Superintendent's Message

Janet Sifferman, Superintendent

Dear Hartland Graduating Seniors:

Your career with Hartland Consolidated Schools is rapidly drawing to a close, and waiting for you at the end of this road is the rest of your life. While it seems inconceivable that you could possibly have better times and better friends than you have now, I promise you the best is yet to come!

There will be numerous parties and celebrations awaiting you in the coming weeks and you certainly deserve each and every one of them. However, please remember, this is a very short period at the beginning of a very long and bright future. Do not do anything that will jeopardize your life or your future happiness. You certainly can have a great time and enjoy yourself without the aid of alcohol or drugs. The rules you learned here - Reason, Respect and Responsibility - should remain with you as you go through life. Please remember to think before you act. This time should be remembered for the joy and excitement of achievement, not as a time of tragedy.

Congratulations to you and your families.

Respectfully, Janet Sifferman, Superintendent

In addition to congratulating Hartland's 2010 graduating class, I would like to thank the entire Hartland community for their continued support of our school district during these trying financial times. The successful passage of the February 2010 Bond Issue as well as the renewal of the 18-mill Non-Homestead Millage will help us to continue to provide the programming and services for our students that the community has come to expect. It would be impossible for Hartland Schools to do what we do without your continued support. This is a wonderful place to live and work! Thank you.

Sue Merrill is Teacher of the Year

Mrs. Sue Merrill has been named the Hartland Consolidated School District's Teacher of the Year for 2009-10. She has taught many students in various science courses throughout her tenure in the school system. She has shared her personal love of the sciences with passion and kindness. Mrs. Merrill is a past recipient of the Earth Science Teacher of the Year for the State of Michigan as she has consistently been noted as a leader in this field. Many former students include Mrs. Merrill in their list of top teachers who have had a great impact on their lives. Congratulations Mrs. Merrill you are well deserving of receiving this recognition.

HHS Newspaper Receives Gold Rating

Members of The Eagle newspaper staff attended the Michigan Interscholastic Press Association's state journalism awards in Lansing on April 30. The staff received a Gold rating for the Eagle high school newspaper and several individual awards. The staff competed against 20 schools with 903 entries in Division I, which is made up of the largest schools in Michigan. The following students received individual state awards for the 2010 school year:

Mother & Son Team Bring State Honors Home

The Michigan state racquetball singles championships were held at the Davison Athletic Club March 26-28. RJ Bortle, in his first state competition, held his own in two events. RJ ranked 6th after a day-long round robin with the U12 set, and he brought home silver after placing 2nd in the U14 event. RJ's mom, Kelly Bortle, won the finals in the Women's B competition for this year's state title. Congratulations to Hartland's champs!

Earn More Money Through Recycling!

Hartland High School Green Team

Hartland Student, Parents, and Community Members:

Put paper in our GREEN and YELLOW bin and help Hartland High School earn money. You can recycle paper at our location in front of the high school 7 days a week. We earn money for paper dropped off at our green and yellow Paper Retriever. This is an easy way for you to recycle your paper every week and help us raise money for projects and other worthwhile activities at Hartland High School. Please remember to bring your paper and drop it in the Abitibi Paper Retriever bin, which is free to use!

We accept:

Newspapers
Magazines
Shopping catalogs
Office and school papers (scrap paper)
Mail

We do NOT accept:

Plastic
Metal
Glass
Trash
Cardboard

Please add recycling to your errand route and bring your paper by once a week. Help our organization and the environment!

Thank you for your support of this important fundraising effort.

Link Crew Welcomes The Class Of 2014

On Tuesday, August 31 from 7:45 a.m. until 12:30 p.m. Hartland High School will welcome the class of 2014 with a mandatory orientation program called Link Crew. This orientation is designed for students only. Parents will have an opportunity to join their student at the conclusion of the Link Orientation.

The Link Crew program "links" junior and senior students with a "crew" of freshmen. For two days prior to the orientation, these junior and senior Link Leaders, from diverse social backgrounds, will be trained to lead small groups, to be role models to others, and to guide the activities for the orientation day. At the heart of the Link Crew program is the belief that these older students are capable of great leadership to the freshmen, as well as other students on campus.

The purpose of the Link Crew orientation day is to give the freshmen a positive experience on the HHS campus. The day will begin with an exciting welcome. After a few warm-up activities, the students will participate in some get-to-know-you activities with their classmates and Link Leaders. Then students will be introduced to their assigned Link Leaders. Each crew will participate in small group activities designed to help the students learn about each other, their school, and their Link Leaders. The small group time will conclude with a brief general tour of the school, pointing out key locations such as the main office, cafeteria and main academic hallways.

Students must attend this orientation to receive a copy of their class schedule prior to the first day of school. The school tour provided during the orientation will not allow the students to walk their individual schedules. Therefore, parents are invited to join their ninth grade student following the conclusion of the orientation program for ice cream. At this time, parents and students may walk through their class schedule in order to feel more comfortable with class locations prior to the first day of school.

Stay tuned because Link Crew continues throughout the entire year with social and academic follow-ups between the Link Leaders and their crews.

Check for updates at: <http://hartlandhighschool.us/Orgs/linkcrew/index.htm>

****NOTE****Ninth grade registration will be held on August 24. This is a separate event from orientation, but it is mandatory that students and parents attend. At registration parents and students can expect to turn in emergency cards, get school pictures taken, pay for school pictures, athletic passes, etc...Please contact linkcrew@hartlandschools.us with questions.

M.I.T.E.S. Competition Results

Congratulations to Matt Assenmacher's Drafting I students from Hartland High School. These students competed with their drawing projects in the annual Michigan Industrial Technology Education Society (M.I.T.E.S.) Region 8, Student Competition. The competition was held at Hartland High School on April 30. The students were selected from among hundreds of other competing students in the Lansing region. The Hartland students were awarded ribbons for placing in the top 4 places for a particular project category. All of the student projects will be moving on to the state competition which is being held in Sault Ste. Marie.

First Place: Sarah Goodall, Kevin Pennal and Jesse Nimmo; **Second Place:** Nathan Theisen, Jon Betoski, Nick Shaieb, Brian Dougherty and Natalie Nogoy; **Third Place:** Kyle Classen, Nick Gugin and Laura Clift and **Fourth Place:** Michael Wojciechowski

Anti Bullying Assembly

Now you see them...now you don't! Farms' students recently attended an anti-bullying magic presentation that used magic tricks to convey the message that if everyone at Farms works together, bullies and bully behavior will disappear. The program defined what bully behavior looks like and what students can do if they find themselves in a bully situation either as a victim or as a bystander. Entertaining and educational, students learned how to avoid or react to bullying in a safe and effective manner.

FIS celebrates Earth Day!

by *The FIS Green Team*

FIS celebrated Earth Day on April 22. Our "Green Team" headed up a Poster contest and a hat day. The Farms students raised \$ 339.00. These funds will be used to adopt a bald eagle and to help purchase an acre of land in one of our Michigan State Forests.

Mrs. Cross class raised a total of \$56.51 our class winner for our Hat Day contest 2 years in a row! They were awarded ice-cream treats. Farms staff and students are helping to spread the word how important it is to take care of our Earth! Pictured are the winners of the Poster contest: **Left to right: Heather Wilkin-6th Grade Runner Up, Enzo Ianello-6th Grade Winner, Devyn Shah-5th grade Winner, Allison Parker-5th grade runner-up.**

Star Readers Program

Star Reader is a program designed to encourage students to read, read, read. The Farms teachers select two students each month from their homeroom classes who have exhibited good reading habits. These students are the ones you see reading whenever they have a few minutes to spare. All monthly winners receive a \$1.00 gift certificate to our Spirit Store. The winner's names are then entered for a drawing for a \$20.00 gift card to Barnes and Nobles. Each month there are six lucky winners for the Barnes and Nobles gift card. At the end of the year there is a Final Grand Prize Drawing for a basket full of books. **Congratulations to our March and April 2010 Star Readers pictured below.**

March Readers: Jake Kantola, Sydney Brief, Emma Laskey, Seth Loffreda, Marijane Page and Kayla Burdick

Magnets are part of our first grade curriculum so the fun and learning will continue at Creekside.

1st Grade at the Hands-on Museum

Creekside's first grade students visited Ann Arbor's Hands-On Museum on Thursday, April 29. The Hands-On Museum has over 250 exhibits, and their signs display a message that the children can understand, 'Please touch.'

As the children piled inside they were instructed to walk up the musical staircase. With eyes wide, they approached a rather normal looking set of stairs. But their faces broke out into smiles as they realized that with each step up, a musical note would play. As the students poured up the staircase they were able to take in some of the first floor exhibits, slinkies hanging from the ceiling, and everything 'kid friendly.'

One favorite was the cut-up house, with everyday household items cut into for a look inside. They were able to see how a light-switch worked and even the inside of a wall. Justin Farris wanted to see how a toilet works.

The museum has 4 levels of exhibits that the children really enjoyed. Another favorite was described by Morgan Donovan, "I loved the music room. I played the harp...without strings. It has lights that you put your hands under and it plays. It was so cool."

A few other favorites were the rock climbing wall, put yourself inside a bubble, and a smoke tornado! The children had a lot of time to explore and then it was time for the Marvelous Magnets lab. This was a 50 minute class where the children learned and explored with magnets. The children experimented with magnetic and non-magnetic objects. They learned about magnetic fields and poles. They had the most fun with repelling magnets in their floating magnet experiment. Lastly, the students were introduced to the world's strongest magnet, a neodymium. They attempted to pull it off of the metal door, but this was truly a strong magnet that wasn't going to budge.

The best part about the Hands-On Museum is that it makes a great family trip. With the summer coming up, it would be a great place to spend an afternoon.

Congratulations to the Lakes Elementary School community for being named a Michigan Green School for the fourth year in a row! This year we achieved Evergreen Status, the highest possible, for the many initiatives and activities that we do at Lakes to keep our school green and to maintain awareness of reducing, reusing and recycling. Thanks to students, staff, and parents for their many efforts!

Thanks to Mrs. Shari Russano, Lakes Art teacher, for consistently using recycled materials for the many wonderful projects that our students create in art class.

Thanks to the Amazing Clark for an informative and entertaining "Think Green" show for Earth Day this year. Assisting Clark in this photo are first graders: Zorah Smith-Bruce, Charlie Anderson and Erica Operti.

Thanks to our wonderful fourth grade safeties who recycle paper and plastic bottles in the school each week. Pictured here are Patrick Rosso, Krystian Dembowski and Kobe Richards who are loading up the barrel with paper to later throw into our recycle dumpster.

Lakes staff put on a lovely dessert in April to pay tribute to our fabulous parent volunteers! We do appreciate all that our volunteers do on a daily basis at Lakes Elementary and realize that their hard work is critical to our success as a school community. This year, our teachers and staff prepared all of the delicious desserts that are being enjoyed here by parents, Mrs. Karen Wisinski, Mrs. Mary Allen, Mrs. Teri Sweet and Mrs. Tina Braid. Thanks to all of our volunteers!

Congratulations to our Lakes Citizens of the Month for May. These students have displayed exceptional effort, achievement and/or citizenship in their classrooms and we are very proud of them!

Celebrating Earth Day 2010

Village Elementary students and teachers took part in a wide range of Earth Day activities this year. Kindergarten classes planted flowers and 4th grade classes participated in installing a plant filter called a rain garden to keep parking lot contaminants from going into the nearby streams. Students heard from VIP Eco readers, enjoyed stories about endangered and threatened Michigan species, and learned about the Kirtland Warbler, black bear, and other native animals.

Earth Day

by Jerome Barry

As more and more people become aware of the impact humans have on the planet, efforts both big and small, are being seen across the globe. LEGACY recently received recognition for being a Green School from The Michigan Green School Organization.

One of the goals of Michigan Green Schools is to get each school in the state to achieve "20 Points for Energy and Environmental Savings Activities." LEGACY received their required points for observing Earth Day in April, doing major recycling projects, energy saving, building a bird habitat and adopting an endangered species, a polar bear.

On Earth Day April 22, LEGACY students planted seeds for the LEGACY garden, gathered refuse around the school grounds and hung bird houses created by students. With each small step, schools and communities are making progress into a better future, not just for ourselves, but for the planet as a whole.

LACASA "Walk a Mile in Her Shoes"

On April 24, approximately 19 LEGACY Students and 5 staff members, along with family members, participated in the LACASA "Walk a Mile in her Shoes" event. The event took place at the Tanger Outlet Mall and was led by Channel 4 reporter Steve Garagiola. The Walk started at the food court and proceeded once around the outlet mall.

Approximately 140 men and boys participated in the walk by walking in women's shoes. Some wore heels, some wore sandals, and some even had their nails painted prior to the walk. The walk was an international Men's march to stop Rape, Sexual Assault and Gender Violence and all funds raised went to LACASA.

This year was the biggest turnout and participation for LEGACY students, who have supported this walk for the past four years. The LEGACY group was honored with the "If the Shoe Fits" award and acknowledged for their role as a group of young men who help this cause.

Financial Gifts to Children and Their effect on Medicaid Qualification . . .

There are so many misconceptions surrounding Medicaid with respect to financial gifts, that we thought we would address some of the more frequently asked questions:

Q: "Is it true that under current Medicaid laws, a parent cannot make financial gifts to their children once they have entered the nursing home?"

A: No. In fact, a proper gifting program is a great Medicaid planning technique. At the time an applicant applies for Medicaid, the state will "look back" five years to see if any gifts have been made. Any financial gifts or transfers for less than fair market value during the five year look back may cause a delay in an applicant's eligibility. A proper gifting program requires calculating the penalties *prior* to making gifts.

Q: "Is \$13,000 per year the maximum my mother can give me if she is going to apply for Medicaid?"

A: No. The \$13,000 per year gift people ask about when discussing Medicaid Planning is a *tax law* figure and not relevant with respect to Medicaid's specific asset transfer rules. The maximum monetary figure Medicaid applicants need to concern themselves with is the "penalty divisor" for their state. The penalty divisor is the state assessed average cost for nursing home care by which the state assesses Medicaid penalties.

The penalty divisor is \$6,362 for Michigan (these figures are subject to change each year, which is why consulting an expert knowledgeable in Medicaid law is imperative).

Q: "What if my mother just gives me all of her money to hold onto for her. Can I tell the state my mother does not have any money and qualify her immediately for Medicaid?"

A: Absolutely NOT. Failure to report gifts made by a Medicaid applicant constitutes fraud. Further, let's say your mother had \$21,000 when she entered the nursing home. If she were to give you all of her money in one lump sum. the gift would result in a penalty (i.e. a period of ineligibility during which time she could not receive Medicaid) in Michigan of three and one half months from the date she entered the nursing home and ran out of money, forward.

Q: "I know that my mother's house is considered 'exempt' under Medicaid laws. Can my mother give me the house without incurring penalties?"

A: No. Any assets which are given away (personal property or real property) are considered gifts. If your mother gave you her home, the state will assess a penalty based on the fair market value of the house at the time your mother transferred the home to you.

There are a number of steps a Medicaid applicant can take to preserve their assets, ranging from gifting strategies, personal care contracts, private annuities, raising the Community Spouse Resource Allowance, etc... What you need to remember is that the laws are constantly changing and the planning you did for your mother-in-law six months ago may not be proper for your mother tomorrow. Consult a knowledgeable elder law attorney for advice.

HARTLAND TOWNSHIP

2655 Clark Road, Hartland, MI 48353
810.632.7498 www.hartlandtwp.com

From the Township Planning Director, Mardy Stirling ...

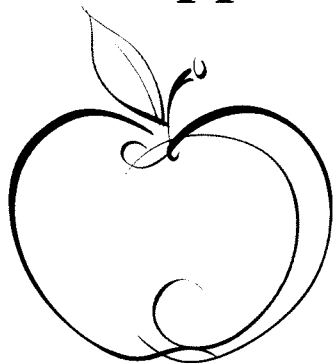

Over the past year, we have seen many changes in Hartland Township. Our landmarks have changed from the Oasis Truck Stop to Meijer, from the Hartland Plaza/Lumber Yard to Walmart. While these developments changed the landscape of the community, not all of the investments in the community are that perceptible. The Planning Department serves as your first point of contact for the review and coordination of developments, large and small. Our reviews include everything from the installation of a fence to the construction of a large retail center.

At the first hint of warm weather we start to receive phone calls inquiring about the steps needed to get a permit for home improvements, i.e., building a deck, installing fences, re-roofing, etc. The general "rule of thumb" is when you intend to initiate work on the property or change any use of the property it requires a Land Use Permit.

Following are the steps for the typical residential improvement project: (1) File an application with the associated fee with the Township Planning Department; (2) Provide a survey of the property, i.e. mortgage survey showing the location and dimensions of the improvement and measurements from any existing structure(s) and property line; (3) Provide all documents needed to secure a Building Permit with the Livingston County Building Department; and, (4) Take the Land Use Permit and approved documents to Livingston County for a Building Permit. We are excited that you are investing in the community, whether your project is large or small. Please let us know how we may assist you.

Hartland Township is requesting citizen input to increase the millage by one (1.0) mill for five years to pay for improvements to major roads and pathway networks. Visit www.hartlandtwp.com for additional information. The Board of Trustees will also be hosting a town hall meeting on **June 15 at 7:00pm**. You are encouraged to attend to express your concerns and ask the questions that will help us move forward with these challenging issues.

Managing a Disaster at Home

Two months ago I started a series on Emergency Preparedness. If you missed them, or you would like to read ahead, please go to www.hartlandareafire.com for more information.

Although you may not be asked to evacuate-and even if you are- disasters can isolate you from outside help and make it necessary for you to care for yourself for days at a time. Your disaster supply kit will contain many of the tools and supplies you need.

Power Outages: Practice energy conservation to help your power company avoid rolling blackouts. Always keep your car's fuel tank at least half full because gas stations use electricity to operate pumps. Know how to manually release your electric garage door. Protect your computer with a surge protector. If the power goes out, check your fuse box or circuit breaker, or contact a neighbor to see if the outage is limited to your own home. Avoid opening the refrigerator and freezer doors. If you plan to use a generator, operate it outside only, never in a basement or garage. Make sure to follow mfg. instructions accordingly.

What to do after a disaster: Whether returning home or venturing out for the first time, beware of new dangers that may have arisen because of the disaster. You may experience washed out roads, downed power poles, contaminated drinking water or other hazards. Report problems promptly to local officials so that corrective measures can be taken.

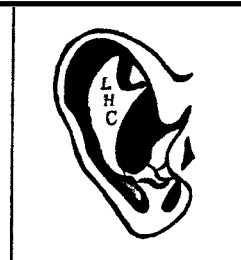

Inspect your home for damage. Look for structural damage, loose or damaged electrical wires, and gas leaks before re-entering your home. If you doubt the safety of the structure, contact a professional before entering. Do not enter a fire damaged house until authorities have inspected it. Check the refrigerator and discard spoiled food. Contact your insurance agent.

Having an emergency plan and a disaster supply kit will help you manage in almost every kind of crisis, whether natural or caused by humans. However, each situation requires specific kinds of preparation and action. Educate yourself based on the type of situations you are likely to encounter.

Everybody have a safe and enjoyable summer.

Remember slow down for kids that will no longer be in school.

Yours in Fire Safety, Michael R. Bernardin, Fire Marshal

Outreach/Resource Advocate

The Hartland Senior Center is a federally recognized focal point for senior services in the northeast corner of Livingston County. We provide information and assistance to anyone in the community on subjects including: housing, in-home services, home-chores and repairs, legal and medical services, transportation, nutrition, care-giving, health insurances, tax assistance, Medicare and Medicaid, and long-distance care-giving. Our Resource Advocate, Carol Ringle, meets with individuals in her office and can also meet with individuals in their own home. The Outreach office is truly the "heart" of the Hartland Senior Center. If you would like to schedule an appointment with Carol please call her Tuesday, Wednesday and Thursdays at 810.626.2139.

Financial Fraud: The Senior Brigade from the Atty. General's Office did a presentation at the senior center on Financial Fraud and here are a few guidelines:

- **Beware of Investment Seminars**—They try to get you to attend by offering you a free dinner. They are trying to sell you investments and often use phony qualifications and similar names of well-established financial companies.
- When investing in any products make sure they are the right thing for you, i.e., **Annunities are not always the best choice for a senior investor – because you can't draw any money out for a certain period of time without a penalty. Plus the tax implications.**
- **Be wary of anyone who uses the language "Guaranteed –No Risk".** Often will offer you other services if you buy the Product, i.e., a "free" will or trust plus tax service. Nothing is for free – the cost will be hidden in membership fees, broker fees, handling fees, etc. They also try to get you sign up today in order to get a special deal. Remember you have 3 days to break a contract you have signed. Never wire money.
- **Affinity Fraud**—These are scams that prey upon members of an identifiable group. They often pretend to be members of your church, club, etc. and exploit the trust and friendships that exist in groups of people who have something in common. They will lead you to believe other savvy investors have already invested **and you better get on the bandwagon.** They often create a false sense of security—**Remember the higher the return the greater the risk of the investment.**

How to find out if a company is legitimate is by calling the Better Business Bureau or Atty. General's Office in Lansing to see if there are any complaints against the company. Follow your feelings, if you suspect something is wrong and the explanations you receive aren't satisfactory, don't get involved. Always BE AWARE of investment scams, avoid making a bad decision by protecting yourself from fraud, and **TAKE ACTION** if you become a victim by contacting the Consumer Protection Division, toll-free, at 1.877.765.8388 or at www.michigan.gov/ag.

HARTLAND AREA
Community Council
est. 1935

Memorial Day Acknowledgements

Hartland Area Community Council would like to acknowledge the committed group of people who worked to make the Memorial Day parade and the Memorial Day Eve Luminary Walk another big success. Many thanks to Doug Kuhn, Jim Bennett and Matt Devitt of the American Legion for organizing the many Veteran activities, and Father Greg Pleiness of St. Augustine Catholic Church for his ceremonial services. In addition thank you's to Hartland High School band for participating in the cemetery service, the parade and the post-parade performances, and to Paige Currier, Brooke Purdy and Chelsea Rize for their beautiful songs; Parade Chairperson(s) Jim Sparks and Dick Krueger, with Tami Cain; Village PTO for the Pancake Breakfast; Gary Cornillaud, Paul Scheidler and the re-enactors for Luminary Eve activities; Larry Hopkins and the Flyover Button; Barbara Krueger for encouraging local businesses to place ads in the booklet; Spirit of Livingston (Kizcam) for working so hard to get the booklet ready; Julia Liljegren and the Hartland Area Chamber of Commerce for their support; James Wickman and Bill Fountain for the cooperation of the Township and the Hartland Area Fire Support team; Hartland Community Education for coordinating chair/PA set ups; Ed Hogan for additional PA setups; Judy Cowan and the Hartland Optimists for the details of selecting the Grand Marshals; Hartland Boy Scout Troop 380 and Girl Scouts for helping with the breakfast and after-parade clean-up; Hartland Cub Scouts who helped with the cemetery luminary walk; Estelle Lashbrook for coordinating all the booths and entertainment in the park; Cromaine Library for parking areas; Bill Cain and Jenifer Thomas for roadside announcing; all those who helped with judging various aspects of the parade; the Howell Nature Center and their interesting program; all the groups who made floats and marched in the parade; Dennis Tierney and Rob Buti, organizers of the 5/10K Run/Walk; and those other unnamed people who work to help make Hartland such a special place to live and work.

A very special thank you to all the advertisers in the Memorial Day booklet whose support allows Hartland Community Council to carry on various community activities.

Community Council will meet for the Parade wrap-up Monday June 7 at a place to be determined.

Hartland History Club kids who participated in setting the headstones in the cemetery are: Chris Pumford, Jack Tackett, Ali Salame, Evan Gross and Mike Wasik. Not pictured are Rhianna Dilworth and Giacomo Mattioli.

HARTLAND AREA MAC USERS' GROUP **HāMUG**

Please bring a dish to pass. Hot dogs, beverages and table settings will be provided. This year we will also have a featured speaker who will demonstrate Illustrator.

Anyone interested in learning more about the Macintosh computer is welcome to attend, regardless of your level of computer knowledge. Have questions or need information? Call Jim Sparks at 810.632.6630.

Black Sheep Weavers' Fiber Guild

Meetings resume in September

Spring has arrived with summer on the way! Some members are sheering sheep, goats and alpacas or welcoming new fuzzy babies to their fold. Some are dyeing silk, wool and other fibers into many beautiful colors of the rainbow while still others are busy creating wonderful fiber art both to wear and sell at Michigan's many festivals and art fairs.

The Black Sheep Weavers' traditionally meet from September through May, closing our year with elections for the next years board at our members potluck in June. We look forward to another year of creating art, sharing projects and ideas, attending meetings where we will enjoy speakers in the many facets of fiber art and attending educational and interesting workshops.

Plan to join us next Fall when we once again meet at the Hartland Consolidated Schools Educational Support Service Center at 9525 Highland Rd (M-59) ¾ mile West of US 23, Hartland. Our meetings are held on the first Thursday of each month. We always welcome visitors who are interested in any of the fiber arts! For additional information on the Black Sheep Weavers' Fiber Guild including photographs of our activities and artwork, visit our web site www.blacksheepweavers.com.

The Rotary Club of Hartland

The Rotary Club of Hartland moved from collecting and packing clothing for Haiti to selling donated items during the week before Memorial Day. The fund raising event was held at the Tyme Well Spent Tea Room owned by member Nancy Martin. Thank you to all those supporting our efforts, including Best Storage, who provided space to store items prior to the sale, and Jared Beauchamp who donated the use of a truck and driver.

In April, we welcomed visitors from Japan at a county-wide breakfast hosted by our club. Four young Japanese and their Rotarian group leader were part of a Group Study Exchange visiting our district. At a breakfast attended by over 60 people, including members of all five Livingston County Rotary Clubs, the visitors shared pictures and stories of their life in Japan. Member, Barbara Walker presented gift bags with items highlighting Livingston County to the GSE team. Member, Lois Halsted and her husband, Lee acted as overnight hosts to one of the young visitors.

Brenda Ochodnicki, assistant governor elect of District 6380 and member of the Livingston Sunrise Club, also made a presentation to our guests. The group returned to Japan on May 22 after stops in Oakland and Washtenaw counties, in addition to Chatham Ontario. Visiting club members were very complimentary to Hartland Rotary and the wonderful hospitality offered by our meeting facility, Village Manor Retirement of Hartland. Thanks to member, Susanne Bianchette and the staff at Village Manor.

Visitors are welcome to join us on Thursday mornings for breakfast and informative presentations at Village Manor at 7:15a.m. If you have a passion for community service and enjoy sharing the fellowship of those with a similar desire, please consider joining us.

Friends of the Cromaine Library

Summer is just around the corner, and the "Friends" are busy planning their latest fund raiser.

Christmas In July

A fun garage sale featuring Holiday items, but including many other special goodies like paperbacks for summer reading. This event will take place on July 14, between 9 am-3 pm in the "big tent" located next to Cromaine in the Village. (no clothes or large items) All proceeds go directly to the library.

The "Friends" would like to extend a big thank-you to the Hartland Legacy kids for helping us move many, many used books for our "Spring Book Sale" set-up. Also, thank you John Beebe for trucking books back to storage after the sale. We could not have had a successful book sale without your help.

Our next "Friends" meeting will be held on June 15, at 6:30 pm at Cromaine in the Village. Please come for a nice social evening and election of officers.

"The better part of one's life consists of his friendships."

Hartland Audubon Nature Club

Everglades-June 1

If a field trip to the Everglades is not in your plans this year, don't fret. You can have the next best thing at this month's meeting of the Hartland Audubon Nature Club. Mike Champagne of the Seven Ponds Nature Center will be narrating a PowerPoint presentation featuring several areas in southern Florida including the Dry Tortugas National Park, Everglades National Park, and Corkscrew Swamp Nature Sanctuary. The birds seen in these neighborhoods include the black noddy, the frigatebird, and the red-whiskered bulbul. If these birds are not common visitors to your back yard, you can learn more about them at our June 1 meeting, held at the Hartland Senior Center, located in the Hartland Educational Services Support Center, in the old high school on M-59 just west of US-23. We will begin with a potluck at 6:15 to celebrate our last meeting of the 2009-2010 season. A short business discussion will be held at 7:15 with the program following. For more information, please contact Jami Bond at 810.632.5223.

Scouting News

Boy Scout Troop 380

Troop 380's Boy Scouts pitched in at the Livingston County "Labor of Love" community service event on May 1. They performed general lawn clean up and garden preparation for families in the area. It was a very rewarding time. We welcomed new Scouts to our troop earlier this spring, and they are now working toward their early ranks of Scout and Tenderfoot. We have two Scouts working on their Eagle projects – anxiously anticipating the highest rank awarded by the Boy Scouts of America. The boys are preparing for summer camp at Cole Canoe Base in June, followed by other informal camping events. Remember to recycle your newspapers, bottles and cans at our monthly Paper Drive – 10 am on the first Saturday of each month, in downtown Hartland. Additionally, our annual fundraiser Golf Outing Scramble is scheduled for the afternoon of June 5. We are still accepting golfers – contact the Houtman family 248.684.8406 or Colianne family 248.467.6675 to sign up! It should be a fun community event!

Lakes' Cub Scout Pack 385

Lakes Cub Scout Pack 385 is wrapping up "official business" for the year, preparing for a summer of picnics, day camp and resident camp – fun stuff! We celebrated our annual Crossover Event on April 26 with each boy crossing the bridge to advance to his next rank. Afterward, we all indulged in the Ice Cream Social provided by the Tiger (now Wolf!) Cubs. Our Pack is especially proud of Will Hundt and Nate Andersen, who represented Pack 385 at the Three Fires District Pinewood Derby Race of Champions. Out of 70 regional champs, Will placed third for the Webelos and Nate placed first for the Wolves! It was a very competitive, but they were prepared for the challenge and lived the Cub Scout Motto to "do their best!" We wish everyone a safe and fun-filled summer!

Boy Scout Troop 385

by: Brian Weber, First Class Boy Scout

Boy Scout Troop 385 has been very busy. In March went to Wright Patterson Air Force Base in Ohio. We camped out on base right next to the run way. We watched cargo planes do touch and goes all day. We also toured the National Air Force Museum and Hall of Fame. There were planes from many different wars and some had actual battle damage. The differences in the planes from the olden days and today's planes was very interesting.

This month we went to Livingston Conservation & Sports Association for the district spring camporee. Many Boy Scout Troops attended the event to join in the fun of Boy Scouting. Next month we are going up to Ludington to camp near Lake Michigan.

This spring we had a flower sale to raise money for more troop equipment and to help pay for scouting events. We also collected Easter clothes for needy families.

Girl Scouts Serve Tea

A group of Hartland Girl Scouts (3 Cadettes, 2 Juniors, 2 Brownies!) recently served at the Hartland Garden Club Annual Tea and Fundraiser. The girls served several teas throughout the evening. This year there was a Darjeeling and a Hawaiian Punch Tea. In addition to the tea, the girls served tea sandwiches, scones and delicious finger deserts all hand made by the multi-talented ladies of the garden club. This annual event is an opportunity for some community service for the Girls and a fundraiser and social event for the ladies of the Hartland Garden Club. An event all enjoyed!

Girl Scout Troop 958 ROCKS!

The girls of Junior Girl Scout Troop 958 of Farms Intermediate and Village Elementary school have fulfilled the requirements to earn the BRONZE Award, the highest award a Junior Girl Scout can earn. The troop is made up of fun-loving, hard-working, considerate, and energetic 4th and 5th grade girls. To receive this award each girl has made a promise to help other people, to make improvements in the community and world, and to become the best girl she can be. The Mission of Girl Scouting is to build girls of courage, confidence and character, who make the world a better place. In keeping with this mission, the girls and leaders decided to partner with the American Red

Cross (ARC) of Livingston County to complete the major requirements of the award. This project was facilitated by Colleen Brothers, ARC Preparedness Coordinator.

Earning this award was a multi-step process with several requirements. To fulfill these requirements, the girls spent 15 hours on a community service project, earned the First Aid and Sew Simple badges, completed a Girl Scout Sign award, and earned the Junior Aide Patch. For the main part of the project, the girls chose to make blankets to donate. Each girl was required to shop for and purchase blanket material. Using sewing machines the girls completed the Sew Simple Badge by learning to thread a machine and sew patches on their own vests. Additionally, in the preceding 2 years, each girl earned the Junior Aide award by mentoring younger troops and completing the Sign of the Sun project.

Just a few days after the girls completed the blankets, the ARC Disaster Relief Truck paid a visit to the school. On that afternoon, Colleen taught the girls the "Red Cross Ready Program." These blankets will be given to disaster victims in Livingston County. The girls visited the ARC Livingston Campus building to assemble Kids care packs. These care packs are specifically made for children involved in disasters. The girls donated supplies, made encouragement cards, and assembled the care packs. The girls also assembled dog and cat care packs at home, and donated them for pets involved in disasters. The girls were given a tour of the facility which improved their understanding of the process and mission of the ARC. ARC returned to the Farms Intermediate School where Colleen presented the First Aid program, completing the requirements for the badge.

On April 19, each girl fulfilled the requirements to receive the Bronze Award, and on June 11 received this award at Camp Linden. The leaders and the girls would like to thank the American Red Cross and Colleen Brothers for helping them achieve this award. Additionally, the leaders would like to thank the parents for their ongoing support of the troop. The troop is lead by Jennifer Allen, Denise Cooper, and Stacie Hogan.

Daisy Troop 41689 earn patch

Kindergarten Daisy Troop 41689 went to the Village Manor Retirement Center on M-59 to learn about their community. The senior citizens read books to the girls and then they made book marks and sang songs. The 12 girls earned a Community awareness patch.

Swimming Like a Hurricane

We had some big storms this 2009/2010 Short Course season culminating at the United States Swimming Michigan State Meet. Our Hurricanes ripped a path through the pool like no other Hurricanes have done in the past. The future of our team is very promising from our High School swimmers to some of the youngest members of our team. We are so proud of what they were able to accomplish through their hard work and dedication in the pool.

Kristin Stroven and David Patawaran proudly represented the Hurricanes at the State Meet. Kirsten in the 100 (1:11.77) and 200 (2:36.44) Breaststroke earned a 15th place in the State. David Patawaran swam in the 100 Breaststroke earning 16th place.

Marcus Grosso made it to the 12 and under state meet. He swam the 50 freestyle 100 Individual Medley, 100 backstroke, the 50 backstroke and 100 freestyle. Never before has anyone from the Hurricanes qualified in so many events in such a prestigious meet. Joshua Nickerson, our Iron man, qualified in 3 events. Josh swam the 500 freestyle, 200 individual medley and the 200 backstroke. Madison Mince, at the 12 and under state meet, in the 100 butterfly finished 27th place and Max Mankoff finished 35th in the 50 breaststroke.

The Junior Olympics was also a very successful meet for the Hurricanes Swim Team with twelve swimmers making the cut and storming down the pool to victory. Alec swam in the 50 backstroke, 200 backstroke medaling and placing, 50 freestyle, 200 IM, 100 backstroke and 100 freestyle. Josh Nickerson medaled in 5 out of 6 events- the 200 freestyle, the 50 butterfly, the 200 backstroke, the 200 IM, the 100 backstroke and the 500 freestyle. Amanda Theilen swam the 100 IM and 200 IM, 200 freestyle, 50 backstroke, 100 backstroke and the 100 butterfly. Dominic VanEss made the cut in 5 events and medaling in 2 of them. He swam the 100 IM, 50 fly, 50 backstroke, 200 IM and the 100 freestyle. Teddy Keranen made the cut and finished in 4 events,-the 50 freestyle, 100 IM, 50 butterfly and the 100 freestyle.

David Patawaran and Madison Mince were a force at the Junior Olympics with David Swimming 3 events- 200 freestyle, 200 IM and 100 freestyle. Madison swam in 2 events- the 50 butterfly and an amazing second place in the 100 butterfly. Jocelyn Reinert, Carolyn Robinson and Hannah Grosso were also major contenders at the Junior Olympics. Jocelyn swam the 50 freestyle. Carolyn swam the 200 freestyle and the 100 backstroke. Hannah Grosso was the District Champion in the 100 freestyle, the 500 free and also swam 1000 free. These three young ladies were a big factor in our Hurricane success this season and the strong core we have built on the girls' varsity swim team at Hartland.

Jacob Scherba, one of our fastest swimmers, did extremely well in the 200 freestyle and the 50 freestyle. Jacob had also qualified for the State meet. Aaron is 8 years old and is looking to break records. He swam the 50 freestyle and 50 backstroke. Other swimmers to look for on the horizon are Nicole Van Ess, Mia Keranen and Kaitlyn Hotchkins. These girls are members of our USS team and are causing quite a stir at the meets.

Every season our team grows bigger and stronger. A number of our High School and Middle School boys and girls are swimming in this league to prepare them for their school team seasons. We are also getting more swimmers from the developmental teams ready to take the plunge into the big pond. If this all sounds like fun and you would like information on the Hurricanes Swim Team please visit our website at hartlandschools.us then link to the aquatic center. Choose Hurricanes or send us an email to hurricanes@hartlandschool.us. You can also call the pool at 810.626.2279.

Hartland Gymnastics Academy

USAG Level 8 gymnasts Megan Nault, Hannah Taylor, and Annette Miesle representing Hartland Gymnastics Academy competed March 21 at the Level 8 State Competition in Lansing.

Megan Nault, 17 and a senior from Brighton High School was honored during the Senior Recognition Ceremony following competition Sunday evening. Megan has been a gymnast for 15 years, and has been with Hartland Gymnastics Academy for the past 11 years. Megan plans to attend college in Michigan this coming fall. Hannah Taylor and Annette Miesle moved on to represent Hartland Gymnastics Academy at the Level 8 Regional Competition at Western State University in Kalamazoo on April 17-18.
