First Day of School 2019-20:

It is hard to believe that August 28, 2018 is so far behind us. Welcome to 2019 and what I hope is as good a year as 2018. Please mark your calendars for Wednesday, August 21, 2019, as this will be the first day of school for the Hartland Consolidated School District. The intent is to complete the first semester by the start of the Holiday Break and second semester around June 1, 2020. If you have questions or concerns please feel free to contact me at 810-626-2100.

Could There Be A School Bond Proposal Coming To Hartland?

A task that the Board of Education asked me to complete during this school year was to engage our stakeholders in conversations regarding program and facility upgrades that the district needs to be considering in order to remain a "Premiere School of Choice" district in the State of Michigan. I have been busy visiting with all of our Parent Teacher Organizations, the District Parent Advisory Committee, the Senior Center Advisory Committee, HAYAA & HUFC Youth Board and Coaches, representatives from other youth recreational activities, District Athletic Coaches, and District Staff. At each of these meetings, I have shared a presentation outlining the state of the district and asking the same question, what programs or facilities do we need to be working on in order to remain a Premiere School of Choice district?

I feel it is important that the community knows that the district is currently discussing options for increasing our revenue stream. In past Community Life issues, I have shared how schools continue to be under funded and how the State of Michigan continues to draw funds from the School Aid Fund that are not directly supporting the K-12 public

school system. It is important that we all understand that whenever the district creates new programming, we have to figure out how to pay for it out of the general fund which continues to be stretched to pay for things that past bonds paid for such as technology upgrades and large ticket facility upgrades. What does this mean for the Hartland community? This means that the community may be asked to consider a bond proposal to address long-term facility, technology, and transportation needs. The goal is always to ensure that the district provides relevant and essential programming for student learning, while creating a safe and challenging learning environment. While I am not sure now what this proposal might look like, it is my responsibility to keep the Board of Education and citizens of Hartland current on potential future needs.

Please feel free to contact me at chuckhughes@hartlandschools.us or 810-626-2100 with suggestions or comments. I will keep you informed on the progress of these discussions.

January 2019 Person of the Month: Monique Alberts

I am a proud Hartland schools graduate. From a very young age, I knew I wanted to be an elementary teacher. I attended Eastern Michigan University for my bachelor's degree in elementary education, with an early childhood endorsement. I then went on to get my master's degree from Marygrove College. Something that Hartland schools instilled in me was the drive and passion to be a lifelong learner. I love learning new things, reading books and attending professional developments. For the last several years, I have attended Teacher's College at Columbia University to learn more about teaching, reading and writing.

I began my teaching career in 2005 as a 4th grade teacher at Lakes Elementary School. I taught 4th grade for 8 years before accepting a position in 2016 as Dean of Students at Farms. In 2017, another job opportunity arose as the district's literacy coach. For the past 2 years, I have been the district's literacy coach, which means I work with teachers and students in grades K-12 on anything and everything literacy. I absolutely love this position. I love all the learning that it brings, day in and day out. I sometimes start my day in a Kindergarten classroom and finish in an 11th grade classroom. I have developed so many relationships around the district. I get to witness the power of learning as it builds year to year, and I get to share my passion of reading and writing with others all day long.

I grew up in Hartland and attended Lakes Elementary starting in 3rd grade. My parents still live in the Hartland district. My husband and I live in Howell on a small hobby farm, with our two girls Emersyn and Adalyn. Emersyn is a 6th grader at Farms and Adalyn is a 1st grader at Lakes. I love that they now get to learn in the district that has taught me so much. It is fun to be able to share Hartland stories and memories with them.

My most memorable moment is around learning. A few years into my career, I shifted my thinking, and realized how powerful teaching can be when you teach the reader, not the text. Understanding transferrable strategies created a learning environment with high engagement, which inspired me to keep teaching.

I am still here because I believe I can make a difference, both in the lives of students and teachers. I love to learn, and I get excited to share that learning with others. I have a passion for what I do, and I try to let that shine through in my daily interactions. Every day I get to work with many different teachers, collaborating to help students achieve. Conversations, deep thinking and working together is what drives me to keep going. I enjoy this work because it is challenging and every day I learn something new.

Kindergarten Enrollment 2019-2020

Kindergarten enrollment packets will be available on February 1, 2019

Kindergarten Orientation

A Kindergarten Orientation will be held on Saturday, February 16, 2019, from 10 AM to 11:30 AM at the Hartland Educational Support Service Center, 9525 E. Highland Road (M-59).

The orientation will provide parents an opportunity to hear from kindergarten teachers about a “typical” school day and the kindergarten curriculum. In addition, administrators will be on hand to talk about school safety, transportation, school attendance areas, student nutrition, and answer questions. This will be a family-oriented event and you are encouraged to bring your kindergarten child(ren).

Hartland Consolidated Schools will be accepting kindergarten enrollment packets beginning February 1, 2019 at the Board of Education office and each elementary school office during office hours. Enrollment packets can also be downloaded from our website at www.hartlandschools.us.

In addition to the enrollment packet, the following documents must be presented when registering:

- Original birth certificate with seal, plus a copy for school records
- Immunization records with proof of DTP, Polio, MMR, Hepatitis B, Chicken Pox vaccines (or proof of having illness), and vision screening, plus copy of same for school records
- Proof of residency using one of the following: certificate of occupancy, purchase agreement, builder's permit, rent receipt or agreement, mortgage statement/receipt, voter registration card, utility bill, driver's license

Children are eligible for enrollment in kindergarten in September 2019 if they will have their fifth (5th) birthday on or before September 1, 2019. A child who turns 5 after September 1st and before December 1, 2019 may enroll if parent/legal guardian signs a waiver and it is supported by the school district.

A full-day Junior Kindergarten program may be offered. A minimum number of students are required for the program to be made available. Parent may need to provide transportation in order to participate. The age requirements for Junior Kindergarten are the same as for the regular Kindergarten program. You may contact Scott VanEpps at 810-626-2111 or scottvanepps@hartlandschools.us for more information.

School Bus Safety: Running Late to the Bus

Should my students cross the road before the bus arrives: All students loading/unloading the bus are required to wait on the same side of the road that they reside on, a minimum of 10 feet off the roadway, and be clearly visible to the bus driver through their front windshield. The bus driver needs to see the student and the student needs to see the bus driver. Students crossing the road must cross in front of the bus and wait for the bus driver to display the safety signal.

What to do if your student misses the bus: Parents should never try to catch up with the bus. Never assume that the bus driver knows that you are following the bus. Your student approaching from the rear of bus puts your student inside the Danger Zone without the driver knowing. You really only have 2 options at that point: drive your student to school, or call transportation to make possible arrangements to take your student to another bus stop. Communication and keeping your student out of the Danger Zone are most important things we can do.

From the Counseling Office: All Seniors Are Encouraged To File For Financial Aid

Hartland High School is aiming for the senior class to have a 100% completion rate of the Free Application for Federal Student Aid (FAFSA). It has been proven that students who fill out the FAFSA are more likely to follow through on their post-secondary plans, and many schools no longer give out merit scholarships to students who do not apply for financial aid through the FAFSA.

If you have not yet applied for financial assistance, it's not too late. Students/parents should go to www.fafsa.gov to complete their application. The process is free and can make a tremendous difference in your child's ability to pay for their postsecondary education. In order to encourage FAFSA completion, the high school Counseling Office has partnered with Buffalo Wild Wings. Any senior who has completed their FAFSA is eligible for free wings! Seniors should stop by the Counseling Office for more information.

Parents who are looking for additional resources to help pay for their child's post-secondary education should know that the HS Counseling Office publishes a monthly scholarship newsletter called The Scholarship Gazette. The newsletter contains all of our current scholarship applications and contains a list of sites that will help you conduct scholarship searches. Go to www.hartlandhighschool.us/Counseling/Financial-Aid-and-Scholarships/index.html for this month's scholarship information.

High School first semester exams are coming up January 14th-17th. Please see the exam schedule as you plan ahead to get ready for exams! Monday is a full day of school, with half-days on Tuesday, Wednesday and Thursday. Half-day dismissal is 10:30am and buses will run normal routes at that time. Friday, January 18 is records day and there is no school for students.

Thursday January 17	6 th hour	7 th hour
Friday, January 18	Records day, no school	

High School forensics teacher Mr. Mike Jahnke welcomed Detective Sgt. Specialist Shawn Kolonich of the Michigan State Police Crime Lab in Lansing. Mr. Kolonich works in the Firearms & Tool-marks Identification Unit. This unit is responsible for determining bullet ballistics, gunshot residues, and crime scene firearm identification. Mr. Kolonich also talked about the education pathway required to become a forensic scientist, and went over a case-study with the students. Mr. Kolonich is a Hartland father of 3.

German teacher Frau Pam Iden took the German Club students to the Christmas Market in Chicago to experience a multi-cultural holiday experience. 56 students and 24 adult chaperones left HHS very early Friday and got to spend an entire day eating foods from different cultures, enjoying holiday traditions from around the world, and sightseeing in the Windy City. It is a great yearly tradition; thank you Frau Iden!

Law and Criminal Justice teacher Mr. Dan Aldred took his classes on a field trip to the Livingston County courthouse and jail. Students were able to take a tour of the jail and courthouse, as well as sit in session for "sentencing day." Students were able to learn about the judicial system first hand. The fieldtrip is always a favorite for students!

The HHS Red Cross fall blood drive was held on November 20th. Any student who was at least 16 years old was able to schedule a time to donate blood. Overall, 64 productive units of blood were collected, beating last year's total and will be used in our region throughout the holiday season. Thank you to Dr. Matt Assenmacher and the Engineering & Design students for coordinating with the Red Cross to run a great blood drive!

December Students of the Month

Logan Rockel, eighth grade Student of the Month

Joe Wisniewski, seventh grade Student of the Month

Each month, a selection committee at Hartland Middle School selects one seventh and one eighth grade student to receive recognition as “Students of the Month.” Nominated students must meet one or more of the following criteria in order to be selected.

- The student must show continued success in all subjects
- The student must exhibit good citizenship.
- The student must make a significant positive contribution to the school and others.
- The student must exhibit a positive attitude toward school, self, and others.

Congratulations to our December Students of the Month, Logan Rockel, eighth grade and Joe Wisniewski, seventh grade.

Three Hartland Middle School Students And Teacher Hit The Woods

Submitted by Rob Jellison

As a teacher and avid outdoorsman, I was honored to take three of my students, who have life challenges, on a whitetail deer hunt of their dreams. This was made possible by The Foundation for Hope, Cedar Creek Ranch and the Hartland Youth Outdoors Club. Each year the foundation looks for children with life challenging or life threatening issues who love the outdoors. They look for kids who want to enjoy outdoor activities like fishing and hunting, but due to their circumstances feel they may never truly get a chance to do these things. These students want to forget about the things that make them struggle and simply feel the enjoyment of being outdoors with others.

Luckily, three of my students from Hartland Middle School were selected to fill 10 of the open spots for this year. Aiden Steven and his father were able to go the first weekend of October and Charlie Flynn, along with his father and Evan Bretsik, along with his father all attended the second camp on the second week of November – and I was able to be there with all of them!

The first weekend on October found Aiden Stevens in a blind with his father and a full TV camera crew. No pressure there– but Aiden, who is a cancer survivor, was able to harvest a huge 11-point whitetail. The footage was all caught on tape and will be aired on a TV show called “Dreampoint Outdoors – Game of

Inches.” I was there with Aiden and his father and can truly say there were many tears of joys shed as Aiden walked up to his deer. We were all so excited to see him with his dream whitetail.

The second weekend in November would not disappoint. Charlie and Evan had a great time at camp. I taught them how to play billiards and they played pool almost non-stop when at camp and not in the blind. Charlie filled his tag first when he harvested a magnificent 9 point. Charlie has medical conditions, which has him confined to a wheelchair most of the time. Watching him use the guardian shooting system to shoot his deer, wheeling himself (with a little help) out to his downed buck and literally jumping out of his chair to hold up the buck for photos was priceless! Evan Bretsik battles several medical conditions and struggles to get around at times as well. Evan held out to the last day and was the last hunter to tag out. You know the old saying, “Patience pays off.” Well it did for Evan. He harvested a gigantic 10 point! He moved to a new blind the last night and sat in very cold conditions, but the deer of his dreams finally came in and he was able to make a great shot on his deer.

Being there with my students and their parents was awesome and we shared memories that will last a lifetime. I cannot thank the Foundation for Hope enough for making this possible for these youngsters!

Charlie and his father and Mr. Jellison with Charlie's 9-point buck.

Aiden and Mr. Jellison with Aiden's 11-point buck.

Evan and Mr. Jellison with Evan's 10-point buck.

Congratulations to Our Students of the Month

Each month at Farms Intermediate School, we acknowledge students who have been nominated by their teachers for outstanding academic performance, as well as, for displaying exemplary Reason, Respect, and Responsibility. Students are presented with a Student of the Month certificate and their names are announced school-wide. Congratulations to our Students of the Month!

Our Highly Capable Cluster (HCC) students attended several activities throughout the start of the school year. This month, they attended an activity during Acceleration Time that focused on computer applications and gaming. Thank you to Becky Linton, all of our parent volunteers, and Mr. Hawker for making this happen!

The Michigan Attorney General's Office presented on cyber safety to our 5th grade students. The "OK2SAY" presentation empowers our students to speak out to others and report threatening behaviors and bullying. The presentation also focused on how to stop bullying and how we should treat others with respect. Students will continue with "OK2SAY" presentations at the middle school.

Math and Reading Stars

The Farms teachers select two students each month from their home-room classes who have exhibited good reading or math habits. These students are the ones you see reading whenever they have a few minutes to spare, or they are putting forth exceptional effort in their math classes. Congratulations to our Star Readers and Math students!

Lakes had their first movie night of the year in late November with a new projector and large screen! Thank you to the Bertan Family for the amazing screen and thank you to the Lakes PTO for the new projector! We'll have at least two more family movie nights in February and March during second semester.

First graders got to visit the Ann Arbor Hands On Museum in late November. Students took part in many hands on activities including a slime lab that ties to their science study on states of matter.

Lakes Elementary hosted a Literacy Night on Wednesday, Dec. 5 with over 140 students and parents attending! After receiving a new book and a dinner of pizza and salad, families were able to hear from Principal Howerton and ELA Instructional Coach Monique Alberts about the HCS Take Home Reading Plan. This was followed by a number of fun reading and holiday activities throughout the building. Families had a great time and Lakes plans to have a second Literacy Night to focus on summer reading and the issue of summer "slide" in May.

3rd graders were treated to a wonderful presentation on Native American culture and the Three Fires Tribes (Chippewa, Ottawa, and Potawatomi). They got to see and handle handmade artifacts that were used in these cultures as a part of their social studies learning about Michigan History.

The Round Round Up

Happy New Year! We are so very excited to be back at school! The Thanksgiving and Christmas Holidays provided many opportunities for students, staff, parents and the community to be generous and grateful. Many grade levels enjoyed holiday feasts. The 4th grade classes invited grandparents/special persons to school for a wonderful performance. Third grade visited Castway Café. All grade levels had special activities to celebrate people and our many blessings. In addition, Round Elementary School raised over \$200.00 to support the search for a Type 1 Diabetes cure and we collected several boxes of PG and PG13 DVD's for the children's hospital. The Round School Family was very generous this holiday season!

We will be focusing on friendship during our Round Family Circles. We are teaching students to say, "I am a good friend to you, I expect the same from you". We want students to recognize that gossip, rumors and drama are poison and we don't accept that behavior from our friends. This year we have learned and practiced the following social emotional themes:

1. I always stand up for myself and others (Courage/Empowerment)
2. I never back away from a fear – I power through the fear to get stronger (Courage/Grit)
3. I am a good friend, I expect the same from you. (Empathy and Empowerment)

Round Elementary wishes you a fabulous new year!

First graders enjoyed a Thanksgiving feast at school.

Students visited the Capitol building in Lansing.

What's New at Village?

Happy New Year to all of our Village families, we hope that 2019 brings your family good health and many happy family times! Our staff looks forward to sharing your children with you again in the New Year! The year 2018 ended with lots of excitement at Village Elementary and from our pictures below you can see that we had lots of holiday fun as we prepared to enjoy the holidays! In the New Year we will be missing a very special Village friend, our beloved Mrs. Lashbrook, who has been a para-educator in Hartland for 27 years. She has retired and will be looking forward to spending

her winters in warmer climates. We will miss Mrs. Lashbrook's big smile every day and we wish her well in her new adventures! There are a lot of great times ahead for us in 2019 starting off with our PTO sponsored "Glow Dance" on January 24 from 6-8 pm at Village – this will be a 'family style' dance and promises to be a great time for all! We will also be hosting our Annual Village Fun Fair on Saturday February 16 starting at 11:00! All in all, 2019 is shaping up to be a fantastic year at Village Elementary and we wish you and your family all the best in the New Year!

Several Village students enjoy a special 'Big Brother/Big Sister' type mentoring program with some of Hartland High School's finest – thank you Zach, Corey and Maddie!

Village students enjoy visiting with Santa at our Annual Santa Bookfair!

We will miss Mrs. Lashbrook as she retires from Village Elementary, we are grateful for the 27 wonderful years she has served Hartland Schools as a para-educator.

Our PTO once again sponsored a successful Holiday Santa Shop for Village students!

Tuition and Payment Plans

Tuition for the entire year varies depending on your choice of payment plans and whether you attend two, three, four or five days per week. Tuition that is paid in full by the first week of preschool will be given a 5% discount, discounted price is listed. Or you can pay in one of our payment plans. Payment plans require the use of a credit or debit card with an authorization form on file. Refunds will be processed only when children move from the area or if all avenues to serve the child have been explored.

A registration fee of \$50 is due at registration. (\$25 is refundable upon your notification of cancellation by June 30, 2019.) Registration fee is not applicable towards the tuition amount due.

Limited spots available. Please call today!

Need awesome child care?

Our licensed Day Care has limited openings. Please stop in or call to see if we have availability for your child. Rates: Infant \$47/day, minimum five (5) days per week, Day Care \$39/day, minimum four (4) days per week.

We also offer care for children who attend the Round, Village and Creekside, Lakes Elementary and Farms Intermediate School. The children who attend the **Lakes or Farms** Schools may enroll at the School Street center, or take advantage of the school-age program at the Lakes Elementary School.

Both center locations are open 6 AM to 6 PM

Both programs offer gym activities, arts and crafts, and outside play. When you are signed up for the Before and After School Care, you also have the option of attending on the "No School" days or Snow days! Our center is almost always open!

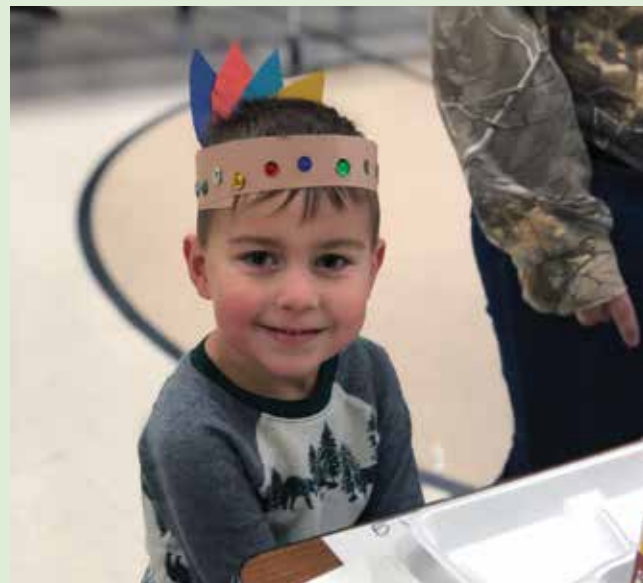

Before & After School Child Care Only

Full Time enrollment (5 days a week) is \$10 a session. Part Time enrollment (2-4 days a week) is \$14 a session. The minimum enrollment is 2 sessions a week for a charge of \$28 for the week.

Example- A student needs to attend 5 –AM sessions and 1 –PM session. The charge would be \$50 for the AM and \$14 for the PM session, for a total charge for the week of \$64.

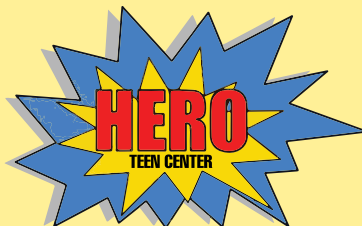

You must notify the office if your child/children will be absent from the Before & After school program. Your regular weekly tuition will be charged unless the Center is closed. If your Before & After School child attends on a No School Day, Snow Day, etc., your tuition for the day will be \$39.

Come visit our center to see all the activity, located at 10235 School street in downtown Hartland. Call the office at 810.626.2780 or email jenturner@hartlandschools.us or amyrollins@hartlandschools.us.

HERO Teen Center Fun

Hero Teen Center has been busy getting ready for the holidays. Teens have enjoyed making gingerbread houses, putting up holiday decorations and making ornaments for the tree. Also, Lacasa visited the teen center to discuss sexual assault facts with the teens. The students got more clarification into legal age of consent and how to identify if someone is being sexually assaulted.

Blake Davis enjoys cooking on the grill, making cheesy potatoes in the crockpot and baking cherry pie for the teens at the teen center.

SOUP will be at Winterfest!

Hartland SOUP is excited to once again be at Winterfest! Come to the February 9, 2019 SOUP at 1:30 PM at All Saints Lutheran Church and find out what Hartland SOUP is all about and learn about organizations and potential projects in the community. RSVP at <http://bit.ly/WinterfestSOUP> to pay \$5 for lunch, and change someone's life with your vote. Do you have an idea for a project proposal for the February 9 SOUP? The four question proposal form is at <http://bit.ly/ProposalWinterfestSOUP>. Deadline for proposals is January 28, 2019 at 9:00 pm. Email SOUP at hartlandsoup@gmail.com with questions or to volunteer. Finally, follow us on Facebook @HartSOUP so you are always in the SOUP loop!

Your October SOUP funds (almost \$1,000 thanks to a matching donor!) were utilized to help make Hartland Optimist Club's Adopt-A-Family program a success this holiday season!

Thank You From the Optimist Club

The Hartland Optimist Club wants to thank each of you that were involved in this year's Adopt-A-Family Program.

You know who you are and we couldn't of asked for better, more generous, compassionate partners! The club would like to acknowledge the over -the-top effort of club member Meghan Glabach who served as the Chairperson for this year's Adopt a Family Program and Kari House, Youth Optimist Club Sponsor at the HS. Together we supported 67 local families with 181 children.

May 2019 prove to be an awesome year for each of you. As it says in The Optimist Creed "Promise Yourself to look at the sunny side of everything and make your optimism come true."

We are looking for new members to join in our efforts to promote and care for children. If you are interested in joining please contact our Club President Vicki Schiessel at 313-220-2797.

Parenting 101: How did you learn to be parent?

Parenting is not easy but the payoff can be huge. We hold a "Parent Orientation" where we share some simple yet powerful tips with our parents. Here are a few of them:

- 1. Boredom is a good word.** Stop trying so hard to keep your children from being bored. Boredom is GOOD for them. Only through boredom can they develop the critical success skills of **mastering the repetitious and mundane and delaying gratification.** Let them "just sit" in a car. Let them "just sit" at a restaurant. Let them "just sit" in a doctor's office. Let them "just sit" at karate/sports. Let them figure out what to do. I read a very good article recently—kids today are not entitled, they are really just impatient!
- 2. Role Shift.** This one is huge. If you just do one, do this one! Make sure you **shift roles from caregiver/teacher to manager/coach to consultant/mentor as your child ages.** Many parents stay in the caregiver/teacher mode. This will develop weak, dependent kids who will struggle with the slightest challenge, failure or stress. They will also not be able to take any risks. They will be perfectionists and fear failure. At what ages should you make the shifts? Use this—the number one motivator of normal kids before about seventh grade is "pleasing their parents." After seventh grade it shifts to "pleasing their peers."
- 3. Do not over-protect.** They used to be called Helicopter Parents. Now the term is Lawnmower or Bulldozer Parents. Boredom, fear, hardship, failure, problems and stress are **good** for your child. Kids need to skin their knees and eat dirt. This is how they get stronger and more courageous. You want your child to live a good life NOT an easy life. The key? See #2 above—just make sure to shift your roles!

- 4. Make them do things they do not want to do.** Here is the secret—the only way to develop the ability to work hard is to **make them do things they do not want to do!** I often get a parent who asks "Sensei, should I make my child do something they do not want to do?" My answer is "YES, and as often as you can!" This is what develops discipline. Just remember discipline is simply the ability to do things you do not want to do. When they say they do not want to do something, try not to pass up that learning opportunity.
- 5. Make them wait.** The two best indicators of future success of a child is their ability to delay gratification and use resourcefulness. Just notice every time you give your child something quickly and easily. For instance, when they interrupt you for something or they want something. The most powerful words you can learn to use are "Oh, can you wait just a second?" Then about a minute or two later say "Thank you for waiting. Okay, now what was it you wanted?"
- 6. Punishing a child into good behavior does not work.** It may work in the short run. But here is what almost always happens. I get a parent of a teen saying in frustration "I have taken everything away!" Just remember the #1 motivator of children before 7th grade is pleasing their parents. Use this by "catching them doing something right." Positive reinforcement takes more work and patience but the payoff is huge.

I hope these tips help. Even using just one can change you as a parent!

***Yours for stronger kids,
Sensei***

Greenhouse to Be Built at the Hartland Teen Center!

The HERO (Hartland Enrichment & Recreation Organization) Teen Center is excited to announce Livingston County and Hartland Township approval of plans to build a 20 x 28 foot hoop house as a “temporary accessory structure” on the Hartland Township property where HERO Teen Center is located (3191 Hartland Road, next to Hartland Fire Department). The structure’s funding is provided by a \$7,500 grant from The Livingston County Farm Bureau (LCFB) and additional funds from H.E.R.O. The hoop house, commonly known as a greenhouse, will be used to provide educational experiences for the teens in healthy eating, growing your own food, and giving to others who need healthy produce in their diets. Mr. Matt Germane, HERO Vice President and LCFB Board Member, wrote the grant application last summer. He said, “This is an important way to teach students the value of farming and agriculture; the grant aligns with the LCFB’s objectives to educate the public on agriculture’s importance to non-farmers and the overall state economy.” Kay Fountain, President of the HERO, said, “The Teen Center Directors and teens are excited to see this project move forward. With our summer hours likely to increase in 2019, the teens will have more hands-on, real experiences helping themselves and others.”

The HERO Teen Center won a Hartland SOUP proposal grant in January 2018 which will be used to put raised beds in the hoop house. (More about Hartland SOUP on Facebook and at www.cromaine.org). More funds are needed to fully outfit the hoop house for year-round growing. The hoop house framing will be up by the end of December 2018. Vent fans, misters, drip lines, plus cultivation tools--all are equipment to be added in 2019. Donations to H.E.R.O. may be tax deductible, as it is a 501(c)3 nonprofit. More community helpers are welcome, too, to assist the teens in choosing crops, planning the beds, caring for, and harvesting, as well as what to do with the harvest--cooking, preserving, and sharing the produce. Please call 810-991-0050 to learn more about this project and all the activities of the HERO Teen Center as well as to donate and volunteer.

Friends of Cromaine

Well it's 2019 and we're busy sending thank yous to everyone from Santa to the friendly gentleman at the Coffee Shop. November gave the "Friends" many reasons to be thankful. The day before Thanksgiving, the "Friends" sponsored their first pie sale under the supervision of Barb Rentola. We were able to make a profit of approximately \$700, thanks to the pie bakers and pie buyers. A huge thank you to Mackles Restaurant, where in spite of terrible weather, we gathered to enjoy a delicious meal. Each participant, upon reference to Cromaine, would actually be giving 10% of their bill to Cromaine. We love you Mackles! "Shop Small" was also a big success.

We are looking for volunteers for the next book/bake sale. Call Mary Lynn at 810.229.7356 to volunteer. Set-up is Wednesday, January 23 at 10 AM. The bake sale is Thursday and Friday until the baked goods are sold out.

The Book Sale dates are: Thursday January 24th from 9 AM-8 PM. Friday January 25th from 10 AM-5 PM and Saturday January 26th from 10 AM-5 PM.

The "\$5 per bag" sale is from 3-5 PM on Friday for teachers and homeschooling parents. The first bag is free. The "Bag Sale" is on Saturday. Everything that fits into a supplied bag is \$5. Free sale books on Sunday, January 27 from 12-1 PM. Please bring your own bags or boxes.

The next Friend's Meeting is Tuesday, January 15, 2019 at 6:30 PM at Cromaine Library. Everyone is welcome.

Your "Friend,"

SNOW DAY POLICY

When school is called off due to inclement weather (snow or cold) there will be no enrichment classes or other building events until at least 4PM. By noon we will have decided if we believe the roads and our facilities (sidewalks, parking lots, driveways, etc) are ready for events to happen safely at 4 PM or after. We will post our decision at noon on the district home page, Community Education home page, our Facebook page, twitter and any other ways that we can communicate. If in doubt, please call Community Education at (810) 626-2150 to see if your class/event is on.

The Hartland Senior Center will **always** be closed when the district is closed due to inclement weather. Stay home and be safe.

The Hartland Childcare Center will always try to remain open if the staff can report and our facility is deemed safe for arrival. The weather forecast is a factor as well. We will email the parents of all registered children if we are open for childcare.

The Aquatic Center will be closed until at least 4 PM. Please check the district website, the Aquatic Center's website or call to listen to the recording at 810.626.2279.

The Community Education office will be staffed whenever possible at 8 AM. Please call 810.626.2150 with any questions.

Hartland Happenings

National Radon Action Month

- Radon is a naturally occurring radioactive gas released in rock, soil, and water from the natural decay of uranium. While levels in outdoor air pose a relatively low threat to human health, radon can accumulate to dangerous levels **inside buildings**.
- You can't see, smell, or taste it, but an elevated radon level in your home may be affecting the health of your family (radon is the 2nd leading cause of lung cancer in USA).
- The U.S. Surgeon General recommends that ALL homes in the U.S. be tested for radon. A radon problem **can be fixed**. More info: <https://tinyurl.com/RadonFacts19>

TEST YOUR HOME!

Radon test kits are available at your local home improvement or hardware store.
