Superintendent's Message

Chuck Hughes, Superintendent

@hartlandschools

Welcome to the 2017-18 school year!

As planned, the Board of Education followed through on their intention to lower the Debt Retirement Tax Levy by 0.5 mills to accommodate the 0.5 Mill Building and Site Sinking Fund approved by the voters in May. This was done during the June 26, 2017 Board of Education Annual Budget Hearing and will go into effect in December. Thanks again for trusting that Hartland Schools is working hard to provide a safe and engaging learning environment for our students.

With the new year comes new expectations and learning experiences for our students and staff. I want to welcome all of our new staff members to the Hartland Schools family and pledge the support necessary to ensure that each of these individuals is able to perform at the highest level possible. I am especially excited to welcome Mr. David Minsker as he moves into the Assistant Superintendent of Curriculum and Instruction role. Mr. Minsker has experience teaching and leading at each building level, and most recently as Principal of Hartland High School.

As superintendent, I will continue to use the HCS Guiding Principles when making decisions. The HCS Guiding Principles are as follows:

- Create a solid foundation for school and beyond
- Provide a strong core academic program
- Develop the "whole child"
- Provide opportunities to help students develop skills for the 21st century – problem solving, creativity, and real world application
- Ensure a positive, safe, accessible learning environment for all children
- Strive to provide innovative programs and services for Hartland to remain a premier district of choice
- Recognize the uniqueness of each individual within the context of the needs of the whole learning community

It is my hope that Hartland Schools rises to the high expectations placed upon us and that we have a wonderful year learning together. If at any time you have questions or concerns about happenings in the school district, please feel free to contact me at 810-626-2100. Be sure to follow the district on Facebook (hartlandconsolidatedschools), Twitter (@hartlandschools) or visit our website at www.hartland-schools.us. Hartland Schools

Person of the Month

Renee Braden

Renee came to the district in 2002 to serve as a secretary at Farms Intermediate School. While at Farms, she enjoyed meeting new people and building relationships with the students, parents, and staff, and has many fond memories. In 2012, Renee moved to the Administration Office as an administrative assistant for the Curriculum Department and the Technology Help Desk, where she has been responsible for day-to-day management and purchasing.

Renee is happily married to Don and they have a dog named Daisy. Daisy is the queen of the house. She has five grandchildren whom she enjoys babysitting and attending their activities. Her nephew is a 2017 graduate of Hartland High School and her niece will graduate in two years. Renee also has a sister, Sheryl, who is a bus driver and trainer for the district.

Following are Renee's thoughts regarding her experiences working in Hartland.

"The most memorable moments are those that occur daily where laughter and relationship building happens here in the district. It is a great feeling to get up in the morning and leave for work knowing that the people in the curriculum and technology departments work hard to make life easier for staff and students. I love working with parents and students on the use of the parent and student portals. I take pride in helping them resolve issues quickly. I understand how easy it is to get frustrated! With a little bit of kindness and patience, I get to help them through their frustration."

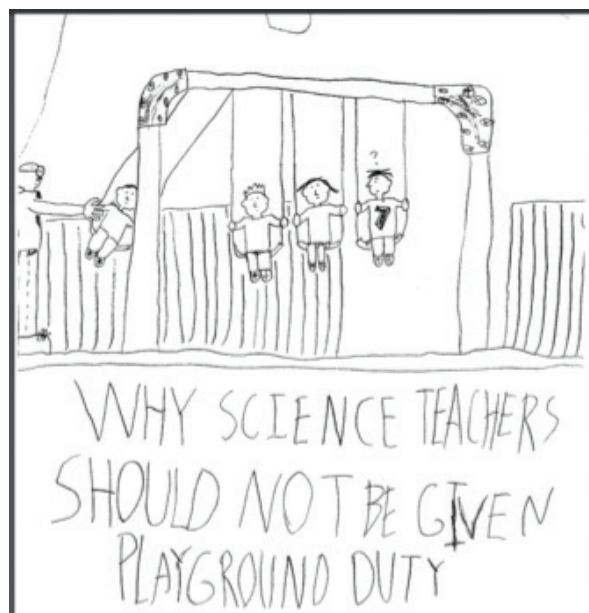

"I am still here in Hartland after 15 years because I really enjoy my job and those I work with. Based on my experiences with family and friends in other school districts, I have to say that Hartland does a great job connecting education, families, and the community. I recommend Hartland Schools to many people that I talk to because I know that district staff work hard to put students first."

During the past school year, situations occurred in which emergency response vehicles could not maneuver around vehicles parked in the fire lanes. Most notably this has occurred at the high school sports complex and in the Lakes Elementary and Farms Intermediate circle drive. The district would appreciate the public's cooperation not parking where fire lanes exist. This includes the striped off areas in some of our parking lots.

Community members may not be aware that these fire lanes exist for two reasons. The first is the fire department needs access to our buildings 24 hours a day. At any moment a situation could occur that requires emergency access to the facilities. If vehicles are parked in the fire lanes, emergency vehicles cannot efficiently tend to the emergency at hand. The second reason is that at any given time an individual or group of individuals may require medical attention. With access points blocked, the emergency staff cannot effectively reach and treat those in need.

Please heed the signage and marked areas designated as Fire Lanes and keep these areas clear at all times. In the event that individuals continue to ignore the signage around district facilities, tickets may be issued to violators. Help us keep our community members, guests, and facilities safe.

ADVISORY TO ALL PARENTS INTEGRATED PEST MANAGEMENT

Dear Parent/Guardian:

The Hartland Consolidated Schools has adopted an Integrated Pest Management program. Inherent with this are the District's efforts to reduce pesticide use as much as possible. While it may occasionally be necessary to apply a pesticide, these will only be used as a last resort. This program does not rely on routine pesticide applications to resolve problems. We use various techniques such as habitat alteration, sanitation, mechanical means, exclusion, etc. to prevent pest from becoming a problem.

You will receive advanced notice of the application of a pesticide, other than bait or gel formulations at your child's school. This advance notice of the application will be given 48 hours before the application. The law requires us to do this notification by using two methods. The first method required by the law is the posting at the primary entrances to your child's school. The entrances that will be posted are those entrances that have a sidewalk that leads directly to a parking lot. The second method we are going to use is the posting in a common area located by the main office of the school. Parents are also entitled to receive this notice by first-class United States mail postmarked at least 3 days before the application. If you would like to be notified by mail please contact the Operations Department at (810) 626-2185. Please give the office your name, mailing address and what school your child attends.

In an emergency (for example, bees nest), pesticides may be applied without prior notice, but you will be provided notice following any such application.

You may review our IPM program or pesticide application records for your child's school by calling or e-mailing Matt Marino the District's Director of Operations at (810) 626-2185 e-mail at mattmarino@hartlandschools.us. This number or e-mail may also be used when school is not in regular session.

Sincerely,
Matt Marino
Director of Operations

Welcome Back from Hartland Transportation!

The 2017/2018 school year is quickly approaching. We are looking forward to another great year! As always, we strive to make your child's bus ride a positive part of their educational experience. Here are a few important informational points for review:

* Your student must be waiting at the bus stop 5 minutes prior to the scheduled arrival of the bus. Once the alternating lights of the bus are deactivated, the bus driver cannot legally reactivate them and it is then the parent's responsibility to transport their student to school.

* Students and Parents should never try to catch the bus once the lights have been canceled. Please do not go to another bus stop without contacting the Transportation Office; the bus driver must be notified.

* If possible, your house number should be visible from the traveled roadway; mailbox numbers are acceptable but should be large enough and clearly visible on both sides.

* The expected behavior of the student rider is found in the Parent-Student Handbook. We encourage parents to review these responsibilities with their children to ensure their privilege of riding is not lost. The handbook can be found at: <http://www.hartlandschools.us> and clicking on the Parents & Students tab.

* Postcards will be mailed home a week before school starts with your student's bus information. The computerized postcard will only list one stop address but your student should wait on the same side of the road they reside on until the bus is in place with red lights activated and the bus driver crosses them.

* Students should never cross the road prior to arrival of the bus.

**If you have any questions or concerns we would be happy to talk with you.
Please contact the Transportation Office at 810-626-2175**

Bryce's family has always been supportive and encouraged him to succeed through the years, especially his mother. In 2009 Bryce's mother, Ruth Ann Watson, passed away from cardiac arrest. In his mother's honor, Bryce has worked hard each day to make his mother proud. Today, Bryce would like to dedicate this recognition of achievement to his beloved mother. Next year, Bryce plans to study chemistry and physics and is pursuing a degree in chemical or nuclear engineering at the University of Michigan.

Seniors, it is College Application Season!

Hartland seniors were encouraged to use their time over the summer vacation to make sure they are ready for the college application season. Most colleges have their applications available online on August 1st. In order to apply for admission seniors must:

1. Complete the online college application and follow all steps outlined by the specific application.
2. Request that Hartland HS send your official transcript by creating a www.parchment.com account and completing an online transcript request. Students who are well organized and planning ahead can make transcript requests in August. However, seniors should note that the HS Counseling Office will not begin processing transcript requests until the second week of school.
3. Submit all necessary payments.
4. Monitor your application through your account on the college website to make sure that all parts of your electronic application were received and downloaded in a timely manner.
5. Let you counselor know when you are accepted. Once you have completed all of applications, seniors are able to move on to complete their financial aid applications (FAFSA) in October. Families will be using their 2016 tax documents to apply for financial aid.

Finally, seniors can begin the process of researching scholarship opportunities. There are numerous online search engines for scholarships that can be particularly helpful.

In addition, the counseling office will email you with a monthly newsletter filled with scholarship opportunities. Seniors who have used their summer wisely and have completed their applications early in the fall are far less stressed and have more time to devote to searching for scholarship dollars!

We are excited to announce Hartland High School will have a Gymnastics Team for the 2017-2018 winter season! There is a Parent/Student Meeting on **Thursday, September 28th at 6:30pm** in the old Hartland High School (room 18). This meeting will cover earning a varsity letter, costs, meet schedule, practice times and more.

Please email (tjayne1515@gmail.com) or call (810-207-5705) Coach Taylor Jayne with any questions or if you cannot attend the meeting. Practices will start in November and end in March 2018.

WELCOME FROM THE PRINCIPAL

On behalf of the faculty and staff of Hartland Middle School at Ore Creek, welcome to the students and families new to our school as well as to those returning for another school year. We have been working hard to continue to provide the best education possible for our students.

The school office reopens August 15 with office hours 7:00 a.m. to 4:00 p.m. Please feel free to drop by or call the Middle School office at (810) 626-2400 with any questions.

BACK TO SCHOOL

We have been busy working to be ready for the first day of school, **September 5**. It is hard to believe that the start of the 2017-2018 school year is just around the corner, and that we are welcoming the classes of 2022 and 2023.

We will not be mailing out schedule/registration packets this year. You will find registration information online at <http://orecreek.hartlandschools.us/Fall-Registration/index.html>. Online forms will be available by August 1 through September 4, 2017. If you do not have access to a computer, you may pick up a registration packet in the front office of the Middle School, Monday through Friday, from 7:30 a.m. to 3:30 p.m. starting August 15th.

Dates for registration are:

- Last Names A through E** - August 28, 2017 8:00 a.m. through 11:00 a.m.
- Last Names F through L** - August 28, 2017 12:00 p.m. through 3:00 p.m.
- Last Names M through R** - August 29, 2017 8:00 a.m. through 11:00 a.m.

ATHLETICS

Cross Country and Girls Volleyball seasons start at the beginning of the school year. Students planning on participating in any school sports team or club this year must have a current physical (dated after April 15, 2017) on file in the Middle School office in order to participate (forms are available in the Middle School office and on our school web page). There is a participation fee for interscholastic sports and school sponsored clubs. A one-time \$100 fee will allow students to participate in any school team and/or club for which they otherwise qualify (this one-time fee covers all school sponsored sports and club participation fees throughout the year).

Above: HMS teacher and coach Jerry Bliznik received the 2016-17 Extra Mile Award.

TARDY TO SCHOOL POLICY

Please help your child do his or her best. Attendance is a crucial factor for student academic success.

- Students tardy to school (i.e. late to Homeroom) must be signed in at the front office by a parent or legal guardian in order for the tardy to be considered excused.
- Unexcused tardies to school will result in disciplinary action.
- Excessive parent excused tardies may be referred to the Livingston County Attendance Officer.

PHONE MESSAGES TO STUDENTS IN SCHOOL

It can be very disruptive to call students out of class to deliver routine messages. Please make every effort to communicate after school plans with students before they begin their school day. We appreciate your help in keeping our school the best learning environment possible.

SAFETY IN THE PARKING LOT

The morning "drop off" time before school and afternoon "pick up" time after school means that students who are being driven to and from school must negotiate a very busy parking lot. **PLEASE DRIVE SLOWLY AND CAUTIOUSLY** and put the safety of our students ahead of time issues.

PARENT E-MAILS

We will be making regular (usually weekly) mass e-mails with news and updates. If you do not have Internet access, you or your child may pick up a hard copy of the weekly parent/guardian e-mail in the school office.

Welcome Back!

We are excited to start a new school year at Creekside! We look forward to welcoming all our new and returning students to school at our Back to School open house on **August 30th**.

Our Kindergarten students and parents will meet with their teachers from 4:30 to 5:30. **The PTO barbecue will start at 5:30 and the school will be open from 6:00 to 7:00 for classroom visitations.** Our teachers are anxious to meet their new students and families and share information that will help everyone to be ready for the first day of school.

We have some changes at Creekside this year. As many of you know, Ms. Seiter was recently married and has accepted a new kindergarten position in Minnesota. Mrs. Pearsal has retired and is enjoying Northern Michigan. Our music teacher, Mr. Rockafellow has decided to return to his roots and will be teaching music in Perry, Michigan. All of these teachers have been remarkably important in the lives of so many of our Creekside children. We wish them well and will miss them greatly!

We would like to welcome two new staff to Creekside.

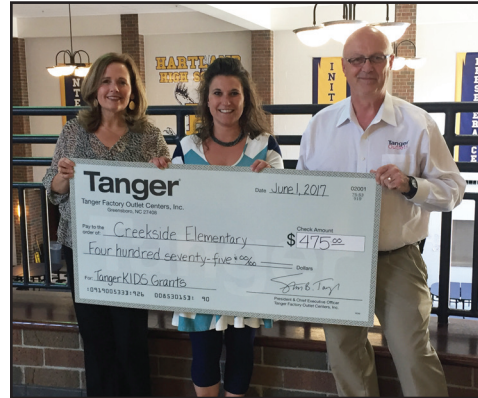

We are delighted to welcome Shauna Pietila (pictured right) to our first grade team. Shauna had an amazing year as a long term substitute teacher at Lakes last year. We are very happy to welcome her to Creekside as a permanent teacher.

Creekside families are already familiar with our second addition, Frank Wozny (pictured left). After a stellar year filling in for Mr. Migliore, Mr. Wozny has been offered and accepted the permanent position as our gym teacher. We are very excited to welcome such capable and caring teachers to Creekside!

Above: First Grade students can't wait to get in the pool!

Left: Mrs. LeBlanc accepts a grant from Tanger to improve the seating in her class.

Our teachers have been very busy this month as they prepare their rooms and teaching materials for their new students. The physical facilities crew has also been busy this past summer cleaning and preparing our school for the start of the year. Students and teachers will return to new computers throughout the school. This upgrade is part of our district technology plan and made possible thanks to our 2010 district bond. We are also adding an extra PTO provided Chromebook cart to our school.

Thank you to our community for the continued support for our children at Creekside. We are looking forward to a great year as we "Work Together to Grow Young Minds"!

Above: Congratulations to our super readers!

Left: Field Day fun!

Dear Lakes Parents and Students:

I am sure that your summer was filled with exciting adventures, plenty of rest and relaxation, and fun with family and friends! I also hope it was filled with some reading, writing, and math! I hope you are ready to begin another amazing school year. We wish the very best to our Lakes students who are moving on to 5th grade at Farms this year. We will miss you!

We would also like to thank Mrs. Shauna Pietila, who is now teaching at Creekside Elementary. We would also like to send well wishes to Mrs. Jenna Haller, who will be on leave for the 2017-18 school year. I am also pleased to announce some new additions to our Lakes staff this year. We are happy to welcome Ms. Rachel Czuprenski, our new Special Education Teacher. We are also very excited to welcome Ms. Kelsey Gursinski, our new Junior Kindergarten Teacher. We are very excited to have them at Lakes and know they will be wonderful additions to an already outstanding staff!

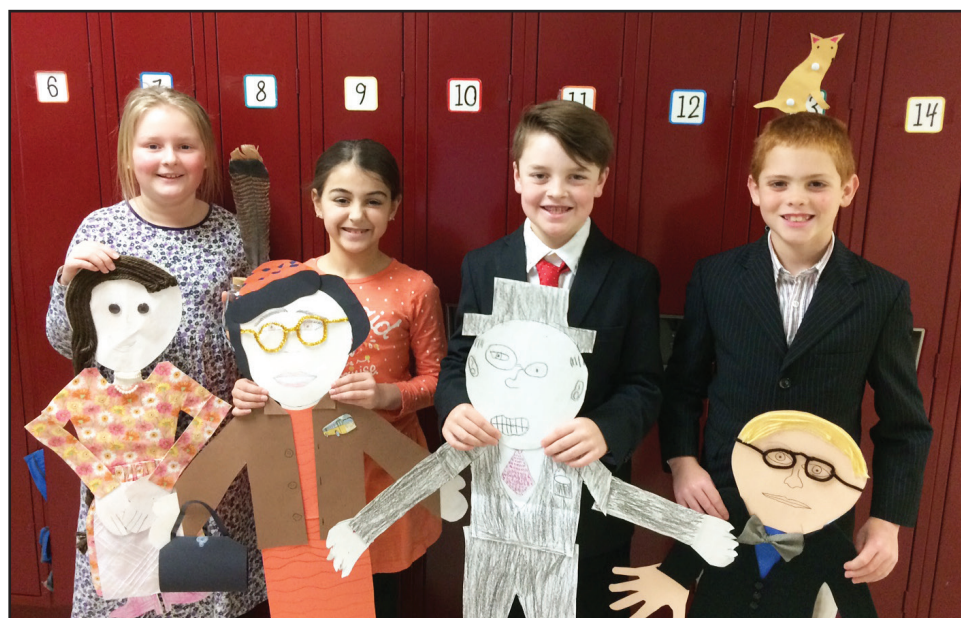

I would like to let parents and students know about our starting and ending times for this year. Our beginning time will be 8:50 am and dismissal will be at 3:50 pm (the same times as last year). We will once again be having "early release Fridays" every week in order to provide more consistent and effective professional development for our teachers, which will directly and positively impact teacher instruction and student learning. Elementary dismissal time on Fridays will be 2:50 pm. Bus service will be provided at the Friday time just as it is on other days. Of course, the Lakes Latch-Key will be available at 2:50 on Fridays as well, for those who participate in that program on other days of the week.

Finally, Lakes will be providing a "before-school-starts" Open House for our 1st -4th grade students this year which will be held on Wednesday, August 30 from 5:30 to 6:30 pm. This will be an opportunity to bring your students into the school before the first day, in order to meet their teacher and locate their classroom. There will be no formal presentation for 1st through 4th grades, but teachers will have curriculum and procedural information available at the Open House for parents. Please note that our Kindergarten Open House will also be on August 30, but it will be held from 4:30 to 5:30 pm. We appreciate 1st-4th grade families waiting until 5:30 to come into the building, to allow our kindergarten students the opportunity to see their new school and visit with their teachers, without too much congestion in the building. You will receive a letter from me sometime in late August, concerning teacher assignments for the new school year, as well as other important information to know before the first day. Looking forward to a great year!

Dear Students and Families:

My name is William C. Cain, and I am extremely excited to return to LEGACY/HVA as the principal and I look forward to seeing all of our students back to school on September 5th at 8:28am. LEGACY has always been a program that is near and dear to my heart as I began teaching at our nontraditional high school (Alt. Ed.) at the beginning of my career here in Hartland. Back in those days we had not yet changed the name so it was referred to as Alternative Ed. My dear friend and teaching partner back then was (Marion) Peggy Fulcher, and she was the first teacher in the program. After a few years we talked about renaming our school because we did not like the sound of Alternative Ed., it was not a positive name for such a great program. Back then Jo Delvero was the overseer of LEGACY, and this program is here because of Mrs. Delvero's tireless effort to support students who needed a nontraditional high school to achieve their diplomas. Mrs. Delvero's vision has given many students an opportunity to get a high school diploma and I am honored to continue that tradition. Hartland Virtual Academy came years later as another opportunity for students to earn a diploma in a nontraditional fashion. Hartland Consolidated Schools has always supported nontraditional paths as we see the needs of our students change over the years. Our New Superintendent of Schools, Mr. Hughes, shared early this summer that the district stands ready to support programs that provide every student with an opportunity to graduate high school. I appreciate that commitment, and I am sure that all students benefiting from the nontraditional schools are thankful for the gift Hartland Schools is providing for all of their futures.

Our LEGACY/HVA staff, Mr. Lemay (PE/Health), Mr. Pomeroy (Randy, social work/counseling), Mr. Gagacki (academic advisor), Mrs. Sahouri (HVA mentor and on line teacher at LEGACY), Ms. Van Hoorelbeke (science), Mrs. Waske (ELA), math teacher Adam McCormick., Mrs. Hamilton (program secretary), Mrs. Silver (MI Works), Mrs. Banks (MI Works), and Mrs. Wilczewski (MI Works), all look forward to our wonderful students returning to us. Our staff cares greatly for our students and they are above and beyond expectations in our mission to educate, graduate, and care for our youth. I have been conducting intakes to bring more students into our programs and we continue to do so for 2017 – 2018 school year at both LEGACY and HVA. Please feel free to contact our extremely knowledgeable secretary Rosanna Hamilton at 810 626 2104, for information regarding an excellent non-traditional high school experience. I am back as is Mrs. Hamilton to answer questions or conduct intakes.

With the coming of the New Year, parents I will be asking as part of our commitment to educate our children, that you be in attendance for our parent/teacher conferences. It is my strong belief that parents must continue to be involved in their children's education all through their time at LEGACY/HVA. I believe that parents should be at conferences as a condition of the student's privilege to attend LEGACY/HVA. We will announce the conference date and times as part of our return to school packet so there is plenty of time to save the date so all parents/guardians can be in attendance. Students love their parents to come up to school, meet the teachers and learn about the great things our students are doing at school. Your child wants you to come to the school.

LEGACY/HVA high schools provide tremendous opportunities for high school age students. We offer a warm, safe, and inviting atmosphere where all students are welcome to come to school and learn. Students graduate from LEGACY/HVA with an endorsed Hartland High School diploma. For more information please visit our web page at hartlandschools.us, or come in and meet me or please follow us on twitter.

*Respectfully,
William C. Cain
Program Director*

Early Hartland Residents

Thomas Hall, b 1873 in Connecticut, died in Hartland Township in April 1840. He is buried in Hartland Cemetery, along with his daughter Lorinda who died in 1858, several of her children, and her husband Amos Richardson. As it turns out, Amos remarried after Lorinda died, but he is buried in proximity to Lorinda.

Thomas Hall had 3 daughters...another daughter Cynthia married Lovell C. Chambers, and both are buried in Hartland Cemetery. One of their daughters married into the Kirk family. Including Thomas Hall and the Crouse brothers, there were about 40 people/families who moved into Hartland area between 1834 and 1850.

If your family came to Hartland before 1860 and you have written family history/old photos, please contact Barbara Krueger, Hartland Historical Society, bek4450@aol.com.

DOES YOUR CHILD LISTEN TO YOU THE FIRST TIME?

It's frustrating when our children can't focus or listen, isn't it?

And when they don't pay attention to what *you* are saying in the home, *you have to wonder how much they are missing at school!*

In 20+ years of teaching Martial Arts and Success Skills, I've developed a five step approach to improve a child's skill of listening. We use structure and discipline (and kids love it!). You can easily use these same five steps with your child!

- **The Listening Posture.** We use what are called "listening cues" in our classes. Teach your child that when it's time to listen, they must sit or stand straight up with good posture. Shoulders back. Lift the chest a little. Chin high. This alone can double listening retention!

- **Direct Eye Contact is Essential.** Insist on it. Your child will then be able to focus on the words being said. Computers, cell phones and texting work against us in developing good eye contact skills in children and teens!

- **Listen to the Complete Message Before Acting.** Children tend to listen incompletely. We find that children will tend to listen to the first part of an instruction, then start to act before the complete instruction is heard. Teach your child to maintain eye contact and posture until the talker is completely done. They have to learn patience and self discipline.

- **Repeat the Message Back to the Speaker, When Possible.** We like getting them to repeat complex instructions in class. You can do the same at home. For example, a child might say, "So, Mom, you'd like me to clean up my room and feed the cat before I play on the computer?" This lets the speaker *know* your child has understood!

- **Praise Good Listening Skills!** Changing children's behavior is basically pretty simple - just praise the desired behavior and ignore the undesired behavior. "*Catch them doing something right*". When they listen well - PRAISE THEM!!!!

Even very young children can be taught these steps. Begin by reading the steps to them, and then practicing each skill!

When you observe your child losing focus, just the simple reminder, "Remember ... listening skills!" will re-focus them. In our class we frequently use the powerful and effective question cue "**Are you listening like a Black Belt?**".

And, of course, it can't be repeated enough - watch like a hawk for situations when your child **does listen effectively**. Catch them doing it right, and follow up with a huge dose of appreciation, like, "*Honey, I am so proud of you for listening to what I was saying!*"

If you have questions about the five Skills of Listening, give me a call; I'd be happy to help!

Yours for Rock Solid Kids,

Sam Larioza

DAR Honors Larry Detter with Community Service Award

Larry Detter was recently honored by the Philip Livingston Chapter of the Daughters of the American Revolution with a Community Service Award for his volunteer work at the Hartland Senior Activity Center and The Lyle and Mary Rizor Nature Sanctuary. Detter conducts the music programs at the Hartland Senior Activity Center. He leads the Men's Choir (Silver Squires), Women's Choir (Silver Chords), and the band (Second Wind Ensemble). He participates in the Silver Ringers (hand chimes) as well as "Joe and the Dudes", who perform every other Wednesday during lunch time. He also teaches the musicians, spends time at home prepping for classes and participates in the center's evening concerts as well as participating in the major fundraiser concert each fall.

"I can without a doubt say that Mr. Detter is the reason our music programs thrive," said Kim Ladd, Director, HSAC. "He cares deeply for his "students" as well as their success... He is the epitome of commitment".

The DAR also recognized Detter's many years of work with the Michigan Nature Sanctuary as lead steward of the 42 acre Lyle Rizor Nature Sanctuary in Livingston County. He assists with tasks which facilitate public access to the space and helps with habitat management. His primary responsibility is to ensure that the trail system is groomed for hikers by mowing portions of the trail, maintaining the bridge as well as clearing limbs and downed trees. He also helps to manage invasive species within the sanctuary.

"Due to Larry's on going contributions to MNA and the Community, we fully support the recognition of Larry Detter with the Community Service Award from the Daughters of the American Revolution," said Andrew Bacon, Stewardship Coordinator for the Michigan Nature Association.

The Community Service Awards Committee was founded by the DAR in 1995 as an opportunity for state societies and chapters to recognize worthy individuals and organizations for outstanding volunteer achievements in cultural, educational, humanitarian, patriotic, historical, citizenship, or environmental conservation endeavors.

The Award was presented by the Philip Livingston Chapter of the Daughters of the American Revolution at the chapter's 109th Birthday luncheon June 6.

Fall is just around the corner, and we're ready to be awed by Michigan's beautiful colors. The "Friends" are looking forward to their up-coming "Fall Book/Bake Sale." Of course we anticipate lots of hard work, but good times accompanied by many laughs. We always need volunteers, so please call Mary Lynn at 810-229-7356, if you can help with set-up on September 13, or sales on any day. We will have a Bake Sale on Thursday, September 14 and September 15. We would appreciate all baked goods delivered to the "Library Administration Office" on September 13, by 1:00 pm. We have a wonderful selection of books, so come visit as on the following days:

Thursday, September 14 9:00 am-6:00 pm

Friday, September 15 9:00 am-6:00 pm

Saturday, September 16 9:00 am-4:00 pm

Bake Sale Thursday & Friday

Friday, September 15-3:00 pm-6:00 pm Bag Sale for Teachers and Homeschooling Parents: First bag is free, additional bags are \$5.00

Saturday is \$5.00 Bag Sale for everyone.

The "Friends" owe a million thank yous to "Mackel's Table and Taps" at 1774 Old 23 in the Hartland Town Center Mall for allowing us to pursue a Benefit Outing at their Restaurant on Monday, September 25, (all day) . Just stop in to eat and mention the "Friends" of Cromaine and we will be awarded 10% of all sales. Mackels has GREAT food. Please encourage your family and friends to enjoy a "Night Out at Mackels"

*Hope to see you soon!
Your Friend, Mary Lynn*

Thank you from Hartland Community Council!

Hartland Community Council would like to thank all the volunteers and council members who came together to help produce the 2017 Hartland Memorial Day parade.

It was a beautiful day with a spectacular fly over, large attendance, and many floats and participants making the Hartland Memorial Day parade one of the best hometown parades in Livingston County.

We would like to extend a special thank you to Dougie's Disposal, Ranger's 4-H club, Hartland Boy Scouts, Bill Bator, Mary & Rick Corder, Hannah Harshbarger and Nate Andersen our official sign holders, the Hartland Senior Center bus, The Majestic Golf course for use of their golf carts, and our parade staging crew, Marty Evans, Bob Rechul, Cindy & Todd Andersen and Emily Roberts. Also, Hartland Consolidated Schools-Transportation & Maintenance department and the schools for letting us use the various areas to stage the Parade.

We hope that you can join us to start making plans for next year's parade. We would appreciate any input about the parade and the post parade events. We meet on the 1st Monday of each month at 6:30 pm at the Hartland Insurance Agency unless other wise noted.

Hartland Cromaine Library Announces the Winners of 2017 Scholarships

Hartland Cromaine Library has announced the winners of the 2017 scholarships. The Post-secondary Education Support \$500 Scholarship Award winner is Isabella Wilson (pictured above far left) of Hartland High School. This scholarship was designed to recognize a graduating senior at Hartland Consolidated Schools who has a Cromaine Library Card in good standing and has a 3.0 or higher GPA.

The Jeanne Smith Teen Library Volunteer \$500 Scholarship Award winner is Tyler Bye (pictured above far right). This scholarship was designed to recognize a graduating senior who has volunteered at Cromaine over at least three sessions with an average of 15 hours per session.

Hartland's Cromaine Library is a supporter of lifelong education. Cultivating a culture of continuing education beyond high school is fundamental to sustaining an environment consistent with the support of cultural enrichment in all its forms that is the legacy of the library's founders, J. Robert Crouse and Henry Tremaine.

BSA Troop #381 Honors Eagle Scout Andrew J. Carl

BSA Troop #381 held an Eagle Scout Court of Honor to recognize the achievement of Andrew J. Carl last May in Hartland.

Troop Committee member Deb Cururu welcomed family and friends of Andrew along with Sheriff Mike Murphy and County Commissioner David Domas, fellow Scouts and adult leaders of Troop 381, before inviting Assistant Scoutmaster and Troop Chaplain Jim Bauer to deliver the invocation.

Assistant Scoutmaster Mike Peterson presented the Significance of the Eagle Rank and the Charge to Eagle. Scoutmaster Ron Trosin II lead Andrew in the Eagle Promise and called Andrew's grandmother, Kathy Lampe, to pin Arthur Lampe's Eagle rank pin on Andrew. Art Lampe was Andrew's grandfather and Eagle Mentor. Senior Patrol Leader Ben Portelli replaced Andrew's neckerchief with a new one symbolizing his membership in the National Eagle Scout Association.

Mike Peterson then asked the Honor Guard to escort Andrew's parents, Heather and Joe Carl, forward to receive their Mother's and Father's pins, respectively. Andrew presented Eagle Mentor pin to his grandma, Kathy Lampe.

Andrew and his family are members of Fellowship Bible Church in Hartland. As a volunteer at the church's annual Vacation Bible School, Andrew recognized the need for an outdoor play area. For his Eagle Scout Service Project, Andrew built a playground at the church so children would have a safe, fun area to play outside.

BSA Troop #381 Honors Eagle Scout Aidan Snell

An Eagle Scout Court of Honor was held last June when friends and family of Aidan gathered to recognize his elevation to the highest rank in Scouting.

Troop Committee Chair Lauri McCollum welcomed the guests and invited Assistant Scoutmaster and Troop Chaplain Jim Bauer to deliver the invocation. Scoutmaster Ron Trosin lead Aidan in his Eagle Promise.

Aidan's parents, Gretchen and Dave Snell, were given the honor of pinning his Eagle rank pin and replacing his neckerchief with an Eagle bolo tie, a Troop #381 tradition. Aidan then awarded his parents with their Eagle Mom and Eagle Dad pins, and his Eagle Mentor pin was awarded to his Eagle advisor, Scoutmaster Ron Trosin II.

Scoutmaster Trosin returned to share the Legend of Eagle Mountain and some reflections about Aidan's time in Troop #381, then invited Aidan to share some comments and a slideshow he had produced. The ceremony was officially concluded following the closing flag ceremony, and the Benediction delivered by Jim Bauer.

Among the Scouts who worked on his project was a fellow Eagle Candidate who would build picnic tables for another organization for his own Eagle Service Project. Aidan mentored him in both the construction and team leading aspects of the project. The tables built are currently in use at community parks in Livingston County, Michigan.
