## Superintendent's Message

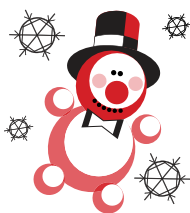

Janet Sifferman, Superintendent

As is the tradition for this time of year, we reflect on all of the blessings and gifts we have received during the year.

I am grateful for this wonderful community, our amazing parents and students, and the dedicated staff members who make up Hartland Consolidated Schools.

Our community and school system will have many difficult challenges to face in the coming year. I know that the strength of our community and Hartland Schools family will enable us to continue to provide an enriching educational environment for our children while meeting these challenges.

I would like to take this opportunity to thank everyone for their continued support and send my wish to all for a wonderful holiday season!

Best Wishes for a Joyous Holiday  
Season and a Peaceful New Year!  
Janet Sifferman, Superintendent  
and the Board of Education

Playing on the team for Hartland were Adil Shah, Graeme Roberts, Nick Rensel and team captain Lauren Schwartz. Kate Hagerman is the team advisor.

This year "QuizBusters" celebrates its 21st season on WKAR-TV. Students from 64 mid-Michigan schools compete throughout the year to earn a spot in the Championship series airing in May. Up to eight \$5,000 Champion tuition scholarships are provided by Michigan State University.

## Archers take on the world!

Hartland Schools had seven archers traveled to Disney to compete against 600 of the best archers from around the world at the First Annual World NASP Tournament. NASP stands for the National Archery in the Schools Program. This event was open to all archers who attended the National Tournament in Louisville, KY last May. Hartland was represented by 68 archers last year in KY. Jessica Nystrom who shot a new world record score last year was invited (along with her family) to the World Tournament, and had it paid for by the Morrell Target Company.

Coach Jellison contacted the archers who attended Nationals last year to see if anyone else wanted to go to Disney. Four other archers decided to make the trip south. All of the archers did a great job once again representing Hartland Consolidated Schools.

Jessica Nystrom had a lot of weight on her shoulders as she was placed in front of the main judges table (where many scouts, coaches, and sponsors waited to see how she would do). Unfortunately, she had one sponsor come up to her prior to her rounds and put some additional stress on her. With all of this stress,

(l-r) Coach Rob Jellison, Chad Cooper, Jayson Nystrom, Sara Nystrom, Jessica Nystrom, Katie Corcoran, Konlan Paul and Betty Jellison

## Neighbor to Neighbor

### Safe delivery of your holiday packages

Winter weather is just around the corner. This means snow-piled sidewalks, icy and impassable driveways, along with trees and shrubbery loaded with snow that interferes with easy navigation or loss of side mirrors to those company vehicles that deliver packages right to your front door. Please create easy access to your driveway and front door by keeping those areas cleared during and after heavy snowfall or icy conditions. Your local postal carrier, UPS and FedEx drivers will be forever grateful for your assistance in protecting their safety and the safe delivery of your package this holiday or at anytime during the winter season.

## 9th Annual DoNut Drink, DoNut Do Drugs Event

On Friday, October 30 the Hartland High School lunch room was an exceptionally festive and uplifting experience for seven parents and all the Hartland High School students!

All students were offered free cider and donut after pledging not to use alcohol or any other drug or engage in unsafe behavior for the Halloween weekend. Parents and students interacted with each other, bright orange DoNut Drink, DoNut Do Drugs badges were placed on students, and cider and donuts were enjoyed by all! Tables with free prevention materials were made available to teens; each table identified by a poster with pictures from last year's event. Halloween bookmarks with a prevention message and web sites for teen access accurate information were distributed.

This popular prevention activity began on Halloween of 2001 after it had come to our attention in the late 90's that teens were celebrating Halloween in the neighborhoods exhibiting alcohol and other drug related behaviors. This included high risk behaviors for themselves and bullying behaviors such as intimidating trick or treaters.

### The goals of this Prevention campaign include:

1. To foster a social climate among students of disapproval of drug abuse and the freedom to express that disapproval
2. To promote and foster a caring atmosphere for all students.
3. To engage staff, parents, and students together in a fun, wholesome awareness/prevention activity
4. To provide an atmosphere for students to share concerns about alcohol and other drugs in a non-threatening atmosphere
5. To distribute information regarding alcohol and other drugs in an atmosphere that allows students to accept it freely in front of other peers
6. Last, but not least, to interrupt or prevent plans for use of alcohol and other drugs on Halloween and thereby reduce incidents of adolescent substance abuse on Halloween.

As pledges were being taken students often expressed thoughts and concerns about substance abuse to the adults taking the pledges. To determine the value of this event, data was collected in a survey after Halloween 2008. Results of the survey indicated that 70+ % of students felt the event was worthwhile and appreciated both the parents' and the staff's concern. Most importantly 39% of survey takers who indicated that their plans had been to drink or participate in other drug use changed their minds and stayed sober!

A recent study indicates that "the prevalence of substance use was lower among teens exposed to prevention messages through parental and school sources than among those who were not exposed." In any case, by the end of three lunches, seven tired parents knew that their concern for the safety of Hartland High School students was heard and that many did, in fact, take it to heart!

## Principal's Corner

Chuck Hughes, Hartland High School PRINCIPAL

As the Holiday Season approaches I want to remind everyone that the economy has been tough on our community. Families are going without and our students end up being caught in the middle. I challenge all of us to keep our eyes and ears open for ways in which we can support our community by reaching out to help those in need. This year we will again have an Angel Tree in our Counseling Office to help provide holiday cheer to the less fortunate. Our students will engage in many activities to help gather donations of food and other necessities. The Hartland Education Association is collecting hats, gloves, scarves, mittens, etc. for those who do not have proper winter attire. Feel free to drop these items off in the high school office. Thanks to the generosity of the Parent Advisory Committee and the Hartland Education Association we continue to support students in need of lunches at Hartland High School through contributions to the Needy Student program. These are just a few of the many ways that our educational family continues to reach out to help one another. Thank you!

This year has been exciting so far as our students are showing a strong sense of gratitude for being provided an outstanding education. The Equestrian Team just completed a three peat by earning another State Championship and college applications are being completed daily. It is exciting to see our teaching staff embracing the Professional Learning Community model of collaboration and realizing that we learn so much about our students through local common assessments (tests, quizzes, projects, etc). Changing the way things are done for the good of all is the focus of school improvement at HHS.

### Report Card Reminder:

This is a reminder that our effort to continue to find small ways of saving valuable financial resources has led us to not mailing report cards home every six weeks. The final report card of the year will be mailed home and second parent reports will continue to be sent in the mail. Parents can find the same information on Parent Connect. If troubles arise with the use of Parent Connect please contact the system administrator via e-mail at: pc@hartlandschools.us

### Congratulations to HHS's Colorguard

On October 17, the Hartland High School Marching Band and Colorguard attended the "EMU Band Day" with nine other bands. The HHS Colorguard took first place in the guard competition for the second year in a row. The winning guard performs for the audience in front of all the bands.

### Attendance

Please call our automated attendance line at 810.626.2205 with any absences. If your child will be absent for three or more days, an extended absence form is available in the front office. If a student goes on a college visit and has to miss school they can get a letter from the college they are visiting. This will be recorded as a "school related" absence and won't count toward your nine allotted absences. As stated in the Student Handbook (pg. 13), "All absences must be verified by a telephone call or a note from a parent within 48 hours of the absence."

### Counseling Information

Scholarship Gazette. The Scholarship Gazette is the main vehicle for the HHS Counseling Office to notify students of a wide variety of scholarship opportunities. Paper copies of the Gazette are available in the Career Center each month and electronic copies are posted on the HHS website. Students can pick up copies of scholarship applications in the Career Center. Scholarships that need to be returned to the Counseling Office should be turned in to Mrs. Schingeck at least 4-5 days prior to the due date.

Congratulations to Mr. Matt Assenmacher and his Leadership Development class who collected 3060 pounds of food for Gleaners Community Food Bank.

## Students Making a Difference

By: Matt Assenmacher

The high school participated in the annual Gleaners Community Food Bank "Food Fight" drive in mid-October. The drive was organized by Matt Assenmacher and his Leadership Development class. This year, Hartland challenged other Livingston County schools to a "Food Fight" to see what school could raise the most donations. Hartland won overall with a record setting 3060 pounds of food that was raised over the two weeks. According to a Gleaners representative this was the largest amount donated from Hartland since 2007, when 1501 pounds of donations were collected. Hartland will be receiving an engraved traveling trophy for winning the competition. All of the donations will be used to feed hungry families in the local community. Thank you to everyone who participated in this event. For more information about the "Food Fight" or other Gleaners projects go to [www.gcfb.org](http://www.gcfb.org).

## Choir:

Thanks to the Hartland High School choir and marching band for performing at schools across the district in October. Under the direction of Mr. and Mrs. Letovsky, the band and choir performed at Ore Creek, Round, Farms, and Village.

## Robin Hood

The play Robin Hood was performed at Hartland High School over Halloween weekend. From left to right: Little John (Cameron Watson), Robin Hood (Ben Chodos), and Will Scarlet (Nathan Single) are pictured here. The show had a cast over 50 with a large student crew as well. It was also the first time a dinner with a show was featured before the actual performance. Over 160 tickets to the dinner were sold. Thanks to Mrs. Mandy Keskes for organizing all of the wonderful events!

Student Council members visit with residents of West Hickory Haven Nursing Home, continuing our tradition of visiting at Halloween and Easter each year.

## Student Council News

*Submitted by Heather Tackett*

Student council was a blast last month! We elected our officers, and went to West Hickory Haven, a nursing home in Milford. We enjoyed our time painting pumpkins, showing off our costumes and coloring with the residents. Our first fundraiser, our canned food drive, started on November 9. We hope to gather more food than we did last year, and would appreciate you sending in some nonperishable food or paper products in with your son or daughter. We are also starting to think about Toys for Tots, happening sometime in December.

Students enjoy the Halloween dance and costume contest.

## Congratulations to Our October 2009 All Stars

Each month at Farms Intermediate School we acknowledge students who have been nominated by their teachers for outstanding academic performance, as well as, for displaying exemplary Reason, Respect, and Responsibility. Students are presented with an All-Star Certificate and their names are announced during each lunch period as well as in individual classrooms. **Congratulations to our October 2009 All-Stars.**

## Star Readers Program

Star Reader is a program designed to encourage students to read, read, read. The Farms teachers select two students each month from their homeroom classes who have exhibited good reading habits. These students are the ones you see reading whenever they have a few minutes to spare. All monthly winners receive a \$1.00 gift certificate to our Spirit Store. The winners names are then entered for a drawing for a \$20.00 gift card to Barnes and Nobles. Each month there are six lucky winners for the Barnes and Nobles gift card. At the end of the year there is a Final Grand Prize Drawing for a basket full of books. **Congratulations to our October 2009 Star Readers.**

Congratulations to Lakes second grade student, Katie Baerwalde, for donating eight inches of her hair this summer to "Children With Hair Loss." Katie got her hair cut a week before her 7<sup>th</sup> birthday and generously donated it to this organization that makes wigs out of human hair for sick children. We are so proud of Katie!

This Halloween, Thing 2 (AKA Mrs. Smither), from The Cat in the Hat spent all day looking for Thing 1, with help from her Lakes friends. She finally found Thing 1 (AKA Delaney Murphy) hiding out over at Farms School! They were happy to be reunited!

Lakes students from both Mrs. Jagusch's and Mrs. Smith's third grade classes began a collection of personal hygiene items, candy and snacks to send to our soldiers overseas in Afghanistan. Mrs. Jagusch's son, Kevin, is now stationed there and will disperse them to the soldiers serving with him. The students generously donated 14 large boxes of these items as a way of saying "Thank You" and "Merry Christmas". Thanks to our generous students and parents for participating in this worthwhile activity!

**Congratulations to our Lakes Citizens of the Month for December.** These students have displayed exceptional effort, achievement and/or citizenship in their classrooms and we are very proud of them! **Back row (l-r) Fourth Graders:** Montgomery Shotwell, Rachel Schneider, Jake Houtman, and Ross Preston. **Front row (l-r) Third Graders:** A.J. Fisher, Faith Lillemoen, Lucas Holme, and Robby Spangler.

Congratulations to Lakes third grader, Madison Mince, for winning the overall champion trophy for her age group at the Fall Pentathlon Swimming competition on October 3 at Hold High School. She took either 1<sup>st</sup> or 2<sup>nd</sup> in all of her five events. We are so proud of Madison's amazing accomplishment!

# Round Elementary News

810.626.2800

As fall came to a close, Round Elementary School experienced a couple exciting events. Halloween at Round is an event for students, staff and parents. The fun day started with students wearing their costumes to school and ending with a parade and party. The theme this year was cartoon characters.

On October 2, the 3rd and 4th grade classes celebrated a new Accelerated Reader Super bowl season. Classrooms are involved in a reading competition that promotes the love of reading, teamwork, and excitement. Hartland High School Varsity Football Coach Marcus Dukes brought a few of his players to speak to our students about the importance of reading and teamwork. The competition will conclude with a Super Bowl party at the end of the semester in January. We look forward to another year of incredible growth in reading!!

Round Elementary School would like to thank all our staff, parents, students, and volunteers that make our school a special place to be. The positive relationships we have with each other make us a caring wonderful environment. Everyone have a great December!

The Round School office staff gets ready for a day of fighting crime.

Winnie the Pooh and the other members of the "Hundred Acre Wood" make an appearance at Round.

Head Varsity football coach Marcus Dukes, players, and staff address 3rd and 4th grade students to kick off the Super Bowl of Readers competition.

Students get recognized by classmates and staff for exceptional reading.

Varsity football players pass out football pencils to 3rd and 4th grade students.

Mr. Don and Mr. Cain are ready for another wonderful Halloween parade at Village.

The first annual Village Hedgehog Hustle Fund Run was a great success. The Village PTO sponsored a "Fund Run" instead of using the usual fundraising catalog. Pictured here are Mrs. Bishop's Kindergarten students with Mr. Cain after the run and a special "Thank You" to Spicers' Orchards for providing snacks.

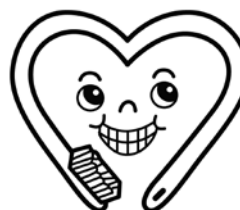

On October 7, Character Magic visited the Village. Presenter, Patrick Ireland, uses magic with a message to motivate students to make responsible choices, maintain honesty, and treat others and yourself with respect. The concepts of self discipline and consequences are illustrated by connecting pieces of a puzzle as shown here by Jacob Douglas from Ms. Birgy's 3rd Grade class. Thank you to the Village PTO for sponsoring this activity!

Mrs. Jessen's First Grade class participates in a "sink or swim" activity to see how boats made of various substances will react.

## Spirit Week

Fall is the time for homecoming football games and Spirit Week. LEGACY students honored the week with daily dress code fun. Each homeroom was challenged to get the most participation. Several students from the green group are showing their spirit. The Seniors, with the most spirit, are pictured showing off their colors and spirit, ready to be off to the game and dance on Saturday night.

## Halloween Fun at LEGACY

LEGACY students hand out Halloween candy as the preschooler groups parade throughout the school. A number of LEGACY students and teachers dressed up for the day of fun. # Academic Advantages and Social Experiences

## Hartland Community Education Preschool Offers Them Both

Preschool is booming in all the classrooms here at Hartland Community Education Preschool for the 2009/2010 school year. Children are blending with new friends like they've known each other all their lives. The children's first day jitters have quickly turned into a familiar routine and will result in close, lasting friendships.

Hartland Community Education Preschool is a developmentally play based program with a strong emphasis on literacy. Our Preschool enjoys wonderful support from the whole Hartland School District starting with the Curriculum Director on. Literacy, pre-math, pre-reading, self help skills and social skills all combine smoothly to ensure our preschoolers are completely ready for the demands of Kindergarten. Our teachers structure their classrooms with small group tables and large group activities; very similar to the Hartland Kindergarten classrooms, so our little ones transition into school as smoothly as possible.

In the cooler weather, children with rosy cheeks and little red noses come stomping into the classroom from our wonderful playground, all chatting and laughing with one another. They are looking forward to the challenge of the next classroom task.

Special events and special speakers make Hartland Community Education Preschool a very special place to be. The children love the brave fire fighters from the Hartland Fire Department that let them climb onto their giant fire trucks. Visits to apple orchards and pumpkin patches are fine times to share, both educationally and socially. Mom's and Dad's meet other Mom's and Dad's on these special events and often set up after school play dates to enjoy family times with other Hartland families.

Call 810.626.2780 and ask for Kathy Lampe for information on the very few spaces still available for the 2009/2010 school year, tuition will be pro-rated from your start date. Registration for 2010/2011 preschool will begin in December 2009. Don't miss registration. You will want your 3 or 4 year old to have the excellent academic advantages and enjoy the social experiences of Hartland Preschool.

## Fire Safety Week

In recognition of Fire safety week 2009, The Hartland Fire Department visited the classrooms of Mrs. DeRosier and Mrs. Potts at Hartland Community Education Pre School. Fire Fighters brought along their turn out gear and demonstrated what to do in case of a fire. The children learned valuable lessons on fire safety and prevention including stop, drop and roll, what to do when they hear the smoke alarm and having an escape plan in place. We watched an entertaining and informational movie and wore our donated fire hats out to see the fire trucks. The children climbed up in the truck and were delighted when the sirens and horns were turned on as the Fire Fighters drove away.

We would like to thank Fire Fighter Mike and all of the other Fire Fighters for coming to our class and teaching us about fire safety!

## Hartland Preschool News

Mrs. Potts' and Mrs. Spiker's classes had a Pumpkin Patch at Night. We had so much fun making our "pumpkin soup." We had a great time searching for just the right pumpkin for our soup and parading in our costumes for our parents. *Thanks for the pumpkin donations Beauchamp Family.* You have made so many children very happy over the years!

Our future activities include learning about Native Americans and cooing our own Thanksgiving feast. For more information about our preschool program please call 810.626.2780.

## Nimble Knitters knit 50 stockings

The Nimble Knitters from the Hartland Senior Center spent the past two months knitting over 50 Christmas stockings to send over to soldiers in Afghanistan, Iraq and Japan. Each stocking was hand knitted and personalized with the soldier's name. The endeavor was headed up by Kathie Horning from Hartland Township who has a son currently stationed in Afghanistan as a combat Apache pilot. It started as a project to adopt his Company of soldiers then quickly blossomed into including any soldier from Livingston County. The word was out on needing donations to fill the stockings and the generosity of so many people was clear with all the wonderful items contributed. Township employees donated their time to knit stockings, fill and prepare the parcels for shipping. It will be heart-warming event when the troops open these packages from fellow Americans who care about them, that they have never met. Heartfelt thanks to everyone who participated.

# Club & Organization News

## Optimist Club Christmas "Adopt A Family"

The Hartland Optimist Club will once again sponsor the Christmas "Adopt A Family" Program for families in need of assistance. To help kick off the program, Hartland Big Boy Restaurant hosted a "Celebrity Server" Night as a fundraiser.

Last year the club gave families in need food, clothing, and presents. Schools helped by having food boxes for children to bring in non-perishable items, in addition to community members donating money, food, presents, and/or adopting an entire family to buy for. Also, school clubs and organizations, school staff, and students helped with donations, food pick-up, and volunteered to organize the items for the families.

The Optimist Club is in need of monetary donations, food, new toys or children's clothing (warm hats, mittens, or scarves etc.) for "Adopt A Family." Food boxes will be placed in all Hartland schools the Monday after Thanksgiving. If you would like to adopt a family or make a donation, please call: Judy Cowan at 810.632-7415 or Vickie Schiesel at 810.632.7410. You may also send a donation to: Hartland Optimist Club, P.O. Box 64, Hartland, MI., 48353.

Community support makes this worthwhile project a success!

## Hartland Audubon Nature Club "Lords of the Sky" program for December 1

Our December 1 presentation is entitled "Lords of the Sky." We'll be meeting, "in person" as it were, an owl, a hawk, a falcon, and a vulture. These live birds will be introduced to us by a representative from the Howell Nature Center who will tell us a little about each bird's habits and habitat. If you have any young friends, later elementary through high school age, bring them along and let them share with you the experience of being in the same room with these awesome birds of prey. The meeting begins at 6:30pm with a pot luck dinner. All are welcome. There will be a short business discussion at 7:15pm and the program will follow. Hope to see you there. We meet at the Hartland Senior Center located in the Hartland Education Support Service Center (former high school) on M-59 just west of US 23. If you have any questions, please contact Jami Bond at 810.632.5223.

## Flash from the Friends

### Decorate the tree-December 2

A glorious fall is winding down and with it the aftermath of a fabulous booksale. Thanks to our volunteers who worked so hard to make it a huge success. Everyone seemed to enjoy our bag sale, but we have run into a problem. Stores are reluctant to donate paper bags, so we are asking our patrons to please save your paper grocery bags and bring them to us. You can leave them on our donation cart by the elevator any time and we will save them for future sales.

Before you know it the holidays will be here. Please join us on Wednesday, December 2 at 10:00 a.m. for our annual tree decorating at the Village Library. It is a time for friends and cheer and we hope to see you.

Sue Black, Friends Interim President, has created a beautiful handmade needlepoint Christmas stocking. A silent auction raising funds for the library will be held at Cromaine for this wonderful item. Be sure to bid on it before it is too late.

**Kathie Horning**

The winter tax bills should arrive in your mail box on or about December 1. Hartland Township taxes may be paid at the township offices Mon-Thurs from 9 am -5 pm. Taxes can be paid through February 28 at the Hartland Branch of the National City Bank east of US 23 or at the Chase Branch near Old US 23, both located on M-59. Taxpayers may also pay taxes and Hartland utility bills by telephone using a major credit card at 800.272.9829. The Hartland jurisdiction code they will ask for is 7058. You can pay both types of bills online using a credit card or e-check at [www.officialpayments.com](http://www.officialpayments.com). We are excited to offer these conveniences to the Hartland residents. Out front of the hall we have placed a drop box for added payment ease. If you have any questions please feel free to call Treasurer Kathie Horning or Deputy Treasurer Donna Shollack at 810.632.7498 or contact us through email at [treasurer@hartlandtwp.com](mailto:treasurer@hartlandtwp.com). The township offices will be closed for the holidays December 18-27.

Another upgrade made to the assessing and tax system for Hartland Township is real time updates to both programs. As changes are made, you are able to view them through either the Assessors or Treasurers page at [www.hartlandtwp.com](http://www.hartlandtwp.com). Information should be accurate and up to date at all times.

Dog licenses are now available at the Treasurer's Office year round. To avoid paying the late penalty they must be purchased no later than February 28, 2010. The State law requires that you provide proof of rabies vaccine and spay or neutering on an annual basis. We will be making copies for dog owners of rabies that expire in 2010 or 2011 to keep on file. The cost for dogs that have been spayed or neutered and puppies is \$7.00 per dog. Males and females are \$25 each. After February the cost is \$30 each.

### Fire Safety During the Holidays

Last month I wrote about the two minute drill. It talked about the things you can do around your home to prepare you and your family for the worst. We are getting to that time of the year where we are spending a lot of time indoors. We tend to burn more candles and use accessory heating in those rooms that just don't seem to stay warm enough. Please keep the following in mind during this holiday season so you and your family stay safe.

**Christmas Trees** – If you purchase a real tree every year, be sure to keep it watered. It makes the tree last longer and keeps those pesky needles out of your feet. A real tree that gets dried out is like having one huge gasoline can sitting in your living room. Then we wrap the tree with as many lights as possible and stick wrapped cardboard underneath it. When you really think about it, it is truly insane. If you do get a real tree, consider purchasing a can of the fire retardant that you spray on before decorating it.

**Christmas Lights** – When lighting that tree or house, be sure that the circuits you are using on the electrical panel are not overloaded. The prices of the new LED Christmas lights are coming down and they use very little electricity. They are safe and bright. Just be sure that you are not connecting too many. Lots of people think that just because they are using more than one outlet, they are good to go. Use your electrical panel breakers to test before it becomes a problem. That happened to me one year. My wife would use the hair dryer, and we couldn't figure out why we were blowing the breaker. It turned out that for whatever reason, the bathroom was on the same circuit. Then again, it was an older home.

**Escape routes during the winter** – Be sure that decorations do not hamper your escape routes. Be sure to practice them and keep those walkways shoveled. Make sure that the patio door remains free from snow and ice. Even though you don't use it much during the winter, it may become the difference between escaping a fire or not.

**Holiday Party's** – Drinking and Driving don't mix. Use a designated driver or call a friend or family member. It just isn't worth it. D&D incidents are up, so be sure to always buckle up every time you get into a vehicle.

Finally, have a safe and happy holiday season this year. Check your smoke detectors monthly and look for my January article. Merry Christmas & Happy New Year from the Hartland Deerfield Fire Authority!

*Yours in Fire Safety, Michael R. Bernardin, Fire Marshal*

## 77th Annual Handel's Messiah

Saturday, December 12

Join us for the 77th annual singing of the complete Messiah on Saturday, December 12 at the historic Hartland Music Hall. The traditional performance will begin at 7:00 p.m. Tickets are available from any chorus member; Cromaine District Library, the Hartland Community Education office or at the door the night of the performance. Tickets are priced at \$8 each for all ages. There are no reserved seats.

George Frederic Handel conceived the idea of writing the "Messiah" while visiting the Duke of Devonshire in 1741. The oratorio is composed of all the noblest verses referring to the coming and life of Christ. The oratorio was completed in just 22 days. The first performance took place April 13, 1742 in Dublin, Ireland.

On the occasion of its first performance in England on March 23, 1749, at the words of the Hallelujah Chorus, "For the Lord God omnipoteth," the audience was so transported that, led by the King, they all rose to their feet and remained standing until the chorus ended. This practice has become as much a part of succeeding performances as the Christmas date.

The Messiah continues to be performed yearly and is dedicated as a living memorial to Mr. J. Robert Grouse, Sr. (January 1, 1874-July 18, 1946). Mr. Grouse was the Hartland born philanthropist and founder of the Hartland Area Project.

David L. Fockler will direct the Community Chorus. The chorus consists of members from various churches, local residents and high schools students who love to sing. Join us and enjoy!

# Scouting News

## Boy Scout Troop 380

Troop 380 Scouts celebrated their latest achievements with a Harvest Court of Honor. The scouts received their merit badges from camp and other summer activities, as well as their rank advancements. Additionally, new officers were elected and initiated. The group enjoyed a slideshow of their recent adventures at summer camp at Tapico, weekend camping at South Manitou Island, orienteering and the "Webelos Invitational" at Highland Recreation Area. They also enjoyed a "harvest bounty" of apple crisp, cider, cupcakes, cookies and other treats while watching the show. It's back to work now, though! They'll work off those extra calories at the monthly bottle & can/paper drive (1<sup>st</sup> Saturday of each month in downtown Hartland) and other community service projects.

## Lakes' Cub Scout Pack 385

Pack 385 Cub Scouts are indeed thankful during this holiday season. They have been quite busy with activities. In October, these included the Boy Scout "Webelos' Invitational" campout for the older boys and a Halloween Cake Walk for the entire pack. The creativity in cake design was astounding. A Plymouth Whalers' game in mid-November, plus a Veteran's/Military Appreciation Project rounded out the month. They are now looking forward to Christmas service projects, as well as continuing to enthusiastically tackle the projects and achievements outlined in their Cub Scout books.

## Village Pack 383 News

What do you get when you combine raingutters, cub scouts, and more recyclables than you could count? Pack 383's annual Raingutter Regatta! The boys were divided into teams and given a half an hour to create their dream boats. Then, the races were on. There were boats made of styrofoam, water bottles, and egg cartons. There were fancy boats and simple boats. The top 3 teams literally "blew" the competition away with their boats! All of the scouts from 1st graders up had an absolute blast brainstorming, designing, and sailing the evening away. Pictured below are the creators of the top 3 boats: Randy Ward, Brett Furge, Owain Kert, Matt Hense, Logan Tallent, Russel Buffa, Robbie Hense and Garrison Greer.

## Your Duties as a Financial Power of Attorney

One of the most important legal documents an adult can put into place is a Durable Power of Attorney for Finances. This document, which can be signed by anyone age 18 or older, allows individuals to name someone to handle all of their financial decisions if they are ever unable to make them for themselves.

Most people mistakenly assume a spouse or adult child can step in and take care of these decisions if an accident or debilitating illness leaves their loved one without capacity. In fact, there are only two ways to obtain the right to handle the finances of another. One involves petitioning the courts for the right to act on behalf of a loved one and then providing the courts with an annual accountings of how funds were handled. The other is simply signing a Durable Power of Attorney before capacity is lost.

As simple as a Power of Attorney is to sign, the document should never be taken lightly. The person granting this

power (the "Principal") gives the recipient (the "Agent") broad and sweeping power to handle their financial affairs. So, it is extremely important that the "Principal" really trust their Agent.

Someday, that person may be making all of their decisions about their money and their property. This means an Agent can sell real estate or spend and invest the Principal's money without notifying the Principal or getting their approval. Depending on the way they are drafted, these powers can be used as soon as the document is signed or they can be withheld until after the Principal becomes incapacitated.

Laws in Michigan do allow for what is known as a "springing" Power of Attorney. This document does not grant the agent any authority until one (or two) doctors declare the agent incompetent to make decisions for themselves. While this does have some advantages in certain situations, there are pitfalls. An individual who is bedfast, confined to a nursing home or even away

on a long vacation quickly realizes the advantages of having someone with the legal authority to handle financial matters, make trips to the bank or oversee and authorize home repairs.

You have the right to limit your Agent's powers. You also have the right to revoke or take back a Durable Power of Attorney at any time as long as you are of sound mind. But, again, it is important to select an Agent you trust.

So, what are the responsibilities of an Agent? Anyone who takes on this role for a loved one has a duty (called a "fiduciary duty") to exercise prudence and caution when dealing with his Principal's assets. The Agent act in their best interest at all times.

The Agent can be held liable for any damages resulting from a breach of their duties. That means an Agent should keep very concise and accurate financial records. An Agent must not take any actions with regards to the Principal's finances unless clearly authorized to do so. An Agent is not entitled

to use the money for their own benefit nor can they make gifts of the Principal's money unless the Power of Attorney document specifically authorizes this. So, it's important that the Agent always be clear when signing any document that they are acting on the principal's behalf. For example, sign "Jane Doe, by her attorney-in-fact, John Doe." This avoids personal liability for the agent.

The power of an Agent ends upon the death of the Principal. The Agent does not have the authority under a Durable Power of Attorney to handle the estate of their loved ones. This power must be granted in a Last Will and Testament or by the Probate court.

Before signing a Power of Attorney, it is important to consult a knowledgeable estate planning attorney to make sure the proper language is put in place to best suit your particular needs.
