## Superintendent's Message

Janet Sifferman, Superintendent

For the past several years, public schools have been chronically underfunded. For the current 2015/16 school year, the legislature approved a school aid budget that, on the surface, appeared would provide a substantial funding increase. However, when all was said and done and several other sources of state revenue for public schools were eliminated, Hartland Consolidated Schools received an increase of roughly \$20.00 per pupil, which amounted to a little over \$100,000 toward an approximate \$51 million budget.

Needless to say, this increase did not keep up with the "cost of living" for Hartland Schools.

Because of this continued underfunding and in order for the district to remain financially solvent, most employees for Hartland Schools saw a net reduction in their pay of 2.5% for the 2015/16 school year. If our state revenue source remains at this level, the projection is that our employees will see an even larger pay reduction for 2016/17. While the state School Aid Fund is expected to increase by \$350 million, there are several issues facing the state, such as the Detroit Public Schools situation, the Flint water crisis, bad roads, and increases in retirement costs, which could ultimately drain monies from the School Aid Fund. There is a past history of the legislature shifting school funds into its general fund to take care of other commitments. As it appears right now, we fear there is not much chance of a substantial increase in revenue for public schools overall, and Hartland Consolidated Schools in particular.

## Hartland Schools Person of the Month

In August of this year I will be 66 years old and I will complete my 30th year at Hartland Consolidated Schools as Assistant Superintendent for Business and Operations. That is a long title that simply means I have the responsibility for a number of departments that fall within the parameters of Business and Operations – finance and budgets, transportation, Student Nutrition, maintenance, custodial, and facilities. As a member of the Central Office leadership team I also am involved in strategic planning and negotiations. My educational background includes a Bachelor's Degree from Olivet College in 1972 and a Master's Degree from Eastern Michigan in 1987. To maintain the designation as a Chief School Business Official, I am required to meet specific continuing education units within each five-year period.

My wife Donna and I moved into the Hartland School District in 1986 and have four children who have graduated from Hartland High School; Erin (1993), Tony (1995), Rob (1998), and Kelly (2007). They have each benefited from the education and experiences they had in Hartland Schools and have each found their own unique levels of success. We are very proud of each of them. We also have ten grandchildren; two of them currently attend Lakes Elementary.

In our free time Donna and I particularly enjoy seeing our grandchildren and taking in sporting events. We also spend a fair amount of time during the year at our home in Empire (a small village on Lake Michigan in Leelanau County, pretty much surrounded by the Sleeping Bear Dunes National Lakeshore). Anything outside, whether it is hiking, swimming, hanging at the beach, kayaking, etc., is what we like to do whenever we can.

As I look back over the past 30 years I have many memorable moments as a member of the Hartland Schools' "team". One that still has significant impact to me was from 1989 when the school administration, the school board, and our employee groups made a conscious decision to move away from adversarial contract bargaining to a process that involved mutual respect and achievement of common goals; a process that still exists today. That was the beginning of Hartland Schools becoming the "Premier School of Choice" it is today. The early 1990s through 2004 saw the district grow significantly in enrollment. We purchased 200 acres that eventually became the site for a new middle school, a new elementary school, and a new high school with state-of-the-art athletic facilities and a community pool. In 2006 and 2010 our community once again voted to approve two more bond issues that have enabled the district to maintain excellent facilities for our students, staff, and community. I am proud to be part of a community that continually supports its school district, and proud to have personally been able to play a role in the success.

Finally, I should note that there is one day every year I particularly enjoy and always remember – that is graduation day. It is an opportunity to appreciate the outstanding young men and women who graduate from Hartland Consolidated Schools, and also a chance to reflect and appreciate the efforts of all who were part of those students' success: parents, family, friends, and the "school team" of teachers, the Board of Education, administrators, as well as the many support staff employees who contribute each and every day.

Donna and I have never considered moving away from here. We were very pleased with the education our children received and remain proud to be a part of a very positive and supportive community and school district. I have never seriously considered working elsewhere for basically the same reasons. Most importantly for me personally is that I have been in a position not to just assume Hartland Schools cares about its students, employees, and community; I actually know that to be the case. All decisions are geared toward our vision statement, "A community of learners shaping successful tomorrows". Why would I want to work anywhere else?

I have never been bored at work. I laugh plenty each day (as you will see from my "picture" – taken this past Halloween when my staff all came to work as a different "Scott Bacon"). I still look forward to coming to work each day. I will likely retire in a few years and will depart knowing this has been a great place to work, a great place to live, a great place to raise our children (and now some grandchildren) and, for me, I will have some satisfaction in knowing that I had a part in making it that way.

## School Bus Safety Running Late to the Bus

To continue to provide the safest possible transportation for your child we'd like to share the required protocol when running late to the bus in the morning.

### It is required that you should either:

- call Transportation at **810-626-2175** so they can communicate with the driver, and determine a stop location where you can meet the bus
- or, transport your student to school

Communication with the bus driver is critical in this situation. The "danger zone" surrounding the bus should never be entered without the driver expecting it. There is just too much at risk to leave anything up to assumption.

### HARTLAND ARCHERS DOMINATE STATE TOURNAMENT:

**22 State Championships won by Hartland Archery past 9 years!**

Submitted by Coach Rob Jellison

Over 800 archers from all over the State met at CMU for the National Archery in the Schools (NASP) State Tournament, which is the qualifying event for Nationals in May. The Hartland Archery Program took all three State Championships at Central Michigan University at the State Tournament.

The Hartland High School Archery Team won their 5th consecutive State Title while both younger divisions of Hartland Archery continued to defend their previous state titles as well. The Middle School Team won their 9th consecutive State Championship and the Elementary School Team won their 8th consecutive State Championship!!

This brings the total State Championship count won by Hartland Archery to 22 in the past 9 years! The post season will now begin and the coaches will assemble the best team possible for the elementary school, middle school, and high school divisions and move on to the National Tournament. This event will be held in Louisville, KY. There will be 72 archers and their families heading down for this event to represent both Michigan and the Hartland School District.

We would like to thank our families for their continued support and celebrate our amazing PTO! Round elementary students were able to meet author Denise Brennan-Nelson and enjoy a visit from Detroit Tiger mascot Paws because of you!

Our students learn about and develop as writers every day. Imagine the excitement Denise Brennan-Nelson generated when she shared her real-life experience as an author. She inspired many young writers to become published authors.

The visit from Paws was very entertaining, he performed the famous story, "Casey at Bat". Paws encouraged our students to "Read like a Tiger" and gave away prizes to a few lucky students.

Superintendent Janet Sifferman, Assistant Superintendent Scott VanEpps, Representative Hank Vaupel and Secretary of State Ruth Johnson were guest readers sharing their love of reading with a few favorite books!

Our goal, during March is Reading Month, was to increase student's volume, stamina and love of reading. If they haven't caught the reading bug yet, we hope they did in March!

### Troop 381 Honors Eagle Scout Jack Parzuchowski

Boy Scout Troop #381 gathered to honor Jack Parzuchowski as he received his Eagle Rank, the highest level of recognition in Boy Scouting. An Eagle Scout Court of Honor was held on Saturday, March 5, 2016 at St. Augustine Church in Deerfield Township. Jack's friend and fellow Eagle Scout, Brent Nakkula, welcomed nearly one hundred family members, friends, Scouts and Scouters as the Master of Ceremonies, and introduced the Troop's Chaplain Aide, David Dunville, who delivered the Invocation. Fellow Scouts Salvo Curcuru, Ben Portelli, David Sebesta, and Adam Parzuchowski, Jack's younger brother, served as Honor Guard, led by Senior Patrol Leader Nik Masters. Troop Committee Chair Deb Curcuru presented John Wayne's Scout Law. Assistant Scoutmaster Mike Peterson shared the Trail to Eagle, along with some personal memories of Jack's adventures with Troop #381. Scoutmaster Ron Trosin II, and Jack's Eagle mentor, delivered the Significance of the Eagle Rank and administered the Charge to Eagle and the Eagle Promise. He then asked Jack's older brother and fellow Eagle Scout, David Parzuchowski, to present the Eagle Award to Jack and continue the Troop tradition of replacing the neckerchief with an Eagle bolo tie. Jack presented his parents, John and Linda Parzuchowski, with their Mother's and Father's pins. Assistant Scoutmaster Steve Masters was presented with an Eagle Mentor's pin for his support on Jack's Eagle service project. Livingston County Commissioner David Domas and Livingston County Sheriff Bob Bezotte presented Jack with plaques to recognize his achievement. John Parzuchowski, our Chartered Organization Representative, a member of St. Augustine Knights of Columbus, and Jack's dad, read letter of commendation from Governor Rick Snyder, Senator Debbie Stabenow, Congressman Mike Bishop, and executives of Scouting, and shared the Legend of Eagle Mountain.

Jack's interest in aviation and involvement with the Hamburg Flyers Radio Control Club led him to design and build a concrete launch pad at Manly W. Bennett Memorial Park in Hamburg Township. This concrete pad provides other local aviation enthusiasts with a safe place to launch model rockets. Boy Scout Troop #381 congratulates Jack Parzuchowski on earning the rank of Eagle Scout.

## IS YOUR CHILD A PERFECTIONIST?

*Instead...teach them how to be perfect*

**“I am always PERFECT...at the END!”**

You might be a little shocked by this but - Don't turn them into perfectionists!

This is very difficult to do. It is all our fault. In today's world we push our kids too hard too early and expect them to be perfect. We tell them we do not expect them to be perfect but yet we do not let them make mistakes or get things wrong. It may age me a little but when I was a kindergartener all I had to do was drink milk, take naps and play. Today if a kindergartener does not already know how to read, spell their name and count, they are behind. Not too long ago child development experts called the ages seven and below the “pre-academic” stage of life.

Too early in children's lives they cease being allowed to make mistakes. When they are in school their score or grade is docked with each mistake. When they miss the ball when batting in T-ball or miss catching a ball everyone goes “oh” and “ah”, or worse yet, laughs. **Wanting to be perfect is good**, but being a perfectionist is not. This is where the roots of shyness can be found.

What are some signs that your child is developing into a perfectionist? If your child hesitates before doing most things. If they say “I can't” even before they try. If your child wants to quit the first time something gets hard. If they do not want to turn in their homework because they are afraid it is not perfect. If they say “I am not ready yet” or “Can I watch first?” If they want to quit something when they feel they do not get good enough fast enough. As they get older they typically suffer from high levels of anxiety and fear. The key at this stage is to reward “effort”

and not “results”.

*Action Tip:* Again the first thing to do is just NOTICE. Just become much more aware of their behaviors that reinforce perfectionism. Then initially start by recognizing, praising and rewarding effort over results. Here is one of the most powerful concepts I have learned about success - **“Do not expect to be perfect at the start...spend your time and energy being perfect at the END!”**

*Did you know that when the Apollo spacecraft headed for the moon they were off course almost the entire time? They would have to change course and correct all along the way. But in the end they would land within a few hundred yards from the targeted landing spot! That would be like us throw a rock 50 yards and getting it in a small bucket! If NASA and the Astronauts were perfectionists they would have never left the ground. They only concentrated on being perfect at the end. Perfectionists rarely start anything and quit at the first sign of failure. So teach and reward your child for being a quick, strong starter and that the only thing that really counts is their success at the “end!” The best way is to model it for them.*

### Hartland HS Senior is DAR Standout

Hartland High School Senior Jeremy Tervo (pictured left) is a finalist in the Good Citizens Award and Scholarship Contest sponsored by the Daughters of the American Revolution of Michigan. Jeremy will be honored at the annual Awards Day luncheon which will take place Tuesday, April 5 at the Kellogg Center in East Lansing.

Jeremy was originally recognized by the Philip Livingston Chapter of the DAR at its Good Citizen Award reception Saturday January 16. Jeremy was one of five high school seniors to participate in the competition and was named the first place winner. As the chapter winner he was automatically entered in the State competition.

The Good Citizens Award and Scholarship Competition is an annual event sponsored by the DAR to recognize high school students who possess the qualities of dependability, service, leadership and patriotism in their homes, schools and communities to an outstanding degree.

Once a student is chosen as their school's DAR Good Citizen, they are invited to participate in the scholarship portion of the program, which consists of a personal statement and a times essay. This year's essay topic was "Of our American rights and freedoms, which one would you chose to celebrate and why?"

The contest was created by the National Society in 1934.

## ENCORE YOUTH THEATER OFFERS SCHOLARSHIP

The Hartland Players' Encore Youth Theater is offering a one-time \$500 scholarship to a graduating high school senior. The scholarship was initiated in 2005 and continues to recognize students who have demonstrated special ability in, and dedication to, the theater. Although the scholarship acknowledges students with experience in the theatrical arts, it may be used at the college of the recipient's choice while pursuing the discipline of his/her choice.

In order to be eligible for the scholarship, the high school senior must be a past or current member of Encore Youth Theater and have a cumulative high school grade-point average of 3.0 or higher. In addition, he/she must include with the application a copy of his/her high school transcripts, an acceptance letter from the college of his/her choice, two letters of recommendation, a completed application form, and an essay response.

Applications are available on the [hartlandplayers.org](http://hartlandplayers.org) website and must be postmarked by May 16, 2016. Recipient(s) will be notified by phone on May 26, 2016. The scholarship check will then be given to the high school of the recipient so that it may be presented as part of any scheduled honors awards ceremony.

Encore Youth Theater provides training and experience in the performing and theater arts for students aged 8-18 through theatrical productions, camps, and workshops. This scholarship is a way for us to celebrate a student's growth and commitment to the theater. We encourage all who are eligible to apply!

## Struggling with Reading? Tried tutoring...but poor results?

### Struggling Student Now Gets A's & B's - Thanks to Vision Therapy!

"By first grade, Davis was significantly behind. He couldn't keep up or follow directions. His teacher and a special education teacher expressed significant concerns regarding his inability to recall and remember."

"I brought Davis to his pediatrician. The meeting with his doctor did not go well. I was told to lower my expectations. He would never be 'fixed'. We went to Dr. Doud's the next day and I broke down crying as I told him what his doctor had stated. I let him know - I knew my little boy was intelligent. He just couldn't get it out."

"Dr. Doud tested Davis' vision and discovered that his vision was significantly delayed in several areas. He not only gave me hope - which at that point was all I wanted, but a plan to assist Davis."

After vision therapy, "Davis improved so significantly that at the end of second grade, I was told not to let the 3rd grade teachers know anything was wrong with his ability. He had all A's and B's. He was able to keep up and follow directions. His visual memory was 14% when we started vision therapy. It is now near 90%."

"I am so pleased and cry at the thought of how far he has come. It truly is overwhelming to think of what would have happened to Davis if we would have listened to his pediatrician, lowered expectations and accepted this situation, Davis would have failed at school and in life."

**We can help—call today!**

### Serving families in Livingston County for more than 20 years...

In addition to providing family vision care, Dr. Doud diagnoses and treats vision problems that interfere with reading and learning.

Dr. Doud has treated hundreds of children from the Hartland and surrounding communities from all over South East Michigan.

#### Do You Know the Top 5 Signs that a Vision is Blocking Learning?

- Skips lines and/or rereads lines
- Homework takes longer than it should
- Short attention span with reading & homework
- Poor reading comprehension
- Reverses letters like "b" and "d" when reading
