## Superintendent's Corner

Chuck Hughes, Superintendent

 @hartlandschools

Welcome to 2021! The district continues to do everything possible to ensure that students and staff are safe with face-to-face instruction. As you might be aware, the school year has seen challenge after challenge for every school and program. Our staff has been amazing in every facet of operations. The Livingston County Health Department continues to support face-to-face instruction as schools seem to be the safest places regarding transmission. Educational research on student growth and development points to the need for children to be in school. Unfortunately, for some programs, our priorities must be centered around the schools and child care services so that we can meet the needs of the parents in the community. This has meant that Community Education programming and the Senior Center operations have been greatly affected. We cannot wait for the opportunity to bring these programs back fully, when it is safe to do so. Thank you for your support and understanding as we ensure that our core programs can continue so that students are engaged in learning with support for their social emotional needs.

### 2020 Bond Update:

The district is working with our construction and architectural firms to prepare for Phase I of the bond program. This includes collaborating with our elementary and technology staff to prepare for creating Science, Technology, Engineering and Math (STEM) centers in each elementary while updating the technology infrastructure to handle future needs. We have worked out conceptual designs for the STEM centers and have begun budgeting for our future staffing needs for the fall of 2021 to run the STEM centers. We have created and presented bid packages. We are hopeful that bids come in better than our estimates, which would allow our bond dollars to go further. This is exciting work as the bond will certainly enhance the education of all Hartland students and users of HCS programming.

### Fall Parent Survey Results:

Each fall the district surveys parents regarding their thoughts on how we are doing with providing educational opportunities for their oldest HCS child. While this has been an unusual year, with roughly 15-17% of students engaging in 100% remote learning, the results of our survey are positive. What are parents saying in this unusual school year?

**The district is preparing my child for the next academic year:** 72% Absolutely Agree/Agree, with 18% Neutral

**I prefer to get most of my information through email:** 90% Absolutely Agree/Agree, with 9% Neutral

**Administration communicates well:** 85% Absolutely Agree/Agree, with 10% neutral

**The district provides a safe environment for my child:** 88% Absolutely Agree/Agree, with 9% Neutral

**Technology availability is expected for my student:** 86% Absolutely Agree/Agree, with 12% Neutral

**I grade the district school where my oldest attends:** 52% A, 31% B, 10% C, 4% D and 1% E

**Note: The remaining responses could have been Disagree or Absolutely Disagree.**

The district will evaluate the results and work to meet the needs of our students and parents. Thank you for taking the time to participate in this annual survey.

## January 2021 Person of the Month: Brad Laibly

I have been lucky enough to work in Hartland for 15 years. In addition to normal band duties, we were able to grow the after-school jazz program and color guard program. In 2010, I moved to Farms Intermediate School to teach our youngest band members. Here we saw the 5th and 6th grade band program grow to over 400 members. In 2014, I moved to Hartland High School. Learning on my culture change research, we focused on growing the membership of

the band by creating a positive, welcoming environment for all. Our focus is on caring for our band family and entertaining the public. In 2014, the band had 108 members and by June 2020, it had grown to 256. Even during the pandemic, the band continues to flourish with five concert bands, three jazz ensembles, color guard and winter guard.

My better half is Allison Laibly. She is currently the band director at Farms. Allison is a marvelous teacher and mom who is an inspiration to me and everyone else that she meets. We have two children in the district. Duncan is currently a student at the middle school, and Mara is a student at Farms. All four of us are involved with the bands in Hartland.

I think the most memorable moments are the marching band performances at the Magic Kingdom in Walt Disney World, and on the steps of the Lincoln Memorial in Washington, D.C. A close second is the band's performances at the women's basketball games during the spring of 2020. It is especially meaningful when we have a band member that chooses to pursue music education as a profession.

I remain in Hartland because of the amazing teams of people and the strong support of the community. The team of band directors in Hartland is second to none. Through the band family, I have had the opportunity to spend many years with some of the nicest, most supportive parents and volunteers that I have ever come across. Of course, none of this would be possible without our band members. They are the best humans that I have ever interacted with. Their determination and spirit of teamwork allow them to achieve heights that would otherwise be unobtainable.

The pandemic situation had forced all of us to approach things a little bit differently. Working through band camp and the marching season required asking many of the departments within the school district for things that the band typically doesn't ask for. We are incredibly thankful for the level of support that we received throughout the district while trying to do normal things under abnormal circumstances. We are especially grateful to those individuals that go out of their way to do what's best for our students.

**Mission Statement:** The Hartland Consolidated Schools, in cooperation with the community, will provide a positive environment for the development of productive and caring individuals of all ages. We are teaching learning for life.

**District Vision Statement for Hartland Consolidated Schools:** A community of learners sharing successful tomorrows.

## We are looking for alumni news!

Do you know of a Hartland graduate who is doing something special or outstanding? We know there are plenty of former students doing some amazing things and we want to hear about it. We are looking to highlight a Hartland High School graduate each month that we feel the community would love to hear about. Send nominations to editor Heather Calabrese at [communitylife@hartlandschools.us](mailto:communitylife@hartlandschools.us) and we will select one person to spotlight in each issue of Community Life.

## 2021/22 Kindergarten Orientation and Enrollment

Kindergarten enrollment packets will be available online the first week of February. A Kindergarten Orientation is scheduled for Saturday, February 13, 2021, from 10 to 11:30 AM at the Hartland Educational Support Service Center, 9525 E. Highland Road pending Covid-19 restrictions.

The orientation will provide parents an opportunity to hear from kindergarten teachers about a “typical” school day and the kindergarten curriculum. In addition, administrators will be on hand to talk about school safety, transportation, school attendance areas, student nutrition, and answer questions. This will be a family-oriented event and you are encouraged to bring your kindergarten child(ren). Orientation details may change based on Covid-19 restrictions.

Hartland Consolidated Schools will be accepting kindergarten enrollment packets beginning February 1, 2021 at the Board of Education office and each elementary school office during office hours. Enrollment packets can also be downloaded from our website at [www.hartland-schools.us](http://www.hartland-schools.us). In addition to the enrollment packet, the following documents must be presented when registering:

- Birth certificate- a copy for school records.
- Immunization records with proof of DTP, Polio, MMR, Hepatitis B, Chicken Pox vaccines (or proof of having illness), and vision screening, plus copy of same for school records.
- Proof of residency using one of the following: certificate of occupancy, purchase agreement, builder's permit, rent receipt or agreement, mortgage statement/receipt, voter registration card, utility bill or driver's license.

Children are eligible for enrollment in kindergarten in August 2021 if they will have their fifth (5th) birthday on or before September 1, 2021. A child who turns five after September 1st and before December 1, 2021 may enroll if parent/legal guardian signs a waiver that is supported by the school district. Waivers are in the enrollment packet.

A full-day Junior Kindergarten program may be offered. A minimum number of students are required for the program to be made available. Parent may need to provide transportation in order to participate. The age requirements for Junior Kindergarten are the same as for the regular Kindergarten program. You may contact Scott VanEpps at 810-626-2111 or [scottvanepps@hartlandschools.us](mailto:scottvanepps@hartlandschools.us) for more information.

## Thank you from The Optimist Club!

## Driving Hartland's Future

Whether you're just beginning your career, looking to supplement your income, wanting to build lasting relationships in the community, or just enjoy working with children—becoming a Hartland bus driver is the perfect opportunity to join our award-winning district.

**Tom, a 2nd year driver:** Are you looking for a new job? If so, let me tell you about the best job ever—being a school bus driver. This job allows you to pick your hours, has competitive pay and you get weekends, holidays and summers off. There is even a sign-on bonus and the option to contribute to a 401K with employer match. Besides all of those benefits, there is no experience necessary because you will have paid training with excellent trainers that get you ready for the road test and written exam. However, the most rewarding part of the job is interacting with the children you transport to and from school each day.

**Mr. Mundt, a 5th year driver:** I have worked and traveled the world my entire adult life. It was a wonderful experience and I wouldn't trade it for anything. However as a school bus driver, driving 5th and 6th graders, I have a whole new appreciation for life through the eyes of my young people. They are so fresh in the morning and the energy they bring with them into the day will keep me young for as long as I drive. The relationships I've made over my adult career will take a backseat to the relationships I have made with my 5th and 6th graders over the past 3 years. These young people are so precious and are the beautiful future of America.

**Joe, a 15 year driver:** As a retiree, I drive for several reasons. First, I love being outdoors and being around kids. They help me think and feel young. Second, I enjoy getting to know kids individually over the course of the school year. Sharing some of their youthful ambitions, dreams and goals is particularly enjoyable. Over the years, I will often wind-up driving several children from the same family which is very special. The work schedule of a couple of hours in

the mornings and afternoons gives me plenty of time for leisure activities during the day, and having summers off feeds my passions for sailing, fishing and golf. If you like kids, there is simply no better part-time job on the planet.

The bond between the drivers is strong because they share the same passion. Their longevity is proof Hartland is an enjoyable and rewarding place to work. Come join our team to brighten a child's day, and give back to our community. **Our staff is waiting to hear from you at 810-626-2175!**

## High School News

Kate Gregory, Principal

 @hartlandhigh

In November, Dr. Matt Assenmacher, CAD graphic design and engineering teacher, welcomed Ms. Sarah Marsh as a virtual guest speaker. Ms. Marsh is a local interior designer and Zoomed into the architecture classes to talk about her job, showed some impressive projects she's completed. She also demonstrated some of the technology that is required for her profession.

Thank you to Hartland High for coordinating the annual non-perishable food drive that ran the week before Thanksgiving! Students in all 1st hour classes collected canned foods to be donated to Gleaners. The 1st hour class that collected the most goods was scheduled to win a pancake breakfast. Unfortunately, the high school was put on a pause before we could complete the food drive, but in the few days it happened, the student body came through! The food collected will go directly to families in our community. Hartland Proud!

Honors chemistry teacher, Ms. Jessica Simpson, celebrated Mole Day by having honors chemistry students calculate the number of molecules of chalk in a series of posters created in small groups. Students colored a letter in a poster stating "Chem Is Fun," using assorted colors of chalk. The masses of chalk used were then used to calculate the number of molecules of Calcium carbonate (chalk) on the paper, which was a HUGE number! Students used art, math, and chemistry to learn an abstract concept of The Mole.

Students in Ms. Jaime Martin's 9th grade biology class ran a lab in class to measure photosynthesis rates using spinach leaves! Students worked in small groups using beakers of water, stopwatches, sun lamps and a hole punch. Small pieces of spinach leaves were submerged in water, the sunlamps were turned on to provide energy, and the leaf bits started to photosynthesize! The oxygen produced made the little pieces of leaf float; that floating was timed and rates of photosynthesis calculated. It was a great way to show students that photosynthesis produces oxygen with sunlight as energy!

## HERO Teen Center News!

Thank you to everyone for your continued support. We recently received a \$600 Community Giveback donation from the Hartland Chamber of Commerce. We will use the money for outdoor sports equipment and a new video game console.

Congratulations to Hartland High School senior and Hartland Teen Center regular Cierra Dunham. Cierra was selected by "Generator Z" to be a teen "Generator." Cierra will be giving input on after school programs, such as the Hartland Teen Center, and was awarded a \$1,000 stipend for her participation! Here are more details about the program.

The Ralph C. Wilson, Jr. Foundation is proud to introduce Generator Z, a new grant-making initiative for teens to reimagine the future of after school. The initiative, powered by Lakeshore Connections and supported by the Foundation, centers teen voices as the drivers of innovation. We're inviting teens, ages 13-18, from Southeast Michigan and Western New York to become "Generators" and share their vision for the direction of afterschool. 1,000 selected teens will be paid \$1,000 each for their participation. In early 2021, Generator Z will invite afterschool providers to apply for grants based on teen insight. In the next year, \$1 million in stipends will be paid to teens and \$3 million in grants to organizations. (From Generator Z e-mail.)

**HMS students and staff had a great time during our holiday spirit week!**

Fourth grade students in Mrs. Krease's class wrote, illustrated, and published a book. The company Studenttreasures Publishing provided all the materials (for free!) and students were able to work together to write their story, "24 Hours Until We Escape for Christmas." Once they received their books, students celebrated with a Publishing Party! Students enjoyed autographing each other's books and then reading the book together for the first time. They learned quite a bit about the time and effort that goes into writing a book, and now they can officially call themselves published authors!

A great lesson from ELA Coach Mrs. Alberts working with Mrs. Redford's 3rd graders on looking for parts of words and identifying patterns to help improve our reading and writing!

A BIG thank you goes out to the "Three Trashketeers" for their hard work on keeping our playground clean at Lakes! Thank you Giuliana Kukuruzovic, Eden Gray and Anna Witherspoon! These amazing 3rd graders even had t-shirts made up for this work!

We had an amazing outpouring from our Lakes Community for our used blanket/towel drive for our local Humane Society locations. A special thanks to Mrs. Leemgraven, Mrs. Krease, and to our 4th grade Kindness Club for all of their hard work! We were able to donate these collected materials to four local Humane Society locations!

## The Round Roundup

Happy New Year! We are so very excited to be back at school! The Thanksgiving and Christmas Holidays provided many opportunities for students, staff, parents and the community to be generous and grateful. Many grade levels enjoyed holiday celebrations (a little different this year). The Santa Shop was a big hit! Thank you to our PTO and RES staff for making the adjustments we needed to keep this very special event for our students.

All grade levels had special activities to celebrate people and our many blessings. In November, Round Elementary School raised over \$400 to support the search for a Type 1 Diabetes cure. The Round School Family was very generous this holiday season!

We will be focusing on friendship and relationships in the New Year. We are teaching students to say, "I am a good friend to you, I expect the same from you." We want students to recognize that gossip, rumors and drama are poison and we don't accept that behavior from our friends. This year we have learned and practiced the following social emotional themes:

1. I always stand up for myself and others. (Courage/empowerment.)
2. I never back away from a fear – I power through the fear to get stronger. (Courage/grit).
3. I am a good friend, I expect the same from you. (Empathy and empowerment—coming soon!)

Round Elementary wishes you a fabulous new year!

## Important Dates

- Jan 4th: Progress Reports Go Home
- Jan 6th: PTO Meeting 7pm (Zoom)
- Jan 11th: 3rd grade Native American Speaker (Zoom)
- Jan 18th: No School for Students and Staff – Martin Luther King Jr Day
- Jan 29th: Happy birthday Wrangler!

Round Elementary second graders are thankful for many people and things!

The RES Office was especially festive this year. Thank you to Ms. Tammy and Ms. Tami for making the season bright for our students and staff!

Keeping our hands clean will keep us in school!

**New!**

### The Power of Drawing with Young Rembrandts

Instructor: Jessica Lyon

Learning to see and create images is critical to a child's development. By teaching the fundamentals of drawing using familiar shapes and subjects, students experience increased confidence, improved coordination and spatial awareness—all while having tons of FUN! No lesson is ever repeated!

We're celebrating the New Year in style—Young Rembrandts winter lessons are kicking off with Groovy Giraffes, a detailed Scorpion and a delicious Ice Cream Sundae. We will also have some fun with a pop art frog as well as a complex art history piece! Artists will be learning core art skills while boosting self-confidence and social development. We can't wait to draw with you! Ages 6-12.

### SAT Strategies and Practice Test

Instructor: Neal Maheshwari

**Virtual  
and live  
classes**

Horizon Learning Solutions offers the SAT class, both in person and via Zoom, with a focus on strategy and efficiency. During class the scoring system is reviewed and there are discussions on how to be a better test taker. Students will spend time on all SAT sections including reading, writing and math. All classroom review materials represent the types of questions from the real test. A full-length SAT practice test will be offered on the 2nd day. The test is also scored. The students should bring a writing instrument (pen, pencil and eraser) and a calculator. All materials including SAT materials and tests are provided. Students should bring lunch on the first day for in person class. The two-day virtual classes will take place with Zoom and utilize Google Docs and Blackboard.

### Youth and Adult Guitar Lessons

Instructor: Wayne Mrdjenovich

**Virtual  
class**

Private guitar lessons available on-line. Instructed by award winning instructor and author Wayne Mrdjenovich via Facetime or Zoom. Wayne has over 30 years experience working as a full time instructor of private lessons, music theory songwriters' workshops and university courses. Mr. Mrdjenovich is also a writer for the music education industry; producing four top selling books over the last decade. All lessons are made enjoyable and instructed in a positive learning environment. \$178 for six weeks of 1/2 hour lessons. One hour lessons available by request.

class**

# Super Star

ISLAND

**Classes are  
Thursdays  
from 4–5 PM  
and start on  
Jan 14th.**

Calling all trailblazers, groundbreakers, and universe-shakers to Challenge Island's SUPER STAR ISLAND! You and your tribe will take a STEAMtastic journey through our Challenge Island Hall of Fame from Amelia Earhart to Walt Disney to Jackie Robinson to Steve Jobs to a galaxy of other game-changers. Super Star Island shines as bright as a Challenge Island kid, so grab onto your inner star and join us for this stellarly cross-curricular engineering adventure!

### Karate for Kids

Instructor: Sensei Kevin with Sanchin Ryu Family Martial Arts

Our program combines two crucial courses into one, Sanchin-Ryu Karate and Self Defense and Project: Secure Child (child safety). Students will be trained with proven, age-appropriate techniques that are necessary for kids to protect themselves. This program is set in a fun, yet structured environment which will give your child a positive outlook on learning a martial art. Instructors maintain continual certification to ensure the highest level of quality instruction for their students. This is an ongoing course where students have the opportunity to continue their education in the same location with no hidden fees. Uniforms are available but not required. This class is recommended for 5–12 year-olds.

### Sports Starters

Instructor: Coach Dave, Leisure Unlimited

Children will love this first introduction to sports such as soccer, hockey, basketball, football, tee-ball, volleyball, lacrosse and more! Using silly games, hula hoops, frisbees and soft balls, children learn throwing, catching and kicking with easy-to-understand instructions. Our emphasis is on effort and sportsmanship for a positive learning experience. Wear gym shoes and a face mask and bring a water bottle. This class is for ages 3-5. Children must be potty-trained and age three by the first day of class.

### Basketball

Instructor: Coach Dave, Leisure Unlimited

Players will learn or improve their individual shooting, dribbling and passing techniques through skill-oriented drills, games and scrimmages. In addition, we will cover rules, positions, offense and defense. Bring a water bottle, basketball, wear gym shoes and a face mask. This class is for ages 7-10.

### Kiddie Sports

Instructor: Coach Dave, Leisure Unlimited

Introduce your kids to the world of sports. We instruct the basics of the following sports: soccer, tee-ball, kickball, basketball, floor hockey, volleyball and lacrosse. We will also play silly games. Our class emphasis is on effort, cooperation and teamwork to make this a positive learning experience. Wear gym shoes and a face mask and bring a water bottle. This class is for ages 4-6. Children must be potty-trained and age four by the first day of class.

**Virtual

## Youth Sports

[www.hartlandcommunityed.com](http://www.hartlandcommunityed.com)

### Volleyball Skills and Scrimmages

**Instructor: Jo Schirtzinger, Leisure Unlimited**

Learn and practice the proper techniques for passing, spiking, setting, blocking and serving. Improve your individual and team skills in the areas of net play, court communication and transition. In class scrimmages enhance rules and game comprehension. Bring a water bottle, volleyball, wear gym shoes and a face mask. This class is for players in grades 4-6.

### Spring Travel Volleyball

Join us this spring for our instructional volleyball league with teams formed by grade (3rd/4th, 5th, 6th and 7/8th). There are no tryouts, everyone is placed on a team until we reach our maximum. All experience levels are welcome. Teams fill up quickly, so register early. Practice days and times will vary based on coach availability. Games will be on Fridays from 6-9 PM with travel to Milford, Lakeland, South Lyon, Brighton and Howell. Coaches will consist of volunteer parents or high school players. Please list shirt size and practice day and time conflicts at registration. *Practices begin the week of April 5th. Practices and games may take place outside if needed.*

Jan 18th & Feb 22nd

### School's Out Futsal & Soccer Clinic

**Instructor: Coach Dan Price with Hartland United FC**

Come join us on **January 18th and February 22nd** for some fun on the futsal court. You can hone your soccer skills indoors. We'll be working on ball mastery, dribbling, passing and shooting. This is suitable for ages 6-12 years old and will end with a futsal tournament. Bring your tennis shoes, bottle of water, peanut free snack, soccer ball and wear a face mask. See you on the court!

### Indoor Tennis

**Instructor: Jan Doke**

Continue to work on your tennis skills or learn new ones in this beginning tennis class. Our goals are to have fun, keep active and increase tennis skills. Students will learn basic tennis skills, strokes and rules of tennis while improving hand-eye coordination. Students must bring a tennis racket and wear a face mask.

**For details on the days and times for our live classes, please check our website at [www.hartlandcommunityed.com](http://www.hartlandcommunityed.com).**

### Advanced Indoor Tennis

**Instructor: Jan Doke**

This advanced tennis class is for players with previous tennis experience and for those wanting to play on our middle school or high school teams. Our time together will include drills, skills building and scrimmages to prepare for the outdoor spring season. This class is for players in grades 5th-10th. Students must bring a tennis racket.

### Spring Break Tennis Clinic

**Instructor: Jan Doke**

Staying home for spring break? Then come learn tennis! Our goal is to have fun and keep active while increasing our tennis skills. Students will be learning basic tennis skills, strokes and rules of tennis while improving hand-eye coordination. If it is nice outside, we will play on the tennis courts at the Hartland Support Service Center on M-59. Students must bring their own racket.

### Middle School Tennis Team

**Instructor: Jan Doke**

This is a tennis program being offered to 6th, 7th and 8th grade girls and boys in Livingston County and the surrounding areas. Practices and team tennis match play for players with previous tennis experience. Practices are held at the tennis courts at HESSC on M59. **Practice times are Tuesdays 5:30-7:30 PM and Fridays 5:30-7 PM.**

**Matches start on April 18th and are on Saturdays 12-2 PM (you must arrive by 11:30 AM to warm up).** Matches are held at various schools and may include: Brighton, Fowlerville, Hartland, Howell, Pinckney and Walled Lake. Players will be responsible for transportation to and from matches. The fee includes all practices, matches and t-shirt. Coach Jan will contact parents regarding the date/time of parent meeting. Registration begins March 1st.

### Hartland United FC Spring 2020 Outdoor Soccer

**Registration begins February 1st.**

Players born in birth years 2007 to 2016 are invited to join our program. Register early! Players are assigned to teams until maximum rosters are met. Volunteer coaches are needed. Practices and games begin in April and continue through May.

**Visit our website at [www.hartlandcommunityed.com](http://www.hartlandcommunityed.com) for practice and game details.**

How do I take a live class with Zoom? Should I click on that? In these classes beginners will learn PowerPoint, Excel, Microsoft Word and all about email. Struggling with Windows 10? You will get help with creating, editing and organizing pictures, files, folders and emails. Also, save time and money with an easy computer tune up!

**New!**

### Virtual Private Computer Classes

**Virtual class**

Instructor Mike Wilson will virtually instruct a student one on one for 60 minutes in these private computer classes. The topics available are listed below. Please list the topic, preferred day and time, and contact information when registering. \$50/hour for lessons in the following:

- Computer Basics
- Microsoft Word
- Online Shopping
- Email
- Microsoft Excel
- Websites
- File & Folder Management
- Power Point
- Windows 10

### Karate for Teens & Adults

Instructor: Sensei Kevin with Sanchin Ryu Family Martial Arts

This program is specifically designed to address personal-protection concerns and instruct a broad range of strikes, combinations, footwork, and defense tactics. You will receive training on how to deal with, get out of, and counter a multitude of grabs and attack scenarios. Practicing many techniques and tactics will equip you with the confidence you will need to defend yourself against any type of attacker. Learn how to use the whole body for power, making most of your size and strength regardless of athletic ability. For ages 13+.

**For details on the days and times for our live classes, please check our website at [www.hartlandcommunityed.com](http://www.hartlandcommunityed.com).**

### Photography & Your Camera

Instructor: Steve Sapienza

The aim of the class is not only to learn how to shoot, but to get to know your camera and lenses. Plan to master each and every knob and button on your own camera. We will discuss what exposure is and how it affects your photo. You will learn about proper shutter speed and aperture as well as ISO. You will learn about focus technique, how to read light as well add flash. We will discuss each student's shooting style and mold the class around everyone's needs. From beginner to advanced shooter, there is always something to learn.

### Self Defense for Women

Instructor: Sanchin Ryu Family Martial Arts

This program is an active study of personal protection at home, school and at the workplace. We've designed street-wise techniques so that size or strength, age or athletic ability are not factors in defending one's self. Learn to act on stressful situations rather than being controlled by them in a fun, go at your own pace environment. Recommended for ages 16+. **\$20 Winter class fee will be charged once class is confirmed.**

### Gentle Yoga

Instructor: Laura Chapman

**Virtual class**

Dates	ID	Day	Time	Fee
Jan 6–Feb 10	GY1 W	W	6:30–7:30 PM	\$54
Feb 17–March 24	GY1 W	W	6:30–7:30 PM	\$54

This Yoga class is suited for beginners or people recovering from minor injury or physical limitations. Students must be able to get up and down from the floor. This class is less rigorous and a more relaxing practice. You are sure to find this class perfectly peaceful! Please gather a mat, towel and props for class. The zoom virtual link will be emailed to participants.

## Winter 2021 Fitness January 11th–March 26th

**Virtual class options**

## Village Snack Pantry

We cannot thank our Village community enough for their tremendous donations to our snack pantry. Village Elementary hosts a wonderful snack pantry where students that couldn't bring a snack to school are able to get one. This pantry is run off of generous community donations. Our students and staff appreciate your support.

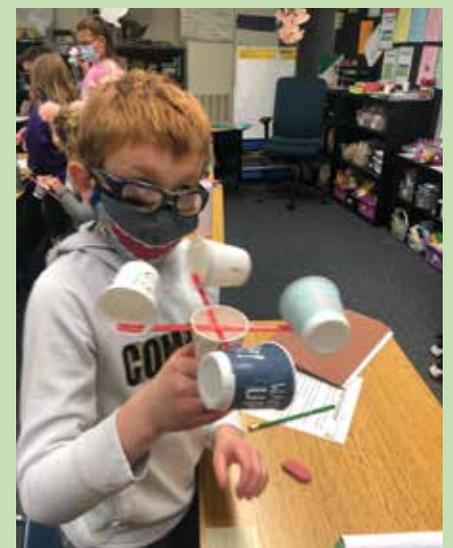

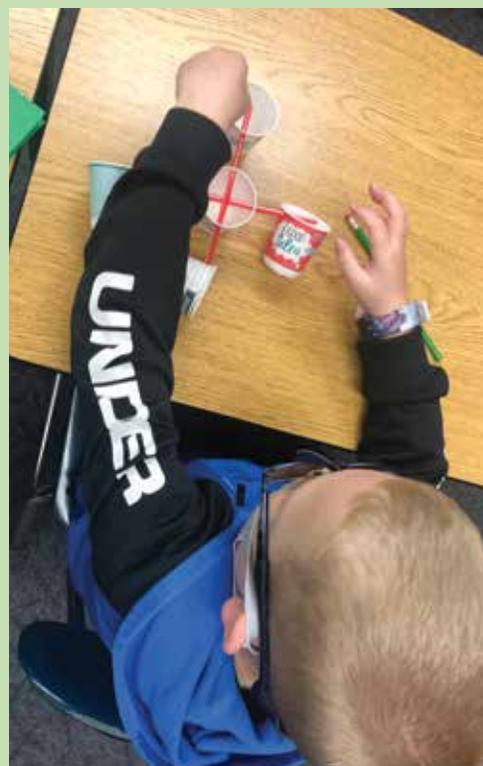

## The BOGO Book Fair & Santa Shop

Our BOGO Book Fair and Santa Shop were a huge success. Thank you to the PTO for your support and assistance during the day. Also, thank you to the parents that so generously donated almost \$800 to our teachers to purchase books for their classroom libraries. I cannot tell you how many teachers were jumping up and down carrying all their new books. These events brought a bit of happiness and normalcy back to Village and we are so thankful that we could host these events this year.

## Third-grade Snapshot

Our third graders are working so hard on learning multiplication, writing biographical texts with evidence and reading up a storm. The students are also working hard on coming together as classroom families, but also as a grade-level. We are instructing students on how to be good friends, what it means to respect one another, and how to give our best effort each day. As we move closer to the end of the semester, students are now working on more extensive reading and research projects and demonstrating their athletic, artistic and research abilities in their essentials courses.

## Adopt-a-Family

Each year the community of Village Elementary participates in the Adopt-a-Family program through the Hartland Optimist Club. This program helps over 70 local families have a Christmas or holiday celebration each year. Our Village community bands together to purchase new items for a family in need. We are extremely proud of the fact that we are able to do this and ever grateful to our community for supporting this amazing cause.

# LEGACY High School & Hartland Virtual Academy

Nicole Conley, Principal

 @hartlandalted

## Congratulations to our all Students of the Month!

Alternative Education would like to celebrate the start of a new year by honoring the academic and work ethic of first semester scholars. These individuals, one nominated by Legacy High and one Hartland Virtual represent the bright minds of HCS and current leadership within our student body. Alternative Education is extremely proud of their efforts to excel in their studies and persevere despite the many challenges this year has brought. Congratulations to all recipients.

September Students of the Month Ryan Johnson and Chad Haubenstricker were featured in October's issue of Community Life.

**October Student of the Month Marques Hutcherson** is a LEGACY senior who has made continual positive growth over the last few years. He is charismatic with a model work ethic. Marques is welcoming and collaborative ensuring everyone around him is included. "He always has a smile on his face and a helping hand for anyone that needs it." Marques post secondary plans are to enroll in a skilled trades certification program.

**November Student of the Peyton Essenmacher** is HVA sophomore who is comfortable speaking with both students and teachers. She has a natural ability to connect with others and has learned that her success comes from the opportunity to work with others. Peyton's has fostered friendships with most everyone she meets. Usually, you will find Peyton in the HVA study lab engaging with classmates. HVA is excited for her leadership in the future.

**October Student of the Month Rachel Vinson** is a HVA cyber scholar. She is a junior with challenging courses including AP classes and electives like Bio and Business Ethics. She appreciates the flexibility online learning offers and has started wonderful relationships with mentors and teachers. She brilliantly uses her challenges to relate to others and help them overcome obstacles. HVA is lucky to have her for another year.

**November Student of the Ben Wade** is a new LEGACY senior whose ingenuity and practical approach to problem solving has won the respect of teacher and student alike. Ben self-advocates, initiates change and works extremely hard to excel both in life and his studies. Teachers compliment his "hands-on approach to real life and classroom challenges." Ben is a leader and problem solver, and an amazing representative of Alternation Education.

**December Student of the Month Ella Whitson** is one of Hartland Virtual Academy's youngest members. Yet her age factors little into her model student work ethic. She embodies the HCS E.A.G.L.E.S ideology of "leadership," and only being in eighth grade she has set herself apart from the average middle schooler. Ella is commonly in the HVA study lab and not only makes a masterful effort in her studies but is also willing to help her fellow Eagles. She is innovative and dedicated. Ella is surely a future leader of HCS high schools.

**December Student of the Month Dani Dovin** is a LEGACY senior who is focused on her future in Early Childhood Education. Last year she served as a peer-to-peer partner with the LESA preschool classroom, and she works in a local daycare caring for the children that will one day be in her classroom. She includes everyone around her and makes "children light up when she walks in the room." All of the staff at Legacy recognizes the bright future she has making children as happy and proud of their successes as we are of hers.

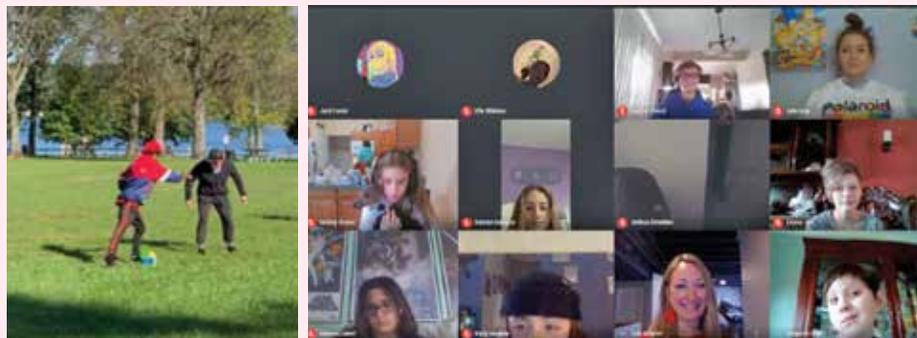

## Did you know...

That Legacy High School is redefining the stigma around Alternative Education? The student body of Legacy, eclectic in nature, fits no one stereotypical group of students. The smaller, family-like atmosphere brings a collectiveness and collaboration among staff and students that promotes success for all. Fostering success at Legacy also stems from enrollment in Enrichment class. Every student has an educator that stays with that learner until graduation, acting as both a teacher and mentor. Enrichment class at Legacy, in typical years, involves field trips and monthly whole school activities that have been adapted during Covid to still create team building opportunities along with Social Emotional Learning lessons, weekly progress check/emails to parents and career and college planning among other lessons. Every student has a "best fit" learning environment, and Legacy is proud to provide a learning experience as fruitful and unique as its constituents.

## Mentors Matter

In both Legacy and HVA, the mentor connection is essential to student success. Thank you to all our mentors that make learning possible memorable and fun.

## Welcome to Hartland Preschool!

**We still have limited openings for the 2020-21 school year. Call the Child Care Center at 810.626.2780 to register!**

Welcome to Mrs. Chyo and Mrs. Carter's preschool classroom! Mrs. Chyo and Mrs. Carter teach both 3 and 4 year old pre-school classes at the Childcare Center. They have been spending their time practicing their shapes, numbers and letters by incorporating fun activities like holiday sensory bins, painting with q-tips, jingle bells, and lots of music and movement. Mrs. Chyo and Mrs. Carter provide many opportunities for exploration through process art, sensory activities and guided play. Their recent time in school has been spent enjoying the holiday season!

#### Updates from the Childcare Center

Happy New Year! We want to kick off the year by highlighting a different classroom each month for you to get a better look inside our Child Care Center and what we do on a daily basis. We are going to kick off with our Wiggle Worm room!

The Wiggle Worm room has children ages 1.5-2.5 years old. The early toddler stage is a time full of development and learning new experiences. Our goal in the Wiggle room is to support your child's growth and development of gross motor and fine motor skills, as well as language and speech sounds, using the program Zoo Phonics. They learn through sensory play, math and science experiences, dramatic play, getting outdoors and exploring in our gym.

#### Meet the teachers!

Our Lead teacher is Mrs. Brittany. She has been at the center for 5 years. Teaching alongside her are Mrs. Karen (17 years), Ms. Emma (5 years), Ms. Mackenzie (2 years), and Ms. Kayla (3 years). Our Wiggle Room staff make a great team helping these little ones grow and learn!

We would love for your family to join us! If you are looking for child care, give us a call at 810-626-2780 or send an email to [childcarecenter@hartlandschools.us](mailto:childcarecenter@hartlandschools.us) to check availability.

#### We offer before and after care. Call to register!

We offer before and after care for children who attend the Round, Village, Creekside, Lakes Elementary and Farms Intermediate School. The children who attend the Lakes or Farms may enroll at the School Street center or take advantage of the school age program at Lakes Elementary School. The School Street Center is open from 6 AM-6 PM. Lakes is open from 6:30 AM-6 PM. Both programs offer gym activities, arts and crafts and outside play. When you are signed up for the Before and After School Care, you also have the option of attending on the "No School" days or snow days! Our center is almost always open!

#### Our rates:

**Infants: \$50/day, \$250/week** (2-day minimum). **Day Care: \$42/day, \$210/week** (2-day a week minimum). **Before and after school care is \$10 per session for full time enrollment** (5 days a week). **Part time enrollment is \$15 a session** (2-3 days a week). The minimum enrollment is 2 sessions a week for a charge of \$30 for the week. If your school aged child attends on a non-school day or a snow day, the cost is \$45 per day.

We are located at 10235 School Street in downtown Hartland, or give us a call at 810.626.2780. We can also be reached via email at [childcarecenter@hartlandschools.us](mailto:childcarecenter@hartlandschools.us).

## Hartland Senior Activity Center

Kim Konarski, Director

810.626.2135

9525 E. Highland Rd. Howell, MI 48843

Hi 50s and over! When allowed, get out of the house and come join the fun with your neighbors. Bring your friends or make new ones. We are not a 'typical' senior center. With over 1,400 members, there are always new classes and activities being organized. Check out a sample of our weekly activities below!

**Please note, due to Covid-19, all events and dates are subject to change. We are also adding more programs as allowed. Please check out our website or call the center for updates on schedule changes.**

**Annual Membership Dues (Jan-Dec): \$20 per single member, \$30 per couple sharing a household. You don't have to be a Hartland resident to join!**

810-626-2135 • [www.hartlandseniorcenter.org](http://www.hartlandseniorcenter.org)  
Monday – Friday 8:30 AM–2 PM

**It's time to pay your 2021 dues! Please mail payment to:  
HSAC, 9525 Highland Rd., Howell, MI 48843**

#### Mackle's Table and Taps Fundraiser

**Tuesday, Jan 5:** Mackle's is donating 10% of all sales to the senior center. Mackle's has also been challenged this year with the all the shutdowns, so please consider getting take-out. You can enjoy a delicious meal while supporting both local businesses! **Event subject to cancellation or change based on the ever evolving COVID climate. Call the senior center for updates.**

#### Yoga & Tai Chi Zoom Workshops

We are changing these classes to 5 week sessions. We need at least 10 people registered by January 11, or the session will be canceled. Call the senior center to register and mail your mail payment to us.

**Tai Chi:** Wednesdays, 10–11 AM, Jan 13 to Feb 10, \$20 (\$25 for non-members)

**Yoga:** Thursdays, 8:45–10 AM, Jan 14 to Feb 11, \$20 (\$25 for non-members)

#### Gleaners Produce & Pantry Day

**Tuesday, Jan 19th:** Items will vary each month—we don't know what we'll get until that day. Stop by to pick up fresh produce and pantry items. Everyone is welcome to stop by if they need food assistance. FREE!

#### AARP Tax Update

**Tuesday, Nov. 19:** If you want in-person tax prep, please make other arrangements to get your taxes prepared. Due to COVID restrictions, we may not be able to host the AARP tax program on site this year and even IF (and that's a big IF) we are able to arrange it, the number of allotted appointments will be VERY limited. Please start planning now. AARP is working on "Alternative Tax Prep." You would need access to the internet and a willingness to learn. More details coming later in January.

#### Social Security Update from Carol Ringle

The Social Security Administration has announced a 1.3% increase for 2021 which is smaller than last year's 1.6%. Also, the standard monthly premium is forecast to rise \$8.70 a month. However, due to COVID, under the terms of the spending bill, the increase will be limited to 25% of what it would have been otherwise.

#### Kroger Rewards Help the Senior Center!

Looking for an easy to help the senior center? If you shop at Kroger and haven't linked your card to the Hartland Senior Center, please consider it. Every time you shop and use your Kroger Rewards card, the senior center gets a donation! Register online at [www.KrogerCommunityRewards.com](http://www.KrogerCommunityRewards.com). The Hartland Senior Center code is NU955. Thank you!

#### Cooking Matters Series via Zoom

**Mondays, Jan 11–Feb 15:** In-person AND Zoom available! The instructor will join us via ZOOM Mondays from 12:30–2 PM each week. We'll learn a recipe plus safety topics and culinary tips. Then you will receive your own bag of groceries at the end of the week to make the recipe yourself! Participants will also receive a textbook with 70 recipes! This is a FREE program sponsored by Gleaners. **If the center is open to the public we will have the in-person option available, otherwise it's only on ZOOM.**

## I'M BORED!

### Does this sound like your child?

**Dear Fellow Parents,**  
I am Sam Larioza, father of two wonderful kids and the owner of Ohana Karate. I often get asked parenting questions by our many wonderful families. I want to share this actual email revealing two valuable skills all highly successful kids (and adults) share but few ever learn:

Dear Sensei,  
Caden had a rough year in Kindergarten last year and I truly believe that a large part of his struggle was boredom. He had already done a year of preschool and a year of Begindergarten before doing Kindergarten and academically he was not challenged. Through the 3rd quarter this escalated into some very undesirable behaviors where he was basically checked out, flat out ignoring his teachers in specials class and often leaving his work unfinished, choosing instead to fiddle with the things in his tool box or simply stare out into space. Going into first grade the expectations are higher and I hope that he will rise to the challenge. I'm hoping that challenging him more in karate is the right way to get him started in the right direction.

Sincerely, Nancy L

Dear Nancy,  
It is very interesting but your message and your challenge with Caden touches on one of the most valuable and important lessons in karate and in life. **"Delayed Gratification"** and **"Mastering the Mundane."** These two things are hugely significant in determining who is highly successful and who fails in life.

Many kids, especially highly intelligent ones, will seem to constantly be "bored," or feel what they are being taught or what the group is doing is too easy or boring. The truth is "mastery" takes repetition and hard work, and lots of it! For instance, a child will think they have learned their kata because they know the physical sequence and will think "This is dumb, I don't want to do this anymore. I want to learn the next kata" when in fact they just touched the surface. After a while the danger is that this becomes a "habit" more than a response to what they are learning.

The earlier a child learns "Delayed Gratification" and "Mastering the Mundane" the sooner they get on the track and habit of success. Kids who have these down are the kids that get straight "A's" in school. They are the ones that play and practice for all four years of high school football despite not being a starter and only playing occasionally when the score is a blowout. They are the kids that FINISH college.

So as you will see, there is a method to our madness. At the Little Dragon level we know that most kids that age cannot handle delayed gratification and mastering the mundane. So we disguise our lessons as "games" even though each one has a purpose and a lesson. At each higher level we gradually make the classes less "fun" and more repetitious and hard on purpose.

We want to teach the students that this stuff is difficult but good for you. So while I think that Caden is ready to move up I know the more valuable life lesson would be to stay in Little Dragons for a while longer to force him to confront his "I'm bored" habit. Let me know what you think?

Sensei

Dear Sensei,  
Thank you for your perspective. I never really thought of "Mastering the Mundane" as a skill before, but you're absolutely right. I have told him more times than I can count that we all have to do things we don't enjoy and we just have to find a way to work through it and do our best. I can definitely see a pattern of "I'm bored" attitude coming from him and it is absolutely something I'd like to squash before it gets out of hand. Thank you so much for all of your time and effort with this. I really appreciate all of your input. Having Caden as part of the Ohana Dojo has truly made a difference in both his behavior as well as many of my approaches with him. I respect and value your opinion very much and I thank you for all that you do!

Sincerely, Nancy L

**Friends of Cromaïne Library**

The "Friends" hope that everyone reading this article had a safe and peaceful holiday season and we wish the very best to everyone in 2021. Although there have been many things to be thankful for in 2020, the Cromaïne Library has been a constant source of comfort and enjoyment. I recently heard that the staff made 90 trips for curbside delivery in one day!

In the past the Friends have been able to aid the staff financially through events such as book sales, bake sales and the book nook. We sincerely hope that 2021 will afford us some opportunities to again render financial assistance. In the meantime, lets all cherish the wonderful resources that Cromaïne has to offer—books, DVDs, audio books, CDs, tapes and children's books. And above all, don't forget to thank our wonderful staff!

By the way, if you're not already a Member of the "Friends" please give some thought to joining our group. It is a great way to serve our community, and we will welcome you with open arms. For more information, call the library at 810-632-5200.

Your friend,  
Mary Lynn

## NATIONAL RADON ACTION MONTH

### What you need to know!

- Radon is a naturally occurring radioactive gas released in rock, soil, and water from the natural decay of uranium. While levels in outdoor air pose a relatively low threat to human health, radon can accumulate to dangerous levels **inside buildings**.
- You can't see, smell, or taste it, but an elevated radon level in your home may be affecting the health of your family (radon is the 2nd leading cause of lung cancer in the U.S.).
- The U.S. Surgeon General recommends that **ALL** homes in the U.S. be tested for radon.

A radon problem can be fixed. Find more info at: <https://www.epa.gov/radon>
