## Superintendent's Corner

Chuck Hughes, Superintendent

 @hartlandschools

The August 4, 2020 Bond Proposal is right around the corner. I am hoping that you have this on your calendar to vote. During the past few months I have been asked many questions about this proposal. Some of the questions that you might like to know answers to are:

**Q: How has the district demonstrated financially sound decision making?**

**A:** One important way is by identifying opportunities to save taxpayers money. We do this by taking advantage of refinancing originally approved debt from past bond proposals. Since 2011, the district has saved the taxpayers approximately \$34,300,000 by refinancing previously approved debt. Other ways we demonstrate financially sound decision making is in how we settle fair and equitable contracts with our

employee groups. Employee salaries and benefits make up roughly 80% of our total operating budget each year. Since we are a service provider, it makes sense that this is where we would spend a larger portion of revenue coming into the district. Being thoughtful and deliberate in spending is viewed by our district as essential to operating a premier school of choice school system.

**Q: Since the State of Michigan provides a per pupil revenue stream, why is the district asking the community to support a bond?**

**A:** The school aid fund provides a base dollar amount for each student enrolled to cover operating costs. The state does not provide additional revenue for capital improvement programs such as large renovations, upgrades, and facility construction. Every school district has an obligation to garner community support for these types of projects through separate funding and Hartland is no different. It has been ten (10) years since the last bond request and it is time to address the needs described in the bond proposal.

**Q: Where can I find more information on the bond proposal?**

**A:** Visit the center spread in this edition of Community Life, go to [www.hartlandschools.us](http://www.hartlandschools.us) and follow the link to the 2020 bond proposal or go directly to <http://www.hartlandschools.us/2020-Bond/index.html>.

## Two Way Communication Reminder:

Every year I remind parents that Hartland Schools wishes to provide flexible opportunities for parents and teachers by providing options for communication. Parent/teacher meetings can always be scheduled when needed. To better understand how this can be accomplished, please plan to attend your child's Open House, Back to School Night, or Curriculum Night at the start of the new school year.

Teachers and administrators are committed to providing many opportunities for performance feedback and communication. Some ways in which this can be done include:

- Parent Connect access to grades, assignments, attendance, and food service information

- Report Cards
- Open House, Back to School Night, Curriculum Night
- Attendance letters
- Building and classroom newsletters
- Staff email
- Phone call
- Parent/Teacher meetings available upon request
- District, School, and Teacher websites

Teachers, counselors, and administrators should be contacted to set up meetings or discussions. We encourage you to do so if you have any questions or concerns about your child's education.

## Handing over the reins!

After serving the Hartland Community for over 24 years, Michelle Otis is retiring as the Community Education Director. She was hired as the Assistant Director in December of 1996 alongside Steve Assenmacher. When Steve retired in 2005 Michelle became the director. Now she is handing over the keys to Carol Hayes as the new Community Education Director. Carol looks forward to carrying on the legacy for all residents of Hartland. Thank you Michelle for all the years of service.

## August 2020 Person of the Month: Jennifer Grabowski

I began my journey in Hartland as a parent in 1996, when we moved here for the schools—what a great decision! My husband Gary and I have 3 children, daughter Camrion and two sons, Kas and Stavis. We have lived in Brighton Township for 20+ years, and our children all attended Hartland schools. My husband is a retired Battalion Fire Chief, and the main reason I moved to Southeast Michigan. I

spent my childhood in Texas, graduated high school in Kentwood, Michigan, and I am a proud Michigan State Spartan (Go Green!).

I was sitting at my youngest son's basketball game about 11 years ago, and Carol Hayes asked me if I knew anyone who would want to work at Lakes Elementary in the latchkey program. I told her that I would do it! Bill Cain hired me a short time later to work at Village Elementary. I have truly enjoyed being able to work in different roles at Lakes, Farms, Village and now presently in the Curriculum Department

at Central Office. Working with children has been wonderful. They teach you so much about patience, compassion and living in the moment. Working in the Curriculum Department has allowed me to see a different side of the picture and I have been enjoying my time working with this great group.

I have been fortunate to have outstanding co-workers in this district. One thing that seems to be consistent is the dedication of the employees to provide a top-notch education experience for the students. I have too many great memories to pick one that stands above the rest, as they have all left an imprint on me in varying ways.

From the perspective of a parent who has had three students go through Hartland schools, I can honestly say that we have been blessed to be a part of this community. I am very thankful for the strong base and foundation that the schools, the staff and the teachers have offered my family. We are all part of the bigger picture, and part of the process and solution, which is one of the things I like most about working for Hartland schools. I admire the way this district is adaptable without compromising integrity and I am proud to be a part of this Hartland team.

## We are looking for alumni news!

Do you know of a Hartland graduate who is doing something special or outstanding? We know there are plenty of former students doing some amazing things and we want to hear about it. We are looking to highlight a Hartland High School graduate each month that we feel the community would love to hear about. Send nominations to editor Heather Calabrese at [communitylife@hartlandschools.us](mailto:communitylife@hartlandschools.us) and we will select one person to spotlight in each issue of Community Life.

**Mission Statement:** The Hartland Consolidated Schools, in cooperation with the community, will provide a positive environment for the development of productive and caring individuals of all ages. We are teaching learning for life.

**District Vision Statement for Hartland Consolidated Schools:** A community of learners sharing successful tomorrows.

## Armed Forces Recruiting

### Important Notice to Parents: Armed Forces Recruiter Access to Students and Student Recruiting Information

The “No Child Left Behind Act of 2001” passed certain new requirements with respect to Armed Forces Recruiter Access to Students and Student Recruiting Information:

- Duty to Provide Information to Military Recruiters. Unless the parent otherwise requests, the District must provide upon request by military recruiters access to high school student’s names, addresses and telephone listings.
- Consent. Either the high school student or the parent of the student may request that the student’s name, address and telephone listing not be released without prior parental consent. Schools are required to notify parents of this option to make a request and shall comply with the request. This is the required notification and the Opt-Out Form is below.
- Access to Students. Each district shall provide military recruiters the same access to high school students as is provided generally to higher education institutions, community colleges, and prospective employers.

#### DENIAL OF ACCESS TO MILITARY RECRUITERS OPT-OUT FORM

**To: Principal, Hartland High School, 10635 Dunham Rd. Hartland, MI 48353**

**To: Principal, LEGACY/HVA, 9525 E. Highland Road, Howell, MI 48843**

I object to the release of the name, address, or telephone number of \_\_\_\_\_ [print name of student] to military recruiters during this school year. I understand that once this form has been signed by either the student or the parent, only a parent may change it. I also understand that if I want to change it, the parents must notify the principal in writing that the form is no longer in effect and that student information may be released.

## 2019-2020 Top Ten Academic Seniors

Please note, students are listed in alphabetical order

### Student: Jacob Batten

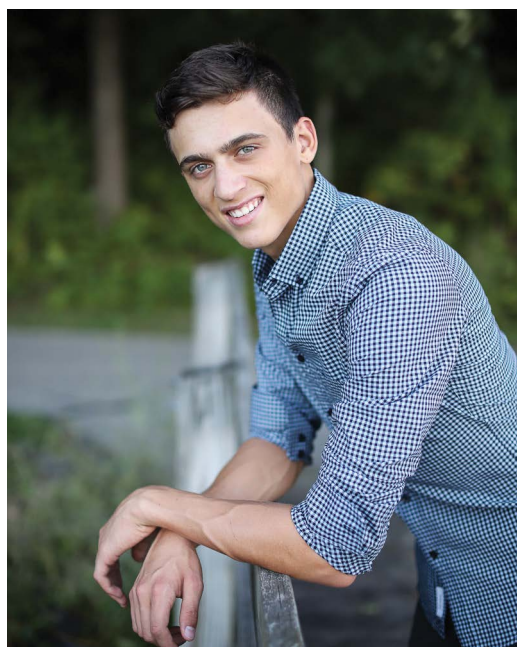

Parents: Mike and Angelle Batten

**Activities and Awards:** Jacob played basketball and baseball throughout high school. He was the only National Merit Finalist in Livingston County this year and was involved with NHS and was a member of the 2020 Class Council. He volunteers at his church youth camp every summer along with volunteering at Fish and Loaves, a program that helps provide food and companionship to members of the community. Jacob has appreciated growing up with a supportive family including grandparents, aunts, uncles and cousins. He is looking forward to continuing his journey at Northwestern University to study Economics.

### Student: Lucas Batten

Parents: Mike and Angelle Batten

**Activities and Awards:** Lucas played basketball and baseball all four years of high school. He was also active in NHS and Class Council while at Hartland. He volunteered at his church, St. Paul's, through summer camps and programs like Fish and Loaves. Some of the most helpful and influential people in his life these last four years were his grandparents and twin brother Jacob who were very supportive of him and helpful in deciding what to do after high school. Lucas will be studying Economics at Northwestern University next year.

### Student: Caroline Carothers

Parents: Rachel and Dennis Carothers

**Activities and Awards:** Caroline has enjoyed being a part of the National Honor Society, LINK crew, as well as the track and basketball teams. She has received awards in several areas such as Spanish and Advanced Geometry while also obtaining her Academic Letter during her career. She volunteers frequently within her church's children's ministry through the nursery programs and helps out with various different events throughout the year. Over the years, Caroline has been very appreciative of the friends that she has made, along with her mother who has been the source of most of her inspiration and motivation. To further her academic career, Caroline will be attending the University of Michigan in Ann Arbor to study Biomedical Engineering.

### Student: Shannon Ehrlich

Parents: Lori and Daryl Ehrlich

**Activities and Awards:** Shannon has enjoyed participating in the marching band and jazz band for the past four years; two of these years she acted as section leader. Shannon was also a member of the Science Olympiad team, allowing her to explore her passion for science. Her love for the outdoors and animals has influenced Shannon to pursue a major in fisheries and wildlife management at Northern Michigan University in the hope of becoming a wildlife biologist. During high school, she found encouragement and support from her friends, family and teachers and will miss them all when she goes to college in the fall.

### Student: Robert Hense

Parents: Debbie and Dave Hense

**Activities and Awards:** Robbie enjoyed playing soccer, lifting weights and playing basketball to stay healthy in high school. In the classroom, he worked hard to achieve his spot in the top 10. He will be attending Purdue University in the fall to study computer engineering. Having taken many AP courses and technology classes, he feels prepared for his Purdue education. He is grateful for his parents, teachers and classmates for pushing him to be better and achieve more. He is glad to have met so many amazing people and share fun memories over the last 4 years at Hartland High School and a lifetime in the Hartland community.

### Student: Cade Kaighen

Parents: Erika and Joe Kaighen

**Activities and Awards:** Cade was heavily involved in sports, playing on the varsity soccer team and also running for the varsity cross country and track teams. He also was a member of the National Honor Society and spent much of his time tutoring, along with volunteering as a U8 soccer coach for Hartland United FC. Cade attributes much of his success to the constant support from his family, friends, teachers and coaches. Cade will be attending Michigan Technological University in the fall where he will be majoring in chemical engineering and running for both the cross country and track teams.

## 2019-2020 Top Ten Academic Seniors

Please note, students are listed in alphabetical order

### Student: Ashley McKaig

Parents: Mary and Louie McKaig

**Activities and Awards:** Next fall, Ashley will be attending the University of Michigan in the LSA Honors Program to study biology. Ashley loves to hang out with her three sisters, doing things like rollerblading, singing karaoke and visiting Chicago. Her favorite person is Beyoncé and Ashley loves to listen to her music and watch her performances. In high school, Ashley played volleyball and soccer and was the volleyball captain both her junior and senior year. She was also the President of Optimist Club and an active member of the National Honor Society and LINK Crew. Since her freshman year, she participated in "Rockin' Readers," a weekly program where she read with an elementary student to improve their reading skills. Ashley is extremely grateful for the friendships she made and her amazing high school teachers.

### Student: Cameron Roach

Parents: Amy and Jerald Roach

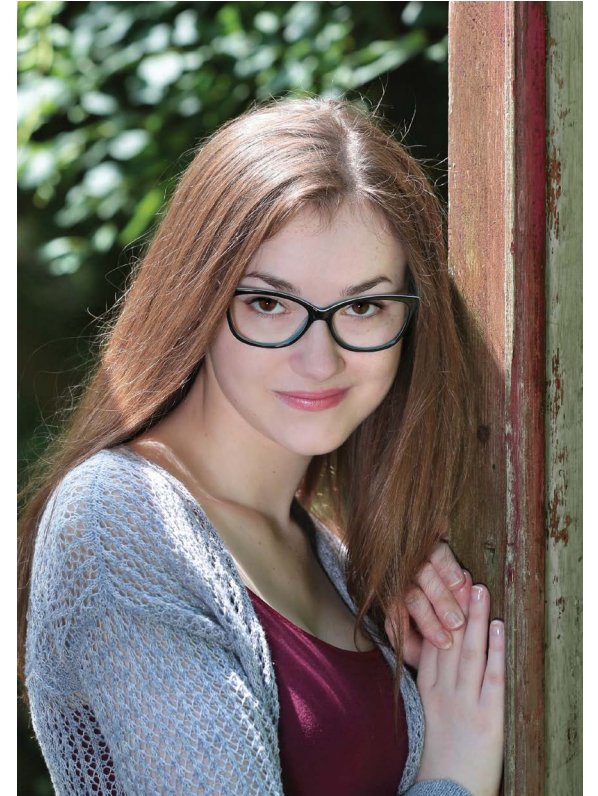

**Activities and Awards:** Cameron served as the President of the National Honor Society and was a Cross Country team captain. He was also active in the Hartland DECA chapter, participating in the executive board and qualifying for the International Career Development Conference by winning in his category at the state level. Cameron received his academic pin and was a three-time Undergraduate Academic Award Recipient. Cameron earned college credit through the College Board's AP Program in the following disciplines: Calculus, Statistics, US Government, and Literature/Composition. In coordination with the NHS, Cameron was a "Rockin' Readers" volunteer at Lakes Elementary school. He also participated in the Reaching Higher Leadership Program for three years and supported Hartland High Athletics by being the Eagle mascot for two years. Cameron will forever owe his success to the unending support of his family and Hartland High staff. In his spare time, Cameron likes working and playing recreational basketball and is also a regular blood donor. Cameron enjoys mathematics and analysis and will study in the Business Honors Program at Oakland University on a partial academic scholarship. After completing college, he hopes to own his own business in an undecided sector.

### Student: Emma Ross

Parents: Jon and Kathy Ross

**Activities and Awards:** Emma is the co-captain of Hartland High School's Quiz Bowl team. Since age fourteen, she has worked at Kumon Math and Reading Center, where she tutors children as young as three in math and reading. Emma has received academic excellence awards in English, Math, Social Studies and Science. As a sophomore, she earned her Academic Letter as well as the Michigan Industrial and Technology Education Society State Second Place Prize for video game design. She received her Academic Excellence Medal in her junior year and has earned a 4.0 in every class she has taken at Hartland HS. She is grateful for the support of her family, friends and teachers, who have helped her achieve her goals and set new ones. Emma has had the opportunity to audition for Jeopardy! twice: once for Kids Week and once for the Teen Tournament. She hopes to audition for the College Championship as a student at Oakland University, where she will study biology as a recipient of the Gold Presidential Scholar Award.

### Student: Miguel Angel Uribe

Parents: Ana and Miguel Uribe

**Activities and Awards:** Miguel was an active member of many extracurriculars at Hartland High School, including the National Honor Society, Link Crew, DECA, Cross Country and Class Council (where Miguel was president). After a rejected proposal to make an ultimate Frisbee club at Hartland High School, Miguel, along with Kevin Dinser, went on to create their own ultimate Frisbee team named Long Range. Miguel and Kevin organized their own practices, scrimmages and equipment. In his free time, Miguel is in the works of a novel, likes to write songs, and has a passion for videography and photography. Next fall, Miguel will be attending the University of Michigan-Ann Arbor to study computer science. Miguel is beyond grateful for the countless mentors that have guided him these past four years. He is especially indebted to his supportive parents who provide Miguel the resources to succeed and to his sister who has helped him get back up after each of life's trials.

## Hartland High Class of 2020 Eagle Scout

Boy Scout Troop 380 of Hartland, chartered by Hartland Fire Department is proud to announce that Austin N. Bickel has earned the rank of Eagle Scout. Austin is the son of Brian and Laura Bickel of Hartland Township and is a Hartland High 2020 graduate.

Austin progressed over 12 years from Tiger Cub throughout Cub Scouts and Boy Scouts to become both an Eagle Scout with Gold Palm (31 total merit badges) and an Order of the Arrow member. Order of the Arrow is the National Honor Society of Boy Scouts of America. He has held numerous Boy Scout leadership roles; Assistant Senior Patrol leader, Patrol leader, Troop Guide, bugler/drum-core.

Austin's Eagle Scout project involved renovating and making improvements to the tech booth at the Hartland Performing Arts Center. This project reflects Austin's love of the performing arts as a member of the Hartland High School Drama Club Thespian Troupe #4213/International Thespian Society (4 years) under the direction of the late, Mary Jo Del Vero and Scott Usher, section leader of the Marching Eagles drumline on Center Snare, Percussion member of Wind Symphony (2 years) and Symphonic Band (2 years) under the direction of Brad Laibly, Chamber Choir (4 years), Men's Varsity (4 years) and Varsity Mixed Choir (3 years) under the direction of Kathi Letovsky and Bailey Shepard.

You may recognize Austin from his HHS performances as Professor Moriarty in Sherlock Holmes, Quasimodo in The Hunchback of Notre Dame, George Gibbs in Our Town, Professor Harold Hill in The Music Man and Wadsworth in Clue. Austin has been focused on performing arts since his very first acting role at age 6 and is continuing on with performing arts as he pursues a Bachelor of Fine Arts in Musical Theatre at Oakland University in the fall of 2020.

## Welcome Back from Hartland Transportation!

The 2020/2021 school year is quickly approaching, and we are looking forward to another great year! As always, we strive to make your child's bus ride a positive part of their educational experience. Here are a few important informational points for review:

- Your student must be waiting at the bus stop 5 minutes prior to the scheduled arrival of the bus. Once the alternating lights of the bus are deactivated, the bus driver cannot legally reactivate them and it is then the parent's responsibility to transport their student to school.
- Students and Parents should never try to catch the bus once the lights have been canceled. Please do not go to another bus stop without contacting the Transportation Office; the bus driver must be notified.
- If possible, your house number should be visible from the traveled roadway. Mailbox numbers are acceptable but should be large enough and clearly visible on both sides.
- The expected behavior of the student rider is found in the Parent-Student Handbook. We encourage parents to review these responsibilities with their children to ensure their privilege of riding is not lost. The handbook can be found by going to the district website at [www.hartlandschools.us](http://www.hartlandschools.us), then clicking on Parents & Students, and then Handbooks.
- Postcards will be mailed home a week before school starts with your student's bus information. The computerized postcard will only list one stop address but your student should wait on the same side of the road they reside on until the bus is in place with red lights activated and the bus driver crosses them.
- Students should never cross the road prior to arrival of the bus.

If you have any questions or concerns we would be happy to talk with you. Please contact the Transportation Office at 810-626-2175.

### From the Counseling Office

Hartland seniors are encouraged to use their time over the summer vacation to make sure they are ready for the college application season. Most colleges have their applications available online on August 1st. In order to apply for admission seniors must:

1. Complete the online college application and follow all steps outlined by the specific application.
2. Request that Hartland HS send your official transcript by creating a [www.parchment.com](http://www.parchment.com) account and completing an online transcript request. Students who are well organized and planning ahead can make transcript requests in August. However, seniors should note that the HS Counseling Office will not begin processing transcript requests until the second week of school.
3. Submit all necessary payments.
4. Monitor your application through your account on the college website to make sure that all parts of your electronic application were received and downloaded in a timely manner.
5. Let your counselor know when you are accepted.

Once you have completed all of the applications, seniors are able to move on to complete their financial aid applications (FAFSA) in October, which is much earlier than in past years. This earlier filing deadline will allow families to use their 2019 tax documents to apply for financial aid, rather than waiting until January for their 2020 tax documents.

Finally, seniors can begin the process of researching scholarship opportunities. There are numerous online search engines for scholarships that can be particularly helpful. In addition, the counseling office will email you with a monthly newsletter filled with scholarship opportunities. Seniors who have used their summer wisely and have completed their applications early in the fall are far less stressed and have more time to devote to searching for scholarship dollars!

### Welcome back to Hartland High School!

Welcome to the Hartland High School 2020-2021 school year! We are very excited to see all of the students after a difficult ending to the 2020 school year. Below are essential dates/times to ensure a smooth start to the school year:

**Grades 10–12 Registration:** Will be held at the high school on **Thursday, August 6th**. Students will get their school picture taken, pay for and pick up their parking hang tag (11th and 12th grade), receive their fall schedule, have the ability to talk to their counselor and receive their high school ID card on site. **Times are as follows: 10th Grade, 8–10 AM; 12th Grade, 10 AM–12 PM and 11th Grade, 1–3 PM.**

- Please be aware that ONLINE enrollment for all new and current Hartland Consolidated students is required this year in an effort to go paperless. Please ensure that your email address is updated in the Parent Portal, as detailed directions have been sent out to complete the process. The online enrollment will be completed through the Parent Portal.
- **11th and 12th graders who would like to park on campus must register for a parking spot online BEFORE registration!** The link to register can be found on the high school website. The \$75 fee must be paid at registration to receive the hang-tag. You can also pay and pick up the hang-tag from the office any day after August 8th. Students must show a valid driver's license at the time of pick up.
- In order to get a student parking hang-tag, students cannot have any outstanding fines or fees. No exceptions. Please check your students Pay-For-It account for any outstanding fines and fees. Also, please check Parent Connect to make sure your student does not have a negative lunch account.

**LINK/9th grade Orientation:** Will be held at HHS on **Monday, August 10th from 7:30 AM–12:30 PM**. 9th grade students will spend the morning doing team-building activities and learning about life as a Hartland High School student. As a part of their day, they will get their school picture taken, receive their schedule, and receive their HHS ID card. If you cannot attend, students can pick up their schedules from the high school main office any day after August 10th. Please ensure the online registration has been completed before LINK Day! **There is a 9th grade parent meeting from 8–9 AM in the high school auditorium the morning of LINK Orientation on August 8th.** Parents will have the opportunity to chat with high school counselors, administration and to ask questions about HHS.

**Make-up Registration:** Make-up registration will be held at the high school on **Monday, August 10, 2020 from 1–3 PM**. Students will pick up and pay for parking tags (11th and 12th graders), get their school picture taken and pick up their schedules.

**First day of School:** Mark your calendars! We'll be starting our school year on **Wednesday, August 19, 2020**. School starts promptly at 7:20 AM. Please ensure your student is aware of the dress code!

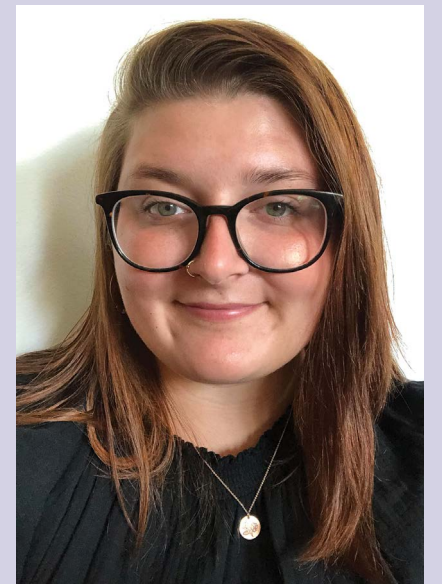

**Back-to-School Night:** If you'd like a chance to meet your student's teachers and see the high school facilities, please plan to join us for Back to School Night on **Wednesday, August 26th from 6:30–8:30 PM**.

**HHS Varsity Football Game:** Football season is almost here! Join us for the first varsity football game at home versus Livonia Franklin on **Friday, August 28, 2020**. Kickoff is at 7 PM. Wear your blue and gold to support your Eagles Football. This is also the annual HAYAA Night, celebrating all of Hartland's youth football programs.

The high school staff band played the senior class song, "Good Riddance," by Green Day during the videotaped portion of the graduation ceremony. Band members included Chad Kawa, Ron Weston, Andrew Kart-sounes, Matt Assenmacher, and Randy Pomeroy. The National Anthem was sung by Hartland Choir teacher, Bailey Shepherd.

Members from the senior class council gave their speeches for the graduation ceremony.

Welcome new teachers to HHS! Leah Tice, Special Education department (top left); Kathleen Beger, English department (bottom left) and Madeline Porter, Art department (above).

## Final Days of Summer!

We hope you are enjoying the final days of summer and are excited to start a new school year at Hartland Middle School. Although things will look a little different this year, we are looking forward to a great year working with our amazing students and families. Along with our staff, we will do our very best to continue to provide an excellent academic and social experience for our kids. We look forward to meeting students and families at registration and the first day of school on Wednesday, August 19th. Our school office reopens Monday, August 3rd with office hours 8 AM–4 PM. Please feel free to drop by or call the Ore Creek office at (810) 626-2400 with any questions.

## Back to School Registration

Back to school registration forms can be accessed through the Parent Portal found on the school website and will be available until August 10th. Please be sure to complete registration forms before coming to your student's registration session. If you do not have access to a computer, forms can be obtained from the front office at the time of registration or anytime Monday through Friday from 8 AM–to 4 PM starting August 5th. Dates for registration are:

**Last Names A through E on Tuesday, August 11th from 8–11 AM**

**Last Names F through L on Tuesday, August 11th from 12–3 PM**

**Last Names M through R on Wednesday, August 12th from 8–11 AM**

**Last Names S through Z on Wednesday, August 12th from 12–3 PM**

## New Faces At Hartland Middle School

We would like to welcome Sonya Salinas (left) back after coming in second semester last year. Sonya teaches 8th Grade English. New this year is Chelsea Dixon (middle) and Alex Trojan (right). Chelsea Dixon is coming to us from a previous district and will be teaching Special Education. Alex Trojan will be teaching Physical Education and Health after serving as our building substitute last year. We are very excited to welcome such qualified and experienced teachers to our team.

## Ore Creek Athletics

Cross Country and Girls Volleyball seasons start at the beginning of the school year. Students planning on participating in any school sports team or club this year must have a current physical on file in the Middle School office in order to participate (forms are available in the Middle School office and on our school web page). If you are a returning 8th Grader, your physical from last year will be valid for the 2020/2021 school year. If you are an incoming 7th grader, you will need to turn in a current physical (issued on or after April 15th 2020). There is a participation fee for interscholastic sports (\$100) and school sponsored clubs (\$40). If a student participates in multiple sports or clubs, the total fee for the entire school year is \$100. Please note that some teams do require additional "team" fees.

## Miscellaneous Information

**Parent Connect:** Parent Connect allows parents with Internet access to monitor their children's grades. If you had a password assigned last year, it remains the same. Contact Karen Wilson at [pc@hartlandschools.us](mailto:pc@hartlandschools.us) for assistance.

**Safety In The Parking Lot:** The morning "drop off" time before school and afternoon "pick up" time after school means that students who are being driven to and from school must negotiate a very busy parking lot. **PLEASE DRIVE SLOWLY AND CAUTIOUSLY** and put the safety of our students ahead of time issues.

**Parent E-Mails:** We will be sending weekly mass e-mails with news and updates. If you do not have Internet access, you or your child may pick up a hard copy of the weekly parent/guardian e-mail in the school office.

**Tardy To School Policy:** Attendance is a crucial factor for student academic success. Students tardy to school must be signed in at the front office by a parent or legal guardian in order for the tardy to be considered excused. Unexcused tardies to school will result in disciplinary action. Excessive parent excused tardies may be referred to the Livingston County Attendance Officer.

## Congratulations to our HARTLAND PRIDE and HEART winners!

The HARTLAND PRIDE award was presented to Ezra Moore (left) and Karolina Spiewak (right), eighth grade students who exhibit outstanding citizenship, pride and especially scholarship. Ezra and Karolina are outstanding scholars and citizens, depicting the best of Hartland Middle School.

The HARTLAND HEART award was presented to Karissa Szczechowicz (left) and Maggie VanGoethem (right), eighth grade students who exhibited outstanding citizenship and scholarship but especially service to school and others. Karissa and Maggie showed pride and spirit by serving their fellow HMS students, staff, and community.

## Friends of Cromaine Library

Hopefully the patrons of our special library who are reading this article are well and enjoying this lovely Michigan Summer.

A year ago when I was writing the August article, it was all about going back to school. Today things are drastically different. This should prove to us that life can change with a "drop of a germ" and nothing should be taken for granted.

Perhaps this strange vacation has given folks a chance to catch up on their reading. We have definitely missed Cromaine! In July the library officially opened to a limited number of patrons. Everyone must wear a mask and practice social distancing. Time spent in the library will be limited.

While at Cromaine, please visit the Friend's Book Nook. We think you'll like it. Please take care of each other.

## Welcome Back LES Families!

Along with the entire LES staff, I would like to welcome you to the 2020-21 school year! We can't wait to see your children again after 6 months of unprecedented times and too many Zoom meetings to count! We are still working as a district to prepare for what our return will look like, and know that things may change as the year progresses. As with my amazing staff, I ask for your flexibility and patience so we can get through this challenging time. Rest assured my staff and I will continue to work hard to provide the high-quality academic instruction and social-emotional support all of our children deserve. As always, please don't hesitate to call or email me if you have any questions or concerns.

Thank you.

## Welcome new staff members!

Welcome Mrs. Jennifer Rogers as our new 3rd grade teacher! Mrs. Rogers spent last year teaching at Round, and the previous twelve years teaching at South Arbor Academy in Ypsilanti, MI. She has also taught in Maryland and Kansas. Mrs. Rogers was a two time finalist for the NHA Teacher of Excellence Award while at South Arbor due in part to the growth her students' showed. We're looking forward to our students making great growth while under Mrs. Rogers' guidance, and we know she will also take great care of all of our students. We also welcome Mrs. Rogers' two kids to our Lakes family.

Welcome Ms. Kari Kantola as our new Kindergarten teacher! Ms. Kantola is a Hartland High School graduate and has spent the past two years teaching at Village. She student-taught in Kindergarten in the first half of the 2018-19 school year and then Special Education (K-2nd grades) for the winter and spring of 2019 (CI Endorsement). Ms. Kantola also taught Junior Kindergarten this past year. She helped develop the JK curriculum and thrived at providing a safe and comfortable classroom for her young students. We know she'll go the extra mile

for our students to learn and grow in a caring environment.

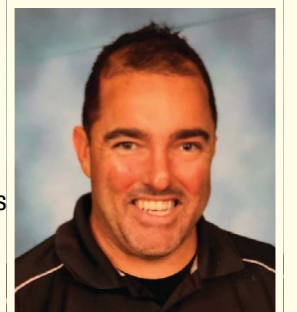

Welcome Mrs. Cheryl Abraham as our new 2nd grade teacher! She has been married for 23 years and has three children—two in college and one in high school. Mrs. Abraham taught at Morrish Elementary in Swartz Creek the first ten years of her career and pioneered a mixed age program in a 1st and 2nd grade classroom, so her ability to differentiate instruction was honed early on in her career. She has taught the last ten years at Cornerstone Christian School in Brighton in Kindergarten, 2nd, and 3rd grade classrooms. Mrs. Abraham has a Masters Degree in reading and has vast experience with Reader's and Writer's Workshop. We're looking forward to her bringing her passion and growth mindset to Lakes Elementary to bring the best out of our students.

Welcome to Ms. Rosellen VanCura as our new 1st grade teacher! Ms. VanCura has taught in Lake Fenton in a variety of grade levels including Young Fives and third grade classrooms and has spent time in Kindergarten and 1st grade classrooms during her student teaching at West Godwin Elementary school on the west side of the state. Mrs. VanCura has an integrated science major and has had many successful experiences creating hands-on, inquiry based activities to make learning visible to students. We are quite confident that Ms.

VanCura will build a classroom community where our students will feel safe and optimal learning will take place.

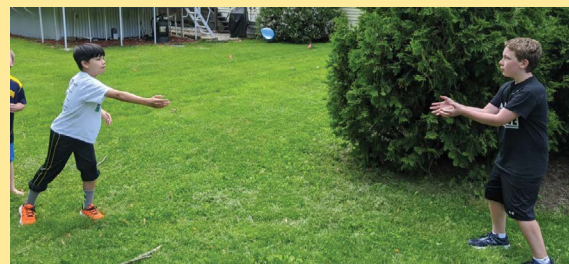

Welcome to Mr. Jarrett Cogswell as our new 4th grade teacher! Mr. Cogswell has been teaching at Country Elementary, Pathfinder, and Navigator Upper Elementary schools the past 14 years in Pinckney. In addition to a year of being a reading interventionist at the 5th and 6th grade level, he has also taught in 2nd, 3rd, 5th and 6th grade classrooms, in addition to coaching basketball for many years. One of Mr. Cogswell's strengths is his ability to develop strong relationships with his students and building a positive culture within the school community. We are very excited to have Mr. Cogswell as a part of our team at Lakes and making those daily connections with our students.

Our 4th graders celebrated their "graduation" from Lakes in a drive up celebration on June 3rd! Staff and students kept a safe distance but really enjoyed the celebration, which included 4th graders receiving a certificate, t-shirt, photo opportunity with a sign and teacher "fatheads," and clap out from Lakes staff in our bus loop. We will miss these 4th grade leaders and know they will go on to do great things at Farms!

Thank you to all of our students and parents who participated in our Virtual Field Day 2020 during the first week of June! Fun was had by all participants and a special thank you to Mr. Conway for putting this all together!

## The sky's the limit for Round Elementary School!

Welcome back! We are more excited this year than ever to begin the school year! We sure have missed all of you and can't wait to hear the buzz of students in the hallways and classrooms. The teachers have been very busy this month as they prepare their rooms and teaching materials. The portable is completely gorgeous! Please stop in and check it out during Open House. We are very excited about the learning opportunities these large spaces will afford. This year we plan on pushing forward with our vision to make Round the best it can be!

We would like to wish our Round Students the best of luck as they move on to 5th grade at Farms this fall. We wish you well and we will miss you. Make us proud!

We would also like to send well wishes to our staff members that will not be returning to Round this year. Congratulations to Mrs. Jennifer Rogers! Mrs. Rogers will be joining the Lakes Team as a 3rd grade teacher. We know that she will be successful at mitigating lost instruction due to Covid-19 in order to ensure those students are successful on the 3rd grade MSTEP. We will miss her very much!

Congratulations to Mrs. White, who will be teaching 1st grade at Round. As you may know, she taught kindergarten here last year. We are very excited to add her talent, enthusiasm and passion to the 1st grade team.

Mrs. White

Mrs. Patterson

Please welcome Mrs. Patterson to the second grade team, Mrs. Patterson comes to us from Creekside Elementary where she taught Junior Kindergarten last year. We are very excited to add her expertise, motivation and passion to our 2nd grade team.

Round Elementary School is a special place where our commitment to excellence, relationships and making our students great people, as well as great students, is our main priority. Welcome back Round School family. We have missed you all so very much and we look forward to another wonderful year together!

### Welcome back to Village!

We are excited to kick-off another amazing year of learning at Village Elementary. It seems like just yesterday that we were Zooming goodbye for the summer. While you were home, I hope you had a chance to read, relax and rejuvenate. Summer is the time to explore the outdoors and enjoy the majesty of one of Michigan's best seasons. Teachers "officially" return to school on August 17, but many have participated in various virtual professional learning opportunities throughout the summer. While ending brick and mortar schooling on March 12 was not our plan, it has helped to expand the toolbox of our Village team. We can't wait to put these new methods into action this year.

**We are excited to welcome some new faces to our staff.** Our Village family additions include Mrs. Anderson (3rd grade), Mrs. Thompson (special education), and Mrs. See (2nd Grade). Mrs. Rumble will now be teaching our newest Villagers in JK, and Mrs. Cabaj is transitioning to work with our 2nd grade team. Our Village family gets stronger each day and our new additions are a testament to that strength.

Mrs. Anderson, third grade teacher

As we look toward the upcoming school year we cannot anticipate what exciting things will take place. This year Village is embracing the theme "Adventure Begins Here." In my first year as Village principal, I came to realize how each day was an opportunity to begin a great adventure. As students arrived in the morning, they embarked on their learning journey. When staff members participate in professional learning it is with the mindset of making the journey for their students a bit smoother. This coming school year is an opportunity for our Village community to take another step on the path to building a better Village by starting off on a great adventure, TOGETHER.

We welcome all of our newcomers to Village and we cannot wait to begin an ADVENTUROUS new school year.

Mrs. Thompson, resource room teacher

# Hartland Consolidated Schools August 4th Bond Proposal.

Dear Hartland Community,

In the early stages of the coronavirus pandemic, the Michigan Secretary of State, the County Clerk, and Township Clerks asked school districts with May elections to postpone until August 4th. In the interest of public health and safety, the Hartland Consolidated Schools complied with this recommendation.

Hartland's bond proposal election is now scheduled for August 4th. Voters can cast their ballots at the polls or from the safety of their own home by absentee ballot from June 20th through Election Day.

## What is on the ballot?

The August 4th bond proposal is the same as the proposal originally scheduled for this past May. Registered voters within the boundaries of the Hartland Consolidated Schools will vote on a \$45 million bond proposal designed to keep Hartland Consolidated Schools facilities and instructional spaces updated when students return to school by...

- renovating, upgrading, and constructing school facilities, including making safety and security improvements
- upgrading technology and technology infrastructure
- upgrading athletic facilities
- replacing school buses as they reach the end of their useful life

Every project in the bond proposal was reviewed and approved by the Michigan Department of Treasury. And, all renovations and upgrades will comply with the Americans with Disabilities Act (ADA).

If approved by voters, the bond proposal will affect every Hartland student and every Hartland school facility.

To view a complete list of all bond proposal projects see opposite page, or simply go to [www.hartlandschools.us](http://www.hartlandschools.us) click on 2020 Bond Information.

## What will the bond proposal cost?

The \$45 million bond proposal will require a 1.44 mill increase in the current tax rate. For a Hartland Township homeowner living in a home with a taxable value of \$117,500.00 (the taxable value is typically 50 percent of the market value), this increase would cost \$169.20 per year, or about 46¢ per day. The longer you have lived in your home, the more likely the taxable value is less than 50 percent of the market value.

While some Hartland Township homeowners may pay more, many Hartland Township homeowners may pay less than 46¢ per day. To calculate your annual cost, multiply the taxable value of your home (not the market value) by 0.00144.

## How to vote

- Residents of the Hartland Consolidated Schools who will be 18 years of age or older on Election Day and are registered can vote in this election. Any registered voter can vote at the polls on August 4th or by absentee ballot from June 20th through Election Day.
- To vote by Absentee Ballot you can complete and return the "Absent Voter Ballot Application" mailed to you by Michigan's Secretary of State, your local township, or use the application available by going to [www.michigan.gov/vote](http://www.michigan.gov/vote).
- When you have completed your application, return it to your city/township clerk. You can find your clerk's contact information at [www.michigan.gov/vote](http://www.michigan.gov/vote).
- Note that if you check the "Future Elections" box in the application, you will automatically receive an absentee application for all future elections.

In this election, voters can make one of three decisions:

- VOTE YES
- VOTE NO
- CHOOSE NOT TO VOTE AT ALL

Of course, I hope you will exercise your right to vote, either at the polls on August 4th or by absentee ballot June 20th through Election Day.

When Michigan's schools were closed, our schools and community didn't give up. The Hartland community and its schools stayed strong by continuing to help each other, providing food to students and community members, continuing to support learning, and planning for the future. As we prepare for the safe re-opening of our schools, all of us can take pride in how we worked through the pandemic together and didn't give up on doing what is best for our students and our community.

Our "orange square" campaign is still active. As you travel about the district, these orange squares denote areas that the bond will improve. We will also highlight some of these on social media posts.

Thank you for taking the time to learn about the Hartland Consolidated Schools August 4th bond proposal. If you have questions or need more information about the bond proposal, please go to [www.hartlandschools.us](http://www.hartlandschools.us) and click on 2020 Bond Information, or contact me by phone at 810.626.2105 or by email at [chuckhughes@hartlandschools.us](mailto:chuckhughes@hartlandschools.us).

Chuck Hughes  
Superintendent

P.S. Hartland Consolidated Schools is conducting a two-minute survey about the bond election. Please go [www.research.net/r/hartlandbond](http://www.research.net/r/hartlandbond) and tell us what you think.

## Bond Proposal Facts:

- **Remodeling and upgrading school buildings and educational facilities will enhance the learning environment and continue to protect the community's investment in its schools. The average Hartland school facility is 41 years old. Many of the bond proposal projects call for replacing items that have worn out or exceeded their life expectancy.**
- **If approved by voters, the bond proposal will support upgrading instructional technology and infrastructure, helping students acquire workforce skills and /or be prepared for post-secondary education. It will affect every Hartland student and every Hartland school.**
- **The bond proposal was designed to maintain and enhance the school district's reputation for educational excellence and to continue its commitment to the community it serves.**
- **The \$45 million bond proposal will be a 1.44 mill increase. To calculate your annual cost multiply the taxable value (typically 1/2 of market value) of your home by 0.00144. (Example: for the average Hartland Township home with a \$235,000 market value, divide \$235,000 by 2 = \$117,500 x 0.00144 = \$169.20/year...or about 46¢ per day). While some Hartland Township homeowners may pay more, many Hartland Township homeowners may pay less than 46¢ per day.**
- **By law, bond revenue cannot be used to pay salaries or benefits. All bond revenue must be used for the purposes specified in the bond proposal and must be independently audited. For a complete list of bond proposal projects, go to [www.hartlandschools.us](http://www.hartlandschools.us) and click on 2020 School Bond Proposal.**
- **Registered voters can vote at their regular precinct on August 4th or by absentee ballot after June 20th.**

# Keeping our schools current and competitive.

On August 4th, residents will vote on a \$45 million bond proposal that is designed to keep Hartland Consolidated Schools current and competitive by completing projects in four general areas:

**1. Renovating, upgrading, and constructing school facilities.** Many of the bond proposal projects are related to renovating and upgrading aging school facilities. If the bond proposal is approved, the school district plans to reconfigure selected instructional areas to support 21st Century teaching by creating instructional collaboration spaces, creating elementary Science, Technology, Engineering, and Math (STEM) Labs, and construction of a robotics center at the

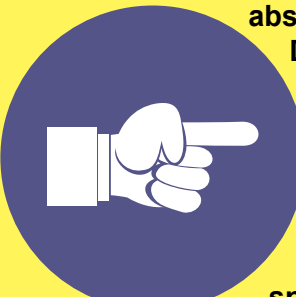

Educational Support Service Center. In addition, the school district will implement safety and security improvements that include constructing a secure vestibule at Creekside Elementary and installing additional security cameras in all buildings. Bond revenue will also fund replacement of selected band instruments, exterior doors, roofs, and furniture, and upgrades to electrical and mechanical systems

**2. Upgrading technology and technology infrastructure.** Technology is an integral part of teaching and learning. Voter approval of the bond proposal will enable the school district to keep technology and the technology infrastructure current.

**3. Upgrading and building athletic facilities.** Competitive athletics, physical education, and recreation are important components of the educational process. The school district plans to use bond revenue to upgrade and build new athletic fields and facilities at Hartland Middle School and Hartland High School.

**4. Replacing buses as they reach the end of their useful life.** The bond proposal will provide funds to replace 41 buses (as they reach the end of their useful life).

## Alternative Education

HCS is the ONLY public school district in Livingston County that offers both a physical location, brick and mortar school, as well as an online academy within its alternative education umbrella. Both schools, LEGACY High School and Hartland Virtual Academy are part of the “best fit” learning options for students and part of Hartland’s heritage of academic excellence!

The reasons for seeking non-traditional paths are as unique and varied as the students enrolled on the campuses. From a desire to advance through classes to personal difficulties that make traditional high school seem overwhelming, HCS Alternative Education has helped hundreds of students find the success they have not otherwise enjoyed in school. Whether it is the lure of autonomy, flexibility for personal interests, or desire for a fresh start, LEGACY and/or HVA could be your best fit as well.

## Welcome to Hartland Preschool!

Providing children with early learning provides a strong foundation for their future. We are fortunate to have teachers who are passionate about developing this love for learning and truly believe that these years set the tone for the years to come.

Hartland Consolidated Schools Preschool uses a customized curriculum that focuses on preparing children for kindergarten with introducing letters, numbers and shapes in a fun and interactive way. Our teachers include sensory, fine motor and gross motor activities throughout their day to foster children's learning through movement and experiences.

Although we have a strong foundation of academic learning, our teachers provide social emotional development throughout the day. This is done through a curriculum called Second Step, as well as through modeling and personal interactions with each child. We not only want your child to be ready for kindergarten academically, we want them to be comfortable with other children in different settings and be able to navigate their thoughts and feelings.

The preschool years hold so much importance and it is our goal, and our passion, to be there for you and your child during this time.

Please check out our website for our Virtual Preschool option.

Classes start Sept. 9th!

## Childcare Center

Limited Childcare Center spots available. Please call today!

We hope you are enjoying your summer! Fall enrollment has started for those of our families that take the summers off. Email us at [childcarecenter@hartlandschools.us](mailto:childcarecenter@hartlandschools.us) to let us know when you will be back at the center to join in on the fun!

**Looking for high quality child care?** Our licensed child care center is ready to have you join our family! Please call or email us to see if we have availability for your child. We serve infants through early 5s at our center.

### We offer before and after care. Call to register!

We offer before and after care for children who attend the Round, Village, Creekside, Lakes Elementary and Farms Intermediate School. The children who attend the Lakes or Farms may enroll at the School Street center, or take advantage of the school-age program at the Lakes Elementary School. The School Street Center is open from 6 AM–6 PM. Lakes is open from 6 AM–6 PM. Both programs offer gym activities, arts and crafts and outside play. When you are signed up for the Before and After School Care, you also have the option of attending on the “No School” days or Snow days! Our center is almost always open!

### Our rates:

**Infants: \$50/day, \$250/week** (2-day minimum). **Day Care: \$42/day, \$210/week** (2-day a week minimum). **Before and after school care is \$10 per session for full time enrollment** (5 days a week). **Part time enrollment is \$15 a session** (2-3 days a week). The minimum enrollment is 2 sessions a week for a charge of \$30 for the week. If your school aged child attends on a non-school day or a snow day, the cost is \$42 per day.

We would love to have you and your child join us at the Hartland Child Care Center. We are located at 10235 School Street in downtown Hartland, or give us a call at 810.626.2780. We can also be reached via email at [childcarecenter@hartlandschools.us](mailto:childcarecenter@hartlandschools.us).

**Edie Devitt was a valued member of the Hartland Childcare staff for 30 years. She is a hard worker who put her heart and soul into enriching the lives of all the children she had the pleasure of caring for throughout her years. Edie valued the play and learning of her little ones and always led with their interests when planning their time together. She is well loved by all of the children who have passed through her care, as well as of the staff who was fortunate to work alongside her. We wish Edie nothing but the best in her retirement!**

## What Have We Learned?

The over three month long “Stay at Home” order was not easy on anyone, but it has really been an opportunity to think and learn. To maybe take a new or different perspective, attitude and mindset about ourselves and the world around us.

As a dojo, one of our missions is to teach lessons. Probably the most powerful lesson we teach here is how you live your life. While we use various vehicles to get these lessons across—such as hard repetitious karate classes to push students out of their comfort zone and to their limits physically and emotionally, SEL and character development lessons, and leadership training—in the end the greatest and most powerful lessons in life are learned...through life itself.

We have learned a great deal from the many families we support here at this dojo. It should not be a surprise we have families who are really struggling right now, through no fault of their own, and at the same time we have families who feel a little guilty because they are having the best time in their lives. Why the difference?

It really got me to thinking about a fundamental precept of karate, “Never give up!” in a totally new and different way. For me, this life experience of the COVID-19 crisis has fundamentally changed my mindset and attitude on this subject.

Before the shutdown my understanding of never give up was too simple—“Just keep going and do not quit.” But, just telling yourself “don’t give up” is too elementary and does not work when things get really hard. There has to be much more to it. On a deeper and higher application level what I now believe it really means is – How do I change and how quickly can I change?

I think this crisis can be a life lesson for all of us, and in particular our children. Here is one thing that is inevitable: you cannot control CHANGE. Change will happen whether we want it to or not. The only questions are: How big will the next change be, and when will it happen?

So, here is how we might be able to apply and use this lesson with our children. Just have a family discussion. Then use and share your powers of observation and awareness. What are the major changes in our lives? Did we change and how have we changed to handle it? How quickly did we change, and could we have changed quicker and how?

In your next discussion break out the crystal ball. Here you can talk about the future because one way to improve and speed up your “changing skills” is to anticipate, formulate multiple plans, pivot faster, then make adjustments. While we all wish everything in our lives would just go back to the way it was before the pandemic, the likelihood of that happening is pretty slim. We will have a new “normal.” So, what is your best guess of what things will be like when school starts in August? Or later for the start of 2021? What can you do now to stay ahead instead of just waiting and reacting? How can you take more control? I really like the word “pivot.” Just like in sports, how quickly can you change direction when the next ball is thrown at you?

Our greatest lessons are often taught by life itself. What lessons have you learned during what may be the most transformative times in our lives? What lessons have your children learned? As parents, don’t we all want our children to learn resourcefulness, adaptability and resilience? I cannot think of a better time for us to teach all three.

I love and use quotes all the time. I want to leave you with a quote I heard during this pandemic that is now near the top of favorite quotes list—**“Leaders do not make excuses ... they make adjustments!”**

**Yours for stronger kids,  
Sensei**

## In the Alumni Spotlight: Kyle Smith

Kyle Brian Smith began his schooling in Hartland Community Schools in 5th grade at Farms Intermediate School. He started the 2004-2005 school year at Hartland High School where he was an active member of the swim team, graduating in 2008. After graduation he entered Eastern Michigan University where he graduated in 2013. In August of that year, he joined the U.S. Navy.

In six years of naval service, he has become a qualified helicopter Aircrewman, command aerial gunnery instructor and Search and Rescue. He graduated from Officer Candidate School April 2017. Ensign Smith will continue his training for acceptance into the Navy Supply Corps.

Kyle is married to Heidi and their home is presently in Williamsburg, Virginia.

Do you know a Hartland graduate that is worthy of the spotlight? Send nominations to editor Heather Calabrese at [communitylife@hartlandschools.us](mailto:communitylife@hartlandschools.us) and we will select one person to spotlight in each issue of Community Life.

## Notification of Rights Under FERPA

The Family Educational Rights and Privacy Act (FERPA) affords parents and students over 18 years of age ("eligible students") certain rights with respect to the student's education records. They are:

- 1) *The right to inspect and review the student's education records within 45 days of the day the District receives a request for access.*
  - a. *Parents or eligible students should submit to the school principal [or appropriate school official] a written request that identifies the record(s) they wish to inspect. The principal will make arrangements for access and notify the parent or eligible student of the time and place where the records may be inspected.*
- 2) *The right to request the amendment of the student's education records that the parent or eligible student believes are inaccurate or misleading.*
  - a. *Parents or eligible students may ask Hartland Consolidated School District to amend a record that they believe is inaccurate or misleading. They should write the school principal, clearly identify the part of the record they want changed, and specify why it is inaccurate or misleading.*
  - b. *If the District decides not to amend the record as requested by the parent or eligible student, the District will notify the parent or eligible student of the decision and advise them of their right to a hearing regarding the request for amendment. Additional information regarding the hearing procedures will be provided to the parent or eligible student when notified of the right to a hearing.*
- 3) *The right to consent to disclosures of personally identifiable information contained in the student's education records, except to the extent that FERPA authorizes disclosure without consent.*
  - a. *One exception which permits disclosure without consent is disclosure to school officials with legitimate educational interests. A school official is a person employed by the District as an administrator, supervisor, instructor, or support staff member (including health or medical staff and law enforcement unit personnel); a person serving on the School Board; a person or company with whom the District has contracted to perform a special task (such as an attorney, auditor, medical consultant, or therapist); or a parent or student serving on an official committee, such as a disciplinary or grievance committee, or assisting another school official in performing his or her tasks.*

- b. *A school official has a legitimate educational interest if the official needs to review an education record in order to fulfill his or her professional responsibility.*
- c. *Upon request, the District discloses education records without consent to officials of another school district in which a student seeks or intends to enroll. [NOTE: FERPA requires a school district to make a reasonable attempt to notify the student of the records request unless it states in its annual notification that it intends to forward records on request.]*

- 4) *The right to file a complaint with the U.S. Department of Education concerning alleged failures by the District to comply with the requirements of FERPA. The name and address of the Office that administers FERPA is: Family Policy Compliance Office; U.S. Department of Education; 600 Independence Avenue, SW; Washington, DC 20202-4605*

The Family Educational Rights and Privacy Act of 1974 provides that the following "directory information" may be released upon request: student's name, date of birth, phone number, address and/or email, parent name(s), school of attendance, school photographs or videos of students participating in school activities, events or programs, picture(s), video(s), publication of student picture(s), personally identifiable artwork, school activity group(s), participation in officially recognized activities and sports, height and weight if member of an athletic team, dates of attendance, date of graduation, awards received, honor rolls, scholarships, telephone numbers for inclusion in school of PTO directories.

In order to comply with this legislation, the district requests that parents, emancipated minors and those students 18 years of age and over, who do NOT wish release of this information, mail or personally submit an Opt-Out form to the building principal or Assistant Superintendent of Personnel and Student Services, Hartland Consolidated Schools, 9525 E Highland Road, Howell, MI 48843 by October 1st of the new school year. Opt-Out Forms are available in each school office and at Central Office upon request.

List of common uses for disclosing names, photographs and other "directory information:" School newsletter, teacher newsletter, PTO newsletter, school website, social media (Facebook, Twitter, and other mediums), video kiosk, bulletin boards, school yearbook, athletic programs, graduation program, playbill (drama production), student-of-the-month recognition, clubs and extra-curricular programs.

## HCS ASBESTOS HAZARD EMERGENCY RESPONSE ACT (AHERA) 2020 NOTIFICATION

The Environmental Protection Agency (EPA) requires that each year, district workers and building occupants receive notification about asbestos activities such as response actions and inspections. The purpose of this correspondence is to meet those requirements and familiarize you with the asbestos related activities that have been conducted in Hartland Consolidated Schools during the last year.

**MANAGEMENT PLANS:** In 1988, Hartland Consolidated Schools contracted with Trust Thermal Systems, to conduct inspections for asbestos containing material (ACM) within all district owned buildings. These Management Plans are available for review in

the administrative office of each building. An electronic copy of each building management plan is also located in the Maintenance and Operations office.

**SURVEILLANCE ACTIVITIES:** The AHERA regulation requires surveillance of the condition of ACM every six months and Reinspections every three years. The Three-Year Reinspection within each of our buildings was conducted in December of 2018. The next Reinspection will be conducted in November of 2021. The last periodic surveillance was conducted in May of 2019. All of these surveillance activities will be included as part of the building's Management Plans.

**ASBESTOS ABATEMENT:** During the past year there were minor abatement at various buildings in the district. All documentation regarding past and future asbestos abatement projects are available to be viewed electronically, for access please contact the designated person at the Maintenance and Operations Office. Air tests will be conducted throughout all phases of the future asbestos removal projects at each building. The air samples will be collected and analyzed in accordance with all regulatory agency requirements.

## Advisory To All Parents Regarding Integrated Pest Management

Hartland Consolidated Schools has adopted an Integrated Pest Management program. Inherent with this are the District's efforts to reduce pesticide use as much as possible. While it may occasionally be necessary to apply a pesticide, these will only be used as a last resort. This program does not rely on routine pesticide applications to resolve problems. We use various techniques such as habitat alteration, sanitation, mechanical means, exclusion, etc. to prevent pest from becoming a problem. You will receive advanced notice of the application of a pesticide, other than bait or gel formulations at your child's school. This

advance notice of the application will be given 48 hours before the application. The law requires us to do this notification by using two methods. The first method required by the law is the posting at the primary entrances to your child's school. The entrances that will be posted are those entrances that have a sidewalk that leads directly to a parking lot. The second method we are going to use is the posting in a common area located by the main office of the school. Parents are also entitled to receive this notice by first-class United States mail postmarked at least 3 days before the application. If you would like to be notified by

mail or e-mail please contact the Operations Department at (810) 626-2185. Please give the office your name, mailing address and what school your child attends. In an emergency (for example, bees nest), pesticides may be applied without prior notice, but you will be provided notice following any such application. You may review our IPM program or pesticide application records for your child's school by calling or e-mailing Matt Marino the District's Director of Operations at (810) 626-2185 e-mail at mattmarino@hartland-schools.us. This number or e-mail may also be used when school is not in regular session.

## Annual Water Quality Report Pursuant to the Michigan Safe Drinking Water Act: Act 1976 PA 399

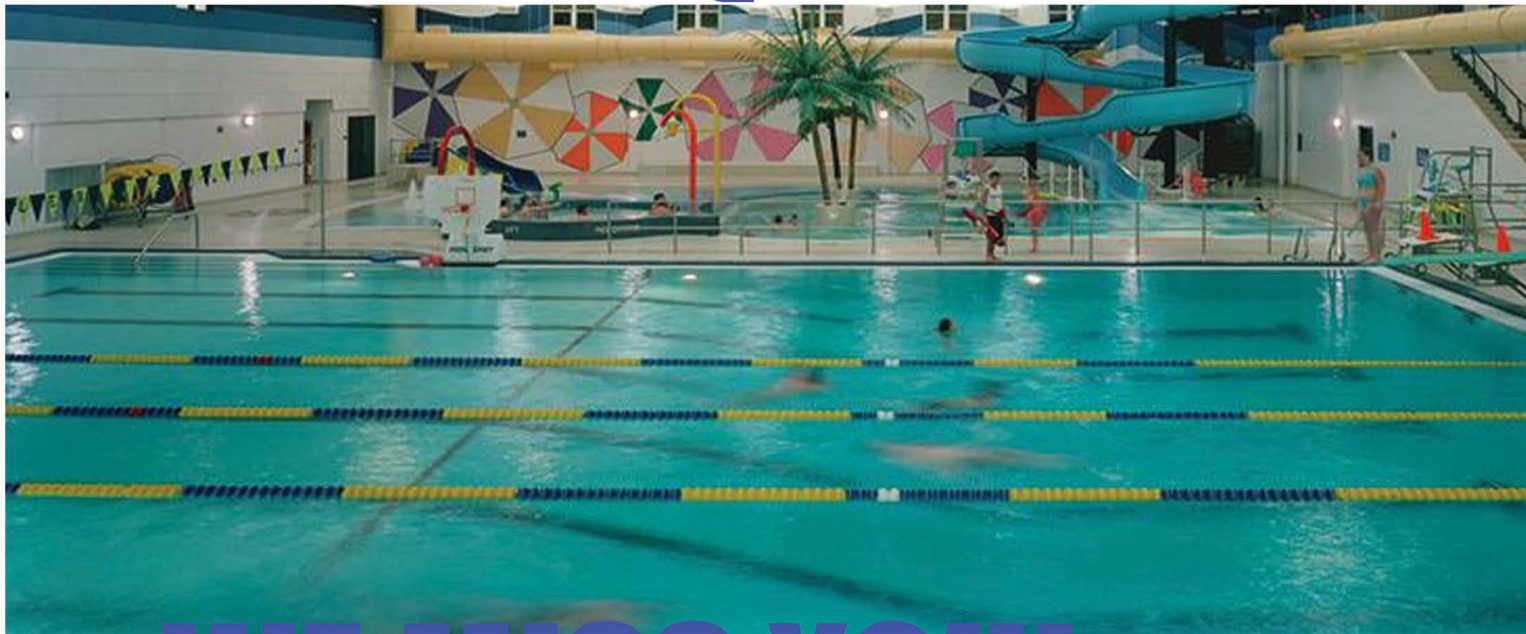

The 2019 Annual Water Quality Reports for the Hartland Consolidated School District are available for review. These reports can be reviewed or a copy obtained at the district operations office, 9525 E. Highland Road, Howell, Michigan 48843 or call 810-626-2185.
