## Superintendent's Message

Janet Sifferman, Superintendent

Amazingly, we are already in the homestretch of the 2009/10 school year. Graduation is around the corner and our high school students are eagerly anticipating prom night just a few days away. Our spring sports calendar is winding down and we are celebrating another successful season for our athletes. We have much to be thankful for in Hartland. While times are difficult for everyone across the state and across the country, Hartland continues to band together and keep its focus on what is important – family, school, community. With that in mind, I hope all of you will take the time to vote in our annual school election on May 4. Three Board of Education seats are on the ballot along with the 18-mill non-homestead proposal. This proposal is a **renewal** of the 18 mills that has been levied on non-homestead properties since the passage of Proposal A in 1994. Principal residences and other qualified property are exempt. This renewal equates to \$4,799,517 in revenue for Hartland Consolidated Schools. Please don't forget to vote on May 4!

## Civil War Veterans get headstones

In honor of two War of 1812 Veterans who are buried in the Hartland Village Cemetery, the Sons of Union Veterans of the Civil War and the Hartland High School History Club will be holding a dedication ceremony at 12 noon on Saturday May 15, which is Armed Forces Day.

LTC Paul Scheidler, a Hartland High School teacher, is the History Club Sponsor and also the current Commander of the local chapter of the Sons, which is Gilluly-Kingsley Camp #120 SOUV, based in Howell.

The Camp is the 100+ year old legacy organization of the GAR (Grand Army of the Republic) camps created by the Union Veterans of the Civil War and is similar in purpose to newer more familiar organizations such as the Veterans of Foreign Wars and the American Legion.

The "Sons" was created by the children of Civil War veterans as a way to keep the memory of their fathers alive and ensure that all Civil War Veterans would receive a proper military funeral and government headstone. The "Sons" continue to stand guard, and are constantly researching and discovering missing or forgotten Veterans, not just from the Civil War, but also from earlier wars making sure they are remembered with a headstone and a flag on Veteran's Day and Memorial Day.

George Buckley and Warren Huntley are two such Veterans. They came to Hartland long after the war had ended and died here in the mid 1800's. If they had wooden headstones when they were originally buried they are now long gone. Although cemetery records exist there are no markers for these two men buried in the Village Cemetery side by side long ago. The Government has now issued the stones and members of the SOUV, along with high school students from the History Club, will place them when the ground thaws.

The event is meant to take place early in May so it does not to interfere with the Memorial Eve Luminary or the Memorial Day ceremonies themselves. The SOUV want the new headstones to be in place with flag holders when Memorial Day arrives.

The public is welcome and encouraged to attend. There will be a short remembrance according to the regulations and in accordance with the traditions of their peers, a roll call of the dead, and possibly a volley from some period re-enactors.

LTC Scheidler will also be giving a talk at 7 pm on Thursday May 27 at Cromaie Library regarding the GAR, the Sons of Union Veterans, and work done in the cemetery by Hartland Students.

## 2010 Grand Marshals

Don Rhodes and Nora Kessel

Mr. Rhodes came to this community about twenty years ago as an outsider. He moved to the Hartland area, married his wife Shirley, and became an active member of the community. As a retired GM worker, it would have certainly been his right to live a life of leisure and relaxation. Instead, he chose to become involved in local government as a trustee and Township Supervisor. Having served during the beginnings of the transition of our community from a small rural township to a destination for growing families, he left Township government as others became involved. Unfortunately, the pressures of growth and personal ambition of those who replaced him led to a period of turmoil for the community, culminating in the recall of the new Supervisor. He was coaxed from his second retirement to again run for Supervisor and apply his gentle and calm nature to a group of elected officials with

Nora Kessel has been a force to be reckoned with in the Hartland community for almost 20 years. She began her involvement in the school district as an extremely active parent at Round Elementary School, serving as the PTO President there and again at the middle school and high school as her children moved through the district. In 1999, she was elected to the Hartland Board of Education and served over 10 years before resigning in December 2009 so her family could relocate to the Upper Peninsula.

During her tenure on the Board, Nora served as Treasurer and Vice-President, passed two Bond Issues, including the 2000 Bond to build Creekside Elementary and the current high school building, athletic complex and community aquatic center; and selected a superintendent to replace long-time superintendent Peter

## Spring is a time of Renewal; not Regret

Now that "spring has sprung" many of us have begun to think of the traditional activities: spring cleaning, rinning outside, what flowers to plant, should we put in a garden, and the lawn needs so much work! For teens, however, often their thoughts turn to being outside, at the lake, and in general gathering with their friends having a good time. Many times this will involve alcohol and/or other drugs. We have all heard the stories about overdose, accidents, assaults, thefts, fights—all fueled by substance use of teens. Many times the consequences of these drug fueled incidents haunt a teen and perhaps their family for many years or even a lifetime.

**What is a parent to do? How can we protect our children? They want to be independent and you want to trust them. However, consider the following:**

**Be Aware-** After a decade of consistent decline in teen drug abuse, the most recent (2009) national studies released in March point to a marked upswing in use of drugs that teens are likely to encounter at parties and in other social situations. Specifically, alcohol, marijuana and prescription drugs are showing a marked increase. This trend has been noted in Livingston County as well as Hartland.

**Take Action-** According to Steve Pasierb, president and CEO of Partnership for a Drug-Free America, parents must pay closer attention to their kids' behavior—especially their social interactions—AND they must take action just as soon as they think their child may be using drugs or drinking. This resurgence in teen drug and alcohol use comes at a time when pro-drug cues in popular culture- film, television and online- is expanding and funding for anti-drug media is declining.

**Know Your Liability-** Understand the Party Host Liability laws. A host of a party at which a minor either possesses or consumes alcohol, or any person, regardless of age, consumes or possesses a controlled substance may be committing a misdemeanor. This offense can be punishable by a fine and/or jail. The law applies to owners, tenants or any other person having control or authority over a premises, residence or property. If you serve no alcohol and a minor arrives with alcohol obtained elsewhere, you still are required to take "corrective action" by contacting police or confiscating the alcohol. You are "allowing" a minor to possess or consume alcohol if you: 1. give written permission as in a flyer or invitation 2. verbally give permission or 3. fail to take corrective action. Actively monitor youth who are gathered at your home or on your property! Offer food, healthy and fun activities, and alcohol free beverages.

**Make your Expectations Clear-** Make sure that your teen knows that your expectations are that he/she will obey the law and refrain from alcohol until of legal age and that under no circumstances would you accept use of an illegal drug. Convey clear consequences for violating your trust. Have this conversation with caring and concern for your child's welfare and safety. Emphasize open communication. State that, additionally, should a difficult or compromising situation arise that you want to be called so that you can assist your child and secure their safety.

**Beware the Internet-** Make it clear to your child that under no circumstances should it be shared on social networking sites when parents will not be home or when a teen gathering is occurring. This can lead to situations where tremendous property damage occurs and can escalate into many scenarios of personal injury or harm.

**Understand Adolescent Physiology-** Recent studies show that the human brain; especially the part of the brain that governs judgment, decision making and impulse control is still under construction until age 25. This job is NOT over when a teen turns 18! Medically, for the most part, teens are incredibly healthy. The leading cause of death in adolescents is accidents; with suicide following close behind. Dr. Jay Giedd, a National Institute of Health scientist who has studied the biological basis for teen behavior, calls this the "great paradox". He says that adolescence isn't a great time emotionally and psychologically. "Right at the time you should be on top of your game, you're not!" Dr. Giedd states that the parent's job is still to be the "foreman" of the adolescent youth providing structure, clear expectations, and role modeling for the adolescent youth.

**Have Help Ready-** Know the resources! Know where you can get help if you need it.

## Principal's Corner

**Chuck Hughes, Hartland High School PRINCIPAL**

The end of the school year is fast approaching and our seniors are ready to walk across the stage on June 10, 2010. With this in mind I would like to invite the community to Compuware Area in Plymouth, Michigan as we celebrate the success of these young adults. Commencement will start at 7:00 PM and no tickets are needed to attend. Thank you for your support of the Hartland Consolidated School District and Hartland High School as we know that the success witnessed at graduation is directly attributed to the partnership we have with parents and the community.

### Parent Advisory Committee Kudos:

The PAC continues to be a vital organization that supports students and staff initiatives at HHS. Student assemblies, field trips, LINK, support programming, and staff recognition are all made possible through the efforts of our parent organization. A special thanks to the following PAC Officers: **President:** Mrs. Lisa Setter, **Vice President:** Ms. Robin Sluis, **Treasurer:** Mrs. Sue Aberasturi, **Secretary:** Mrs. Debra Albert

Their dedication and that of the countless parent volunteers in supporting our students and staff must be recognized!

## Testing earthquake machine

Students in the GeoPhysical classes, including Devon Hutchinson and Trevor Boldt who are both pictured here, have been studying earthquakes and volcanoes. A new piece of equipment enables the students to “shake” earthquake proof buildings that they have constructed to see if they can withstand the forces of nature. Each class built buildings that were “tested” on the earthquake machine. Using different materials, students were able to see how construction materials and standards either enabled the buildings to stand or collapse.

## Junior Optimist

The Hartland Junior Optimists always look for opportunities to get involved with the community. In February and March the High School club participated in Livingston County's Walk for Warmth and Big Brothers Big Sisters Bowl-a-Thon. Between the two events the club donated over a thousand dollars to the needy charities. The members are enthusiastic, mindful young adults who simply “love to help.” Thanks to teacher Nicole Conley for organizing these events!

## Science Olympiad

## DECA MDA Bowl-A-Thon

The Hartland Community stepped up once again to support the Annual Hartland DECA MDA Bowl-A-Thon. On Thursday, February 18, the Hartland High School DECA Chapter completed its 2009-10 MDA fundraising campaign by conducted a Bowl-A-Thon at Striking Lanes in Hartland. Throughout the school year, DECA students have asked for the support of the school and business community to help generate money to send youngsters to MDA Summer Camp, and to aid the continual search for a cure for Muscular Dystrophy and other neuromuscular diseases. MDA is a voluntary health agency working to defeat more than 40 neuromuscular diseases through programs of worldwide research, comprehensive services, and far-reaching professional and public health education. In 2009, over \$78 million was raised nationally to support MDA programs, including a local clinic at Michigan State University, summer camp for children with neuromuscular diseases at Camp Cavell on Lake Huron and lifesaving research.

Hartland High School DECA has been in the Top 10 Nationally for MDA donations for the last 5 years. As a reward, DECA representatives are invited to a special recognition breakfast held by the Muscular Dystrophy Association at each year's International DECA Conference. Hartland DECA members are also invited to appear on TV for the Annual Labor Day tele-thon in Lansing.

With the help of Striking Lanes Bowling Alley in Hartland, the DECA Chapter raised and donated a total in excess of \$6400. Hartland DECA wishes to express sincere appreciation to Mr. Chet Singh, owner of the Striking Lanes Bowling Alley. Mr. Singh annually makes the event possible and donates generously to the collection efforts of students. The following local businesses made generous financial or merchandise donations: Meijer, Dick's Sporting Goods, Intrigue Tanning Salon, National Element Inc., Metropolitan Appraisal Group, TW Amigos and O'Malleys.

## Parenting II Class is ....

*Looking for preschoolers to interact with and observe*

Hartland High School will be having three (3) play days for area preschoolers on Monday, May 17, Wednesday, May 19, and Friday, May 21 from 12:15-2:15 p.m. in room #106 at the new high school. Any area preschooler (age 3-6) may attend. This will give all Parenting II students a chance to interact and observe preschool-kindergarten age children. It will also give the parent a chance to run errands or just relax for a couple of hours. There is no charge, but we are requesting that you reserve a space for one or all days by Monday, May 10. Please do so by calling Mrs. Baier at 810.626.2258. The students and staff appreciate the community's assistance and support in enhancing the education of future parents. Riley Lashbrook is pictured here having fun participating in HHS's Play Days

## Celebrate the Earth with HHS!

Celebrate Earth Day with Hartland High School's Paper Drive! FCCLA and Green Team will be co-hosting a paper drive in recognition of Earth Day from April 21 to May 5. Students should gather newspapers, catalogs, magazines, and school/office papers and bring them to their 1st hour teachers. The class who collects the most paper wins a breakfast! FCCLA and Green Team members will then recycle the paper in the green and yellow bins at the high school. Please help make a positive impact on Hartland Schools by participating in our recycling efforts!

## Students of the Month

Each month, a selection committee at Hartland Middle School selects one seventh and one eighth grade student to receive recognition as "Students of the Month." Nominated students must meet one or more of the following criteria in order to be selected.

- The student must show continued success in all subjects
  - The student must exhibit good citizenship
  - The student must make a significant positive contribution to the school and others
  - The student must exhibit a positive attitude toward school, self, and others
- Congratulations to our April Students of the Month, Chris Bee and Sara Thompson.

## Honors Night/Awards Assembly

Our annual Honors Night/Award Assembly is scheduled for Thursday, May 27 at 6:30 p.m. at Hartland Middle School. Students receiving an award will receive an individual invitation. Students who have been on the honor roll for any marking period this school year are invited to attend and will be recognized as a group, but will not receive individual invitations. We expect the ceremony to last approximately 90 minutes. Other "Team Awards" will be given on the last day of school.

## Congratulations to All Stars

Each month at Farms Intermediate School we acknowledge students who have been nominated by their teachers for outstanding academic performance, as well as, for displaying exemplary Reason, Respect, and Responsibility. Students are presented with an All-Star Certificate and their names are announced during each lunch period as well as in individual classrooms. **Congratulations to our March 2010 All-Stars.**

Jake Kantola, Sydney Brief, Emma Laskey, Seth Loffreda, Marijane Page, Kayla Burdick

## Star Readers Program

Star Reader is a program designed to encourage students to read, read, read. The Farms teachers select two students each month from their homeroom classes who have exhibited good reading habits. These students are the ones you see reading whenever they have a few minutes to spare. All monthly winners receive a \$1.00 gift certificate to our Spirit Store. The winners names are then entered for a drawing for a \$20.00 gift card to Barnes and Nobles. Each month there are six lucky winners for the Barnes and Nobles gift card. At the end of the year there is a Final Grand Prize Drawing for a basket full of books. **Congratulations to our March 2010 Star Readers.**

## Reading Month Activities at FIS

Our "March is Reading Month" activities opened with an emphasis on silent reading as classes held individual "Read Ins" on March 1. These will continue through out the month in individual classrooms. Contests sponsored by our Media Specialist Mrs. Millington include a chance for the top ten readers in both grades to "Bowl with Mr. Simpson" as well as a Pizza Party for the top homeroom in each grade. Our goal is to have students spend more time reading independently in the evenings and on weekends. We ask parents to reinforce this skill by encouraging their child to read as often as possible.

## FIS Now Serving Breakfast

Farms Intermediate School is proud to announce that we are now serving breakfast before school begins. Breakfast is available to students who arrive early and students riding school buses. Our program has been very popular since it began on March 9. It has been a great way for the students to not only fuel their bodies for the day, but a nice social gathering before school starts.

The breakfast menu consists of a variety of whole grain bakery items along with yogurts, string cheese, milk and juice. The cost is \$1.50. Students already receiving free or reduced lunches also receive free or reduced breakfasts. The reduced cost is \$.30.

Start the day in a healthy way! We love seeing those smiling faces.

## Cover Contest

Farms Intermediate is very proud of its two newest stars: Enzo Iannello and Vivi Nguyen, both in 6th grade. Both students entered the 2009-2010 Music K-8 Cover Contest, and both are featured in the magazine this month! Enzo's artwork, depicting guitars and drums, was the magazine's 7th Runner-Up, while Vivi's drawing of a musical angel was listed as a Top Finalist. Music teacher Amy May is very proud of both students. Congratulations!

Maddie McArthur, Rylee Prach, Spencer VanEpps, and Nina Butts

## Creekside Music Program

Earlier in the year the 3rd and 4th grade students at Creekside Elementary studied the four different types of instrument families: Brass, Woodwinds, Percussion, and Strings. They examined the characteristics of each family of instruments, then discussed the way that sound could be changed with each instrument (Example: length of string, tension of string, size of string, etc.). Students were then invited to either make their own version of an existing instrument, or they could invent their own brand new instrument. Finally, students were allowed to bring in their instruments and play them for each other.

## Visit to U of M Museum

Thanks to a grant from the University of Michigan Museum of Art (UMMA), all third and fourth grade art students from Creekside Elementary School visited the museum for a docent tour. The tour, titled "Doors" introduced students to various artist interpretations of doors and door related themes from all around the world. Students were able to carry these ideas forward as they created artwork related to the door theme.

First graders from Haar Village proudly accept their gold medals from the Hartland High School athletes and the Hartland Eagle.

Lakes Elementary ended our March is Reading Month Olympics with a traditional "Closing Ceremony." Each reading Olympic village (Lakes classrooms) marched down to the gym to celebrate their reading accomplishments and to receive their official gold medals. Hartland High School Athletes, Bailey Sowa, Zack Bodziak, Jillian Carland, and Jake Webb, along with our Hartland Eagle (Walter DeBaene) participated in our ceremony by placing the gold medals around the students' necks while Mrs. Smither announced the total number of hours read by each village. The Hartland Eagle officially ended the Olympics by "extinguishing" the flame in our Olympic torch. Lakes Olympic readers read a total of 5,724 hours for the month of March! We intend to keep the momentum going by continuing to READ READ READ!

First graders Olivia Sly, Mac Adkins, and Jared Merritt from Furr Village are very excited about their reading accomplishments and their gold medals.

Kindergarten students Daniel Van Gieson and Elise Oertel display their banner from Langdon Village with great pride.

Congratulations to our Lakes Citizens of the Month for April. These students have displayed exceptional effort, achievement and/or citizenship in their classrooms and we are very proud of them! **Back row Fourth Graders (l-r):** Jenna Holden, Noelle Hundal, Connor West, and Josh Joseph. **Front row Third Graders (l-r):** Allison Condo, Keegan Barkey, Jenna Waller, and Rhyann Schwander.

Lakes Elementary first grade students enjoyed a visit from Paul McCormack of "Classroom Critters" and his many interesting animals once again this year. Pictured here, Tim Braford and Sadie Boscher have fun with a blue-tongued lizard.

4th grade students Brooke Campau, Nikki Nylander, and Cheyenne Shouse show a box full of donations to Gleaners. Round participated in a food drive to help those less fortunate. It's a great lesson learned to give back.

Students Lestat Kross and Dylan Portuesi help pack donated food items. Students were involved in the collection and packing of the items. A special thanks to Matt Conway for organizing the food drive.

"The Brainstormers," an educational acting group, had an assembly at Round. The message they gave our students focused on the key parts of writing and using their imagination.

Hartland High School creative writing students visited Round during March is Reading Month. They read stories and talked about the writing process with our students. Round thanks them for spending quality time with our students.

"The Brainstormers" are returning this month to act out stories written by our own students. They will also take part in the skit. It's always a great time when the Brainstormers come to town!

School Board President, Mr. Kaszyca was kind enough to do his part at our Village Fun Fair. He made quite splash once the rumor was spread that the president of the school board was in charge of whether or not the children received a snow day! Thank you Mr. Kaszyca for being such a good sport!

## LEGACY at Cinema 20

After reading and discussing the book and movies "Alice and Wonderland" in English class, the LEGACY students traveled to the Brighton Cinema 20 for the opening of the latest version in 3D. There were mixed reviews, but the computer enhancements and 3D visuals really added higher interest and helped relay the morals of the story.

## Hartland Child Care and Preschool – We are waiting for you.

Hartland Community Education is waiting, patiently for your registration forms. We are waiting for preschool registration forms, childcare registration forms and Before and After School registration forms. Time is running short, registrations are already underway.

Our **Before and After School Program** is registering children of all ages from all four Hartland elementary schools and Farms Intermediate, Kindergarten to 6<sup>th</sup> grade. Children are welcome to come mornings before school, afternoons after school or both, just let us know what suits your needs. Keep a look out for **Summer Kamp registration** as well which began in-person on April 19. The Summer Kamp for Hartland Community Education is renowned in this area for being an absolute blast for the children lucky enough to join the Kamp. Special events occur everyday of the summer from the day school dismisses to the day before school begins again.

Waiting patiently, not on you life, we are anxious to hear from you!! Hartland Community Education Childcare is welcoming registration for children from 2 ½ to 4 ½ years old. Your youngster will be invited to join a classroom with children their own developmental age. Play based structure fills the day from 6:30 am to 6:00 pm. Professional staff people, with years of experience and training, provide the best full day care available.

**Infants**, you need infant care, well registration is being taken for Infants also. Our center accepts children from 6 weeks to 2 ½ years old. The infant room is warm and loving. Infants participate in songs, stories, and projects as soon as they are developmentally ready, usually as young as 18 months. Spaces are very limited so call now.

**Preschool** is the pride of the center. Registration is now being accepted for Fall 2010/2011 classes. There are classes that are already full so be sure to check with the Hartland Community Education Child Care office for classes that are still available. Preschool is available in the little village of Hartland as well as at the Support Services Center. Hartland offers Parent tot, as well as 3 year and 4 year old preschool classes.

Feel free to call 810.626.2780 for more information or stop by the office, we are ready to serve you. Additional information can be found at our website [www.hartlandcommunityed.com](http://www.hartlandcommunityed.com). Simply navigate to the appropriate tab to find forms, dates, fees, photos of our programs and more.

### The Hartland Community Education Childcare Center is Open for your Summer Childcare Needs!

### Emergency Preparedness - Creating a Supply Kit

Last month I started a series on Emergency Preparedness. May begins the official Tornado and Thunderstorm season in Michigan. So, this month's topic couldn't be more fitting. We started last month by how to create a basic emergency plan. If you missed it, or you would like to read ahead, please go to [www.hartlandareafire.com](http://www.hartlandareafire.com) for more information.

Having a disaster supply kit ready to take with you at a moment's notice ensures that you will have necessary supplies no matter how fast you may need to evacuate. Pack supplies in duffel bags or backpacks and keep them in a designated place. Your kit will also come in handy if you must take shelter in your home. This list will help ensure that your disaster supply kit includes all of the essentials.

**Water:** Pack at least one gallon per person per day for at least three days. Store the water in tightly sealed, non-breakable plastic. Fiberglass or enamel-lined metal containers are best. Be sure to change your water every 6 months.

**Food:** Pack enough food to last each family member at least three days. Include canned and boxed foods, because they require little preparation and stay good for long periods of time. Remember to bring a manual can opener or get the food in self opening cans. Pack foods in sealed metal or plastic containers. Replace foods every six months. Include foods for infants and family members with special diets.

**Tools & Equipment:** Battery powered radio. Flashlights and spare batteries. Re-sealable plastic bags. Washcloths and Towels. Paper cups and plates. Plastic tableware. Toothbrushes, toothpaste, shampoo, deodorant and other toiletries. Heavy duty plastic garbage bags. Change of clothing and an extra pair of shoes and socks for each person. Blankets or sleeping bag for each person.

**Personal Items:** Personal identification. Copies of birth and marriage certificates. Inventory of household goods, bank account numbers and other important documents. Maps. Extra car and house keys, prescription medications. Basic First Aid Kit.

**Next Month...Managing a Disaster at Home.**

### You May Think You Know Medicaid . . .

After a Medicaid recipient dies, the state has the right to recover any assets remaining in order to reimburse itself for Medicaid benefits paid out. This is called Estate Recovery (ER). Not just confusing for the families - the Attorneys for the States, themselves, find it challenging to interpret ER laws. In order to understand Estate Recovery, you need to read both the federal provisions AND the state provisions side by side to make sense of the ER laws. Michigan is the only state in the US that doesn't have an estate recovery plan - but it is coming!

#### Recipients Affected

1. Recipients who have received medical assistance from age 55 and up
2. Recipients who are in long-term care regardless of age. Basically, the only people not affected are those under 55 receiving medical assistance who were never admitted into the nursing home. Some states are only pursuing certain real and personal property that the Medicaid recipient had titled in their name, alone. But many states

are taking advantage of the Federal law's expanded definition of "estate" that allows the states to recover most assets in which the Medicaid recipient had an ownership interest in at the time of their death.

#### Assets Affected

1. Assets titled solely in the name of the recipient (real and personal property)
2. Assets with a TOD/POD provision (real and personal property) practicality - the banks struggled with this - how would they know when one of their clients was a Medicaid recipient? It is essentially a first come-first serve basis. If the state finds out a Medicaid recipient dies - they have a list of all their assets from the Medicaid app and if they make it to the bank, the money is theirs. They have the right to take the TOD/POD beneficiary to court - but it isn't usually worth their time/effort (which is often the case with non-probate assets). Again, however, the states have become very aggressive and it is a matter for them of how much recovery will they get?
3. Jointly titled property

4. Property held in trust
5. Life estates
6. Life insurance
7. Excess funeral plans: a story in our state - a grandfather bought a funeral plan for \$7500 outlining everything he wanted - casket, service, music, plot, headstone, etc... and listed the grandson as the residual beneficiary should there be any monies left over. Upon his death - the grandson decided to re-plan grandpa's funeral by way of a cremation with no service - cutting the costs to \$2500 and demanded the excess \$5000. Some states are putting in place laws that state that any excess now goes to the state
8. Transfers made for inadequate consideration by someone receiving benefits (for example if a NH resident/Medicaid recipient signs a deed on his death bed, transferring his house to his granddaughter - the state can petition the court to have the transfer set aside as a voidable transfer. Has happened - usually what turns into a 3 year civil suit - but the state will most likely be successful.

9. If you open a probate estate (ie if assets were titled solely in the name of the Medicaid recipient) you must notify the state. Putting notice in the paper is not enough.

#### Assets Not Affected

- 1) Any long term care insurance benefits that were paid out on behalf of the Medicaid recipient are credited against the ER "bill" [Ex. Medicaid recipient in NH for 4 years prior to death. LTC paid \$60,000 for the first 2 years and Medicaid paid \$60,000 for the second two years. The estate recovery bill - ZERO dollars!
- 2) ER cannot proceed with a claim if there is a surviving spouse. ER can, however, go after the estate of the surviving spouse
- 3) ER cannot proceed with a claim if there is a minor/blind/disabled child

#### Avoidance of Estate Recovery

There are ways of avoiding estate recovery. For further information, contact the Nawrocki Center for Elder and Family Law.

## The Seniors were at it again

On March 22 and 23 the preschool children were invited, by the Easter bunny and her bunny helpers, to go on an Easter egg hunt in the Hartland Senior Center Gardens. The children put on their coats and jackets and followed the Easter bunny and her helpers. They traveled through the halls of the Hartland Educational Support Service Center and continued outside into the gardens. Once in the gardens the Easter bunny gave then a count down to start the hunt. The children were off gathering eggs as fast as they could run bringing them to the Easter bunny's Basket. The Easter bunny and her helpers, the teachers and teacher helpers were all smiling and laughing as they watched the children full of excitement and glee while gathering the eggs. Once all the eggs were found, everyone huddled together for some delightful pictures in the gardens. Then the Easter bunny invited the children into the senior center to hear a story. At the end the Easter bunny gave all the children eggs to take with them. In return they gave the Easter bunny BIG HUGS! As they lined up to go back to their classroom all the children enthusiastically thank all of the seniors and waved goodbye.

## Spring Concert and Art Show

The Hartland Senior Center will sponsor a Spring Concert and Art Show at the historic Howell Opera House in Howell on Tuesday, May 25. Our very talented artists will display their art, with some pieces for sale. The Silver Chords and the Silver Squires will perform under the leadership of director, Larry Detter. The music will be light and fun, just right for a spring evening. Appetizers and beverages will be served between 6:00 p.m. and 7:00 p.m. with time to enjoy the art. The concert will begin at 7:00 p.m. along with dessert. Tickets are \$10.00 and available at the Hartland Senior Center.

## Annual Mother's Day Breakfast

All women are invited to attend our Mother's Day Breakfast on Wednesday, May 12 at 9:00 a.m. Tickets are available at the senior center.

## Men's Breakfast

Each month we host a breakfast for the men on the fourth Wednesday of each month. This month the men will meet on Wednesday, May 26 at 9:00 a.m. The cost is \$3.00 and includes pancakes, sausage, juice and coffee. Gentlemen come on down and join us.

## Hartland Rotary Club

The Rotary Club of Hartland continued to be busy in April with the district wide clothing drive for Haiti Relief. Much hard work was done in collecting, packing and shipping these much needed items to earthquake victims. Hartland Insurance and club members Barbara and David Walker generously provided the use of their large community room this activity. On March 26, Rotary District Governor Judy Garver was present as Hartland Schools delivered a truckload of clothing collected by students at each building. Thank you to all those supporting our efforts.

In March, we welcomed Hartland residents Jacob Scherba and his family to our meeting to present his contest winning essay on the Rotary Four Way Test. The four way test is a wonderful guideline for Rotarians and others to measure the merit of the things we think, say, and do:

- ✓ Is it the TRUTH?
- ✓ Is it FAIR to all concerned?
- ✓ Will it build GOODWILL and BETTER FRIENDSHIPS?
- ✓ Will it be BENEFICIAL to all concerned?

Jacob was presented with an Apple I-pod by club member Lois Halsted and posed with our club banners. Jacob is an outstanding example of the talented youth in our community where just like in Lake Wobegon, "all the children are above average". Our congratulations go to Jacob and his proud parents!

Our first annual garage sale to raise money for future projects will be held at the end of the month on the Thursday, Friday and Saturday before Memorial Day. It will be located at the Tyme Well Spent Tea Room at the corner of Avon (Hartland Road) and Crouse in the village of Hartland.

Visitors are welcome to join us on Thursday mornings for breakfast and informative presentations at Village Manor (9501 E. Highland Rd.) at 7:15 a.m. If you have a passion for community service and enjoy sharing the fellowship of those with a similar desire, please consider joining us.

## Ranger's 4-H Club

### Auction May 13

The Ranger's 4-H Club is planning for their 16th Annual Fundraising Auction. The auction will be held Thursday, May 13 at 7:30 p.m. at the Hartland Village Elementary School. Enter through the east door.

Items include homemade crafts or items donated by area merchants and then sold at auction, with the proceeds being used to help pay for educational trips for Ranger's 4-H Club members. Previous trips have included Washington D.C., a trip out west, a trip to the Upper Peninsula, Kellogg's in Battle Creek, Upjohn Pharmaceutical, the Detroit Salt Mine, Lionel Trains, Amway, and the Gerald Ford Museum.

The public is invited to participate in our Auction on May 13. Come and enjoy an evening with the Ranger's 4-H Club. Items will be on display beginning at 7:00 p.m. at the Village Elementary School. The auction begins at 7:30 p.m. Questions? Contact Jim Sparks at 810.632.6630.

# Black Sheep Weavers Fiber Guild

## Shibori Dye Techniques - May 6

The Black Sheep Weavers' Fiber Guild of Hartland once again invites other fiber enthusiasts to join their monthly meeting. Our May meeting will be held on Thursday, May 6. This month we will have an interesting hands-on program about Shibori Dye Techniques with Debbi Cooper. **Shibori** (絞り染め) is a Japanese term for several methods of dyeing cloth with a pattern by binding, stitching, folding, twisting, or compressing it. Some of these methods are known in the West as tie-dye.

Debbi holds a Certificate in Excellence in Dyeing from the Handweavers Guild of America; she weaves and dyes beautiful, unique garments and scarves. Come enjoy this interesting program, we have social time at 6:30pm followed by our business meeting and speaker at 7:00pm. Our meetings are held at the Hartland Consolidated Schools Educational Support Service Center at 9525 Highland Rd (M-59) ¾ mile West of US 23.

We always welcome visitors who are interested in any of the fiber arts! For additional information on the Black Sheep Weavers' Fiber Guild including photographs of our activities and artwork, please visit our web site at [www.blacksheepweavers.com](http://www.blacksheepweavers.com).

## Audubon and Nature Club

### Next meeting May 4

Dr. Janet Wilkinson Frick grew up in Hartland, with parents who imparted their extensive knowledge of nature and uses of plants. She will be sharing slides, hands-on examples, recipes, and talk about the history of the uses of plants by local Native American populations and early settlers of the region. She will also be sharing information about conservation, collecting practices, gardening with native plants, and knowledge of the uses of plants from the wild, found in our own back yards. A field trip will be held Saturday, May 16 at her home and adjoining properties, followed by a "wild party/luncheon." Further details about the field trip will be given at the meeting, which will be held on May 4 at the Hartland Senior Center located in the Hartland Educational Services Center on M-59 just west of US 23. The meeting will begin at 7:15 p.m. with a short business discussion, with the program following. For more information, please contact Jami Bond a 810.632.5223.

## American Legion Post 415

### Next meetings-May 12 & 26

The next meeting of the American Legion Post 415 is scheduled for Wednesday, April 14 at the Hartland Fire Hall in the training room located next to Spranger Fields on N. Hartland Road. The meeting begins promptly at 7:00 p.m. **The 2010 schedule of meeting dates are:** May 12 & May 26 and June 9. Please come and join us. We are planning for the 2010 Memorial Day festivities. If you have any questions or require more information contact our Commander Douglas Kuhn at 810.629.3818 or email [deepdigger@yahoo.com](mailto:deepdigger@yahoo.com).

## Conservancy Sponsoring

### Nature Preserve Dedication & Wildflower Walk-May 15

The public is invited to join members of the Livingston Land Conservancy on Saturday, May 15 at 10:00 a.m. for a dedication ceremony and an informative and entertaining Wildflower Hike. Livingston Land Conservancy members will lead participants at the Round Lake of Hartland Nature Preserve on Blaine Road in Hartland Township for a walk looking for early spring wildflowers following a dedication ceremony. People wishing to attend this free program are encouraged to wear boots or shoes suitable for hiking and dress for the weather. The event will be held even if there is a light rain, though a constant or heavy rain would cause a cancellation. Parking will be along Blaine Road south of M-59 east of US-23.

#### Round Lake of Hartland Nature Preserve

Vernal pools mixed with swamp white oak, green ash, and red maple along with little under story helps make prime habitat for the endangered Indiana Bat. That is the nature of the ecosystem of the Livingston Land Conservancy's newly acquired preserve on Blaine Road in Hartland Township known as the Round Lake of Hartland Nature Preserve. This 10-acre piece was recently given to the Conservancy by Wal-Mart Stores East as part of their development at M-59 and US 23.

#### About the Livingston Land Conservancy

Founded in 1991, the Livingston Land Conservancy is a private, non-profit, tax-exempt 501(c)(3) organization working to protect the natural heritage and rural character of the Greater Livingston County Area. In recent years, the fastest growing means of protecting land has been through the use of conservation easements, a legal agreement between a private landowner and a land trust that permanently limits the scope and type of development while leaving the land in private ownership. LLC funds their land protection activities through private donations, gifts from corporations and foundations, and fundraisers. The organization currently has over 530 acres under protection.

Information regarding the Livingston Land Conservancy is available by calling 810.229.3290, e-mail at [info@livingstonlandconservancy.org](mailto:info@livingstonlandconservancy.org), or visiting the organization's website at: [www.livingstonlandconservancy.org](http://www.livingstonlandconservancy.org).

## Oratorical Winners Announced

On March 29, the Hartland Optimist Club held its annual Oratorical Contest. The contest was sponsored by First National Bank of Howell. Chairman of the event was Kristin Plew, manager of the Hartland Branch of the First National Bank of Howell and Hartland Optimist Club secretary. The contest showcases the talents of young men and women up to the age of 16. Contestants are expected to write and perform a four minute presentation on a topic selected by Optimist International. This year's topic was "Cyber Communication: Progress or Problem?" The club is proud to announce the name of the winners. The girl's division first place winner was Rhi Siehl. The winner in the boy's division was Jacob Scherba. Rhi and Jacob moved on to compete at the zone level in April.

The speeches presented by all the students were exceptional. Very few points separated first place winners and the other contestants. The Hartland Optimist Club salutes all our participants and thanks them for a wonderful evening. Judges for this year's contest were selected from local businesses. The Optimist Club wishes to thank Jouni Mantyla, owner of Michigan Rehabilitation Specialists, Nick Shaieb, owner of the Hartland Big Boy Restaurant and Adam Pushman, owner of Kahuna Coffee for making the difficult decision as to whom to send on to the next level of competition.

## Farmers' Club Seeks Members

At one time there were about 900 active Farmers' Clubs in the state of Michigan, now the Howell Farmers' Club is the last remaining active Farmers' Club. The Howell chapter had its organizational meeting in March of 1897 and their first meeting in April of that same year and has been in operation ever since. The last state wide meeting of the Farmers' Clubs was held at the Fowlerville Methodist Church in 1946. Livingston County was home to ten clubs, and the Howell Farmers' Club is the last one still meeting. The organization is open to anyone with an interest in farming and if you eat you have an interest in farming.

At noon to 3 p.m. on the first Thursday of each month the club meets at the Howell Township Hall at the northwest corner of Byron Road and Barron Road for a pot luck lunch and a presentation from a guest speaker. Each month between 20 and 30 members arrive with a variety of salads, entrees, breads and desserts, bringing their own plates, silverware and cups to enjoy socializing over lunch with coffee and tea provided. After the meal, a guest speaker enlightens the group with presentations on topics ranging from healthy living, travel experiences, government, agriculture, their hobbies, and any number of interesting topics. Scheduled topics in upcoming months include accident reconstruction, trees, and missionary experiences in Central America.

Annual dues are \$1 per year and \$1 each monthly meeting attended. New members are always welcome to join this interesting and diversified group for an inspiring and uplifting experience. For more information contact Bob Henshaw at 517.546.1719 or email: [rjhenshaw@sbcglobal.net](mailto:rjhenshaw@sbcglobal.net).

## Friends of the Cromaine Library

Once again the "Friends" of the Cromaine Library would like to thank everyone who worked so diligently to help make our "Spring Book Sale" a big success. It is exciting to realize how many people love Cromaine, and are willing to give of their time to make this event special.

It should be noted that all profits from our money-making endeavors go directly back to the library. We are happy to announce that we are currently able to give \$9,000 to the library, \$500 for the Livingston Read., \$4,000 for the Big Read and \$4,500 for the Summer Reading Program.

The "Friends" have recently acquired a grant from the "Michigan Friends of Education" due to the efforts of Lisa Moses. Many of the books we receive will be used as prizes for the participants in the "Summer Reading Program."

Thanks to Barnes and Nobel for their contribution of books, wrapping paper, and gift items. Their kindness is truly appreciated. We want to send a million hugs to Liz from Liz's Book Store in Fenton. We are thankful for her constant support.

The "Friends" are looking forward to their CHRISTMAS in JULY GARAGE SALE. Please stay tuned for the date and other details.

The "Friends" always welcome new members. Join us and see how much fun we have. Membership applications are available at the circulation desk.

## Hartland Home and Garden Club

### Next Meeting May 12

The May meeting for the Hartland Home and Garden Club will be on Wednesday, May 12. Join us at the Hartland Cromaine District Library (6:30 pm) in downtown Hartland where we will be cleaning up the gardens for our spring planting. Bring your tools and garden gloves for this hoedown.

At 8:00 pm we will learn about a possible library expansion from Library Director Ceci Marlow, followed by a business meeting and refreshments held in Community Room of the Cromaine Library. For more information, call 810.629.2136.

### Don Rhodes

widely differing viewpoints and restore order and civility to local government. This was done in a selfless and dignified manner. Encouraging cooperation and fresh ideas from those who had new ideas and approaches while respecting the opinion of those already involved, he helped foster an environment of productive cooperation.

Included here is an excerpt from a letter written by Mr. Joe Petrucci of the Hartland Township Board which was read to the board at a public meeting upon Mr. Rhode's third and final retirement in 2007:

*"The people elected you several years ago as their supervisor. Then a few years later the previous Township Board had to find someone to fill the seat of a recalled supervisor. This was not an easy task for that Board because under the circumstances they had to go outside the Board members to fill that seat. They had to find someone who could bring this Township together. They had to find someone with the personality, respect and demeanor that could take charge and bring peace in this Township.*

*Perhaps on a much larger scale there was similar challenge that was undertaken by one of our Presidents, Gerald R. Ford. He too found himself in the highest office in the land at a very uncomfortable, uncertain and untrusting time. It is not easy to be put in that position, because I'm sure the challenges are far beyond what I can imagine.*

*Don, you took on that challenge and you did not shrink from the responsibility. You brought calm to this Township that was in a terrible storm. During that short time of our local history, to the world, you may have been one person, but to Hartland Township you were the world."*

### Nora Kessel

Caroselli. In addition to Nora's service to the Board of Education, she also served on the board of several other community organizations including Livingston County Big Brother/Big Sisters and the Pregnancy Helpline. She was also a very active member of St. John's Catholic Church.

In 2002, Nora along with her mother and other family members created the Michael K. O'Brien Scholarship in honor of her father. The scholarship was established to provide funding for LEGACY Alternative Education students continuing their education after high school graduation. Nora and her family were huge supporters of LEGACY and they truly believed in giving students a second chance. Since 2002, sixteen (16) students have been awarded the honorary Michael K. O'Brien \$500 scholarship.

During her own valiant fight with

breast cancer, Nora lobbied for and got a Hartland chapter for the American Cancer Society's Relay for Life. She went on to chair two extremely successful Relay for Life events that garnered the Hartland community national recognition from the American Cancer Society for the extent to which Nora was able to involve the entire community, as well as for the amount the events were able to raise.

In January 2010 Nora moved her family to the Upper Peninsula for financial and personal reasons. The Hartland community lost one of its brightest beacons and strongest advocates. She will be forever missed.

## Pink Clover, Pink Clover... Another Great Season's Over!

Encore would like to thank the community for a wonderful season and your continued support. We were able to raise \$535.00 for FAKS – Livingston County Foster Adoption and Kinship Services. The money was raised from the sale of pink clovers, during our Seussical Jr. show. Dr. Seuss' character Horton the Elephant was a foster parent himself, as he sat on that egg, and nurtured and cared for the "elephant-bird" who hatched from it. We agree with Horton, that "A person's a person not matter how small;" and thanks to your generous support, foster children in our community will have the opportunity to attend summer camps and after school activities.

Summer is just around the corner, and so is Encore Boot Camp! Mark your calendars for the first two weeks in August. This year we will be offering separate sessions (\$75/session – includes T-shirt!)

- "Acting Up" – Exploring the FUN-damentals of Drama (ages 8 -18) - Session 1 – August 2 -6, 9am-noon.
- "Acting Up" – Exploring the FUN-damentals of Drama (ages 8 – 18) - Session 2 – August 9-13, 9am- noon
- "Stage Technique" – Delving deeper into the actor's craft (ages 8 – 18) – Session 1 – August 2-6, 1pm- 4pm
- "Character Camp" - For high school students, who submit a theater experience resume and receive an invitation.
- Session 1 – August 9-13, 1pm – 4pm

# Scouting News

## Cub Scout Pack 383

In celebration of the 100th birthday of scouting, Pack 383 recently held their annual Blue and Gold banquet. The boys were surrounded by the past, present, and future of scouting. Historical items were displayed, there were hands-on activities such as knot-tying, and the highlight of the evening was a Sumo-Bot Battle presented by Rocks and Robots of Ann Arbor! After enjoying dinner and birthday cake, the boys were presented their rank and the Webelos II's crossed over to Boy Scouts.

Achieving the highest rank in Cub Scouts, the Arrow of Light, were William Carr, Brett Furge, Matt Hense, Owain Kert, Mason McNutt, and Randy Ward. By earning all 20 Webelos Achievements, the following scouts were awarded the "Heavy Shoulder Award," William Carr, Brett Furge, Matt Hense, Owain Kert, and Brett Lubeski. Also crossing over to Boy Scouts that evening was Andrew Spisz. We congratulate these boys on their hard work and many achievements while members of Village Elementary's Cub Scout Pack 383 and we wish them the best of luck as Boy Scouts.

## Cub Scout Pack #380 News

This month has been very exciting for our scouts. We have been working very hard at learning about the engineering of building bridges from popsicle sticks and then seeing how much weight they can hold. In our Webelos den, 1st place was Nick Anderson with a weight of 330 lbs, 2nd place was Ryan Schmidt with a weight of 230 lbs, and we had a tie for 3rd place between Sean McDunnough and James Germane with 185 lbs. Brady Johns and Tristan Biehn from the Bears den also participated in this exciting event. Congratulations to all of our scouts.

Community service is another big part of the scouting experience. Each year we collect donations for intellectually challenged children on behalf of the Knights of Columbus. Thank you to our scouts that helped with this year's Tootsie Roll Drive with the Knights of Columbus.

The District PineWood Derby was held on March 27 at Hanover-Horton Middle School in Jackson County. Congratulations to Robbie Perry for taking 3rd place out of 20 other Bears. Great job in representing pack 380.

Looking forward, the scouts of Pack 380 will be building and launching their rockets. Some of the other activities that are coming up include the Memorial Day parade, our annual picnic and Resident Camp this summer.

Incorporating learning with fun events is a part of what scouting is all about. Any boy, grade 1-5, is invited to join our pack for lots of fun while learning some valuable life skills. Contact Tom McMullen, Cubmaster at 248.887.6062, for more information.

## Do the Math on Summer Memberships

If you're "stay-cationing" this summer, have you considered a ¼ -year membership at the Hartland pool? Where else is always warm, sunny?

Do the math. If a family comes to the pool twice a week for 13 weeks, the cost is \$11.38 per week, and you can come as often as you like. Where else can you go where it's always safe and sunny, and everyone has a good time?

Open Swims are 2 x day, 6 days x week. 3-month memberships are \$85 for one person, \$112 for a couple (two people who live in the same household), and \$148 for a family (all must live in the same household). During the summer, non-residents pay the same as residents.

Families with young children often bring the kids' pajamas, and take them home freshly showered and worn-out-ready-for-bed.

From June 14 – September 7, Open Swims are 3:00-4:30pm and 7:30-9:00pm, Monday through Saturday. The pool will be closed September 6 and 7 for Labor Day weekend. ¼ year memberships run for 13 weeks from the date of purchase.

Membership includes the use of all facilities, during regularly scheduled hours, except for classes with an instructor. Most information can be found at [www.hartlandschools.us](http://www.hartlandschools.us), then follow the link to the aquatic center, or call 810.626.2279.

## Summer Swim Lessons

Summer swim lessons are offered in two-week sessions, Monday thru Thursday, for two weeks.

Aqua-babies thru Beginner 1 are 30-minute classes for \$72. Beginner 2 & above are 45-minute classes for \$96.00.

If you aren't sure about what the appropriate class is for your child, or for further information, please call 810.626.2279. To register, or view the class schedule, go to [hartlandcommunityed.com](http://hartlandcommunityed.com).

Session 1	6/14-24	9:00am - 3:00pm	4:45 - 7:30pm
Session 2	6/28-7/9*	9:00am - 3:00pm	4:45 - 7:30pm
Session 3	7/12-22	9:00am - 3:00pm	4:45 - 7:30pm
Session 4	7/26-8/5	9:00am - 3:00pm	4:45 - 7:30pm

\*Please note July 4 is on a Monday, so that week only, lessons are Tuesday thru Friday

## Hartland Wrestling Club

The Hartland Youth Wrestling Club Elementary Dual Team won the Michigan Youth Wrestling Association (MYWA) State Championship held in Battle Creek at Kellogg Arena. The HWC Middle School Dual Team had tremendous success as well with a 3rd place finish. The Elementary Team, with wrestlers from K-6th grades, boast a nearly perfect record on the Myway Dual Tournament circuit for the past 2 years, with the only loss coming in January 2010 to the Holly Elementary Dual Team by 1 point.

At the 2010 Myway Dual Team State Finals, after 65 total matches, Hartland's Elementary team destruction tally totaled **45 wins**. Of those wins **26 were Pins, 2 Tech Falls** (winning by 15+ points) and **9 ended in Major decisions** (winning by 8-14 points). HWC Elementary wrestlers handily defeated *Dansville 52-7, Dundee 48-15 & Swartz Creek 55-6, Hesperia* in the Semi's *38-27* and *Holly* in the State Finals round *32-27*, crowning them the undisputed 2010 State Champs 2-years in a row.

These wrestlers and many others are part of the 100+ Hartland Wrestling Club trained by HWC Head Coach, Jerry Bommarito and Coach Bob Phifer. The club is made up of beginner/novice to expert wrestlers in and around the Hartland area between the ages of 5-14. The program is designed to introduce new wrestlers to the sport allowing them to earn their way to the Open or Experienced practices and tournaments. Open and Experienced wrestlers are trained with many of the same demands and techniques expected at the high school level. The HWC Open practices are not for the weak minded, it is after all, where Hartland Wrestling Champions are made.

The HWC also qualified 35 wrestlers to the individual Mid Michigan Wrestling Association League Finals, held at Howell High School this season with over 800 youth wrestlers from all over the state of Michigan, placing 15 in the TOP 4 and 5 being crowned League Champions. The Michigan Youth Wrestling Association hosted the Individual State Finals, where 2,400 of the best youth wrestlers from all over the state of Michigan converged on Battle Creek. HWC qualified 12 and all 12 placed in the TOP 6 in the State of Michigan.

To be a part of the action next season, look for HWC registration in October 2010 or visit our web site at [hartlandwrestlingclub.com](http://hartlandwrestlingclub.com). HWC accepts wrestlers from the ages of 5-14.

# Hartland Area Woodcarvers Guild

## Carve eagle cane heads for Project "Lean On Me"

On April 14, the Hartland Area Woodcarvers hosted Bill Jaquays, their regional representative from the Michigan Wood Carvers Association. Bill assisted 11 members of the club in the carving of eagle head canes to donate to the project "Lean On Me." The canes are given to wounded veterans of previous campaigns going back as far as World War II. President Charles Smith was responsible for organizing this event.

If you would like to become a member of the woodcarving group, we meet every Wednesday at the Hartland Senior Center from 8:00a.m. to 3:00p.m. Be sure to stop by our showcase in the main entrance to the Hartland Education Support Services Center on M-59 to see a sampling of the artwork created by the members. For more information about the Guild contact Chuck Smith at 810.632.3345.

## Enrichment classes for May

It is time to shake off those winter blues and try some new classes offered through your local Community Education Center. We have a variety of courses that will teach you a new skill, encourage the creative artist in you, or help you sell those things on eBay as you do your spring cleaning. Want to get back in shape? Be sure to check out our fitness classes, Boot Camps, gymnastic classes for kids and more.

View our course catalog on line at [www.hartlandcommunityed.com](http://www.hartlandcommunityed.com). You can read a full description of the classes as well as see some photos of the items to be made. Give us a call at 810.626.2142, Monday-Friday from 8am-6pm. We are here to answer all of your questions and get you enrolled.

## Challenger British Soccer Camp-June 21-25

As the number of soccer players in the USA nears 20 million, the number one soccer company in the United States, Canada and Australia, Challenger Sports, has been invited to hold one of their nationwide program of British Soccer training camps right here in the growing soccer community of Hartland.

Hartland Soccer Club has teamed up to host the week long British Soccer camp during the week of June 21-25 at Farms/Lakes Soccer Complex.

Challengers' British Soccer Camp is more than a week of drills and skills. In addition to taking part in a daily regimen of foot skill development, technical and tactical practices and daily tournament style plays, each child will also be treated to a rich cultural experience and lessons on respect, responsibility, integrity, leadership and sportsmanship.

The most popular part of each camp is the Camp Word Cup. The coaches use this daily tournament to teach the players about life, customs and traditions of other countries. The campers are asked to make up cheers, bring flags, dress up and learn as much as they can about the country they represent. Register now at [www.challengersports.com](http://www.challengersports.com) **Registration is now open.**

## Tetrabrazil Soccer Camp August 9-13

Hartland Soccer Club is proud to announce a partnership with TetraBrazil! Hartland will be the sole host of TetraBrazil Soccer camps within an hour radius.

TetraBrazil brings the flair and passion of Brazilian soccer to America. The TetraBrazil Soccer Camps provide American players with the opportunity to experience first-hand the kind of soccer training that has made Brazil the most successful soccer nation in the world. The TetraBrazil system of coaching teaches Brazilian techniques, footwork and moves in a fun and challenging environment! Each camp will feature high quality soccer training from expert Brazilian Soccer Coaches. Each camper will receive a free TetraBrazil soccer ball and shirt, plus a free TetraBrazil game jersey when you sign up on line at least 45 days prior to camp.

The inaugural Hartland-TetraBrazil Soccer Camp will be held August 9-13 at the Farms/Lakes Soccer Complex. Half Day (morning and afternoon) and Full Day sessions are available. Please register on line at [www.challengersports.com](http://www.challengersports.com) for this never before available experience. **Registration is now open!**

## INDOOR WALKING

Residents may walk indoors at the Hartland Educational Support Service Center (HESSC) on M-59 during the day. You **MUST CHECK IN** at the Community Education office and SIGN IN to get a "walker pass."

Please get the revised map if you are walking the halls from 8:00 a.m. to 2:30 p.m. Indoor walking is available from 8:00 a.m.-8:00 p.m. Monday through Friday. During school hours you must walk the revised map route. No walking on NO SCHOOL DAYS, posted holidays or special events. Please keep your conversation volume low so you do not disturb classes that are in session. No running is permitted. Coat racks are available near the Community Education office. Walk the outdoor 1/4 mile track too.
