## Superintendent's Message

Janet Sifferman, Superintendent

Dear Hartland Graduating Seniors:

Your career with Hartland Consolidated Schools is rapidly drawing to a close, and waiting for you at the end of this road is the rest of your life. While it seems inconceivable that you could possibly have better times and better friends than you have now, I promise you the best is yet to come!

There will be numerous parties and celebrations awaiting you in the coming weeks and you certainly deserve each and every one of them. However, please remember, this is a very short period at the beginning of a very long and bright future. Do not do anything that will jeopardize your life or your future happiness. You certainly can have a great time and enjoy yourself without the aid of alcohol or drugs. The rules you learned here - Reason, Respect and Responsibility - should remain with you as you go through life. Please remember to think before you act. This time should be remembered for the joy and excitement of achievement, not as a time of tragedy.

*Congratulations to you and your families.*

Respectfully, Janet Sifferman, Superintendent

In addition to congratulating Hartland's 2013 graduating class, I would like to thank the entire Hartland community for their continued support of our school district during these trying financial times. The successful passage of the 18-mill Non-Homestead Millage will help us to continue to provide the programming and services for our students that the community has come to expect. It would be impossible for Hartland Schools to do what we do without your continued support. This is a wonderful place to live and work! Thank you.

## Person of the Month

Mary Lou Kellett

Mary Lou Kellett, first grade teacher at Round Elementary School, has taught in Hartland 22 of her 39 years in education, and all of those 22 years have been spent teaching first grade - 14 years at Round Elementary and eight years at Creekside Elementary. She received her Bachelor's Degree from the University of Michigan-Flint, and her Early Childhood endorsement and her Master's Degree in Early Childhood Education from Oakland University.

She is married to Fred, who retired as an engineer from Delphi, and has three daughters and two stepdaughters. Four of their girls and their families live in Michigan and one lives in the Boston area. They have seven beautiful grandchildren. Mary Lou lives north of Hartland in the little town of Flushing and enjoys gardening, reading, exercise and traveling. However, spending time with her family is her favorite pastime!

**Most memorable moments: ("G" rated)**

"Throughout my years in Hartland, I have several wonderful memories with my students that I will treasure forever. One year that will always have a special place in my heart was the year that I had a terminally ill child in my class. I have never experienced so much love and compassion toward each other as I did that school year. This brave little child truly touched the lives of both adults and children through her amazing display of courage, strength and determination. We all learned a precious lesson in love and friendship that year."

"On another note, teaching little ones over the past 39 years has provided me

## 2013 Teacher of the Year

Mike Joseph

Congratulations to Mike Joseph, Hartland Consolidated Schools 2013 Teacher of the Year. Mike teaches Honors Algebra 2/ Trig., and Trigonometry at Hartland High School. Mike has taught for 25 years, all of which have been with HCS.

Mike was born in Detroit, Michigan and grew up in Ferndale, Michigan with his parents and 3 brothers and 3 sisters. Mike attended Salesian High School in Detroit. He received his Bachelor's Degree from University of Detroit and his Master's Degree from Eastern Michigan University.

Mike lives in Hartland with his wife of 45 years. He has three daughters. One daughter lives in Hartland, another in Clarkson and another in Toronto, Ontario. He has 6 grandchildren (3 boys and 3 girls, who are the loves of his life!

Mike had been in the carpet business for 18 years when he decided to become a teacher. His youngest daughter volunteered him as coach her 6th grade basketball team. After coaching the team, he knew what career he wanted for the rest of his life. He enrolled in college 6 months after that season and became a teacher 4 years later.

Since coming to Hartland, Mike has taught all levels of math in grades 7-12. He taught at the Farms Middle School level for 5 years before transferring to Hartland High School.

Mike enjoys interacting with his students and watching them grow and mature during their high schools years. He loves hearing about the special moments in their lives. He has fun every single day that he teaches. He loves that his coworkers/friends and students make him laugh every day.

Mike's words of advice to his fellow teachers; "Laugh with their students and let them see your human side." The memorable moments of the past 25 years are too numerous to mention but the most special moments have been the times that former students and/or athletes return from college or their work place to thank Mike for being part of their education.

## Student achieves Top ACT score

John Kelland, son of Mark Kelland and Donna & Randy Rinnas, and a junior at Hartland High School, earned a top composite score of 36 on a recent ACT test. Among test takers in the high school graduating class of 2012, only 781 of more than 1.66 million students earned a composite score of 36.

The ACT consists of tests in English, mathematics, reading and science. Each test is scored on a scale of 1 to 36, and a student's composite score is the average of the four test scores. Some students also take the ACT's optional Writing Test, but the score for that test is reported separately and is not included within the ACT composite score. ACT test scores are accepted by all major U.S. colleges, and exceptional scores of 36 provide colleges with evidence of student readiness for the academic rigors that lie ahead.

Kelland has earned his varsity letter in Track; he also enjoys biking, fishing and golf. He plans to attend a top university so as to pursue his interest in math and science, perhaps majoring in chemical engineering or nuclear physics.

## 2013 Baccalaureate

**June 2 at 4pm**

The baccalaureate is a farewell addressed in the form of a contemporary service delivered to the graduating class in connection with their commencement ceremonies. It is held the Sunday before graduation. This optional graduation activity is a non-denominational service planned and presented by students. There are inspirational speakers, music, student testimonies, scripture readings and more, all designed to send graduates onto the next phase of their lives with a positive message. The graduating seniors sit together for the service. Cap and gown is encouraged, but optional.

Please join us on Sunday, June 2 at 4pm in the High School auditorium. Refreshments following sponsored by Mom in Prayer.

with countless funny things kids have said and done. Almost daily I get a weather report from one of my kids. After a very large snowfall and driving to school on treacherous roads, one of my kids greeted me in the morning with "Mrs. Kellett, did you know it snowed last night?" As one may say, "I could write a book!" One of the many joys of teaching is making that special connection with all of our unique and lovable children."

### Why are you are still here?

"I came to Hartland in 1991 after teaching 17 years in the Flint area. At that time, Hartland had a reputation of being a great school district, as it still does today. I knew after my first days of teaching in Hartland that I would never leave this district. I was sure it would be my home for the rest of my teaching career. Hartland Schools has given me several wonderful opportunities to grow professionally and personally. The teachers and administrators are of the highest caliber. The children and their families that I have had the pleasure of knowing through the years are a part of my Hartland family.

### Positive thoughts about Hartland Consolidated Schools:

"The Hartland school district is truly an outstanding place for children and their families to live and learn! Throughout my years of teaching in Hartland, I have experienced a strong sense of community and commitment to our children. Hartland Schools upholds the highest standards for our students, always supporting what is best for their needs both present and future. With the leadership of Jan and our Board of Education, our district has made it through some very difficult times in education maintaining a clear vision of what is essential to provide a premiere education for our children. As my teaching career is coming to an end, I am in awe of all of the talented Hartland teachers I have had the honor of working with through the years, the families that have become a part of my family and all of the amazing children that I will treasure in my heart forever. Thank you Hartland Schools."

## Principal's Corner

**Ben Mainka, Hartland High School Principal**

Summer is upon us and our Seniors have already completed their journey through High School. We wish them the best of luck, and we look forward to celebrating them at Graduation on June 6. As the rest of the school prepares for summer break, we have so many things to be excited about from this year. It would take more pages than we could print to talk about all of the great things that have happened, but here are a couple quick points from 2012-13:

HHS showed lots of spirit this year through pre-game, spirit assemblies, and other school spirit days! Many club accomplishments as student received local, state, and even national recognition for their work in the Optimist, FCCLA, DECA, Forensics, among other clubs.

Students performed well through our ACT, MME, PLAN, and EXPLORE testing week and ACT Boot Camp in March. Students turned in high marks again on these assessments! Our Athletic Department celebrated many championships and success (most overall wins in KLAA)!

The Talent Show this year featured a record number of audience members (standing room only), and the students displayed amazing talents for their peers! There were even 45 staff members who participated in the event!

The students and staff raised over \$20,000 for numerous charity organizations including the Wounded Warrior Project, MDA, Hartland Teen Center, Relay for Life, and many more.

The school staff and students acclimated to a new principal for the first time in 12 years!

## Forensics Team Growing and Succeeding!

Congratulations to the varsity HHS forensics team members who qualified for the 2013 Michigan Interscholastic Forensics State Tournament. Over 800 students from 70 schools came to Oakland University for two days of speaking competition and team camaraderie. The state tournament was the culmination of a strong season of HHS team and individual awards in a variety of speaking events.

Advancing to the semi-final round of state competition were sophomores John Moraitis in Impromptu Speaking and Kendra Rocha in Extemporaneous Speaking. Along with senior teammate, Elizabeth Werstein in Broadcasting, they compete in a division known as the limited preparation categories where students give a different speech each round with only a short amount of time to prepare. Kudos to students who choose to compete in limited prep because although they are difficult, the skills which are developed through participating in one of these categories offer the widest application outside of forensic competition.

In their first year of varsity competition, sophomore Bri Edgar and freshman Brenna Rosso qualified for state tournament in Storytelling and Prose. In these very competitive categories, contestants must 'bring to life' both characters and narration. Congrats to Edgar who received a perfect score of 1-100 from one of her judges.

Thanks to all coaches, parents and community members who helped make this season a success. As this season comes to a close, remember the words of philosopher Henry David Thoreau who said, "It takes two to speak truth: one to speak and another to hear."

## HHS Student Council News

Student Council has had a very busy spring! In April we hosted our 2nd annual Leadership Academy during which 80 young leaders from Legacy and Hartland High participated in leadership-building activities with Ted Wiese, a nationally recognized speaker. The students learned about the joys and pitfalls of being a leader as well as strategies to improve participation and energy in events.

Also in April, our annual spring blood drive collected 72 units of blood for the American Red Cross. With many first time donors, we hope to create life-time donors by giving students and opportunity to donate during school. Special thanks to Bigby Coffee and Bagel Express for their donations to support our drive.

## Girls State – Hartland Shines!

Two Hartland High School students were selected to attend Girls State, a leadership and citizenship program sponsored by the American Legion Auxiliary for high school girls. Victoria Bosio and Abby Dewstow, both Juniors at Hartland High School, will meet more than 400 girls from around the state.

Girls State is recognized by numerous successful career women in business, politics, trades and professions, as an experience that influenced their ambitions. The program participants are divided up into smaller groups that are given city names. The "citizens" of each of these cities then elect mock municipal officials and representatives to the mock State Legislature. If enough "citizens" are present, then a county level is added to the program between city and state. The participants also elect state officials, such as Governor, Lieutenant Governor, and other state-level officials that their real state has. The legislature then meets to organize, elect leaders, and to pass bills, in a way that is similar to how their actual legislature operates. Some states hold mock trials, the participants volunteering as lawyers, criminals, and juries, and others are able to form bands and choirs from the talent pools that they have assembled.

## HHS Facilitates Voter Registration

57 students registered to vote on Monday, April 8 at the high school. This is in addition to the over 100 students who registered to vote in September of last year prior to the Presidential election. In the photo, Larry Hopkins, Hartland Township Clerk is assisting Kayla Breckenridge, Brad Beaver, Sarah Tomlinson and Cody Chinn.

## HP4K hosts Art Night

Recently HP4K hosted an Art night at the High School where Mrs. Saint-Onge provided a tour of the art rooms and taught the kids how to work with oil pastels. A fun night was had by all! A special thanks to Mrs. Saint-Onge for taking her time for Hartland students.

## Registration Dates for 2013-14

Registration for next school year will be August 20 (grades 9 & 12), August 21 (grades 10 & 11). Registration will be done mostly online for next year to expedite the process, and more information on this system will be sent to parents during the summer months.

## HSHappenings

If you are a parent of a Hartland High School student and would like to have access to the bi-weekly newsletter, HSHappenings, from Principal Mainka, please make sure that your email address is updated on ParentConnect and you will receive the communication.

## Thank You

I would like to thank the Hartland Middle School staff, faculty and parents and students for another great school year. Good luck to the class of 2017 as they move on to high school. Remember that you are part of Hartland Pride and a long tradition of excellence. For incoming seventh graders and new eighth graders, remember that it is people – teachers, students, support staff, and parents – that make a school great, and we have the best middle school in the State!

## Students Of The Month

Each month, a selection committee at Hartland Middle School selects one seventh and one eighth grade student to receive recognition as “Students of the Month.” Nominated students must meet one or more of the following criteria in order to be selected.

- The student must show continued success in all subjects
  - The student must exhibit good citizenship
  - The student must make a significant positive contribution to the school and others
  - The student must exhibit a positive attitude toward school, self, and others
- Congratulations to our May Students of the Month – Annalise Fowler and Alanna Schiavone -- and our June Students of the Month – Holly Neuens and Ian Kenrick.

## HMS Forensics' "Dynamic Duo" Wins at State Tournament

Close to 600 middle school contestants from all over Michigan came to compete in one of 13 speaking events at the Spring Middle Level State Forensics Tournament held on April 27th at Wayne State University.

Once again, Jennifer and Nicole Nelson, seventh grade students at Ore Creek made it to the top four in the category of Original Interpretation. In this event, students write their own prose or poetry pieces -- which requires not only the ability to give a compelling performance, but also rewards excellent creative writing skills. The Nelson sisters have an abundance of both!

The spring state tournament brings to a close the Ore Creek forensics season. We are looking forward to next fall when middle school debate will be added to the speech events. For information, contact Doni Dilworth at HartlandForensics@yahoo.com.

## School Service Project

One of Mrs. LeBlanc's students has created his very own “school service project.” Dakota Dorner put together a box for unwanted, unopened food items in the cafeteria, near the office. His goal is to try to save that food from being thrown away so we can give it to students that may need a little extra for breakfast or lunch. He encouraged students to put their unwanted, unopened food in the collection box rather than the garbage.

Keegan Hoose uses every minute to ace another math quiz.

# Lakes Elementary News

Lindsay Smither, Principal

810.626.2700

On Earth Day last month, Lakes media specialist, Mrs. LaPointe shared a narrative story and a non-fiction text with first grade students along with a short Disney video clip where the characters were teaching each other how to care for the environment. The students (including Mrs. Atreo's class shown here) listed ways that they learned to take care of our environment on a green heart, colored in their name, and then added it to the land portion of the globe (pictured here). This was just one activity among many that take place year round as part of the Green School's initiative at Lakes Elementary.

As a culminating activity to the study of Geography in the United States, Lakes fourth grade classes do a Regions Poster and Celebration. Each 4th grade student selects a region of the United States and creates a poster of the region. The posters include information about the climate, economy and landforms of that region. The students can also bring in food from that region, if they choose. The students take time visiting each classroom to read the posters and enjoy the cuisine. Pictured here, Teresa Steerman from Mr. Foster's class, poses with her excellent poster on the north eastern region (top) and a group of girls check out a poster on the mid-western region (bottom).

Mrs. Russano, Lakes art teacher, entered over 40 pieces of Lakes student art in the Got Art show at the Howell Opera House this spring. We are very proud of all of our students and the amazing pieces that they produce throughout the year. Pictured here, second grade student, Colin McFarland highlights his beautiful water color painting at the show.

Last month, Lakes' "Green Folder Group" was excited to host a few members of the Hartland Forensics Club for their monthly enrichment activity. They learned about mental exercises (smile/don't smile), voice and facial exercises, storytelling (how to see and hear the difference between simply retelling and effectively communicating to the audience through dramatic interpretation), and how to "come out of their shells". Pictured here, Chelsea Paddock works hard to make Shelby Hopson smile. Great fun and learning was experienced by all!

## Round Elementary News

Dave Minsker, Principal

# 810.626.2800

The Round Elementary School Family would like to thank all people who made this school year a great one. We feel fortunate to have caring people who help us create a positive learning environment for our children. We wish everyone a safe, restful, fun-filled summer and look forward to another exciting school year. The following pictures feature a few students who received recognition for outstanding achievement and winners of our Principal and Secretary of the Day auction items. We have an incredible staff at Round Elementary School and we wish you a great summer.

1st grade student Luke Waldron was the highest bidder at the Round PTO Celebrity Auction and won "Principal of the Day." Luke spent the day with Principal Minsker helping him run the building.

Principal of the Day Luke Waldron and Secretary of the Day Katy Nist visits Central Office and meets Assistant Superintendent Scott VanEpps and Technology Director Scott Usher.

Luke and Katy have an important curriculum meeting with the Director of Curriculum Chuck Hughes. They also took a district tour to the bus garage and the pre-school program.

4th grade student Zoey Lyke was nominated at the Optimist Youth Appreciation Night for the great improvement she has made at Round Elementary. Zoey is a model student and represented Round well.

4th grade student Carson Brooks was nominated at the Optimist Youth Appreciation Night for the obstacles he overcame to be a successful student at Round. We are proud of Carson and his accomplishments.

Village students enjoyed learning about the history of folk songs during a recent assembly.

Two students won the chance to be Mr. Don and Mr. Cain for the day during our Jump Rope for Heart competition. Here they are enjoying an afternoon brainstorming session complete with donuts!

We have a beautiful new tile wall in our cafeteria thanks to the artwork of our students and staff. Thank you to Andy Brown for installing it for us!

Fourth grade students took on staff members for a volleyball game recently. The game was a prize in the Silent Auction at our Fun Fair.

Mrs. Sifferman was recently the Mystery Chef at Village. She came to one of our classrooms, read the students a book, and helped prepare a simple snack that went with the book.

## LEGACY High School News

Kirk Evenson, Principal

810.626.2104

Now that summer is here and the school year is all but behind us, let us all take a moment to relax and celebrate. The seniors have long since left the building and a whole new senior class, The Class of 2014, has taken their spot atop the roost. As the teachers log their final grades and the kids have all gone home we all take a moment to catch our breath from the busy pace of graduation season.

Over the summer we will be preparing for the school year ahead, taking applications and conducting interviews of potential students. Each year LEGACY HS accepts approximately 50 new students from Hartland HS and several other surrounding cities and towns. A whole new batch of students to meet, support and connect with as they attempt to finish High School and graduate.

As I reflect on the memories from the Class of 2013, I will cherish most the success each student earned. As an educator, there cannot be a greater sight than to see the fruits of your labor in all its glory as the seniors stride across the stage in cap and gown. This is the crowning moment for us at LEGACY HS and high school across America, to see students leave the nest and head out into the world.

As for our staff here at LEGACY HS, we had an epic school year and are still 'feeling the rush' of it all. We just celebrated our 30-year Anniversary, 1983-2013. Then on the heels of that celebration we were also named "School of the Year" by the Michigan Alternative Education Organization. The staff here at LEGACY HS is amazing and they do a phenomenal job "connecting" with the at-risk students of Hartland.

Hartland Alternative Education, LEGACY HS and HVA are both Community Education programs and can be found online at [Hartlandschools.us](http://Hartlandschools.us) or by phone at 810.626.2104. Please call today to begin the enrollment process or inquire about educational options. Have a great summer.

# Kids Kamp is Here for You

## Community Education Childcare Center!

Does your child need childcare in the summer months? The Hartland Childcare Center is the place to be for some fun and exciting activities! Come and enjoy Swimming, Roller skating, Magicshows, MobileEd, Guest Speakers, Outdoor games, Plasterworks, and much more! We will provide your child with the opportunity to socialize and make new friends! **Registration forms will be available in the Community Education Childcare Center office, 10235 School Street.**

Enrollment is opened to all children that have completed Kindergarten through 13 years of age. The Kamp will be held from June 17 through August 29. The weekly tuition amount will vary depending on how many days your child is in attendance.

### 2013 Summer Kids Kamp Weekly Tuition:

3 days a week=\$ 87.00 4 days a week= \$116.00 5 days a week= \$145.00. If you have more than one child enrolled, Full Time, (five days a week) you will receive 10% discount on the 2nd child! There is a Kamp Activity fee of \$295.00, per child, which covers bus transportation, entrance fees, activities fees, etc..

Ask us about our convenient payment plan. If you were not enrolled in the 2012-2013 Before and After School program, you will be charged an additional \$25.00 registration fee, which can be included in the payment plan. For more details, call 810.626.2780 or e-mail Linda Easton, Summer Kamp Director, lindaeaston@hartlandschools.us. or Debbie Steger, Office Manager, debbiesteger@hartlandschools.us,

## Plan now for Fall child care

Will your child need Before or After School childcare? The Hartland Community Education Childcare Center will be taking registrations starting on June 3. The program is offered at two convenient locations. The program is available for students who attend Creekside, Round and Village Elementary schools. Students from Lakes Elementary and Farms Intermediate School can attend this program or register for the Lakes Before & After School program. If you are registered in the Before & After School program, you have the option of bringing your child/children to the center on the \*No School Days and \*Snow Days. The fee charged for these days will be adjusted to reflect the additional cost.

Both centers offer gym activities, outside play, snack, and homework time. Stop into the office located at 10235 School Street, in the village of Hartland, to register. For fees and additional information, please call 810.626.2780 and ask for Linda or Debbie. Please register early to guarantee your spot on the bus.

## New Program Coordinator

We are happy to announce that Hartland area resident, Kim Ladd, will become the new full-time Program Coordinator. Kim has years of experience working in community education and recreation programming. We are looking forward to her leadership and the continued growth of the Hartland Senior Center.

## Cook Books

People are raving about the recipes they have tried. I like Gloria Rosa and Mary Lou Passmore's Macaroni and Cheese on page 35 and Joe Petrucci's Ricotta Gnocchi on page 39. The cookbooks are \$12.00 and all proceeds go to support our senior transportation program that provides local seniors who are not able to drive with transportation to medical appointments, shopping and other errands and to the senior center.

## Gift Shop

We have expanded our gift shop to the middle shelf of our glass showcase. If you have small items or jewelry we now can keep them locked. If you would like to place your handmade items in our gift shop:

- You must be a member of the Hartland Senior Center
- Bring items to the office.
- Price your items (the senior center keeps 20% of the sale price.)
- Sign waiver
- Only handmade items are accepted. Any manufactured items in the gift shop have been donated to the center.

## Physical Therapists

We are very lucky to have free fitness classes taught by our local physical therapists. These classes are great for people with limited mobility, those just beginning and exercise program and for fit individuals. The classes use both weights and therapy bands which can be chosen to fit an individual's strength. If you have been considering increasing your fitness level, these classes are a great place to start:

- Tuesdays at 9:30am** Julia from Advanced Physical Therapy
- Thursdays at 9:30am** Jouni from Michigan Rehabilitation Specialists

## Drumming

Come to a fun fitness class. Instructor, Kathie Newbold, leads participants through a fun and lively work-out drumming on fitness balls. The class meets on Wednesdays at 10:00 a.m. If you are curious you are welcome to try any of our fitness classes for free on your first visit.

## Slow Flow Yoga

New Yoga class on Tuesdays at 11am. Slow flow yoga improves flexibility, balance, and range of motion. Experience body awareness, harmony and inner strength through coordination of breath and movement. All levels welcome. Some yoga experience helpful. Modifications will be offered. Bring a yoga mat and water. Your first class is free. Cost \$5.00 per class or \$25.00 punch class for 6 classes. Instructor: Laura Chapman

## I Will Never Put My . . . in a Nursing Home

Never make a promise you cannot keep. I always cringe when I hear someone say, "I will never put my... (spouse, father mother) in a nursing home." Sure, it is ideal to think that we can provide the needed care that our loved ones require, but we also have to be realistic. Whether you are providing 24 hour care or helping a few hours a week, caregiving is a very challenging task. If your desire is to keep your loved one safe and meet their needs, follow these simple steps in order to make your efforts successful.

1. Make a list of your loved one's daily and weekly needs. Prepare a plan of how these needs will be met. For example, if your loved one needs help with medication management, you should set up a pill planner each week and then make a reminder call to them when they should take the medication.

2. Don't assume total dependence. One of the biggest mistakes caregivers make is assuming their loved one cannot do any-thing on their own. If you loved one can tie his own shoes, let him. Remember when the kids were little and you thought it would be easier to do the task yourself rather than wait for them to do it? Yes, it does take patience, but give your loved one the dignity of being as independent as possible.
3. Don't be a martyr. Use available community services. Most health insurances provide short-term in-home skilled care, such as nursing, physical therapy, occupational therapy, and home health aides. In addition, there are local agencies that provide long-term in-home services to aid caregivers in providing care.
4. Accept the offer of help. When family members and friends offer to help,

5. Plan a break. In order for caregivers not to burn out, they must plan a break from care. This should be scheduled weekly, maybe an afternoon off or a whole day. Taking a week off once in a while is also a great idea. Some non-skilled caregiving agencies provide 24-hour respite. In addition, assisted living facilities and nursing homes welcome short-term respite admission.
6. Remember to have fun. It can be emotionally difficult for loved ones to rely on others to meet their needs. They may feel guilty and frustrated about their inability to meet their own needs. It is important to find things they can do that are enjoyable.

7. Contact an elder law attorney about available benefits. Navigating the system can be over-whelming and confusing. There are a variety of benefits available to help care for a loved one in the community and to pay for nursing home care. An experienced elder law attorney will be knowledgeable about these bene-fits and can assist you in developing a plan to meet your needs.
8. Use a nursing home when it is needed. Nursing homes are there to help you care for your loved one. If you cannot emotionally or physically continue to provide care, use a nursing home. There is a reason that nursing homes staff three shifts. When nursing home care is needed, you can change your role back to spouse or child in- stead of caregiver.

## Skater earns 1st Place medal

Alexandra Kubasta, age 12, is a straight A, honor roll student at Ore Creek Middle School and the daughter of Ms. Shannon Kubasta. Alex has been rollerskating competitively since she was five years old. On April 7, at the Great Skate in Roseville, she earned 1st place in the Free Style competition and 2nd place in Loops.

Last year at the Regional Competition in Illinois she won an individual Bronze medal in Figure/Loops combined and her precision team won the Bronze medal as well.

This year Alex will compete at the Regional competition in Ohio and the National competition at Albuquerque, New Mexico. She practices regularly at Rollerama of Brighton and is coached by Carlesa Williams. Congratulations on your skating accomplishments, Alex. Best of luck!

## Fall Hurricanes Club Try-outs

Try-outs for the fall Hurricanes Swim Club season are August 6 and 7 at 6:00-7:30pm. Prospective swimmers are individually evaluated. They will participate in a "trial practice" that gives them an opportunity to experience what a real practice is like. For further details check the website [www.hartlandschools.us](http://www.hartlandschools.us). Follow the links to the aquatic center and Hurricanes Swim Club call the pool 810.626.2279 or e-mail [hurricanes@hartlandschools.us](mailto:hurricanes@hartlandschools.us).

## Summer Membership at the Hartland Pool?

Unless you live on a lake, or next door to someone who generously shares their backyard pool, finding someplace to burn off some of the kids' energy in the summer can be a challenge.

Let us do the math. If a family of 4 comes to the pool once a week for 13 weeks, the walk-in cost (\$5 each) would be \$260. A family membership costs \$170, and you can come as often as you'd like.

Open Swims are 6 days a week, Mondays-Thursdays at 2:30-4pm and 7-8:30pm, Fridays and Saturdays 2:30-4pm and 6:30-8pm.

Where else can you go where it's always sunny, warm, safe and clean? Families with young children often bring the kids' pajamas, and take them home freshly showered and worn-out-ready-for-bed.

Membership includes the use of the pool during public scheduled hours, except for classes with an instructor. More information can be found at [www.hartlandschools.us](http://www.hartlandschools.us), then follow the link to the aquatic center, or call 810.626.2279

## Hurricane Summer USS Team

The summer Hurricanes Swim Club USS season is June 17-August 1. Swimmers can register online at [www.hartlandcommunityed.com](http://www.hartlandcommunityed.com). Tier 1 practice time is 4-6pm on Mon.-Thur. Tier 2 & 3 meets Mon.-Thur. from 6-7pm.

For full details please visit the Hurricanes website at [www.hartlandschools.us](http://www.hartlandschools.us) or contact Coach Maria [mariapuranen@hartlandschools.us](mailto:mariapuranen@hartlandschools.us) or call the pool 810.626.2279.

## Hartland Gymnastics News

Hartland Gymnastics Academy started off their new year in Covington Kentucky at the Coaches Spectacular Gymnastics Meet on January 18-20. Gymnasts of all levels from six different states were in attendance. Hartland's Level 5 team earned an impressive 3rd place trophy.

Representing Level 5 on the podium was Nicole Bragg 1st place Vault and 3rd place All Around; Molly Wilson 2nd place Beam and Floor; Alayna Dinsmore 3rd place Floor; Julie Celini 3rd place Vault and Beam; Abbey Highland 2nd place Floor; Lizzie Cazan-Gehrke 3rd place floor.

Representing Level 6 on the podium was Courtney Dinsmore 2nd place Vault. Level 7- Kirsten Phifer 1st on Vault, Beam, Floor and All Around. Level 8 on the podium was Emma Bidwell 1st on Vault and All Around, 3rd on Bars and Beam. Gabriella Kasabasic 1st place Beam

Representing Level 9 on the podium was Courtney Casper 3rd on Floor.

## Hartland Gymnastics Academy Gymnast Rocks the Vault USA Regional

Courtney Casper, an eighth grader at Scranton Middle School, threw the vault of her life at the 2013 Level 9 USA Gymnastics Regionals. The crowd was brought to their feet as the scoreboard flashed the unprecedented "9.8." Casper took 1st place on vault in "all" age groups representing five different states. She also took 4th place on the floor with a 9.4.

Casper has been doing gymnastics since she was three years old. She trains at the Hartland Gymnastics Academy and credits her accomplishments to hard work, dedication and inspiration from her coaches (Jeff Coulter, Janine Plott and Cathy Short). She hopes to one day achieve her dream of competing college gymnastics. Congratulations Courtney!

# Scouting News

## Cub Scout Pack 385 News

An energetic group of Pack 385's cub scouts and their families spent a cold and snowy April morning at the Great Lakes National Cemetery with buckets of water and scrub brushes, honoring those who served our country, by cleaning their final resting place. A group of these young men also participated in Relay for Life by participating in the flag ceremony and then later that day had a campout at Kensington. Finally, they wound down in May by having a float in the Hartland Memorial Day parade. School may be out for the summer, but scouting still goes on. The scouts will have their Pack picnic, a campout after a Toledo Mud Hens game, attend resident camp in July, and have a Mom and Son outing too! If interested in joining Pack 385, contact Pete Ansbro with any questions 810.227.9948.

## Troop supports Stop the Bullying

Girl Scout troop #1818 from Farms Intermediate School presented a week long Stop the Bullying campaign. The Girl Scouts made PSA's during the morning announcements at school with anti-bullying messages and also asked the students to wear purple to show their support. On April 25, the Girl Scouts held a Stop the Bullying pledge during lunch hours and invite the students to add a handprint to the wall in support. Students then received a purple ribbon and a "Lifesavers" candy. This is a great example of a positive impact Girl Scouts have in our community.

Boy Scout Troop 380 announces

## John Rembisz Eagle Scout

Boy Scout Troop 380 of Hartland, MI, chartered to Hartland Fire Department, is proud to announce that John Rembisz has earned the rank of Eagle Scout. His parents John and Mellisa Rembisz have encouraged him and supported him through this endeavor. John began his scouting career at the age of 7 as a Tiger Cub. After Cub Scouts, John joined Troop 380 where he earned an impressive thirty merit badges and became a member of the Order of the Arrow.

John's Eagle project was to build a playscape for the Howell Nature Center. John's part of the project was to raise funds and to build four elements for a new children's play area designed to help children connect with nature once again. The name of the project is Alexandria's Naturescape. John along with many volunteers, created the "Mud Painting" panel, the "Weaving Wall", the "Bird Blind" and the retaining wall for the "Sand Dune". The final project was finished well within Howell Nature Center's established time frame. John also raised the funds for the project by organizing a three day bake sale, garage sale and a bottle drive. John raised over \$1500.00 which covered almost everything right down to the bird feeders installed. Donations were accepted as well.

John is very excited to join the elite group of Eagle Scouts and at this time is considering his options to either attend college or join the Marine Corps. John celebrated his Eagle Award on April 28 at the Hartland Music Hall.

## Hartland Rotary Club

### Cardboard Regatta-July 20

The Hartland Cardboard Regatta will be July 20, on Lake Walden at Waldenwoods. Don't miss your chance to participate in this fun event! For less than \$100, you (with your family or co-workers) can actually build a boat and compete in a regatta!

Many in Hartland now have: Jim McGrain of Hartland Insurance has built two boats; Brian Crouse from Waldenwoods built three boats - just last year! Mike Horan with Eric Taylor of Livingston Concrete built and competed with enthusiasm. This is something you can do - NO EXPERIENCE REQUIRED! If you are interested in participating in this fun event visit our web-site [hartlandrotary.org](http://hartlandrotary.org). Any questions, call Frank Crouse on his cell phone 586.940.4187. Whether or not you build a boat be sure to join us on Saturday, July 20 for a day of fun! You can help us choose the winner of the Pirates Derby - the award going for both the Most Spectacular Sinking and the Unsinkable Molly Brown for the last boat afloat! And then join in with everyone else for a swim in Lake Walden. Of course you'll feel especially good - knowing you've supported Rotary and its important humanitarian projects. (Check out the display ad on this page)

## Heritage Day announcements

The 2nd annual photo contest will be held again for Hartland Heritage Day, Saturday September 21. Eligible participants, including students, must reside within the Hartland Consolidated School district. Photos submitted last year are not eligible, but the use of Adobe PhotoShop will be permitted this year. There will be a photography workshop at Cromaine Library Saturday June 15 which will provide tips and information about taking digital photos. Heritage Day application forms will be available at the workshop.

Vendors are wanted for Heritage Day in Hartland which will be held on Saturday September 21 from 10 am to 4 pm. You will need to supply your own table, chairs and possibly a tent for inclement weather. Heritage/vintage type items are preferred to sell, but crafts, homemade bird houses, photography, jewelry, candles, soaps, fall and holiday decorations, scarves and hats, hot popcorn, water/soft drinks/coffee, children's games, hair braiding, face painting, etc. A hold harmless agreement must be filled out and submitted with the application form and applicable fees, which are available on the website for Hartland Community Council at <http://hartlandcommunitycouncil.org>. Not for profit groups, as well as, for-profit groups are welcome.

## Hartland Area Woodcarvers Join us

The Guild meets every Wednesday from 8am-3pm in the Art Room (#49) located in the Hartland Support Services Center (former high school) on M-59. We are looking for new members and we are open to any ideas to create a more vibrant club. Thanks to all members who worked so hard to support our group. For more information about the Guild contact Chuck Smith at 810.632.3345 or Larry Eichler at 810.240.5475. Be sure to check out the showcase located in the front lobby. We have some tremendously talented carvers!
