Superintendent's Message

Janet Sifferman, Superintendent

How quickly this year is flying by! It seems like only a few short weeks ago we were welcoming our students for the 2010/11 school year and here we are, already planning for 2011/12. There are a couple of important dates and activities that are happening soon. Kindergarten Round-up for the 2011/2012 school year is scheduled for March 8 and 9 from 5:30 to 8:00 p.m. at the Hartland Educational Support Services Center. Please refer to the announcement in this issue for further details. Scheduling for Hartland High School students begins this month and you may contact Hartland Middle School (for incoming freshman) or Hartland High School if you have specific questions regarding this process.

Also the annual school election is really just around the corner on May 3. We will have one four-year-term position on the Board of Education as well as the renewal of the 18-mill Non-homestead ballot proposal, which ensures the district continues to receive its full distribution of state aid for the coming year. More information will be forthcoming on this ballot proposal over the next couple of months. The deadline to apply to be on the ballot for the annual Board election is Tuesday, February 8, and the necessary documents can be picked up at the county clerk's office in Howell. As always, Hartland Consolidated Schools is extremely fortunate to have fantastic support from our parents and the community. Thank you! More information can be found on page 4 of this issue.

Kindergarten Registration 2011-12

Officials of the Hartland Consolidated Schools have announced that they will be accepting registration for kindergarten enrollments for the 2011-2012 school year. Children are eligible for enrollment in kindergarten in September of 2011 if they will have their fifth (5th) birthday on or before December 1, 2011.

A Junior Kindergarten program may be offered on a limited basis. A minimum number of students is required for the program to be made available. Parents must agree to provide transportation in order to participate. You may contact Scott VanEpps at 810.626.2111 for more information.

A twenty-minute Orientation will begin at 5:30 p.m. in the Board Room located at the Hartland Educational Support Service Center, 9525 Highland Rd., followed by Registration in the Performing Arts Center Lobby on:

March 8 (Tuesday) 6:00-8:00 p.m. Last names starting with the letters A-L
March 9 (Wednesday) 6:00-8:00 p.m. Last names starting with the letters M-Z

Please bring the following:

- Original with seal and a copy of the birth certificate
- Original and a copy of the immunization records with proof of DTP, Polio, MMR, Hepatitis B, Chicken Pox shots (or proof of having had the illness), and vision screening.
- Proof of residency copy of one of the following: certificate of occupancy, purchase agreement, builder's permit, rent receipt or agreement, mortgage statement/payment receipt, voter registration card, utility bill, driver's license.
- While we need to see the originals, it will expedite the enrollment process if you also bring copies of the originals.

Kindergarten registration packets will be available beginning February 8, 2011 at the Board of Education office, the Community Education office, each elementary school office and the Hartland Child Care Center (51 building). You can also download the packet from our website: hartlandschools.us.

Hartland Aquatics

What are you doing from 8:30-10:30am weekdays?

You may not know about the nice folks who swim during the day at the Hartland pool. Regular users have formed a sense of community and found companionship while taking better care of themselves. Most of us need more exercise, particularly during the cold months. The pool is always warm and sunny, bringing a lift to body and spirit.

You don't have to use the big pool! Many people choose to stay in the 86 degree leisure pool where the water doesn't get deeper than 4'. The natural buoyancy of water takes a load off your joints, making exercise far more comfortable than on land. You can walk in the current channel and use resistance equipment for strength building. You'll find the swimmers and staff are friendly and helpful. A soak in the hot tub is a perfect finish.

Adult Open Swim is \$3.25 from 8:30-10:30 am every Monday through Friday. A 20-visit frequency card purchase brings the price down to \$3.15 per visit. Frequency cards and memberships are often purchased as gifts.

Many adults are uncomfortable wearing a bathing suit in public, so you are welcome to wear a shirt and shorts. Most people who give it a try quickly learn that we all pretty much look the same. We encourage shoes which can be anything from sandals to an old pair of clean tennis shoes. You can walk in to the gradual entry (like a beach) or use stairs. Those who might have difficulty walking can use our aquatic wheelchair for stability. There are handrails all along the trip from the locker rooms.

More information is available on our website www.hartlandschools.us, then follow the link to the aquatic center or call 810.626.2279.

The Heartland and the Hartland Consolidated Schools' Foundations will again accept grant applications from individuals or organizations for projects to benefit the quality of life for residents residing within the Hartland Consolidated Schools' boundaries. It is not required that grant applications refer to a school program or have an education-based agenda. The Heartland Foundation was conceived more than half a century ago by J. Robert Crouse, Sr. as an additional funding tool for the Hartland Area Project, and its mission to provide enrichment opportunities for the residents of the Hartland area. Consequently, these two foundations have awarded grants for a wide range of programs benefiting senior citizens, veterans' groups, various artistic and literary endeavors, as well as the students and families of the Hartland Schools district. Applications are available at the Administration Office, 9525 Highland Road, Howell, between 8:00 a.m. and 4:00 p.m. The deadline for submission of the application is April 25, 2011.

Senior All Night Party 2011

Next meeting-February 8

Seniors Parents - Don't miss this last opportunity to be a part of your child's high school experience! The Senior All Night Party is completely planned and run by the seniors' parents, so all levels of involvement are welcomed and needed. Whatever your skills and/or interests may be, there is something you can do to help. Upcoming SANP parent meetings are held at 7 pm on the 2nd Tuesday of each month in Room 500 at the high school. The SANP is as fun and rewarding for parents who participate as it is for the kids who attend it the night of graduation. Plan on attending the upcoming meetings listed and join in the fun: February 8, March 8, April 12 and May 10. For volunteer information contact Janice Phillips at ardelp@charter.net or at 810.750.9525. You may also visit our website for more information at: <http://minnie.hartlandschools.us/groups/seniorallnightparty2011/>.

The Decorations Committee is asking for donations of items to be used in the construction of the party's decorations. Please visit our website for a complete list of needs on the Wants & Needs page.

We are currently collecting USED CELL PHONES. Donate your used cell phones and all proceeds go to SANP. Collect phones from friends, family, neighbors, and teachers. For more information, contact fundraising chairperson Caryn Wachsmuth at cwachsmuth@hanover.com.

We are also collecting SENIOR'S PICTURES to be used in the senior video made for the party. Principal's Corner

Chuck Hughes, Hartland High School Principal

This month I thought it important to highlight ways in which the staff at HHS is held accountable for educating our students. Below I have highlighted a student achievement accountability measure, a student perception process and a school improvement process that when combined will create a realistic picture of how we are doing with the responsibility of educating students.

#1: You will find in this edition of Community Life the 2011 Michigan Merit Exam/ACT testing schedule for our students. In an effort to create a testing environment conducive to our student's ability to demonstrate their academic skills, we have adjusted the daily schedule and bussing schedule for the student body. Thank you for understanding that student performance data is a key indicator of how well we are doing our job at HHS and becomes extremely important to families looking to relocate to the Hartland community.

#2: The Class of 2005 Follow-up Survey will be conducted this year to help our school district assess how well we prepared graduates for post secondary experiences. I would like to request that parents of former students help the survey company get in contact with our graduates (the last phone number of the former student is where they generally start the process) for this important survey opportunity. The survey is used to help our staff reflect on areas in which we can better prepare our students for post-secondary life.

#3: In March, Hartland High School will host a Quality Assurance Review visit by Advanced Ed., which is the institution that we work with to earn accreditation. The visiting team will be looking at documentation and interviewing district and high school staff, parents, and students on the following topics: Vision and Purpose, Governance and Leadership, Teaching and Learning, Documenting and Using Results, Resources and Support Systems, Stakeholder Communications and Relationships, and Commitment to Continuous Improvement.

At the conclusion of their visit we will be presented with a final report which will include accolades and areas where improvement can continue to occur. The purpose is to ensure that we continue to reflect on our practices of educating students. The process is designed to be positive and informative to all stakeholders whom work with our school.

As you can see, accountability is intertwined into much of what we do at HHS. A recent buzz word in education is "Unbundling." This refers to the ability to assess, reflect and implement change that is essential for preparing students for the post-secondary experience. As the lead educator I strive to keep the staff updated on the educational research and schooling strategies that seem to be supporting student learning. It is my hope that you, our partners in education, continue to seek to understand what we are doing and from time to time contact me (Chuck Hughes) with suggestions or concerns at chuckhughes@hartlandschools.us or 810.626.2210.

Michigan Merit Exam Schedule

On March 1-3, the high school will be administering the Michigan Merit Exam (MME) to all juniors and select seniors (who did not take the complete MME as juniors). The schedule for the MME can be found below. Participation in the MME is a Hartland High school graduation requirement. Students who take the MME will receive a free ACT score that can be reported to colleges. See www.act.org for study resources and tips to help prepare for the MME.

Thanks to HHS teacher Matt Assenmacher and his Drafting students for organizing this year's blood drive. Hartland High School collected 67 units of blood. Nice job!

She is always willing to work with everyone and is a great peer mentor. Nicholas was selected due to his attendance record. Nicholas has been in school everyday since 1st grade. Not only does he come to school everyday on time, he also does well academically. Congratulations Megan and Nicholas.

Preventing Underage Drinking

By HHS Counselor Nicole Schingeck

- Be a role model.
- Talk with your kids about alcohol, reasons not to drink; stay informed about alcohol issues.
- Make it a habit to greet your child when they arrive home at night. If they are aware that you're waiting for them when they get home, they can more easily refuse alcohol, tobacco, and other drugs.
- Discuss with your children ways to avoid drinking in difficult situations. Set a good example with your own alcohol use and response to underage drinking.
- Parents can support each other by not providing alcohol to minors and by encouraging others to do the same.
- Know the parents of your children's friends; discuss common expectations and help one another maintain them.
- Encourage youth participation in safe, chemical-free activities.
- Be aware of your child's plans and whereabouts.

AP Class Plans Activities

Mrs. Trista Erickson is pictured here with her 3rd hour AP Language class. Mrs. Erickson and all of her AP students organized Hartland High School's Martin Luther King, Jr. activities this year. They created a video focusing on this year's theme, Forgiveness, and led discussions on Dr. King's vision and legacy and what that means for HHS students. Thanks to all of you for all of your hard work! And also thanks to Mrs. Dawn Farrell for creating this year's banner!

Principal Chuck Hughes was chosen as a Celebrity Server for December. Nice job, Mr. Hughes! Thanks for being such a good sport!

The Hms Forensics Team

Submitted by Coach Doni Dilworth

Ask most middle school students to speak in front of a group and you get giggles, mumbles and awkward pauses. Not so for the members of the new Ore Creek forensics team. For them, public speaking is the medium used to battle against other middle school speech teams at contests held across the state.

Practice began last October with the team learning the basic skills necessary for effective public communication. Students had to decide which category to compete in for the 1st semester. After each individual's choice was made, they moved on to a variety of tasks designed to fine-tune their speeches. The public address speakers researched their topics, found evidence to support their thoughts, wrote their speeches and created visual aids. The interpreters created voices and mannerisms for their characters wrote an introduction for their piece and developed gestures and movements for their performance.

The culmination of all their hard work was on display at the Middle Level State Tournament held in Saginaw on December 11. Michigan has a long history of promoting middle level forensics and the competition from many larger, more experienced teams was fierce. The Ore Creek team was not to be denied! After three rounds of competition and amid the excitement and commotion created by over 400 middle school students, the awards were announced. Speakers earning top honors were 8th grade team members Kendra Rocha who earned a 2nd place trophy in Extemporaneous Speaking, John Moraitis, a semi-finalist in Impromptu and Katie Lohaus, a semi-finalist in Poetry. Seventh grade speakers earning awards were Mason Cothran, a semi-finalist in Informative and Taylor Williams, a semi-finalist in Oratory. Other team members who earned speaker points included Nick Jeffrey in Storytelling, Mario Meo in Informative, Cole Lewis in Impromptu, Jacob Lewis in Impromptu and RJ Bortle in Drama. Congratulations to the entire team. As the coach of the nationally ranked West Hills team said, "Y'all came on like gangbusters!"

A big thank you goes out to several members of the Hartland High School forensics team (Emily Watt, Tori Cothran, Rhianna Dilworth, Leena Shah and Lexee Barrera) who served as mentors and inspiration to the Ore Creek team. Additionally, we couldn't have done it without the support of the parents and volunteer judges.

Watch for news about the Ore Creek forensics team as they compete at invitational tournaments and prepare for the Spring State Middle Level Tournament in April. If you would like to join the Ore Creek forensics team contact coach Doni Dilworth at HartlandForensics@yahoo.com or stop by the office for an information packet.

Challenge Day Outback Steakhouse Fundraiser

Hartland Middle School at Ore Creek and Outback Steakhouse have teamed up to raise money for Challenge Day! In order to keep Challenge Day alive in our community, Outback Steakhouse in Brighton will be holding a fundraising event in connection with the HMS Challenge Day team. Outback Steakhouse generously supports Challenge Day by donating 100% of all proceeds to our program, meaning 100% of all ticket sales go directly to support Challenge Day for Hartland students. As the holiday season came and went and a new year is upon us, Round Elementary School spent our holiday season in style. Thank you to the Round School staff and family for donating time and money to help families less fortunate. The entire Hartland District always does a nice job helping our community and Round School certainly did our part. Round Elementary School makes a great effort to show our young people the importance of giving, not only during the holidays, but as a way of life. Needless to say, the holiday season was a special time at Round this year.

Highlighted pictures features holiday activities and a special visit. The 4th grade classes participated in building graham cracker houses to celebrate the holidays. Holiday songs could be heard throughout the building as students worked on building the candy house of their dreams! Also, students in the 4th grade, 1st grade, and kindergarten participated in a holiday performance. The students performed some of our favorite holiday songs. They did a great job! Finally, Mrs. Pigott's and Mrs. Kellet's classes made a visit to Village Manor to visit some of our special friends. Round Elementary School would like to wish everyone a successful and safe 2011.

4th grade students work on graham cracker houses during the holiday season.

Mrs. Betty poses with 4th grade student Tristan LeGallee and his graham cracker house.

Three Round classes participate in a holiday performance.

Student Mason Payter makes a new friend at Village Manor during the holiday season.

Mrs. Spencer's 4th grade class performs a few holiday classics for parents and family members.

1st grade students from Mrs. Jessen's class enjoy decorating their sugar cube houses they built.

Village 4th graders all came together for a holiday sing-a-long in December. Santa himself made an appearance for the singing of "Here Comes Santa Claus!"

During the pancake breakfast, families enjoyed cookie decorating, crafts, shopping and pictures with Santa.

Due to reaching a fundraising goal, Village students enjoyed a day where our principal and janitor swapped jobs. Here Mr. Cain the "janitor" cleans up spilled milk while Mr. Don the "principal" supervises in the background.

Village staff, Sheryl Cone, Jacky Meier, and Rachael Wright served pancakes and sausage with a smile at the Pancake Breakfast with Santa.

Please join us at the PTO meeting!

Hartland Preschool News

The Hartland Preschool program had many new and exciting discoveries this month. Our 3-4 year olds practiced writing their names on Valentine cards along with learning new letter sounds. They were introduced to new social skills and enjoyed finding out interesting facts about penguins and polar bears. This month they even had the opportunity to wear their pajamas to school.

Several classes had game day. They also enjoyed to cooking, painting and eating noodles. Mrs. Potts' classes were so excited to be able to wear their swimsuits to school in the winter. They also painted on a real fish during class and made fish prints. The preschoolers looked forward to sharing their progress with their parents during our parent/teacher conferences.

Our preschool program is now enrolling children for the 2011-12 school year. Information can be found on-line at www.hartlandcommunityed.com. Navigate to the Course Catalog section and select the program year 201112. All of the information is there. 10 Ways to Extend a Healthy Life

Active-aging expert offers "e-tips" for attaining and maintaining health in 2011

What's the difference between the day before your birthday and the day after? "Practically speaking, nothing at all," declares Colin Milner, CEO of the International Council on Active Aging (www.icaa.cc). Whether you're turning 30, 40, 50, 65, or 90, there's no reason to assume you're doomed to decline after a certain age, especially if you're doing everything you can to stay healthy and active. Milner offers the following "E-tips" to help you extend a healthy life, or embark on one if you haven't yet done so.

Expectations: If you've been following a healthy lifestyle up until now, simply keep going; if you need to make changes, anticipate succeeding, not failing and don't let age be a barrier. Research has shown that thinking positively about getting older can extend your life by as much as 7.5 years.

Enthusiasm: Few people are thrilled with every aspect of their lives, but many have at least one area--family, friends, work, avocation they feel good about. Identify an activity or connection that sparks your enthusiasm and make it your lifeline; try to extend that enthusiasm to other areas of your life.

Energy: Having the energy and motivation you need to age well are hallmarks of healthy living. If you're fatigued all the time, don't let apathy and lethargy drag you down; get a checkup to try to determine the cause and the solution.

Eating: Eating a balanced diet and attaining/maintaining a normal weight are keys to physical and mental health; if you need to lose weight or make changes in your diet, keep your expectations high. You can do it.

Exercise: Staying physically active fuels the body and mind. If you're already exercising regularly, keep it up; if you're getting started, know your skill level, set goals, progress at your own pace, and be consistent.

Engagement: Volunteers have higher levels of well-being and life satisfaction than those who don't volunteer; volunteering and other forms of civic and social engagement can play an important role in maintaining good health in later life. "Get involved."

Emotions: Everyone feels down at times, but full-blown depression is a major cause of disability. If you're feeling out of sorts for two weeks or more, talk with your doctor or take an online screening test at www.mentalhealthscreening.org/. In many instances, simply exercising and eating right can change your mood.

Education: Life-long learning is important to living an independent and fulfilling life. Start now to learn a new area of knowledge or physical activity. It's good for the brain.

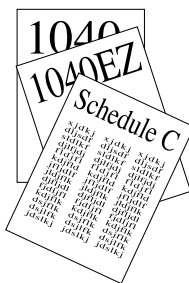

Effort: Changing expectations and embarking on new behaviors take energy and effort, but the results are well worth it.

Enjoyment: A healthy life generally is a joyous one. "Savor the process of being or becoming active, engaged, and truly alive," Milner enthuses. "The new year is a great time to take stock and ask yourself, 'where do I want to go from here?'"

"Emphasize the positive and don't let your age, or anyone else, deter you."

The Financial Health of Aging Seniors

With our current economic challenges, those of us looking forward to retirement need to be well informed about our financial needs in coming years. And not only pre-retirees, but individuals already in retirement need to be wise to the changing economic environment. The good news is that there are trained professions who keep abreast of changes in the current economy, changes in laws and changes in government programs for the elderly. Professionals in this field are equipped to handle everything from help with retirement savings accounts, investment advice, guidance on government programs, estate planning or even new funding options such as reverse mortgages. A little planning prior to retirement will allow you to maintain your current lifestyle; whereas, a lack of planning may require you to live on a extremely tight budget. For those already

retired, taking time right now to deal with financial problems instead of waiting for a crisis to happen is well advised.

A large number of retired individuals feel that they have planned well for the future only to find that rising medical costs, damage done to investment portfolios (by the current economy) and many other factors have caused them to go into debt. According to an article in "USA Today" seniors are racking up debt like never before. Elderly individuals who are in debt live with a constant burden over their heads. Most of these people are on fixed incomes and have no way of paying off credit cards and home equity loans that continue to mount to cover household budget deficits. In order to meet ongoing payments, seniors often forego purchasing medications and skimp on food budgets. They live like hermits—never going out and pinching every penny—in order to pay their obligations.

Most of these people worked hard their entire lives and managed their debt. They never anticipated the rising costs of prescriptions, expensive medical care or depletion of savings by living too long. The good news is there is help for these individuals. Here are just a few examples of some relief options that could be available. There are many more besides these:

Reverse mortgages—A Home Equity Conversion Mortgages (HECMs), also known as a reverse mortgage, is a risk-free way of tapping into home equity without creating monthly payments and without requiring the money to be paid back during a persons life time. Instead of making payments the cash flow is reversed and the senior receives payments from the bank. Thus the title "reverse mortgage." For those seniors who are less fortunate financially but own a home, a reverse mortgage can allow them to remain in the home by creating extra income.

Life Settlements—A life settlement enables older individuals, businesses and other organizations to sell life insurance policies they currently own—but no longer want or need—for an amount greater than the cash surrender value. In some cases the value can be 2-3 times the cash surrender value. Even some term life insurance policies with a conversion option to permanent coverage can qualify for a life settlement.

Government Programs—Some government programs such as food stamps provide temporary financial help for food. Other programs provide subsidized housing, help with medical expenses and provide tax credits. For veterans there is free health care, inexpensive prescriptions and disability income. Area agencies on Aging offer individual counseling, legal help and advice with Medicare costs.

Hartland Audubon Nature Club

Bluebirds on February 1

Bluebirds have long been a harbinger of spring and a symbol of happiness. With winter promising to be with us yet a few more weeks, what better time for Joyce Schuelke, owner of the Wilderrest in Brighton, to share her slide presentation entitled "Bluebirds" and tell us how we can attract these lovely creatures to our backyards. The meeting will be held February 1 at 7:15 p.m. at the Hartland Senior Center, located in the Hartland Education Support Service Center on M 59 just west of US 23. Upcoming events include member Carol Davis's presentation entitled "Superior Wildlife and Nature in the U.P." on March 1, and our April 5 meeting will feature member Bob Kramer's travelogue, "Jamaica/Africa." For more information, please contact Jami Bond at 810.632.5223.

American Legion Post 415

Dues are \$29.50 and the forms are available at each meeting.

The 2011 schedule of meeting dates are the second Thursday of each month: March 10, April 14, May 12 & 26 and ending on June 9. Please come and join us. Hartland Optimist Club

Families helped during the holidays

The Hartland Optimist Club and the Hartland Community Education Dept. along with school staff, groups, clubs, Choir, Sports Teams, LEGACY, Hartland businesses, and the community at-large, together made it possible for twenty Hartland families to have a happier Christmas and holiday season. Food and presents were given to families in need of assistance during the holidays. The High School Optimist Club filled Christmas Stockings for all the children.

It took a total community effort to shop, sponsor, organize, and distribute staple foods, hams, gift certificates, and gifts to all the families. Also money raised from the Hartland Big Boy "Celebrity Server Night" aided in the purchase of some of these items.

A big thank you goes out to all who contributed their time, efforts, and energy to make the Christmas "Adopt A Family" Program a success.

THANK YOU HARTLAND COMMUNITY!

HARTLAND AREA MAC USERS' GROUP

Black Sheep Weavers Fiber Guild

Next meeting February 3 - wet felting

Rescheduled from November

Guild member Connie Hydel will give an overview of the process and the materials used along with a demonstration of wet felting at February 3 meeting. Kits will be available to purchase. Those wishing to try their hand at wet felting will move into another classroom to make a felted piece.

Felting is actually an ancient craft that has become increasingly popular lately. Felting is the process of transforming wool into a dense cloth by bonding and shrinking the fibers together. Technically, there are three types of felting: wet felting, needle felting, and commercial felting. With wet felting, you can create a soft, dense cloth using fibers from sheep or alpacas. The process uses hot water, soap, agitation and cold water to shrink and bond the fibers together.

Our meetings begin at 6:30 p.m. for social time, a brief business meeting at 7p.m. followed by the program. We will meet this month in Room 3 at the HESSC (former high school) on M-59 just a ½ mile west of the US 23 Interchange on the first Thursday of each month (except December) from September through May. We end our year with a potluck at a member's home in June.

If you are interested in weaving, spinning, knitting, dyeing, beading, crocheting, needle-felting, rug hooking, quilting, papermaking, basketry, raising alpacas and more, we are the group for you. Check out our website at www.blacksheepweavers.com or call our Hospitality Chairperson Cheri at 248.887.9759 or our Treasurer/Membership Nadine at 810.626.2142.

Hartland Players Present

The Gingerbread Lady

The Hartland Players is proud to present Neil Simon's *The Gingerbread Lady*. The *Gingerbread Lady* tells the story of Evy Meara, a cabaret singer whose career, marriage, and health have been destroyed by alcohol. Directed by Bob Hachlinski, this dark comedy follows Evy and her best friend, who because of her vanity loses her husband, her homosexual, actor friend that loses a part three days before opening night and her anxious, affection seeking daughter. We meet them the day that Evy returns from a 10 week rehab stint.

Please join us as we welcome home a vulnerable, funny, down on her luck, interesting character and all her supporting actors. Jenifer Thomas brings us an amazing Evy, Stephani Bell is our wonderful Polly, Jeannine Thompson is our beautiful, vain Toby, Kevin Whitehead is our sad and hilarious Jimmy, Tim Arrick portrays our ordinarily funny Manual and Steve Schulte brings Lou, the ex lover to life.

Our show will be presented at the Hartland Music Hall located on Avon Street on the following dates: February 18, 19, 25, 26 at 8:00pm and February 27 at 2:00pm. Methodist Church Celebrates 100th

On Sunday, February 27, 2011, at 10 a. m., the Hartland United Methodist Church will hold a special memorial service commemorating the 100th anniversary of the renovation of the church sanctuary. In 1910, the congregation undertook a great remodeling of the entire building, and the names of the families involved were placed on the stain glass windows that decorate the church. The current membership would like to invite any descendants of that 1910 congregation, and any other interested parties, to worship service honoring those who contributed so much to the community and to the church.

To that end, the HUMC Worship Committee is trying to track down any descendants of the people whose names appear on those windows. The families are:

- 1) **Franklyn Steadman**, his wife, Mary Ann Cox, and their children John, Mary, Mattie, George and Charles.
- 2) **John Kirk**, and his children Newton, Nehemiah, Julia, Albert, Emily, Arlington, Katherine, Edward and Frank.
- 3) **James Owen**, his wife, Esther Langworthy, and their daughter Mary and Jennie.
- 4) **John Wallace**, his wife, Martha Cox, and their children William, Anna, George, John, Joseph, Mary, and Ernest.

5) **Andrew Morrow**, his wife, Mary Little, and their children Thomas, Maggie, William, Joseph, Joanna, and Sarah.

6) **William Charles Wakeman**, his wife, Harriett Kimball, and their children Lena and Martin.

7) **William Shoemaker**, and his wife, Abigail Jane Clark. Will died in an accident during the renovation of the church steeple, and the large stained glass window on the north side of the church bears his name.

8) **James Huskinson**, his wife, Eliza Sturday and their children, Fred, Lizzie, Harriet, George, William and Henry.

9) **Betsey Westfall Crouse**, the mother of John Robert Crouse and the wife of John Bernard Crouse. The two windows on either side of the altar are in memory of her

If anyone has any knowledge of these families, or their current descendants, please contact Bob Ruby, at rjruby@sbcglobal.net or 810.632.4424, or contact Emma Winegarner at ewinegarner@comcast.net. We are especially interested in any old pictures of the church, or any pictures of the people appearing on the windows. We can scan and return any pictures provided.

For more information contact the church office at 810.632.7476.

Hartland Hurricane Swimmer Goes National!

Madison Mince, age 10, was selected to swim representing Michigan in the 2011 14 & Under Mid-State Quadrangular Championships in Indianapolis, IN at the IU Natatorium on January 8 & 9. The Mid-States Quad meet is an "All-Star" type meet with Team Michigan, Team Indiana, Team Kentucky and Team Lake Erie/Ohio. Madison went through an application and selection process based on her swimming times through USA Swimming. The minimum qualification was to have at least Q1 or State cut times. Madison was one of only four 10 year old girls selected to make this cut. Madison swam the 50 Butterfly and finished with a Zone cut time of 33.16. She also swam in the 200 Medley Relay and the 200 Free Relay. We are so very proud of Madison and this exceptional achievement!

Gourmet Gala-February 11

Get Ready, Get Set, Cook!! Due to the extensive time and effort the board is putting into the museum renovation, we have decided this year to combine our November pot luck and our February Gala into one event....the first annual Gourmet Gala.

It is time to bring your A-game and cook your yummiest recipe to share. Please bring a dish according to the following letter of your last name: (A-H Salad; I-O Dessert; P-Z Hot Dish). The historical will be preparing chicken and prime rib and we would appreciate a "good will" offering toward the main course. Coffee tea and water will be provided. Please bring your own table service (plates and silverware). Note: If your gourmet specialty is not contained in your specific category, please feel free to cook outside the box, including appetizers, soups, etc.

The Gourmet Gala will be held on Friday, February 11 at 6:30pm at the Hartland United Methodist Church-in Armstrong Hall. The church is located at the corner of Maple/Hibner and Washington.

John Wiese will be our speaker for the evening and will give a presentation on Native American baskets. The Florence B Dearing Museum recently acquired a Native American basket donated by the Parshall family.

Hope to see you there. Bon Appetite!

Who said History was boring??

Early politicians required feedback from the public to determine what people considered important. Since there were no telephones, cell phones, TV's or radios, the politicians sent their assistants to local taverns. They were told to "go sip some ale" and listen to people's conversations and political concerns. Many assistants were dispatched at different times. "You go sip here" and "You go sip there." The two words "go sip" were eventually combined when referring to the local opinion and thus, we have the term "Gossip."

Paintings of George Washington showed him standing behind a desk with one arm behind his back while others showed both legs and both arms. Prices charged by painters were not based on how many people were to be painted, but by how many limbs were to be painted. Arms and legs are "limbs," therefore painting them would cost the buyer more. Hence the expression "Okay, it will cost you an arm and a leg."

Scouting News

Cub Scout Pack 383 News

In December, Cub Scouts Pack 383 visited the Livingston County Courthouse in Howell. Circuit Court Judge Michael P. Hatty gave the Scouts a tour of the Courthouse and spoke to the boys about our judicial branch of government, his responsibilities as Judge, and the functions of the Court. The Scouts enjoyed sitting in the jury box and learning about our justice system and dispute resolution.

Boy Scout Troop 380

The boys of Boy Scout Troop 380 remain focused on Merit Badge work and service projects this winter. They have also participated in fun events like winter camping in Camp Tapico's tree houses! Many of the Scouts are involved in a wide range of other activities, too – from sports to Lego League to various honor societies and advanced coursework in school. The values that they are learning in scouting apply to their other endeavors, too. Remember to recycle your newspapers, bottles and cans at our monthly Paper Drive – 10 am on the first Saturday of each month in downtown Hartland.

Lakes Cub Scout Pack 385

Lakes Cub Scout Pack 385 is keeping busy through the winter months with many activities, including a basketball game at Eastern Michigan and an Ice Fishing Derby. We prepare to bid a fond farewell to our Webelo II Scouts, as they will complete their Cub Scouting adventures at this month's Blue and Gold Banquet. Many will continue their scouting career in Boy Scouts and we wish them the very best! Meanwhile the Cub Scouts are also busy designing and building their Pinewood Derby cars. The big race will be held in March. It will undoubtedly be another exciting race.

2010 Girl Scout Service Unit Holiday Craft Workshop

Girl Scout Cadette Troop 40139 sponsored a Hartland Service Unit wide holiday craft workshop in early December. 80 of the area Girl Scouts attended for an evening of GS Sisterhood and holiday crafts. The Scouts of Troop 40139 planned 5 different craft stations and led the creation of the crafts; a decorated cookie snack, holiday bag, a Santa beaded necklace, a horse ornament, a gift card and a holiday card for our service men and women. This event was part of what these Cadettes have done to earn the Leadership Award; but was also a part of earning the Girl Scout Silver Award. An additional service project, in addition to the cards for Our Service folk, a donation of fleece was requested from each attendee to support the stuffed animals styled after 'Ugli Dolls' that the girls are making for several local charities. The girls are supporting the Livingston Red Cross, Lacasa and the Oakwood Center for Exceptional Families with the stuffed creatures and the Red Cross with packages of pet food. The Silver Award is the second highest award a Girl Scout can earn and is an excellent step to gaining the experience to pursue the Gold Award in the Senior Girl Scouting years. The Cadettes are pictured here with the fleece that was donated from the Hartland area Girl Scouts to support the children serviced by these local organizations.

Village Girl Scout Cluster Holiday Event

From Kindergarten Daisies to 4th Grade Juniors, Troops 105, 41689, 197, 2045, and 1133 participated in the holiday cluster event "Presents for a Pet" in December. The afternoon started with cookie decorating and hot chocolate. Then each girl used her best crafting skills to make holiday cards for the Meals on Wheels program. Each troop also performed a holiday song or read a holiday book for the rest of their sister scouts. To conclude the afternoon, all of the girls gathered in a circle to sing "Silent Night." In addition to their donation of cards to Meals on Wheels, each girl brought a present for a pet, and all of the gifts were donated to the Livingston County Humane Society. They were all so proud and happy to be helping so many cats and dogs for the holidays!
