Superintendent's Corner

Chuck Hughes, Superintendent

 @hartlandschools

As we wrap up the 2019-20 school year, I want to thank our students, parents, staff, and community for your perseverance during this unprecedented community health emergency that we are experiencing with COVID-19. I have been extremely impressed with how our staff has responded and equally impressed with how all of you have been able to make the most of the "continuous learning" plan that was implemented on April 13, 2020. I ask that you continue to follow Hartland Schools for updated information throughout the summer by using the available social media sites at www.hartlandschools.us, www.hartlandliving.com, on Twitter (@hartlandschools or @hartlandliving) or on Facebook (hartlandschools or hartlandliving), as this is the last Community Life publication until the August publication.

Stay healthy and safe, and enjoy your summer!

2020 Bond Proposal

The Board of Education made the decision to postpone the May 5, 2020 Bond Proposal to a later date due to the current COVID-19 health crisis. If the best option is to move it to the next election, it will be August 4, 2020. This decision will need to be made no later than May 11, 2020 at the regular Board of Education meeting. I will keep the community apprised to this process and the decision made. Thank you for your work and support prior to the current health crisis. I was extremely impressed with the number of staff, students, and community members who attended informational and planning meetings and then shared this information with others.

Please check our social media sites for updates.

Congratulations Class of 2020

Congratulations to the graduates of 2020! We are proud of you and your accomplishments, while sorry for the way the year ended! Information regarding graduation, including any ceremony we can put together, diploma distribution, etc., will be shared by both the high school and alternative education staff and to parents and students alike. Parents, as you find ways to celebrate your child's graduation please remember:

All Hartland Teachers Named "Hartland Teacher of the Year for 2020" and All HCS Support Staff Named "2020 Support Staff of the Year"

Hartland teachers and support staff named Teacher and Support Person of the Year for 2019-20. So many awesome people have stepped up to do what is right for our students and community during these unprecedented times due to the COVID-19 pandemic and face-to-face instruction being canceled for the last quarter of the school year. It certainly makes me proud to be the Superintendent of Hartland Schools.

We are looking for alumni news!

Do you know of a Hartland graduate who is doing something special or outstanding? We know there are plenty of former students doing some amazing things and we want to hear about it. We are looking to highlight a Hartland High School graduate each month that we feel the community would love to hear about. Send nominations to editor Heather Calabrese at communitylife@hartlandschools.us and we will select one person to spotlight in each issue of Community Life.

Mission Statement: The Hartland Consolidated Schools, in cooperation with the community, will provide a positive environment for the development of productive and caring individuals of all ages. We are teaching learning for life.

District Vision Statement for Hartland Consolidated Schools: A community of learners sharing successful tomorrows.

Kindergarten Enrollment 2020-2021

Kindergarten enrollment packets are now available online at hartlandschools.us.

Parents may begin the enrollment process online and complete the enrollment when visiting their respective elementary school or the HESSC and providing the following documents:

- Birth certificate—a copy for school records.
- Immunization records with proof of DTP, Polio, MMR, Hepatitis B, Chicken Pox vaccines (or proof of having illness), and vision screening, plus copy of same for school records.
- Proof of residency using one of the following: certificate of occupancy, purchase agreement, builder's permit, rent receipt or agreement, mortgage statement/receipt, voter registration card, utility bill, driver's license.

Children are eligible for enrollment in kindergarten in August 2020 if they will have their fifth (5th) birthday on or before September 1, 2020. A child who turns five after September 1st and before December 1, 2020 may enroll if parent/legal guardian signs a waiver that is supported by the school district.

A full-day Junior Kindergarten program may be offered. A minimum number of students are required for the program to be made available. Parents may need to provide transportation in order to participate. The age requirements for Junior Kindergarten are the same as for the regular Kindergarten program. You may contact Scott VanEpps at 810-626-2111 or scottvanep@hartlandschools.us for more information.

Summer is a time for creativity, exploration, learning and fun! Join us for a SUN-sational time as we help your child retain skills acquired in their 3 year old preschool class and introduce them to some new topics. Your child will be exposed to numbers, letters, counting, name writing, fine motor skills and guided social skills using children's literature, center-based activities, Smart board activities and educational games. We will enhance the learning and understanding of the world around your child. Children must be potty trained and entering 4 year old preschool in the fall.

Is your child entering kindergarten in the fall? If so, consider enrolling your child in a fantastic summer program for incoming Kindergartners taught by Hartland Preschool teachers. This program will assist in making the transition to kindergarten much easier for your child in the fall. This two-week program will emphasize: letter recognition and sounds, beginning math skills, writing, Education Through Music and hands-on academic and social activities. All children must be eligible for kindergarten during the 2020-2021 school year.

Transportation Information for the Upcoming School Year

It's time to start thinking about busing for the new school year. For your convenience, forms are now being accepted to ensure room on every bus to accommodate your transportation needs for the first day of school.

All transportation forms (Alternate Destination, Joint Custody, School of Choice, and Legacy forms) will expire at the end of the 19/20 school year. If new forms are not submitted, in-district students will automatically be assigned to the closest bus stop to their home address, and non-resident students will not receive a bus assignment.

The deadline for submitting forms to the Transportation Office to request a bus assignment other than the home address is June 15, 2020. Late transportation requests will not be considered until after the first two weeks of school.

The Transportation and Central Office staff will be available throughout the summer months if you should have any questions or need assistance. Post cards with your student's bus information should arrive a week before the first day of school. If you have any questions feel free to call us at 810-626-2175.

Forms are now available on the district web site.

Hartland Memorial Day Parade Announcement

In concern for the health, safety and welfare of the Hartland Community and in keeping with Governor Whitmer's "Stay Home, Stay Safe" Executive Order, it is with great regret that the Hartland Area Community council has decided to cancel the 2020 Hartland Memorial Day Celebration and Parade. The Hartland Memorial Day Celebration has been held annually since 1935 and is one of the oldest and

largest Memorial Day events in Livingston County, but with these trying times comes difficult decisions. The Hartland Area Community Council Parade Committee will be considering alternative events and times to pay our respects and to honor our Community's and our Country's Veterans and their families. While there are a great many heroes that are stepping up during this immediate crisis, we must not forget to take the time to remember those that have sacrificed so much to ensure the freedom we have in our lives.

**"Any nation that does not honor its heroes will not long endure."
–Abraham Lincoln**

Please watch for further communications from the Hartland Area Community Council and stay safe!

Mrs. Berry and Tucker read to their classroom for March Is Reading Month

The hallways are empty right now at Farms and we miss our students greatly! As always, we are here for our students and families. Reach out anytime if you need any assistance!

We had a school-wide Read-in where the entire building read at the same time throughout the hallways! It was a fun time!

March Is Reading Month was cut short for us at Farms, but we caught a few students relaxing and reading in the hallway!

EAGLES Take Flight Lessons

Please remember our lessons from Sensei this year and use them while you are at home!

1. I always stand up for myself and others! (Stand up for yourselves and use the four steps.)
2. When I back away from a fear the fear gets bigger, but when I power through a fear I get bigger! (I'm EXCITED! Instead of being afraid.)
3. I'm always a good friend and I expect the same from you! (No more drama, use the friendship target to manage your friends.)
4. I always do a little bit more than anyone expects! (Be a TYPE 1 person.)
5. I know motivation is temporary, but HABITS are permanent! (DISCIPLINE is learning how to do the things you don't like to do)
6. When I am tested, I just get stronger and never give up! (Shoot the basketball!)

Keep being KIND and build your own KINDNESS Tree at home. We did a great job with kindness at Lakes this year. Now it is time to do the same at home. Help out, work hard, have fun with family and BE KIND!

Stay Active! There are so many ways to stay active inside and outside during this time away from school. Keep learning, working hard and get outside to focus on a hobby or interest!

Thanks to the staff who organized and participated in a Lakes sub crawl/car parade to reach out to our Lakes families in March. We had so many families show up while still keeping a safe distance! We miss all of you!

The Round Round up!

Dear Families,

As I write this letter to you, I am aware that many of you are grieving, are sick, suffering financial difficulty and experiencing changes in your life that no one could prepare for or predict. Please know that we are in this together and the RES school family is here for you.

I would like to thank all of the essential workers and healthcare providers for putting themselves and their families at risk for all of us. I know that many of you are still working and trying to meet the needs of your children at home. Rest assured, we will make up for this lost educational time in the fall. Our teachers are experts in this area and they make adjustments for children every day to ensure their academic success. Please know that your children will be alright. We will mitigate these loses when they return to school.

I would like to thank the Hartland Community for pulling together and honoring the “stay at home order” to ensure we bring this crisis to an end. I would like to thank the teachers, administrators and other school employees for their commitment to our students and families. I have been watching the “helpers” during the crisis and I have been amazed by their strength and devotion to those in need. We will overcome this crisis and we will bring it to an end together.

My heart breaks for our students who did not have closure. Our fourth graders in particular have suffered many loses including the trip to Mackinaw and the Clap Out. All of the important school events/celebrations that we have forgone further distance us from one another and increase feelings of isolation. Please know that better days are coming and that we will meet again.

It is very important to remember that this time can be a blessing for families. The crisis has given us time to slow down, pause and reflect. I believe that our children may even remember this time as the time when we ate dinner together, built puzzles, learned new card/board games, learned to ride a bike, etc. There is a lot to be said for playing games like Yahtzee and Monopoly where counting, adding, subtracting, money sense and strategy are keys to winning. In addition, this time with family is important to our children’s social and emotional well-being.

Please let me know if you need anything. We have many community support services available. We are here to help.

Wishing you well,

Mrs. Dotty Hottum

What a difference a day makes!

I never would have imagined that March 12th would be the last day of our 2020 school year. That I am sitting alone in my "home office" and preparing to kick off "Virtual Village" with my staff seems completely surreal. The list of things that I miss about my "normal" routine are almost too many to mention, but at the top of that list are the staff and students of Village Elementary. I know that I speak for every person on staff when I say that WE MISS YOU and YOUR CHILDREN.

Learning has not ended for the year, only simply taken a different format. It cannot replace the laughter we hear in the halls each day, the giggles we hear from the playground or even the squabbles between friends. The beauty and joy we

see when a student's face lights up as they learn something for the first time is unmistakable, and something I sorely miss. We are blessed beyond belief to have a birds eye view into each of these moments with your children daily.

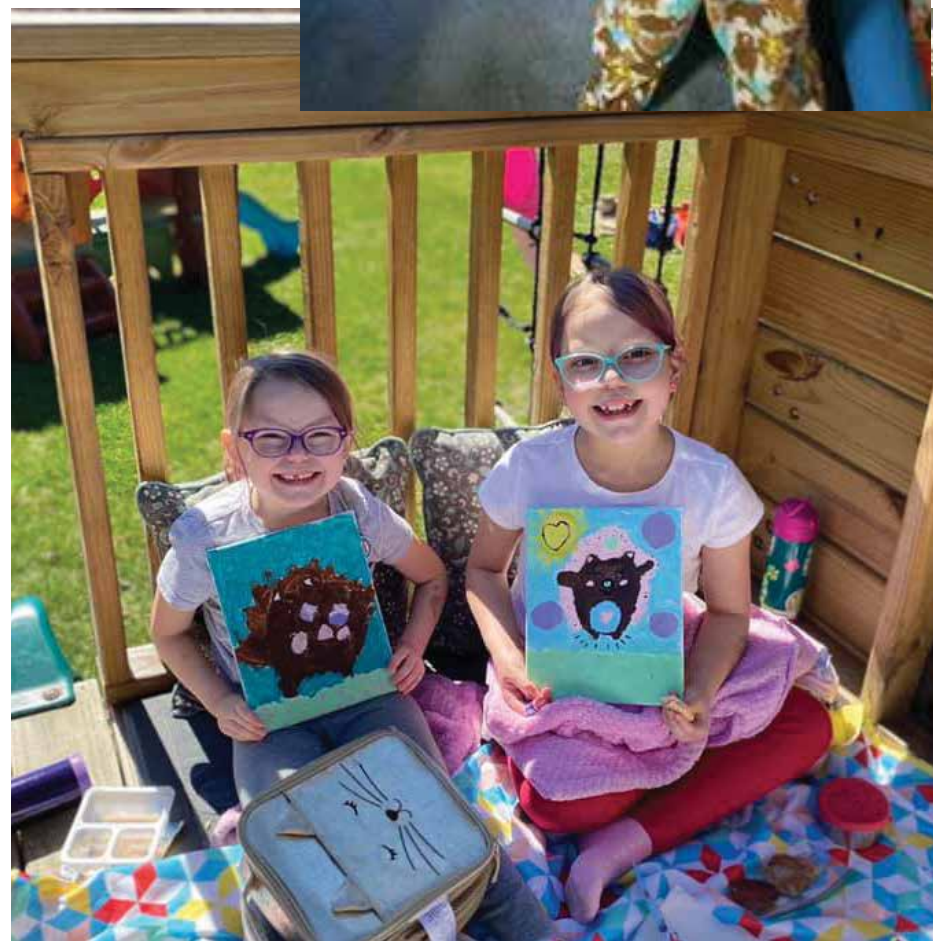

Even with all these changes, there are so many things that make me hopeful and wishes that I have for you as we transition to "Virtual Village." First and foremost, I am excited that you get to share in these amazing learning moments. Now you will get the opportunity to speak with your child and dig deep into their thinking and see the wonder and awe in their eyes when they learn something new. My greatest hope for you and your family is that you take this time to slow down, unplug and

reset. Talk, play games, go outside, investigate your surroundings or read a book. I hope that your time spent together as a family is filled with laughter, snuggles and board game victories. When your child looks back on this time we want them to remember how happy and relaxed they felt. My ultimate wish for you is continued health, safety, sunshine and happiness.

Our students, while not in the building, are learning and growing each day. Many of the students have spent our time away from the brick and mortar of Village reading, drawing, exercising and enjoying many spirit days. While the sunshine feels good and it is nice to get outside, we cannot wait to return to school.

LEGACY High School & Hartland Virtual Academy

Nicole Conley, Principal

 @hartlandalted

Together, we can accomplish VIRTUALLY anything!

Hartland Virtual Academy's mantra resonates through the entire district of Hartland ever since Governor Whitmer's Executive Order suspended the traditional mode of classroom teaching and encouraged all learners to try a Cyber campus.

The dramatic swing to online learning for all classes has only accentuated the "V" in our HVA, but while significant changes are occurring in conventional classrooms, HVA has reaped the benefits of Cyber curriculum. Virtual students, including those taking Apex, MVU, and dual enrolled (WCC) courses, have continued fully functioning from the onset of Michigan's current challenge. Our programs have provided all students studying under their umbrellas with continuity and consistency of programming. I celebrate the hard work and dedication of all HVA students to maintain their progress and commitment to their classes!

Boosting student achievement and quality of life through the personalization of learning, along with providing a program that allows for the flexibility of time, place and pace of completing curriculum, is the foundation of HVA. These standard operating procedures of online learning is how we have functioned before and during this crisis; but more importantly, that same personalization and flexibility is how HVA will continue to operate after this crisis.

The transition to virtual learning can be difficult at times. We at HVA understand the dangers of isolation and needed awareness of mental health concerns. We are excited about the innovations of technology and curriculum incorporation thereof, and generally the positive possibilities that will come of our current situation. Together, we really can accomplish virtually anything!

LEGACY Leaders!

The 2019-2020 school year did not close like anyone would have expected or wanted! Yet LEGACY had wonderful opportunities this term to begin new programming and foster fabulous new friendships. We would like to take the time to send spring/summer salutations to all of our friends in the classes of:

- Mrs. Dockus
- Mrs. Lubeski
- Mrs. Robinson
- Mrs. Wiley
- Mrs. Leutze

We cannot wait to see you again in the fall!

We would also like to take the time to send spring/summer salutations to all of our friends at the Hartland Senior Center. We have enjoyed our sports programming and appreciate your expert advice in our Career Readiness programming and Interview Day. We hope to learn again from you soon.

HARTLAND STUDENTS + HARTLAND TEACHERS = TRADITION OF EXCELLENCE

Dear Hartland Students and Families,

We miss all of you! No one wants to end the school year this way, but we want to help keep everyone safe.

We'll all continue to reach out with lessons, activities and to just connect with our students for the rest of the school year. We want to hear from you.

We look forward to seeing you again in the fall.

Take care,

Teachers and Staff of the Hartland Education Assoc.

Welcome to Hartland Preschool!

The month of April brought a time of change and new adventures for our preschool staff and students! With the face-to-face school year coming to an end, our administrators and teachers developed a plan to still be able to provide learning, activities and even new interactions for their preschoolers!

Our teachers planned and prepared activities and were fortunate to be able to provide their students with all of the materials needed for these projects and learning. They continued to use an online app called Seesaw, which they have been using for parent communication through the year to reach out to their families via posts, videos and photos. But the most exciting part was being able to interact with students on Zoom! Preschool is about social interactions, and without being in the classroom to learn these skills through natural play and learning, the next best option was meeting together virtually.

Although a virtual preschool is not an ideal setup, and not something you will see in our course offerings in the future, it is a perfect example of how we can learn anywhere and anyhow. Our children will learn no matter what situation they are placed into because their minds don't stop learning! The times may not be our normal or ideal circumstances, but our students have shown that learning does not only take place in a classroom. Our little ones learn when we cook together in the kitchen, when we go on walks and talk about the things we find in nature, when we draw with chalk and ride bikes, when we read stories together or when they help us organize things around the house.

Our preschool team has done a fantastic job fostering that learning for our little ones. They have been helping our students see that we will always be learning new things and that it's okay to do things differently sometimes and go with the flow! Our youngest learners help us to realize that learning happens everywhere!

Childcare Center

Register for fall care starting May 18th!

We will be closed Monday May 25th for Memorial Day.

Registration for Summer Camp is open! Don't miss out! Email us at childcarecenter@hartlandschools.us for information to enroll your child today.

Looking for high quality child care? Our licensed child care center is ready to have you join our family! Please call or email us to see if we have availability for your child. We serve infants through early 5s at our center. We also offer before and after care for children who attend the Round, Village, Creekside, Lakes Elementary and Farms Intermediate School. The children who attend the Lakes or Farms Schools may enroll at the School Street center, or take advantage of the school-age program at the Lakes Elementary School. The School Street Center is open from 6 AM–6 PM. Lakes Elementary is open from 6:30 AM–6 PM. Both programs offer gym activities, arts and crafts and outside play. When you are signed up for the Before and After School Care, you also have the option of attending on the “No School” days or Snow days! Our center is almost always open!

Before and after school care is \$10 per session for full time enrollment (5 days a week). Part time enrollment is \$15 a session (2-4 days a week). The minimum enrollment is 2 sessions a week for a charge of \$30 for the week. If you child attends on a non school day or a snow day, the cost is \$42 per day.

We would love to have you and your child join us at the Hartland Child Care Center. We are located at 10235 School Street in downtown Hartland, or give us a call at 810.626.2780. We can also be reached via email at childcarecenter@hartlandschools.us.

Annual Membership Dues (Jan-Dec):
\$20 per single member, \$30 per couple sharing a household. You don't have to be a Hartland resident to join!

Medicare Reminders

- Scammers come out of the woodwork during times of uncertainty and change. So make sure you give your Medicare number only to your doctor, pharmacist, hospital, health insurer, or other trusted healthcare provider
- If someone calls you on the phone, says they're from Medicare, and asks for your Medicare number or other personal information – just hang up.
- Remember: Medicare never calls its beneficiaries to ask for or to "verify" your Medicare numbers
- Be sure to check your Medicare claim summaries for errors and questionable bills
- If you suspect Medicare fraud, please report it by calling Medicare's toll-free customer service center at 1-800-MEDICARE (1-800-633-4227), or by visiting www.medicare.gov/fraud
- If your doctor orders a COVID-19 test for you, Medicare covers all of the costs. You should not have any cost-sharing.
- Medicare also covers all medically necessary hospitalizations. This includes extra days in the hospital for in-patients who were on the verge of being discharged, but were diagnosed with COVID-19 and had to stay longer under quarantine
- There's no vaccine for COVID-19 at this time. However, if one becomes available, Medicare will cover it
- If you have a Medicare Advantage Plan, you have the same benefits as people with Original Medicare. Medicare Advantage plans are now required to have the same cost-sharing for COVID-19 lab tests as Original Medicare: zero
- Medicare also recently expanded its coverage of telehealth services to enable beneficiaries across the country to receive a wider range of healthcare services from doctors without having to travel to a healthcare facility
- Doctors, nurse practitioners, clinical psychologists, and licensed clinical social workers can deliver telehealth services via phone and video chat. Medicare beneficiaries can receive telehealth services in their home as well as in any healthcare facility, including a physician's office, hospital, nursing home, or rural health clinic
- During this emergency, Medicare will pay for telehealth services at the same rates as in-person services, giving doctors an incentive to use this alternative and reserve their offices to treat those who truly require in-person care

Events & Travel Spotlight

All scheduled trips/programs/events are dependent on the duration of Governor Whitmer's order. We will get back to business as quickly as possible, once the "Stay Home, Stay Safe" and group size limitations are lifted.

Matter of Balance has been postponed (it was scheduled to start May 7th), no new date has been set yet but we will update just as soon as we have more information.

We miss you all and hope you are staying healthy and safe at home! Continue following our Facebook page and checking our website for more updates. We look forward to seeing you again as soon as it's safe!

Gymnastics Team Wins Regionals!

The Hartland High School Varsity Gymnastics Team won first place at Regionals in March! The team was revived three years ago after nine years without a team. Coach Taylor Jayne and Coach Matt Phillips were excited about attending Team States for the second year in a row. Prior to the cancellation, Ariana Adams, Ashlyn Shudick, Leila Fetuni, Lilley Schleif and Molly Curtis placed individually as well. Go Eagles!

In the Alumni Spotlight: Taylor Jayne

Taylor Jayne graduated from Hartland High School in 2011 with a 4.2 GPA. She graduated from the University of Michigan in 3 1/2 years with a degree in economics.

Currently, Taylor is a product manager with Duo Security (A Cyber security division of Cisco), and the head coach of the Hartland High School women's gymnastics team, which she resurrected 3 years ago. In her third year as head coach, the team won regionals this spring (see story to the left about their exciting win). Last year the team placed in the top 10 at states.

Taylor has two Labradors—Miggy and Diesel. She is engaged to be married in June.

Do you know a Hartland graduate that is worthy of the spotlight? Send nominations to editor Heather Calabrese at communitylife@hartlandschools.us and we will select one person to spotlight in each issue of Community Life.

STAYING HEALTHY

To stay healthy, the CDC recommends these tips:

Wash your hands often with soap and water for at least 20 seconds especially after you have been in a public place, or after blowing your nose, coughing, or sneezing.

Avoid touching your eyes, nose, and mouth with unwashed hands.

Avoid close contact, especially with people who are sick.

Stay home as much as possible.

Cover your mouth and nose with a cloth face cover when around others.

Clean AND disinfect frequently touched surfaces daily. This includes tables, doorknobs, light switches, countertops, handles, desks, phones, keyboards, toilets, faucets, and sinks.

Hartland Optimist Club Recognizes Outstanding Youth

The 24th annual Youth Appreciation Ceremony was originally scheduled for March 24th and rescheduled for April 29 but unfortunately the dreaded COVID 19 outbreak and the Governor's executive order prohibited a traditional gathering of honorees, family and friends. Many employees of Hartland Consolidated Schools and several community members generously and lovingly nominated 105 youth to be recognized for one or more of the following reasons: outstanding service to the community, special achievement, good judgment, perseverance and/or care and encouragement of others.

Through the challenge of this unprecedented and difficult time, we can feel proud and encouraged that our Hartland youth have demonstrated in some significant way, the tenets of the Optimist Creed and the spirit of kindness, selflessness, service and the willingness to overcome and excel. This is a time for Optimism to shine!

The honorees received a letter, certificate of recognition and narrative from the person who nominated them and each is listed below to further celebrate their deserving recognition:

Hartland High Senior Earns Eagle Scout Rank

Boy Scout Troop 212 of Fenton, chartered to Fenton United Methodist Church (and Lions Club), is proud to announce that Joseph Thomas Fay has earned the rank of Eagle Scout. Joe is the son of Mark and Kimberly (VanderPlas) Fay of Hartland.

Joe began his scouting career at age 6 as a Tiger Cub and advanced through Cub and Boy Scouts. He held various positions in the troop including Assistant Patrol Leader and Merit Badge Librarian. He also worked for two summers as a counselor at Cole Canoe Base near West Branch.

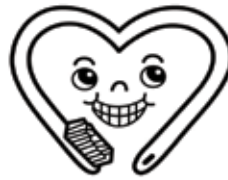

Joe's Eagle project was building new tables and benches for the Hartland High School tennis courts. He raised over \$1000 in funds to complete the project. He recruited help and led the volunteers. It took over 200 hours to complete this project. The project was completed before the 2019 fall boys tennis season where he was team captain for the second year.

Joe is currently graduating from Hartland High School in 2020 and is a member of the National Honor Society. He was a varsity tennis player and ran long distance on the varsity track team. He enjoyed Marching band as a section leader for the sousaphones and played tuba in concert bands. In the fall of 2020, he will attend the College for Creative Studies in Detroit, to study electronic arts.

Joe was the 100th Eagle Scout awarded from Troop 212.

According to recent studies, more than half of incoming college freshman are not prepared for college. While academic performance contributes to these statistics other factors play into college success, as well. This class is designed to help students understand what is expected of them in college and what they can expect as they transition into their new roles in academia. Students will learn what resources are available to them through their college or university, as well as study skills, time management, professional communication, tips for socializing, understanding grades and courses, along with many other subjects that will focus on a successful first year of college.

Friends of Cromaine Library

Approximately a month ago I sat in this very same chair and wrote about our upcoming book/bake sale. There's always plenty of excitement when we prepare for a sale! Lots of beautiful used books and volunteers ready to begin their tasks.

Well, things have not gone as planned. The virus has put everything on hold! Our new library director, Mallorie Devilbiss, has barely started her new job and now new plans must be made.

So, needless to say, life for the "Friends" of Cromaine has changed. Now, as we look back, has all this extra time gone to waste? Or have we used the time to advantage? Perhaps you are spending relaxing time with our family—maybe even getting to know them even better! Or, maybe you spent extra time on something we've only imagined doing. Perhaps you read a book, just for the fun of it! Maybe time was well-spent, and you never gave it much thought. Could it be that you had some time to develop life-long memories?

Your Friend, Mary Lynn

Fishing for something to do this summer?

We'll hook and reel you in with fun for the whole family!
Check out these summer activities at Community Ed!

Summer Kids Camp: All summer long your child will be entertained and cared for at our Center. Fun in-house activities and off-site field trips. Check us out!

Summer Sensations, Preschool & Kindergarten

Exploration: School year cut short? No problem with this additional instruction this summertime. Sign up now.

Gymnastics: Instruction in three different gyms all focused on different ages and levels. Join in the flipping, tumbling fun!

Safe Town: Offered in June, July and August, Safe Town is an early childhood safety education program. Children learn all aspects of safety through projects, songs, games, presentations, and plays. This program teaches bus safety, electricity and water safety, dog safety, stranger safety, bike safety and much more. Visitors come each day. Crafts supporting the daily theme are completed and children get important information about starting school.

Babysitter's Training: Offered on June 19th and August

7th, babysitter's training class is a great basic course that will teach tween and teens the responsibilities and qualities of being a good babysitter. This course is ideal for current and future babysitters and includes a component on CPR. The students will learn care-giving skills and how to manage real life emergencies.

Safe On My Own: Offered on July 20th, learn how to be aware of your surroundings and about internet and communication safety, self-defense, first aid, cooking safety, and how to stay "unplugged" in this class. It is geared towards students who are home by themselves after school or for periods of time during the day. The class will also include role plays and lunch made by the students.

Basketball Camp: Looking to improve your basketball game? New to the sport and want to try it out before joining a team? This camp is for you! Work on passing, shooting, ball handling, defense, and aggressiveness. We will focus on skill development with fun games and drills. Wear tennis shoes and bring a water bottle.

Volleyball Camp: Looking to up your volleyball game or make a school team? Interested in trying out the sport without committing to a team? Learn and practice passing, hitting, blocking, serving and setting. Focus on skill development in a fun and upbeat environment.

Tennis with Coach Jan: Offered in June, July and August, continue to work on your tennis skills or learn new ones. Our goals are to have fun, keep active, and increase tennis skills. Students will learn basic tennis skills, strokes, rules of tennis while improving hand-eye coordination.

Soccer Camps: A variety of soccer camps are offered. Youngsters will learn agility, balance and coordination. Bigger kids can brush up on their existing skills and those looking to improve their goalie skills can work on technical aspects of goalkeeping from footwork, handling, diving and much more.

Track: Athletes will participate in several running and field events. They will learn proper technique as well as teamwork. It is a fun and informative program that will introduce children to running and track. The program will end with a track meet.

Great Road Racers: The mission of GRR is to promote running as a source of physical, mental, and social well-being while having a common interest in having fun, staying fit, and getting runners ready for MHSAA Cross Country season. Athletes will be introduced to GFR (Good Form Running), which involves running with a cadence.

OAK WILT WHAT YOU NEED TO KNOW

What is it?

- Oak wilt, caused by a fungus, is a vascular disease of oak trees.
- Oak wilt restricts the flow of water and nutrients through the tree, causing the foliage to wilt.
- Oak wilt has been found on trees throughout the Midwest.
- All oaks are susceptible to oak wilt, but it is lethal for species in the red oak group.

What Can I Do to Help?

DO NOT PRUNE OAK TREES APRIL- JUNE when the highest risk of infection occurs. It is prudent to avoid pruning until trees have lost their leaves for winter.

DO NOT MOVE FIREWOOD - especially if it comes from oak-wilt killed trees, as it can harbor the fungus.
