## Superintendent's Message

Janet Sifferman, Superintendent

First and foremost, I want to take this opportunity to thank everyone in the Hartland community for their support of our 2010 Bond Proposal. The passage of this bond will enable us to continue to provide a premier education to our students in safe, modern facilities equipped with the technology necessary for global learners in today's world. As always, Hartland supports its children and schools. Thank you again!

On May 4, Hartland Consolidated Schools will hold its annual regular election. In addition to choosing members for Hartland's Board of Education, there will be a ballot question asking voters to authorize a **renewal** of the 18-mill Non-Homestead Tax that has existed since Proposal A went into effect in 1994. Unlike the 2010 bond that came before you in February, the Non-homestead renewal is part of the funding for public schools allocated by the State of Michigan and directly impacts the district's general fund.

The non-homestead ballot for this May generates an estimated \$4.8 million in revenue for the district, so it is obviously extremely important that we levy the full amount of 18 mills as dictated by the state. It is also important to note that the state assumes school districts are collecting the full 18 mills, so should this proposal not pass, the shortfall will not be covered by the state.

This millage is not assessed against residential homestead property or qualified agricultural property. For residential homestead property owners and qualified agricultural property owners, passage of the Non-Homestead Tax costs you nothing except your time to vote.

Local business or other non-homestead property owners will only be taxed at the rate (18 mills total) that was planned when state voters passed Proposal A in 1994. The individual parcels have been limited to increases no greater than the cost of living just as homestead property has been limited.

**Additional information on this issue can be found on pages 14-15 in this edition of *Community Life*, information distributed throughout our school buildings and on our web site. If you have any questions or concerns regarding this very important issue, please contact the Administration Office at 810.626.2100.**

**Remember: Your Vote Counts And  
Costs You Only Your Time To Vote**

## Attention All Hartland Alumni

The 87<sup>th</sup> Annual Hartland Alumni Reunion/Banquet will be held this year at Ore Creek Middle School on Hartland Road, just south of the Mill Pond in Hartland, on Saturday, May 15. You are cordially invited to come at 5:30 for a social hour to visit and renew old friendships. Dinner is at 7:00 p.m. Every graduate, including 2009 graduates are welcome to attend. Bring your spouse or a friend.

The honored graduates are from the classes of 1945, 1950, 1955, 1960, 1965, 1970, 1975. All graduates are encouraged to contact fellow classmates and meet them at the banquet. Cost is \$14.50 per person, in addition dues are \$4.00 for each alumni. **All reservations must be made by phone or letter by May 9.** Make your check payable to Hartland Alumni Association and send to: Hartland Alumni Assoc. 6728 Kilbery Court, Brighton, MI 48114. ## Heartland Foundation Grants Available

The Heartland and the Hartland Consolidated Schools' Foundations will again accept grant applications from individuals or organizations for projects to benefit the quality of life for residents residing within the Hartland Consolidated Schools' boundaries. It is not required that grant applications refer to a school program or have an education-based agenda. The Heartland Foundation was conceived more than half a century ago by J. Robert Crouse, Sr. as an additional funding tool for the Hartland Area Project, and its mission to provide enrichment opportunities for the residents of the Hartland area. Consequently, these two foundations have awarded grants for a wide range of programs benefiting senior citizens, veterans' groups, various artistic and literary endeavors, as well as the students and families of the Hartland Schools district. Applications are available at the Administration Office, 9525 Highland Road, Howell, between 8:00 a.m. and 4:00 p.m. The deadline for submission of the application is April 26, 2010.

## PARENT, TEACHER, EMPLOYEE NOTIFICATION OF THE AVAILABILITY OF THE MANAGEMENT PLAN FOR ASBESTOS

According to AHERA 763.93 (g) (4) "...at least once each school year, the LEA shall notify in writing, parent, teacher, and employee organizations of the availability of the management plans and shall include in the management plan a description of the steps taken to notify such organizations, and a dated copy of the notification. In the absence of any such organization...the LEA shall give written notice..."

The procedure and plan that the LEA has adopted for the notification listed above is as follows:

- \* In writing, notify the presidents of each of the three above organizations of the availability of the asbestos management plan.
- \* In the event that there is no organization representing any of the above three groups, individual letters will be sent out, or notice will be given in a newsletter of the availability of the management plan.
- \* The Designated Person will be responsible to update the management plan as needed, and annually by March 30th of each school year.
- \* The Designated Person will be responsible to ensure that a copy of the following or similar notification will be sent to the above organizations and/or individuals by April 30th of each school year and copies of the notices are filed in the management plan.

## Principal's Corner

**Chuck Hughes, Hartland High School PRINCIPAL**

Hartland High School continues to work hard to meet the accreditation standards set by the State of Michigan and AdvancedEd (the old North Central Association). Below you will find the first standard that we must be able to show evidence of success on and how I would respond to any questions related to this standard. As parents and community members, I welcome your input as to how you would respond to someone asking you how Hartland High School ensures that it adheres to a common vision and purpose in regard to educating students:

### ADVANCED ED Standard #1: Vision and Purpose:

*The school has achieved a wide commitment by all groups of stakeholders to a shared purpose and direction. The school has clearly defined expectations for student learning aligned with the schools vision that is fully supported by school personnel and external stakeholders. These expectations serve as the focus for assessing student performance and school effectiveness. The school's vision guides allocations of time and human material, and fiscal resources.*

The saying "**All equals All**" continues to be the vision that guides what we do at HHS. This vision is supported by the three tenets that guide the Hartland Consolidated Schools, **Reason, Respect, and Responsibility**. The fact that we have programs and processes in place such as Co-teaching, Rigorous Curriculum Steering Committee Recommendations, Career Technology Education / General Education crossover credit opportunities, LINK (Freshmen Orientation Program), Math Lab, Peer Tutoring, Enrichment, Enrichment/Study Skills, Math Enrichment, Common Assessments, Reading Enrichment (next year), Support Groups, Adopt-A-Student, Advanced Placement and Honors courses, On-Line Learning courses, Dual Enrollment options, Articulated College Credit options, etc... are testaments to the effort that is put into meeting the needs of every child at a level that is appropriate for them (**All equals All**). We continue to ensure that we set **reasonable** expectations for our students while **respecting** the individual for who they are. In the end, the **responsibility** is ours, parents, community members, and students together.

This is my understanding of why HHS is highly functional in this category. What are your thoughts? Please feel free to e-mail at [chuckhughes@hartlandschools.us](mailto:chuckhughes@hartlandschools.us) or stop by and discuss this Advanced Ed Standard with me.

## DECA Award

The DECA operated school store at Hartland High School was awarded Gold Level Recertification for 2010. Congratulations to the students that worked on the Certification and teacher/advisor Jamie Riley. They should be commended for this outstanding achievement!

### Hartland Teachers Participate in Reading Apprenticeship Training

- ✓ The goal of Reading Apprenticeship is to help students become more active, strategic, and independent readers by:
  - ✓ Supporting students' discovery of their own reasons to read and ways of reading
  - ✓ Improving student comprehension of what is read using the framework
  - ✓ Modeling disciplinary ways for reading in different subject areas and genres
  - ✓ Guiding students to explore, strengthen, and assess their own reading process
  - ✓ Improving reading across the curriculum as part of our NCA goal at HHS.

In Hartland Schools, currently there are over 50 teachers trained in Reading Apprenticeship. These teachers are engaged in regular professional development meetings that take place throughout the school year. At these meetings teachers reflect on their teaching practice and support one another's efforts at integration of the RA framework into their teaching. These meetings give teachers the opportunity to plan collaboratively within their content areas as well as across the curriculum and between buildings.

## Alternative Energy Class Offered

The future energy landscape of the United States is filled with many emerging technologies that are promising for use as well as job creation. This is why today's high school student must explore, handle, experiment with and understand the emerging choices in energy systems today.

The new Alternative Energy class at Hartland High School will give students an awareness of Green/Renewable Energy and show its possible impact on their lives. Students will learn about the production and use of energy. Traditional energy sources and consumption patterns are reviewed. The course delves into the green/renewable movement, solar technology, wind turbines, biodiesel, biomass use and material energy efficiencies. Energy students spend time exploring and experimenting with equipment (solar cells, wind turbines, biodiesel engine, and biomass oven) from a ninety thousand dollar grant that the CTE department at the High School received.

The alternative energy class will challenge students to be environmentally friendly and to seek new energy alternatives. The emerging technologies topics covered in this class will be a key part of Michigan's future career options, and a key part of keeping the world we know in good shape.

## Forensics Team a Great Success!

When people think of the word "forensics" visions of crime scene investigators and the CSI series might come to mind, but if one takes the time to "investigate" what competitive forensics really is, he will see something vastly different. The HHS forensics team travels to different schools around southeastern Michigan and competes with other schools in public speaking activities. Derived from a Latin word for "belonging to the public forum", forensics consists of twelve categories including broadcasting, dramatic interpretation, poetry, storytelling, informative speaking, impromptu speaking, extemporaneous speaking and others.

On Saturday February 20, six members of the HHS team traveled to a tournament in North Branch and brought home three trophies. Sophomore Leena Shah took first place in extemporaneous speaking while Sophomore Rhianna Dilworth took fourth. This type of speaking is one of the most difficult forensic categories as participants are given a topic relevant to current events and then may only use 30 minutes to prepare a speech. Freshman Megan Martini took third place in the informative category where she gave a presentation on her family's heritage and life in Poland. Junior Emily Watt made it to the semi-finals in her first ever competition in poetry. Junior Skylar Welti and Freshman Zach Teela both competed in broadcasting, a popular category, in which participants cut and write a script for a five-minute news broadcast presented to a judge.

On Saturday February 27, the team traveled to Frankenmuth and sophomore Lexee Barrera broke to semi-finals with a dramatic interpretation piece and finished seventh of twenty-seven competitors. Sophomore Ian Green also competed in the poetry category. The team has two more invitational tournaments before scores from all competitions are compiled to announce students who will move on to regional competition and then to a state-level tournament.

Forensics is a fantastic way for students to hone speaking skills, writing skills, and critical thinking skills while making great friends and memories along the way! Have a student that may be interested next year? See Ms. Waddle at the high school.

## Fun at the High School GEOPHYSICAL

Mrs. Wood-Hoskin held "Stump the teacher day" in her Geophysical science classes. Students were asked to describe three different rocks and minerals in several different groups. By their descriptions, Mrs. Wood Hoskin "tried" to identify the rock and its group. If she was stumped the student received a special prize. The students worked together to come up with the best descriptions to "Stump the Teacher." This activity was used to increase observation accuracy, examination of materials and writing skills.

## Coloring the future

Every school year, Hartland High School teacher Trista Erickson and her twelfth grade *Advanced Placement English Language and Composition* classes choose a cause to which to lend a hand and set a goal to accomplish.

This year, while viewing the film *Hotel Rwanda* in preparation for a written discussion about the U.N.'s and world wide media's responsibility in global affairs, her students were inspired to generate awareness of acts of mass genocide still occurring in their world. They decided upon a most unusual activity. "The idea of the 1.5 million crayons was started by a Hebrew school in 2008," senior Holly Grosso said. "They took up a collection of crayons in remembrance of all the children's lives lost during the Jewish Holocaust - 1.5 million.

The students plan to collect half a million crayons in remembrance of all the people who die senselessly due to ongoing acts of genocide, although the inspiration stems from their new awareness of the 80,000 Rwandans murdered in 100 days in 1994.

Mrs. Erickson also teaches Freshman English.. The students saw the piles of crayon boxes growing in their classroom and became inquisitive. After explaining the goal of her senior classes, her freshmen wanted to help. The two grades are working together to help bring awareness of needless suffering in the world, by helping contribute to the education of local children.

The collection began on January 5 through March 25. Students donated a portion of the new crayons to Hartland elementary schools; the remaining crayons will be sent to schools in Detroit and Flint.

## Students of the Month

Each month, a selection committee at Hartland Middle School selects one seventh and one eighth grade student to receive recognition as "Students of the Month." Nominated students must meet one or more of the following criteria in order to be selected.

- The student must show continued success in all subjects
  - The student must exhibit good citizenship
  - The student must make a significant positive contribution to the school and others
  - The student must exhibit a positive attitude toward school, self, and others
- Congratulations to our March Students of the Month, Hannah Schultz and Shelby Johns.

## Morning "Drop Off" Time

Please note that the school day does not begin until 7:40 a.m. Students are allowed to enter classroom areas/access lockers beginning at 7:30 a.m. Parents who elect to drive instead of sending children on the bus need to realize that children dropped off to wait in the commons/cafeteria area before 7:30 a.m. **ARE NOT SUPERVISED.** We suggest that you either (1) send your children on the bus or (2) not drop them off earlier than 7:30 a.m. if you want them to be supervised before the start of school at 7:40 a.m.

## Helping Students Who Think and Learn Differently

Imagine living in a world where you are thinking in 'images' instead of words! Studies indicate one-third of our student population does just that! Gifted learning differently--like the hero of "The Blind Side."

Dr. Linda Silverman

Educators, parents, counselors, psychologists and others are invited to learn more about these students who think in "images"-- especially when working in special education, alternative ed or with gifted underachievers. Dr. Linda Silverman offers practical solutions to be implemented at school or home.

## Drop Off and Pick Up Procedure

When dropping your child off in the morning it is suggested that you drop them at the curbside rather than in the parking lot. Students dropped in the parking lot must cross lanes of traffic to get to the sidewalk, and it is much safer to drop them next to the curb. Also, if you must come into the school, **do not park your car at the curbside** this area is for dropping and moving on. Parking at the curbside blocks other parents who are attempting to drop and leave. **If you must park and leave your car please use a regular parking space in the parking lot.** This applies to afternoon pick up also.

*Also ... Please respect our  
Handicapped parking and sidewalk ramps.  
We have many students and parents  
that need to use these areas on a regular basis.*

## Star Readers Program

Star Reader is a program designed to encourage students to read, read, read. The Farms teachers select two students each month from their homeroom classes who have exhibited good reading habits. These students are the ones you see reading whenever they have a few minutes to spare. All monthly winners receive a \$1.00 gift certificate to our Spirit Store. The winners names are then entered for a drawing for a \$20.00 gift card to Barnes and Nobles. Each month there are six lucky winners for the Barnes and Nobles gift card. **Congratulations to our January and February Star Readers.**

Students in Ms Koski's homeroom kick off Reading Month with a Drop Everything and Read day.

## March is Reading Month

Our "March is Reading Month" activities opened with an emphasis on silent reading as classes held individual "Read Ins" on March 1. These will continue through out the month in individual classrooms. Contests sponsored by our Media Specialist Mrs. Millington include a chance for the top ten readers in both grades to "Bowl with Mr. Simpson" as well as a Pizza Party for the top homeroom in each grade. Our goal is to have students spend more time reading independently in the evenings and on weekends. We ask parents to reinforce this skill by encouraging their child to read as often as possible.

# 810.626.2600

March is always a busy month at Creekside especially with all of our reading activities. Author, Kelly DiPucchio, visited and read to us on February 23. Mary LaPointe, our media specialist, had her "ALL YOU CAN READ DINER" Book Fair on March 4 along with our Ice Cream Social and Sock Hop. Students danced to the oldies and got the "scoop" on the latest new books. We'll have a Rock and Roll Reading Assembly on March 18 and we'll finish off the month with our Family Fun Night on March 25. **READING ROCKS!!!!**

Our media center turned into a Diner for our Book Fair.

Students in Mr. Gutteridge's class checking out the books at the Book Fair.

Mya Hill, Mackenzie Eastman and Kylie Kuehne getting their book "wish list" together.

Madeline Kluck, Abigail Maten and Monica Reid checking their "wish list" with Ms. LaPointe. Check out Ms. LaPointe's poodle skirt!!!

Third grade weather reporters, Emily Horst and Vincent Lauria collect important information from the Lakes Weather Stations to report over the PA twice a week. The stations were built several years ago courtesy of Matt Wills, a former Hartland student who was working on his Eagle Scout project.

Mrs. Knoeferl's kindergarten students proudly display their collection of donated canned goods as part of their Hundred's Day celebration. They collected 100 cans (80 pounds of food) which they donated to Gleaners in Livingston County. These young students also collected over 100 dimes that was donated to Lakes Dimes for Dogs Fundraiser. Giving to others in need is an important lesson for our young students at Lakes and we appreciate the efforts of Mrs. Knoeferl and her students.

Most of our classes at Lakes Elementary collaborate with other classes (from Lakes and also from Farms) to work on special reading and writing projects with their "Buddies". Mrs. Juliar's fourth grade students teamed with Mrs. Ganster's first grade students to write and illustrate bio-poems paying tribute to Dr. Martin Luther King Jr. Pictured here are some of the proud authors from both classes: Garret Tefft, Carlos Inman, Anthony Bosio, Ryann Swann, Donovan Nichols, Lily Fisher and Shawna Fisher.

Mrs. Albert's fourth grade students invited Lakes staff and Central Office Administrators to a special Author's Open House where they shared and celebrated their published writing pieces with their guests while serving a delicious luncheon. It was a wonderful way to showcase the hard work of the students. Pictured here, Natalie Batten and Madison Wright share their writing with Hartland Superintendent Mrs. Janet Sifferman.

Third and fourth grade students celebrate a half year of reading during the Accelerated Reader Super Bowl. Classes and students received awards for effort and point total during the half year competition. Round students showed significant increases in reading from this second year program. The celebration ended with popsicles.

The AR Super Bowl top ten readers for the first semester were recognized during the celebration. Winners shown from left to right: Tim Patawaran, Cody Juvonen, Hunter Boik, Jessica Callaghan, Nathan Crammer, Brandon Waldron, Elijah Horski, Devon Pietila, and Ayden Ehgotz.

Mrs. Way's second grade class celebrates Chinese New Year with student Carson Lampert and his parents. Students learned about the Chinese culture in a fun-filled day.

Mr. Lampert shows the class a Chinese custom during the celebration of Chinese New Year.

The 'Voyagers at Village' is a group that meets monthly after school to explore the continents and have a fun learning/interactive experience.

Mrs. Darrah and her 2nd Grade class celebrate "100's Day" with many fun filled number related learning activities and games.

Mr. Cain and Mr. Don agreed to dye their hair pink if the VES Jump Rope for Heart fundraiser reached its goal. If students reached the "stretch" goal, Mr. Cain agreed to kiss a pig. As you can see here, VES did a GREAT job for Jump Rope for Heart this year by raising over \$7,200!

Village students love to play in the snow at recess. Here are some VES 4th Graders building a snow fort on the playground.

## LEGACY Annual Awards Assembly

LEGACY held their Annual Awards Ceremony and luncheon on February 19. Students, staff and many family members were present to share in the fun. Graduated Seniors, Brittany Jones and Heather Schmelter confidently shared the positive experiences they had while attending LEGACY and the first Carnegie Summer Program. Carnegie presenter, Mark Will took the opportunity to congratulate the girls for showing off the personal organization and confidence that they had learned in the program.

The program was opened with a guitar duet by Joe LaBallister and Counselor, Randy Pomeroy. They were a tremendous hit and have been asked to re-visit for graduation.

Mr. Cumming's Disk Golf Team, Brittany Jones, Tim Barham, Ron Hancock, Ryan Eggen and Pat Chalifour received an award for winning first place at the Fall State meet. After earning runner up for two years, the team was elated to bring home the first place trophy. This was the first year that a girl participated giving the guys some real competition.

Mr. Gagacki distributed the Platinum Attendance Awards to Jessica Bartels, Becca Daenzer, Chris Davis, Brandon Dougherty, Toren Flannery-Breithaupt, Joe LaBallister, Kyle Laskey, April Militzer, James Monta, Candice Natho and Dayton Tarr.

Jesika Cowan, Becca Daenzer, Chris Davis, Brandon Dougherty, Jason Fornwall, Cerise Hopkins and April Taylor were presented with the Platinum Honor Roll Certificate for maintaining a GPA of 3.5-4.0.

Recipients of the Gold Honor Roll Certificates were Devante Arquette, Zack Baase, Jesse Bartels, Samantha Casteel, Jon Crisp, Kim Doran, Cody Ford, Nikki Frasier, Brittany Jones, Kyle Laskey, Carrie Marrow, Chelsea Michaels, April Militzer, James Monta, Kassi O'Neill, Heather Schlelter, Dan Singer, Trisha Slabough, Jesse Stearn, Dayton Tarr, Amanda Watkins and Brian Wilde.

Jon Smith and Cerise Hopkins were recognized for the greatest improvement throughout the semester.

After the ceremony everyone was excused to the Commons for a delicious lunch of soup, fresh Panera Breads and home baked desserts.

### Why are the sewer rates increasing?

In the 22 year history of the Hartland Township sanitary sewer system prior to July 2008, rates had never been raised beyond those originally established – despite cost increases for infrastructure, labor, power and materials. The sewer system is now owned and operated by the Livingston County Drain Commissioner's (LCDC) Office, and the wastewater is treated by Genesee County. LCDC realized a significant increase in costs when they took over the system due to underbidding by the previous contractor for operation of the system and have made annual increases higher than inflation. Genesee County also experienced a cost increase for treatment that required a rate study and adjustment.

The original sanitary sewer system failed to comply with regulations of the Michigan Department of Environmental Quality (MDEQ) and required mitigation, which led to the transfer to LCDC and treating the wastewater in Genesee County. While a significant portion of the new infrastructure costs were funded through the addition of new users and future additions to the system, part of these costs were appropriately intended to be borne by the existing customers as necessary to the continued existence of the system.

During the last two fiscal years, the Township has experienced a deficit in the Sewer Fund and is required by the State of Michigan to take corrective action. Quarterly rate increases are expected to continue into future years until the sewer system's financial integrity is ensured. Rates for this fiscal year can be viewed on the Township's website.

### Planning For a Disaster

Disaster can strike without warning, forcing you to go for days without basic necessities or to evacuate your home. Relief workers will be on the scene following a disaster, but may not be able to reach you immediately. You need to be prepared. Knowing the steps to take during a disaster – weather, flooding, tornadoes, fires or other crisis can greatly reduce the danger and distress your family may face. Having a plan is one of the most important steps you can take in disaster preparedness. Knowing what to do and how to do it can help your family manage disasters with less worry, fear and uncertainty.

### Creating a Basic Emergency Plan

- Decide what you and your family would do in each potential emergency situation
- Draw a floor plan of your home showing escape routes
- Choose a place away from your neighborhood where family members can meet in case you get separated and cannot return home due to a disaster
- Identify a friend or relative who lives out of the area for family members to contact if you are separated.
- Post Emergency numbers by every phone and teach children how and when to dial 911.
- Know how to shut off the water, gas and electricity at the main switches in your home.
- Check that your insurance policies are up-to-date and provide good coverage.

## ELDER LAW TODAY

10299 Grand River, Suite N • Brighton, Michigan 48116 • Phone 810.229.0220

### Reasons to Make a Last Will & Testament

Individuals work a lifetime at accumulating assets, personal property and mementos. It only takes a little time to make sure those valued items pass on to your loved ones. If executed correctly, a Last Will and Testament can clearly state your wishes and ensure they are carried out. Other reasons to take the time to prepare a will:

1. You care about your family and loved ones so you do not want to leave them to figure everything out on their own after your death. By planning, you are conveying the message they are important enough for you to have taken the time to state what your wishes are with respect to your property and assets.

2. People may not die in the order you plan so if a joint account owner passes away before you do, you have a contingency plan in place. Your family and loved ones will know what your wishes are if the co-owners on your accounts die before you do.

3. You want to include plans for a bequest or gift to a charitable, religious, social or community organization that has played a significant role in your life or the life of a loved one. It is important to take the time to include them in your planning.

4. You do not want the State to determine how your assets and property are divided and distributed. The State will divide your property between your spouse and children or other relatives. You would rather make that decision

yourself, rather than having the State decide who inherits your property by certain inflexible and impersonal state laws, some of which may violate your personal wishes.

5. You do not want your family to fight over important personal items. It is easier to make a decision and communicate your wishes to your loved ones.

6. You do not want a court to determine who is to be your executor and take care of your affairs after your death. Making a decision on who you want to handle your affairs after your death is not difficult and will make the situation so much easier on your family and loved ones.

A will can be changed. So, if circumstances change you have the ability to make whatever changes you deem

appropriate. The changes can be due to personal circumstances, death of children, family members or named executors, changes in your financial situation, tax laws and charitable preferences.

8. You do not want your estate to pay estate taxes. Through proper planning, federal and state estate taxes can be minimized or avoided altogether. Of course, a Last Will and Testament may not be appropriate in your situation. A Revocable Living Trust, for example, may be necessary for tax planning purposes. Whatever your situation, seeking the advice of an elder law attorney who can assist you in preplanning will ensure your wishes will be followed upon your death. They can also help minimize, or even eliminate, any estate taxes.

**May 4, 2010 — School Election**

## **"Your Vote Counts and Costs You Only Your Time to Vote"**

On Tuesday, May 4, 2010, voters in the Hartland Consolidated School District will be asked to restore the full 18 Non-Homestead mills for the schools' operating budget. Essentially, the ballot question asks district voters to keep the same millage rate, 18 mills, that has existed since Proposal A went into effect in 1994. For residential homestead property owners and qualified agricultural property owners, this restoration of the 18 non-homestead mills will cost you nothing except the time and energy you expend to go to the polls.

In March of 1994, Michigan voters approved Proposal A. That action completely changed how Michigan public schools would be financially supported in the future. The success of that vote significantly reduced tax millages for people who owned one home (called your homestead). For example, the Hartland Consolidated Schools operating tax millage was 37 mills before Proposal A. After the 1994 vote, it was reduced to six mills and remains this amount. The 6 mills are sent directly to Lansing. This and other taxes, such as sales tax, income tax, liquor and cigarette taxes, and lotto revenues all go into making up the dollars for the state school aid fund. From these collected monies, the State reimburses school districts with a foundation allowance.

In Hartland our foundation allowance for the 2009/2010 school year is \$7,261.00 per pupil. Please keep in mind that this is the basic foundation grant promised under Proposal A. **The 18-mill Non-Homestead Tax portion of school funding is extremely important for Hartland Schools, equating to approximately \$4,799,517 in revenue next year.** Non-Homestead property is defined as commercial, industrial and second homes such as vacation cottages. Non-qualified agricultural land that is not farmed by the owner is also subject to the 18-mill tax levy. The crux of Proposal A is based on the assumption that each district would collect the full 18 mills on **non-homestead properties**. The law states that the full 18 mills cannot be collected unless it comes before the voters in an election, and the state assumes that school districts are collecting the full 18 mills and does not compensate them for a shortfall if the renewal fails. Those of us that own our homes as our primary residence (our homestead) would continue to pay **6 mills – no more and no less.**

If the Non-Homestead millage on non-residential property is not renewed at the full 18 mills allowed by Proposal A, this will create a loss in revenue for the school district of almost five million dollars for the 2010/2011 school year. The last Non-Homestead Tax millage election was held in May of 2009 for a period of one year. **Please remember the 18 mills is what the district needs to be made whole regarding state funding and that this will cost residential homeowners in Hartland nothing more than their time to vote.**

### **Why is a non-homestead renewal important to Hartland Schools?**

- The 18-mill tax equates to **\$4,799,517** in revenue for the district next year
- State assumes 100% of the non-homestead tax is collected based on a levy of 18 mills
- Funds not collected **ARE NOT** made up by the state when allocating monies to our schools for educational purposes

### **Is the Non-Homestead renewal something new?**

- **NO!** This tax levy has been in place since 1995
- Businesses, vacant property and second homes are expected to pay this tax as part of Michigan's school funding program
- **This is a renewal of the 18 mills passed for one year in 2009**

### **Does this renewal mean a tax increase for area businesses?**

- **NO!** This same 18 mills has been levied on businesses, vacant land and 2<sup>nd</sup> homes since 1995 and the passage of Proposal A

### **If the only property I own in the Hartland district is my home, does this proposal cost me anything?**

- **NO!** As stated in the ballot proposal, principal residences and other qualified property are exempt.
- **NO!** But keep in mind if the proposal is defeated, it will cost Hartland Schools approximately \$4,799,517.

# Ballot Language

## OPERATING MILLAGE RENEWAL PROPOSAL

This proposal will allow the school district to continue to levy the statutory rate of 18 mills on all property, except principal residence and other property exempted by law, required for the school district to receive its revenue per pupil foundation allowance.

Shall the limitation on the amount of taxes which may be assessed against all property, except principal residence and other property exempted by law, in Hartland Consolidated Schools, Livingston County, Michigan, be increased by 18 mills (\$18.00 on each \$1,000 of taxable valuation) for the year 2010, to provide funds for operating purposes; the estimate of the revenue the school district will collect if the millage is approved and levied in 2010 is approximately \$4,799,517 (this is a renewal of millage which expired with the 2009 tax levy)?

# Annual School Board Election

For the 2010/2011 school year, there are two 4-year terms and one 3-year term up for election.

**www.hartlandseniors.org**

Everyone from the Center enjoyed our first annual Pickleball Tournament that was played at Hartland High School. The Hartland Senior Center "seniors" defeated the Hartland High School "seniors" 8 matches to 1. Our cheerleaders helped keep our fans in the right spirit.

**Euchre** Come play euchre on Tuesday mornings at 10:00 a.m. or Thursday evenings at 6:00 p.m. The cost is \$1. Come enjoy the fun. If you are interested in playing a slower and more relaxed game we have a small group who plays on Friday mornings at 10:00 a.m.

**Relaxed Euchre** If you would like to play euchre in a more relaxed atmosphere, and don't want to feel pressured to hurry along, come join our group on Fridays at 10:00 a.m. This is ideal for beginners and for folks just getting back to the game.

**Pinochle** If you enjoy the game of pinochle come join us on Tuesdays at 12:15 pm. We play 3-4-5 or 6 handed, whatever works for the number of players that come.

**Nimble Needles** Do you like to knit, crochet or do other needlework? Do you want to learn? Join our ladies on Wednesdays at 12:30 pm. Keep those fingers busy and enjoy the fellowship of friends.

**Hartland Senior Men's Golf League** Starts Thursday, May 6 at 9:00 a.m., green fees are \$228.00 for the 19 week season plus \$30 for prize money. There will be a meeting at Hartland Glen on April 22 at 9:00 a.m. Please bring your check at this time in the amount of \$228.00 payable to Gordon Curry. The \$30 lunch and prize money can be paid by May 13. If you think of someone who would like to join our league as a regular or as a sub, have them contact Gordon Curry at 248.887.2642 or Bud Barnett 810.629.5035.

**Glen's Friends Women's League** Starts Thursday, May 6 at 9:00 a.m., green fees are \$192.00 for the 16 week season plus \$28 for prize money and secretary's Green Fees. There will be a meeting held at Hartland Glen on Thursday, April 22 at 10:00. The \$220.00 fee is due at that time. Checks should be made out to Linda Potter. We need both regulars and subs. If you are interested in playing please call Linda at 810.735.6534 home or 810.624.3434 cell or email her at [telmis@charter.net](mailto:telmis@charter.net).

**Senior Scrambles** Every Monday at Hartland Glen 18 holes, starting April 19 weather permitting. You must sign in by 9:00 a.m. Senior Men and Women welcome. Fee is \$20 to play including cart and \$3 for prizes. Teams will be assigned according to handicap. Any questions call Tom Potter at 810.735.6434.

**New Band Members Welcome** Come play in our new band! We've only met a couple of times so there's plenty of opportunity to get in on the ground floor. Did you play an instrument in high school? Haven't picked it up since? Is it still in your attic or basement? We can use any instruments and any ability level. We meet on Tuesdays at 12:30 in the Classroom. Have instruments to loan or donate? We can use those, too.

**Euchre Tournament** We will host a Euchre Tournament on Tuesday, April 13 from 10am to 1pm.. The entry fee is \$6.00 which includes pizza, salad, beverage and prizes. We have room for 52. Register and pay in advance.

**Stamp Collectors** Al Turner is interested in leading a group of stamp collectors here at the Center. If you collect stamps and want to meet with other like-minded individuals, please call the Center and leave your name and phone number and we will arrange a time for you to meet here.

**Landscape Painting** Learn to paint a landscape in one class. The canvas, paint and paint brush will be supplied. The next class will be held Thursday, April 15 at 1:00 p.m.

**Cost per class:** Members-\$22 Non-Members-\$25

Please bring your own brushes if you have them.

## HARTLAND AREA Community Council est. 1935

### Memorial Day Parade Planning-May 3 & 17

The next meetings (May 3 and May 17) of Hartland Area Community Council will focus on planning for the 75th annual Memorial Day Parade and related activities. Additional volunteers are needed to support activities. Meetings begin at 7 PM in the Media Center of Ore Creek Middle School. Contact Dick Krueger (248.887.1283) to volunteer.

**Attention Vendors:** If you wish to reserve a place in Epley Park for Memorial Day please contact Estelle Lashbrook (810.632.7809). Last year was a "full house" at Epley Park, don't wait to reserve your spot.

### Memorial Day Parade Application Forms

Application forms to walk/march/have a float in the 75th annual Memorial Day Parade are available from Community Education at Hartland Educational Support Service Center (former high school), Hartland Chamber of Commerce, Hartland Township offices and Cromaine District Library. Completed applications may be returned to same locations prior to May 21. All instructions are included with the application.

### 75th Booklet Seeking Advertisers

Ads are being accepted for the annual Memorial Day booklet, sponsored by Hartland Area Community Council. Prices are the same as last year; you can gain valuable exposure for your business or organization; you will be supporting our community. Proceeds from the booklet offset parade costs: ribbons for children, porta-john rental, flyover contribution and the Howell Nature Center display. There are no commissions paid, this is a *100% volunteer effort*. The application form can be printed off the new HACC web site: [hartlandcommunitycouncil.org](http://hartlandcommunitycouncil.org), or pick one up at Hartland Township Hall, Cromaine Library, Hartland Chamber of Commerce or Hartland Community Education office. Questions, please contact 248.887.1283 or [bek4450@aol.com](mailto:bek4450@aol.com).

## Heritage Day Planning Meeting April 28

Following a very successful and well attended first planning meeting for September's Hartland Heritage Day, a second meeting will be held in the Community Room at Cromaine Library, Wednesday April 28, from 7-8 p.m. As refreshments will be served, please RSVP by April 25 to Barbara Krueger at [bek4450@aol.com](mailto:bek4450@aol.com) or call 248.887.1283. Representatives from local groups and individuals interested in some type of participation are welcome. More information at [www.hartlandcommunitycouncil.org](http://www.hartlandcommunitycouncil.org).

## Home and Garden Club

### Beekeeping with Tim Bennett-April 14

Tim Bennett will be our program speaker for the Hartland Home and Garden Club at our April 14 meeting held at the Hartland Senior Center. Tim will be speaking on beekeeping process. Come and learn how to overcome your fear of bees and learn about the natural benefits of the unprocessed honey. Honey products will be available to purchase.

The Hartland Home and Garden Club meets at 6:30 pm in the Hartland Senior Center located on the west side of the Hartland Educational Support Service Center on M-59. For more information call 810.629.2136

## American Legion Post 415

### Next meeting April 14

The next meeting of the American Legion Post 415 is scheduled for Wednesday, April 14 at the Hartland Fire Hall in the training room located next to Spranger Fields on N. Hartland Road. The meeting begins promptly at 7:00 p.m. **The 2010 schedule of meeting dates are:** May 12 & May 26 and June 9. Please come and join us. We are planning for the 2010 Memorial Day festivities. If you have any questions or require more information contact our Commander Douglas Kuhn at 810.629.3818 or email [deepdigger@yahoo.com](mailto:deepdigger@yahoo.com).

## Hartland Area Historical Society Magical History Tour-A fabulous Success!

Our third annual Gala fundraiser and dinner was a fabulous success. Most people got into the 1960s theme of the evening wearing colorful clothing reminiscent of the "hippie era." There was a huge colorful cut out of the Magic Bus for people to enjoy having their photos taken in. DJ "Rockin Ron Lewis" provided background and dance music highlighting songs from the 60s & 70s.

President Tom Parshall arrived dressed as The Ghoul (TV sci-fi host) and did a speech titled "Talkin' bout My Generation" as he ran down the list of events, people, inventions and more from that era.

The Cromaine Hall at Waldenwoods is always the perfect venue for our Gala. The food was wonderful and we all enjoyed the special dessert-brownies decorated with a peace symbol on top.

This year the historical society Board of Trustees wanted to host a less formal event to thank everyone who has supported us with donations toward our on going renovations to the interior of the Florence B Dearing Museum. We are almost finished with the major projects. Our goal is to have the lower portion of the museum open for Memorial Day along with the Post Office exhibit on the main floor.

Thanks again to all who came and enjoyed the festive evening, all who supported our Silent Auction with your bids and donated auction items, and all of you who sent in generous regret donations. We are truly fortunate to have such loyal patrons!

## The Rotary Club of Hartland

The Rotary Club of Hartland continues to be busy as the season's change. On January 29, a group of over 20 enjoyed a social evening at the Tyme Well Spent Tea room. Club member, Nancy Martin prepared a wonderful dinner and our president, Mike Horan, expressed for all, the joy of fellowship we find in our group. The following day, members Lois Halstead and Ceci Marlow helped distribute \$300 of children's books purchased by our club for the Community Connect event focused on helping county residents in need.

In February, we welcomed our newest members, Alice Clark and Chris Atkinson to share with us the helping of others through service. On February 13, Susanne Bianchette and Gary Cornillaud represented Hartland Rotary at the Walk for Warmth fundraiser in Hartland. We had a team, "The Split Ends" bowling for Big Brothers and Big Sisters on March 21 where heart substituted for skill in knocking down pins.

Thanks to Karen and Frank Crouse, who have been working hard organizing our biggest project yet, a district wide clothing drive for Haiti Relief. Our club has taken the lead in coordinating the efforts of over 50 other Rotary clubs in collecting, packing and shipping these much needed items to earthquake victims. On April 29, we will be hosting an area wide breakfast meeting to welcome visitors from Japan. The last weekend in May the club will be putting on a garage sale to raise money for future projects and we welcome any donations of household items.

Visitors are welcome to join us on Thursday mornings for breakfast and informative presentations at Village Manor (9501 E. Highland Rd.) at 7:15am. If you have a passion for community service and enjoy sharing the fellowship of those with a similar desire, please consider joining us.

# Black Sheep Weavers Fiber Guild

## Weaving in Guatemala-April 1

The Black Sheep Weavers' Fiber Guild invites other fiber enthusiasts to join their monthly meeting. The April 1 program will be *Weaving in Guatemala* with Gisela Bosch. Gisela is an accomplished weaver who we are proud to have as a member of our Guild. Come enjoy this interesting program. There will be social time at 6:30pm followed by our business meeting and speaker at 7:00pm. The meeting is held in Room 23 in the Hartland Educational Support Service Center located at 9525 E. Highland Rd (M-59) 3/4 mile West of US 23.

The Guild members are busy preparing for the **4<sup>th</sup> Annual Spring Fling Fiber Art Sale** to be held April 24 from 10am-4pm and April 25 from 11am-3pm, at the Huron Valley Council for the Arts (HVCA) in neighboring Highland. Come welcome spring with this delightful sale of truly unique artwork including wearable art. Browse the art in a beautiful setting while meeting the artists who will be there to answer questions and demonstrate their work. For additional information on the Spring Fling Sale please visit our web site at [www.blacksheepweavers.com](http://www.blacksheepweavers.com) or call Connie Hydell at 734.546.0032.

Also for the month of April the public is invited to attend the Black Sheep Weavers' *Fibers of Our Lives* gallery show at Huron Valley Council for the Arts (HVCA). The Opening is April 2 from 7-9pm; the show itself runs through April 30. See [www.huronvalleyarts.org](http://www.huronvalleyarts.org) for details.

## Hartland Audubon Nature Club

### Butterflies-April 6

The beauties of spring will soon be surrounding us, among them the lovely butterflies. Joyce Schuelke will make us better acquainted with these marvelous creatures at our April 6 meeting when she gives her slide presentation entitled "Butterflies." We will learn how to identify many of the butterflies and caterpillars found in Michigan, and how to attract them to our yards with flowers, butterfly houses, and nectar. Come and enjoy this beautiful presentation with us at the Hartland Senior Center, located in the Hartland Education Support Service Center on M-59 just west of US-23. The meeting begins at 7:15pm with a short business discussion and the program will follow. For more information, please contact Jami Bond at 810.632.5223.

## Encore Youth Theater

### Summer Drama Boot Camp

Mark your calendars! Encore will once again be conducting our summer Drama Boot Camps. Sign up your kids for a week of fun-filled theatrical activities held in the historic Hartland Music Hall.

Is your child new to theater? We will have a choice of two beginner sessions- August 2-6 or August 9-13, both from 8:30 to 11:30 am. Has your child been in theater for awhile and is looking for a challenge of their theatrical skills? We will have two advanced sessions- August 2-6 or August 9-13, both from 12:30 to 3:30 pm with a special focus on characterization during the second week. Directing our camp this summer will be Aric Liljegren. In addition to being a Creative Coach, Aric is the Director in Residence at the Historic Marquis Theatre in Northville and a working artist, actor and director.

Visit our website at [www.hartlandplayers.org](http://www.hartlandplayers.org) for more information and a registration form. Please email Deb Whitson if you have any questions at [dwhitson@hughes.net](mailto:dwhitson@hughes.net) or call 810.714.2644.

# Scouting News

## Eagle Scout Daniel Waldo

A Court of Honor was held to recognize the achievements and service of Eagle Scout Daniel Waldo on Saturday, January 30. Daniel is the son of Rick and Mary Beth Waldo of White Lake, Michigan. Members of his family, friends and fellow scouts from Boy Scout Troop #381 gathered at St. Augustine Church in Deerfield Township for the ceremony. Three Fires District Commissioner Wayne Westfield presented the Trail to Eagle while scouts from the troop lit candles signifying the tenets of the Scout Oath and Law. Troop Committee Member Steve Sluis presented the Trail to Eagle and Scoutmaster Ron Trosin presented the Significance of the Eagle Rank and Award. Daniel's Eagle Scout sponsor and mentor, Robert Stevenson, had the honor of administering the Charge to Eagle. Gary Nylander, assistant scoutmaster, read a letters of commendation from Governor Jennifer Granholm, Congressman Mike Rogers and Senator Debbie Stabenow. A slide show produced by Daniel's brother Dale and sister Ann, highlighting Daniel's scouting days from Tiger Cub through his Eagle service project, was presented during the ceremony. A prelude and postlude of piano and guitar music was played by Tim Twiss, Daniel's music instructor and fellow Eagle Scout. A luncheon celebration, provided by the Waldo family, was enjoyed by all following the ceremony. For his Eagle Scout project, Daniel managed the planting of trees at Highland Pines Park in Highland Township. Troop 381 congratulates Daniel on earning the highest rank in Boy Scouting.

## Boy Scout Troop 385

*Submitted by Mitchell Hundal, 1<sup>st</sup> Class Scout.*

Boy Scout Troop 385 has been very busy these last few months. We collected 1,700 pounds of food for Gleaners Food Bank. We helped a family during the holidays by providing them with clothes, books, toys, and gift cards. Our troop had a great weekend at Camp Teetonkah learning rifle shooting skills and building a monkey bridge out of rope. We shot 22 caliber rifles at paint balls taped to targets. It was awesome. We took a trip in February to Boyne ski resort and up to Wright Patterson Air force Base. We took a tour of the museum where we saw planes from WW2 and from the Korean and Southeast Asia Wars.

All of us from Troop 385 would like to congratulate K.C. Perlberg for achieving his Eagle Scout Rank, the highest rank in boy scouting.

## Boy Scout Troop 380 Collection Dates

The following are the dates for Troop 380 Paper, "Returnable" Can and Bottle Drive.

**April 3**

**May 1, June 5, July 3, August 7, September 4**

Drop off is the first Saturday of each month from 10:00am-12 noon at the corner of School and Washington Streets in the village of Hartland. We accept all items delivered with your newspaper.

## Cadette Troop 40139

The members of Cadette Troop 40139 have had a good year working together to earn several Interest Projects. Pictured are the girls holding up a quilt outside one of the pod cabins of the New Troop House at Camp Linden. The quilt was made in pursuit of the Sew Glam Interest Project for donation to a local Project Linus donation center. Project Linus accepts newly made quilts and blankets and donates them to local youth in need; illness, fire victims, homelessness or other need. The troop has also earned the Couch Potato and Just Jewelry Interest Projects. At the Cadette level of Girl Scouting, each Interest Project (or 'badge') includes requirements for a service project. This transition helps to focus the girls not only on learning a new skill, but putting that skill to use to benefit the community, younger girls or some other need. We have been camping, cooked a dinner for each other that could be used for a weekly family meal, sorted candy for shipment to the Troops and of course, sold cookies!

## Cub Scout Pack 385 Den 2 Tiger Cubs

The Tiger Cubs from Lakes Elementary recently attended an outing at Oh My Lolly located in downtown Brighton. The Tiger Cubs were able to safely watch as boiled sugar had coloring and flavor added to it, then it was mixed, pulled, and finally molded into custom candy suckers for each of them. A fun time was had by all and the boys learned what is involved in making this classic candy treat.
