Superintendent's Message

Janet Sifferman, Superintendent

We have had an eventful and positive autumn at Hartland Consolidated Schools. We have experienced academic, extra-curricular, and social successes with our students and have enjoyed the rich relationships we have developed with them, their parents and their families. As we enter the winter holiday season, we are thankful we have been given the opportunity to serve the Hartland community. I would like to wish everyone a blessed holiday season and share the sentiments of this "Old Irish Blessing."

May love and laughter light your days and warm your heart and home.
May good and faithful friends be yours wherever you may roam.
May peace and plenty bless your world With joy that long endures.
May all life's passing seasons bring the best to you and yours.

*Best Wishes for a
Joyous Holiday Season
and a Peaceful New Year!

Person of the Month

Nicole Schingeck

I have worked for Hartland Consolidated Schools since August of 2005 and could not be happier! I began my career here as a counselor at Hartland High School and currently serve as the district-wide Student Assistant Coordinator. I received my Bachelor's Degree from Metropolitan State in Denver, CO; my Masters' Degree in Educational and Agency Counseling from Wayne State University, and received my certification as an Alcohol and Drug Counselor from Oakland University.

I am proud to say that I am married to a Godsend! My husband, Corey, is supportive, loving and has the patience and sense of humor to keep up with me and my energy. We have three sons, Tyler-17, Jack-11, and Anden- 9. All three of my boys play football, so fall is an exciting time around our home. We spend a lot of time together and with friends and family. We enjoy spending the summer on our lake and up north at our cottage on Higgins Lake. One of my favorite times of the day is coming home, eating dinner together, laughing about the day and catching up on what is going on with each other. We say, "Whatever is said at the Schingeck dinner table stays at the Schingeck dinner table!"

When I wake up each day I do not feel like I am going to work. I am blessed to get paid for something I am so passionate about. I enjoy making a personal connection with each and every student that I encounter. I try to bring out the positive qualities in our students and encourage them to be the best they can be. Getting to interact with students one-on-one, in small groups, while doing classroom presentations, during club time, etc. are amazing opportunities to see their growth and insight, and I, too, personally grow through my interactions with them each day. I also am grateful to work with amazing staffs in all of the buildings. Every single building I walk into feels like home. Also here in Hartland, we have an amazing school and community connection that supports one another, and first and foremost, the students. I can send out an email or make a phone call to a group of parents on short notice and, sure enough, they will be available to help out or support a need or an event going on in any of the schools! I am thankful for the students here at Hartland for making me feel young and keeping a smile on my face.

One of my most memorable moments is from before I had actually been hired. I called Chuck Hughes on the phone a week after he had called to tell me that I did not get the job. I asked him if I could come and shadow the high school counselors to gain some high school experience. He paused for a minute and stated that the other person did not take the job and was I available to come and meet with him. Well, after the meeting I arrived home and the phone rang. It was Chuck calling to offer me the position! I screamed in the phone, "Mommy got the job, Mommy got the job! Let's do a happy dance!" as my little boys were standing around me. Chuck said, "It sounds like you are interested." I then proceeded to yell, "I am so excited! Thank you, thank you." That was quite a day.

Another memorable moment was when Alice Lashbrook was looking for me

Hartland Optimist Club

Christmas "Adopt a Family"

Wanted: All Community Members and Groups:

If your group or family is looking for a community service project, or just a great way to celebrate the holiday season, in the true sense of giving why not consider adopting a community family in need.

The Hartland Optimist Club will once again sponsor the "Adopt-a-Family" Program for families in our community in need of help during the holiday season. Our schools help by having boxes in their buildings so families can donate non-perishable food items, and paper goods. Also, community members and organizations, Scouts, Athletic Teams, Hartland Schools' Students and Staff help by giving donations, food pick-up, and volunteer their time to organize the items for our families.

The Optimist Club is in need of monetary donations, food, and paper products, etc. Donation boxes will be placed in all Hartland Schools and the Community Education Office the Monday after Thanksgiving.

If you would like to adopt a family please call: Vicki Schiesel at 313.220.2797.

You may also send a donation to: Hartland Optimist Club, P.O. Box 64, Hartland, MI. 48353.

There are many ways you can help support this project:

- Donate nonperishable food items or paper products
- Make a donation to Hartland Optimist Club
- Adopt a Family
- Join the Optimist Club

All donations are appreciated; every dollar helps and goes directly to our families.

Community support makes this worth while project a success!

in the building and said she could hear my laugh all the way down the hallway so she just followed it until she found me. That is still a good way to find me when I am in the building, either by my laugh or loud mouth. I have had many fun times with students: being a class sponsor, LINK coordinator, going into classes and listening to their speeches, watching them work on cars in autos, running fundraisers at lunch, playing sports, watching their plays, singing, etc. All of the students have had a positive impact on my life and a memory they have given me to make me smile.

I am still here because this is the place to be! We are the school district that I hear people talking up all the time and where they want their children to go. I love working with every single person in this district because they are dedicated to our students and to the families. I am still here so I can support students and their families to be the best they can be.

Hartland Schools is still all about "It takes a village to raise a child." We will drop anything for a student in need, to celebrate a student's success, to reach out to a family, and to make sure each student is successful and healthy.

Principal's Corner

Ben Mainka, Hartland High School Principal

At Hartland High School we have had an outstanding fall and we are looking to the winter and spring with great anticipation. On November 22, we had a ribbon cutting ceremony to commemorate our new solar array, which was a partnership between Hartland Consolidated Schools and DTE Energy. There is an outstanding educational kiosk located in the main entrance lobby of the high school if you would like to come and learn more! This is yet another reason why Hartland High School was selected at the highest level for Michigan Green Schools.

In December, we have our winter break, which is a full two weeks again this year (December 23 – January 3). Please know that our first semester also ends near the end of January so our students are beginning to prepare for their exams and the semester winding down.

Lastly, HHS sponsors many families in need over the course of the holiday season. Our clubs, student organizations, and staff have traditionally purchased many Christmas gifts and food during this time of year for people in need. If you know of a family who may need help or support, our HHS family would like to be a blessing this season, so please contact Nicole Shingeck at nicoleshingeck@hartlandschools.us to make us aware of the family in need.

Congratulations to Mr. Nathan Oake for earning the Michigan Marketing Educator of the Year award. We are lucky to have Mr. Oake working with our students and as part of our HHS team.

The students in Mr. Riley's Retailing class run the school store. Students are able to visit the store before and after school as well as during lunches.

Pre-Game/Pink Out

Before each home football game, Hartland High School students are invited to attend a Pre-Game in the courtyard. Pre-game offers a place for students to talk with friends, eat food, play games and sometimes climb on the bounce houses. Students then gather together and walk down to the game where they line up to welcome the football players to the field. On October 25, Hartland also participated in a Pink Out for cancer awareness.

This year the Cadette Girl Scouts hope to help implement the school-wide composting effort with Green Team teacher, Janet Chodos.

Lakes Elementary News

Lindsay Smither, Principal

810.626.2700

October was a very busy month at Lakes Elementary. We had our Fall Run, Lakes biggest PTO fundraiser of the year, which raised almost \$11,000! This healthy activity is always a favorite as we run/walk to support our school. Thanks to our PTO for sponsoring this event, and also to Mr. Joe Ostervik for volunteering his DJ services once again! Because we raised at least \$10,000, Mrs. Smither enjoyed lunch on the roof through all of the lunch periods, and led students with her own tunes and dances from the roof (students, of course, were on the ground!). PTO also sponsored our very popular Family Science Night with cool science and math stations brought in by the Ann Arbor Hands-On Museum. Thanks to all of the teachers and parents who volunteered to run the stations. Family, fun, and fabulous learning activities all made for a winning combination!!

Finally, Halloween celebrations at Lakes were enjoyed by all, and this year's costumes were amazing. Thanks to our teachers and parents who planned and executed a variety of fun celebrations throughout the building.

Fall Fun Run a Blast!

As winter falls upon us, Round Elementary continues to be a place where students learn in a family, team-first environment. Our students are growing everyday into special young people. Fall and winter are always special seasons at Round because of the special events that occur. This fall was especially busy!!

The Fall Fun Run was a success this year. Our students raised \$11,000 for the PTO in a great effort of support for our school. We had great weather and our students had a blast. By reaching our fundraising goal, the students earned an assembly where Principal Minsker, Mr. Kromer, Mr. Waske, and Mr. Hrit were slimed!

Round School also participated in the Big Boy Celebrity Server fundraiser. Donations went to the Optimist Club which helps people and families in need. Members of the Round School staff served tables, cleaned tables, and welcomed a great number of Round families. It was great seeing Round support such a wonderful cause.

Thank you to all of the Round School family that contribute everyday to the success of all our students. I am proud of the accomplishments our staff and students have made so far this year and look forward to watching all our students grow. The pictures this month is of the Fall Fun Run and the assembly. Thanks to all the Round School Family that made this year's Fun Run and great success.

LEGACY flag football team

MAAA Flag Football State Champions

On Friday, November 1, the LEGACY HS flag football team competed and won the MAAA (Michigan Alternative Athletic Association) Flag Football State Championship at Alma College.

To take home the championship they won three games at the tournament:

Game 1	25-7 vs. Futon Alt. Ed. Lansing, MI
Game 2	38-0 vs. Asher Alt. HS. Southgate, MI
Game 3	18-7 vs. Odyssey Blazers defending State Champions-Championship game

Coach Scott Lemay stated: "The team was amazing today. They played with great sportsmanship, and both the offense and defense were in sync all 3 games. They made Hartland and LEGACY look real good!"

Quarterback Will Fulkerson was named MVP. In the three games, he had over 400 yards running and 200 yards passing including 3 passing touchdowns, and 5 rushing touchdowns.

Addison Jarrett learns how he can defend himself from a man much larger

Champions James Gray and Bobbi Cooper square off to demonstrate how women can defend themselves.

Boxing Demo

James Gray's Team SFS wrestling and Jiu Jitsu team came to LEGACY to demonstrate boxing and some passive techniques of self-defense that are taught at their gym. Many students were thrilled to practice boxing and jiu jitsu techniques with the champions. The sports are valuable tools for more than self-defense. Participants learn positive self-worth and methods for spending extra energy that can cause stress if allowed to build up.

Several students have already taken James' offer for several free sessions at the gym and will be signing up for memberships soon.

As a single parent, estate planning becomes even more important than your dual-parent peers. Why? Because in the event of your death when there is not proper legal and financial structure in place, a governing body will be left to decide the custody and guardianship of your children as well as the division of your assets.

If you became a single parent due to a breakdown of relationship, your former spouse can petition the decision-makers for custody and in most cases, will be awarded it, but what happens when there is no former spouse for any of the myriad of reasons people become single parents? If you were widowed, decided to use the services of an anonymous donor or simply cannot locate the other parent of your child, there may be issues with finding someone to care for your family, should you pass away. Worse yet is the thought that an unfit or abusive former spouse could retain guardianship.

To make sure that your family is taken care of should you not be there for them, the way you'd like them to be, proper estate planning is paramount to your own piece of mind.

The Center offers year round infant and daycare services along with Before and After school childcare. During the Spring time, the halls of the center are decorated with flowers and bunnies, leprechauns, and kites that are specially made by the children. As the temperatures

get warm and the sun is shining, the Childcare Center is busy with all of the awesome Summer programs. The school age children will participate in the Summer Kids Kamp program, while the Daycare enjoys special performers and activities.

Before we know it, the leaves are changing and the Fall season is here. The children enjoy the fresh air on our newly renovated play structures. Grab a pumpkin and get ready to carve a Jack-O-Lantern. The children parade through the hallways and classrooms in their cute Halloween costumes. At Thanksgiving time, the children learn about the early settlers, Native Americans, gathering food, giving and sharing. As the year comes to an end, the children at the center will perform at our yearly "Holiday Sing."

Come Celebrate with us

Join us on Friday, December 5 at 7pm for our "Holiday Sing" in the Performing Arts Center located in the Hartland Educational Support Service Center on M-59 (Highland Rd). Come enjoy a variety of holiday songs performed by the children! After the show, join us for punch and cookies in the Commons as the Hartland Child Care Center celebrates 25 years of loving care and service to your children.

Where Do Your Taxes Go?

Hartland Township receives just over three percent of the taxes paid by residents, but is able to invest in amenities that benefit the community.

Hartland Township receives just over three percent of residents' property tax bills. The remainder of residents' tax bills is distributed to other local entities.

By optimizing dollars with grants and other funding sources, the Township has been able to complete projects including the opening of both Settlers Park and Hartland Heritage Park. The Township also received a \$13,600 grant from the Michigan Department of Environmental Quality to identify a well that would service our municipal water customers should one of the existing four wells fail.

A national rating service recently ranked Hartland among the highest in the state for fiscal health.

Careful What You Deposit in the Sanitary System

The term "flushable" is great for marketing a product, but it can be very misleading. Many items may flush down the toilet yet never actually dissolve causing problems in the sanitary system. The only items that should be flushed are toilet paper and human waste matter.

Never dispose of flushable wipes down the toilet. These wipes cause substantial damage to the sanitary system and can result in very expensive repairs.

Items to avoid flushing include:

- "Flushable" wipes
- Grease
- Hair
- Dental floss
- Condoms
- Sanitary napkins
- Prescription drugs

If you have any questions on what can be safely disposed of in the toilet, please contact the Department of Public Works at (810) 632-7498.

- These fires caused an average of 4 deaths, 21 injuries, and \$17.3 million in direct property damage annually.
- On average, one of every 66 reported fires that began with a Christmas tree resulted in death.
- A heat source too close to the Christmas tree started one of every five (18%) of these fires.

Be sure to check your smoke alarms and test them monthly. If you need assistance, or have questions, please feel free to contact Fire Marshal Mike Bernardin at 810-632-7676. Be sure to ask about our free smoke alarm program! Happy Holidays!

www.hartlandseniors.org

The Hartland Senior Center has approximately 1300 members and provides service to an additional 400 older adults each year. Adults ages 50 and older attend the Hartland Senior Center to:

- Stay fit with a multitude of fitness and exercise classes or to use our weight room
- Learn to paint, draw, carve on wood, knit or crochet
- Participate in sports like Pickleball, Bowling and Softball
- Sing, play musical instruments, dance or enjoy performing on stage
- Play cards and games like euchre, mahjong and pinochle

A number of community members use the senior center's transportation program to go to medical appointments, visit the pharmacy and grocery stores, and to come to the senior center. Each year the senior center offers flu and pneumonia shot clinics, Life Line Screening, legal-aid counseling, Medicare and Medicaid counseling. The senior resource advocate advises and assists both older adults and family caregivers regarding access to community services.

It is the intention of the Hartland Senior Center to keep people well, happy and living independently in our community. Membership is only \$15 per year for an individual and \$20 for a couple living in the same household. You DO NOT have to be a Hartland resident to join the Senior Center. Show your support for the Hartland Senior Center by becoming a member in November and receive the remaining months of 2013 complimentary!

Happy Holidays– Kim Ladd, Program Coordinator

Congratulations to our volunteers!

We had a very successful Fall Show with over 1200 tickets sold. This is our single biggest volunteer effort each year and raises over \$16,000 to support our on-going programs as well as our critical transportation services. Thank you to our major sponsors – Nawrocki Center for Elder & Family Law and ATI/Michigan Rehabilitation Specialists.

Wreaths Across America

This year we are sponsoring Wreaths Across America. Wreaths Across America was formed in 2007 as a way to pay tribute to our veterans that gave their lives fighting for our country. You can purchase a live wreath for \$15 that will be placed at the Great Lakes National cemetery in Holly, MI on December 14. Each wreath that is purchased through the Hartland Senior Center also supports our programs by giving back \$5 to HSC. Please visit our Facebook Page to learn more about the HSC program or stop by the Senior Center where we have forms available. You can learn more about the WAA program by visiting www.wreathscrossamerica.org.

Cook Books

People are raving about the recipes they have tried! This is a great time of year to make Judith Bamber's Crock Pot White Chili or Sharon Wolff's Chicken Tortilla Soup. The cookbooks are \$12.00 and all proceeds go to support our senior transportation program that provides local seniors who are not able to drive with transportation to medical appointments, shopping and other errands and to the senior center.

Gift Shop

This is a great time to shop for handmade gifts from the holidays. We have many talented members who knit, crochet, paint, and create jewelry. If you would like to place your handmade items in our gift shop:

- You must be a member of the Hartland Senior Center
- Bring items to the office
- Price your items (the senior center keeps 20% of the sale price.)
- Sign waiver

Only handmade items are accepted. Any manufactured items in the gift shop have been donated to the center.

Loan Closet

You don't have to be a Senior Center member to borrow items from our loan closet. We have wheelchairs, walkers, canes, bedside commodes, shower chairs, and more! Maybe you know someone who is recuperating and needs temporary help or have a family member coming in from out of town who needs to borrow an item for a week or two. Call us at 810.626.2135 or stop by to check our inventory. *We also accept donations of medical equipment that are in GOOD, CLEAN, working condition.

Hartland Senior Center Travel – H. I. P. Travel

Questers visit Hartland's history

Michigan State Questers Past Presidents gathered in Hartland for their fall meeting to enjoy Hartland's history, tea and antiques. Two local residents opened their homes for tours where Questers enjoyed the many antiques and quilts that the owners live with daily. A stop at the Florence B. Dearing Museum made Hartland's history come to life as they visited the past through the exhibits displayed there. They were told stories of the Hartland's Post Office, which still had an out-house in 1968 and how mail incorrectly addressed had been left in a box in the lobby for residents to sort through. The strong influence Robert Crouse had on the development of the weaving industry and the manufacturing of looms in Hartland was explained while Questers examined the looms on display. In the early 1900's the opportunity for local residents to experience culture was also made possible by Mr. Crouse with performers brought to the Music Hall. The Questers were able to tour the Music Hall followed by lunch at Thyme Well Spent. Barbara Krueger, author and fellow Quester spoke on stained glass windows. This was an educational and interesting way to complete a fun day visiting Hartland.

"Celebrity Server Night"

The Hartland Big Boy Restaurant hosted a "Celebrity Server Night" Fund Raiser to benefit the Hartland Optimist Club's Christmas "Adopt A Family" and other Optimist Youth Activities and Programs. Thanks to Hartland Schools' Administrators and teachers, who assisted the Big Boy team for the evening and raised a total of \$850.00 including tips, 50/50 Raffle, and a donation from Big Boy.

A big "Thank you" goes out to parents, children, and the community for their support of this event. Our gratitude is extended to all of the school personnel who gave of their time and energy to participate in the event, and members of the High School Optimist Club who worked as Bussers. A big thank you goes out to Nick and Jean Shaieb, owners of the Big Boy Restaurant for their hard work, efforts, and support, in addition to all the waitresses who guided the "Servers."

A special addition to the evening's event was for students to enter their name in a drawing for "Breakfast with the Principal." Each principal will host a breakfast at the Big Boy for two of their students. Thank you principals for your support and involvement with your community and school!

For more information on "Adopt A Family," call Vickie Schiesel at 810.632.7410. If you would like to make a donation to help the families adopted please send your check to: Hartland Optimist Club, P.O. Box 64, Hartland, MI 48353.

Hartland Area Community Council

Memorial Day Parade in jeopardy!

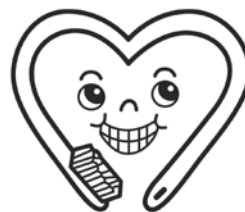

Hartland Area Community Council coordinates the annual Memorial Day parade. 2014 will mark the 79th anniversary of Hartland's Memorial Day activities. However, the Parade is in jeopardy due to a need for more community participation from individuals and organizations. Our parade is a premier event in Livingston County, but residents and community organizations MUST be involved with the Parade to ensure continuing success. It takes about 24-30 people to make this happen, most behind the scenes.

It may seem early to be discussing the Memorial Day parade, but the bottom line is this: Community Council needs more people, residents and/or community organizations, to become involved in the parade; the only requirement is an interest in our community.

Community Council, now a 501(c) (3) organization, is responsible for many village area improvements including holiday decorations, Avon street banners in the village, playground equipment in Epley Park and establishing a Neighborhood Watch program. Community Council initiated the village Walkability study leading to the three-way stop, with plantings, at Maple and Avon, as well as the crosswalk striping in the village area. In addition to the annual Memorial Day activities, Community Council also leads Heritage Day activities in September. First suggested in 1935 by J. Robert Crouse, Community Council serves as a venue to help resolve community issues and provide community service. Our community is unique and the idea of plentiful, friendly community service, a paradigm set by Mr. Crouse, continues to live in Hartland.

Community Council meetings are the first Monday of the month. Our first meeting in 2014 is scheduled for Monday January 6 in the Media Center at Ore Creek Middle school beginning at 6:30pm. Community Council looks forward to meeting with you and planning the 2014 Hartland Memorial Day Parade. Please call Dick Krueger at 248.887.1283 with questions or see the Community Council website <http://www.hartlandcommunitycouncil.org/> for additional information.

Hartland Rotary Club News

The Rotary Club of Hartland inducted two new members this fall, Shawn Dennany, Boy Scouts of America, Unit Serving Executive and Michael Bernardin, Fire Marshal, Hartland Deerfield Fire Authority.

Through the proceeds of our Third Annual Cardboard Regatta, Hartland Rotary was able to support Livingston County's "Meals on Wheels." Carol Zastrow stopped by the Club in October to accept our donation.

Also in October six Livingston County adults were trained to tutor adults in our county who need literacy help. Several of the new tutors will be working with adults who need help with speaking and reading English. Others have a passion to help adults who need to review their reading and writing skills. Hartland Rotary thanks all the resources that are provided from our local libraries, especially the Cromaine District Library. With the Livingston County Literacy Coalition, the Rotary Clubs in Livingston County train adults with a passion for literacy and are sharing their love of reading with adult learners.

In November we welcomed Kim Ladd, Program Coordinator for the Hartland Senior Center. She shared all the old and new "goings on" with our seniors here in Hartland. In early December Hartland Rotary will again be assisting the residents at Village Manor with Christmas card writing and wrapping any of the gifts they might be giving to family or friends..

Hartland Rotary meets every Thursday for breakfast, followed by an informative presentation. Visitors are welcome to join us at Hartland Insurance at 7:30am. If you have a passion for community and world service and enjoy sharing fellowship with those of similar desire, please join us. For information visit: www.hartlandrotary.org

When Someone You Love Needs to Retire from Driving

Dad has been tough, confident, and independent for a long time. But lately his driving hasn't seemed the same. It may have become scary to ride with him, or to have the grandchildren ride with him. You may have seen one or more of the following warning signs in his driving:

- Not using signals correctly
- Hesitating while making turns
- Difficulty moving into the correct lanes of traffic
- Trouble judging gaps in traffic on highway entrance/ exit ramps
- Parking inappropriately
- Hitting curbs when making right turns or backing up
- Driving too fast or too slow for road conditions
- Delayed responses to unexpected situations
- Failing to recognize dangerous situations
- Becoming more agitated or irritated when driving

- Scrapes or dents on car, garage, or mailbox
- Getting lost more often
- More frequent close calls
- Being warned or ticketed for moving violations
- Vehicle crashes (several "fender benders")
- Trouble moving foot from gas pedal to brake pedal
- Unpredictable stopping in traffic

If you see several of these things happening frequently, it might be time to have a conversation with Dad about retiring from driving. It's not easy to talk to someone about giving up the independence and freedom they have with driving. But safety – their safety, the safety of their passengers, other drivers, and pedestrians – comes first. Here are some tips on having that conversation:

- Have conversations before driving becomes a problem
- Before having the conversation, be sure you have observed the driver over time.

Write down the abilities the driver still possesses.

- Start conversations from the standpoint of your concern for the person's overall well-being and use "I" messages rather than "you" messages: "I'm concerned about your driving since your surgery...is there anything I can do to help?" It is NOT good to say "You're no longer a safe driver."
- Don't just have ONE conversation. Have several conversations over a period of time. Be persistent and don't feel guilty about mentioning the topic over again.
- Pick someone in the family or community that the person knows and trusts. This is usually a spouse, an adult child or the family physician. Ask the person if they have reviewed their medical condition or medications with their doctor to determine if there are any effects on driving.
- Try to let the person preserve their self-

respect. Listen honestly to his or her viewpoint and reasoning, and always show compassion.

- If you know of someone who has recently stopped driving and has found other ways to get around, ask if they'd be willing to talk to the person having driving problems.
- Be supportive of any changes the driver has already made, such as reducing the number of trips they make, limiting night driving, etc.
- Explain the availability of other transportation methods (family, friends, neighbor, taxi, public and other transportation services) as well as their benefits (safer, less expense and less trouble than maintaining a car).
- As a last resort, you may have to report the person to the Secretary of State. Hopefully these tips will make the conversation on retiring from driving a little easier for everyone.

The Dixie Swim Club focuses on four of those weekends and spans a period of thirty-three years. Performances are scheduled for February 21, 22, March 1 & 2, 2014. Cub Scout Pack 385 News

HAPPY THANKSGIVING! Pack 385 has had a very busy few months. The Webelo scouts participated in a second scrap metal drive and netted another 9000 lbs of scrap metal for their Pack. They participated in an outdoor hike and worked on their Outdoorsman pin. The Tigers, Wolves and Bears were busy helping their new scouts earn their Bobcat badge, and they all participated in the annual collection of comfort items for the Veterans at the VA in Ann Arbor. We had a great time with their families at the Whalers game. Bell Ringing, Christmas Caroling and Adopt a Family are all on the agenda for December. The Space Derby and the annual Pinewood Derby will be coming up soon! If interested in joining Pack 385, contact Eric Fedewa with any questions at 810.225.4805.

Girl Scout Troop #1818

Girl Scout Troop #1818 lead by Beth K. Peterson was invited to the Detroit Lions game on October 20, as special guests of Lions quarterback #9 Matthew Stafford and his girlfriend Kelly Hall. The troop enjoyed the visit to Ford Field including pre-game sideline passes, tickets, Stafford jerseys, and they also were able to meet Matthew Stafford after the game where he signed all their jerseys. It was a day to remember for this hard working Girl Scout troop from Hartland Middle School at Ore Creek. "This was one of the coolest things we have ever done! Thank you Kelly and Matthew!" as stated by Cadette Girl Scout Abigail Peterson. Go Lions!
