Superintendent's Message Chuck Hughes, Superintendent

@hartlandschools

May 8, 2018 Operating Millage Renewal Proposal.
Please mark your calendar to vote on Tuesday, May 8, 2018.
See the center spread in this edition of Community Life for complete details.

Three Key Questions:

Q: How does the non-homestead tax levy affect my taxes?

A: For a principal residence, this tax does not apply. This tax only applies to non-homestead property and is not new.

Q: What will happen if this proposal does not pass?

A: Because the State of Michigan expects school districts to collect the full 18 mills, the district would lose 4.7 million dollars in operating funds.

Q: Do I vote if I only own homestead property?

A: Yes, all registered voters vote on this proposal.

This is an important ballot proposal for our community to consider. Please get out and vote.

Social Emotional Learning and Life Skills:

The educators in Hartland work hard to ensure that learning goes beyond the core subject areas. Teaching students everyday life skills is necessary as they learn to engage with the world around them. Our Social Emotional Learning Instructional Coach, Mr. Scott Storey, developed the EAGLES program to support teachers with this work. We believe that every person needs to understand how having empathy, striving for achievement, having grit or perseverance, being able to link action to impact, understanding empowerment, and serving the community, impacts them and those around them. It is this work, along with our foundational belief in promoting REASON, RESPECT, and RESPONSIBILITY, that makes Hartland a Premier School of Choice.

I am proud to be the superintendent in a community that understands the importance of helping young people develop life strategies that influence achievement and success.

School Safety:

The National Association of School Psychologists points to research that supports social emotional and mental health support for students. In a recent article (School-Based Mental Health Services: Improving Student Learning and Well-Being), they suggest that "left unmet, mental health problems are linked to costly negative outcomes such as academic and behavior problems, dropping out, and delinquency." The article states that "School mental health supports that encompass social-emotional learning, mental wellness, resilience, and positive connections between students and adults are essential to creating a school culture in which students feel safe and empowered to report safety concerns, which is proven to be among the most effective school safety strategies."

In recent conversations with parents and community members due to the school violence we are seeing, I continue to bring the conversation back to this aspect of school safety. In my opinion, we can put all of the safety features we can think of into our schools; however, unless we focus on building positive relationships among students and between students and adults, all of our efforts may still result in something unimaginable happening. Being a part of the solution to school violence requires all stakeholders to embrace the effort to build a culture where we all feel comfortable sharing what we see and hear. Using social media to bully and spread false rumors does not support this effort. Please continue to emphasize with our youth the power of reaching out to trusted adults when safety concerns arise.

Hartland Schools Person of the Month: Kathi Letovsky

Kathi Letovsky is the Choir Director at Hartland High School. She earned her Bachelor's Degree in Music Education, as well as her Master's Degree in Educational Leadership from Eastern Michigan University. The following is Kathi's "Hartland Story" in her own words. This is my 19th year at Hartland High School and 20th year teaching. At the old high school my husband, Mike Letovsky, was the band/choir director. As his program began to grow, they concluded that they needed to hire a second director. I was split between the middle school and high school. I taught choir and band at the high school and then went to the middle school and taught two choirs. As my choir program grew, they allowed me to add more choirs, which had me staying at the high school teaching five hours of choir. When we moved to the new school, between the two of us, we had 17 performing groups. Over 200 of those kids were in my program spread out over 6 choirs, one of which being an all men's choir.

My life in Hartland began over 40 Years ago, when my parents, Bill and Judy Shook, and sister Jodi moved here when I was 2 years old. My sister Jodi graduated from Hartland in 1990 (she now lives in Oklahoma with her husband) and I graduated in 1993. Later my dad (Mr. Bill) was custodian at Village elementary and loved every minute of it. My mom and dad still live up the road from the Parshallville Cider Mill and are doing well.

Mike and I will be celebrating our 20th wedding anniversary in June. I met him through connections in music. When he was hired as the new band director at Hartland High School, I went to meet him. We realized that we had met before at Concordia College. We do not have kids of our own as we have over 300 between the two of us! We have followed college careers, attended many concerts and recitals, and many other life events.

Person of the Month continued from cover

We are both very active with music, Tae Kwon Do—we are both black belts—in the winter and in the summer with golfing, traveling and camping. I enjoy competing in Sprint Triathlons over the summer and now for my "mid-life crisis," I am currently learning how to ride the unicycle. And I am still alive! We love food—my husband is a wonderful chef, watching TV, going to the movies and eating out. Some of the best food we have had has been from restaurants that are probably not even on the map.

Memorable moments have been happening for me every day, week, month and year—starting all the way back to

my first year teaching, to present day. Working with teens for over 19 years is your basic roller coaster—highs, lows, fast and slow. Add in the "in-betweens" and you get it all in one beautiful gift. The kids are so amazing. Every day my cup runneth over.

Watching my kids enter the choir room as sometimes vocal "newbies" and then seeing them come together on that stage and do what they do, there are few words to express. Parents always talk about the pride they have in their kids, well, these are my kids and I am very proud of them. Teens today carry a weight that I could never imagine, but yet somehow they persevere. Sometimes they might need a hug or maybe even a shove along the

way but we love them all just the same.

Hartland High School is such a different place than when I went to school here. Watching it grow into the educational establishment that it is today is such an awesome feeling! Hartland continues to grow greater and stronger every day, and we all get to be a part of it! Other people have said it and I will say it again, Hartland is different—the culture, the people, the feel. Do we still have our bumps and bruises? Of course we do, but when it comes right down to it, Hartland truly is, and will continue to be, a great place to plant your roots!

Hartland Consolidated Schools is accepting kindergarten enrollment packets at the Board of Education office and each elementary school during office hours. Enrollment packets are available at each of these locations or can be downloaded from our website at www.hartlandschools.us.

Safe Town Enrollment

Instructors: Jan Doke and Dawn Lubeski
 Program is held at Village Elementary

Safe Town is an early childhood safety education program and is designed for children entering pre-Kindergarten, Kindergarten or First Grade in the fall of 2018. Children learn all aspects of safety through projects, songs, games and presentations and plays.

Part of each day is spent "In the Town" with some of the children being pedestrians and some as the drivers (of 14" or 16" two wheel bikes with training wheels). PLEASE HAVE YOUR CHILD BRING IN THEIR HELMET WITH THEIR NAME ON IT.

This program teaches bus safety, electricity and water safety, dog safety, stranger safety, bike safety and much more. Presenters come each day, crafts supporting the daily theme are completed and children get important information about starting school.

The sessions meet for one week for 4 hours per day. Children should bring their own lunch (nut-free) with a beverage each day.

Transportation Information For the Upcoming School Year!

It's time to start thinking about busing for the new school year. For your convenience, forms are now being accepted to insure room on every bus to accommodate your transportation needs for the first day of school.

All Transportation Forms (Alternate Destination, Joint Custody, School of Choice, and Legacy forms) will expire at the end of the 17/18 school year. If new forms are not submitted, in-district students will automatically be assigned to the closest bus stop to their home address and non-resident students will not receive a bus assignment.

The deadline for submitting forms to the Transportation Office to request a bus assignment other than the home address is July 1, 2018. Late transportation requests will not be considered until after the first 2 weeks of school.

The Transportation and Central Office staff will be available throughout the summer months if you should have any questions or need assistance. Post cards with your students bus information should arrive a week before the first day of school.

Forms are now available on the district web site

SAT Testing Schedule

SAT Testing is just around the corner. Please refer to the detailed schedule on page 19 and adjust your schedule so your high school student can attend the appropriate testing days. If you have any questions, please contact Mrs. Aluia at the high school.

Surrounded by other district students is HHS Senior Emma Fyke.

HHS Student Council teamed up with the American Red Cross for the annual Spring Blood Drive held at the high school. This year's blood drive held special meaning for the high school community because the drive was dedicated to HHS marketing teacher and DECA advisor, Jamie Riley. Mr. Riley has been a blood donor his entire life and the high school staff and students stepped up to donate 62 units of blood. Each unit has the ability to save three people's lives. Thank you to everyone who donated blood and time for this great cause!

Three Hartland High School students are members of the Livingston County Agriscience Program housed at Fowlerville High School. Students competed in both district and regional Chapter Development Events in multiple different leadership contests such as Agricultural Issues, Public Speaking, Job Interview, and Demonstration. Students were recognized gold, silver, and bronze awards for their hard work and presentation skills. Junior Olivia Nied took home the silver award and was regional runner-up in Public Speaking. Sophomore Andrew Goodwin took home gold in regionals and was the state runner up in Job Interview. Finally, senior Emma Fyke earned gold in the regional competition in Job Interview and is a state finalist in the event held at MSU on March 8, 2018. Good luck Emma and congratulations to all HHS Agriscience students!

Winter sports at the high school are ending after MANY successful seasons! Hartland Wrestling earned the 2018 district championship (19 straight seasons!) as well as the 2018 Regional Championship for the 17th straight season! Eagles Varsity Hockey won the Regional Championship for the 7th year straight and earned their 1st State Championship. The girls' varsity Basketball team was named 2018 District and Regional Champions. The boys' ski team were State Qualifiers and placed 8th in the state! Hartland athletic teams also had multiple individual state qualifiers in skiing, bowling, gymnastics, wrestling and boys' swim. Six of the individual wrestlers earned all-state honors. In addition, the Hartland Archery Team won their 7th straight title. Congrats to all of our student athletes on a fantastic winter season!

The Hartland Drama Club presents The Hunchback of Notre Dame April 20th, 21st, 27th and 28th at 7:30 and April 22nd and 29th at 2:30. Purchase tickets at www.hartlanddramaclub.weebly.com.

HHS optional gymnastics practices will be held on Tuesdays and Thursdays starting June 19th from 5-9 PM. Open to students from all districts or anyone interested in joining the Hartland High School team next season. These practices will be focused on events and we'll have conditioning days outside of Tuesdays and Thursdays. Please contact Taylor Jayne at hhcoachtaylor@gmail.com for more information.

Students of the Month

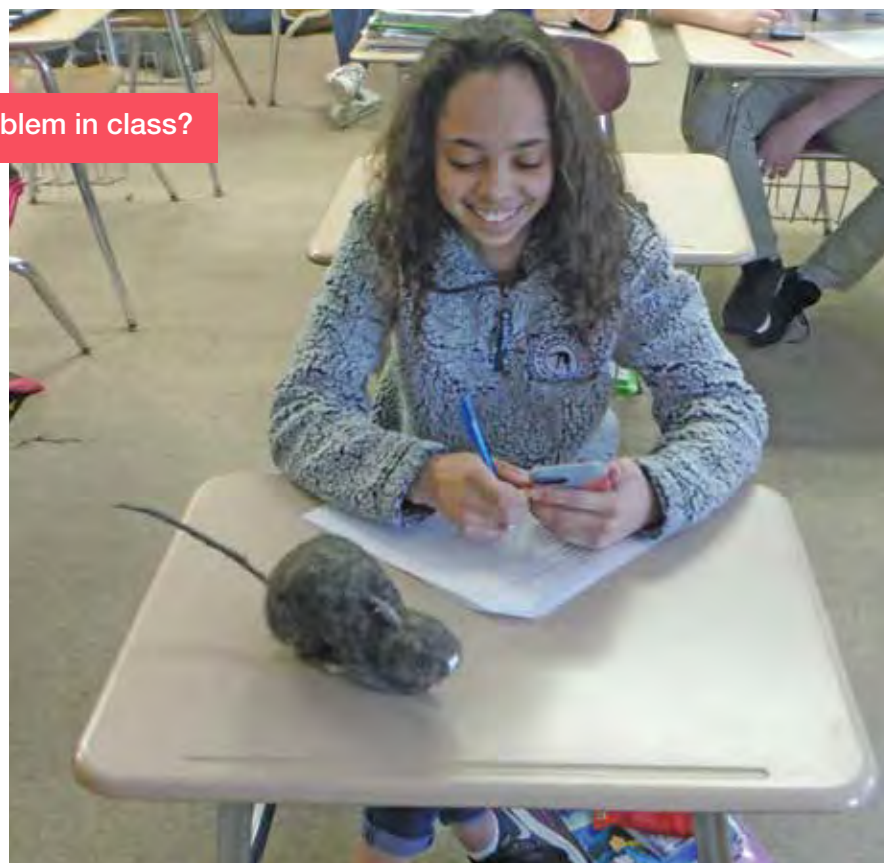

Each month, a selection committee at Hartland Middle School selects one seventh and one eighth grade student to receive recognition as "Students of the Month." Nominated students must meet one or more of the following criteria in order to be selected.

- The student must show continued success in all subjects
- The student must exhibit good citizenship.
- The student must make a significant positive contribution to the school and others.
- The student must exhibit a positive attitude toward school, self, and others.

Congratulations to our April Students of the Month, 8th grader Bria Kastamo and 7th grader Madison Mulder.

Eighth grade math students work hard in Mrs. Kurtz's class.

Looks like a rodent problem in class?

Physical education students show enthusiasm for the volleyball unit.

Detroit Institute Of Arts Field Trip

All HMS eighth graders recently had the opportunity to visit the Detroit Institute of Arts. Eighth grade English teachers Matt Turney, Jill Bliznik, Karen Condra, and Angela Schneider organized this for our students. The teachers visit the museum in preparation, mapping out the exhibits and organizing an art "scavenger hunt". Students tour the museum and select one piece of art to write about for class. Museum officials consistently praise our students for their excellent behavior and teachers and parent chaperones for the outstanding organization. Museum officials recently acknowledged HMS by saying "It is with great pleasure that I share with you what wonderful educators you have...the students were very well prepared for their museum experience...your students [were] organized and ready to enjoy their day in the museum....You should be very proud sir, all 3 days that Hartland Middle School was here at the DIA, the students were very well behaved and exhibited appropriate museum etiquette. From the entire staff of the DIA I wanted to express to you how important that preparation is in advance of their arrival. I am confident that they enjoyed their time here; as did the DIA staff enjoy their visit. The feedback I received from the DIA staff, Gallery Attendants and DIA Security was all positive and very complimentary of your students. Please express my gratitude to your staff and to all of the students for their exemplary behavior. We look forward to welcoming your teachers and the students of Hartland Middle School back to the DIA very soon."

Kroger Community Rewards

HMS is registered with the Kroger Community Rewards program. You can register on-line at www.krogercommunityrewards.com. A percentage of your purchases linked to your Kroger Plus card will be donated to our school. Please sign up as it costs you nothing. Thank you so much to those families already participating!

Fall Latchkey Registration Starts June 4th! Register by June 15th to Guarantee a Seat on the Transfer Bus.

We offer care for children who attend the Round, Village and Creekside, Lakes Elementary and Farms Intermediate School. The children who attend the **Lakes or Farms** Schools may enroll at the School Street center, or take advantage of the school-age program at the Lakes Elementary School.

Both center locations are open 6 AM to 6 PM

Both programs offer gym activities, arts and crafts, and outside play. When you are signed up for the Before and After School Care, you also have the option of attending on the "No School" days or Snow days! Our center is almost always open!

Before & After School Child Care Only

Full Time enrollment (5 days a week) is \$10.00 a session. Part Time enrollment (2-4 days a week) is \$12.00 a session. The minimum enrollment is 2 sessions a week for a charge of \$24 for the week. Example- A student needs to attend 5 –AM sessions and 1 –PM session. The charge would be \$50 for the AM and \$12 for the P.M. session, for a total charge for the week of \$62.

You must notify the office if your child/children will be absent from the Before & After school program. Your regular weekly tuition will be charged unless the Center is closed. If your Before & After School

child attends on a No School Day, Snow Day, etc., your tuition for the day will be \$37. Need awesome child care?

Our licensed Day Care has limited openings. Please stop in or call to see if we have availability for your child. Rates: Infant \$45/day, minimum five (5) days per week, Day Care \$37/day, minimum four (4) days per week.

Come visit our center to see all the activity, located at 10235 School street in downtown Hartland. Call the office at 810.626.2780 or email jenturner@hartlandschools.us or amyrollins@hartlandschools.us.

Community Ed Childcare Center Summer Kids Camp

Summer registration begins April 3rd. Packets will be available at the Childcare Center and Lakes Elementary.

Our summer Kids Camp is for children who have just finished Kindergarten through their 13th birthday. The kids will enjoy off-site field trips to Little Ceaser's Arena, Waterford Wave Pool, Greenfield Village, Spicers, Lugnuts baseball game, etc. Staff will also provide your child with the opportunity to enjoy themed activity days and socializing with friends! Kids Camp starts the week of June 18th and runs through August 27th. A Kids Camp T-shirt is included. Sign up early, as sizes may be limited. The last day of Camp is a Center Wide celebration with lots of fun. Your child must currently be in Jr Kindergarten to qualify for our Summer Camp program.

Tuition Rates

5 days - \$220 week
4 days - \$185 week
3 days - \$150 week

The minimum days of enrollment is three (3) days and for at least five (5) weeks. At registration you will need the following items: \$100 Start- Up fee, completed registration packet with emergency card and \$50 registration fee (if not currently enrolled in the Childcare Center).

All weekly tuition includes activity fees for camp. Field trip costs, bus fees, etc. Please contact Amy Rollins or Jen Turner at 810-626-2780 if you have any questions.

Community Ed Childcare Center Daycare Summer Camp

Summer registration begins April 3rd. Packets will be available at the Childcare Center and Lakes Elementary.

The minimum days of enrollment is three (3) during the summer. Activities include plaster-works, visiting the Hartland Aquatic Center, a wildlife safari, a magic show, seeing a firetruck and more! There is a \$50 activity fee for 3 year-olds and a \$65 activity fee for 4 and 5 year-olds. Fees are paid at the time of registration along with a \$50 registration fee if children are not currently registered with Hartland Childcare.

Tuition Rates

Hartland Consolidated Schools Special School Election

From the Superintendent...

May 8, 2018 – Special School Election

On Tuesday, May 8, 2018, voters in the Hartland Consolidated School District will be asked to renew and restore the full 18 Non-Homestead mills for the schools' operating budget for five years (2019 - 2023). The ballot question asks district voters to keep the same millage rate for non-homestead property, 18 mills, that has existed since Proposal A went into effect in 1994. For residential homestead property owners and qualified agricultural property owners, the renewal and restoration of the 18 non-homestead mills will cost you nothing except the time and energy you expend to go to the polls.

In March of 1994, Michigan voters approved Proposal A. That action completely changed how Michigan public schools would be financially supported in the future. The success of that vote significantly reduced tax millages for people who owned one home (called your homestead). For example, the Hartland Consolidated Schools operating tax millage on homestead property was 37 mills before Proposal A. After the 1994 vote, it was reduced to six mills and remains this amount. The 6 mills are sent directly to Lansing. This and other taxes, such as sales tax, income tax, liquor and cigarette taxes, and lottery revenues all go into making up the dollars for the state School Aid Fund. From these collected monies, the State reimburses school districts with a foundation allowance.

In Hartland our foundation allowance for the 2017/2018 school year is \$7,631 per pupil. Please keep in mind that this is the basic foundation grant promised under Proposal A. **The 18-mill Non-Homestead Tax portion of school funding is extremely important for Hartland Schools, equating to approximately 4.7 million dollars in revenue annually.** Non-Homestead property is defined as commercial, industrial and second homes such as vacation cottages. Non-qualified agricultural land that is not farmed by the owner is also subject to the 18-mill tax levy. The crux of Proposal A is based on the assumption that each district would collect the full 18 mills on **non-homestead** properties. The law states that the full 18 mills cannot be collected unless it comes before the voters in an election, and the state assumes that school districts are collecting the full 18 mills and does not compensate them for a shortfall if the renewal fails. Those of us that own our homes as our primary residence (our homestead) would continue to pay **6 mills – no more and no less.**

If the Non-Homestead millage on non-residential property is not renewed and restored to the full 18 mills allowed by Proposal A, an annual loss in revenue for the school district of **approximately 4.7 million dollars will result.** The last Non-Homestead Tax millage election was held in May of 2014 for a period of five years. **Please remember the 18 mills is what the district needs to be made whole regarding state funding and that this will cost residential homeowners in Hartland nothing more than their time to vote.**

Why is a non-homestead renewal important to Hartland Schools?

- The 18-mill tax will equate to approximately **4.7 million dollars in revenue** each year.
- State assumes 100% of the non-homestead tax is collected based on a levy of 18 mills.
- Funds not collected **ARE NOT** made up by the state when allocating monies to our schools for educational purposes.

Is the Non-Homestead renewal something new?

- **NO!** This tax levy has been in place since 1995.
- Businesses, vacant property and second homes are expected to pay this tax as part of Michigan's school funding program.
- **This is a renewal and restoration of the 18 mills last passed in 2014.**

If the only property I own in the Hartland district is my home, does this proposal cost me anything?

- **NO!** As stated in the ballot proposal, principal residences and other qualified property are exempt.
- Keep in mind if the proposal is defeated, it will cost Hartland Schools approximately **4.7 million dollars.**

The ballot language mentions an increase in the rate. Why?

Because of the requirements in the Michigan Constitution related to annual property tax value increases, the 18 mills were rolled back to 17.9784 in 2016. The district could not levy the full tax rate the voters had approved in 2014 and was not able to collect the expected amount of non-homestead tax revenue. This proposal is

to renew the 17.9784 mills and restore the balance of the .0216 mill, bringing the district back to the 18 mills the state assumes the district will levy. **For a non-homestead parcel with a taxable value of \$200,000, this restoration would amount to an increase of \$4.32.**

Where to Vote: Residents of the Hartland Consolidated Schools district will vote in the same local township polling location for the school election as when voting in the general election. **NOTE: Genoa Township residents will vote at the Township Hall for this election: 2911 Dorr Road, Brighton, 48116**

Eligible Citizens May Vote Absentee

We believe preschool is an important transition from home to school. We want to begin this educational path with you and your child to develop a love of learning.

At Hartland Consolidated Schools Preschool, we stress socialization, life skills and learning through play, art and music. Our curriculum centers on Kindergarten preparedness by focusing on critical thinking, mathematical skills and language development.

Our classes are designed to provide as much individual attention as needed. In addition, we provide structured group times for stories, singing, playground time, snack, art experiences, cooking, literacy, math and science activities.

Our indoor/outdoor facilities have areas for both active and quiet play for individual and group activities. Our goal is to provide something with which each child can achieve success.

Hartland Consolidated Schools Preschool offers an exceptional educational program staffed with individuals who are qualified and eager to offer your child the finest start into their educational future. Our teaching teams of DeRosier/Kwiatkowski, Lubeski/

Chyo and Yoerg/Waldron have a combined experience of more than 40 years of teaching excellence within the Hartland community.

The Hartland Consolidated Schools Preschool program offers two convenient locations:

- The Hartland Childcare Center located on School Street in the Village of Hartland.
- The Hartland Educational Support Service Center (HESSC) located on M59

All of our classrooms are equipped with SMART Board technology to help tie in with Hartland School's curriculum and approach to early elementary education.

Children should be developmentally prepared and independently toilet-trained. To be eligible for our 3 year old program this year, your child must be 3 before October 15. To be eligible for our 4 year old program this year, your child must be 4 before December 1.

Hartland Hosts Annual Daddy-Daughter Dance

By Hannah Enderle, Oakland University Student

Something special took place in Hartland, MI. on February 8th, a real life Cinderella experience occurred. At Hartland High School, girls from all over town were escorted to the dance of their dreams by their fathers. Three hundred and seventy five fathers escorting their daughters arrived at the dance on a cold winter evening mostly in family cars but some in limousines and party buses. The Daddy Daughter Dance has been hosted by Hartland Community Ed since 1978. Fathers and daughters were greeted at the door by the Optimist Club members and Community Ed volunteers. As they walked down the hall they first stopped and got their pictures taken by professional photographers. The next stop was where the fathers picked up or purchased the beautiful wrist corsages for daughters. After that they descended down the stairs to the dance floor where they spent the evening dancing and laughing with their fathers, the man who has been a part of their lives since the very first day.

Although the daddy daughter dance is hosted by the Hartland Community Ed it is also a fundraiser for the Hartland High School Optimist Club. They receive a donation to the club for helping set up for the dance, handing out drinks and snacks during the dance and offer a complimentary coat check at the front door. Kari House, a Special Education teacher at the high school, is in her first year of sponsoring the Optimist Club. When asked how it had been planning for this event she said, "So far it has been going really well and the members of the club have been a huge help."

Jon Roberts of Hartland has been at every Daddy Daughter Dance for the past 31 years. What made this special was that he attended the dance with his youngest daughter, Jessica. Also attending the dance was Jon's son with his daughter, Jon's granddaughter. Jon said, "As long as I am breathing and can walk, I will be attending the daddy daughter dance with my children".

Roslyn and her father Wally at the dance.

Another young lady, Roslyn Gumiela, was attending the dance with her father Wally. She was not only enjoying the dance but was also celebrating her 10th birthday which happened to be on the same day. Roslyn said, "My favorite part of the dance was when we took the pictures upstairs and dancing with my dad." She also said that, "it was awesome," her birthday was on the same day as the dance.

They danced the night away to their favorite songs along with some crowd favorites such as the Hokey Pokey, the Chicken Dance and the Macarena. The Corsages available for sale at the dance. The night came to an end with the fathers escorting their daughters to the dance floor for the final song

of the night which was a beautiful slow song and before the stroke of midnight (or 8:30 pm in this case) the night ended with the little girls going home on a sugar rush from all the juice and cookies but it all worked out as school was cancelled the next day.

What I Have Learned Working with Struggling Teens

You Cannot Punish a Child into Good Behavior

I was reminded of this again just last week as a mother came to me in desperation with a teen who was getting in trouble at school, struggling academically, constantly fighting with siblings at home, and most of all, openly defying /rebellious against her. In her frustration, she said: "Sensei, I have taken everything away. Nothing is working!"

Now before you start thinking "my child is not a teen yet" or "my teen is doing fine," read on. I want to share three things I have learned for over the last 14 years working with teens.

- 1. Gift...or Nightmare:** As a parent of a teen, this can either be a wonderful time and your reward for being a present and involved parent or, your worst nightmare. I have seen many teens at both extremes. Teens that shine and are a true source of pride. Teens who are unbelievably horrible and difficult or impossible to live with. Either way, they will always be your child. The good and bad news about being a parent is we get clear feedback on how we do. The time and effort you put into your child early when they are young will definitely show up when they are teens.
- 2. You have a limited amount of time:** As you raise your child you need to understand and take full advantage of what motivates children. Normally the primary motivator of a child between the age 0 to about 12 is "pleasing their parents" however from about 7th grade on it changes. Be ready for this shift because it is significant. It may vary but in middle school their primary motivator begins to change to "pleasing their peers". Two things to note here. If your teen is not on track and thriving by now your attempts to influence and help them will become much more difficult because you have lost your leverage. Also, if your teen is struggling now they will tend to drift toward peers who are like them, further deepening the downward spiral.

- 3. You cannot punish a child into good behavior:** This is the big one. Punishment rarely works in the long run. And, the more you use punishment the quicker it loses its effect. But we cannot blame you. As a parent, you are very limited in punishments. You can send them to their room, put them on restriction from playing with friends, you can take away privileges or activities, you can take away toys, computers, TV or video games. What else can you really do? (And corporal punishment does not work.) So, what else can you do? They get smart. They know that you cannot really throw them out of the house.

Now, there should be "consequences" for every wrong or inappropriate behavior. This is different from punishment. For example, if a child bullies or is mean to another child they should have to spend recess inside to protect the bullied child. If a child lies, they should lose your trust and be questioned or doubted the next time. If they cheat or steal they should have a consequence because later it could be a crime. But when we use a punishment such as taking away their video game this is really unrelated to the action, it is a punishment not a consequence linked to the misbehavior. **To be very clear consequences and punishments are two completely different things.**

In closing, when a teen is constantly being punished they just become frustrated, then angry, then bitter. They begin to give up. This downward spiral is best characterized by something which breaks my heart every time I hear it. It happens when a teen says to me "Sensei, everybody is always yelling at me?!"

So, what can you do? I will write on this in my next article but it is learning the simple parenting skills of "Catching them doing right" and rewarding "Approximations of Success."

**Stay tuned,
Sensei**

Memorial Day Parade Deadlines

Because there are several deadlines leading up to the Memorial Day Parade, here is a brief list.

- Nominations for Grand Marshall of the 2018 Parade are due April 2. The selection will be made at the April 9 meeting. Be sure to nominate and come vote, too. Send nominations to cschiesel@gmail.com.
- To participate in the Parade Booklet, a collection of veterans' photos and biographies, find the form on the hartlandcommunitycouncil.org web site and send it to HACC, PO Box 113, Hartland, MI 48353. Or drop off your forms at Crounse Library or the Hartland Township Clerk's office. You can also send them to info@hartlandcommunitycouncil.org.
- If you'd like to let the community know about you, your offerings, or to get the message out about your candidate, you may want a booth in Epley Park on Memorial Day. That form (also on the web site and same ways to get them delivered) is due May 1, 2018.
- The last deadline for the Parade is for all of you who want to have a float or walking group in the parade. That form (also on the web site and same ways to get them delivered) is due May 18, 2018.

Staging the sequence of parade entries is one of the most challenging parts of the parade and it takes time. Please help us plan, by turning in all the forms on time! By the way, there is no deadline on signing up to volunteer! Help is always needed, including along the parade route. Come to the April 9 meeting and let us fill you in. This year, we are "Remembering Many, Honoring All." Join in this 83rd commemoration!

As Spring returns (we hope soon!), please be sure to enjoy Settlers Park, behind Hartland Township Hall (2655 Clark Road). It's one of the favorite places of the Hartland Rotary Club.

We built the Butterfly Garden there in memory of Hartland Rotarian Larry Hopkins, who also served as the Township Clerk. Various species of plants were chosen that naturally attract beautiful butterflies. Have a seat on the bench and bask in the peace of nature.

While you are there, exchange a book at the Little Free Library. You can learn more about these at littlefreelibrary.org. A little bird also told us about a fun geocache nearby.
