## Superintendent's Message Chuck Hughes, Superintendent

@hartlandschools

Here's wishing everyone in the community a wonderful Holiday Season and Happy New Year! All I ask is that you take the time to be empathetic to the situation others find themselves in and reach out where you can. During my 18 years in Hartland, I have found that time and time again, this community rises up to take care of those who could use a helping hand.

### Sinking Fund Update:

I am happy to report that the district is moving forward to address upgrades and improvements to facilities and the passage of the Building and Site Sinking Fund in May will be extremely helpful. While we will not be collecting the millage until the winter tax collection cycle, we are continuing to address facility components that need to be done now.

Since June, we have resurfaced the Creekside and Round parking lots in an effort to get a longer life out of them, updated our portable building at Round, replaced lighting on the youth field at the Hartland Educational Support Service Center, updated a restroom near the Senior Center to ensure that it is more handicap accessible, and have begun engineering work on an exterior wall at Lakes that is experiencing some structural deficiencies.

My plan is to continue sharing the work being done as we start utilizing sinking fund dollars for upgrades and improvements such as these. Unfortunately, many of the upgrades and improvements that are slated to occur may not be noticed by the public, such as replacement of water lines, boilers, and roofing.

Technology is also a part of the equation, and right now the first thing that we will be addressing is replacement of the sound systems in our elementary schools and Farms Intermediate.

This work will center on the individual classroom sound amplification systems so that teachers can be heard by all students.

## Hartland Schools Person of the Month

**Glynn McHugh** is Hartland's Network Administrator, as well as one of our computer technicians. He began his career here in 2014 as a computer tech and has become invaluable in essentially "everything technology-related". He has an Associates Degree in Network Administration from Mott Community College, VMware VCP Training, and various CompTIA Certifications; working in the technology field for the past 13 years. He began his career at the age of 17 working at a local computer store in Flint called ATR Computers. He then worked at Carman Ainsworth Schools in Flint for two years as a Computer technician prior to joining the Hartland Technology Team.

Since beginning his career in Hartland as a computer technician, his role has changed drastically. He is now a Network Administrator / Computer Tech and his daily activities include maintaining / updating HCS Servers, switches, VDI virtual computers, close help desk tickets, working with the tech students at the high school (favorite part) and dealing with most technology emergencies that happen throughout the district. He also works with the LESA Network Engineer, Dave Larson, learning how other districts are operating and how to implement new systems and technology into our district.

A little of Glynn's life, history and thoughts in his own words: "I was born in Flint and graduated from Kearsley High School. I currently reside in Fenton where I live with my beautiful girlfriend, Tyler, and my cat, Leith. We like to explore the town and go to new places we have never been before on our weekends. I also like to play games, hang out, and catch some TV / Netflix. I have been working at the Hartland PDC auditorium for the past two years, where I run sound, lights, setup, and manage events that are held at the SSC. I also helped start a program at the High School where we train students to help with the tech department. I currently have four students that help out on a daily basis and after school."

"Every day in technology is a memorable moment, however, it is especially rewarding when the tech students graduate from high school. It has become a tradition to meet them on each floor as they walk through the building on their graduation walk and then take a selfie with the seniors. Many of these students start as Freshman and work in technology throughout their time at the high school. It is a fun way to celebrate how much they have learned and evolved throughout their years at the high school."

"I am still at Hartland because I love the people, the area, and the variety of what I do. Each work day is rarely the same as the day before. I get to work in different buildings with various projects and people. I get the biggest kick out of working with the tech students. It feels so amazing when you see a student grow out of their comfort zone, learning new skills and adapting them in their everyday life. I wouldn't trade it for anything!"

"I have visited many school districts in my time in technology and no school has made me feel at home as much as Hartland. I have made more friends in my four years here than in my whole life! The staff and students go out of their way to make me feel appreciated. But most of all, I work with the best team in technology! My success is thanks to them."

## Winter Bus Safety Tips

With the winter months upon us it is always good to review bus stop safety tips to ensure a safe and pleasant trip to school.

### At the Bus Stop

- Allow extra time in the morning to get to your bus on time.
- Wear bright clothing so the bus driver and other motorists can see you in the early morning and late evening.
- Stand away from where the bus stops. Buses need extra room to stop when there is snow and ice.
- Dress properly. Winter clothing, hats, mittens and boots will help keep you warm.

### Waiting at the Bus Stop

- Don't play in the snow while waiting for the bus.
- Don't throw snowballs at the bus or others.
- Don't slide on the snow or ice patches in driveways or on the street. You could slide under the wheel of the bus or onto the street and get hurt.
- Don't push or shove around the bus. Someone could fall down on the ice and get hurt.

### Boarding and Exiting

- Do use the handrail when boarding or exiting the bus to prevent slipping and injuring yourself on icy road surfaces or steps.

### Running Late in the Morning

- Don't try to catch the bus at another stop with your vehicle if your students miss their pick-up. Take them all the way to school. The bus driver may not see the car in back of the bus and as the students attempt to run along the side of the bus to board, they may fall underneath the wheels and be injured.

If you would like more information, please contact Hartland Transportation at 810-626-2175.

## Hartland Hurricane's Swim Club

### Winter 2018 Pre-Competitive Team

Pre-Competitive Team is the starting point for kids interested in the sport of competitive swimming. Practices focus on building skills for Freestyle, Backstroke, Breaststroke and Butterfly, Starts and Turns. Inter-squad meets will be held here at the Hartland Pool during the season. Pre-competitive team is an excellent opportunity to prepare for the Hurricanes Swim Club and USA meets.

**Team Try-outs: January 20th 12:30-2:00pm**

**Season Dates: January 27th-May 19th, Practices Times: 12:30-2:00**

**Cost:** \$150 for the season

**Meets:** March 10th and May 19<sup>th</sup>

**Meet Location:** Here at the Hartland Pool

**Questions?** call us at (810)626-2279

Returning Pre-competitive team swimmers please register online @ [www.hartlandhurricanes.com](http://www.hartlandhurricanes.com)

**Team Fundraiser** - Every family is required to participate in a team fundraiser or contribute \$35. This year we are going to be purchasing a new TV, iPad, and Laptop, which will be used at practices and meets to make our swimmers the best they can be.

**Above and Below:** Dr. Matt Assenmacher took his CTE classes to the annual Career & Technical Education Open House event that was held on October 18. Students, parents, and community members had an opportunity to explore all of the CTE programs offered at the high school. In addition to the live demonstrations and facility tour, various colleges, business representatives, and student organizations were on hand to discuss education and potential career opportunities.

**Right:** Mrs. Kate Hagerman performed her annual "Chemistry Day in the Dark" to celebrate Halloween and the chemistry of glowing. She blacked out her room and spent the entire hour doing demonstrations of phosphorescence, chemiluminescence, triboluminescence, and more! It's always a favorite of chemistry classes at HHS!

**Left:** Mrs. Laura Moore's Material Science Class spent an awesome day in the lab making Shrinkie-Dinks!

By heating the plastic polymers, they become shorter and thicker, allowing designs and pictures to shrink and cool into awesome little toys!

**Above:** Mrs. Anne Hasseld's WIRED class (computer programming) worked with students from Mrs. DePestel's special needs class to develop video games that were educational and fit an interest of the student. Frog addition, Barbie subtraction, and mixing kitchen ingredients into a birthday cake were just a few of the fun topics of games that were developed. Students and programmers sat together to play the games and receive feedback about how to make the games even better.

### What You Need to File the FAFSA

- Go to the right website!
  - The FAFSA application can be found at [www.fafsa.ed.gov](http://www.fafsa.ed.gov). The FAFSA is the FREE Application for Federal Student Aid. If you are on a website that tries to charge you, it is a scam.
  - For special circumstances, there is a paper FAFSA that can be printed out and completed; however we do not suggest you file on paper because it takes several weeks to process and is harder to complete.
- Set up your FSA ID before you file.
  - Students and one parent (for dependent students) will need an FSA ID, which includes a user name and password, in order to file a FAFSA. This is used both to log in and as your electronic signature on the FAFSA.
  - Make sure to keep this information in a secure location or choose something that you will easily remember as you will need it to make any changes on the FAFSA, file the FAFSA in the future, and fill out information to receive loans at [www.studentloans.gov](http://www.studentloans.gov).
  - It generally takes 1-3 for the FSA ID to become fully operational, so it is a good idea to do this process at least a few days before starting the FAFSA.
  - Please note the that the FSA ID has replaced the PIN number on all federal websites

There are many things you will either need to know or need in-hand in order to fill out the FAFSA and to create your FSA ID. This will include:

Social security number (both student and parent[s])  
 Driver's license (if any) or state ID  
 Permanent resident receipt card (If applicable)  
 W-2 forms and other 2016 records of money earned  
 2016 income tax return  
 Records of child support paid  
 Records of taxable earning from Federal work study or other need-based work programs  
 Records of student grant, scholarship, and fellowship aid, including  
 AmeriCorps awards, that was included in student or parent AGI  
 Current stock, bond, and other investment records  
 Current business and farm records  
 Current bank statements

Many students will not need all of these documents. What exactly is needed for each individual student depends on income and other factors, but all students will need social security numbers, W-2s, and tax forms.

### RED RIBBON WEEK AT HARTLAND MIDDLE SCHOOL

Above: National Family Partnership (NFP) provides drug awareness by sponsoring Red Ribbon Week. Red Ribbon week is a catalyst to mobilize communities to educate youth and encourage drug prevention activities. Hartland Middle School at Ore Creek provided this education by putting on Red Ribbon Week. The HMS Student Taking A New Direction (STAND) group worked to bring this event to HMS.

### STUDENT COUNCIL NEWS

During September and October, we elected our officers and went to West Hickory Haven, a nursing home in Milford. We enjoyed our time painting pumpkins, showing off our costumes and coloring with the residents. Student Council sponsored a very successful Halloween Dance at the end of October and a canned food drive during November.

The month of November was a whirlwind - we had a great time bringing it in with Halloween, and sending it out with Thanksgiving. As part of our Habits of Happy Kids program, we spent time thinking about and practicing being grateful. Our kindergarten grandparents day was a great time for us to express our appreciation for grandparents.

Our Dads and Donuts events were "all about Dad" and gave us a chance to celebrate fathers and say thanks for their support. We are primarily about teaching our children to be the best readers, writers and mathematicians they can be, but we also hope they learn to appreciate the many good things in their lives. Thank you for your ongoing support of our school.

As winter approaches, Round Elementary continues to be a place where we work and learn together as a team. Thank you to the PTO for providing wonderful dinners for the staff during Parent Teacher Conferences.

The high school band performed for our students in November. The music program in Hartland is impressive and our students were overjoyed to see the High School perform.

In December, we will focus on the social emotional goal of Achievement. Our working definition of achievement is: A thing done successfully, typically by effort, courage or skill.

We are blessed to live and work in such a supportive and caring community. Thank you to all of the Round School families that contribute every day to the success of our students. I am proud of the accomplishments our staff and students have made so far this year. I look forward to the New Year and all the changes we will see in our students. We would like to wish everyone much deserved rest and relaxation with family and friends during the holiday break!

**Hartland Optimist Club Christmas  
"Adopt a Family"**

The Hartland Optimist Club will once again sponsor the "Adopt-a-Family" Program for families in our community in need of help during the holiday season. If your group or family is looking for a community service project, or just a great way to celebrate the holiday season, in the true sense of giving why not consider Adopting A Community Family In Need.

**If you would like to adopt a family please contact  
Meghan at (586) 850-3366 or  
meghanglabach@gmail.com.**

HHS and Community Ed will have boxes in their buildings so families can donate non-perishable food items, and paper goods.

As this is a large undertaking, the Optimist Club can always use monetary donations. If you are interested, you can send your donation to:

**Hartland Optimist Club, P.O. Box 64, Hartland, MI. 48353 or  
online at [www.paypal.me/optimists](http://www.paypal.me/optimists)**

- There are many ways you can help support this project:
- Adopt a Family
- Donate nonperishable food items or paper products
- Make a donation to Hartland Optimist Club
- Join the Optimist Club

All donations are appreciated; every dollar helps and goes directly to our families. Community support makes this worthwhile project a success!

## Is Your Child Strong Enough? Raising Strong and Kind Children

We recently congratulated 24 new junior black belts after their day long Black Belt Camp. At the ceremony their parents received a symbolic black belt keychain to remind them – “Behind every black belt child are black belt parents!”. At the end I reflected with all the parents why we were there and why we do this crazy thing called karate for so long. I said after many years working closely with parents and educators one thing has really struck me more and more with time – We need to develop much STRONGER kids!

And, don’t mean physically stronger. The world is changing. And, the rate of change is increasing rapidly. Today’s children are much different than we were at their age. They are under more stress and anxiety. But on the flip side, mainly due to technology and parents unknowing over protecting them, they are getting everything too quick and too easy. We come to their rescue and do everything for them including solving their problems and doing the work they should do. We are shielding them from all the good stresses they need to be success and happy adults. And who can blame us. We want the best for our children. But listen to and remember this “You want your child to live a good life, but not an easy life!”.

Two recent changes in today’s children illustrate this point. First, did you know many teens and even young adults in their 20’s do not want to get their driver’s license or drive? Remember when we could not wait to get this freedom! Teens today do not want to drive for two reasons: It is too hard and stressful, and they already have their parents driving them around anywhere they want. Something happening similar to this is increasing trend for children to continue living at home well into adulthood.

The second change could be titled “Where are all the paperboys?” Remember when the newspaper was delivered by young boys wanting to work and earn money? We have become so afraid and paranoid our children will be abducted. Kids today are not playing outside anymore. Many stay inside their homes or backyards. Parents have to arrange “play dates” to bring children together outside of school. Here is probably one of the most eye-opening trends. Remember when teens used to hang out in the malls? They do not anymore. Instead the way teens socialize is in their bedrooms on their smartphones?

So back to the black belt camp ceremony. I told the parents, we (both the dojo and them as parents) are on a mission. We need to develop stronger kids. They need to be able to do hard things and endure setbacks. They need to stick with things and get right back up after being knocked down. They need to learn to never give up and never be afraid to try something new or hard. They need to experience the good stresses of fear, boredom, hardship and failure daily. This is the only way we can have kids that are ready to succeed in today’s new world. We need to let them skin their knees and eat dirt. It is not only okay but it is good for them!

**For stronger kids!**

## Hartland Happenings

### Roads & Parks

**PARK UPDATE:** Pavilions and restrooms at **Settlers Park** and **Heritage Park** are finished! Playground structures have been approved for both parks, and construction will begin in spring 2018. Settlers Park will have a larger, 'destination' playscape for families to visit and enjoy; Heritage Park's playscape will be smaller, as it was designed to entertain the siblings of athletes engaged on the field. The Motor City Mountain Biking Association will be funding, building and maintaining a short, off-path biking course in Settlers Park. This is just one of many projects the Township has accomplished through partnering with local groups!

**ROAD UPDATE:** The Safer Roads Initiative wrapped up under budget, with extra improvements enhancing the original plan. **Bergin Road** was given a turn lane, and angle and parallel street parking were added to **Hartland Road** in the Village. The Township is now concentrating on preventative road maintenance for 2018.

## Swing Dancing at HERO Teen Center

The Dance Project is offering swing dancing for teens at the **HERO Hartland Teen Center on Mondays from 3:00 – 4:00 p.m. through February 19th, 2018.** With help learning the basic step for newcomers and work on advanced moves for the veterans, the dancing and music has already drawn a crowd. The center has opened up the programming to teens outside of the Hartland area to promote an even greater reach in promoting positive dancing. With funding from a grant through the Livingston Sunrise Rotary Club, and in-kind donations from numerous area businesses, teens have been enjoying free lessons and fun dancing to popular music since October.

After nine years of community dances with instruction for teens, The Dance Project, a 501(c)(3) educational nonprofit, continues to make a difference. The group has now reached over 6000 students with lessons focused on teaching how to swing dance to popular music. The Dance Project regularly hears from students and parents about how its students have become part of a cultural change by influencing others with positive dancing in their communities and at area middle schools, high schools and colleges.

Parents and students work together in the project to plan dances with popular themes, great music and fun dance instruction. Students are especially excited about the upcoming **Blacklight Dance on Saturday, January 13th, 2018.** This popular event will take place just down M-59 at the Highland United Methodist Church, from 8 – 11 p.m., and is open to all students grade 7 - 12. Doors open for registration at 7:00 p.m. A swing dance lesson for beginners takes place at 7:30 p.m. Snacks & drinks will be provided at the dance. Admission is \$10 per person at the door. Signed liability waivers (available online) are required for entry.

**For more information, contact The Dance Project.**

Congratulations to the Hartland EagleBots FIRST Lego League team from Farms Intermediate School! They competed at the RobotCat Rumble qualifying tournament in Oxford MI this weekend, bringing home awards for Robot Design and Robot Performance. They have been invited to the Michigan State Championship Tournament to be held in December. GO HARTLAND ROBOTICS!!!

Pictured left to right are: (1st row) Brady Gomolka, Ben Clay, (2nd row) Annie Lauren, Maya VanTichelt, Ethan Cellarius, Isaac Shrier, Luke Kozak

Congratulations to the Steel Eagles FIRST Tech Challenge team from Hartland Middle School! They received the Inspire Award at their qualifying tournament in Temperance MI this past weekend, which advances them to the Michigan State Tournament in December.

This award is given to the team that truly embodies the challenge of the FIRST Tech Challenge program, with the winner being "an inspiration to other teams, acting with Gracious Professionalism™ both on and off the playing field".

## 57<sup>th</sup> Annual Hardy Live Nativity

Saturday, December 9  
6:30 pm, last showing 8 pm

Hardy United Methodist Church  
6510 E. Highland Rd.  
Howell, MI

(3 miles west of US 23, ½ mile east of Argentine)  
517-546-1122

The Live Nativity takes place outdoors at the church. The drama takes place every 30 minutes throughout the 1½ hour time. There are refreshments in the church basement. The sanctuary, adorned with Christmas decorations, is open for persons who may wish to spend time in prayer and meditation.

Cromaine Library has been offering the Grant Sweet Memorial Essay Contest for several years - it commemorates Grant Sweet, former Building Manager, who died suddenly in a hunting accident. While Grant was not a veteran, he had the greatest respect and admiration for their commitment to serve. Every year he rode to Washington DC on his cycle in the big ride and throughout the year, participated in other events as well.

This year's winners of the contest are all Hartland Middle School at Ore Creek students. **Pictured above:** (from left to right) Dwight Sachau (Legion Member and WWII veteran), Logan Berner (Third Place Winner--\$100 and American Legion bronze medal), Sarah Bragg (Second Place Winner--\$200 and American Legion silver medal), Abby Gardner (First Place Winner--\$300 and American Legion gold medal), and Doug Kuhn (Commander of American Legion Austin Moore Post 415).

Supporters of the contest prizes are the Friends of Cromaine Library, American Legion Austin Moore Post 415, anonymous donors.
