## Superintendent's Message

*Janet Sifferman, Superintendent*

On Tuesday, May 6, Hartland Consolidated Schools will hold a special election asking to renew the 18-mill non-homestead millage for the schools' operating budget for five years (through 2018). Election law changes have moved School Board elections to November, leaving the non-homestead issue the only item on the May ballot. We believe the non-homestead millage election should be held in May because it impacts the district budget that begins July 1. However, in an attempt to save an annual election cost of approximately \$20,000, the Board has decided to extend the renewal over five years. This non-homestead issue has existed since Proposal A went into effect in 1994. The non-homestead renewal is part of the funding for public schools allocated by the State of Michigan and directly impacts the district's general fund.

The non-homestead ballot for this May generates an estimated \$4.3 million in revenue for the district, so it is obviously extremely important that we levy the full amount of 18 mills as dictated by the state. It is also important to note that the state assumes school districts are collecting the full 18 mills, so should this proposal not pass, the shortfall will not be covered by the state.

*This millage is not assessed against residential homestead property or qualified agricultural property. For residential homestead property owners and qualified agricultural property owners, passage of the Non-Homestead Tax costs you nothing except your time to vote.*

Local business or other non-homestead property owners will only be taxed at the rate (18 mills total) that was planned when state voters passed Proposal A in 1994. The individual parcels have been limited to increases no greater than the cost of living just as homestead property has been limited.

## Person of the Month

*Holly McCarthy*

Back in July 1988 my neighbor, former Hartland High School principal, Jon Stevens, told me that there was an opening in the district and that I should apply. That was 26 years ago and I've been here ever since. It's ironic, my husband Matt and I moved to the Hartland area 28 years ago because we couldn't afford to live in Milford or Brighton (closer to my husband's work), but living in Hartland was the best investment we ever made!

Matt and I are graduates of Farmington Hills Harrison, but often feel we've been in Hartland our whole lives. We've been together since high school and will be celebrating our 34th wedding anniversary this summer. We have two sons, Brian (2003 grad) and Robert (2005 grad) who are both products of Hartland Schools. Brian graduated from Arizona State University with a CIS degree and works for an engineering firm in Phoenix. Robert was fortunate to receive a wrestling scholarship to the University of North Carolina and is a high school history teacher in Fairfax, Virginia as well as being a head wrestling coach. This month we are welcoming Robert's fiancé, Lacey, into our family. They will be getting married in Raleigh, North Carolina and I will finally have a daughter!

I enjoy accounting work, reading, gardening, boating and traveling to see our boys, but most of all vacationing with my husband and my girlfriends. Matt and I decided to start taking "real" vacations and enjoyed our trip to central California last summer and we're hoping to get to Maine this year. I have volunteered at the Hartland Music Hall, served on the HAYAA board and have been a Cromaine District Library Trustee.

During my years in Hartland, I have worked at Hartland Community Education, Lakes Elementary, Farms Intermediate, Hartland High School, and finally Creekside Elementary. I have been privileged to work alongside some amazing staff members and have some memorable moments. I have to say my favorites are the jokes we played on Mr. Oz (Mr. Assenmacher), being the Support Person of the Year, and my students calling my husband "Mr. Holly".

Hartland is a special place. Matt and I both have family here and my aunt owned Hartland Hardware, which was across the street from the old high school. I find it amazing that so many graduates have come back not only to live in the district, but to teach here too. To me, this speaks volumes about the Hartland community and Hartland Schools. I've now been working here long enough to have former students enroll their children in Hartland Schools! Where else can you take your child to visit a museum, a music hall, a library, post office, cemetery and a park all within a few blocks? Hartland has been a great place to live and raise kids.

If there is one thing I have learned after all these years, is how proud I am to be a part of this wonderful community and for being a part of the Hartland School family. The friends and friendships that I have made from working here are lifelong. I think you are very fortunate in life if you find your passion and enjoy your job. The students make me smile and it makes my job all the more worthwhile. I truly enjoy being "Miss Holly".

## PARENT, TEACHER, EMPLOYEE NOTIFICATION OF THE AVAILABILITY OF THE MANAGEMENT PLAN FOR ASBESTOS

According to AHERA 763.93 (g) (4) "...at least once each school year, the LEA shall notify in writing, parent, teacher, and employee organizations of the availability of the management plans and shall include in the management plan a description of the steps taken to notify such organizations, and a dated copy of the notification. In the absence of any such organization...the LEA shall give written notice..."

The procedure and plan that the LEA has adopted for the notification listed above is as follows:

- \* In writing, notify the presidents of each of the three above organizations of the availability of the asbestos management plan.
- \* In the event that there is no organization representing any of the above three groups, individual letters will be sent out, or notice will be given in a newsletter of the availability of the management plan.
- \* The Designated Person will be responsible to update the management plan as needed, and annually by March 30th of each school year.
- \* The Designated Person will be responsible to ensure that a copy of the following or similar notification will be sent to the above organizations and/or individuals by April 30th of each school year and copies of the notices are filed in the management plan.

## Principal's Corner

**Ben Mainka, Hartland High School Principal**

*Parents,*

Thank you very much for your support as we have had an outstanding winter and students performed very well in and out of the classroom. We are proud of our numerous state qualifiers and champions in boys swimming, wrestling, cheer, bowling, pom, archery, snowboarding, and skiing. We are also very excited about how attentive our students were during our ACT, PLAN, and EXPLORE tests at the beginning of March. Please remember that our Spring Break is April 14-21 and we will resume classes on April 22.

We are excited about April and hope that you have an opportunity to stop by and visit the high school for our many events and workshops taking place.

Each month, a selection committee at Hartland Middle School selects one seventh and one eighth grade student to receive recognition as "Students of the Month." Nominated students must meet one or more of the following criteria in order to be selected.

- The student must show continued success in all subjects
- The student must exhibit good citizenship
- The student must make a significant positive contribution to the school and others
- The student must exhibit a positive attitude toward school, self, and others

**Congratulations to our March Students of the Month:**

Rachel Kolm, Hailey Howes, Teaghan Germane, and Maddie Millikin.

**Morning "Drop Off" Time**

Please note that the school day does not begin until 7:40 a.m. Students are allowed to enter classroom areas/access lockers beginning at 7:30 a.m. Parents who elect to drive instead of sending children on the bus need to realize that children dropped off to wait in the commons/cafeteria area before 7:30 a.m. ARE NOT SUPERVISED. We suggest that you either (1) send your children on the bus or (2) not drop them off earlier than 7:30 a.m. if you want them to be supervised before the start of school at 7:40 a.m.

**NJHS Book Drive**

The Hartland Middle School National Junior Honor Society recently sponsored a successful book drive in conjunction with March is Reading Month and national mathematics "Pi Day." At the time of this writing, we are still working on our school-wide goal of 2,014 donated books, which will lead to NJHS students serving free pie to all students during lunches on "Pi Day." Donated books are added to our library of free student reading books or passed on to the appropriate reading level placement.

E.B.C.E. students and Girl Scout members Abby Peterson and Hailey Howes show some of the school supplies recently donated by their Girl Scout troop.

**Girl Scouts Donate School Supplies**

The Hartland Girl Scout Service Unit celebrated the annual World Thinking Day event this year on February 26, 2014. World Thinking Day is a day for girls to think about their sister Girl Scouts and Girl Guides from around the world. The theme for this year's event was girls worldwide say, "education opens doors for all girls and boys." In keeping with this theme, the Hartland Girl Scouts collected school supplies and donated them to the Hartland Consolidated school district. Pictured are Abigail Peterson and Hailey Howes. Both are members of Cadet Girl Scout Troop #41818 from Ore Creek Middle School.

**Olympic Athlete Visits**

Olympic athlete Karly Piper Shorr, daughter of HMS teacher Mrs. Monique Shorr, recently visited HMS to sign autographs, take photos, and talk to our students.

**Star Readers and Math Students**

The Farms teachers select two students each month from their homeroom classes who have exhibited good reading or math habits. These students are the ones you see reading whenever they have a few minutes to spare, or they are putting forth exceptional effort in their math classes. All monthly winners receive a 50 cent gift certificate for popcorn. Their names are also put in a drawing for a Target gift certificate. Congratulations to our Star Readers and Math students!

**Congratulations to Students of the Month**

Each month at Farms Intermediate School we acknowledge students who have been nominated by their teachers for outstanding academic performance, as well as, for displaying exemplary Reason, Respect, and Responsibility. Students are presented with a Student of the Month certificate and their names are announced school-wide. Congratulations to our Students of the Month!

Mr. Thacker's science class had some fun examining pig hearts during a science activity. Thanks to Mrs. Schaller, Mrs. DeWolf, and Mrs. Dixon for helping our students learn more about the heart!

Thanks to Mr. Laibly and his 5th and 6th grade band classes for two wonderful concerts!!!

Students proudly show off posters that were displayed in the cafeteria. February's school theme was "Fairness." Students put sticky notes on the posters showing examples of what they believe to be fair and unfair situations in their lives.

## Lakes Elementary Has Heart

Under the direction of Lakes Gym teacher, Mr. Matt Conway, and with the help of Lakes students, staff and families, we are proud to announce that our Jump Rope for Heart campaign this year was a huge success...bigger than ever before! We raised \$14,606 for the American Heart Association. We had two days of jumping by grade levels and an all-school assembly on Friday, February 28. Although there were many incentives offered along the way (including the shaving of Mr. Conway's head and Mr. Foster's beard, Mr. Eaton dying his hair purple, subway lunch with Mr. Conway, and many other prizes (some of which will be delivered to students from the Heart Association in about a month)...the true reason for this fundraiser was explained at the assembly...raising money for research to help those with heart disease. We were lucky enough to be visited by two young people who have had heart surgery, (ex-Lakes student Rylee Jones and Mr. Conway's nephew Jacob Bollo) who may have benefitted by money raised through the Jump Rope for Heart Programs. We are so proud of our students and want to thank our staff and families for their generous contributions.

Thanks to Mr. Foster and Mr. Conway for agreeing to have students help in shaving their beard and head, and to Mr. Eaton for dying his hair purple... as incentives for beating last year's total money raised! Nice look, gentlemen!!

Our sincere thanks to Rylee Jones and Jacob Bollo, for allowing us to share in their experiences with their past heart surgeries.

Fourth Graders Morgan Dowd, Lexie Caudill, and Lizzie Cimeot concentrate as they try to coordinate their moves with the long rope.

Second graders get in on the fun with the long rope as well, with parent volunteers cheering them on and assisting.

Parent volunteer Amy Neuer and Hartland Superintendent, Janet Sifferman keep the "river" flowing as Lakes kindergarten students play "Jump the River".

### Celebrating Dr. Seuss at Round

With the long, cold winter behind us the staff and students at Round Elementary School are looking forward to an exciting spring.

This year was another banner year with Jump Rope for Heart as Round School raised money for the American Heart Association. Thanks to all the volunteers that help make Jump Rope for Heart a great success.

We also celebrated reading with our annual "Seussabration" activities. Reading at Cromaine Night, an author visit, and numerous reading activities headlined the month of March. Round Elementary would like to wish everyone a safe and happy spring. We look forward to an exciting couple months of the school year. This month's pictures feature our "March is Reading Month" Seussabration celebration.

# HAPPY BIRTHDAY DR. SEUSS!

Village hosted its annual Science Fair in February. There were a record number of participants and the projects were out of this world!

Shoppers enjoyed the Book Fair put on by our PTO for Family Literacy Night. Families also enjoyed pizza, Bingo for Books, craft projects, and a reading presentation.

Wow! Village set a new fundraising record for Jump Rope for Heart this year. The students raised over \$10,000! Pictured are the winners of the contest to be Ms. Striz, Mr. Don, and Mr. Cain for the day.

In honor of 100 days of learning, students in Mrs. Butzier's first grade class dressed like they were 100 years old for the day.

## LEGACY and HVA

### Principals Corner-Kirk Evenson

Our legacy grows; as the staff and students of LEGACY HS continue to shine in our 30+ years of educational success. Hundreds of successful Hartland alumni have earned their diploma at Legacy HS over the past three decades.

The faces and the names have changed but the core philosophy has held true from 1982 until now. Connecting with students in a small, caring environment with tons of support was the recipe for success back then and still is today.

In 1982, Hartland HS counselor, Jo DelVero started a small program to help at-risk students stay in school and graduate. The following spring the first Class of LEGACY HS graduated in 1983. Ms. Del Vero knew that a need existed and she was able to convince then HS Principal, Jack Poley, to launch her idea as an Alternative HS.

Thirty years later the students of Hartland and over a dozen surrounding communities have LEGACY HS as an educational option for at-risk students to find success. The Hartland Board of Education and Administration continue to fully support this educational option as a county gem.

In recent years the program has quickly grown to over 150 students with the new Hartland Virtual Academy running parallel to LEGACY HS. The climate of education is ever-changing and we are able to keep stride with the demands of our customers here in Alternative Ed.

The staff at Hartland Alternative Ed is an amazing team of caring professionals. Both at LEGACY HS and Hartland Virtual Academy the staff is connected to the students. All students can be successful in a culture of caring and learning!

## Students and Freedom Works

As a community how can we make everyone feel appreciated and united? LEGACY High School students are benefiting from this philosophy in a unique experience that their teachers created for them.

Once a month, the Physical Education and Science students have a few extra students in class with them that day. The new students are more than welcomed by LEGACY. The guests are an organization that cares for senior citizens with special needs called Freedom Works.

This month the group joined Mr. Lemay and LEGACY in the gym for Physical Education. As you can see from the pictures, soccer was today's lesson. Students and seniors were fully engaged on the field or adapted to just work on the side with a partner. The young adults and seniors learned life lessons while enjoying the world's most loved sport.

The same was true in the Science room for Ms. Schaffer's class. This month they were collectively working on the studies of Volcanoes. From the pictures it looks like it was an eruption of success.

# Hartland Childcare Center

## Do you need Childcare for your School Age Child?

The Hartland Community Education Childcare Center offers year round childcare for your school age children. Our staff is here for you, whether your child needs before or after school care. The center opens at 6:30 a.m. and closes at 6 p.m.

We serve a snack during the morning and afternoon sessions. Each child who is enrolled in the Before & After program has the option to attend on the No School Days, Snow Days, etc. On these days, the classrooms usually will have a special activity or craft for each child to make. If your schedule is very hectic in the morning, you can bring your child's breakfast, so that they can eat in their classroom.

For more information on the Before & After school programs, contact Linda Easton, Child Care Director at [lindaeaston@hartlandschools.us](mailto:lindaeaston@hartlandschools.us) or 810.626.2780. If your child attends the Lakes or Farms School, you can choose to attend the Lakes School Before & After school program. The Lakes Director can be contacted at [jenturner@hartlandschools.us](mailto:jenturner@hartlandschools.us) or 810.626.2760.

**May 6, 2014 — Special School Election**

### **"Your Vote Counts and Costs You Only Your Time to Vote"**

On Tuesday, May 6, 2014, voters in the Hartland Consolidated School District will be asked to maintain the full 18 Non-Homestead mills for the schools' operating budget for five years (through 2018). Over the past few years there have been election law changes that have moved Board member elections to November, leaving the Non-Homestead election alone on the May ballot. We still believe it is important to run this election in May as it impacts the district budget that begins July 1st. However in an attempt to save approximately \$20,000 per election, we are comfortable following the practice of many school districts and running this election less often. Essentially, the ballot question asks district voters to keep the same millage rate, 18 mills, that has existed since Proposal A went into effect in 1994. For residential homestead property owners and qualified agricultural property owners, the maintaining of the 18 non-homestead mills will cost you nothing except the time and energy you expend to go to the polls.

In March of 1994, Michigan voters approved Proposal A. That action completely changed how Michigan public schools would be financially supported in the future. The success of that vote significantly reduced tax millages for people who owned one home (called your homestead). For example, the Hartland Consolidated Schools operating tax millage was 37 mills before Proposal A. After the 1994 vote, it was reduced to six mills and remains this amount. The 6 mills are sent directly to Lansing. This and other taxes, such as sales tax, income tax, liquor and cigarette taxes, and lotto revenues all go into making up the dollars for the state school aid fund. From these collected monies, the State reimburses school districts with a foundation allowance.

In Hartland our foundation allowance for the 2013/2014 school year is \$7,026.00 per pupil. Please keep in mind that this is the basic foundation grant promised under Proposal A. **The 18-mill Non-Homestead Tax portion of school funding is extremely important for Hartland Schools, equating to approximately \$4,369,607.00 in revenue next year.** Non-Homestead property is defined as commercial, industrial and second homes such as vacation cottages. Non-qualified agricultural land that is not farmed by the owner is also subject to the 18-mill tax levy. The crux of Proposal A is based on the assumption that each district would collect the full 18 mills on **non-homestead properties**. The law states that the full 18 mills cannot be collected unless it comes before the voters in an election, and the state assumes that school districts are collecting the full 18 mills and does not compensate them for a shortfall if the renewal fails. Those of us that own our homes as our primary residence (our homestead) would continue to pay **6 mills – no more and no less**.

If the Non-Homestead millage on non-residential property is not renewed at the full 18 mills allowed by Proposal A, this will create a loss in revenue for the school district of approximately \$4.3 million for the 2014/2015 school year. The last Non-Homestead Tax millage election was held in May of 2013 for a period of one year. **Please remember the 18 mills is what the district needs to be made whole regarding state funding and that this will cost residential homeowners in Hartland nothing more than their time to vote.**

#### **Why is a non-homestead renewal important to Hartland Schools?**

- ➔ The 18-mill tax equates to approximately **\$4.3 million in revenue** for the district each year
- ➔ State assumes 100% of the non-homestead tax is collected based on a levy of 18 mills
- ➔ Funds not collected **ARE NOT** made up by the state when allocating monies to our schools for educational purposes

#### **Is the Non-Homestead renewal something new?**

- ➔ **NO!** This tax levy has been in place since 1995
- ➔ Businesses, vacant property and second homes are expected to pay this tax as part of Michigan's school funding program
- ➔ **This is a renewal of the 18 mills passed for one year in 2013**

#### **Does this renewal mean a tax increase for area businesses?**

- ➔ **NO!** This same 18 mills has been levied on businesses, vacant land and 2nd homes since 1995 and the passage of Proposal A

#### **If the only property I own in the Hartland district is my home, does this proposal cost me anything?**

- ➔ **NO!** As stated in the ballot proposal, principal residences and other qualified property are exempt.
- ➔ **NO!** But keep in mind if the proposal is defeated, it will cost Hartland Schools approximately \$4,369,607.

## HARTLAND CONSOLIDATED SCHOOLS OPERATING MILLAGE RENEWAL PROPOSAL

This proposal will allow the school district to continue to levy the statutory rate of 18 mills on all property, except principal residence and other property exempted by law, required for the school district to receive its revenue per pupil foundation allowance.

Shall the limitation on the amount of taxes which may be assessed against all property, except principal residence and other property exempted by law, in Hartland Consolidated Schools, Livingston County, Michigan, be increased by 18 mills (\$18.00 on each \$1,000 of taxable valuation) for a period of 5 years, 2014 to 2018, inclusive, to provide funds for operating purposes; the estimate of the revenue the school district will collect if the millage is approved and levied in 2014 is approximately \$4,369,607 (this is a renewal of millage which expired with the 2013 tax levy)?

# Where to Vote

Residents of the Hartland Consolidated Schools district will **vote in the same local township polling location for the school election as when voting in the general election.**

## Eligible Citizens May Vote Absentee

## News from Hartland Township

### GETTING TO KNOW THE TOWNSHIP: SHARON GRECH

When Sharon Grech joined Hartland Township in 2011, she brought with her 34 years of customer service experience from DTE Energy.

“From the time I joined the Township, it has been very clear that customer service is a priority,” says Sharon. “I am fortunate for the abundance of training that I received at DTE that I can now apply to my responsibilities here at the Township.”

In addition to her project management responsibilities, Sharon also acts as one of the Customer Engagement Representatives available to help residents needing extra assistance on any variety of issues.

Sharon is determined to continue growing in her contributions to the Township. She recently completed the Michigan Township Governance Academy, a two-year voluntary credentialing program where Sharon gained a solid foundation of the details and services provided by each department within the Township.

“There is so much that I love about Hartland,” says Sharon. “My family and I moved from Canton because of the rural beauty of this area. But I’ve come to realize that it’s the people that make this area so special and that really is the deciding factor in making Hartland our home.”

### Hartland Community Unveils New Branding Initiative

The Hartland Community now has a unifying logo and tagline that communicates what makes it so special:  
Friendly By Nature.

The branding, created in partnership with Hartland Township, Hartland Consolidated Schools, the Hartland Area Chamber of Commerce and the Cromaine Library, will be most visible on the community website being created. The site will provide one-stop shopping for those interested in local events or just to learn more about the community.

### Leaving This World Alone (*Loneliness among the Elderly*)

James A. Froude said, “We enter the world alone, we leave the world alone.” There is no feeling more horrible than the loneliness one feels in the unsettling quiet of an empty house. For many elderly, it seems that aging accompanies loneliness as children leave and spouses pass on. Though many children devote years of their lives to care for their elderly parents, others abandon them to solitude.

A French article translates to read, “Elderly people who are deprived of the warmth of human contact are at the risk of turning inward. For the very old, an atmosphere such as this can become psychologically catastrophic and lead to depressive syndromes such as extreme sadness, a desire to do nothing, sleep problems and even dementia.”

It is easier to care for our parents when their health is deteriorating, but what about those who retain their health well into their fifties or sixties? Just as a teenager becomes preoccupied with high school social life and can often forget about the family dinner or activity, adults can become preoccupied with their jobs and families of their own and neglect their elderly parents.

Even if your parent is healthy, they may not remain so when subject to consistent loneliness. Ask yourself: How many times have I given my mother a call this past month? How often have I visited my parents this past year? How long did I stay? Long enough to have a real

conversation, enjoy a dinner, or take a walk through the park?

On her blog, Judith Gelber spoke of her experience with loneliness in old age, “Among the side-effects of aging are loneliness and isolation. Friends and family die or move away. Whatever support system existed before seems in tatters. Life becomes a hard pill to swallow.”

The problem of loneliness in aging does not always fall on the children; sometimes the elderly bring loneliness upon themselves. “They’ve spent their lives looking after others as well as themselves. While they appreciate help, they still want to feel they are capable of taking care of themselves and running their own lives.” (Judith Gelber) Neighbors and others seeking to reach out are sometimes turned away for this very reason. The elderly have just as much right to keep their pride as the younger population does. Sometimes, though, the elderly can be a bit more stubborn. They’ve seen more of life, they’ve been more weathered by pains and hardships, and now they’re facing their last years alone.

Judith Gelber said, “The best help for the elderly is in the doing rather than the asking.” It’s true that some of the elderly may isolate themselves, but it does not mean that inside they are not reaching out for comfort and companionship. As Gelber said, many times actions do speak louder than words. If you are a nearby neighbor to an elderly person you could mow their lawn, shovel their

walk, or bring over a warm, home-cooked meal. As a child you can simply pick up the phone and give your mother or father a call.

If your life is really busy and you find yourself unable to visit your elderly parents as much as you would like, you can seek out other companionship services for your loved ones. Many home care agencies offer companionship services. The elderly do not necessarily need to be in poor health to utilize these services. Companionship services can include providing friendship, conversation, and discussion; visits, outings, and trips; reminders for appointments; care for houseplants; medication reminders and assistance with personal tasks such as selecting clothing to wear, morning and evening routines; writing letters and mailing bills; and various everyday companion and care needs.

Adult day care centers are another option to provide your loved one with meaningful social interaction and stimulation. The costs of adult day care have remained consistently lower than the costs for other types of care such as nursing homes, assisted living, and home care. As described by The National Adult Day Services Association, “Adult day service centers provide a coordinated program of professional and compassionate services for adults in a community-based group setting. Services are designed to provide social and some health services.”

During the night, when you or a home health aide are not able to be at home with your elderly loved one, medi-

cal alert equipment can be used to provide some peace of mind. Various types of medical alert equipment can easily be used to call for help if your loved one has any medical or physical emergencies while they are home alone.

To explore more companionship options as well as compare pricing and services, consult a care manager for advice. Sometimes in a desire to maintain independence, the elderly may not be willing to admit their loneliness and their need for services such as home care or adult day care. Elder care mediation experts are trained in helping families solve conflicts related to aging and the need for care. If you are having trouble convincing you’re loved one to seek out the companionship and/or care they need, elder care mediation is a useful option to consider.

Don’t leave those you love confined to the empty loneliness of their own home. Make it a point to visit an elderly loved one or give them a call, and when you can’t be there, seek out caring services that can help provide the social interaction and companionship your loved ones deserve. After everything so many of the elderly have contributed to our nation, our communities, and our families, we should at the very least give them the courtesy of friendship. There is no cure for loneliness but companionship and love. No one should have to leave this world alone.

## Hartland Senior Center

### Happenings at the Hartland Senior Center

Adults ages 50 and older attend the Hartland Senior Center to:

- Stay fit with a multitude of fitness and exercise classes or to use our weight room
- Learn to paint, draw, woodcarving, knit or crochet
- Participate in sports like Pickleball, Bowling and Softball
- Sing, play musical instruments, dance or enjoy performing on stage
- Play cards and games like euchre, mahjong, pinochle and bridge

It is the intention of the Hartland Senior Center to keep people well, happy and living independently in our community. Membership is only \$15 per year for an individual and \$20 for a couple living in the same household. Members receive discounts on trips, classes, and receive our monthly newsletter. You DO NOT have to be a Hartland resident to join the Senior Center. Show your support for the Hartland Senior Center by becoming a member.

**Kim Ladd, Program Coordinator**

### Loan Closet

You don't have to be a Senior Center member to borrow items from our loan closet. We have wheelchairs, walkers, canes, bedside commodes, shower chairs, and more! Maybe you know someone who is recuperating and needs temporary help or have a family member coming in from out of town for a visit who needs to borrow an item for a week or two. Call us at 810.626.2135 or stop by to check our inventory.

### Men's Breakfast

On the Fourth Wednesday of each month, we host a men's breakfast at the Center. Cost is \$3 for pancakes, sausage and juice. Please stop by on March 26 to enjoy breakfast with the guys, made by the guys. We always have a good turnout and this is a great opportunity to meet new people. All guys are welcome!

## Audubon Club Meeting

### *April Presentation by Randy Baker – “Kenya”*

The Hartland Audubon Club will meet on Tuesday, April 1 at 7:15 p.m., beginning with a short meeting, followed by a stimulating nature presentation. We meet at the Hartland Educational Support Center, Senior Center, 9523 E. Highland Rd. (M59).

The evening’s presentation will be given by vivacious Randy Baker from Columbiaville, Michigan, who will speak on the birds, other wildlife and people of Kenya in Africa. Baker is a Scientist by training who does presentations for school groups and is a tour guide for a company called Naturalist Endeavors which includes tours to South Carolina and Florida. There will be a field trip the following Saturday, April 5, from 10am to 12pm to view birds at the home of Paul and Sue McEwen. For more details see the Hartland Audubon website.

Bring news of any recent bird sightings or other nature happenings to share. We encourage new members in our active, friendly group, fantastically devoted President, and have wonderful field trips that are announced at each meeting. Check out Hartland Audubon on [hartlandaudubon.weebly.com](http://hartlandaudubon.weebly.com). For more information contact Birder\_John@hotmail.com or call 517 548-2610.

to attend, regardless of your level of computer knowledge. Have questions or need information? Call Jim Sparks at 810.632.6630.

## Black Sheep Weavers Fiber Guild

### *Spirit Worlds in Fiber - April 3*

On April 3, the Black Sheep Weavers will have a trunk show from fiber and mixed media artist Chava Israel, entitled Spirit Worlds in Fiber. Chava lives in Ann Arbor, working primarily with embroidery, beading, appliqué, and needle felting to create mythical landscapes and portraits. She studied painting and drawing at the Art Institute of Chicago and began working with fiber in 2003 after inheriting her mother’s embroidery threads and realizing that she’d been collecting and storing fabric for decades without using it. Stitching, beads and fabric took the place of the color and texture of paint. The subjects and themes, as well as the process, of her work are inspired by an interest in prehistoric, ancient, medieval and pre-industrial societies and a feeling of kinship with animals and nature.

Guests or artists coming for the first time to our meetings and wish to join should bring their art work to show. This is a great time to have new art work reviewed to find out if it meets the Standards of Acceptance criteria to be included in future Guild sales. Membership dues (\$25) are collected at any meeting.

We meet at the Hartland Educational Support Services Center on M-59 in Room 3. We always welcome visitors who are interested in any of the fiber arts! Social time begins at 6:30pm, followed by a business meeting and Show ‘n Tell with our monthly program beginning around 8pm. For additional information please visit our website at [www.blacksheepweavers.com](http://www.blacksheepweavers.com) or contact Kathy Amerman-Treasurer/Membership at 248.684.0968.

# The Hartland Coalition

Spring kick-off meeting April 24

The Hartland Coalition is a group of parents, educators and community leaders who are committed to the health and safety of children, to protect them from underage alcohol use and other illegal substances. The coalition believes that it is the responsibility of parents and the Hartland Community to make the environment safe for its young people and that young people need the community's support to make healthy decisions. The structure for the Hartland Coalition is based on Communities Mobilizing for Change on Alcohol (CMCA). CMCA is a Substance Abuse Mental Services Administration best practice model program that utilizes community-organizing strategies to reduce youth access to alcohol by changing community policies and practices.

The Hartland Coalition meets the second Thursday of each month from 6:00-7:30pm in the Media Center at Hartland Middle School at Ore Creek located at 3250 North Hartland Road.

On Thursday, April 24 from 5:30-8pm the Hartland Coalition will have its Spring kick off. We will be meeting in the Professional Development Center at the Hartland Educational Support Service Center (former high school) on M-59. Please come and check out the spring and summer events that will be happening to promote safe and healthy children and teens.

youth healthy and safe . . . JOIN US!!!**

**Goals of the PWHLM Campaign:**

- To educate parents and the community about Social Host Liability Laws.
- To raise awareness about the negative consequences associated with underage alcohol use.
- To send a unified message around Prom & Graduation that underage drinking is unsafe, unhealthy, and illegal.
- To promote the health, safety, and well-being of all Livingston County youth.

## Hartland LEGO Team Eagle 1

**Local Hartland Robotics team, Eagle 1, invited to FIRST LEGO League North American Open Championship Tournament**

Every year, thousands of kids around the world participate in FIRST LEGO League's (FLL) robotic competition. FLL is a robotics program for 9-14 year olds, which is designed to get children excited about science and technology. Using the LEGO MINDSTORMS robot sets, kids program an autonomous robot to score points while solving "missions." They also create an innovative solution to a problem as part of their project, while being guided by the FLL Core Values. These three elements Robot Game, Project, and FLL Core Values make up the annual Challenge.

This year's theme was "Natural Disasters." The kids had to research a problem and develop an innovative solution to help them prepare, stay safe, or rebuild after a natural disaster. Eagle 1, decided to focus on the problems survivors experience, shortly after being involved in a disaster and the need to get help. We invented the "Rescue Solar Flag." The rescue solar flag is designed to attract rescuers' attention while providing a source of power to survivors who have to wait for help. It contains a first aid kit, survival gear, food and a solar panel with attachments to charge a cell phone, batteries, flashlights, and more.

The Michigan Regional and State Competitions were held in November and December of last year. Eagle 1 did well in both tournaments, winning the Robot - Innovative and Strategy award, Champion's award FINALIST and the Adult Coach/Mentor Award. We finished 2nd Place in the State tournament. Later, we found out that we were invited to the North American Open Invitational Championship tournament in California. Only 1 team per State is selected for this honor and we are excited to be representing Michigan!

We are extremely proud of our kids and what they have achieved. If you would like to follow our progress, please visit our blog at <http://eagle1robotics.blogspot.com>.

## Rotary Club Happenings

Hartland Rotary continues to be involved with youth leadership training at Hartland High School. This month we are sharing a picture of several of the Hartland High School students, who graduated from the first "Reaching Higher" program in December, 2013.

The next program is ready to start at the High School soon under the instruction of Nicole Schingeck and Scott Van Epps. This program was

established to "give middle school and high school students easy-to-use tools and practical strategies that help build self-esteem, foster positive life choices, and promote a healthier learning experience in school."

Hartland Rotary is proud to have several Rotarians involved as mentors in the exceptional program. Hartland Rotarians bowled again in Big Brothers, Big Sisters of Livingston County's yearly fund raising event on Sunday, March 9 at Striking Lanes, Hartland. The event brings participation from groups all over Livingston County. We didn't win any trophies, but we left with the satisfaction knowing we were helping youth throughout Livingston County who need the support of adults in their daily lives.... and it was FUN!

Hartland Rotary has begun to prepare for our fourth Cardboard Regatta, Saturday, July 19, at Waldenwoods. Proceeds from our major fundraiser are focused on local youth programs and other groups who help make Hartland a stronger community. We are excited and appreciative of our local sponsors who help us with not only financial support, but also attend the event and participate in racing their cardboard boats on beautiful Lake Walden.

If your family or club would like to build a cardboard boat and join our race in July please check out our website: [www.hartlandrotary.org](http://www.hartlandrotary.org) for instructions on boat construction and how to enter our event. Our event features different age classes from youth to adults as well as small two man vessels to the "big" four-six man behemoths.

Hartland Rotary meets every Thursday for breakfast, followed by an informative presentation. Visitors are welcome to join us at Hartland Insurance, 2532 Old US 23 in Hartland at 7:30AM. If you have a passion for community and world service and enjoy sharing fellowship with those of similar desire, please join us. For information visit: [www.hartlandrotary.org](http://www.hartlandrotary.org)

## Hartland Teen Center News

### "Believe in Yourself," Motto for Teen Center

Teens decorated a banner with art work and sayings that represent the motto for the Next Door Teen Center. The words on the banner, "Believe in Yourself" and "Be Who You Want to Be, Not What Others Want You To Be" represent the teen center.

"We come here and we can be ourselves, we don't have to worry about anyone saying anything bad about us. We are all friends," commented Becca Paris.

## Names in the News

### John Kelland of Hartland named as 2014 U.S. Presidential Scholars Program

Hartland High School graduating senior John Kelland has been named one of more than 3,000 candidates in the 2014 U.S. Presidential Scholars Program.

Inclusion in the U.S. Presidential Scholars Program, now in its 50th year, is one of the highest honors bestowed upon graduating high school seniors. Scholars are selected on the basis of superior academy and artistic achievement, leadership qualities, strong character and involvement in community and school activities.

Scholars will be invited to Washington DC in June to receive the Presidential Scholars Medallion at a recognition ceremony and to participate in events and activities with their elected representative, educators, and other leading individuals in public life. John is the son of Mark Kelland and Donna Rinna.

## Homework Battles and Reading Difficulties Resolved— Thanks to Vision Therapy!

"Shelby's entire 1st & 2nd grade was spent struggling to read and she had a terrible time spelling. I spent the entire two years asking if there was something wrong, as a mother I knew there was..."

After receiving her test scores at the end of second grade the proof was in the very low performance scores. Although Shelby could read at grade level because we worked so hard at it, it was very frustrating and unenjoyable for her and her reading scores reflected that.

A friend recommended Hartland Eye Care because of the specialization in vision problems that can contribute to learning difficulties. It turns out that Shelby had an eye movement problem (also known as a tracking problem). Everything about the tracking issue fit Shelby to a "T". She would fight me on doing homework, couldn't spell very well, never wanted anything to do with the computer etc.

After the initial meeting Shelby started the vision therapy. After completing vision therapy, she was retested in January and her reading went from below average to high average. Her spelling has improved dramatically and she loves the computer!"

## Serving the Hartland Community for 20 years...

In addition to providing family vision care, Dr. Doud has been diagnosing and treating vision problems that interfere with reading and learning for more than 11 years. Dr. Doud has treated hundreds of patients from the Hartland and surrounding communities from all over South East Michigan.

"It is very rewarding to see children excel who previously struggled because of underlying vision problems," shares Dr. Doud. Most people don't realize that seeing 20/20 is just one of 17 visual skills required for academic success. All 20/20 means is that you can see the size of letter you are supposed to see from 20 feet. If your child continues to struggle with reading despite all best attempts to help, a vision problem could be at the root of his or her difficulties.

## Scouting News

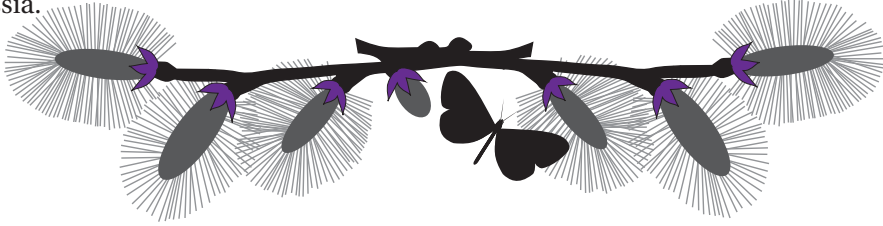

### Village Elementary Girl Scout Troop Hartland Troop Participates in World Thinking Day

All 5 Girl Scout troops from Daisies to Juniors recently participated in World Thinking Day at Village Elementary.

On World Thinking Day, girls participate in activities and projects with global themes to honor sister Girl Guides and Girl Scouts in other countries. This year, each troop choose a country to research and to help other troops learn about that country, made a food sample, SWAP, and information poster to present.

The countries represented this year were Egypt, France, Italy, Poland and Russia.

### Boy Scout Troop 385

#### Pack 385 News

We have made it through this long cold winter and our Scouts in Pack 385 have kept busy. Last month our Scouts had a fun and exciting Pinewood Derby, helped serve dinner at the Hartland Senior Center, sponsored a game at the Lakes Elementary Fun Fest and released some energy at Hartland's Bounce.

This month, the Cub Scouts will crossover to the next rank which they have worked very hard to accomplish. We are looking forward to spring and attending the Hartland Memorial Day Parade, an overnight campout and participating in the opening ceremony for Hartland's Relay for Life.

We have a lot of fun and learn great life skills along the way. If you are interested in more information, please contact Eric Fedewa at 810-225-4805.

## Aqua Zumba

Splash your way into shape with an invigorating low-impact aquatic exercise. Known as the Zumba® “pool party,” the Aqua Zumba® program gives new meaning to the idea of a refreshing workout.

At the Hartland pool Aqua Zumba class is Tuesdays and Thursdays from 11:30am-12:20pm. Aqua Zumba takes the well-known land class into the water to take advantage of water’s resistance and provide an aerobic, strengthening and flexibility work-out.

The walk-in rate is \$6.25 adults, \$5.25 seniors or buy a 20-visit card good for any 20 classes at the Hartland Pool (\$100 adults, \$85 seniors). No registration is required. Just show up!

## Attention-football players

HAYAA Football registration will be held from

April 1-30. Registration will be ON-LINE only.

Visit [www.hayaasports.com](http://www.hayaasports.com) for all the information.
