Superintendent's Message

Janet Sifferman, Superintendent

In addition to congratulating Hartland's 2014 graduating class, I would like to thank the entire Hartland community for their continued support of our school district during these trying financial times. The successful passage of the 18-mill Non-Homestead Millage will help us to continue to provide the programming and services for our students that the community has come to expect. It would be impossible for Hartland Schools to do what we do without your continued support. This is a wonderful place to live and work! Thank you. On a separate note, I also wanted to inform the community that next year, for the 2014/15 school year, Hartland Schools will be initiating a calendar that includes an "Early Release Friday" schedule. Every building in the district will release students one hour earlier than the rest of the weekdays' dismissal times. The district has decided to incorporate this schedule for several reasons.

Our teachers are being required to incorporate more and more federal and state requirements into their instruction and student achievement. This requires regular professional development opportunities that these early release Fridays will afford. Ultimately this will benefit our students.

Our students need the consistency of a regular full 5-day school week. The combination of monthly full-day professional development days and bad weather/"Act of God" days this year resulted in too much disruption to the regular "school week".

The state is requiring us to move toward more instructional days and hours. This new calendar achieves this.

A copy of next year's calendar and bell times is on the district web site. Bell time schedule can be found in this issue of Community Life.

Dear Hartland Graduating Seniors:

Your career with Hartland Consolidated Schools is rapidly drawing to a close, and waiting for you at the end of this road is the rest of your life. While it seems inconceivable that you could possibly have better times and better friends than you have now, I promise you the best is yet to come!

There will be numerous parties and celebrations awaiting you in the coming weeks and you certainly deserve each and every one of them. However, please remember, this is a very short period at the beginning of a very long and bright future. Do not do anything that will jeopardize your life or your future happiness. You certainly can have a great time and enjoy yourself without the aid of alcohol or drugs. The rules you learned here - Reason, Respect and Responsibility - should remain with you as you go through life. Please remember to think before you act. This time should be remembered for the joy and excitement of achievement, not as a time of tragedy.

Congratulations to you and your families.

Respectfully,
Janet Sifferman, Superintendent

Karen Condra, Teacher of the Year

Passion and Commitment Leads to "Teacher of the Year" Selection

The 2014 Hartland Consolidated Schools' teacher of the year says it's the teachers and administrators of her youth that helped fuel her passion for teaching. "They empowered me in middle and high school to take on student leadership roles and be an active part of the school," Condra said. "It was their belief in me that fostered my love for education and the power that teachers have for changing lives."

Condra, a special education teacher who has been with the district since 2002, taught English, US History and intensive writing at Hartland Middle School during the 2013-14 school year and said her job continues to change with the needs of the students Hartland Schools service. "As a special education teacher, I have an ever changing role in the education of all students," Condra said. "This full array of educational implementation settings has allowed me to see a variety of systems of delivery and given me extensive background in the pros and cons of each. "Bottom line is every student, no matter their ability or disability, deserves a "special education" in a mode that fits their individual needs," she said.

Completing her education at Michigan State University for undergraduate and graduate school and graduating with a Master's Degree in Deaf-Blind Education, Condra also holds a K-8 teaching certificate and endorsements in various disability specialties. Condra completed her student teaching experiences at the Michigan School for the Blind in Lansing, Minnesota School for the Blind in Fairbault, Minnesota and The Helen Keller School for the Deaf Blind in Talladega, Alabama. "All these experiences taught me how to reach students from a variety of socio economic situations with multiple sensory and learning needs. My goal exiting MSU was to be able to do what I love (work with kids), and be gainfully employed. My degree has afforded me that opportunity throughout my life. I am a true Spartan and bleed green."

Calling it a privilege to be able to work with the students she does, Condra says she loves the challenge of "educating those that may need things done in a 'different way.'"

"I have learned so much about life, responsibility and overcoming obstacles from the families and staff I have met along the way. It is these people that truly deserve the award I am being recognized for. It is each of their handprints upon my style of teaching or my way of working with people, that have made me the teacher and person I am today."

Besides teaching, Condra's greatest passion in life is her family, who she calls her greatest source of pride and accomplishment. Married to her "soul mate" and the man who simply "gets her" for 24 years, Condra and her husband, John, have raised four children together. The center of their lives, the Condra children include Colleen, Austin, Bryan and Sara. "Words cannot adequately describe our admiration and love for them," Condra said. "We enjoy spending time out of doors-- especially on the water--being active, working and playing hard. For me, family is everything."

Thankful and humbled by her Teacher of the Year honor, Condra stresses that while it's in her nature to put her "heart and soul" into everything she is passionate about, it is also the people who surround her, the ones she lives with, works with and interacts with throughout her life that have shaped the person she is today. "I am privileged to work closely with the staff at Ore Creek and realize what an incredible group they truly are," Condra said. "They have a passion and willingness to go the extra mile that is far reaching."

"It is that legacy that celebrates this honor and helps us all realize that how you act and what you do, does affect others," she said. "Perhaps someone whom you have

From the Editor

So long, it has been fun! The June 2014 issue will be my 195th and last issue of Community Life to edit. In addition, the Spring 2014 Enrichment Brochure was the 79th issue I have coordinated and published. I will miss the monthly phone calls, emails and visits at my desk each month.

The responsibility of editing and publishing the Community Life newspaper and the Community Education Enrichment Brochure has been assigned to Tatum Ryan. Tatum is a very active member of the Hartland community. Some of you may recognize her name from her work on the Hartland Patch website. I have no doubt her creativity and enthusiasm will continue the fine tradition that has been passed on to her.

Please welcome Tatum as she begins her new job with editing the September issue of Community Life and as the Enrichment Coordinator for Community Education. Her phone number and email is listed on this page.

Sincerely, Nadine Cloutier

Thank you so much to our class of 2014 and their contributions to our school and community. You should be proud of your accomplishments and we are excited to see how you go out and impact the world!

The spring has been extremely busy, and we are very fortunate to have a great community that supports our schools. A few important dates for you to remember for June:

June 1	Baccalaureate	4:00 p.m.	HHS Auditorium
June 5	Graduation	7:00 p.m.	Compuware Arena, Plymouth Michigan
June 10-12	HHS Exams		
June 12	Last Day of School		

We hope that all of our students and families enjoy the summer recess and have an opportunity to rest and enjoy the beautiful Michigan weather in the summer. Our office hours for the summer will be 8am-3pm Monday through Thursday. You can reach us at 810.626.2200. Thank you!

Hands-On Science Night:

The Science Department with the help of the students organized a hands-on experience for Hartland families. Children were able to make slime, play dough, experimented with microscopes, rocks and minerals, pH levels and also a replica of human organs and more.

Forgotten Harvest:

Students from the high school volunteered their time at Forgotten Harvest. They were the first group of the season and had a wonderful spring day as well.

The Eagle Newspaper staff receives Gold rating

Members of The Hartland Eagle newspaper staff recently attended the Michigan Interscholastic Press Association's state journalism award ceremony. The newspaper staff was excited to receive a Gold rating for the print newspaper. This rating is given by an out of state judge who rates the newspaper in categories such as coverage, writing and editing, design, photography and graphics, and editorial content. Several students also received individual honors for design, writing, and photography.

Division 1-Newspaper Individual Category winners:

- Sarah Corcoran- Honorable Mention- Photo Story
- Charlotte Hines- Honorable Mention-Comic Strip
- Summer Lindemann- Honorable Mention-Sports Feature Story
- Isabelle Pacitto-Honorable Mention-Personality Profile

If you would like to see the online version of The Eagle newspaper, please go to the website on hartlandhsnewspaper.com. This year we created a brand new online newspaper website. We look forward to expanding it next year.

Students Of The Month

Each month, a selection committee at Hartland Middle School selects one seventh and one eighth grade student to receive recognition as "Students of the Month." Nominated students must meet one or more of the following criteria in order to be selected.

- The student must show continued success in all subjects
- The student must exhibit good citizenship
- The student must make a significant positive contribution to the school and others
- The student must exhibit a positive attitude toward school, self, and others

Congratulations to our May Students of the Month: Kyle Rushak and Emma McPherson and our June Students of the Month: Matthew Trescott and Montgomery Shotwell.

Mrs. Peck's second hour students display their Digital Citizenship contracts.

Cyber Safety Education and Digital Citizenship

Mrs. Peck arranged to have representatives from the State of Michigan Attorney General's office return to Hartland Middle School. They came to discuss cyber security and being a responsible digital citizen with our seventh and eighth grade technology students. They addressed topics such as avoiding cyber predators, the hidden dangers of applications like SnapChat, and the ramifications of cyber bullying. The session was well received by all who attended. Now all 7th and 8th grade technology students have been exposed to this cyber safety education.

If you would like to view the videos shown by our guest speakers, links can be found on Mrs. Peck's website at <http://orecreek.hartlandschools.us/subsites/Cathy-Peck/index.html>.

Relay For Life Supported At HMS

Hartland Middle School teachers and students helped to raise money for Relay for Life through our own "walk" and other charity events during the year. The students Relay for Life walk through the teams raised \$759.59. Teachers raised \$368 through charity donation casual day Fridays. Together we raised \$1127.59 for the American Cancer Foundation. Together we can battle this awful disease. Thank you for your support.

Thank You

I would like to thank the Hartland Middle School staff, faculty and parents and students for another great school year. Good luck to the class of 2018 as they move on to high school. Remember that you are part of Hartland Pride and a long tradition of excellence. For incoming seventh graders and new eighth graders, remember that it is people – teachers, students, support staff, and parents – that make a school great, and we have the best middle school in the state!

Archers Hit Their Marks Yet Again

Submitted by HMS Teacher and Archery Coach Rob Jellison

The Hartland High, Middle and Elementary School Archery Teams competed at the National Archery in the Schools Program's (NASP) National Tournament this past weekend in Louisville, KY after qualifying for Nationals by winning all three State Championships earlier this year at CMU. There were nearly 11,000 archers at this year's event, making it the largest archery event in world history (setting a new World Record with the Guinness Book of World Records).

The Hartland Middle School Team competed against 4,501 archers. Hartland Middle School finished in 11th place tying their best National finish ever and shooting a 3317, which is their best tournament score ever! They had four in the Top 100 and 2 in the Top 25! Colin Pajot led the way with an 18th place finish out of 2,477 MS male archers. Congratulations to all of the Archers from the State Season and National Season, along with all of the Coaches and Parents! The Program would not be what it is today without all of YOU!

Participating MS Archers:

Michael Allen, Sawyer Bulloch, Harrison Clarke, Maxwell Cothran, Collin Flatt, Justin Frappier, Anna Fraser, J.B. Germane, Madison Gradowski, Shane Karls, Colin Krueger, Holly Leja, Derrick Lorus, Garrett Lukosavich, Olivia Mantay, Jon Miller, Griffin Neuer, Collin Pajot, Rebecca Paris, Elise Tasich, and Sydney Vivian.

Submitted by Jeremy Jarvinen

Over the last two weeks, students across the state of Michigan have participated in the MITES contest. This year, I entered 10 student projects from Ore Creek into the 8th grade division of the contest. The 10 projects were entered into four different categories. All 10 projects steamrolled through the regional contest and advanced to the state competition. I am proud to announce that all 10 students placed in the top four in each category they entered.

Students of the Month

Each month at Farms Intermediate School, we acknowledge students who have been nominated by their teachers for outstanding academic performance, as well as, for displaying exemplary Reason, Respect, and Responsibility. Students are presented with a Student of the Month certificate and their names are announced school-wide. Congratulations to our Students of the Month!

Heston Lane, Rachel Zimmerman, Austin Stroble and Audrey Brown

Star Readers and Math Students

The Farms teachers select two students each month from their homeroom classes who have exhibited good reading or math habits. These students are the ones you see reading whenever they have a few minutes to spare, or they are putting forth exceptional effort in their math classes. All monthly winners receive a 50 cent gift certificate for popcorn. Their names are also put in a drawing for a Target gift certificate. Congratulations to our Star Readers and Math students!

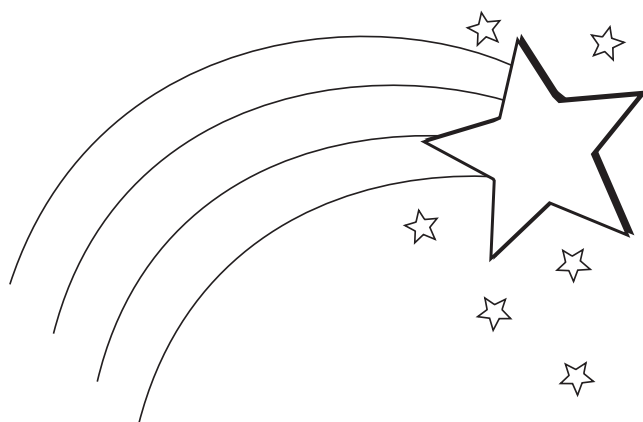

Farms Student Auditions for Jeopardy

On April 25, Emma Ross traveled to NYC after being invited to audition for the popular game show Jeopardy. It was a fun and nerve-racking experience who auditioned with 15-20 other students on a closed mock Jeopardy set. The group took a written test, which according to Emma, was much harder than the initial online test she took to win her audition.

If Emma is selected for Jeopardy's "Back to School" series, producers will contact her at the end of June. Emma and her mom will then be flown out to L.A. to tape the show in July and the show would air in September.

The Leadership Club sponsored a Change Challenge and raised \$1200 for the American Red Cross. Thank you to all who supported the event!

The Leadership Club sponsored a raffle and raised \$556 for Relay for Life. Thank you to Guido's, McDonald's, Zingermann's Deli, Dairy Queen, Kahuna Coffee, Wendy's, Tony Sacco's, Little Caesar's Pizza, Jet's Pizza, Big Boy Restaurant, and Jimmy John's for the generous gift card donations.

HELP SUPPORT CHALLENGE DAY AT HMS!

2nd Annual HMS Challenge Day Golf Outing

- Sunday, Aug. 17 at 2:00 p.m.—The Majestic G.C. at Lake Walden
- 4 Person Scramble—\$75 per person includes: 18 Holes with a cart, pulled pork dinner following golf; many contests with great prizes and raffle items!
- Many business and team sponsorship opportunities as well!

Challenge Day is a workshop that Hartland Middle School at Ore Creek offers to all of its seventh grade students. This program is designed to tear down the walls that separate people and inspire participants to live, study and work in an environment of love, compassion, acceptance and respect. The aim is to increase self-esteem, shift dangerous peer pressure to positive peer support, and eliminate the acceptability of teasing, oppression, and all forms of violence. This program takes place over a three to four day period once a year at Hartland MS at Ore Creek and is very costly to take part in. The school covers the entire cost by doing numerous fundraising events. This is a program that doesn't just benefit the students of Ore Creek. It is much larger than that and its benefits trickle down to siblings, parents, and our community members as well. Please help us in being able to keep this program available in our community so that it continues to be a place of kindness, hope, and compassion for one another.

Local 4 Meteorologist Visits

Lakes Elementary was thrilled to have Local 4 (WDIV) Meteorologist Brandon Roux visit Lakes on Thursday, May 1st. Mr. Roux presented some exciting weather experiments for Ms. Baker's and Mrs. Redford's third grade students, and read Cloudy With a Chance of Meatballs to all of Lakes first graders as well. He also highlighted Lakes and showed group photos of our students on the morning newscast (at 6:15AM) the Friday after his visit! Thanks to Brandon Roux for taking time out of his busy day to join us at Lakes.

Third grader Gavin Luce assists Mr. Roux as he prepares one of his experiments to show Lakes students how clouds are formed.

Meteorologist Brandon Roux demonstrates for students a simulation of a tornado in a jar!

Congratulations to Carolyn Phillips for having her name drawn at the Lakes Fun Fest in March to win a ride to school on a fire truck. Lucky friend Kate Darrow and brother, Jack Phillips (not pictured) got to ride with Carolyn as well. Thanks to the Brighton Township Fire Department for providing this exciting trip to school for Carolyn.

Lakes third grade students pose with Mr. Roux and thank him for his awesome presentation!

After reading to the Lakes first grade students, and sporting his new Hartland Eagles/Lakes Elementary tee shirt, Brandon Roux poses with Cameron Cook, Lucas Hardy, Brett Kreiner, Dellon Body, and David O'Guinn.

Round Elementary News

Round Elementary is wrapping up another successful school year. We would like to thank all the countless PTO members and volunteers that helped our students grow and have a terrific school year. Also a special thanks to the staff for their all their efforts in making Round Elementary a positive, caring, and enriching environment. The pictures displayed are on our special guest Melissa Gilbert, who read her children's book to our student body and shared her experiences. We also participated in "Recess Relay" where our students walked to support the fight against cancer. Our students were made aware of the support we need to give and the importance of finding a cure. Round Elementary hopes that the entire Hartland community enjoys the summer and we look forward to seeing everyone back again next fall.

LEGACY High School News

Kirk Evenson, Principal

810.626.2104

The LEGACY program is an alternative high school completion program, established in 1982, and is housed at the Hartland Educational Support Services Center. This program accommodates 120 plus students. Students enter this program through an interview process to gain insight into the issues that have made it difficult to be successful in the traditional school setting. The program provides a smaller, more supportive environment with a great deal of structure. Many students find this more compatible with their needs.

The LEGACY program boasts a fully accredited and rigorous curriculum completely aligned with local, state, and federal standards and benchmarks. All staff members are certified and highly qualified in their respective subjects of expertise. All students are challenged daily in preparation for participation in the State MME assessment and the ACT college entrance exam.

The LEGACY school offers extremely small class sizes, affording students an atmosphere conducive to academic success. Success is possible because of the caring, nurturing staff, which allows the students to become "connected" to school and the work therein. The staff creates a safe environment where all students can learn and grow.

As a workreadiness program, approximately 70% of the students are employed and earning additional credits, preparing them for life after high school. With an average graduation rate of 85% and over 60% moving on to college, career training or the military, LEGACY is extremely proud of the end product.

Coach - Mr. Lemay, Dog - Buddy Johnson, Logan Bills, Matt Nuhn, Kyle Caskey, Trevor Kurkowski, Scott Paterson, Dylan Tierney, Travis Kurkowski, Joey Plemmons, Jake Parks, Jordan Parks, and Coach - Ms. Schaefer.

Congratulations LEGACY!! Disc Golf Champions

On May 9, our Disc Golf Student Athletes won their third MAAA State Championship in a row. For the first year ever we hosted the event at Kensington Metro Parks and the home field advantage paid off. Along with the championship, Dylan Tierney was the 2014 individual Disc Golf State Champion. Special thank you to assistant coach Ms. Schaefer.

LEGACY is a Green school

LEGACY high school is a green school. Don Gagacki is the lead for getting our students and staff to recycle and appreciate our wonderful earth on a daily basis.

In celebration of Earth Day, Tuesday, April 22, Mr. G. asked the staff to have at least one earth day lesson during the week. The staff came up with wonderful ideas that the students loved. Hats off to you all.

Pictured is Mr. Lemay's physical education class. They spent the day walking the campus helping do their part by collecting garbage and trash.

Homework Battles and Reading Difficulties Resolved— Thanks to Vision Therapy!

“Shelby’s entire 1st & 2nd grade was spent struggling to read and she had a terrible time spelling. I spent the entire two years asking if there was something wrong, as a mother I knew there was...

After receiving her test scores at the end of second grade the proof was in the very low performance scores. Although Shelby could read at grade level because we worked so hard at it, it was very frustrating and unenjoyable for her and her reading scores reflected that.

A friend recommended Hartland Eye Care because of the specialization in vision problems that can contribute to learning difficulties. It turns out that Shelby had an eye movement problem (also known as a tracking problem). Everything about the tracking issue fit Shelby to a “T”. She would fight me on doing homework, couldn’t spell very well, never wanted anything to do with the computer etc.

After the initial meeting Shelby started the vision therapy. After completing vision therapy, she was retested in January and her reading went from below average to high average. Her spelling has improved dramatically and she loves the computer!”

Serving the Hartland Community for 20 years...

In addition to providing family vision care, Dr. Doud has been diagnosing and treating vision problems that interfere with reading and learning for more than 11 years. Dr. Doud has treated hundreds of patients from the Hartland and surrounding communities from all over South East Michigan.

“It is very rewarding to see children excel who previously struggled because of underlying vision problems,” shares Dr. Doud. Most people don’t realize that seeing 20/20 is just one of 17 visual skills required for academic success. All 20/20 means is that you can see the size of letter you are supposed to see from 20 feet. If your child continues to struggle with reading despite all best attempts to help, a vision problem could be at the root of his or her difficulties.

News from Hartland Township

GETTING TO KNOW THE TOWNSHIP: KATHIE HORNING

In 1986, Township Treasurer Kathie Horning and her husband Mark moved to Hartland to raise their family. The young family moved to Hartland for the schools and rural character, but soon came to appreciate the warmth of the community and cultural gems like the Cromaïne Library.

"I decided to run for Treasurer in 2002 because I felt the community was growing rapidly and I wanted to be a part of protecting its natural charm," says Kathie.

Kathie is proud of the way Hartland has developed while maintaining its character. She is particularly proud of the Farmers Market she helped to establish in 2003. She continues to volunteer her time to this event each Saturday during the growing season.

"In 2004, Hartland Consolidated Schools, Hartland Township, the Chamber of Commerce and the 4-H Rangers began a collaborative effort to create a Farmers Market for our community," explains Kathie. "Each member endorsed the market and donated the time, talent and space needed to provide our residents with a place to purchase fresh produce and meats — as well as to support our local farmers."

The Hartland Farmers Market is open 9 a.m. through 1 p.m. every Saturday through October and is located at 9525 Highland Road (former Hartland High School, M-59 west of Old 23).

HARTLAND ROADS: YOUR OPINION MATTERS

Many thanks to the residents who have shared their thoughts, recommendations and opinions on the Safer Roads and Pathways Plan.

The plan will be finalized in late July, so there is still time to provide input to the Task Force as they consider a final version. You can share your thoughts via our social media sites (links available on the Township website) or by emailing the Township at Roads@hartlandtwp.com.

There is also one more public meeting scheduled and will be held during the regularly scheduled Township Board meeting:

Can I Get Paid to Care for a Senior Family Member?

As the number of family members providing care for aging parents increases, the solutions to find help with loss of income because of time off from employment for caregiving has become a major concern for many.

The demands on both the time and energy needed to provide the needed care can make it impossible to maintain both a full time job with full time caregiving.

Seeing a need to give support to family caregivers the federal government Administration on Aging created the National Family Caregiver Support Program.

State Area on Aging division manages this program on the state and community level to offer support services that include:

- Information to caregivers about available services;
 - Assistance to caregivers in gaining access to supportive services;
 - Individual counseling, organization of support groups, and caregiver training to assist caregivers in making decisions and solving problems relating to their roles;
 - Respite care to enable caregivers to be temporarily relieved from their care giving responsibilities; and
 - Supplemental services, on a limited basis, to complement the care provided by care-givers.
- A Medicaid approved assistance program called

Cash & Counseling may be used to provide funds to hire personal care aides as well as purchase items or services, including home modifications that help them live in-dependently.

The PayingForSeniorCare.com website gives the following information about the program:

"For Medicaid eligible seniors, the process begins with an assessment in the home to determine the senior's home care needs; this includes interviews with caregivers and possibly the senior's physicians. A determination of how many monthly care hours are required is made. The benefit amount is calculated using that determination and cost of care for that geographic area. This amount can be increased or decreased as the senior's needs change. A family care giver may need to qualify as a home health aid by the state to receive these funds."

This program is executed by each individual state Area on Aging Services division. It is a relatively new program and is not yet available in all States. Check with your state Area on Aging Services department for availability.

A totally overlooked source of money to pay family caregivers to provide care at home is the Aid and Attendance Pension Benefit. This money is available to veterans who served during a period of war. Pension money is also available to the widows of these veterans. This benefit, under the right circumstances, can provide

up to \$2,054 a month in additional income to pay family members to provide care at home.

Getting the aid and attendance benefit to pay for family caregivers is not an easy task. This is because there must be a caregiver contract in place, a physician medical evaluation done, income and asset qualifications met and proof of medical expenses provided. Submitting the correct forms and documentation can easily be completed with the help of a VA Accredited Consultant who understands the process.

If the senior being cared for has a long term care insurance policy that covers home care, payment to the care giver from this source could be arranged. Some policies require the care provider to be through a licensed home care agency, but others will pay for individual aides certified as such. This would require some training by the family member to become certified. There are policies that pay a daily benefit amount to the insured to use as they want to pay for their care. Check with a long term care insurance professional about types of policies.

In some cases the senior parent has the funds to pay for care. If a family member is giving care it is very important that a caregiver contract be in place. A signed and dated agreement will outline the services provided as well as the amount of pay for these services. The contract will eliminate questions about what is expected from both parent and caregiver as well as providing a

legitimate contract and payment record of services to qualify for Medicaid.

Attorney John L. Roberts, in his article titled "Caregiver Contracts that Protect Elders and Their Family Members" states:

"A written Caregiver Contract is a good idea for every family that wants to protect family harmony, and make sure everyone in the family understands how care is being provided to an elder.

The family member who provides care can save an elder from needing nursing home services, and may also protect assets if nursing home care is needed in the future. Elders who want to cover all of these bases must have a written Caregiver Contract. Whenever adult children and other family members are providing valuable care, only a written agreement will protect assets from nursing home care costs and qualify the elder for Medicaid."

In having the parent pay a family member for caregiving, it will be an employer/employee situation and payroll records must be kept with payroll taxes paid.

This can also be set up by an elder law attorney at the time the contract is done.

Taking the time to create the caregiver contract, research the government and state services that are available to caregivers and using community resources will make the family caregiving experience less stressful.

- Play cards and games like euchre, mahjong, pinochle and bridge

It is the intention of the Hartland Senior Center to keep people well, happy and living independently in our community. Membership is only \$15 per year for an individual and \$20 for a couple living in the same household. Members receive discounts on trips, classes, and receive our monthly newsletter. You DO NOT have to be a Hartland resident to join the Senior Center. Show your support for the Hartland Senior Center by becoming a member.

May certainly was a busy month for us at the Center! In addition to our normal classes and programs, we enjoyed many new fun events and program, including:

- Cinco de Mayo Taco Bar
- New Tuesday morning Yoga class
- Mother's Day Brunch and Old Bag Sale
- Two music concerts – "Old Country Radio Hour" and "Weaving Hartland Memories"
- Cooking lessons with Renee
- Nutrition Tips with the MSU extension office
- Memoir Writing and Sharing
- Safety Celebration with OLSHA
- Potluck and a Movie
- Brain Games

Stop by and say "Hi!" We would love to meet you.

Kim Ladd, Program Coordinator

Loan Closet

You don't have to be a Senior Center member to borrow items from our loan closet. We have wheelchairs, walkers, canes, bedside commodes, shower chairs, and more! Maybe you know someone who is recuperating and needs temporary help or have a family member coming in from out of town for a visit who needs to borrow an item for a week or two. We are in need of wheelchair donations! If you have a wheelchair in good condition, please consider donating it to our Loan Closet. Call us at 810.626.2135 or stop by to check our inventory.

Men's Breakfast

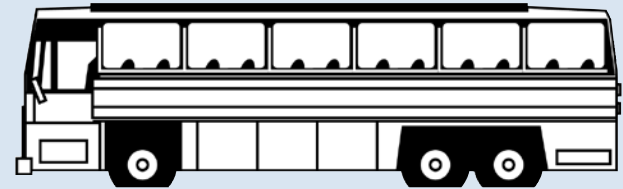

On the Fourth Wednesday of each month, we host a men's breakfast at the Center. Cost is \$3 for pancakes, sausage and juice. Please stop by to enjoy breakfast with the guys, made by the guys. We always have a good turnout and this is a great opportunity to meet new people. All men are welcome!

Senior Golf Scrambles

Play on Mondays at Hartland Glen Golf Course, weather permitting. Sign in at 9:00am, shotgun start at 9:30am. Cost is \$20 including the cart and \$3 toward prize money. Play is open to men and women golfers of all levels. Teams are chosen each week by random draw. Join us for fun and a relaxed round of golf. Any questions, contact jeanjohnson1515@gmail.com.

Respectful Flag Disposal

*Did you know there is a flag disposal box in the Hartland Area Fire Department's Main Station (#61) parking lot? Many people may not be aware of how to properly dispose of flags that are no longer appropriate for flying. This is a great service provided by the Fire Department and Boy Scouts.

Hartland Senior Center Travel – H. I. P. Travel

Join us on one our great trips! Call Carol at 810.626.2139 for more information or stop in the HSC front desk to pay for any trip.

*Travelers currently park at the west end Target parking lot for departure. All revenue from our Hartland Senior Center Travel Program is used to help support the wonderful activities we offer at reasonable prices to our members.

Your patronage is greatly appreciated. Thank you!

Hartland Rotary

Cardboard Regatta July 19

Hartland Rotary has begun to prepare for our fourth Cardboard Regatta scheduled for Saturday, July 19 at Waldenwoods. Proceeds from our major fund raiser are focused on local youth programs and other groups who help make Hartland a stronger community. We are excited and appreciative of our local sponsors who help us with not only financial support, but also attend the event and participate in racing their cardboard boats on beautiful Lake Walden. If your family or club would like to build a cardboard boat and join our race in July please check out our website: www.hartlandrotary.org for instructions on boat construction and how to enter our event. Our event features different age classes from youth to adults as well as small two man vessels to the "big" four-six man behemoths.

RYLA or Rotary Youth Leadership Awards took place at Camp Copneconic on April 25-27. Over 140 high school students from District 6380 attended and experienced a weekend they will not soon forget. Our Rotary District includes Livingston, Washtenaw, Monroe, NW Oakland, Macomb Counties, and Districts in Canada including Tilbury, Chatham, and Ridgeway. Leadership is always the weekend's focus. This year three Hartland High School students, Alyssa Hopkins, Regin Horan, and Grace Lemley participated in a new RYLA program Shelter Box. Inside each box is a tent, bedding, cooking equipment, and other survival gear for people who are victims of natural disasters. Alyssa, Regin, and Grace learned through participating in disaster drills how important it is to choose the correct terrain to set up emergency shelters. Whether the scenario was one of earthquakes, tsunamis, or hurricanes, the RYLA 2.0 group rose to the challenge.

FLASH from the FRIENDS

The Friends are pleased to announce that their Spring Book Sale was very successful. All our volunteers worked hard, but we all had lots of fun. Many of us made some new Friends. If you would like to help at a future Book Sale, please call Mary Lynn Thomson, at 810.229.7356. It should be noted that all profits go directly to Cromaïne to finance Special Projects. The Friends donate approximately \$10,000 each year to the library.

We would like to welcome Sandy Schemke as our new President. Sandy has been involved with the Friends and has proven to be a real asset. Mary Lynn Thomson will continue as Secretary and Mary Schmitigal as Treasurer. Unfortunately, Penny Halstead, who has been our Vice-President for several years, has had to resign because of family obligations. She has done a wonderful job and the Friends are truly appreciative. If you would like to be our V.P. please inform someone at the Circulation desk at either Crossroads or the Village.

Everyone who attended the "Friends" event with Sandra Scherba Novacek's presentation of her late husband Charles Novacek's book "Border Crossings" and viewed his many paintings were truly impressed.

"A friend is a person with whom I may be sincere... Before him I may think aloud."

Ralph Waldo Emerson

The Hartland Area Macintosh User Group (HAMUG) will meet Tuesday, June 9 at 7:00 p.m. at the Spirit of Livingston in Howell. It is our annual Pot Luck. Please bring a dish to pass. We will provide the dogs and buns.

Anyone interested in learning more about the Macintosh computer is welcome to attend, regardless of your level of computer knowledge. Have questions or need information? Call Jim Sparks at 810.632.6630.

Hartland Audubon Club

Next meeting-June 3

The Hartland Audubon Club will meet on Tuesday June 3 at 6:30pm for a potluck dinner. Bring your own table setting and a dish to share. Dinner will be followed by a short meeting and an engaging presentation. We meet at the Hartland Educational Support Center, Senior Center, 9523 E. Highland Rd. (M59).

The evening's presentation will be given by the President of The Hartland Audubon Nature Club, John Smith. John is an expert photographer and enthusiastic birder. His talk will feature "Holden ARB & Magee Smith Marsh Warblers and Hawk Mountain." John's photo of a Prothonotary warbler was selected for the cover of the 2014/2015 Hartland Audubon program folder.

Our annual picnic and "wild party" will be held the following Saturday, June 7. Details will be given at the meeting. Bring news of any recent bird sightings or other nature happenings to share. We encourage new members in our active, friendly group, fantastically devoted President, and have wonderful field trips that are announced at each meeting. The mission of the Hartland Audubon Club is "to promote the preservation of natural habitats, while fostering an understanding and appreciation of birds and other wildlife".

Check out Hartland Audubon on hartlandaudubon.weebly.com. For more information contact Birder_John@hotmail.com or call 517.548.2610.

The Hartland Optimist Club

Congratulations to the Honorees

The Hartland Optimist Club held its 18th annual Youth Celebration Night on April 9. The night had 134 young people, nominated by community leaders, teachers, parents or others, who were honored for wonderful deeds they have been performing for their school, family, church, or organizations within the Hartland community.

Gathered together in the front rows of the Performing Arts Center of HESSC were a group of young people whose generous spirit permeated the auditorium. One teacher who attended the celebration said that it is "her favorite night of the year."

Hartland's Optimist Club would like to take this opportunity to thank Hartland's Superintendent, Mrs. Janet Sifferman and Hartland School Board Secretary, Michelle Hutchinson, for presenting the awards.

We also would like to thank author, Denise Brennan-Nelson, for her thoughtful words that inspired and encouraged all of us to be better citizens of our wonderful country. We cannot forget to acknowledge the Hartland High School Chamber Choir who opened the program with their lovely songs.

Thank you Bordine's for loaning us the flowers that graced the stage, some of which are now gracing my yard. They are beautiful.

It takes a village to arrange this program and we value the many people whose names will not be published, but who devote many hours to make this evening special. I know that they, like me, believe that it is a pleasure to put it on every year. Hartland just has very special young people. Sincere and heartfelt congratulations to all of the honorees.

Teens Volunteer for Relay for Life

Next Door Hartland Teen Center teens participated in Relay for Life. Teens helped with kiddie games. "I like how the community of Hartland comes together to support a good cause, like cancer," commented Taylor a teen from the teen center.

The teen center received the 501.3(c) status, which means it can receive donations that are tax deductible. "We have been waiting a long time for this, and we are now going to get more funding to support the teen center," commented Kay Fountain, founder of Next Door Hartland Teen Center. Anyone interested in making a tax-deductible donation can contact the teen center at 810.991.0050.

The teen center is offering a summer program. The summer program includes two days a week, Tuesday and Thursday, starting June 24 through August 28, from 12noon-6 pm. The rate is \$192.00 payable by June 1. The teen center will be planning hikes, tennis, golf, and the teens will be able to plan activities they want to do too. If you are interested please contact the Teen Center at 810.991.0050 or nextdoorhtc@gmail.com

Encore Youth Theater *offers Theatrical Opportunities*

Encore Youth Theater will offer two exciting Drama Camps this summer which will help kids aged 8-18 grow in the theatrical arts. The first camp will focus on musical productions of Broadway and the second camp will offer an opportunity for kids to create their very own theatrical production. Camps run July 21-25 and July 28-August 1. Visit www.hartlandplayers.org for more information.

Encore Youth Theater's Fall production will be Roald Dahl's *The Witches*. Auditions will be held at 9:30 am Saturday, September 6, at the Hartland Music Hall. This play is a faithful adaptation of Dahl's clever story where the Grand High Witch puts together a fiendish plan to rid all of England of their youngsters. As the story unfolds it becomes a hilarious adventure not to be missed! Encore encourages everyone who is interested and between the ages of 8-18 to audition. Look for audition information on www.hartlandplayers.org and at the Cromaine Library the beginning of August.

Waldewoods Questers #569 and Cromaine present **ICEBERG ! ICEBERG!**

Cromaine Library, in conjunction with the Waldewoods Questers #569, invites folks interested in the "Sinking of the Titanic" to a special event on June 11 at 1:00pm in the Meeting Room of Cromaine. This event is free, but by registration only. Please call 810.632.5200.

Judith Coebly presents a special history of this tragedy in her program "A Century of Tears." Judith was a social studies and history teacher, counselor and high school administrator with the Dearborn Public Schools for over 38 years. In 2012, she sailed on the 100th Anniversary Titanic Voyage, following the exact route continuing on to Halifax, Nova Scotia.

Judith dresses in period clothing and her vignette is emotional and educational. She chronicles events by following the path of one passenger. There will be a display of her maritime collectables.

Scouting News

Supported by friends Sean McCarthy, Cam Comeau, Dan Gallagher and Zach Piontek, Will Houtman earns his Eagle rank (photo courtesy of Floral City Images and Photography)

Will Houtman Receives Eagle Scout Award

William Houtman, 16, was awarded the rank of Eagle Scout on May 4, 2014 at a Court of Honor held by Boy Scout Troop 380 of Hartland. A junior at Hartland High, Will is the son of Al and Holly Houtman. In order to achieve the rank of Eagle, Will earned 34 merit badges and demonstrated leadership by planning, developing and completing a community service project. Will led his fellow scouts in the design and build of bicycle racks for three parks on the picturesque Old Mission Peninsula in northern Michigan.

The Court of Honor was led by Scoutmaster Matt Roy, who was accompanied by former Scoutmaster John Rembisz, Assistant Scout Master Rob Piontek and Committee Member Mark Comeau. Eagle Scout Mark Johnson swore Will into his new rank.

In addition to commendations from local, state and federal authorities, Troop Committee Chair Frank Tappen presented Will with a plaque to commemorate his scouting career. Eagle Scout Keith Learman, representing the Troop's chartering organization - the Hartland Fire Fighters' Association, also presented a plaque honoring this auspicious occasion.

Boy Scout Troop 383 News

Boy Scout Troop 383, a boy-led troop that meets at Hartland United Methodist Church, had a great year! With a priority on campouts and service projects, the boys have accomplished a lot. Campouts featured a variety of camping styles including tents, Adirondack huts, cabins, and survival camping. Highlights include a weekend hosting Webelos with other Hartland troops, a canoe trip, winter camping and tubing up north, and building a shelter for survival camp.

Service projects include working the Toys for Tots distribution, and helping at the church's annual Turkey Dinner and spring clean up day.

In May, the troop travels to Dorchester, Ontario for the fifth consecutive year for the Dorchester International Brotherhood Camporee. With loads of activities and over 3,500 participants, this big encampment is one of the troop's favorite activities. The troop will travel as a group in June for summer camp at Camp Frontier.

Any boy aged 11-17 is welcome to get involved in Boy Scouting. Contact Troop 383 Scoutmaster Peter Mazzara at pete.mazzara@gmail.com.

Eagle Scout Award- Christopher Ryan Harrison

Boy Scout Troop 383 of Hartland, chartered to Hartland United Methodist Church is proud to announce that Christopher Ryan Harrison has earned the rank of Eagle Scout.

Christopher is the son of Sharon Stanis of Tyrone Township and Steve Harrison of Monroe, Michigan. He is the brother of Anthony, Dana, Brendan and Elijah.

Christopher earned 25 merit badges, spent 26 nights camping and did 25 volunteer hours. His eagle project was comprised of creating and building 6 large picnic tables for Camp Ohiyesa, a YMCA camp in Holly. These picnic tables allow for campers to gather in large groups outside to eat, do arts and crafts, and have meetings. He is currently attending Hartland High School and intends to attend college in Michigan.

Christopher joins other outstanding American citizens who have become Eagle Scouts, among them former President Gerald R. Ford, Jr., astronaut Neil A. Armstrong, cinematographer Steven Spielberg, and the former head of the F.B.I., William Sessions.

Cub Scout Pack 385

Summer is finally upon us! As we come to a close for our scouting season, we look forward to an exciting summer! Pack 385 will have its annual picnic, over-night campout, scouting day camps available and Resident Camp! Now that all our scouts are moved on to their next ranks they will have many fun opportunities to work toward their next rank! We hope everyone has a safe and fun-filled summer and if you are interested in joining pack 385 come check us out in September when we begin our new scouting season!

For more information please contact Eric Fedewa at 810.225.4805.

Hartland Gymnast Casper Competes at Nationals

Hartland Gymnastics Academy sent Courtney Casper to Level 9 States in Battle Creek on March 22. Courtney is 14 years old and is in the 9 grade at Brighton High School. She lives with her family and has been participating in gymnastics since she was 4 years old.

Courtney competed in all four events where she earned an 8.975 on vault, 9.225 on beam, 9.05 on Floor. She also earned a 9.35 on Bars making her the State Bar Champ and qualifying her for Regionals with a 36.6 All Around score. Regional's is a competition of the best girls in Region 5 (Michigan, Ohio, Indiana, Illinois and Kentucky). This year the host gym was Twistars in Lansing.

Regionals took place April 11-13, 2014, where Courtney competed on April 12. She competed in all four events where she earned a 9.775 on Vault, making her the Region 5 Vault Champ for 2 years in a row! Her All-Around score of 36.8 earned her a 5th place finish qualifying her for Nationals in Tampa, FL which took place the weekend of May 2-4.

Good luck at National's Courtney! Your entire HGA Team is extremely proud of you!

Hartland Gymnastics Academy has been training champions since 1975. HGA is located in the Hartland Educational Support Center (the former Hartland High School) on M-59 in Hartland.
