May 8, 2018 Operating Millage Renewal Proposal:

On May 8, 2018, voters in the Hartland Consolidated School district will be asked to cast a vote on a proposal to renew and restore the 18-mill non-homestead tax levy. The ballot will read:

"Shall the currently authorized millage rate limitation on the amount of taxes which may be assessed against all property, except principal residence and other property exempted by law, in Hartland Consolidated Schools, Livingston County, Michigan, be renewed by 17.9784 mills (\$17.9784 on each \$1,000 of taxable valuation) for a period of 5 years, 2019 to 2023, inclusive, and also be increased by .0216 mill (\$.0216 on each \$1,000 of taxable valuation) for a period of 5 years"

The State of Michigan expects that all school districts will collect the full 18 mills on all non-homesteaded property. The State deducts that amount from the district's annual state aid payment. In Hartland, the district receives approximately **4.7 million dollars** from our non-homestead properties for operations. Because of the requirements in the Michigan Constitution related to annual property tax value increases, the previously approved (2014) 18 mills has rolled back to 17.9784. Included in the ballot language is the request to restore this tax levy back to the full 18 mills.

If approved, the owners of non-homestead parcels with a taxable value of \$200,000 would see an increase of \$4.32 per year. Again, the non-homestead tax does not apply to principal residences and other property exempted by law.

Additional information and FAQs will be published in the April issue of Community Life. Please mark your calendars to vote on May 8, 2018.

What Parents Should Know About Preparing For Post-Secondary Options:

The Hartland High School Counselors have been aggressively working with the Michigan College Access Network (MCAN) to educate and encourage students and their families to complete the Free Application for Federal Student Aid (FAFSA) as a means obtaining a post-secondary

credential, whether it be trade school, apprenticeship experiences, certifications, or a college degree.

The College Cash Campaign has been implemented at the high school to encourage every senior to submit the FAFSA and to help students overcome any financial barriers between them and their post-secondary education. Regardless of financial need, many schools only consider students for merit-based aid and scholarships if they have filed the FAFSA. The FAFSA is safe and secure and can help families reduce the financial burden associated with post-secondary education.

The high school has also been sharing information on the Tuition Incentive Program (TIP), which covers the cost of coursework leading to a certificate or degree for eligible students at participating two-year schools (Phase I). Phase II covers some of the cost for credits earned in a four-year program at participating schools. Students must meet a Medicaid eligibility requirement to qualify. Counselors have access to a list of eligible students. To receive TIP benefits, eligible students must complete the TIP application as well as the FAFSA. Students can meet with their counselor if there is reason to believe that they qualify for TIP.

Hartland Schools Person of the Month: Richard Parker

Richard teaches 5th grade at Farms Intermediate School. He grew up in the metro Detroit area, and received his Bachelor's Degree from the University of Michigan – Dearborn in 2000. He continued his postgraduate studies by earning a Master's Degree in Educational Leadership from Eastern Michigan University in 2006, and a second Master's Degree a few years later from Marygrove College. Below, Richard shares more about himself and his tenure as a teacher for Hartland Consolidated Schools.

I began my teaching career in Hartland at Farms Intermediate School in 2000 as a 5th grade teacher, and I have been teaching there ever since. As I look back over the last 17 years, I have worked with many special people and have had fantastic mentors along the way. I have been given wonderful opportunities over the years to collaborate with my colleagues, pilot new curriculums, organize and operate afterschool activities, and coach.

I have been happily married to my wife, Corrie, since 2007, and we celebrated our 10-year wedding anniversary this past August. Corrie is an amazing wife and an even better mother to our two beautiful daughters. My oldest, Ella, is 6 years old and currently in kindergarten. She enjoys horseback riding, taking gymnastic classes, playing dolls with her friends, and spending time with her grandparents any chance she gets. Sadie is 3 years old and our little miracle child. She was born with a very serious birth defect known as Congenital Diaphragmatic Hernia (CDH) and was given just a 50% chance of surviving. Thankfully, she survived her diagnosis, and despite all of the side effects that keep us very busy throughout the week, none of these setbacks seem to slow Sadie down. Sadie is an energetic, fun-loving child, who enjoys preschool, taking tumbling classes, and loves animals (especially her grandma's cat!) Both girls definitely keep us on our toes, but we wouldn't want it any other way!

Community Life: Volume 84, No. 1, March 2018

A monthly publication sponsored by the Hartland Foundation in cooperation with the Hartland Board of Education and Hartland Community Education, dedicated to informing the public in matters of education, local government, community services, organizations and cultural opportunities. Founded in October 1933 by the Hartland Area Project in the interest of rural progress and prosperity.

Editor: Heather Calabrese

\$25 subscription rate per year for readers outside of Livingston County. Reader donations appreciated.

Person of the Month continued from cover

As for teaching, it is definitely a unique profession. Memorable moments happen to teachers all the time because no day is truly the same. I cherish the unique conversations, the look on a child's face when everything he/she has been learning finally "clicks," and watching friendships grow between fellow classmates. The memories I especially love and enjoy are when my past students make time to visit to say hello and share memorable moments from their experiences in my class. I also take great pride and find one of the biggest compliments to be when families in the community place additional family members in my class and encourage relatives and neighbors to do the same. Being able to reminisce with old memories while creating new ones with families are definitely some of my most memorable moments as a teacher.

I remain in Hartland because it is an excellent school district to work in, and one I truly feel lucky to be a part of. I respect the way we care for our students and how you can sense it when you walk into all of the schools throughout the district. I also enjoy being a member of a school district that always looks to do what's right for the students. What also keeps me in Hartland is being surrounded by so many amazing people who are so supportive, encouraging, and a pleasure to be around.

I want to sincerely thank everyone for this opportunity. It was fun reminiscing and remembering why I love my job as a 5th grade teacher here in Hartland!

March Activities

Spring Break Art Camp

Instructor: Donna Roskamp
 Monday, March 26th to Thursday, March 29th at HESSC
 Fee: \$65
 Ages 5-7, 10 AM to 12 PM, ages 8+, 1 PM to 3 PM

All new hands-on class designed to help young artists explore and learn the basics of painting and other art techniques. Projects include two 8x10 Acrylic canvases, a watercolor pencil project, a watercolor project and a picture frame.

Boating Safety

Instructor: Livingston County Sheriff Staff
 Saturday, March 10th at HESSC
 Fee: \$20 for ages 12 years and up 9 AM to 4 PM

This basic boating course is intended for boaters ages 12 and up. Because boating is often a family activity, all members of the family are encouraged to attend. This is a Department of Natural Resource (DNR) approved course that covers safe boating practices, State of Michigan legal requirements and regulations, boating skills and terminology. State law requires that boaters 12 through 19 years of age have this certificate to operate a watercraft in Michigan waters.

Safe Town Enrollment

Safe Town is an early childhood safety education program and is designed for children entering pre-Kindergarten, Kindergarten or First Grade in the fall of 2018. Children learn all aspects of safety through projects, songs, games and presentations and plays.

Part of each day is spent "In the Town" with some of the children being pedestrians and some as the drivers (of 14" or 16" two wheel bikes with training wheels). PLEASE HAVE YOUR CHILD BRING IN THEIR HELMET WITH THEIR NAME ON IT.

This program teaches bus safety, electricity and water safety, dog safety, stranger safety, bike safety and much more. Presenters come each day, crafts supporting the daily theme are completed and children get important information about starting school.

The sessions meet for one week for 4 hours per day. Children should bring their own lunch (nut-free) with a beverage each day.

Transportation Information For the Upcoming School Year!

Forms are now available on the district web site

It's time to starting thinking about busing for the new school year. For your convenience, forms are now being accepted to insure room on every bus to accommodate your transportation needs for the first day of school.

All Transportation Forms (Alternate Destination, Joint Custody, School of Choice, and Legacy forms) will expire at the end of the 17/18 school year. If new forms are not submitted, in-district students will automatically be assigned to the closest bus stop to their home address and non-resident students will not receive a bus assignment.

The deadline for submitting forms to the Transportation Office to request a bus assignment other than the home address is July 1, 2018. Late transportation requests will not be considered until after the first 2 weeks of school.

The Transportation and Central Office staff will be available throughout the summer months if you should have any questions or need assistance. Post cards with your students bus information should arrive a week before the first day of school.

March Is Reading Month!

March is Reading Month is here! Students and Parents, our theme for March is Reading Month (MIRM) this year is a camping theme. Author Buck Wilder will provide an assembly for Round students sharing his work as an author while highlighting his books about hunting, fishing, and

the outdoors. Round has a number of wonderful activities scheduled during March while we continue to promote reading at home as an integral part of becoming a life-long reader! Don't miss the staff's annual performance at Chromaine Library on 3/14 at 6:30.

Fourth grade Grandparent's Day performance.

Thank You Round Families

The Round Dance Party, in February, was a big success! Thank you to all of the Round School Families that participated and a big thank you to our PTO for making it an amazing night!

The Round Rocks Performance and Silent Auction on 3/22/18 is a must attend event. It is sure to entertain your whole family!

We would like to thank our parents for all of their continued support. Our PTO and volunteers have made it possible to purchase rugs, chromebooks, new shelving, and guided reading books. Please consider attending a PTO meeting, volunteering for a PTO event, and shadowing a board member. Together Everyone Achieves More (T.E.A.M) and we want you on our TEAM!

Round Revolution students learn about glaciers.

The Round Elementary Brownies create mosaics.

The Eagle Bots celebrate their success.

In March, kindergarten, 1st, 3rd and 4th grades will attend the Mary Poppins encore play while 2nd grade will attend James and the Giant Peach in Howell.

MARCH IS READING MONTH at Village Elementary and our students are busy READING, READING, READING! This month we have several fun events planned to celebrate our school’s LOVE of reading. In addition to our Annual Village Science Fair, our students are invited to join the Village staff at the Cromaine Library, our school Book Fair and Family Literacy Night during the month to enjoy all aspects of our reading life. Our students will also be hearing from our featured author Buck Wilder on March 6th and students will have an opportunity to learn what it is

Village Happenings

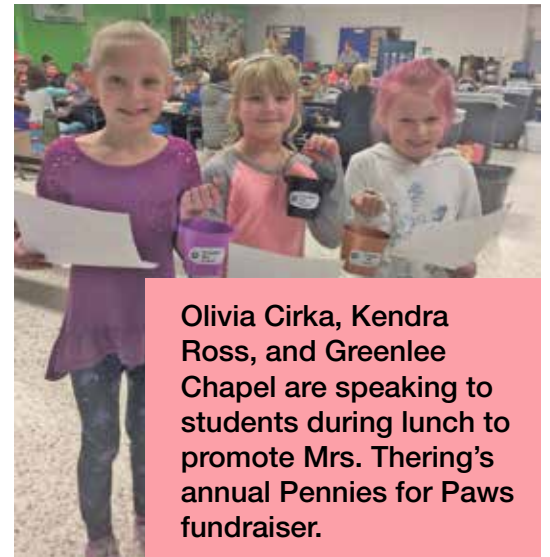

like to be a REAL author and illustrator as a career. We invite you to encourage a love of reading in your home this month by turning off all screens/electronics and have a ‘Family Read-In’ – our students love participating in ‘Read-Ins’ at school and they would love to do this with their family as well! If you have a ‘Family Read-In’ during March, please send us a picture to our Village Reader’s Email at VESReaders@hartlandschools.us so we can feature your family on our ‘Got Caught Reading’ board at school.

Village Students enjoying the Mother Son and Daddy Daughter dances!

The speech and occupational therapist come into the kindergarten classrooms each week to provide collaborative services to all students (SPOT lessons). The goal of this is to accelerate progress in the areas of social skills, fine motor development, visual motor development, language, and comprehension skills. Newsletters are sent home monthly to inform parents of activities that are taking place within the classroom along with tips to help encourage this development at home.

Olivia Cirka, Kendra Ross, and Greenlee Chapel are speaking to students during lunch to promote Mrs. Thering’s annual Pennies for Paws fundraiser.

Village Elementary celebrates our February EAGLES Award winners; these Village students demonstrated GRIT at school and were recognized by our staff as ‘persevering when things get hard.’ Each month during our Village Crew meetings students learn about another skill in our EAGLES program, in February we learned that GRIT means that we can do hard things! Congratulations to our February EAGLE Awardees!

Spotlight on Legacy Grad Katie Foldenauer

Legacy graduate Katie Foldenauer has completed both Basic and Advanced Welding at Livingston M-Tec in Howell. She has been very successful in the class. Instructors had very positive comments about Katie. Her training has been funded by WIOA/Workforce Investment Opportunity Act/Livingston County Michigan Works.

Katie chose a non-traditional career and one that is in high demand in Michigan, one that she can support herself and her son.

She was successful in securing employment in welding

prior to ending the class, due to recommendations of her instructors and her seeking and following through to secure the job.

Two other Legacy graduates completed the Basic Welding Program: Tyler Jacobs and Tom Isaac. They will complete Advanced Welding in the Spring.

Three Legacy students will begin Basic Welding on February 13, at Livingston M-Tec and will follow up with Advanced Welding. Cory Flynn-January graduate; Jacob Polk, current Legacy student; and Steven Hatfield, graduate.

Students from Mrs. Waske's Reading class are making dioramas based on the books they have read.

LEGACY/HVA had six students graduate in January 2018. Congratulations to all of you!

Welcome to the Senior Center!

Hi 50s and over! Get out of the house and come join the fun with your neighbors. Bring your friends or make new ones. We are not a 'typical' senior center. With over 1,500 members, there are always new classes and activities being organized. Check out a sample of our weekly activities below!

Annual Membership Dues (Jan-Dec): \$20 per single member, \$30 per couple sharing a household. You don't have to be a Hartland resident to join!

Monday – Thursday 8 AM-4 PM • Fridays – 8 AM-3 PM • 810-626-2135 • www.hartlandseniorcenter.org

Armchair Travel

Monday, March 5 – a FREE presentation on Italy by Debra Wilbanks! Don't miss this great video all about Italy – starts at 1pm. Coffee and water provided – we'd love for you to bring a dessert to share. Call the senior center for more information and let us know you will be attending.

Our Senior Center Bus runs Monday – Friday 8am-4pm. We will drive when you can't or on those rainy/snowy days that you don't want to drive! Let us pick you up and take you to the doctor or grocery store or even to the senior center for cards, lunch or exercise! Call the office to schedule a ride at 810-626-2135. Our service area is mainly the Hartland School district with additional coverage in Hartland, Oceola, Brighton, Tyrone and Deerfield townships. Fees vary from \$1.50 to \$3.00 each way.

PROUD HARTLAND GRADUATE

Accepting Nominations for Grand Marshall of the 2018 Hartland Memorial Day Parade

Though we may be barely through the winter, plans are well underway for the 2018 Hartland Memorial Day Parade. It will take place on Monday, May 28th. The theme for this years parade is "Remembering Many, Honoring All." Carrying on the tradition started several years ago, we will again have a Grand Marshall leading the parade. If you know of a community member that has served or volunteered over the years for the good of Hartland Township, you can nominate them. If you wish to nominate an individual for this honor, please e-mail it to: cschiesel@gmail.com. If you prefer, you can mail a copy to: Hartland Community Council, PO Box 113, Hartland Michigan 48353. Please include a biographical sketch of the nominee, explaining why you feel the individual deserves the honor. The Community Council will vote on the nominees and select the Grand Marshall at the April meeting of the Community Council. The deadline to submit nominations is April 2nd.

I'm Bored

How often do you hear your child say these words?

I know you've heard me say this many times before but children today need more of the four "good" stresses in their lives – **Fear, Hardship, Failure and Boredom.**

The reason they need these more than ever is because in our high tech, immediate gratification world our children are not experiencing these four important stresses. Everything is coming too fast and too easy for them!

Adding to this, young parents are unknowingly over protecting and shielding their children from everything. Stress is good and vital for the development of everything from your muscles to your immune system to your intelligence. Children need to "skin their knees and eat dirt!"

Today I want to focus on boredom...remember when we were kids? You could give us a couple sticks, an oatmeal box, a few rocks and we could play for hours. Today, kids have a closet full of toys, computers, video games and tablets yet still say "I'm bored". So, what has changed? The world and society has drastically changed. Technology has made many parts of our lives better, but not raising children.

So why is being bored good for kids? First, it teaches patience, self-control and delayed gratification. Has your child ever had a fit or breakdown because they did not get what they wanted? Have they ever refused to do something you asked them to do? Second, the stress of boredom stimulates and develops the vital skills of curiosity, creativity, intuition and imagination. Any educator will tell you these are so important in the development of preschoolers. Video and other sophisticated games take this all away. They are actually passive activities which require little thought, creativity or imagination. You just

"plug" your child in and they are just actively stimulated (and over stimulated). These games are designed to be addictive.

Why then do most parents work so hard to keep our kids from being bored? Simple answer. Because it's easier! It is easier than dealing with a bored child (at first)! It is much easier to hand them our smartphone than deal with the complaining, whining and crying.

What can you do? It will take some hard, intentional work on your part but I can guarantee the hard work you put into your child now will pay off huge later! First, just start by noticing. Just note every time your child is bored. Then just change your perspective – smile and think "my child getting bored is GOOD". It is not a bad thing to be avoided or mitigated. Then just realize every time your child gets bored it is a priceless learning opportunity. Allow boredom to occur.

When they are riding in a car – its ok to simply sit quietly. When you are out at a restaurant – just let them sit there. When they are eating dinner at home – put away all the screens and just let them sit there. When you are with your adult friends –don't allow them to interrupt or demand attention constantly. Look for every opportunity you can, especially when they are young, for them to get bored daily in small and big ways. It will pay off huge later in their life... and yours.

Simply change your parenting perspective "Boredom – It is GOOD"!

Friends of Cromaine

The weather outside has been brisk and snow has been relentless, but the "Friends" are smiling because they are enjoying the outcome of their January Book/Bake Sale which resulted in over \$3,000 in sales. We are most appreciative of all the folks who volunteered to make these events a success. Of course, a million thanks to all the many who patronized our Sale. It is important to note that all our profits go to benefit the Library Staff and all their endeavors.

We have recognized February 14, Valentines Day, with baskets of free Romance Paperbacks displayed on tables at the Library.

If you are not already a member of the Friends, please consider joining our Group, we will welcome you. For information please inquire at the Library's Circulations Desk. Our next "Friend's Meeting will be held on April 17, at 6:30 pm at Cromaine in the Village.

Hartland Happenings

'Hartland *LIVE* at Home' introduces LIVE-streaming to Township Meetings!

Now you can view the bi-monthly **Board** and **Planning Commission** meetings on our new "Hartland Township" YouTube Channel from your own device — watch LIVE, or browse past meetings right on the channel.

GO TO www.tinyurl.com/HartlandLIVE

Supporting material for each meeting (agendas, packets, summaries and minutes) will still be available on the Hartland Township website at www.HartlandTwp.com for your review. Hartland videos *unrelated* to Board and Planning Commission Meetings can still be found on our "Hartland: Friendly by Nature" YouTube Channel -- we recently added the **Hartland Family Winterfest 2018** video; search it by name at www.YouTube.com.
