Superintendent's Corner

Chuck Hughes, Superintendent

 @hartlandschools

Each new school year brings with it another chapter in the lives of children. The 2018-19 school year promises exciting learning and wonderful accomplishments. As a school superintendent, I understand the need to ensure that collaboration and speaking the same educational language is clear in order to accomplish district, school and individual goals. I am proud of our team because of the commitment I see in them as they embrace the idea that "all equals all." All students must have the same opportunities to learn and play together. This is a cultural expectation supported by the Board of Education and distributed through every classroom.

HCS administrators learn together so that everyone speaks the same school improvement language.

How can parents help students with learning?

The school/home partnership is vital to the success of our children. As parents, we often ask our children questions like, what did you learn today, or how was school? Far too often the answer is, nothing or fine. To understand what really happens in school and the classroom, we ask that parents regularly ask questions such as:

- What learning targets did you work on in _____ class today?
- What does it mean to be a learner in school or in _____ class?
- What feedback did your teacher(s) give you today regarding your learning?
- How did you collaborate (work together) with other students today in your learning?
- How does your teacher(s) help you to understand what you know, what you need a little work on, or what you need help learning?
- What type of classroom conversations or debates did you have at school today?
- How do you know that you are learning in school or in _____ class?

These are just a few examples of deeper questions that will help you better assess your child's understanding of school and learning, and may even help you to seek intervention where your child may be struggling. Together, we will make a difference in the lives of our most precious resource, children.

October 2018 Person of the Month: Sara Masters

Sara Masters teaches Psychology and Social Studies at Hartland High School. She received her Bachelor's degree in Secondary Education from Eastern Michigan and her Masters in Curriculum and Teaching from Michigan State University. Sara is in her 22nd year of employment in Hartland Schools, all at the high school. Prior to being hired in Hartland, she taught two years in Illinois and one year at Ann Arbor Huron High School. Sara has been instrumental in helping to create a culture of learning through the school improvement process and has helped to develop a student assistance program at Hartland High School. Through her work, she has provided many hours of professional development to her peers and has mentored young teachers.

Sara lives in Saline and has been married to Chris for 18 years. They have two children, Luke who is a 9th grader, and Sydney a 10th grader.

In Sara's words, she is still in Hartland because:

- I love what I do
- My lunch bunch—the support of good friends

Sara is proud of how many students have contacted her over the years to share how because of her class they feel wonderfully prepared for similar classes in college. Sara shares that she greatly appreciates it when former students take the time to contact her after graduation to let her know the impact that she has made on their lives.

Outstanding students continue to amaze Sara. She continuously shares that Hartland High School has incredible students. When people outside of education ask her how the year is going, it is easy for her to respond with, "It's another great year. Honestly, we have such good kids!"

Friends of Cromaine

The "Friends" acknowledge that fall is a beautiful time of year, and what makes it truly special is the successful results of our September Bake/Used Book Sale. We thank our volunteers and all the folks who made purchases. A special thanks to Hartland's Kroger store for donating bags for our sale. It would be mighty hard to have this sale without those bags! Also, the Cromaine Staff provided a wonderful lunch for the volunteers who worked on Thursday. We loved it!

It should be noted that all proceeds derived from events sponsored by the "Friends" go directly to benefit the Cromaine Library and all its endeavors. The "Friends" are proud

to announce that we've been able to provide funds for the Summer Reading Program, the Summer Music Program and the Great Foodini.

We're looking forward to our Holiday Pie Sale, which will take place on November 21 on the first floor of the Library. All kinds of pies will be on sale. You will have no need to bake a holiday dessert this year!

We always welcome new members, so if you are someone with a love for books and enjoys our library, the "Friends" need you.

Your "Friend,"
Mary Lynn

Hartland SOUP

What is Hartland SOUP?

What is Hartland SOUP? It is a community funded micro-grant dinner for ideas and startups. Are you inspired to get involved with SOUP? There are several different ways. First, come to the October 3 SOUP at Hartland United Methodist Church! RSVP at <http://bit.ly/OctoberSOUP>. Pay \$5 for dinner, and change someone's life with your vote.

Want to go beyond that? Step up to volunteer at the SOUP or better yet, volunteer to donate soup, salad, bread or dessert. We are always looking for locations to host the event as well—currently we're hosting approximately 75 people, but we would love to see it get as high as 100 attendees! Email SOUP at hartlandsoup@gmail.com with questions or to volunteer. Finally, follow us on Facebook @HartSOUP so you are always in the SOUP loop!

Vanessa and her son Sawyer were all smiles after winning \$770 at the July Hartland SOUP!

Welcome Back From Hartland Transportation!

The 2018/2019 school year is underway and we are looking forward to another great year! As always, we strive to make your child's bus ride a positive part of their educational experience. Here are a few important informational points for review:

- Your student must be waiting at the bus stop 5 minutes prior to the scheduled arrival of the bus. Once the alternating lights of the bus are deactivated, the bus driver cannot legally reactivate them and it is then the parent's responsibility to transport their student to school.
- Students and Parents should never try to catch the bus once the lights have been canceled. Please do not go to another bus stop without contacting the Transportation Office; the bus driver must be notified.
- If possible, your house number should be visible from the traveled roadway; mailbox numbers are acceptable but should be large enough and clearly visible on both sides.
- The expected behavior of the student rider is found in the Parent-Student Handbook. We encourage parents to review these responsibilities with their children to ensure their privilege of riding is not lost. The handbook can be found at: <http://www.hartlandschools.us/documents/Departments/Student%20Services/SecondaryHandbook.pdf>
- Students should never cross the road prior to arrival of the bus.

If you have any questions or concerns we would be happy to talk with you. Please contact the Transportation Office at 810-626-2175.

2018 National School Bus Safety Week October 22 – 26, 2018

We are looking forward to another great school year, and want to thank everyone for the smooth start.

Once again our staff will be taking this opportunity to educate and review safety procedures. Drivers will pass out information to elementary students daily during National School Bus Safety Week, and we encourage parents to ask their children what they learned each day.

This learning experience has been very successful, and parental support is greatly appreciated.

From the Counseling Office

By the end of October, your senior should have completed an application to one post-secondary institution, applied for at least one scholarship and completed the Free Application for Federal Student Aid (FAFSA). Counselors and teachers at HHS will be giving your student a tremendous amount of support with these daunting tasks. Senior English teachers are currently helping students write their application essays and will be helping students

write scholarship essays. The Counseling Office is hosting Michigan College Month throughout October. This program includes a variety of events, including **application assistance for all seniors during the week of October 15th**. Seniors who need teacher recommendations for their college applications must request those recommendation letters by October 18th in order to have their applications ready for any schools with November 1st deadlines.

Hartland High School Head Principal Mrs. Kate Gregory introduced a new program to Hartland High to increase student school spirit and involvement.

Students now have the ability to earn an Eagle Pin by being recommended by building staff, administrators, and teachers for going above and beyond during the school day and during school events. The first Eagle Pin recipient was senior Madison Cheney, who assembled a group of senior students and administrators before the school year started to brainstorm ways to increase participation and excitement of school events. Maddie also stayed to help clean up the student section of the bleachers after the first home football game. Congratulations, Maddie!

Celebrate Homecoming!

Hartland High School Homecoming will be the week of September 24th with the girl's PowderPuff game on Wednesday, pep assembly on Friday during the school day, the Homecoming football game at 7pm Friday vs. Plymouth, and the Homecoming dance from 7-10 PM on Saturday, September 29th at the high school. Come out and support your Eagles!

Hartland High School welcomed a number of new staff members for the 2018-2019 school year! Jennifer Mijal will teach chemistry, Amy Scott will teach math and Spanish, Maggie Mitchell will teach English, and Taylor Wagner will teach government and contemporary affairs. Welcome to Hartland High School!

Reading at HMS

Students at HMS are encouraged to choose books that are of interest to them, and are given time in class to read, have thought-provoking discussions, and make recommendations to each other. Reading is a central focus for our district, and while reading will be assigned, your son or daughter will also have many opportunities to choose his or her own book for independent reading and study. We help students, even reluctant readers, find books that they will enjoy. It is important for all students to read books of high interest that also support their growth as readers. Please help monitor which books your child is reading and ask him/her to share with you. We encourage you and your child to set a goal of reading at least 20 minutes each day. Research is clear that students who read daily experience great benefits to learning and achievement through better comprehension, fluency, vocabulary, and background knowledge. **READING** must be a priority.

Tardy To School Policy

Attendance is a crucial factor for student academic success. Students tardy to school (i.e. late to Homeroom) must be signed in at the front office by a parent or legal guardian in order for the tardy to be considered excused. Unexcused tardies to school will result in disciplinary action. Excessive parent excused tardies may be referred to the Livingston County Attendance Officer.

Parent Connect

Parent Connect allows parents with Internet access to monitor their children's grades. If you had a password assigned last year, it remains the same. Contact pc@hartlandschools.us for assistance.

Phone Messages To Students In School

It can be very disruptive to call students out of class to deliver routine messages. Please make every effort to communicate after school plans with students before they begin their school day. If there is a message that we need to pass on, we will deliver those during passing time with students called down to the office instead of interrupting class. We appreciate your help in keeping our school the best learning environment possible.

Early Release Fridays At HMS

Early Release Fridays at HMS are an important time for teachers to collaborate and develop professionally. Planned topics throughout the year include the following: Classroom assessment for student learning, best practices, team and department collaboration, using data to inform instruction, interventions for struggling students, motivating and engaging students, social emotional learning and anxiety and mental health.

Thank you for your continued support as teachers work hard to keep current with the best possible ways to impact student learning.

Welcome New Teachers

Welcome to Mr. Scott Wissner, who is joining the HMS faculty to teach math on team 7B after teaching for years at Farms Intermediate School. Welcome to Ms. Hannah Goodell, who is new to Hartland and is teaching in our special education program. We would like to welcome back to our school district Hartland High School graduate Ms. Jennifer Fellows (née Teffer) who is new to HMS and is teaching math on Team 8B.

Back to School Success!

It has been a great start to the year! Our Back to School Open House was a great success. A big thank you to our PTO for all their support. It has been an exciting start with a talented group of students and wonderful families. We are looking forward to achieving amazing things this year.

We renewed our focus on reading instruction through a school wide effort to increase reading at school and at home with the grade level take home book bags. Every child has received a new book bag and is able to take home a book of their choice each night to read independently or with their family. These books are important because they are easy to read, high interest and a support to families who are looking for good books. We hope our families are enjoying these books every night.

Round Elementary School is a special place where our commitment to excellence, relationships and the development of involved citizens is the priority.

We would like to welcome a few new staff members this year. Rachel Gearhart is a special education teacher. She has many years of experience as a counselor and a special education teacher. Her family resides in Hartland and her children attend Hartland Schools. Meredith Blake is our new kindergarten teacher. She comes to us with three years of experience in early elementary education. Eric Leaf is our new psychologist. He comes to us from Connecticut and he is a seasoned psychologist. His family resides in Livingston County. Our new Occupational Therapist, Jenna Mott, has been working in the Hartland Schools for many years. She is new to us at Round, but not to Hartland Schools. Mrs. Mott has a great reputation and we are excited to have her on our team.

A Successful Start to the School Year!

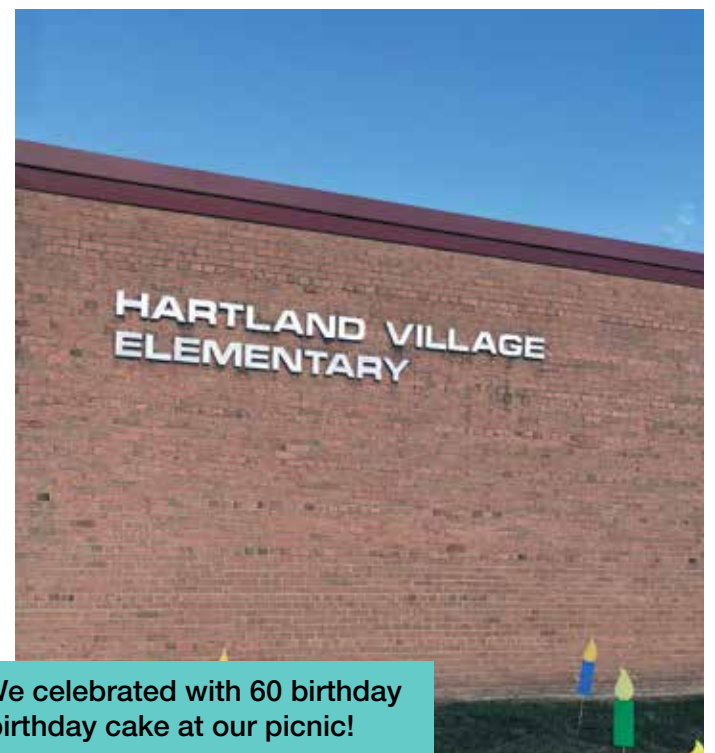

Village Elementary has had a fantastic start to our school year! We are all happy to be back into the school routine and re-united with old friends and making new friends this school year! This year we are celebrating Village Elementary's 60th Birthday and we started off our year with a Birthday Party at our opening picnic on August 22nd. Our Village families enjoyed 60 birthday candles in our front lawn and a birthday cake treat along with our annual picnic, a great time was had by all! Our students and staff will be involved with several activities this year commemorating this special milestone and we look forward to learning about our school's history. If you or another community member have pictures or special memories of Village, (when it was Hartland High School, Hartland Middle School or our Intermediate 5/6 building in the late 1980's) we invite you to share your photo or memory with our secretary "Mrs. Gayle" who will be working with our students to create a historical timeline throughout the year. Her e-mail address is gayleroberts@hartlandschools.us if you would like to share a memory or photo.

We enjoyed getting re-acquainted with friends at our annual school picnic!

Happy 60th Birthday Village! We celebrated with 60 birthday candles in our front yard and birthday cake at our picnic!

Our students loved getting back on the Village playground and are ready for a great school year!

Hartland Big Boy Restaurant Hosts Celebrity Server Night , Tuesday, October 16th

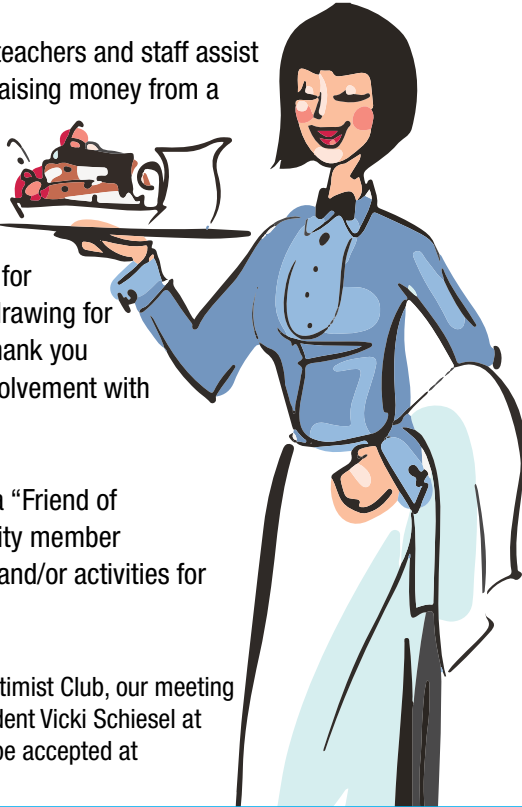

How awesome would it be to have your principal or teacher serve you a delicious chocolate shake? On October 16th, the Hartland Big Boy will be hosting a "Celebrity Server Night" Fundraiser from 5:30–7 PM. The night will benefit the Hartland Optimist Club's Christmas "Adopt a Family," and other Optimist Youth Activities and Programs.

Hartland Schools' administrators, teachers and staff assist the Big Boy team for the evening raising money from a percentage of the dinner tab, tips, the 50/50 Raffle and a donation from Nick and Jean Shaieb, owners of the Big Boy Restaurant.

A special attraction to the event is for students to enter their name in a drawing for "Breakfast with their Principal." Thank you principals for your support and involvement with your students!

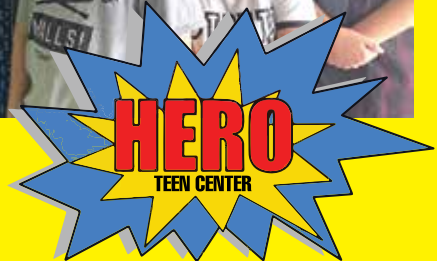

Optimist Clubs are recognized as a "Friend of Youth" and welcome any community member interested in promoting programs and/or activities for children in the Hartland Area.

For more information on the Hartland Optimist Club, our meeting times and location, please contact president Vicki Schiesel at 313.220.2797. Financial donations can be accepted at www.paypal.me/optimists.

Summer HERO Teen Center Program Huge Success!

The HERO Teen Center was open two days a week during the summer. Many local teens were able to hang out with friends, participate in activities, field trips, and have a place to go this summer. "Best summer of my life!, commented Teryn Sehl, a teen center member," I was able to spend time with my friends . I wouldn't of otherwise been able to do all the activities too." Replied Teryn. Teen member Cierra Dunham enjoyed all the fun activities such as yoga, swimming, paintball, pottery, golf, trades, nutrition and fire station classes.

This school year the HERO Teen Center is open after school until 6pm. All teens, grades 7–12, from Hartland Schools are welcome and membership is free. Donations are very much appreciated to cover expenses and the programs that are offered for the teens. Please fill out a membership form, which are available at the teen center.

Many activities are planned this fall, including homecoming week crafts, face painting, decorating t-shirts, and making hair bows. A Halloween party, birthday parties, and many crafts are planned for the teens. Teens can learn to cook and bake. They are invited to hang out with friends and play games. This is their place to have fun in a supervised environment. Pictured: Directors Dalia Martinez and Susan Dewan with teens Jenni Martinez, Isa Ruiz, Konner Motyka, Ali Portice, Cierra Dunham, and Donovan Juhl.

HARTLAND WRESTLING CLUB REGISTRATION

Are you looking for a sport that keeps your child active and engaged during the long winter months? A sport that builds their confidence, self-esteem, and fitness. How about youth wrestling? Open to all children ages 5-14.

Hartland Wrestling Club is one of the premier clubs in the state, producing championship level youth wrestlers.

The Hartland Wrestling Club will be holding walk-in registration on TUESDAY, OCTOBER 9, 2018 as well as TUESDAY OCTOBER 16, 2018 from 6 – 8 PM at HARTLAND HIGH SCHOOL in the TV Studio Room – lower level, north of gym. These will be the only in-person registrations for the season.

There is an in-district basic registration fee of \$120 and \$145 if out-of-district. For premium membership, includes MYWAY membership and team singlet, the registration fee is \$210 or \$235 if out of district. Either is due at time of registration. Gear will be made available for an additional charge to all membership.

Before starting practice, wrestlers must submit the following:

1. Physical Form dated on or after 4/15/2018
2. Copy of birth certificate for new members
3. Completed Club Registration and Medical Release Agreement
4. Concussion Awareness Form

Practices are to begin the week of 11/12/2018 with:

Novice (beginning) wrestlers practice Monday and Wednesday from 6:00 to 7:00
Open (experienced) wrestlers practice Tuesday and Thursday from 6:00 to 7:30

Is Your Child Being Bullied?

Parents often never know!

Dear Fellow Parents,
Bullying can range from severe physical abuse to very mild "silent treatment" or exclusion by friends. Both can have long lasting and devastating affects on children. Many parents never know about the mild and moderate bullying of their child.

According to the book Bullies and Victims in Schools; 96% of children will be bullied at least once in their lifetime. 46% of those children will suffer poor grades or will abstain from extra curricular activities because of the bullying. 2% of those children will commit suicide because of constant harassment from classmates.

Is your child being bullied? Look for these signs in your child:

1. Bruises, cuts, scratches, torn clothing that cannot be explained and complaints about not feeling well.
2. Reluctance to go to school or requests to change school.
3. Books, money, lunch or belongings stolen, damaged, scattered around or "lost."
4. Excuses to avoid going to school, or insistence that you take him/her to school even though you live close by.
5. Insomnia or bed-wetting.
6. Frequent requests for money.
7. A sudden, unexplained, deterioration in class work and/or homework.
8. Lack of participation in school activities, staying near the teacher during breaks.

9. Anxiety, insecurity, distress, unhappiness, secretiveness, mood changes and anger.
10. Claims of "I'm okay" when questioned about obvious unhappiness.
11. Low self-esteem.
12. Unhappiness at the end of weekends or school vacations.
13. Few friends or no friends in class and lack of invitations to birthday parties or other social activities.
14. Teasing or being laughed at by his/her peer group.

Bullying is a very difficult problem to stop. Our mission at Ohana Karate is to ensure every child has the right to feel safe and develop to their full potential. I feel that it is our responsibility to be a community leader and center for the fight against bullying.

Can this crisis be stopped? First, we must develop an ethos in which bullying is always unacceptable and will not be tolerated. Second, it takes a whole community to save our children. We must arm the victim, bully, bystander, parents, schools and community with the anti-bullying tools and systems. Please contact us if we can help you or your family.

Sensei**
