## Superintendent's Message Chuck Hughes, Superintendent

@hartlandschools

It is so important to start this month's Superintendent Corner with praise for the Hartland Community for all that you have given to those who needed a little bit of help during the Holiday Season. I especially want to thank Meghan Glabach (Hartland Optimist Member) and our Hartland Community Education staff, Michelle Otis, Carol Hayes, and Stephanie Darish, for working so hard to ensure that the donations were packaged and delivered for this year's Hartland Optimist Club's Adopt-a-Family drive. It is a blessing to live in such a giving community in which 59 families and about 150 children were taken care of.

Did you know that the Hartland Optimist Club annually hold a Youth Appreciation Night with a goal of honoring our young adults for making a difference in the lives of others? The Optimist Club is currently looking for schools, churches, community businesses and community organizations to submit a Youth Appreciation Nomination Application. The application can be found on the Hartland Schools' main webpage at [www.hartland-schools.us](http://www.hartland-schools.us). Please fill out the form online and submit it electronically. We hope to see many of you on March 20, 2018 as we recognize the recipients.

### Sinking Fund Update

When our community approved the Building and Site Sinking Fund tax levy in May 2017, I made a commitment to keeping you informed about how we utilize these funds. The revenue from this tax levy is just starting to come into the district and will continue to do so through May. As we start to spend these dollars, a link will be available on our website to highlight the process. Again, thank you for supporting public education in Hartland

## Hartland Schools Person of the Month: Jennifer Hull

Jenny teaches 2nd grade at Round Elementary School. She graduated from Hartland High School in 1993 and received a Bachelor's degree from Eastern Michigan University with an endorsement in Early Childhood Education. She also received a Master's degree from Marygrove College. Below Jenny shares her history and experiences as a teacher with Hartland Schools.

I began my teaching career in Hartland in 1999 as a kindergarten teacher. The following year I moved to 2nd grade and have been there for 18 years. Over the years I have been on many teams to pilot new curriculum and technology. I was an HEA building rep for eight years and am currently on the elementary math team, the Social-Emotional Learning committee and co-lead the Lego Club at Round.

My family moved to Hartland in 1981. My mom is a retired Hartland teacher and my dad was a local business owner. My husband, Wade, and I were high school sweethearts. After starting a family, we moved around a little but settled back in Hartland. Our daughter, Morgan, is a freshman at Hartland High School. She dances competitively for Hartland Dance Academy. Our son, Kellan, is in 4th grade at Round Elementary. He keeps us busy with football, hockey, and basketball. We also have a dachshund named Mabel. When we aren't at a game or chauffeuring the kids around, we enjoy traveling, camping, and spending time with friends and family. I also enjoy crafting, yoga and catching some TV. My husband's family has lived in Hartland since the 1930s and we are proud to say that our children will be 4th generation Hartland graduates! I love that Morgan is friends with the children of friends that we went to high school with, and Kellan's good buddy is the grandson of his grandpa's friend. People always joke that we "Hartland people" are all connected somehow!

Everyday is memorable because each day is so different. Something new and exciting is bound to happen when you work with thirty 2nd graders. I love 2nd grade because the students are so happy and eager to come to school each day. It's so fun when they catch a piece of humor in a book or when a new concept clicks. Each day has its rewards and struggles and some days you wonder how you'll make it to four o'clock, but I always get a little teary-eyed waving goodbye to "my kids" on the buses on the last day of school. Every year each child teaches me just as much as I teach them.

I am still teaching in Hartland because this is home. This isn't just home physically, but all of the people I work with have become my family. I've had the privilege of working with so many wonderful people over the years. We have a pretty special staff at Round. Everyone cares so much about each student and they selflessly give of themselves every day. When I talk to friends and family who work in other districts, they are always amazed at the culture and relationships that are built here.

Hartland is the absolute best place to be. Whether I'm at school, a football game, parent/teacher conferences or I see a student at the grocery store, I feel so blessed and grateful to be a part of the Hartland Schools and community.

## From the Guidance Office

# All Seniors Are Encouraged To File For Financial Aid

Hartland High School is aiming for the senior class to have a 100% completion rate of the Free Application for Federal Student Aid (FAFSA). It has been proven that students who fill out the FAFSA are more likely to follow through on their post-secondary plans, and many schools no longer give out merit scholarships to students who do not apply for financial aid through the FAFSA.

If you have not yet applied for financial assistance, it's not too late. Students/parents should go to [www.fafsa.gov](http://www.fafsa.gov) to complete their application. The process is free and can make a tremendous difference in your child's ability to pay for their postsecondary education. In order to encourage FAFSA completion, the high school Counseling Office has partnered

with Buffalo Wild Wings. Any senior who has completed their FAFSA is eligible for free wings! Seniors should stop by the Counseling Office for more information.

Parents who are looking for additional resources to help pay for their child's post-secondary education should know that the HS Counseling Office publishes a monthly scholarship newsletter called the Scholarship Gazette. The newsletter contains all of our current scholarship applications and contains a list of sites that will help you conduct scholarship searches. Go to <http://www.hartlandhighschool.us/Counseling/Financial-Aid-and-Scholarships/index.html> for this month's scholarship information.

Fourteen students from HHS's Drama Club along with over 1,500 other student thespians from across the state of Michigan attended the Michigan Thespians Festival on December 15 and 16. While at the festival, students participate in workshops for various theatre arts skills ranging from vocals, choreography and improvisational acting to stage management, marketing and leadership. They attend theatrical productions, network, compete in individual events to receive ratings and comments and compete in front of recruiters representing over 20 colleges for scholarships. Our Seniors, who competed in college scholarship events were offered a combined total of just under \$20,000 in scholarship money. We are very proud of our Hartland High School thespian competitors!

The Optimist Club along with the high school counselors coordinated a canned goods and toiletries drive just before the holiday break. Massive amounts of food, clothing, shower items, kitchen goods, and even pet food were collected and donated to families in the HCS district.

Pop Daddy's founder and owner, Mark Sarafa, talked to DECA and marketing classes about his company's progression. Students got to ask questions and taste-test some of his delicious products!

The Hartland High School Mentoring Program held a holiday breakfast. Students in the program met with their mentors in the media center and dined on a breakfast buffet. Students and staff mentors meet on a weekly basis and talk about life choices, family matters, as well personal matters such as future plans, college and work.

## Attendance

Time is passing rapidly as it seems to every school year as we finish out the first semester and move into the last half of the school year. At LEGACY, just as we did in the first semester, we continue to work on student attendance, and finding ways to get students to school on time. It is extremely important for students to experience the lessons and the discussion around the material that is taught in their classrooms. Further, daily attendance is

a requirement for graduation and it is mandated under the law. Nevertheless, every year in schools all across Michigan, and the country, students miss graduating on time due to attendance situations. Hartland Schools has an attendance policy that takes into consideration the many issues students face such as illness, family circumstances and various other events that may keep a student out of school once in a while during the course of a school year. LEGACY has an attendance policy that is consistent with the HCS policies, and yet

the issues continue. I ask all parents to keep track of your student's attendance and be aware of the times students miss school, and support good attendance practices. It is a shame to see students miss out due to chronic absenteeism and not graduate because they are not in attendance. We need your support to keep our students in school so we can teach and they can learn.

## Entrepreneurship

During November and December, 2017, the Hartland Legacy Students had the opportunity to learn how to become an "Entrepreneur".

Austin Miller, Hartland High School DECA student, initially presented to a group of nineteen Legacy students an overview of "Entrepreneurship and How to Become One."

Austin Miller volunteered to offer a four-week workshop to any students who would like to become an Entrepreneur and learn how to develop a Business Plan.

Each participant created a Business Plan and on December 18, 2018 they each presented their Business Plan in a competitive style setting.

The competition was judged by a Board of Hartland High School DECA Students and their Teacher/Sponsor, Ms. Hasseld. Austin Miller coached each student through their competition.

All of the participants reported that they enjoyed the experience and that they learned valuable information on "How to Become an Entrepreneur". They also indicated that Austin's enthusiasm and energy in the coaching and throughout the Workshop gave them the self-confidence necessary to bring their Business Plan to fruition.

Thank You to Ms. Hasseld, Austin and those DECA Students who participated in judging.

## Parents – This one is for you! A Mom's Story

Normally my monthly column is about parenting or raising kids but this time it is about something just as important – YOU!

I tell parents "Karate is even better for adults than kids!" Why? In short first - we all need a way to keep living our life on the "edge" instead of just feeling like we are going through the motions every day. Second - we need a vehicle to grow then feel strong and alive. Third - we all need a "purpose" in our life and a "tribe" to share it with.

What prompted me was this recent email:

*"After my son, Noah, started at the dojo I thought about doing karate myself. It took a few months but I started! I was SO nervous the first day, but quickly discovered this was a safe place to learn and make mistakes. Where else does this happen in the world of being an adult? I have found my new "tribe" of some of the most kind and caring people I've ever met. Karate has quickly become a new way of life for me. My past had included some challenging times where I was made to think and feel by others that I wasn't strong. I had once been a strong, fierce young woman but I realized I had become a woman who felt helpless and had lost the fierceness. One evening, Sensei explained how he loves seeing people become strong, particularly women. So many women don't believe they are strong or have been conditioned to believe they are weak or submissive. That was the moment in my training that I know I will remember forever. I realized how much stronger I'd become. I carried myself differently. I walk differently. Those thoughts of helplessness had melted away, replaced with a fierceness I had not felt in years! I shed some tears that evening, hoping my classmate wouldn't notice as I listened to Sensei. It took my breath away to suddenly see my true strength coming through. I felt like a warrior!"*

*I'm like many parents. Working all day, being mom's taxi, homework, going to activities and meetings. Even with all this, I still make time to go the dojo 2x a week. I'm a better mom, wife and person because I take a little time to do something for myself. My personal goals outside of work and family are so gratifying, especially when you have your family as raving fans. And what a great example for my girls!*

*So I wanted to tell all you amazing fellow tireless supermoms - What are you waiting for? What if you could experience a fraction of what I have in karate? It has brought out something in me that has always been there – a strong, kind, powerful women. We aren't just mama bears to our kids, we are strong warrior women who just need a special place to realize it. As Sensei always says – Women are the true warriors of our society!"*

Jaimee F. – Mother of three, Milford

Isn't Jaimee amazing? It got me thinking – What if ... What if I could find a way to give every parent a chance to experience this? So here is what we are going to do - we are going to run a special series of "beginner adult" karate classes on Mondays and Wednesdays at 7:30 PM and Tuesdays and Thursdays at 9:30 AM from January 15th through the end of February.

This is for any adult in our community! Come check out a class or two...or all of them at no charge. These are for all ages and fitness levels! No experience required. Call or email me if you are interested or want more info!

## Hartland Area Community Council

It is not too early to begin the planning for your 2018 Memorial Day Parade float or bike/walking contingent! This year's theme was selected at the January 8 meeting of the Hartland Area Community Council, sponsors of the annual Memorial Day Parade. While participant ribbons are given to all, a few floats and groups will be singled out for their exceptional representation of the theme. Will it be yours this year?

The 2018 Memorial Day Parade theme is "Remembering Many, Honoring All." The parade booklet has, for several years, included photos and brief stories of the many soldiers and veterans who are connected to Hartland by way of residency or family. The annual parade, a totally volunteer effort, is a way that we can honor All who serve. How can you share that theme on your float? How can you be as inclusive as possible in honoring all of our soldiers and veterans--several of whom will walk or ride in this parade as well?

Coming up are nominations for 2018 Grand Marshal. Please put on your thinking caps, look around, and choose someone you'd like to nominate. The Hartland Optimists will begin soliciting nominations in March so watch for the announcement in the March Community Life.

At the February 5 meeting, HACC will take a look at our social media and web presence and how it can be improved. Your ideas, comments, and recommendations are welcome. **Please join us at 6:30 PM in the Middle School at Ore Creek's Media Center for this one-hour meeting.** Learn more about what the Parade needs to continue to be the success and a feature of this community of which we are all proud.

## Hartland Happenings

### Home-owners to Receive 'Notice of Assessment' in February

Home-owners will receive a Notice of Assessment by the end of February. If you *disagree* with your assessment, you have the right to appeal with the local Board of Review in March. First, call or come in to the assessor's office in Township Hall, and bring your photo or paperwork documentation. Mistakes can happen, and the assessor will make every effort to fairly evaluate each situation.

*"Hartland is a rising market – which is a good thing for our property values. I'd like our homeowners to check their Property Records for errors, as over-assessing or under-assessing won't be helpful to you or your neighbors when it's time to sell,"* said Hartland Township Assessor Jim Heaslip.

If you need help understanding your **Property Record** or **Notice of Assessment**, please call the assessor's office at 810.632.7498 OR stop by Hartland Township Hall (2655 Clark Rd.)

### How to Check Your Property Record

1. Go to <http://hartlandtwp.com/residents/assessing>
2. Click on 'Assessing Records Online'
3. Enter your address in the address box near the top of the page and click 'Search'
4. Click on your address; when new page opens, scroll down the page to check your property information
5. You will also want to click on 'Sketch' which is located under the PDF icon near the top of the page. This is a diagram of the building(s) on your property. **Is it correct?**
