## Superintendent's Message

Janet Sifferman, Superintendent

Can you believe we are already gearing up for the end of the 2012/13 school year? Graduation is around the corner and our high school students are eagerly anticipating prom night in the coming weeks. This is a time of high spirits, particularly for our high school students, and I would ask that you, as parents, stress the importance of responsibility and caution as our students enter prom and graduation party season. We have much to be thankful for in Hartland. During these challenging and often adversarial times, both in our own county and across the country, Hartland continues to keep its focus on what is important – family, school, community.

With that in mind, I hope all of you will take the time to vote in our special school election on May 7 on the 18-mill Non-Homestead proposal. This proposal is a renewal of the 18 mills that has been levied on non-homestead properties since the passage of Proposal A in 1994. Principal residences and other qualified property are exempt. This renewal equates to \$4,346,475 in revenue for Hartland Consolidated Schools. Please don't forget to vote on May 7!

## Hartland Alumni Association Banquet

Reminder ~ Don't Forget

Due to a conflict with Crosby Catering we had to change the date for the 2013 Banquet to May 4. We checked other catering services, but because of price and good food we agreed to change our date to accommodate Crosby Catering. Please update your calendars and hope to see you on May 4, 2013.

## Alice Andrews

Grand Marshal of the 78th Annual Hartland Memorial Day Parade

If the citizens of the area that frequent the Hartland Senior Center are referred to as being in their "Golden Years," then Alice Andrews should be referred to as the "Crown Gem" amongst all that gold!

In 1992, when Alice became the Director of the 260 member Center, it was housed in the small lower level of the Hartland Consolidated Schools Administration Building in the Village of Hartland.

Today, at its current location at the Hartland Educational Support Service Center (the former Hartland High School, there are 1123 members demonstrating the required increase in floor space. This is due to the exponential growth of program offerings because of Alice's constant efforts to improve and expand them. The programs include fitness classes, card games, movies, craft classes, dance classes, and others too numerous to mention. If one did attempt to compile a list for an article such as this one, by the time it went to print it would likely be outdated due to the constant expansion of program offerings and Alice's efforts to offer a variety of experiences. Alice explains that the Hartland Senior Center is very much a volunteer-driven organization and attributes much of its success to the many volunteers who contribute their time and talents to the Center. The support from

from Hartland Schools and they have one grandson. She has always enjoyed HHS sports; organizing the first Girls Golf Team, and as a Team Manager for Boys Varsity Hockey and Golf.

### Most memorable moments: ("G" rated)

With 23 years in the bus garage, Jill has a number of memorable moments, but #1 on the list was the passage of Public Act 422, which restricted a student who initiated a bomb threat from applying for a driver's license for three years. This legislation was actually proposed by a mechanic in our bus garage, Bill Yurgelaitis, after a string of bomb threats in the district in 2001. The tornado that blew through the district at dismissal time at Ore Creek in 2001 also provided a lot of excitement when all the students needed to be evacuated back into the building. Moving the department from its former "portable office" next to the Village Elementary to the newly renovated HESSC was definitely a high point. Our transportation department has twice hosted the annual AAA/MAPT Bus Rodeo, which Jill noted was a HUGE job but really fun!

### Why are you still here?

"I enjoy my job because I really care about the students, and every day is different. We don't just provide safe and efficient transportation to and from school, but are a big part of their educational day. Our dispatchers, mechanics, drivers, and bus aides are the best in the county, and I could not do my job without their support. The excellent rapport we have with our board members, administration, building staff, teachers, and parents is outstanding. The one responsibility I won't miss when I retire is checking the road conditions at 3:00am to assist Jan with her decision to close school."

### Positive thoughts about Hartland Consolidated Schools:

"It is amazing that our buses cover 94 square miles each and every day, traveling approximately 3,440 miles, including school-related activities, athletics and class trips. Hartland has an outstanding reputation in the state for its excellent schools and supportive community. As a parent I am very aware of the premier level of education available to our students, and as an employee feel so fortunate to work with such dedicated professionals."

## Principal's Corner

**Ben Mainka, Hartland High School Principal**

May is already here and it is amazing how quickly time flies. It seems like yesterday that we were welcoming students back to school for the first day, but now we are preparing for graduation already. On that note, I would like to congratulate our Senior Class of 2013 for their amazing accomplishments and hard work as a class. They are truly a group who is full of leaders and we will certainly miss their presence when they are gone. We know they are on to great things and we will be saying goodbye to our seniors on their last school day for our Annual Senior Walk on May 23.

### Tarzan is Here!

The HHS Drama Club and our students are proud to present Disney's Tarzan on April 26, 27, and 28 and May 3, 4, and 5. HHS will be the first school in Michigan to put on Disney's Tarzan and it should be a monumental moment for our Drama Club. Feel free to bring children as the show is appropriate for all ages. Tickets are available online at [www.hartlanddramaclub.weebly.com](http://www.hartlanddramaclub.weebly.com). We hope that you will be able to come out and see a great show while supporting our HHS Drama Club!

### 7-Period Day for 2013-14

HHS will be moving to a 7-period school day next year for a variety of reasons, but the primary reason will be for reducing the class sizes for students at Hartland High School. With our new schedule, students will be able to attend an additional class period each day, which also opens up their schedules to new possibilities. The HHS counseling department is working diligently now to ensure students are placed in the appropriate classes. Some key points regarding the 7-period day are:

- No change to the length of the school day or impact on the school calendar
- In classrooms, the class sizes will be reduced
- Opportunity for more choice for students

### Parent Workshop and Resource Fair – A Great Support

Back in late March, Hartland High School partnered with The Hartland Coalition and The Hartland Moms to put on our first ever Parent Workshop and Resource Fair. The result was a great collaboration between community and school resources to provide support to parents that have students of all ages. The workshop featured many therapists, nutritionists, and other expert professionals who gave specific presentations on a broad range of topics affecting parents today. We plan to host this workshop again next March in 2014, and we hope you have the opportunity to join us!

If you are a parent of a Hartland High School student and would like to have access to the bi-weekly newsletter, HSHappenings, from Principal Mainka, please make sure that your email address is updated on ParentConnect and you will receive the communication.

## "Scurry Up and Read"

March is Reading Month is always an exciting time at Lakes Elementary School! We incorporate many fun and important activities to support our students' efforts in reading and writing, as well as to foster and continue to promote a love of literacy. This year's theme was "Scurry Up and Read" and we celebrated Dr. Seuss's birthday as the Cat in the Hat (aka Mrs. Smither) read some favorite Seuss books to many of our classes. We enjoyed a visit from author Matthew Faulkner who held three workshop/presentations for our students. Several of our wonderful Lakes teachers read to our families one evening at Cromaine Library's Crossroads Branch, and we were thrilled that 104 people were there to enjoy the stories.

We recognized many of our individual students' reading accomplishments in our front showcase, and classes set their own individual and group reading goals for the month. Many of them celebrated reaching those ambitious goals by having a Pajama Day Read-In just before Easter Break. We held weekly book raffles for those students who turned in tickets for number of hours read, and everyone (including staff members) added tubes for number of personal hours of reading time to our various Hamster Habitats around the building. Many reading and writing games were developed and enjoyed throughout the month as well.

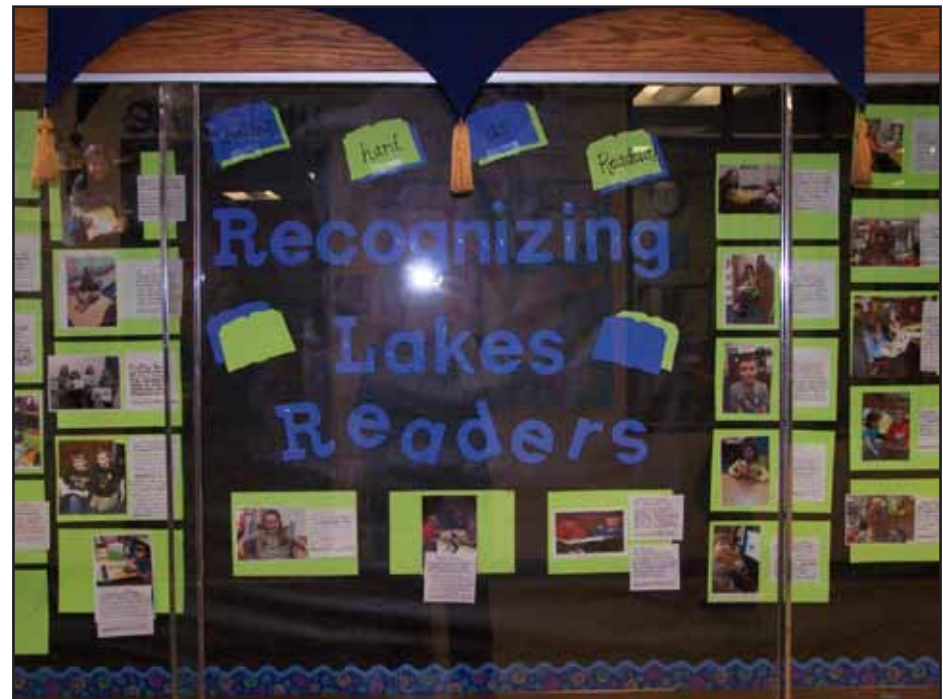

Finally, we celebrated the last meeting of our Rockin' Readers program for the year, where our high school buddies have been meeting with their Lakes reading partners once a week for the last five months. Thanks to staff, students, and parents for supporting Lakes Elementary in these important literacy efforts. March is Reading Month may be over but we hope that our enthusiasm and love of reading will carry on throughout the entire year.

Lakes' teachers, Mrs. Egeland, Mrs. Russano, Mrs. Furr, Mrs. Atreo, and Mrs. Jagusch take turns reading to our Lakes students at the Crossroads Library.

Congratulations to our Rockin' Readers partnerships, a Big Brother Big Sisters sponsored program, for another great year of reading and positive relationship building!

Fourth grade students from Mrs. Alberts classroom, Holden D'Arcy, Karl Jensen, Alyssa King, and Ethan Shaw, are engrossed in some great reading during their PJ Day Read-In.

## 810.626.2800

We have had a tremendous school year so far at Round Elementary. Spring always brings a lot of excitement and many great activities. The Round PTO sponsored a celebrity auction which was a huge success. The Round School Family raised over \$8500 for students and teachers. It was a night of great food and a chance to spend a fun evening with all of the Round School family. A spaghetti dinner was followed by a live auction for many exciting prizes, raffle classroom baskets, and silent auction items. We would like to thank the many sponsors that donated items for the auction and to the PTO for organizing this memorable event. Also thank you to the PTO board, the chairpersons who planned the event, and the numerous volunteers who prepared the food. It was a great night for Round Elementary. We wish everyone a happy spring!!!

Round teachers participate in the live auction to spend a fun day at the Round. Teacher centered auction items highlighted the event.

Many silent auction items were displayed at the celebrity auction. Thank you to the many sponsors that donated these great prizes.

Students, parents, and guests go through the buffet line for spaghetti, salad and bread. Thank you to the volunteers that made it all happen.

These fabulous classroom baskets were raffled off during the auction. Thank you to the PTO room coordinators for helping to create the baskets.

Wow, what a great Fun Fair and Silent Auction! We are so happy that so many people from the community came out to support our school and get some great Silent Auction deals. It's truly amazing to see how many businesses in our area that have stood up in this economy and continued to support our schools. We want to say thank you to all the amazing volunteers, families who donated stuff to our class baskets, the parents who helped put the class baskets together and class projects, to all the parents who baked all the wonderful bake goods for the cake walk, the staff, and the wonderful PTO for all the time you took planning to make this event happen! ## LEGACY High School News

Kirk Evenson, Principal

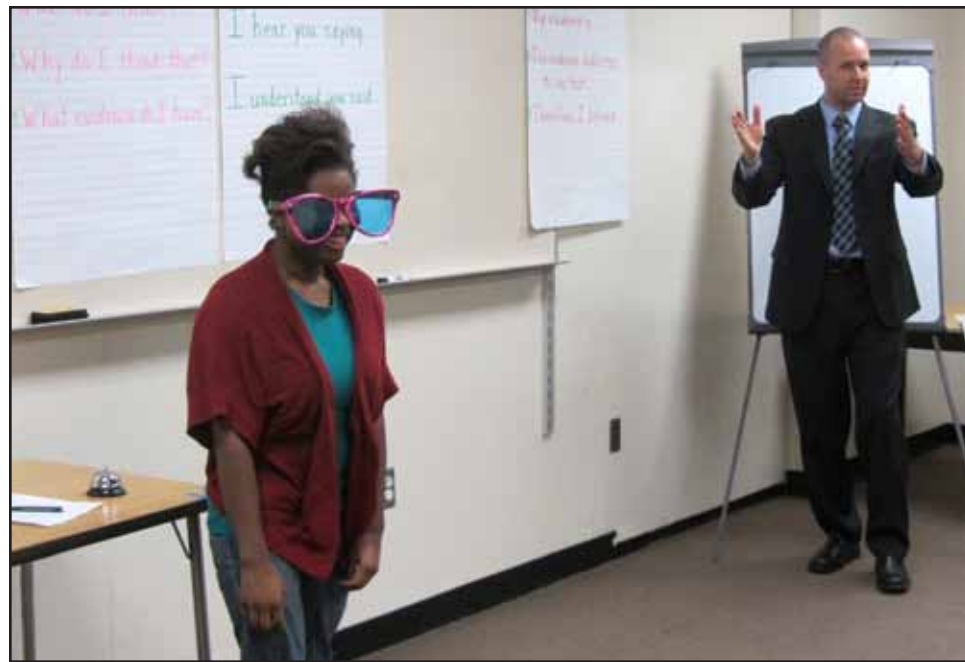

810.626.2104

The Senior Class of 2013 only a few days left of school and their formal schooling will be over. For their parents, this can be a very sad time but also a time of great joy and excitement. I know so many families have worked very hard to finally finish and reach graduation. To this we offer a well-deserved 'congratulations' to the families as well as the students.

This year marks an extra-special moment for LEGACY HS and the Class of 2013, as they are the 30th class to exit with diploma from Hartland Consolidated Schools. The leadership of this district have nurtured and supported the alternative programs in Hartland with consistency and care with great results.

Hartland is proud to be the best alternative school in the county and beyond; a true 'school of choice' for students from surrounding districts. Congratulations to the Class of 2013 on your momentous achievement.

Please join us May 29 at 7:00pm in the Performing Arts Center Auditorium at the district Service Support Center on M-59 for the commencement ceremony.

## Grand Marshal (continued from page 1)

the local community including Hartland Schools, Hartland, Tyrone and Deerfield Townships demonstrates the value of community collaboration.

"I feel greatly honored that I have been able to facilitate the growth of the Center with the help of individuals, local organizations and community support."

Last fall, the Hartland Patch recognized Alice as one of its "Greatest Persons." Alice told Editor, Tatum Ryan that, "People today spend one-third of their life in retirement. It should be a time when you're free to do all the things you never could before and learn the things you never learned before and feel good, and so that's kind of what we're about."

Alice moved to Livingston County in 1986. Her husband, Ted, passed away in August 2012. Ted, like Alice, was very involved in the Hartland Community. He served 12 years on the Board of Education and was also active with the Cub Scouts, and HAYAA. Alice has served on the boards of Lakes Elementary P.T.O., the Hartland Players and Encore Youth Theater. Alice has four children which all graduated from Hartland Schools. Alice has decided to retire from full-time work this summer and is looking forward to spending more time with her three grandchildren: Jacob, Kate and Garrison.

As you enjoy the 78th Annual Hartland Memorial Day Parade, and the classic convertible in the early part of the parade passes by with a woman waving from the back deck, wave back and say "Thank You" to Alice Andrews. She deserves it from the entire Hartland Community. Congratulations Alice as the 2013 Grand Marshal.....and Thank You!

### Weaving Camel Saddles in Mongolia

In the winter of 2012, Mary Underwood returned to Mongolia to record and to learn the process for weaving camel saddles. Starting with handspun and dyed yarns, the process is a rug making technique done on a portable loom. With an inner lining of felt, a bright red woolen border, and a beautiful and intricate woven design, these saddles are a perfect example of individual expression and high craft. Come along for the ultimate magic carpet ride – on a Bactrian camel.

Join us for this informative program on Thursday, May 9. Our program begins around 8pm following our business meeting. Please note that this is the second Thursday of the month meeting due to the Spring Fling sale scheduled the first weekend of May. We meet in Room 3 at the Hartland Educational Support Service Center on M-59. Our social time begins at 6:30pm. More information can be found at [www.blacksheepweavers.com](http://www.blacksheepweavers.com).

## Flash from the Friends

Why are the "Friends" smiling? It is because so far in 2013 we have given Cromaine \$500 towards "The Way We Worked Exhibit," \$500 for the "Livingston Reads," \$4,500 for the "Big Read".... Edgar Allan Poe, The "Grant Sweet Memorial Essay" \$250 and Cromaine's "Summer Reading Club" for all ages, received \$3,000. In addition, the Friends have provided funds for the Summer Music Program and yes, Steve King returns! Plus An Dro and Wildfire!-\$1,000 and for the program Sallie's Author Visit: TBA-\$250.

Of course, all of this is funded through earnings derived from book sales, bake sales, membership drives, and more. These ventures are all hard work, but we're not complaining because we love the "Friends" and Cromaine is the BEST.

We always welcome new members. To join is easy, and not expensive. For information, ask someone at the circulation desk for help. We are so happy to welcome Mary Morris and Eileen Griswold as "LIFE MEMBERS."

*Angels exist, but sometimes they don't have wings-we call them "Friends"*

## Hartland Archers Hit Their Mark "AGAIN"!

The Hartland Archery Teams competed in the 2013 National Archery in the Schools Program State Tournament last week. 32 schools and 683 archers competed for 40 individual medals and 3 championship trophies.

Hartland archers took home 21 of the 40 individual medals and won all three championship trophies!

This is Hartland High School's first "Back-2-Back" Championship in the sport of Archery! They shot a team score of 3423 out of a possible 3600. This is the best the team has ever shot and they beat their rivals from Gaylord who shot a respectful 3389.

Both younger divisions of Hartland Archery continued to defend their previous state titles as well. The Middle School Team won their 6th consecutive State Championship and the Elementary School Team won their 5th consecutive State Championship. This brings the total State Championship count won by Hartland Archery to 13 in the past 6 years!

All of the archers from the Hartland Archery program qualified for the National Tournament in Louisville, KY over Mother's Day weekend in May. 108 students and their families will be heading down for this event to represent both Michigan and the Hartland School District.

## Cub Scout Pack 385 News

Cub Scouts in Pack 385 have had a busy month! They had a fun afternoon at the Hartland Pool, completed their requirements for rank, and had a memorable cross over. They also spent time, at the Great Lakes National Cemetery in Holly, honoring those who served, by helping clean headstones.

Congratulations also to Cody Hatt, Connor Eddy and Tim Braford, for placing 1st, 2nd, and 3rd in the Pack's Pinewood Derby! Scouting doesn't stop after cross over. Many events are lined up for May and beyond. We are looking forward to helping with Relay for Life, Hartland Memorial Day parade, Mom and Scout outing, Pack picnic, camping, baseball and much more! If you would like to join Pack 385 (or have your parents help out in a den), contact Pete Ansbro with any questions at 810.227.9948.

## Girl Scout News

The Girl Scout troops at Creekside Elementary School celebrated the beginning of spring with an Egg-Stravaganza party and egg hunt. The event was a lot of fun for the girls and their siblings joined in the celebration as well. This is another great example of the fun events we are involved in as Girl Scouts.

## Troop 381 Honors Eagle Scout David M. Parzuchowski

On Saturday, April 6, Troop 381 honored our newest Eagle Scout David Michael Parzuchowski at an Eagle Court of Honor at St. Augustine Catholic Church in Deerfield Township. Surrounded by family, fellow Scouts and Troop leaders and community members who have influenced him along the way, David received his Eagle Scout rank, the highest level of recognition a Scout can earn in Boy Scouting. Assistant Scoutmasters Jim Bauer and Steve Masters participated in the ceremony along with Committee members Deb Curcuru and Dave Dunville. Fellow Scouts Salvo Curcuru, Nik Masters, Bryan Peterson and Ronald Trosin III served in the Honor Guard. David's Eagle Mentor, Steve Sluis, presented the Trail to Eagle.

The guests were treated to a slide show highlighting David's scouting career, produced by David himself. Scoutmaster Ron Trosin II delivered the Charge to Eagle, lead David through his Eagle Scout Oath and presented him with his Eagle Rank pin. David presented his parents, John and Linda Parzuchowski, with their Eagle parent's pins and his Eagle Mentor, Steve Sluis, with his Eagle Mentor pin. Scoutmaster Trosin shared some reflections in a letter from Assistant Scoutmaster Mike Peterson, who was unable to attend the ceremony, congratulating David on his achievement. David's father, John Parzuchowski, read Letters of Commendation David had received from President Barack Obama and Michelle Obama, President George W. Bush, Governor Rick Snyder, Senator Debbie Stabenow, Representative Cindy Denby, Senator Joe Hune, and Representative Bill Rogers. Assistant Scoutmaster Tommy Kesterson, who was David's first Scoutmaster, presented the Legend of Eagle Mountain. Over 100 guests gathered afterward for a luncheon provided by the Parzuchowski family and prepared by Tim Fox a Knight from the Troop's Chartering Organization, St. Augustine Knights of Columbus. David managed the installation of a canoe launch and observation benches at the Deerfield Hills Recreation Area in Deerfield Township as his Eagle Scout service project. Through David's efforts, those who seek to enjoy the peace and beauty of the outdoors now have a new entry point to the local waterways. Troop 381 is proud to celebrate the service and achievement of Eagle Scout David Parzuchowski.

Initiated in 2005, and continuing each year as funds allow, the Encore Youth Theater, in association with the Hartland Players, will present a one-time scholarship of up to \$500 to a graduating high school senior/s to be used at the college of his or her choice. This scholarship recognizes students who have demonstrated special ability in and dedication to the theater. Recipients are not required to declare a Theater major.

Registration deadline is May 6. More info at [www.hartlandplayers.org](http://www.hartlandplayers.org).

## Heritage Day Photo Contest

The 2nd annual photo contest will be held again for Hartland Heritage Day on Saturday, September 21. Eligible participants, including students, must reside within the Hartland Consolidated School district. Photos submitted last year are not eligible, but the use of Adobe Photoshop software will be permitted this year. There will be a photography workshop at Cromaine Library on Saturday, June 15 that will provide tips and information about taking digital photos. Heritage Day application forms will be available at the workshop.

## New website released

The Hartland Players are pleased to announce the release of their newly designed website. The site has been designed with a fresh new look and user-friendly navigation, a link to our Facebook site, updates on the latest show information, season tickets, photo archive, drama boot camp and more!

"One of our main goals was to shape the new website based on input we've received from our patrons," says Hartland Player vice-president, Jenifer Thomas. "As expected, on-line ticketing was the number one request. We have addressed this request and are happy to report that patrons have been happily using this new feature when buying their tickets for the current Hartland Player's show, *NUNSENSE*."

So come take a look, [www.hartlandplayers.org](http://www.hartlandplayers.org). We hope that you will enjoy browsing our new site!
