## Superintendent's Message

Janet Sifferman, Superintendent

Happy New Year! January is the time when we make our resolutions for the new year as well as make plans that will help us secure a better future. Here at Hartland Consolidated Schools we are working hard to get information out to our community about our 2010 Bond Issue special election on February 23. **Please refer to the center section of this *Community Life* for specifics about the bond election.** In these tough economic times, we look at this bond issue as a way to help ensure that we uphold our responsibility to provide a quality learning environment for our students and protect the assets of our community. Please contact Assistant Superintendent Scott Bacon or me if you have any questions about the bond issue. Please remember to vote at your regular polling location on February 23. Your vote is extremely important for our children.

## Hartland Area Historical Society Flag Case finished

In 2008, the historical society held its first Gala and fundraiser. The theme of the 2008 Gala featured the Civil War era flag discovered in a closet at the Florence B. Dearing Museum and was titled the "The Old Glory Gala." We raised some money for the restoration and building of a special showcase to exhibit this important artifact and make much needed renovations to the museum. However, we fell short of the funds needed to build the appropriate archival case for the flag.

The Stagecoach Inn Questers of Hartland came to the rescue by applying for a grant from the State Questers. A grant in the amount of \$4,000 was awarded. The money was to be used for the construction of the special case to display the flag. Due to the immense size of the flag (approx 5' x 9') it was decided to build the display case into an exhibit to house other artifacts from the museum collection of patriotic military items.

The historical society contracted John Lombardo who owns *Innovative Cabinets & Millwork* in Hartland. Plans were drawn up and reviewed noting where specific materials were to be used for the section housing the flag. The top of the case is glass and will be illuminated. The flag will rest on archival board. The entire surface rolls out for ease of laying out the flag and also provides no stress points on the fragile material. The case will be a self-contained exhibit that will be easily viewed by children and adults. Care was taken in the design to allow for easy access to numerous artifacts that will be displayed within the many drawers that are part of the showcase.

The showcase, flag and all of the military items will be unveiled in late spring 2010. We still have many hours of work to finish the interior of the museum before we can move the case and install the exhibit.

Again, our sincere gratitude and thanks to the Stagecoach Inn Questers; State Quester President-Margaret Melville; Carolyn Lynch, -Past President Stagecoach Inn Questers and Bethany Hammond-President Stagecoach Inn Questers; Innovative Cabinets and Millwork and to society President, Tom Parshall for overseeing this important project.

(Please see our display advertisement on page 22 announcing this years dinner & fundraiser - The Magical History Tour)

## Holiday Tea at Tyme Well Spent

The weaving study group, known as the Weftovers, held their 3rd annual holiday tea. This year they met for tea at Tyme Well Spent in Hartland. The food was wonderful, and here were many tea parties going on simultaneously in the building and several groups came dressed in Victorian clothing for high tea.

Our group had a room to ourselves and it was decorated lavishly for the holiday. Each member brought a wrapped tea cup or mug to be exchanged with another member. Once the gift was unwrapped the identity of the cup / mug owner was revealed. Now the challenge is to weave a 14' x 14' napkin using the colors in the cup or mug as inspiration. The mug and napkins will then be given back to the owner in June.

The Weftovers meet the third Monday of each month at the Hartland Educational Support Service Center on M-59. For more information about the group call Nadine at 810.229.0869 or visit [www.blacksheepweavers.com](http://www.blacksheepweavers.com).

## Delay of School Start Times due to inclement weather

### 1 HOUR DELAY

All students will ride the same bus with the same type of pick-up structure as under normal circumstances other than that bus will arrive at the regular pick-up stop approximately one hour later than usual. No structure changes will exist other than the time element. Under a one-hour delay, **morning junior kindergarten classes will be held.** There will be no vocational education classes.

### 2 HOUR DELAY

Under a two-hour delay, all students will be picked up as usual, except two hours later than on a regular schedule.

Under a two-hour delay, there will be **NO A.M. JUNIOR KINDERGARTEN.** There will be no vocational education classes.

The purpose of this alternative plan is to enable me the flexibility of delaying school on some mornings due to fog and/or freezing rain. I am hoping that it will help assure that more instructional days can be held, while improving the safety factor for our staff and students.

Under a delay approach, all staff should report prior to the arrival of their students. Below you will find a chart outlining regular starting times and the starting times under a one and two hour delay situation. The chart also shows the time lunch schedules would begin. You will note that no alteration is being made regarding lunch. This will enable all personnel to function as usual. If you have any questions, please contact me.

	SCHOOL STARTING TIMES	ONE-HOUR DELAY	TWO-HOUR DELAY

## Principal's Corner

### Chuck Hughes, Hartland High School PRINCIPAL

Welcome to January 2010. The school year continues to sneak past us as the holiday season comes to a close and the snow begins to pile up. Below you will find an article which outlines the expectations we have of students at high school dances. I share this article as an educational awareness piece and as a means of setting the stage for working collaboratively to ensure that dances remain a positive experience for our students and chaperones.

### *Dance Expectations and Educational Awareness*

During my tenure at Hartland High School the administration and staff have worked hard to ensure that students have an opportunity to come together for at least three dances a year (Homecoming, Winterfest, and Prom). As the Principal, I have worked closely with students, parents, and staff to ensure that dances are safe and appropriate for the school setting. At times I have had to ask that certain DJ's not be asked back due to the playing of what some would call a poor choice of music. At times I have had to hold students from dances due to the lack of identification (unfortunately, I do not know every single student and their guest). There have been times when I have had to ask young adults to contact a parent for wearing inappropriate clothing while I have also had to dismiss students from dances for a poor choice of dance style. While none of these actions make the "highlight scrapbook" of my career, they are things that I must do in the name of providing a safe and appropriate public school activity.

I am writing to remind the students of Hartland High School, of their responsibilities as they pertain to school dances. These responsibilities include abiding by all aspects of the Parent-Student Handbook such as the dress code and the following additions:

1. Always dance in an appropriate fashion that cannot be interpreted as "sexually suggestive," which includes grinding. Up-right dancing is expected at all times.
2. Dance etiquette requires permission from both parties before dancing.
3. Always provide proper identification for yourself and your guest (if a guest pass is approved and the guest is in high school and no older than 20 years of age) when entering a dance.

I mention the specific items above because they are essential elements for ensuring that we establish a fun and harmless dance environment. Please know that the ability to identify yourself and your guest ensures that we know who is attending our dances, thus creating a safer environment. Asking someone to dance with you rather than coming up to them and dancing inappropriately is simply a violation of personal space and could be considered by some as unwanted attention.

The intention of this letter is to remind students of the expectations in place for high school dances. Making sure that you are properly dressed upon arrival and remain so throughout the dance is an expectation. Being respectful of others and not inviting people on campus that do not belong is vital to ensure a safe and successful dance experience. Your help in creating an environment that we can all be proud of is greatly appreciated.

Parents, please remember to discuss these expectations with your students prior to them attending school dances.

### ***Congratulations to the HHS Boys' Soccer Team***

Congratulations to seniors Jack Berry, Cory Bodziak, Andrew Fiebernitz, Brandon Gardner, Andrew Poteracki, Graeme Roberts, Kyle Schmidt, Ryan Watson, and Kenny Waypa.

### ***Drama Students Shine at Competition***

The following students received scores of 'excellent': Lexee Longwell, Brendan Lindberg, and Joshua Whitson for small group musical; Lexee Barrera for monologue; Sarah Matthews and Quinn More for Duet Acting; Kate Clemens for Stage Management; Sarah Matthews for Solo Musical.

The following students received 'superior,' a score that makes them eligible to participate in the Michigan Youth Arts Festival and Internationals in Nebraska: Brendan Lindberg for monologue; Joshua Whitson for monologue.

The HHS Optimist Club, led by Mrs. Nicole Conley, made pies with the residents of Village Manor in Hartland as a way of giving back to the community.

## Optimist Club Gives Back

*By Heather Pietrzak*

This Thanksgiving, the Hartland High School Optimist Club participated in making pumpkin pies with the elderly at the Village Manor in Hartland. While making the pies, everyone shared stories of family, holidays, and what they were thankful for. Helping out with the Optimist Club is a wonderful and enlightening experience. Students give their time to the community expecting nothing in return other than the satisfaction of helping someone out. I enjoy going to the retirement home and being able to listen to all the stories about "back in the day." This is my first year being in the Optimist Club, and I have met so many fun and interesting people already. Mrs. Conley is the club supervisor, and she is the epitome of optimism! She demonstrates the attitude and dedication that every member of Optimist Club should have. I am overwhelmed by all of the activities around Hartland and in the school, but I am so glad I am able to participate and help out. The Optimist Club isn't just about going around with a big smile on your face, although that wouldn't hurt, it's about being involved and wanting to help the community and school be a better place. I look forward to Toys for Tots, other Christmas events, and activities for the rest of the year that are being planned. We will continue to stay busy, but we always have fun and are proud to call ourselves the Optimist Club. We aren't afraid to show our optimism; Mrs. Conley gave us bright pink shirts to prove it!

## Gleaners "Food Fight"

Congratulations to everyone who helped out in the Gleaners Food Pantry "Food Fight", sponsored by Leadership. The High School raised 3,060 pounds of food, making HHS one of the highest donating schools in all of Southeastern Michigan. As a result, Hartland was awarded a trophy for raising the most food donations in Livingston County. The trophy is currently on display in the main office. According to a Gleaners representative, the entire "Food Fight" competition was a huge success and altogether raised nearly 18,000 days of food for hungry people in Southeastern Michigan. All of the food donations raised by Hartland were taken to the community food bank in Howell and will be used to feed families in the Livingston County area. Great job everyone!

## HHS Blood Drive

HHS held a blood drive on November 24. Ninety three students registered to give blood and seventy nine units were collected. Thanks to Mr. John Naughton and his students for organizing this important event.

HHS is proud of junior Skylar Welti! She found \$3,000 at the Fenton Walmart and returned it to the store. She credits her upbringing for "not making her think twice" about returning the money. Nice job, Skylar!

Christopher Pumford is pictured here in front of the dock he built in the back of Hartland High School for his Eagle Scout Project. Impressive job, Christopher!

## Students of the Month

Each month, a selection committee at Hartland Middle School selects one seventh and one eighth grade student to receive recognition as "Students of the Month." Nominated students must meet one or more of the following criteria in order to be selected.

## Sixth Grade Art Projects

Mrs. Tormey's sixth grade art class participated in a unit on past and present artists. Students worked in pairs to come up with ten interview questions about their artist. They also produced a paper mache puppet in the likeness of their artist and recreated a piece of art produced by their artist. Students then gave a presentation to the class in which the puppet was interviewed and provided answers to the ten questions.

**February 23, 2010 — School Election — Bond Proposal**

## **No Tax Rate Increase**

### **What motivated the district to put this before voters on February 23, 2010?**

The Board of Education and administration have evaluated facilities and sites, technology, energy, safety and transportation needs and have determined that the need is beyond what can be paid with general fund dollars. The district is able to extend existing bond payments approximately five years and offer this bond proposal with NO INCREASE to the current tax rate. Without the bond program, technology, facilities, transportation and equipment replacements must be funded by the district's already strained general operating fund.

### **What is the focus of the 2010 bond program?**

The 2010 bond program includes upgrades to facilities, including sustainability improvements to lower future operation costs. The bond will enhance facilities and technology throughout the district to aid student learning as well as for safety and security. Bond program highlights are as follows:

**Facilities:** Improvements and updates to ensure that the school district can provide a quality learning environment for our children. These costs become more expensive the longer they are deferred.

**Energy:** Conserving energy and operating school buildings at a lower cost is socially responsible. By implementing energy saving initiatives, the school district will be able to reduce future annual operating expenses. It is estimated the school district will save thousands of dollars each year on these energy saving initiatives.

**Technology:** Technology today is as fundamental to learning as textbooks. Progressive technology provides the framework for a curriculum that ensures students learn critical skills demanded by colleges and employers.

**Safety:** Keeping our students safe has always been a foremost priority for the school district and parents. An investment in security, such as building card access, avoids putting children at risk and helps to ensure safety and security for our students.

**The proposed bond for consideration on February 23, 2010 is \$28,045,000.**

**Please note that the passing of this bond  
WILL NOT INCREASE  
the current tax rate!**

Following is a historical perspective of previous Hartland bond issues and a breakdown of what is included in the February 23, 2010 bond election. This election is necessary to allow Hartland Consolidated Schools to continue to provide an outstanding education for its students, as well as providing more cost-efficient and better-equipped facilities for the multitude of activities that occur seven days a week in buildings throughout the district.

### **Historical Perspective: Past Bond Issues**

#### **2006**

Replacement of roof at Round on the 1975 addition.

## Ballot Language

### Ballot Language – February 23, 2010

Shall Hartland Consolidated Schools, Livingston County, Michigan, borrow the sum of not to exceed Twenty-Eight Million Forty-Five Thousand Dollars (\$28,045,000) and issue its general obligation unlimited tax bonds therefore, for the purpose of:

Partially remodeling, refurbishing and re-equipping school district buildings; acquiring and installing educational technology improvements; purchasing school buses and developing and improving athletic fields and facilities, playgrounds and sites?

### Frequently Asked Questions:

→ **Will any of the Bond proceeds be used to pay for salaries or benefits for Hartland School employees?**

**Absolutely not!** School districts are not allowed to use funds from a bond for operating expenses such as teachers, administrators, or employee salaries, repairs or maintenance costs or operating costs. Bond program funds must be kept separate from general operating funds.

→ **The current tax rate on all property within the Hartland School district is 7.6 mills for debt retirement. Will this increase if the bond proposal passes?**

**NO!** The current millage rate of 7.6 mills would remain the same. There is no tax rate increase if voters approve the 2010 bond program. Bond payments will be extended approximately five years to 2034.

→ **Are we financing buses and technology for 25 years?**

**NO!** Principal is paid back first on those items with a shorter useful life. Items with a longer life are paid back later.

→ **Economically, is this a good time for a bond program?**

Financial consultants agree that this is an excellent time for a bond program. Interest rates are at the lowest level in 40 years. Additionally Economic slowdown increases competition to drive down facility improvement costs. We get more for our bond dollars now with **no tax rate increase**.

## Family Thanksgiving

The Legacy family held their annual Thanksgiving Dinner in the HESSC building on Monday November 23, Superintendent Jan Sifferman, School Board Members, building staff and family members were invited for the festivities.

This is one of the most anticipated activities of the year. The kitchen staff cooked the turkey and stuffing. The teachers, building staff and students brought dishes to pass and share with attendees. It was quite a spread of wonderful home made recipes with awesome deserts that followed. After eating the main course many people did not make it to the dessert table. The desserts were not wasted though. Students enjoyed them at lunch on the next day.

Legacy would like to thank all who donated food and those who attended for sharing their time.

## Sharing the Holiday Spirit

On December 2 & 3, Legacy students hosted the annual gingerbread house building activity for the Hartland preschool students. Legacy students spent the previous week, with great anticipation, preparing the basic construction of graham crackers and frosting to hold the cracker walls together.

As the preschool students entered the room with sparkling faces, the high school students smiled with excitement, ready to eat candy and make the best gingerbread house of the hour. After spreading cups of multicolored frosting over the cracker frames and adorning the houses with donated Halloween candies, each child paraded from the Art Room with a unique gingerbread house to take home and eat. The students were pleased to share their activity with a number of teachers, staff and parents who dropped by to join in the sticky fun.

This was another great activity allowing the high school students to share the precious commodity, time, with the little ones. Everyone looks forward to next year.

## "Secret Dollars" Vet Benefit for Long-Term Care Revealed

One of the Veteran Administration's best-kept secrets, which is an excellent potential source of funds for long-term care (either at home or in an assisted living facility) are veteran's benefits for a non-service connected disability. Most VA benefits and pensions are based on a disability which was incurred during a veteran's wartime service. There is another benefit, however - a pension program - available for individuals who are disabled due to the issues of old age, such as Alzheimer's, Parkinson's, multiple sclerosis, and other physical disabilities. For those veterans and widows (ers) who are eligible, these benefits can be a blessing for the disabled individual who is not yet ready for a nursing home.

There is a specific portion of the pension program which is of particular importance. This program is "Aid and Attendance" (A and A) and is available to a veteran who is not only disabled, but

has the additional requirement of needing the aid and attendance of another person in order to avoid the hazards of his or her daily environment (in other words, someone needs to help you to prepare meals, to bathe, to dress and otherwise take care of yourself).

Under this program, a veteran can receive a maximum of \$1,644.00 per month in benefits and a widow or widower can receive up to \$1,056.00 as a maximum benefit for A and A for the year 2010. The applicant must be determined to be "permanently and totally disabled". The applicant does not need to be helpless - he/she need only show that he/she is in need of aid and attendance on a regular basis. Someone who is housebound or is in an assisted living facility and over the age of 65 is presumed by the Veterans Administration to be in need of aid and attendance.

This particular program has limitations related to the income and assets that are held

by the applicant. However, in computing the income of the applicant, certain items can be deducted. Specifically, unreimbursed medical expenses (UMEs) paid by an individual maybe used to reduce the applicant's income. Home attendants or aides are an allowable medical expense deduction, as long as that attendant is providing some medical or nursing services for the disabled person. The cost of an assisted living facility, and even part or all of the cost of an independent living facility, can also be an allowable medical deduction to reduce your gross income to a much lower net countable income that may qualify you for veterans' benefits.

Simplified Example: Bill Robert is a 66 year old veteran and, due to his health needs, has caregivers coming to his home for several hours each day. His income is \$1800/ month and he is paying caregivers \$3300 /month. Rather than deplete his savings of \$45,000, he applies for a service pension through the VA. The VA considers the \$3500/ month he

is paying to his caregivers unreimbursed medical expenses and "subtracts" the amount from his income. In other words, when calculating his pension, the VA considers his income to be *negative* \$1500. He applies for benefits and is eligible for \$1500/ month to help him with his bills!

To file a claim for this benefit, it is wise to seek the involvement of a trained veteran's service officer. A Veteran's Service Officer is critical to the filing of an application with the local VA regional office. It is also important to seek the guidance of an experienced elder law attorney who is familiar with estate planning, disability, Medicaid and veterans' benefits. An attorney skilled in elder law can provide a veteran and the veteran's family with appropriate pre-filing consultations to determine the appropriate steps that must be taken to be able to determine if it would be right to apply for this VA benefit.

## Black Sheep Weavers Fiber Guild

**January 7-Variou Weave Structures**

Guild member Pamela Arquette will explain and show us several of the various weave structures she learned after attending a Michigan League of Handweavers class. Pam attended the Robin Spady weaving workshop titled "Pictures, Piles, Potpourri and Perplexing Curiosities." Pam is a very talented weaver and is also a member of the Ann Arbor Fiber Arts Guild, Handweavers Guild of America, Kalamazoo Weavers Guild, Complex Weavers, Tied Weave Study Group, Canadian Guild of Handweavers and Warped Women.

If you have been curious about the art of weaving, this is the meeting to attend. Start your new year exploring this wonderful craft and perhaps even learn to weave on a loom.

Our meetings begin at 6:30 p.m. for social time, a brief business meeting at 7 p.m. followed by the program. We meet in Room 23 at the HESSC (former high school) on M-59 the first Thursday of each month (except December) from September through May. We end our year with a potluck at a member's home in June. Annual dues are \$25.

## Village Girl Scout Cluster

### Gift of Giving event

In the month of December, the Village Elementary Girl Scout Cluster held its first annual "Gift of Giving" cluster event. Girls from the Daisy Troops 41689 and 42045, and Brownie Troops 197 and 1133 participated. All of the girls brought in small toy donations and assembled gift bags for children at Beaumont hospital. The girls were excited to assemble their gifts, and several commented, "We're like Santa's Elves!" They couldn't wait to make a child in the hospital smile over the holidays! To end the event, each troop sang a Christmas song, and some even told a few holiday jokes. We hope everyone enjoyed the holiday season as much as we did!

## Brownie Troop 1133 field trip

Brownie Troop 1133 recently enjoyed a field trip to Chelsea, Michigan. While in Chelsea, the troop toured the Jiffy factory. They learned about the history of Jiffy mix and then were able to follow the factory line and see the mixes make their way into boxes and onto trucks for delivery. They also learned different ways to bake with Jiffy and got to taste test one of the many recipes! After that we went to the Chelsea Teddy Bear factory. The girls made their own stuffed animals and learned about the history of the Teddy Bear and the factory. Everyone enjoyed their time in beautiful Chelsea!

## Boy Scout Troop 380

Troop 380's Boy Scouts rounded out 2009 with a number of fun activities, accompanied by a lot of Merit Badge work. Many of the Scouts participated in an overnight lock-in at Eastern Michigan University – a night full of swimming, racquetball, ping-pong – and even a few hours of sleep! The younger Scouts commenced the holiday season by beginning to work on their Personal Fitness Merit Badges, perhaps that is just an excuse to eat a few extra cookies? In any case, they should be in great shape as the New Year commences. The Scouts also hosted an informational night for the local Cub Scout Webelos dens. They set up a campsite at Farms Intermediate, then shared pizza and a slideshow from their 2009 adventures. As good Scouts, they cleaned up and left "no trace" of this activity. Troop 380 is looking forward to an awesome 2010!

## Cub Scout Pack 385

Ring, ring those Christmas bells! Cub Scouts from Pack 385 braved the cool December temperatures to "do a good turn" for the Salvation Army. The boys paired up in shifts and spent all day greeting Hartland residents and thanking them for their generous donations. The December Pack meeting included a presentation from the Howell Nature Center, as well as a visit from a bearded man in a red suit! He presented each Cub Scout with a Pinewood Derby car kit. Visions of racecars will dance in their heads through the next few months as the boys prepare for the annual race, to be held in March. The Cub Scouts are looking forward to a skiing day in January – it should be fun!

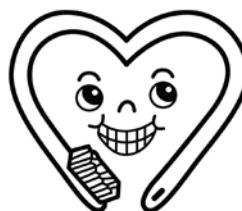

## Cub Scout Pack 383

Den 2 visits Fenton Police Pack 383 Den 2 had a great time and learned about Police protection and how to be safe during their visit with the Fenton Police. Thanks very much to the Fenton Police Department!

### Finding water leaks can save you money

A leaky faucet or running toilet can be irritating, but they can also cost you a lot on your utility bill. A dripping faucet can waste 2,000 gallons of water a year and undetected toilet leaks may waste over 50 gallons of water per day!

Most leaks are easy to find, but some can go undetected. If you suspect a leak somewhere in your water service but can't locate it, use this simple tip: (1) Turn off all the water fixtures in your house. (2) Check the water meter. If the dial is moving you may have a wasteful leak somewhere on your home side of the water meter.

Check the water supply lines on appliances that use water. Sometimes a leaking appliance is obvious, leaving a puddle of water on the floor. Other times the leak is small and stays hidden under the appliance where you may not see it. If you find wetness, bulges or deterioration in the supply line, you know you have a leak.

To check a toilet for a leak, flush the toilet and while the reservoir is still filling, add 2 or 3 drops of food coloring to the water in the reservoir. Wait 15-30 minutes. If the water in the bowl changes colors, the flapper valve needs to be replaced.

Be sure to check the faucets of sinks and bathtubs, too. Water usually leaks from the spout and is easily detectable, but it may also be leaking from on and off handles or loose fittings. Tighten loose fittings about a quarter of a turn if you observe a leak. Leaking fittings are often caused by the rubber washer being loose or deteriorated. Replacing the rubber washer is an easy fix if determined to be the source of the leak.

## Charter Township of Brighton

### Winter Taxes

The winter tax season begins December 1, 2009 and runs through February 28, 2010. February 28, 2010 falls on a Sunday and as with most government due dates, if the date falls on a week-end, the next business day, March 1, is the official due date to pay your winter taxes.

### Dog Licenses

Dog Licenses may be purchased at the treasurer's office at the Township Hall through March 1, 2010. The township offers this service during the collection of winter taxes.

### Offices Closed

Township offices will be closed Thursday, December 31 and Friday, January 1, 2010 for the New Year's holiday.

## Black Sheep Weavers Fiber Guild 27th Annual Holiday Sale Afterglow

In case you missed it, the meeting room at the Hartland Insurance Agency was recently the setting for the unique, and much anticipated, yearly sale put on by members of the Black Sheep Weavers Fiber Guild. The sale occurs annually the first Friday and Saturday of December. Items for sale were created by members of the guild and were woven, knitted, crocheted, wet felted, needle felted, rug hooked, sewn and embellished, hand-dyed, and beaded. These mediums created items to include:

purses, scarves, ornaments, jewelry, sweaters, socks, art dolls, quilts, rugs, runners, home décor, beaded and embellished art to wear and much more.

We want to thank members of the community and surrounding area for continuing to support our creative endeavors. Every year we look forward to seeing familiar faces, as well as new ones, as they enter the room to enjoy this unique shopping experience. We appreciate your loyal support and hope you will continue to enjoy this experience in the future.

We wish to thank Barbara Walker and the staff at Hartland Insurance Agency for all of their help with preparations and for tolerating us as we descended upon them, turning their tranquil workplace into a bustling shop!

Additional thanks go out to Tom Parshall of IMC Products for annually redoing our signs and Michelle Otis, Director of Hartland Community Education for our flyers. Even though the 27th annual Black Sheep Weavers Fiber Guild Holiday Sale is now just a warm memory, ideas are already germinating in members' minds for wonderful items to create for the next sale. Our Spring Fling will take place on April 24 and 25 at the Huron Valley Council of the Arts, 205 W. Livingston Rd., Highland. Please plan to visit us and enjoy this most unique shopping experience. Once again, thank you to all of our loyal customers!

For more information about the Guild and upcoming events visit our website at [www.blacksheepweavers.com](http://www.blacksheepweavers.com).
