Superintendent's Message Chuck Hughes, Superintendent

@hartlandschools

We had a terrific start to the new school year! Our students are all settled in and fully engaged in their learning experience. I want to publicly thank all of our bus drivers and transportation personnel, maintenance team, custodians, food service personnel, secretaries, para professionals, parent volunteers, the Board of Education, teachers, and administrators for the work put in to preparing for and nurturing our students. I am confident that we will have an awesome school year.

Right: Buses arrive for opening day at Hartland High School.

How can parents help students have a great year?

Last year, 221 Hartland students accumulated more than 15 absences from school for a variety of reasons. The federal government labels this "chronic absenteeism." While district personnel understand that medical and family issues arise, the reality is that very few of the 221 students encountered such issues. In the event that medical and/or family issues do arise, we ask that parents communicate this with the school office staff so that teachers and support personnel can help support the child throughout the ordeal. Support might include guiding the parent through the process of documenting the illness or family crisis and creating a plan for catching up on missed work.

The research on chronic absenteeism clearly indicates achievement issues for those students missing large amounts of instruction time for any reason, whether it be family vacation time, illness, school suspension, etc. School administrators will work closely with families when students are missing school.

Intervention will include letters from the school informing parents about a pattern of absences and, if not corrected, intervention with administration, the district security officer, and potentially the county truancy officer. As a school district, we want the best for our students and will work hard to plan engaging learning opportunities. The expectation is that the students are present to benefit from this effort.

Hartland Schools Person of the Month

JESSICA BRANGAN

Jessica just began her 13th year teaching third grade at Creekside Elementary School. She received her BA, English Language Arts, with a minor in elementary education from Grand Valley State University, and her Master of Arts in Teaching & Learning and Master of Science in Curriculum, Instruction, and Technology from Nova Southeastern University.

Jessica has been happily married to her husband, Todd, for four years. They enjoy boating, swimming, relaxing and spending time with family and friends on the lake. Gardening, biking, and weekly trips to the farmer's market fills up summer free time. Golfing is quickly becoming a new favorite as well.

Throughout her years in Hartland, Jessica has volunteered to ring bells for the Salvation Army, read at Cromaine District Library, and coached "Girls on the Run" for the last five years. At Creekside, she is the Classroom Assessment for Student Learning (CASL) Facilitator, a member of the technology committee, math school improvement committee, district math committee, and volunteers for the Creekside Crusaders program.

"Being a teacher, there are too many memorable moments to be able to choose one favorite. Each day brings new experiences, genuine laughter, and wonderful "a-ha moments" with my students and teammates. It means everything when former students who are now graduating, attending college, and fulfilling their dreams, come back as adults to tell me that I have made an impact. That is why I teach. That is what makes every challenge and obstacle worthwhile. That's really what it's all about."

"I love teaching in Hartland. I get to do what I love every day while working with the most dedicated people. It is truly amazing to work among those who have the heart and soul for educating the future of Hartland. The strong sense of community only strengthens and supports this endeavor."

"Hartland Consolidated Schools offers an educational experience that is innovative and forward-thinking provided by a staff that is truly committed to educating the future generations while providing a safe, caring environment where every one of our students can succeed."

Do You Have A Senior?

By the end of October your senior should have completed an application to one post-secondary institution, applied for at least one scholarship and completed the Free Application for Federal Student Aid (FAFSA). Counselors and teachers at HHS will be giving your student a tremendous amount of support with these daunting tasks. Senior English teachers are currently helping students write their application essays and will be helping students write scholarship essays. The Counseling Office is hosting Michigan Application Month throughout October. This program includes a variety of events, including application assistance for all seniors during the week of October 16th.

Please see the calendar below for more information on completing post-high school applications.

College Action Plan: Check List

Summer/Fall

- Narrow your list of colleges to between 5-10.
- Plan to visit as many of the colleges you plan to apply to if you haven't already.
- Create a master list or calendar that includes:
 - SAT/ACT Test dates/deadlines (if retaking)
 - College Application deadlines for schools you are planning to apply to (early and/or regular deadlines)
 - Required financial aid application forms and their deadlines (aid applications may be due before college applications)
- Ask your counselor for a fee waiver if you think you might qualify for financial assistance.
- Take the SAT and/or ACT another time if you would like to try to improve your scores for admissions or scholarship consideration.
- Get a head start on completing as much required information on college applications as possible.
- Write your college application essay, if required, and have a teacher or other adult proofread it.
- Complete the Free Application for Federal Student Aid (FAFSA) at www.fafsa.ed.gov to apply for most financial aid - available beginning on October 1st. You will need your most recent tax returns.
- Complete the CSS/Financial Aid PROFILE. PROFILE is an online application used by certain colleges and scholarship programs to determine eligibility for their aid dollars.
- Ask one or two teachers for recommendations if you need them (also ask your counselor if using the Common Application or have special circumstances). Make sure to provide an outline or resume of your academic awards/accomplishments, extracurricular activities, etc.
- Complete and submit one or more college applications by Halloween.
- Create an account on www.parchment.com and request/send transcripts to colleges.

Fall/Winter

- Keep track of the colleges you have applied to and the responses you receive.
- Send a copy of your 7th semester (1st semester of 12th grade) grades if the college is asking for it. Request to send your transcript through www.parchment.com.
- Find out a college's actual cost. Use a Net Price Calculator (such as the one available on www.collegeboard.org's website) to find out the potential for financial aid and the true out-of-pocket cost - or net price - for each college.
- Contact the Financial Aid Office or visit the Financial Aid Office website of the colleges in which you are applying to find out what type of aid is available, as well as the deadlines, for that particular college.
- Find and apply for scholarships. Make sure to check the HHS Scholarship Gazette that is updated monthly by the Counseling Department. It is emailed to students and parents, as well as posted on the HHS Counseling webpage. Make sure to submit scholarships applications and/or essays by the deadlines.
- Find additional scholarships on scholarship websites. A suggested list is available on the HHS Counseling webpage and on the Scholarship Gazette. Make sure to submit scholarships applications and/or essays by the deadlines.
- Sign up to take the AP Exam if you are enrolled in an AP course. Talk with your AP teacher if you have questions regarding whether or not you should take the exam.

Winter/Spring

- If you are waitlisted, contact the admissions office to let them know you are still interested and ask how you can strengthen your application.
- Continue applying for scholarships.
- Review financial aid award offers to figure out which package works best for you. Pay attention to deadlines.
- Make a pros/cons list of the colleges you have been accepted to in order to choose the college that is the best fit for you.
- Visit your final college before accepting, if possible. You should receive acceptance letters and financial aid offers no later than mid-late April if you submitted your applications by the recommended deadlines.
- Inform each college of your acceptance or rejection of the offer and/or financial aid by May 1st.
- Notify your counselor of your final decision.
- Send in your deposit to the college you have decided to attend.
- Apply for housing and submit the deposit if living on campus.
- Sign up for orientation in order to become an official student and find out the next steps.
- Register for classes.
- Send a copy of your final high school transcript to your college through www.parchment.com.
- Contact the college if you have any questions!

FALL PARENT-TEACHER CONFERENCES

Parent-Teacher Conferences are scheduled for November 7 and 15 as follows:

- Tuesday, November 7 from 4:00 to 7:00 p.m.
- Wednesday, November 15 from 4:00 to 7:00 p.m.

Look for more details to come.

READING AT HMS

Students at HMS are encouraged to choose books that are of interest to them, are given time to read, have thought-provoking discussions, and make recommendations to each other. Seventh grade students group in reading “families” to discuss their books each Friday. Here is what some of the students from last year had to say:

“I like reading with my reading family because I like jumping into my story, and I think explaining it to other people helps me do that, and helps them want to jump into their stories too.” -- Madeleine Wisniewski

“I like reading with [other] kids ... because they can recommend books to you, and you can recommend books to them. It’s a really good way to get great books around!” --Nathan Debol

“Reading with other people is like sharing music. You might not like the genre at first, but if you stay with that group, you might begin to enjoy it!” -- Andrew Cannart

TARDY TO SCHOOL POLICY

Please help your child do his or her best. Attendance is a crucial factor for student academic success.

- Students tardy to school (i.e. late to Homeroom) must be signed in at the front office by a parent or legal guardian in order for the tardy to be considered excused.
- Unexcused tardies to school will result in disciplinary action.
- Excessive parent excused tardies may be referred to the Livingston County Attendance Officer.

We would like to thank our community for another great start to the school year! It is wonderful to see our school come back to life every September.

Teachers spend long hours readying their rooms for the first day. Our parents are helpful and patient as we go through the adjustments required to make school a success. Creekside students are amazing as they continue to practice Habits of Happy Kids.

We will continue to work together and have another inspiring year at Creekside!

Below: Our PTO Back to School Open House barbeque was a great success this year. Creekside families were able to meet teachers, visit classrooms and enjoy some good food and weather in preparation for the return to school. Thanks to our PTO volunteers for helping make this event possible.

We have some more new faces at Creekside!

We would like to welcome **Lexi Campbell, Kaitlyn Erehart, and Courtney Barker** to our school.

E.A.G.L.E.S.

Social emotional learning is an area that each school in Hartland works on developing with our students. Social emotional learning involves helping teach students how to understand and manage emotions, set and achieve positive goals, feel and show empathy for others, establish and maintain positive relationships, and make responsible decisions. These are what we consider important life skills. One goal of the entire Hartland district this year is to implement a common language for all staff and students to use throughout the district. In the past, Lakes has used the 7 Habits language as a way to help build a school culture that promotes social emotional growth.

Starting this year, every school in the district is using the same common language based on the E.A.G.L.E.S. concept. Students and staff will be working throughout the year on learning the new common language that I've outlined below. Lakes will continue to meet with our family groups, provide leadership opportunities for our students, and begin to embed this new common language throughout the classroom and school in an effort to have each of our students gain these valuable skills. Principal Howerton will be sending out updates throughout the year on our work in this area.

- E=Empathy**—The ability to understand and share the feelings of another.
- A=Achievement**—A thing done successfully, typically by effort, courage, or skill.
- G=Grit**—Perseverance and passion for a long term goal.
- L=Link**—A relationship between two things or situations, especially where one thing affects the other.
- E=Empower**—Make someone stronger and more confident, especially in controlling their life and claiming their rights.
- S=Serve**—To be worthy of reliance or trust. To help persons and be favorable, opportune, or convenient.

LOC Student Run Credit Union

In 1995, LOC Federal Credit Union opened its first student-run credit union in Farmington Hills. Today, LOC is a proud partner with Farmington Public Schools, Hartland Consolidated Schools, and the Howell Public School District and operates 21 in-school branches. Our in-school program and this community partnership strengthen student advancement as a result of exposure to positive community role models.

Lakes student-run credit unions are managed by 4th grade students with the supervision of an LOC employee. Student employees gain hands-on experience on how to run a branch and they perform duties of the various positions available at a financial institution. They are also taught real-life work skills.

Not only does this program teach valuable skills to students working the credit union, this also gives all students real-life lessons in savings and finance. All students, staff, and parents at Lakes are eligible to open an LOC account through the student-run credit union.

Lakes Student Run Credit Union is open Thursday mornings from 10:00 a.m. – 10:30 a.m. and operates under the direction of Stephanie Cole, Youth & Community Development Coordinator at LOC. More details to follow.

Left: Thank you so much to Mrs. Roberts and Mrs. Nemecek for making the Lakes Office such a kind and helpful place to be!

Round School Family – it has been a great start to the year! Our Back to School Open House was a great success. A big thank you to our PTO for all their support. It has been an exciting start with a talented group of students and wonderful families. We are looking forward to achieving amazing things this year.

Last school year our students and staff experienced and accomplished many new, wonderful and exciting things. This year we plan on pushing forward with our vision to make Round the best it can be! We will be launching our E.A.G.L.E.S. social-emotional learning plan this fall. Our focus will be the development of expertise in the areas of Empathy, Achievement, Grit, Links (relationships), Empowerment (leadership), and Serve (service). Please be on the lookout for more information in newsletters and Community Life.

We renewed our focus on reading instruction through a school wide effort to increase reading at school and at home with the grade level take home book bags. Every child has received a new book bag and is able to take home a book of their choice each night to read independently or with their family. These books are important because they are easy to read, high interest, and a support to families who are looking for good books. We hope our families are enjoying these books every night. Check out our website to learn more about the new K-3 Reading Law.

Round Elementary School is a special place where our commitment to excellence, relationships and the development of involved citizens is the priority. Welcome back Round School family! We look forward to another wonderful year!

Hartland Big Boy Restaurant Hosts Celebrity Server Night Tuesday, October 17th

How awesome would it be to have your principal or teacher serve you a delicious chocolate shake?

On October 17, the Hartland Big Boy will be hosting a “Celebrity Server Night” Fundraiser **from 5 -7:30 pm**. The night will benefit the Hartland Optimist Club’s Christmas “Adopt a Family,” and other Optimist Youth Activities and Programs. A special attraction to the event is for students to enter their name in a drawing for “Breakfast with their Principal.” Thank you principals for your support and involvement with your students!

Optimist Clubs are recognized as a “Friend of Youth” and welcome any community member interested in promoting programs and/or activities for children in the Hartland Area.

For more information on the Hartland Optimist Club, our meeting times and location, please contact president Vicki Schiesel at 313.220.2797.

IS YOUR CHILD BEING BULLIED?

PARENTS OFTEN NEVER KNOW!

Dear Fellow Parents,

Bullying can range from severe physical abuse to very mild "silent treatment" or exclusion by friends. Both can have long lasting and devastating affects on children. Many parents never know about the mild and moderate bullying of their child.

According to the book Bullies and Victims in Schools; 96% of children will be bullied at least once in their lifetime. 46% of those children will suffer poor grades or will abstain from extra curricular activities because of the bullying. 2% of those children will commit suicide because of constant harassment from classmates.

Is your child being bullied? Look for these signs in your child:

1. Bruises, cuts, scratches, torn clothing that cannot be explained and complaints about not feeling well.
2. Reluctance to go to school or requests to change school.
3. Books, money, lunch or belongings stolen, damaged, scattered around or "lost".
4. Excuses to avoid going to school, or insistence that you take him/her to school even though you live close by.
5. Insomnia or bed-wetting.
6. Frequent requests for money.
7. A sudden, unexplained deterioration in class work, and/or homework.
8. Lack of participation in school activities, staying near the teacher during breaks.
9. Anxiety, insecurity, distress, unhappiness, secretiveness, mood changes and anger.

10. Claims of "I'm okay" when questioned about obvious unhappiness.
11. Low self-esteem.
12. Unhappiness at the end of weekends or school vacations.
13. Few friends or no friends in class and is not invited to birthday parties or other social activities.
14. Teasing or being laughed at by his/her peer group.

Bullying is a very difficult problem to stop. Our mission at Ohana Karate is to ensure every child has the right to feel safe and develop to their full potential. I feel that it is our responsibility to be a community leader and center for the fight against bullying. Can this crisis be stopped?

First, we must develop an ethos in which bullying is always unacceptable and will not be tolerated. Second, it takes a whole community to save our children. We must arm the victim, bully, bystander, parents, schools and community with the anti-bullying tools and systems. Please contact us if we can help you or your family.

Your partner in the fight against bullying.

October is Fire Prevention Month!

In a fire, seconds count. Seconds can mean the difference between residents of our community escaping safely from a fire or having their lives end in tragedy.

That's why this year's Fire Prevention Week theme:
"Every Second Counts: Plan 2 Ways Out!" is so important.
It reinforces why everyone needs to have an escape plan.

Here are this year's key campaign messages:

- 1) Draw a map of your home with all members of your household, marking two exits from each room and a path to the outside from each exit. Use our worksheet that is located in the "File Download" section of our website: www.HartlandAreaFire.com
- 2) Practice your home fire drill twice a year. Conduct one at night and one during the day with everyone in your home, and practice using different ways out. Teach children how to escape on their own in case you can't help them.
- 3) Close doors behind you as you leave – this will slow the spread of smoke, heat, and fire.
- 4) Once you get outside, stay outside. Never go back inside a burning building.
- 5) Make sure the number of your home is clearly marked and easy for us to find. Consider an address sign that can be ordered using the order form that is located in the "File Download" section of our website: www.HartlandAreaFire.com

October at the HERO Teen Center Come and Join the Fun!

HERO Teen Center is celebrating its fifth year in Hartland. Some events that are coming up in October are Spirit Week, Pumpkin Carving, and The Halloween Party.

For Spirit Week (October 2nd-6th) we will create spirit wear all week, and have a tailgate party the day of the game October 6th, which includes face painting, and hot dogs.

On October 10th- 20th the Teen Center will be hosting pumpkin carving, painting, and exploding pumpkins.

For the Halloween Party on October 27th we will have a costume contest, donut eating contest, Halloween candy, apple bobbing, whats-in-the-box, face painting, and decorating cookies. Donations of pumpkins, Halloween costumes, face paint, and Halloween decorations would be greatly appreciated. Come and join us!
