## Superintendent's Corner

Chuck Hughes, Superintendent

 @hartlandschools

### Thank You!

I want to thank the community for approving the bond issue presented on August 4, 2020. The process to develop a plan and present it to you has taken 2.5 years. Your commitment to ensuring that our students, community, and staff have the educational environments necessary to promote success is greatly appreciated.

### Back-to-School Plan:

As the Superintendent, it was my responsibility to recommend to our dedicated Board of Education thoughtful and deliberate plans that met the expectations of the Governor's MI Safe Schools Roadmap. As I write this article, data available for Livingston County shows a downward trend in the percentage of COVID positive tests regarding all individuals tested. This data point will be monitored daily as we work to eventually bring school back to what we are used to, five days a week of direct instruction. Will there be concerns that arise? Most assuredly. Will we work to mitigate issues such as positive results in students and staff? Absolutely! We may also have to take a step back to move forward. As a key strategy to moving forward with the plan, wearing a cloth face mask that covers the mouth and nose will not be debatable unless there is a clear medical reason in which wearing a face mask would cause harm to the wearer. Students refusing to wear a face mask will not have the privilege of attending school face-to-face. This is a public health issue that simply has no room for individuals to opt-out of this expectation.

As a Superintendent, father, husband, and human being, I care deeply about our staff and students and will continue to do everything in my power to make the educational experience positive for everyone. Someday, we will look back and realize that we overcame a major challenge.

### No Parking:

I want to remind everyone that we need help with parking patterns. If you find a No Parking Fire Lane sign in district driveways and parking lots, please do not park in these areas. These areas must be clear in case we have a fire in one of our buildings or if someone gets hurt and the emergency responders need access. The high school sports complex and the Lakes Elementary/Farms Intermediate circle drive are good examples of fire lanes that must be accessible, day and night. The district appreciates the public's cooperation in not parking where fire lanes exist, including the striped off areas in some of our parking lots. Unfortunately, tickets may be issued if the choice is made to ignore signage.

## HACC Seeking Donations for Holiday Wreaths

Hartland Area Community Council is seeking donations for Christmas wreaths on the military grave sites in Hartland Cemetery. There are 155 military grave sites, and wreaths are also needed for the entry gates at the other township cemeteries, at \$10 per wreath.

A banner will be placed at the Cemetery with the names of all contributors.

Please send donations to:

## September 2020 Person of the Month: Chris Bowser

I am currently a dispatcher for the transportation department where I have worked for over 30 years. Our family moved to Livingston County in 1984 when our oldest daughter was 2 years old, and we chose Hartland Consolidated Schools because it was known as an excellent school district. I became a bus driver because the schedule fit with my family life and allowed me to stay home with my children when they were not in school. I was new to the area and it also allowed me to connect with my community. I moved

to the position of dispatcher in 2004.

I have been married to my husband Kevin for 43 years and we have three children and five grandchildren. Our three children all

graduated from Hartland Schools and two of our five grandchildren currently attend Hartland Schools. The other three will also attend when they become school age.

There have been so many memorable moments during my years with Hartland Consolidated Schools. Watching my own children graduate from Hartland Schools, and now watching my grandchildren and numerous nieces and nephews that attend Hartland Schools. Some of the most memorable moments in Transportation have been weather related. From the tornado of 2001 when the students were boarding afternoon buses, to all of the ice and snow storms that hit while we were transporting students. THERE IS NEVER A DULL MOMENT IN TRANSPORTATION!

I am still here because every day is a new challenge and my co-workers are like family. I love the first day of school, seeing all the buses roll out and the students are so excited to start a new school year. I also love to see all the planning, routing and hard work that our department has done fall into place. It is very rewarding for everyone in our department to know they are keeping the students on the buses safe and are helping to give them a positive experience at the start and end of each school day.

Registration for fall classes starts September 1st! Call 810.626.2150 or visit us at [www.hartlandcommunityed.com](http://www.hartlandcommunityed.com).

## Editor's Page

This school year we have received \$1025 in donations. Thank you Larry and Nancy Simmons for your generosity.

Your donation helps to offset the cost associated with publishing and mailing the Community Life newspaper. Your support is appreciated for the only paper dedicated to promoting news about the schools and the Hartland Area for the past 85 years.

For those residing outside the school district and do not have "School of Choice Students" attending HCS, the recommended subscription rate is \$25. Your name will be added to our additional mailing list. Reader donations are appreciated.

**Mission Statement:** The Hartland Consolidated Schools, in cooperation with the community, will provide a positive environment for the development of productive and caring individuals of all ages. We are teaching learning for life.

**District Vision Statement for Hartland Consolidated Schools:** A community of learners sharing successful tomorrows.

## We are looking for alumni news!

Do you know of a Hartland graduate who is doing something special or outstanding? We know there are plenty of former students doing some amazing things and we want to hear about it. We are looking to highlight a Hartland High School graduate each month that we feel the community would love to hear about. Send nominations to editor Heather Calabrese at [communitylife@hartlandschools.us](mailto:communitylife@hartlandschools.us) and we will select one person to spotlight in each issue of Community Life.

### New Reading Trail at Settlers Park

Last year Women United Committee members reached out to members in the audience at their event to see what Women United should focus their efforts on next. On August 1st, a small group of men, women, and children gathered at Settlers Park to launch Women United of Livingston County's first Reading Trail.

Pages from the children's book "Grady the Goose," written by Denise Brennan-Nelson, were professionally printed and installed on signs along an outdoor path at Settlers Park. Visitors will have the opportunity to learn and enjoy reading the story outdoors. As viewers walk the trail, they will be guided to participate in physical activities and imaginary play, as well as learn some fun facts as they read each sign.

When the story is complete, participants will be asked to complete a short survey, and have a chance to win a free children's book. Their names will also be added to a running list on the [lcsdunitedway.org](http://lcsdunitedway.org) website for completing the trail.

Women United would like to extend a special thank you to Hartland Insurance Agency Inc. for their generous sponsorship of the Grady the Goose Reading Trail, the Women United Committee for their organization and efforts to create the trail, and author Denise Brennan-Nelson for allowing them to print her book.

## Welcome Back from Hartland Transportation!

The 2020/2021 school year is underway, and we are looking forward to another great year! As always, we strive to make your child's bus ride a positive part of their educational experience. Here are a few important informational points for review:

- Your student must be waiting at the bus stop 5 minutes prior to the scheduled arrival of the bus. Once the alternating lights of the bus are deactivated, the bus driver cannot legally reactivate them and it is then the parent's responsibility to transport their student to school.
- Students and parents should never try to catch the bus once the lights have been canceled. Please do not go to another bus stop without contacting the Transportation Office; the bus driver must be notified.
- If possible, your house number should be visible from the traveled roadway. Mailbox numbers are acceptable but should be large enough and clearly visible on both sides.
- The expected behavior of the student rider is found in the Parent-Student Handbook. We encourage parents to review these responsibilities with their children to ensure their privilege of riding is not lost. The handbook can be found by going to the district website at [www.hartlandschools.us](http://www.hartlandschools.us), then clicking on Parents & Students, and then Handbooks.
- Postcards were mailed home with your student's bus information. The computerized postcard only lists one stop address but your student should wait on the same side of the road they reside on until the bus is in place with red lights activated and the bus driver crosses them.
- Students should never cross the road prior to arrival of the bus.

If you have any questions or concerns we would be happy to talk with you. Please contact the Transportation Office at 810-626-2175.

## Welcome to the 2020-2021 School Year

As the 2020-2021 school year begins, I want to first thank all families and the CES staff for stepping up and meeting the challenges that we faced in March of the previous school year. Thank you for being supportive, flexible and creative.

We are all in this TOGETHER, whether face-to-face learning or remote learning. The staff at CES is dedicated and determined to provide your family with the best we can give. Our community is strong, our staff is tenacious, and our students are mentally prepared. All our efforts, flexibility and patience will make us stronger than before.

As we embark on a new and amazing adventure, please know there will be challenges and triumphs. Our staff and students are being asked to learn new procedures, change behaviors and be constantly mindful of their surroundings.

## Friends of Cromaine Library

Wow! It certainly has been a long strange five months. Some "Friends" of the Library have come up with some truly fun ideas.

What if you and your family decide on a brand new hobby, and take time to discuss it at dinner some evening? You can't imagine what some of my friends are pursuing. One four year-old has decided to be a poet and her seven year-old brother is on his way to becoming a famous journalist. The husband of one of my good friends is now renown for his Italian cooking and his wife is learning to refinish old furniture. I am trying to better acquaint myself with our galaxy.

All of these specialties can be reinforced with books from Cromaine. How lucky we are to have such an extensive library, and a staff that is always helpful! Now is a special time to take advantage of this wonderful asset that is free to everyone.

Please know that the "Friends" are planning new activities, and will soon be accepting your discards.

## Welcome to the 2020-21 School Year!

Dear Lakes Community,

I welcome everyone to Lakes Elementary and the 2020-21 school year! This start to the school year is my 29th and certainly most interesting. While I've never had a start with this many challenges and concerns, I know that our community has what it takes to make this a great year for all of us. We have a great opportunity to show our students the importance of being patient, flexible, and kind.

Our staff and students are being asked to learn new procedures, change behaviors, and be constantly mindful of their surroundings. While none of us have chosen the circumstance we find ourselves in, we can choose the attitude we take into this new school year. I know that may sound old-fashioned, but it is true. To quote Maya Angelou, "If you can't change it, change your attitude." Our kids feed off of and respond to our energy, be it positive or negative. I'm choosing to be positive and I ask the same of all of our Lakes Community.

I've posted some pictures from last year pre and post COVID. I see smiling faces in all of these pictures. While I know we all have a larger than normal learning curve this year, I also know our amazing staff will be passionate, our brilliant students will be resilient, and our strong community will choose to be positive in our outlook. I truly believe our efforts together will make us stronger than before.

"If you want to fly, you have to give up what weighs you down."

Humbled as always to be the Principal of Lakes Elementary School,

## Welcome to the 2020-21 school year!

As a former history teacher, I always look to the past to try to make sense of my current situation. What I have come to understand over the past months, is that this period of history is unlike any other. What I know is that when we are faced with extremely challenging times, we can develop the most creative solutions. Albert Einstein stated that "the measure of intelligence is our ability to change." I believe in this sentiment now more than ever. The Village staff and students have an amazing opportunity to demonstrate their unbound intelligence during the 2020-21 academic year. Our staff and students are being asked to learn new procedures, change behaviors and be constantly mindful of their surroundings. They have already showcased resilience and flexibility which is proof that we have some of the most intelligent staff and students in the state of Michigan. As we embark on what is inevitably going to be a year for the

history books, I know that this will be an amazing adventure. It will not be without its challenges, as only a good adventure can have, but it will also have many triumphs. Our school motto this year is therefore: Village...Adventure Begins Here.

What I know is that our adventure will be amazing because we will be TOGETHER. While that may take on a variety of forms, we are a Village family and even distance can't break our bond. Our community is strong, our staff is tenacious and our students are mentally prepared. While I cannot provide assurances of everyone's safety, a point that makes me lose sleep most nights, I do believe that our efforts together will make us stronger than before. I am so excited for our next adventure to begin, together.

Be well-  
Principal, Mrs. Angelina Kreger

## Welcome Back!

All year, 2020 has forced us to rethink, redesign and reflect on everything from the simple way we wash our hands to established traditions like graduation to the daily routine of educating the next generation. Safely and effectively educating our children is a task that has grown immensely complex, but has always carried a weight of incredible importance!

It is no surprise that online learning has grabbed national attention. While it may be a novel concept for some districts; Hartland Virtual Academy has served Hartland students for the past decade. We take pride in delivering quality academic opportunities with the same care and support families recognize as the Hartland way to educate. Our academics carry the same level of rigor and preparation as traditional model learning, and it is the Hartland Promise that sets us apart from other virtual academies. As Hartland educators, we know relationships

are what make the difference. At HVA, not only do students have highly qualified educators leading instruction, but they have a lab open every day of the school week, one-on-one mentors for building connectedness and accountability and Hartland teachers of all certifications for immediate help.

Before, during and after this health crisis, this generation of students were already redefining school. HVA students were earning national sports titles, dancing on stage and campaigning and collaborating with classmates across the state all while earning their diplomas. The 2020-21 school year will be no different, as this class promises to be innovators and trendsetters.

HVA extends a huge WELCOME to its INAUGURAL CLASS OF MIDDLE SCHOOL students. The talent, intuition and abilities of this young group are sure to fly. #Eaglesflyhigh

## Lets Block It!

### What is Block Scheduling? And why is LEGACY moving to a block schedule?

- Block scheduling means students have fewer classes per day but each class is scheduled for a longer period of time than normal (90 minutes versus 50).
- With less transfers between classes students and teachers are SAFER.
- With more time in each period, teachers can still cover the content fully and have time for activities that may not have fit into smaller time frames.

### What is A/B block scheduling?

- Students take three courses on the "A" day (also known as "even" or "Day 1") and alternate with another set of three courses the "B" day (also known as "odd" or "Day 2").
- Paired with the Tuesday blended day, LEGACY students will have the opportunity to complete one additional course beyond last year's ability. Students spend every class period engaged in curriculum, activities, collaboration and online is saved for home.
- One 45 minute standard course, remains the same both days. This course is dedicated to our career and college preparation and produced items like Educational Development Plans (EDPs), Interview Day with business professionals, social emotional skill building and much more.
- Some in the educational community argue that by narrowing the amount of new topics introduced in one day, students are able to focus and retain more. And less movement and switches equals more safety for all.

## Welcome to Hartland Preschool!

The Hartland preschool teachers are hard at work welcoming all of our new and returning families back to preschool for the start of the 2020-21 school year! Although the year might look slightly different this year, our teachers are determined to provide a preschool experience filled with songs, letters, counting and new ways to interact. Preschoolers learn best through social interactions and hands-on activities; these might look different

than years past but will still be the forefront of our learning to be able to reach our students best.

To accommodate for our current times, our teachers have been utilizing Seesaw to communicate with parents and students, even when we might be apart! From safe and distanced classrooms to fun and engaging activities to do virtually, it is sure to be an exciting year of preschool to remember!

**Register now! Call 810.626.2150 or 810.626.2780, or register online today!**

**Virtual classes will have videos and activities run through Seesaw two days a week.**

**Classes start Sept. 9th!**

### Updates from the Childcare Center

We will be closed Monday September 7th for Labor Day.

This summer has looked a little bit different for us, but we have had so much fun! As we wrap up our summer programming, we are excited to kick off another school year full of fun and learning!

### We offer before and after care. Call to register!

We offer before and after care for children who attend the Round, Village, Creekside, Lakes Elementary and Farms Intermediate School. The children who attend the Lakes or Farms may enroll at the School Street center, or take advantage of the school-age program at the Lakes Elementary School. The School Street Center is open from 6 AM–6 PM. Lakes is open from 6:30 AM–6 PM. Both programs offer gym activities, arts and crafts and outside play. When you are signed up for the Before and After School Care, you also have the option of attending on the “No School” days or Snow days! Our center is almost always open!

### Our rates:

**Infants: \$50/day, \$250/week** (2-day minimum). **Day Care: \$42/day, \$210/week** (2-day a week minimum). **Before and after school care is \$10 per session for full time enrollment** (5 days a week). **Part time enrollment is \$15 a session** (2-3 days a week). The minimum enrollment is 2 sessions a week for a charge of \$30 for the week. If your school aged child attends on a non-school day or a snow day, the cost is \$45 per day.

We would love to have you and your child join us at the Hartland Child Care Center. We are located at 10235 School Street in downtown Hartland, or give us a call at 810.626.2780. We can also be reached via email at [childcarecenter@hartlandschools.us](mailto:childcarecenter@hartlandschools.us).

## Welcome to the Senior Center!

Hi 50s and over! When allowed, get out of the house and come join the fun with your neighbors. Bring your friends or make new ones. We are not a 'typical' senior center. With over 1,400 members, there are always new classes and activities being organized. Check out a sample of our weekly activities below! We will open as soon as we are allowed.

810-626-2135 • www.hartlandseniorcenter.org • 8:30 AM–12:30 PM • September is National Senior Center Month! Stay tuned for more information on our Open House—please check out our website!

**Annual Membership Dues (Jan-Dec): \$20 per single member, \$30 per couple sharing a household. You don't have to be a Hartland resident to join!**

**Please note, due to Covid-19, all events and dates are subject to change. We are also adding more programs as allowed. Please check out our website or call the center for updates on schedule changes.**

### Movie Day!

**Tuesday, September 4th:** Join us as we watch "Burnt" (Rated PG-13) Staring Bradley Cooper and Sienna Miller. Bring your own non-shareable snack! 10:30 AM. \$1.

### Picnic Lunch!

**Friday, September 18th:** Bring your own chair and lunch. We will sit outside in the grass while enjoying some safe social time. We will be distancing 6 feet apart! 11AM–12:30 PM. **If it rains we will move the event to the following Friday, September 25th.**

### Movie Day!

**Tuesday, September 25th:** Join us as we watch "Just Mercy" (Rated PG-13) Staring Michael B Jordan and Jamie Foxx. 10:30 AM. \$1.

### Flu shots with U of M

**Tuesday, September 29th: Appointment required. No walk ins.** Please call the Senior Center to make an appointment!

### News You Can Use From Medicare

Due to changes in Federal law and policy, as of January 1, 2020, Medicare Advantage plans can now offer a new type of supplemental benefit, called Special Supplemental Benefits for the Chronically ill. This type of plan can only be offered to those who meet the definition of being "chronically ill." Not everyone is eligible nor is every Medicare Advantage Plan eligible to offer this plan. There is a two-part test for plans to determine whether anyone is eligible for SSBCI.

1. The enrollee meets the definition of having a "chronic illness" as determined by Medicare rules.
2. Such benefits must also have a reasonable expectation of improving or maintaining the health or overall function of the enrollee as it relates to the chronic condition or illness.

**Do you qualify?** You won't know until you are actually enrolled in the plan. Find out what the actual costs of the benefits will be and are there shortcomings in the rest of the plan such as loss of other benefits such as vision, hearing or dental. What is the cost-sharing amount you have to pay and what limitations are there, such as number of visits and availability. MOW, personal care and transportation can be arranged through other sources, like the Hartland Senior Activity Center.

**Call Carol at the Hartland Senior Activity Center, a Certified Medicare Counselor & Senior Resource Specialist, at (810-626-2139) to arrange an appointment.**

### Senior Center Closed for Labor Day

**Monday, September 7th:** The Senior Center will be closed in observance of Labor Day

### Gleaners Food Mobile!

**Friday, September 11th:** Stop by to pick up produce and pantry items. Items vary each month—we don't know what we will get until that day! Everyone is welcome! 10 AM–12 PM. FREE. **Please stay in your car and open truck, we will load all items for you!**

# How do I MOTIVATE my child for school (especially at home)?

This is crazy isn't it? So much unknown. So much doing things for the very first time. We are clearly in uncharted territory with this COVID-19 pandemic and "new" school year. We are also in a fluid situation that seems to change daily. I wanted to share what we have learned over the years working with hundreds of area parents and their children that might help.

We may be in luck because we have heard this question from parents many times before: "Sensei, how do I motivate my child to . . .?" You fill in the blank. It could be – do their homework, do karate, get better grades in school, take basketball seriously, or work harder. I could not help but become obsessed with uncovering the answer and the solution for our parents.

First of all, one of our findings might surprise you – **will-power, discipline and motivation do not work!** (You will end up trying to motivate your child for a long time.)

What I mean is motivation does not work in the long run. You need it to get started but it will rarely sustain you, or your child very long. Think of motivation and willpower like your cellphone battery or your car's gas tank. You have different levels at all times depending on a number of factors like time of day, your stress/fear level, what you ate, or how much sleep you got. For instance, have you ever known someone who was serious about losing weight or

starting to workout? Think about it, what percentage kept the weight off permanently or workout religiously to this day. The success rate is very low.

So, if it's not willpower, discipline or motivation, what is it? Why are the successful and high achieving able to do it? Drawing from the work of folks like Simon Sinek, James Clear, Gary Keller and others here is what works – **HABITS**. Success leaves clues. When you look at and study high achievers, you may think they have more discipline or drive than you and I. But when you look deeper, they really do not. They just have better and more disciplined habits. Our primary mission at this dojo (karate school) is helping parents develop these habits in their children. "They just need more practice."

Okay, so how do I develop these habits in my child? There is a science to developing good habits.

**Step 1:** Become aware of, then choose your energy/emotional **STATE**.

**Step 2:** Be intentional on what you **FOCUS** your mind on.

**Step 3:** Have the right **STRATEGY** (action plan).

- a. First, set them up for success.
  - i. **Make it Obvious**—People do not lack motivation, they lack clarity. Be crystal clear and decisive.
  - ii. **Make it Attractive**—Routine/Culture/Environment they like.
  - iii. **Make it Easy**—We are lazy by nature. Focus on the starting line, chunk it down.

iv. **Make it Satisfying** – The key? We are attracted to things that give us pleasure or satisfaction. Not a reward but use linking.

b. Then shut up and do the reps – **REPETITION**. You never stop working on your habits.

**Step 4:** In the end, your habits become your **IDENTITY**. (I am a runner. I am a life-long learner. I am a reader/writer. I am an athlete. I am a straight "A" student.)

(For more information visit [www.ohanakarate.com/blog-1](http://www.ohanakarate.com/blog-1) for more on our "Back-to-School" series.)

Is this hard work? Yes, but you can make it simple and easy for you and your child. But...can you imagine, a child who gets themselves up, gets ready, then is excited and energized to start their online or in-class school day?

Can you imagine later when they know exactly what they want to do after high school and apply by themselves to a college or trade school? Can you imagine your grown child not just working for a company but owning it? These are all possible when they learn to make decisive choices and develop intentional habits. (By the way, for parents of preschoolers, it is never too early to start working on these with your child. Start now and when they get to kindergarten you just might be pleasantly surprised!)

Embrace the change. Stay strong.

**Yours for stronger kids,  
Sensei**
