Superintendent's Message Chuck Hughes, Superintendent

@hartlandschools

As the superintendent of the Hartland Schools, I am continuously impressed with the instruction going on in the classrooms around the district. I have made classroom visits a priority in my first full year, as I want to make sure that I do not lose touch with what is happening on a day-to-day basis. The Board of Education and I plan to tour our schools at least two times this year so we can observe best practice instruction and caring environments in action.

I am sure that you are aware that the latest state assessment results have been shared with the public at www.mischooldata.org. The results are impressive for our students and educators and I am excited to share them with you. Below you will find a chart that represents the percentage of students showing proficiency on each of the state assessment components.

What is most impressive is that while we are hearing and reading that there is concern with how the state performed overall on the assessments, our students continued to increase the gap between state averages and our own. I am often asked the question, should the state change instructional standards once again or stay the course? I share that, in Hartland, we have worked hard to align the ELA and Math curriculums across the district to address the common core state standards. We are currently working on realigning science with the Michigan Science Standards and are preparing to begin work on social studies when and if the State adopts new standards. I am not in favor of changing standards once again because I know how much time and energy has and continues to go into creating engaging and rigorous instruction for our students.

To support the argument that the current standards are helping to focus relevant instruction, I offer the following:

Hartland Schools Person of the Month

Jaime Martin, science teacher at Hartland High School is in her 10th year with Hartland Consolidated Schools and taught six years at Brandon High School prior to coming here. She earned her Bachelor's Degree in biology with a minor in chemistry from Oakland University, and her Master's of Teaching and Learning from Nova Southeastern University.

Jaime and her husband will celebrate their 20th anniversary this December. In her spare time, she volunteers at Canine Companions Rescue Center as a dog trainer, a foster, and helps with fundraising events for the group. She also loves to run and has run several marathons. Jaime also enjoys mountain biking.

She enjoys working with the science curriculum and has helped Dave Minsker and Chuck Hughes over the past few years with the state-mandated changes to the science curriculum. She attended the Modeling Biology workshop and the NGSX work shop, and has assisted in developing some of the science professional development opportunities in our buildings.

As to why she is still here, Jaime states, "I love teaching at Hartland. I work with some amazing people who genuinely care about our students. The students at Hartland are the reason I am here; I smile every day because of them. I am thankful that I found Hartland Schools and am one of the lucky people who can say that they love their job. Hartland is an amazing community. Everyone genuinely cares about the success of our students. The dedication everyone has toward community service, as well as education, is inspiring. I am very thankful to work for a district that puts the education and the well-being our students first."

In their own words, a few Hartland Bus drivers explain why they enjoy driving for the district...

Cathy a retired driver of 32 years recently joined our team: "I love driving because every day is different, I missed the student interaction, and I enjoy the flexible hours especially the summers/holidays off".

Patrick a 5 year driver: "I like coming to work every day because I enjoy driving, I like nature especially the changing seasons, and I enjoy the great friendships of my colleagues".

Dave a full time firefighter, part-time substitute driver: "The trainers were thorough without pressure, I enjoy the children's excitement as they come on the bus, and I love working for my daughter's district."

Debbie a 22 year driver: "I love serving my community and schools, and watching my students move up to graduation knowing that I have impacted their journey in a positive way".

Come join our team to brighten a child's day and give back to your community.

COMMON FAFSA MYTHS:

A guide for students and parents

"We make too much money— my student won't qualify for aid."

Reality: There is no income cut-off for federal student aid. A student's financial aid eligibility is not strictly based on family income—other factors such as number of people in the household and number of family members currently attending college are taken into account. ALL STUDENTS who file the FAFSA are at least eligible for unsubsidized loans.

"My student will not be taking out loans, so there's no reason to file the FAFSA."

Reality: Filing the FAFSA does not require that students and/or parents take any of the aid offered to them. However, filing the FAFSA can give students access to federal grants (if the student qualifies) which do not need to be repaid. Moreover, many colleges use the information provided on the FAFSA to determine who will receive their grants and need-based scholarships. Without a FAFSA on file, aid is not available to students in the event that their situation changes and the student finds that they need the funds.

"I don't want to give out my personal tax information, so I'm not going to file the FAFSA."

Reality: The information you provide on the FAFSA is highly protected and is not different than filing or accessing your tax information through the IRS online. Fafsa.gov is secure government website. Filing the FAFSA will not increase your chances of getting audited, and the information provided on the FAFSA is almost entirely the same as the information already provided to the IRS through filing taxes.

"My student will only be using scholarships to pay for school, so they don't need to file the FAFSA."

Reality: A number of scholarships, including many provided by individual colleges and by local community foundations, require students to file a FAFSA to be considered.

Prior-Prior Year:

Due to Federal policy change in 2016, students will be able to submit a 2018-2019 FAFSA starting on October 1, 2017. Students will be able to report income and tax information from the tax year two years prior.

FALL PARENT-TEACHER CONFERENCES

Parent-Teacher Conferences are scheduled for November 7 and 15 as follows:

- Tuesday, November 7th from 4:00 to 7:00 p.m.
- Wednesday, November 15th from 4:00 to 7:00 p.m.

Some teams have scheduled appointment times (they notify parents directly). All other conferences are in individual teacher classrooms on a "drop in" basis (first come, first served).

In an effort to see as many of our 900 students' parents as possible – and to minimize wait times as much as possible -- teachers have been asked to keep conference times brief (5-10 minutes). We hope to see you all during conferences.

We have had a BUSY fall at Village Elementary! Our students are all settled into the new school year and have participated in many fun events already this fall, most recently, our annual Hedgehog Hustle school fun run.

We are particularly THANKFUL this month for the wonderful families that are part of our Village community and all of the generous donations to our school PTO from the Hedgehog Hustle. We couldn't offer the wide variety of programs to our Village students without your support!

As the weather turns colder, it is a great time to cozy up with a good book, we continue to encourage all of our students to read at home at least 20 minutes per day and to keep track on their reading calendar. Please keep an eye on our Village website for upcoming school events and follow Village Elementary on Twitter.

CONFERENCES AT LEGACY/HVA

1. Marking ends period November 3rd
2. Parent/Teacher Conferences on November 16th, 6:00-8:00p.

Time is flying by with no indication that it will slow down anytime soon. It seems as though I wrote a welcome back letter yesterday, and now we are writing about the 1st marking period ending on November 3rd and parent/teacher conferences.

In all of our welcome back packets I inserted a “parent compact” related to parent attendance at conferences. It is our mission at LEGACY/HVA that we have every student represented at our conferences on November 16, 2017. The connection between school and home is important for student success, and it is a great time for parents and staff to get to know one another beyond phone calls or emails. We will be flexible with days and times if such is needed, just let us know and we will do our best to accommodate individual scheduling.

Thank you all for your support and we look forward to seeing you all on November 16th, between 6-8 pm.

Above: LEGACY reaches out to spend some activity time with a group of senior citizens.

Mr. Lemay began that relationship over 6 years ago, and will continue all through his time here at LEGACY. It is a great opportunity for our students to learn empathy, and both groups enjoy their time together.

Left: Students in science class learning about plant cells.

Students of the Month

Students receive this award through the State of Michigan given by Senator Joe Hune and US Congressman Mike Bishop. They receive this award for distinguishing themselves in both academics and in their personal conduct while also stepping forward as role models.

Hartland Optimist Club Christmas “Adopt a Family”

The Hartland Optimist Club will once again sponsor the “Adopt-a-Family” Program for families in our community in need of help during the holiday season. If your group or family is looking for a community service project, or just a great way to celebrate the holiday season, in the true sense of giving why not consider Adopting A Community Family In Need.

If you would like to adopt a family please contact Meghan at (586) 850-3366 or meghangelabach@gmail.com.

HHS and Community Ed will have boxes in their buildings so families can donate non-perishable food items, and paper goods.

As this is a large undertaking, the Optimist Club can always use monetary donations. If you are interested, you can send your donation to:

Hartland Optimist Club, P.O. Box 64, Hartland, MI. 48353 or online at www.paypal.me/optimists

- There are many ways you can help support this project:
- Adopt a Family
- Donate nonperishable food items or paper products
- Make a donation to Hartland Optimist Club
- Join the Optimist Club

All donations are appreciated; every dollar helps and goes directly to our families. Community support makes this worthwhile project a success!

Abduction Safety What do I tell my child?

Here are two common questions I have gotten recently: "How old should I start talking to my child about self-defense/abduction safety?" and "What should I tell them?"

How old? As early as possible. Think of it like teaching a child to "look both ways before crossing a street". These are just safety practices they do every day as a normal part of their lives.

What to say? I think this is a much more important question. What prompted and compelled me to make the Facebook video in the first place was most parents, being scared themselves, were unknowingly scaring their children. My basic message was simply "Do not scare your children!"

Using the crossing the street example, what if right after a horrific car/pedestrian accident in your neighborhood you told your child "There are crazy drivers all over the place. Watch out, it is like they are all trying to run you over!" How would this change your child's behavior and outlook on the world?

Here are some tips on what and how should you tell your child about self-defense and abduction safety:

1. Make sure YOU are not in a highly emotional state of anxiety or fear – Children will mirror and magnify your emotions. Do not talk to your child about abduction safety right after being on facebook or talking to another parent about the recent abduction attempts. You may not realize it but when you talk to your child in a highly emotional state they cannot help but absorb it, just ten times stronger.

2. Paint the world accurately – Most of our beliefs about how we see ourselves and our world initially come from our parents. I heard a very funny line the other day – "Some people see a glass as half full, while others see it as half empty . . . but others see the half empty glass as poisoned too!" Do you want your child to see this world as amazing and wonderful with 99.9% of people good? How do you think they would live their life differently if they had the negative, paranoid, pessimistic and scared half poisoned belief?

3. Choose your words very carefully – My number one tip is try never to use the word "stranger". The world is full of strangers and they are actually more likely to be hurt or abducted by someone who is not a stranger to them. What does a stranger look like anyway? A second powerful phrase to use is, do not let anyone "take you away from your family and home". A third word to use is "trick". Here you can say, "Most people in this world are nice, but there are just a few that might try to 'trick' you." These three words are the best way to teach your child without scaring them.

4. Teach them simple, easy self-defense strategies and tactics - The number one rule of self-defense is "distance". Both children and adults freeze or panic, allowing someone to get too close. Distance buys you time. It is hard for anyone to hurt or take you if you maintain distance. So, we teach our students to immediately put their hands up, use their voice, AND start backing away IMMEDIATELY. Second is "intuition". While backing away, they must run the instant their intuition tells them something is not right. Always trust your intuition. When they run, they are to yell "No, Stop, You are NOT my father (or mother)!"

5. Use the actual tricks – Teach them the actual tricks child predators and human traffickers use. The top ones are people that look safe, being asked to help, being threatened, and the use of a weapon.

6. Don't just tell them – They really either need to see an actual live scenario or better yet role play it with stress.

I hope these tips help you keep your child safe,

Sensei

Hartland Happenings

Partners in Progress is a collaborative working relationship between the Hartland Area Chamber of Commerce, Hartland Consolidated Schools, Cromaine Library and Hartland Township. Influenced by the **Hartland Area Project** of the 1930's, Partners in Progress embodies John Robert Crouse, Sr.'s emphasis on the necessity of cooperation to effect positive change.

More to come at
HartlandLiving.com

The four partners are working toward a shared vision of **Hartland Living** to attract new businesses and families to the area, and to refine what makes Hartland the place to call 'home'.

Balancing Hartland's outdoor living heritage with 'smart growth' is a complex process that entails the need for plenty of J. Robert Crouse's original cooperative spirit!

Recently, four teams comprised of students from Hartland, Brighton, and the surrounding areas competed in the World Robot Olympiad (WRO) Competition.

The teams Golden Eagles, Tanks, Spyder 2 and the The Hydras competed at the Michigan State Tournament held at Bloomfield Hills. Spyder 2 and The Hydras took 3rd and 4th place, respectively. The Hydras, an all girl team, went on to compete at the National Tournament held at North Carolina State's Reynolds Coliseum in Raleigh, NC, where they placed 5th overall.

The 1st place winners of this tournament won a trip to the World Tournament held in San Jose, Costa Rica. All four teams were coached by Frank Tappen. Congratulations to everyone who competed and especially Sophia and Mia of the Hydras!

Brayden McLaughlin grew up watching and loving golf. In April 2017, his parents took him to a tournament in Columbus, Ohio for his first ever tournament. He finished fourth and was hooked. In July of that year, Brayden went to the drive, chip and putt local qualifier and finished third by one point and won the putting contest and qualified for the next round.

Shortly after he qualified, his parents took him to Hartland Glen and met with Coach Nick Anderson, head Pro at Hartland Glen. Nick and the crew at Hartland Glen have been great supporters of Brayden. He practiced and played in numerous events throughout the summer.

In August, Brayden went to Oakland University for the Sub-Regional finals and won the event by having some excellent chips and holing two of the three putts. He next competed on Sept. 16 at Murfield Village and finished in the middle of the 12 contestants. Although the 8-year-old didn't qualify at the event for the next round, his parents are very proud of his achievements at such a young age and continue to encourage his love of the game.

His parents wanted to congratulate Brayden on an awesome year of golf and thank Hartland Glen and head pro, Nick, for his hospitality, coaching and "love of helping kids" learn the game of golf.

Flash from the Friends

It is a beautiful fall day and it seems that everywhere one looks there is a lovely potted "Mum Plant" on a porch. It is enough to make a person happy, and that's exactly how the "Friends" are feeling. The "Friends" and volunteers who worked so diligently before, during, and after the "Book/Bake Sale can smile at a job well done. The figures show that both the Bake and Book Sale exceeded expectations, wow how special !!!!!

It should be noted that all profits go to benefit the Cromaine District Library. The "Friends" just completed their \$12,000 commitment to equip the new "Teen Room". Most of the funding was used to install all new shelving inside the "Teen Room" plus re-upholstering the Crossroad's computer chairs and comfy chairs for use in the room. The "Friends" received a very generous donations from Makles Table & Taps in conjunction with a dinner on September 25 where folks from all over joined for dinner where Makles donated 10% (and much more) if "The Friends of Cromaine was mentioned. Thank you Makles.

The "Friends" recently funded the "Sallie's Author Visit" with D. E. (Dan) Johnson. What a wonderful evening. Also, the "Friends" are a sponsor of the "Grant Sweet Memorial Essay Contest". This is open to students in 7 through 12 grades in Livingston County (including homeschoolers in equivalent grades). Deadline for entry is November 1 and the reading of the winning essays is November 7. The "Friends" , along with an anonymous donor and the American Legion Post provide the substantial cash prizes for the winners.

The "Friends" enjoyed the "Celebration Event" held at Cromaine on September 29 and 30 to honor 90 years of being the Cultural Center of Hartland. We were also excited to see the wonderful changes that have taken place in our Library. It's been a special Fall, now on towards Winter!

Your "Friend" Mary Lynn

Dance The World

Members of Dynamic Expressions, Hartland Community Education's dance program, will once again embark on the trip of a lifetime. In June 2018, they're headed to Orlando, Florida to dance at Walt Disney World with other students from around the globe! As part of the "Dance The World" experience, the girls get to dance in a parade in Magic Kingdom, and also do a second performance on stage in Hollywood Studios.

The girls work very hard to make this a reality, putting in extra practice throughout the school year after their regular dance class has completed, to learn their Disney dances. They also are working hard to raise funds for the trip.

Dynamic Expressions has planned a fundraising event that will take place on Friday, November 3 from 6-9 pm at the Hartland Educational Support Services Center at 9525 E. Highland Rd. The event will include dinner, trivia and a silent auction, with all proceeds going to the dancers and their families to cover travel costs.

Silent auction items include American Girl Doll, autographed item from the Detroit Red Wings, concert tickets, Diamonds Steak and Seafood many other gift certificates to local restaurants, items from local businesses and more!

Dynamic Expressions would like to thank Tony Sacco's Coal Oven Pizza, Meijer, Mackle's Table and Taps, Hartland Community Education, Fusion Shows, Daratony Family, Rollerama, Stonekast Studios, Cooper and Binkley, Waldenwoods, Buffalo Wild Wings, Ironwood Golf Course, Walmart, Costco, Target, Hartland Glen, Sky Zone, MJR Theaters, Detroit Red Wings, Emagine Theaters, Rottermond Jewelers, Tropical Smoothie, Hartland Barbershop, Jet's Pizza, Fountain Nails, Kahuna Coffee, Black Rock, The Ceramic Studio Etc & Hallmark for their very generous donations and support!

Dinner starts at 6:15 pm and silent auction bidding will be open until approximately 8:15pm. Dinner and trivia costs \$5 per person. There will be a cash prize for the winning team. Participation in the silent auction is free. Choose one or all to participate in!

Childcare is free (donations welcome), provided by high school dance students.

For more information, advance reservations (not required but appreciated), or to make a donation, please email Dynamic Expressions director Teresa Dorough at teresadorough@hartlandschools.us, or leave a voicemail at 810-626-2146.

The "Really Big Christmas Show" Coming to Hartland

A cast of over 200 will present many of the most familiar songs of the holiday season during a concert that features the pageantry, costuming and special effects reminiscent of a Broadway production.

"The Really Big Christmas Show" will visit six Michigan and Ohio cities in November to launch the local holiday season, including Hartland on Nov. 11 at 2:30 pm at the Hartland Performing Arts Center, 9529 E. Highland Rd. Howell, MI 48843.

"The Really Big Christmas Show" has been a tradition for area concert goers for more than four decades with sold-out performances in each venue. A highlight of each show is audience participation and surprise early Christmas gifts.

Tickets are \$50 for the best seats with a Meet & Greet, \$39 for maestro circle seating, \$29 for premium reserved seating and \$18 for reserved seating. Special pricing is available for organized groups of 20 or more.

To order tickets call 800.993.SING (7464) or order online at www.cmichoir.org.
