Superintendent's Message Chuck Hughes, Superintendent

@hartlandschools

The end of the school year is fast approaching. Please take the time to talk to your seniors about their next steps and to your school age children about plans for summer break. I would like to remind you that school is scheduled to start on August 28, 2018 this year and roughly one week earlier in 2019. The plan is to ensure that our schedule is consistent with the county Career Technology Education program and with the colleges, where many of our students take courses.

Thank You Hartland Community: It is a great feeling to know that the Hartland Community supports education. Your votes to renew and increase the 18 mill Non-homestead Tax Levy to its full levy on May 8, 2018 is evidence of this. Leading up to the special election, I shared the history of the Non-homestead Tax Levy and that the State of Michigan pulls out the 18 mills from our state aid package because they expect the local education agency to collect the full millage, in our case the full 4.7 million dollars. For a principal homeowner in the district, this equates to a zero increase in the tax levy. As you may be aware, without this money, the district would certainly look very different regarding programs and more.

Hartland High School Recognized by a National Publication: Congratulations to the students and staff at Hartland High School. The U.S. News and World Reports honored the high school with recognition as an outstanding Michigan High School. The annual "America's Best High Schools" list came out in May. This ranking places the high school in the top 6% of all Michigan high schools.

Parents Who Host Lose The Most: As graduation season approaches, I once again want to remind parents that providing alcohol to minors is against the law. Please help the community by enjoying graduation and by celebrating in an appropriate manner. The district continues to support and promote the "Parents Who Host Lose The Most" campaign. This is a partnership with the Livingston Community Prevention Project, Parents as Partners in Prevention, The Hartland Coalition, Project Success, Livingston Community Alliance, and the Office of the Prosecuting Attorney.

The Survey Results Are In!

390 people responded to a survey over the past two months regarding Community Life. 78% of the people voted to have us continue to print and distribute the paper by the U.S. Postal Service.

Community Life has been printed and mailed to members of the community for over 84 years. It is also available in a pdf format on the district's website. Community Life is dedicated to informing our community on matters of education, local government, community services, organizations, Cromaine District Library, churches, senior citizen news, recreation activities and other cultural opportunities. Keeping the Hartland Area Project alive and well!

Congratulations to Ellen Walton, 2018 Hartland Teacher of the Year

Ellen Walton is someone nominated by her peers for this award because of her excellence as a teacher and as an example of the type of person and educator we should all strive to be. She has been a teacher at Hartland High School for 18 years and nominated by her peers and administrators as the finest example of a Hartland teacher.

According to some of the comments that her peers submitted, she is described as:

- The most devoted teacher they know who is dedicated to the success of all students.
- She expects students to do the work needed, but supports them in their efforts.
- Ellen is often found at school early in the morning and usually stays well after school to help a student.
- She believes that every student can succeed and honestly, there are many people in Hartland that owe their diplomas and success as adults to her efforts.
- Ellen doesn't "go easy" on her students and just "give" them grades. She endlessly helps her students earn what they deserve.
- She never turns any student away – even if a student is not hers.
- She is an awesome mentor to both new and seasoned staff.

As a teacher of students who happen to have a disability, she thrives and states often that the relationships she develops with them is what motivates her to come to work every day.

Congratulations to Kathy Williams, 2018 HCS Support Person of the Year!

Mrs. Kathy Williams has been working in the district for 16 years. She is currently the Hartland High School Attendance Secretary handling hundreds of phone calls, emails, and questions every day. With over 2,000 students, this keeps her busy all day long. The individuals who nominated her state that she is highly respected by her coworkers, teachers, and students. Kathy provides enormous amounts of support to the building. As the most senior front office secretary, she goes above and beyond to ensure that she helps all in need and continuously displays "great poise" while constantly being bombarded with questions and concerns. Her peers describe her as a true team player who never fails to stop what she is doing to help. The characteristic that seems to stick out with Kathy is her positive attitude.

Thank You Memorial Day Parade Sponsors and Volunteers!

Hartland Area Community Council wants to thank the tremendous number of volunteers and sponsors who have made the 83rd celebration of Memorial Day such a success. We are honored that Raymond R. Blush, Sr., attended the May meeting to share his gratitude for the role of Grand Marshal, awarded to Mr. Blush because of his years of service to the community, in addition to the country as a whole.

Thank you to all of the sponsors, including the Spirit of Livingston who donated the flyover buttons, Dougie's Disposal for help with clean up, to the Hartland Deerfield Fire Authority for the management of road closings, to Hartland Township for their support of the Epley Park events, and to Hartland Consolidated Schools for all they did to facilitate the weekend's events.

Thank you most to all who attend the event, making it the biggest Memorial Day Parade in the county. The veterans who are a part of the American Legion's Austin Moore Post 1415 and those who cannot attend or participate are what this event is all about, along with their families. "Remembering Many, Honoring All" we celebrate the gift of service and the grievous cost it often means for families.

Memorial Day Parade Reflections

The 2018 Hartland Memorial Day Parade is now “in the books.” Did you know this past parade was Hartland’s 83rd Memorial Day Parade? Initially it was known as “Decoration Day” and was started in the years following the American Civil War. When Hartland held that first parade in late May 1936, Franklin Delano Roosevelt was still serving his first term, and earlier that year “Mutiny On the Bounty” won best picture. It was only the 8th Academy Award, and the United States consisted of just 48 States. A big thank you to all who helped in making the parade a success. To name everyone would be impossible.

Most everyone is not even going to think about Memorial Day 2019 for at least the next ten months, but that is certainly not the case for the Hartland Area Community Council. The meeting in early June is a “wrap up” of this years parade to discuss how it might be improved for next year. In January 2019 discussions will take place regarding the theme for the 2019 parade, and nominations for Grand Marshall will be accepted through March 2019.

The Council is always seeking volunteers to help with the enormous task of planning the parade. You say your Memorial Days are too busy to help? There are dozens of important jobs that are completed well before late May. Putting together the Parade Booklets, helping with details like ordering the Port-A-Johns, having trash containers in Epley Park and along the parade route are just a few of the examples that are taken care of well in advance of parade day.

The Community Council meets the first Monday of the month, starting in September and wrapping up with the June meeting. They generally take place in the media center at Ore Creek Middle School. They start at 6:30 pm and adjourn at 7:30. New faces are always welcome, along with new ideas. Consider attending, and meet other Hartland residents that want this eight decade plus tradition going for decades to come!

Did you know the Transportation office is open throughout the summer?

Just as soon as one school year ends, Transportation begins working on the next. Transportation office staff will be available to accept forms and answer any questions you may have. Efficient routes are created based on updated busing forms (School of Choice, Joint Custody, and Alternate Destination) and enrolled student addresses.

We cannot assume anything, so each year new forms are required. If your student is going anywhere other than

their home stop it's imperative you have their busing form in by July 1st to be assured of a seat on the proper bus. All forms can be found at: www.hartland-schools.us/Departments/Transportation/Forms.

Postcards will be mailed home a week before school starts with each student's bus information. If you have any questions, please give our office a call at 810-626-2175.

On May 1, 2018, 126 Hartland High School students registered to vote—a record number! Each year, Hartland Township and HHS Student Council provide an easy opportunity for students to register as part of the National Constitution Day festivities. In election years, HHS also holds a registration drive in the spring. This year the non-partisan group, the League of Women Voters of Brighton/Howell, helped organize the students. Student Council would like to thank Hartland Township, the League of Women Voters and Hartland Education Association for supporting the civic engagement of our students.

HHS's American Sign Language III class traveled to Comerica Park in May to sign the National Anthem before a Tigers game. Ms. Jami Waddle prepared her students to stand in front of thousands of people to honor the flag and show off their hard work. The class has had the honor of signing the Anthem at Comerica three times in the last four years.

The Junior-Senior Prom was held at Crystal Gardens Banquet Hall in Howell on Friday, May 4. The theme was "Hollywood Glamour" and students enjoyed a night of dancing and fun. Senior class sponsors Ms. Mandy Mach and Ms. Andrea Kosla put on an elegant night for over 650 students. Seniors Mitchell Cotton and Delaney Grundman were crowned prom king and queen.

Ms. Laura Moore's Material Science class investigated different types of polymer foams in lab. Students made polyurethane aliens by mixing two cups of solutions together, adding some food coloring, and decorating their foam aliens with eyeballs and pipe-cleaner arms. Materials Science investigates metal and non-metal materials, highlighting their different uses and properties in industry and everyday life. It is one of the most popular electives at HHS!

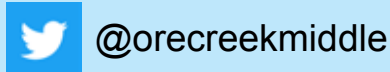

Hartland High School Choirs, under the direction of Ms. Kathi Letovsky, traveled to Brighton High School for the State Choir Festival. Hartland sent six choir groups and all earned Blue Ribbon Excellence! This is the second time in school history that all choirs earned Excellence awards. Congratulations to Ms. Letovsky and all students who put in countless hours rehearsing to perfect their songs.

The high school spring musical, "The Hunchback," was performed over the course of two weeks in late April. The show was amazing! Everything from the set, the cast, the singing, and the story was perfection. The group played sold-out shows each weekend and performed a 1-hour act to the student body during a school day. Sophomore Austin Bickel played the lead role of Quasimodo. Junior Bailey McPherson played Esmeralda, Gage Schlueter played Dom Claude Frollo, Max Cothran played Pheobus De Martin, and Scotti Bell played Clopin Trouillefou. Congratulations to Ms. Del Vero, Mr. Usher, and everyone involved in "The Hunchback." It was a wonderful show!

- The student must exhibit a positive attitude toward school, self, and others.

Congratulations to our June Students of the Month, Abigail Streight and Jeanna Schmanski!

Thank You!

I would like to thank the Hartland Middle School staff, faculty and parents and students for another great school year. Good luck to the class of 2022 as they move on to high school. Remember that you are part of Hartland Pride and a long tradition of excellence. For incoming seventh graders and new eighth graders, remember that it is people – teachers, students, support staff, and parents – that make a school great, and we have the best middle school in the state!

Movers For Moms

For Mother's Day, STAND and EBCE joined the campaign called MOVERS FOR MOMS. Movers for Moms, sponsored by Two Men and a Truck, collects items for women and delivers them to local women and family shelters in time to make Mother's Day special for moms living in shelters. Students collected several donations of essential care items for women staying in our local shelter in Livingston County. These women have suffered domestic abuse or are homeless. Donated items truly help these moms in need get back on their feet and feel extra special on a day they may have otherwise been forgotten. Many students MADE THEIR MOTHER PROUD by helping moms in need this Mother's Day.

Hartland Archery

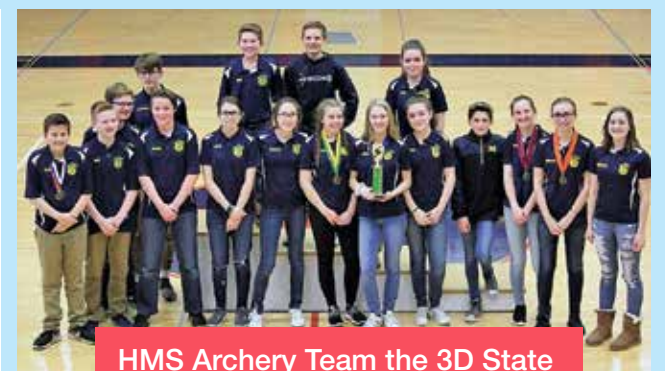

The Hartland Archery Programs traveled to Louisville, KY in May where the National Archery in the Schools Program hosted the 2018 National Championships. 14,139 archers on 663 teams shot in the Bullseye National Championships and 5,456 archers on 280 teams shot in the 3D IBO National Championships. **Hartland High School WON the 3D IBO National Championship for the second year in a row!** The team shot 1727 out of a possible 1800. The second place team was only 5 points behind them! Hartland MS finished in 12th place in the MS division and the ES team came in 16th for their division! So top 20 for all three teams and another National Championship. **Piper Luke from the HMS team came in 3rd place overall in the 3D event with a 285 out of 300.** During this event, HMS teacher Rob Jellison was awarded the NASP Coach of the Year. Congratulations to Hartland Archery and Coach Rob Jellison.

Congrats to the Legacy Softball Team - 3rd in the 22nd Annual Spring Swing Tournament. This is the biggest and longest tenured Alternative High School Tournament of any sport in the state. In game #1 Legacy came back from a slow start, finding themselves down 6 runs. Valiant come back but they missed victory losing 10-9 to the eventual champions. Legacy won their second game in extra innings 11-10. In their third game Legacy clinched the 3rd place spot with a victory 10-5. Congrats to our Legacy Team and a great job representing our School and District. Pictured: Zach, Dylan, Cody, Jacob, Joe, Daniel, James, Marcus, Jordan, Faith, Izzy, Becca, Coach Randy, and Coach Lemay.

Legacy was gifted a generous contribution to their Physical Education Department from the Hartland Senior Center's Spring Pickleball Tournament. Onix, a Pickleball equipment company, has a giveback program in which Nancy Fritch, Pickleball Tournament Director for Hartland Senior Center was able to donate new paddles and balls to a school that shares their passion for the game of pickleball. Legacy was selected as that school and gifted a very generous package of high level paddles and balls pictured below. Thanks Hartland Senior Center and Onix!!!!

LEGACY has had a long-running positive relationship with our awesome Senior Center. Further, LEGACY and the Senior Center join together for a fun and friendly pickle ball match. This activity is a great way for our programs to continue a very positive relationship over the years. Thank you seniors!

Congratulations Sue Silver!

Congratulations to Ms. Sue Silver, WOIA Grant Coordinator and Case Manager for Hartland's Alternative School as she was recognized by the Michigan Alternative Education Organization for her contributions in being an advocate for youth. She has positively impacted the lives of so many students over her 40+ years in Education. She just believes it is her job but its the passion and determination that she displays for each individual student and their unique needs that makes her stand out over the rest!

Student fans cheering on Legacy vs. Harbor (Basketball Tournament).

Students enjoying some reading time.

How to Be a Hartland Voter

New Resident? High School or College Student? You will need to REGISTER to vote with the Clerk's Office (either at Township Hall or at a Clerk's off-site event). This is a one-time requirement, and you must bring your official state-issued ID.

Once your registration has been verified by the Clerk's Office you may vote in Hartland, or via absentee ballot. Out-of-towners or college students may request an absentee ballot online from the township website, by phone or in-person.

College students should NOT re-register to vote in their college town IF they want to be able to vote on Hartland issues along with State and Federal offices. Questions? Call 810.632.7498.
