption that each district would collect the full 18 mills on **non-homestead** properties. The law states that the full 18 mills cannot be collected unless it comes before the voters in an election, and the state assumes that school districts are collecting the full 18 mills and does not compensate them for a shortfall if the renewal fails. Those of us that own our homes as our primary residence (our homestead) would continue to pay **6 mills – no more and no less.**

If the Non-Homestead millage on non-residential property is not renewed at the full 18 mills allowed by Proposal A, this will create a loss in revenue for the school district of approximately **\$4.3 million** for the 2013/2014 school year. The last Non-Homestead Tax millage election was held in May of 2012 for a period of one year. **Please remember the 18 mills is what the district needs to be made whole regarding state funding and that this will cost residential homeowners in Hartland nothing more than their time to vote.**

Why is a non-homestead renewal important to Hartland Schools?

- ➔ The 18-mill tax equates to **\$4,346,475 in revenue** for the district next year
- ➔ State assumes 100% of the non-homestead tax is collected based on a levy of 18 mills
- ➔ Funds not collected **ARE NOT** made up by the state when allocating monies to our schools for educational purposes

Is the Non-Homestead renewal something new?

- ➔ **NO!** This tax levy has been in place since 1995
- ➔ Businesses, vacant property and second homes are expected to pay this tax as part of Michigan's school funding program
- ➔ **This is a renewal of the 18 mills passed for one year in 2012**

Does this renewal mean a tax increase for area businesses?

- ➔ **NO!** This same 18 mills has been levied on businesses, vacant land and 2nd homes since 1995 and the passage of Proposal A

If the only property I own in the Hartland district is my home, does this proposal cost me anything?

- ➔ **NO!** As stated in the ballot proposal, principal residences and other qualified property are exempt.
- ➔ **NO!** But keep in mind if the proposal is defeated, it will cost Hartland Schools approximately \$4,346,475.

Ballot Language

HARTLAND CONSOLIDATED SCHOOLS OPERATING MILLAGE RENEWAL PROPOSAL

This proposal will allow the school district to continue to levy the statutory rate of 18 mills on all property, except principal residence and other property exempted by law, required for the school district to receive its revenue per pupil foundation allowance.

Shall the limitation on the amount of taxes which may be assessed against all property, except principal residence and other property exempted by law, in Hartland Consolidated Schools, Livingston County, Michigan, be increased by 18 mills (\$18.00 on each \$1,000 of taxable valuation) for the year 2013, to provide funds for operating purposes; the estimate of the revenue the school district will collect if the millage is approved and levied in 2013 is approximately \$4,346,475 (this is a renewal of millage which expired with the 2012 tax levy)?

Where to Vote

Residents of the Hartland Consolidated Schools district will vote in the same local township polling location for the school election as when voting in the general election.

Eligible Citizens May Vote Absentee

Absentee ballot applications will be received and processed at the township or village hall in which you reside. Township and Village Hall addresses and phone numbers are listed below. Please call to request an absentee application or for further information on how to vote absentee.

Zoning Ordinance Update

Hartland Township is excited to introduce the Township's completely reformatted Zoning Ordinance. Over the past year, the Planning Commission and Planning Department have been working to enhance the accessibility and functionality of codes and processes that govern and direct zoning and land use within the community.

The reformatting project started in October 2011 with the initial task of taking the current Ordinance and converting it into an electronically friendly and searchable document. While the document may still be used in its paper form, the most efficient and effective way to utilize the new tool is with an electronic device.

The reformatted Zoning Ordinance is available by visiting the Township website at www.hartlandtwp.com. The Township encourages its residents and property owners to open it in Adobe Reader or on a mobile device and explore its interactive features.

The Hartland Township Planning Department is available to assist you with using this new tool. The Township Board of Trustees and the Planning Commission are striving to find ways to better communicate with the residents, business owners and developers of the Hartland community. We hope that you will find this tool a step in that direction.

The new format is known as clearzoning®, which reorganizes zoning and other development regulations for greater efficiency, identifies and resolves conflicting regulations, and provides a significant "health check up" for zoning codes.

KIRBY LAW OFFICE, PLC

Affordable Legal Services

Most people think that they're too young or they don't have enough stuff to worry about making an estate plan. These people are wrong on both counts.

Too many young families are struck with an unexpected disaster with no plan in place to help with the transition.

Ask yourself the following questions:

- If something were to happen to the both of us what would happen to our child or children?
- If we're not capable, who would handle our financial affairs?
- If my spouse isn't around and I'm not capable, who would make medical decisions for me?

Were you able to answer any of them? Estate planning isn't just about figuring out what to do with your stuff, it's about the security of knowing that if that unexpected disaster hits your family will be taken care of and given the chance to mourn without the headaches of trying to figure out what to do.

At the bare minimum every family should have a will, a durable power of attorney, and a power of attorney for health care.

Hartland Audubon Club Meeting Bird Songs-April 2

The Hartland Audubon Club will meet on April 2 at 7:15 p.m. We meet at the Hartland Educational Support Service Center, 9525 E. Highland Rd. at 7:15 pm.

Are you familiar with the songs of our most common birds? We are in for a rare treat this evening as Hartland Audubon's President John Smith teaches us through a play-and-show presentation with some of his wonderful bird photos in conjunction with some exemplary recordings.

We have an enthusiastic, interesting group and take wonderful field trips which are announced at the meetings. Also check out the Hartland Audubon web-site: hartlandaudubon.weebly.com. For more information about the Hartland Audubon Club contact Birdier_John@hotmail.com or call 517.548.2610.

2013 Livingston Regional Job Fair-April 17

At the 2013 Livingston Regional Job Fair local job seekers will be able to connect with dozens of area companies who are looking to hire. This free event will be open April 17 from 11am-3pm.

Job seekers should be prepared to meet with potential employers, provide a current resume or work history, and complete applications. Some exhibitors may be conducting brief interviews at the event. Remember to dress to impress!

Job seekers who register for the event at www.lcmw.org will receive frequent e-mail updates and notifications of recruiters and available job openings. You will also be notified about workshops and other services to help you prepare for the Job Fair. Be sure to register, print your online ticket and bring it with you to the Job Fair to qualify for special door prizes.

In addition to meeting directly with employers, job seekers will have the opportunity to attend workshops and to meet with educational institutions and community organizations that can help you meet your career goals. A Veterans Resource table will be available to assist Veterans, Active Duty Military, National Guard and Reserves. Human resources professionals will be available throughout the day to provide a quick critique of your resume and to conduct a mock interview. There will even be a massage therapist available to provide a free chair massage to job seekers!

It's Not About the Bowling ... It's About the Kids

Bowl For Kids' Sake is Big Brothers Big Sisters of Livingston County's signature event. For more than 25 years they have hosted this fundraiser which raises money for the much needed mentoring programs in the county.

On March 8, 9, and 10, Striking Lanes in Hartland hosted this major bowl-a-thon. Teams made up of 5 members registered with the agency to raise awareness and dollars. Each bowler is asked to raise a minimum of \$60.00 per person to bowl in the Community Bowl. Donors, corporations, individuals, and businesses come together at this fun-filled event and celebrate mentoring.

The money raised at Bowl For Kids' helps to support Community-Based mentoring and Site-Based programs like Big Futures at Round, Lunch Buddies at Lakes and Creekside, and Rockin' Readers at Lakes. Over 50 children from Hartland are being mentored through Big Brothers Big Sisters.

The Rotary Club of Hartland

Rotary meets every Thursday morning for breakfast, followed by an informative presentation. Visitors are welcome to join us at Hartland Insurance, 2351 Old US 23, in Hartland at 7:30am. If you have a passion for community and world service and enjoy sharing fellowship with those having a similar desire, please join us! For information visit www.hartlandrotary.org/

Activities

In March, our team known as the Split Ends represented Rotary in "Bowling For Kids." This event is the primary fund raiser for Big Brothers/Big Sisters of Livingston County. Our representatives included Lois Halsted, Larry Hopkins, Mike Horan, and Barbara and Dave Walker. We extend our thanks to the Hartland community for their generous support.

We Are Proud of Ganiah Hinton, who has recently returned from a year in Buenos Aires, Argentina. After graduating from Howell High School and its Rotary Interact program, Ganiah participated in Rotary's Outbound Foreign Exchange Program, under our sponsorship. She gave a most informative review, including many pictures, at a recent club meeting. Now she's with Americorps, currently working with Gleaners.

A Reminder: We hope you have begun planning to participate and/or attend the Third Annual Hartland Cardboard Boat Regatta. It will be on July 20 on Lake Walden at Waldenwoods. The public is very welcome! Visit our web site www.hartlandrotary.org/ for additional information.

Hartland Class of 2013 Needs Help

It is a long standing tradition that the students of Hartland are well aware of. Traditionally we hold a Senior All Night Party (SANP) for our graduates. This is held from 10 pm to 5 am at the High School after commencements. The purpose is to keep the kids in a safe, fun environment to celebrate their accomplishments. We have food, bounce houses, games, photo shoots, music, dancing, many prizes and fun things to do.

It takes a village and we need help. Donations of any kind can be taken to the Cromaine Library. Suggested items – Gift cards (food, gas, stores, etc), new boxer shorts (for boxer bingo) of any size or brand, mini fridge or dorm TV. Monetary donations can be made out to SANP and taken to the Cromaine.

We appreciate any help to keep this tradition going and our kids safe.

The Importance of Medicaid Planning from a Nursing Home's Perspective

Many people share a common misconception that Medicaid Planning is not in the best inter-est of nursing homes. At the same time, many nursing homes are now recognizing that without proper Medicaid planning, some residents who have spent down all of their assets are not automatically qualified for Medicaid—leaving the nursing home with a very large, uncollectible bill. And, as many of you are aware, non-spouse family members are not responsible to pay the nursing home bill for their relative. If the resident is unable to pay and they do not qualify for Medicaid, the nursing home will have a difficult (if not impossible) task in collecting their outstanding bill due. Let me give you a couple of examples (actual cases we have had where nursing homes have suffered due to the lack of Medicaid planning:

Scenario one: We received a call from a Michigan nursing home regarding one

of their residents who had a bill that was over \$17,000.00 in arrears. We were told that several months ago, the resident had spent down all of her assets to less than \$2000.00 and had applied for Medicaid. However, her application had just been denied and the resident now had a \$17,000.00 bill and no money to pay it! The nursing home had just learned that the application was denied because the resident owned a piece of "worthless land" in another state that she had been trying to sell for over a year.

Although this resident had been listing her property for sale for over a year (offering the land at "best offer"), she had not received any offers. In that sense, the land truly was worthless. However, as we explained to the nursing home, the property was appraised at \$10,000.00 and therefore was considered a "countable" asset, regardless of the resident's inability to sell it. We took the issue to a fair hearing

(feeling like the nursing home did, that it was unfair to the resident who was doing all she could to sell the land), how-ever the resident died in the interim and the estate did not wish to continue the appeal. The nursing home was therefore "stuck" with a \$17,000.00 bill.

With proper Medicaid planning, this could have been avoided. The resident would not have applied prior to disposing of the land and would have qualified upon application...the nursing home would never have incurred such a large bill.

Scenario two: Our office received a call from the daughter of a Michigan nursing home resident who had just been denied Medicaid. Her mother also had spent all of her money and applied for Medicaid. Both the resident and the nursing home assumed the resident's application would be approved, and the daughter who

called our office was sitting on nursing home bills and medical bills totaling over \$11,000! The problem in this case: although mom had less than \$2,000 in her bank account, she had an insurance policy with a face value of more than \$1,500.00; the cash value of the policy is considered a countable asset. Now, two months after the application was filed, bills had accrued and the resident needed to spend down the value of her life insurance before she could qualify.

Again, had the proper Medicaid planning been done, the life insurance policy would have been cashed out, assigned to the funeral home or otherwise spend down before the application for Medicaid was made and the nursing home would not have been stuck with such a large bill.

THE BOTTOM LINE: Proper Medicaid planning is beneficial to both the resident AND the Nursing home.

Scouting News

Cub Scout Pack 385 News

WELCOME SPRING! Scouts in Pack 385 continue to make great progress through each den's ranks and achievements. We also said goodbye to our WEBELOS II as they crossed over to Boy Scouts at the Blue and Gold Banquet in February, and wish them well in their new Boy Scout Troops. We would also like to express our heartfelt thanks to Cindy Andersen, Dario Robinson, and Bob Pillel for leading these young men throughout the years. Our Pinewood Derby was a great success, and fun was had by all. Last month we helped serve dinner at the Hartland Senior Center and sponsored the Cake Walk at Lakes Fun Fest.

This month, the Cub Scouts will crossover to the next rank, and they are all currently working very hard to do so. As you can tell, we learn, contribute and have a lot of fun! We're looking forward to participating in the Hartland Memorial Day Parade, Toledo Mud Hen Game, camping at Camp Rota-Kiwan, and many other activities. If you would like to join Pack 385 (or have your parents help out in a den), contact Pete Ansbro with any questions (810.227.9948) See you in Scouting.

Cats and the Fiddler ~ Their Last Concert Together

Don't miss this one. We are excited and nostalgic. The Cats and the Fiddler had their very first appearance at the Kettle (when I think they were about 5!!). It is only fitting that they hold their last concert with the Kettle. They are graduating from high school and going their separate ways.

The concert will be at Hartland Music Hall, 3619 Avon (N. Hartland Rd) on Saturday April 20. Doors open at 7:30pm and open mic begins at 7:45pm and the concert at 8pm. Tickets are \$10 presale and \$12 door. Children 11 and under are free. Tickets are available on line at www.kettlecoffeehouse.org and at the Hartland Community Ed office, Hartland Flowers, Milford Music, and Milford Feed. Refreshments will be available.

The Cats and the Fiddler are comprised of twin brothers, James and Shaun Richardson, and their cousin, Carmen Gibes. They play great Bluegrass and country music. A portion of the proceeds will be donated to Gleaners Food Bank. Please join us, it will be a very memorable evening.
