## Superintendent's Message

*Dear Hartland Consolidated Schools' parents and community:*

I have never written this type of letter nor did my predecessor, long-time superintendent Mr. Peter Caroselli, but these are dangerous times for public school districts. I believe I have an obligation to inform you of the disaster, in my opinion, that is looming for Hartland Consolidated Schools and its students and families, with no reasonable path toward recovery in the foreseeable future.

I believe the Governor's current proposal to essentially "raid" \$900 million from the state's K - 12 education fund and reallocate it to community colleges and universities, (which conflicts with the intent and spirit of 1994's Proposal A) will have dire consequences for public school districts across Michigan. For Hartland Schools, this, in addition to the current year reduction of \$170.00 to the per-pupil foundation allowance and increases in the district's mandated contribution to the state retirement system, will equate to an approximate \$740.00 cut per student; equivalent to a \$4.1 million hit to the district's operating budget.

As a frame of reference, a reduction of this magnitude would equate to the salary and benefits of approximately 60 teaching positions or 21% of Hartland Schools' current teaching staff. There is no other line item in our annual budget that will accommodate this loss. For example, the cost for the district's transportation system is only \$2.3 million annually. As education is a service-based industry, more than 80% of our annual budget goes toward salaries and benefits. Our "product" is your child's education. We do not manufacture anything for which we can increase our production costs, nor can we "streamline" production to use fewer personnel. Because of state and federal mandates, such as "No Child Left Behind," "Race to the Top" and "Adequate Yearly Progress," we are required to employ "highly qualified" teachers, provide curriculum and instruction that adheres to the standards and benchmarks set forth by the aforementioned programs, and continue to meet the needs and expectations of our Hartland community. All of these things require a certain level of funding to achieve. Customer service is our

business and your children and families are our customers. Unlike colleges and universities, we cannot "charge" more for our services during difficult times or determine that we can only educate a specific number of students in a given year and turn the rest away.

Hartland Consolidated Schools has been proactive over the past decade making difficult but necessary decisions in order to maintain a level of educational excellence during unprecedented financial hard times for Michigan and the entire country. Beginning a year ago, our employee groups agreed to concessionary contracts that call for wage reductions. Previous contracts resulted in either minimal salary increases or wage freezes, reductions in benefits and increased out-of-pocket expenses. In an ongoing effort to reduce our expenses, we have privatized non-student services (custodial services in 2005), eliminated supervisory, teaching and support staff positions, and consolidated services (bus drivers are now part of countywide consortium). We have done everything possible to ensure that the more than \$7 million in reductions the district has made over the past 10 years (reductions that have remained in place) have not significantly effected the level of education and services your children have received. Unfortunately, there soon will be nothing left to cut other than programming and services.

Hartland Schools takes great pride in the relationships we have built with our families and the community as a whole. Your expectation is that we will provide a quality education that enriches the "whole child" and opportunities to grow and explore beyond the standard "reading, writing, and arithmetic." The world we now live in expects nothing less. Should Governor Snyder's plan be approved, I believe public education in this state will be permanently and irreparably harmed and Hartland Consolidated Schools will become a shadow of what this community has fought and striven for all these years.

I am asking that you please contact the Governor and your legislators (their contact information is below) and let them know that you value the

public education your children are receiving. Insist that they keep the K-12 education fund whole, as was intended with the passage of Proposal A. I believe this one act will allow Hartland Consolidated Schools to remain solvent for at least the near future and will allow all school districts to continue to work with the Governor and legislators to truly make education a priority for Michigan in the years to come.

*Sincerely,  
Janet Sifferman, Superintendent*

## Jerry and Judy Cowan

Jerry and Judy Cowan have lived in Hartland since 1968. They raised their children here and are very involved in the lives of their grandchildren also being raised as Hartland Eagles. They are both very active in the community, our schools and in sports. They are two of the most giving and lovely people around. They give of their time and talents to benefit not only the children of this community, but the community at large.

Jerry was a teacher and coach in Hartland until he left to work in Lake Fenton Schools where he was teacher, coach and an administrator. He returned to Hartland Schools and served as the Athletic Director for five years before retiring. His colleagues and employees loved working with him and for him. He was always fair, consistent and passionate. He coached many sports including football, basketball, baseball, track and softball. He currently volunteers as a coach for an Eagles Fastpitch Softball team. He was honored when he recently re-retired from public school employment with a nice tribute and ceremony at the Hartland High School softball field. He had several former players whom he coached attend the ceremony showing their respect and support for him. Jerry was also an active member of the Hartland Jaycees for many years.

Judy was employed as a para-professional in Hartland Schools until she left for a career in Human Services. She coached softball, track and cheerleading. Judy's community involvement includes the following: Hartland Girls Campfire Leader, member and officer of the Hartland Jaycettes, a member and officer of H.A.Y.A.A., former President of the

Hartland Lions Club, Member of the Hartland Area Community Council and chaired several committees including the Memorial Day Pancake Breakfast and Miss Hartland Contest. Judy has received many awards, including the Lions Club Ralph Lyman Award. Judy volunteered for the Memorial Day Parade as an announcer and various other areas of the parade festivities. 6. Stakeholder Communications and Relationships
7. Commitment to Continuous Improvement

After interviewing 100 students, parents, community members, support staff, teachers, and administrators they determined that HHS would be recommended for the highest level of accreditation that Advanced Ed can give. The team wrote Commendations (positives) for the following areas:

- A. **Collaboration, support and relationships among all stakeholders.** Student to teacher, teacher to teacher, teacher to administration, school to home, school to central office, school to community, etc...
- B. **Safe environment for all.** Students and staff feel that HHS is a safe and excellent place to learn. To be honest this is our # job each and every day.
- C. **Developed an exceptional School Profile.** This document is used to inform those outside the community about HHS.
- D. **Reading Apprenticeship Strategy.** The team identified this approach to literacy development as being accepted and implemented school wide for the betterment of student learning.
- E. **Diversity awareness.** The team noted that our annual World Language Week and MLK educational experience supports the effort to prepare students for what awaits them outside of Hartland, Michigan.

It is with great pride that I share this information with you as I believe Hartland High School can only be as good as what we do together. Thank you for all of the support you continue to give us.

## Choirs Qualify For States

On March 24 and 25, the Hartland High School Choirs attended district choir festival at South Lyon East High School. While there they showed off their talents to 4 judges (one clinician) and other students and parents watching from schools all over Michigan. "Concert Choir," "Women's Varsity," "Varsity Chorus" and "Varsity Men" all received the rating of "Excellent" in performance and sight-reading to qualify for States. The women's group "Con Espiritu" (affectionately known as "SSA") received nearly a perfect score in performance; with a great showing in the sight-reading division which awarded them the highest rating a school can receive- "Superior." We are extremely proud of all of these young men and women; they have worked extremely hard and deserve these great honors.

## Parenting II Class is ....

### Looking for preschoolers to interact with and observe

Hartland High School will be having three (3) play days for area preschoolers on Monday, May 9, Wednesday, May 11, and Friday, May 13 from 12:15-2:15 p.m. in room #106 at the new high school. Any area preschooler (age 3-6) may attend. This will give all Parenting II students a chance to interact and observe preschool-kindergarten age children. It will also give the parent a chance to run errands or just relax for a couple of hours. There is no charge, but we are requesting that you reserve a space for one or all days by Thursday, May 5. Please do so by calling Mrs. Baier at 810.626.2258. The students and staff appreciate the community's assistance and support in enhancing the education of future parents.

## Forensics' A-MAZ-ING Saturday

Alma High school played host on March 5 to over 13 schools in the Alma "Maze" Forensics Tournament. Rhianna Dilworth competed in both Extemporaneous Speaking and Prose Interpretation, advancing through three preliminary rounds, semi-finals and the final rounds in both categories which required focus in two completely different communication styles. Extemp requires quick, analytical thinking as the speaker has thirty minutes to prepare a speech on a national or international current event. Prose asks the competitor to interpret a piece of literature and develop character voices and physical mannerisms.

Rhianna took home the 6th place trophy in each category and was one of the few brave souls who double-entered. The director, Beth Campbell, commended those who displayed talents in two categories for preparing for collegiate-style competition while still in high school.

The forensics team had two more invitational tournaments before the Regional showdown held on April 16 at Dexter High School.

Congratulations to Leena Shah, Victoria Cothran and Molly Oxner who broke to the semi-final round at the North Branch "Bronco Bullyard" tournament on February 19. Leena went on to take the 3rd place trophy in the category of Extemporaneous Speaking."

Lakes Elementary was very happy to welcome local illustrator Michael Monroe to our school to help us celebrate March is Reading Month. Mr. Monroe conducted several interactive workshops with students throughout the day as he taught them several drawing techniques and also the process that he uses when illustrating his many published children's books.

Speaking of published art work, we are very proud to announce that several pieces of Lakes student work were displayed last month at the "Got Art" student exhibit at the Howell Opera House. This county-wide exhibit was sponsored by the Livingston Arts Council. Lakes art teacher, Mrs. Shari Russano, entered art work from over 20 of our students to this show. Pictured here, Lakes second grader, Breanna Ostervik poses in front of her awesome Blue Dog painting at the exhibit.

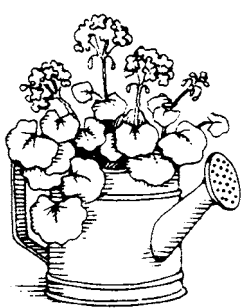

Thanks to the Hartland High School Drama Club for returning to the Lakes to perform another original play for our K-4 students in March. Under the direction of Mrs. Miranda Keskes, these very talented students did a wonderful job of entertaining all of us at Lakes.

# Round Elementary News

## 810.626.2800

Reading has been the name of the game at Round Elementary School. "March is Reading Month" was celebrated by students, staff, and parents in a month full of special reading activities. Round kicked off our new AR competition with a visit from members of the Varsity High School Softball Team and the head coach. They gave words of wisdom on the importance of reading. On March 2 Round celebrated Dr. Seuss with our annual "Seussabration". There were numerous reading activities followed by a wonderful food celebration provided by the Round School PTO. On March 8 the Magic Carpet Theatre performed stories for our students. It was great seeing some of our favorite children stories come alive. On March 18 the "Brainstormers" group paid us a visit to act out stories written by our students. On March 21, the Round School staff entertained our students by performing skits from books for over 190 students and parents at Cromaine Library. Round broke the attendance record for a reading at Cromaine night and a wonderful time was had by all. Helping students become knowledgeable, great readers is a main focus at Round. We also welcomed our new facility dog Wrangler to Round. He has become part of the Round School family and has been involved in many activities that have helped numerous students already. Thank you to all the people and organizations that helped make it possible for us to have Wrangler. We would also like to thank all staff, parents, and community members that make Round Elementary School and wonderful place to be!

## Spring Break at the Childcare Center

The Hartland Community Education is open for your childcare needs, all year long! During the spring break, the center staff planned a variety of exciting activities. On Monday, the staff and children wore stripes with polka dots, or put their shirt on backwards, for the "Mix & Match Day." On Tuesday, it was a center wide "Slumber Party." The childcare theater (also known as our gym) was the site of a movie and popcorn for everyone from 2 years old to 12 years old. The children and staff dressed in their pajamas and brought their favorite blanket. On Wednesday, it was heads up for the "Crazy Hat Day!" On Thursday, everyone had Pizza Lunch. To finish up the week, we had "Disney Day." Everyone dressed as their favorite Disney character. Each grade received a Disney hat (Princess crown, Goofy ears, Mouse ears, etc.) to wear. The Disney trivia game was a lot of fun!

## From Struggling to Success

### What do these children all have in common?

#### Improves 22 reading levels in 8 months —

“Mikayla went from a DRA (Developmental Reading Assessment) of 6 in the fall to a DRA of 28 this spring! She is totally where she should be! I am doing the happy dance! I cannot believe it! This really is incredible; the average student moves 10-12 levels in a year, Mikayla (who previously barely budged) moved up 22 levels in 8 months!

I credit the **vision therapy**, her dad and I for practicing VT with her at home and lots of prayers. She had wonderful supportive teachers at school but I am convinced the vision therapy was the key.”

**Even though they had passed previous vision tests, each of these children had an undiagnosed vision problem that was interfering with reading and learning.**

**Their vision problems were diagnosed and treated at the Visual Learning Center located at Hartland EyeCare and their success speaks for itself!**

“Jack was always a very bright little boy but was really struggling in all areas of reading. He also had a very difficult time staying on task with reading activities. We had tried everything we could think of to help him including hiring a tutor. Finally a visit to the eye doctor brought Jack's visual tracking problem to our attention.

As a result of the vision therapy program Jack's reading level jumped from a level 8 (earlier-mid 1<sup>st</sup> grade level) at the beginning of second grade to a level 20 (mid 2<sup>nd</sup> grade level) in just 4 months.”

### Do you know the top 5 signs of a vision problem that interferes with reading and learning?

- Skips lines, rereads lines
- Poor reading comprehension
- Homework takes forever
- Reverses letters like b's into d's when reading
- Has a short attention span with reading and schoolwork

**Any one of these symptoms is a sign of a possible vision problem.**

**If your child has any of these symptoms, we can help — schedule an appointment today!**

Photos will be scanned and returned to the owners. Additional information about where the military service took place, length of service, etc. will be very helpful. Please contact Barbara Krueger at bek4450@aol.com, or 248.887.1283 for additional information. Deadline May 6.

#### Hartland Area Historical Society

## Florence B Dearing Museum *Grand Re-Opening*

Many changes to the interior of the museum will be very evident when the historical society reopens the museum on Memorial Day-May 30. For the past three years, the historical society has held a Gala dinner at Waldenwoods to raise funds to support the needed repairs and renovations. These funds were added to the money raised from the sales of the history book published in 2004 and grants from the State Questers and our local area Quester groups (Stagecoach, Waldenwoods and Dibbleville). We are very grateful to all of the patrons who came out to the Gala dinners, purchased books, made additional donations of money, and to the many local businesses who have helped us.

The renovations have included repairs to the old windows with period glass, storms to fit on the outside for better insulation, the lower level was striped back to the studs and then rewired, insulated, dry walled, mudded and painted and new track lighting added. A new support beam was installed to shore up the second floor that will become storage as well as the archives and research room. A new insulated garage-look door was hung that allows for good light and another access/exit for the museum. A new well, hot water heater and furnace equipped with AC has been installed. This will provide us with much better climate and humidity control for the artifacts. An added bonus will be the ability to open year-round. The main and lower level ceilings and walls have been painted to compliment the wood display cabinets. To complete the new look, the floors have been refinished and sealed on the main and lower levels.

Our next immense task will be reinstalling the exhibits and moving artifacts back from storage. The Collections committee has been working non-stop for three plus years on cataloging and retagging every artifact. So make the museum a destination for the family this summer and find out "What's Behind the Big Green Doors?"

***It is your museum! It is your history! And it's worth saving!***

# The Rotary Club of Hartland

The Rotary Club of Hartland is ready for Spring. Don't miss our garage sale on May 26-May 29 in front of Tyme Well Spent at Hartland and Crouse roads in the village of Hartland. At Round Elementary School, Wrangler our club sponsored therapy dog, continues to be a hit. Wrangler was donated by For Better Independence (FBI) dog training and is hosted by Kristin Rapp, a special education teacher for Hartland Schools. His presence has already changed student behavior in a positive manner. In March, the Livingston Argus made Wrangler the subject of a front page article!

On April 7, we inducted new members Dr. Lisa Layer and Kirk Evenson and on April 27 we hosted local Hartland students George Gallagher, Bryan Condra, Blair Pellatt, Kevin Forster, Travis Fiebernitz, and Julia Zayan. They will be participating in the Rotary Youth Leadership Awards, spending a weekend in Canada this summer with other Rotary sponsored students where they will learn techniques to help them become the leaders of their generation. Members Matt Adams and Kirk Evenson have started the ball rolling in an effort to establish a local Interact club that gives high school students a chance to experience the rewards of serving others. Members, Lois Halted and Ceci Marlow continue to represent our club in the county literacy program.

## Hartland Cardboard Regatta

We continue to be busy preparing for our biggest fund raiser yet event, The Hartland Cardboard Regatta to be held June 25 at Waldenwoods Resort. Teams from local businesses and community groups will be constructing and racing boats made almost entirely from ordinary cardboard. Proceeds will be used to fund local and international causes as part of Rotary's mission in helping those in need. For more information, see our web site below.

Visitors are welcome to join us on Thursday mornings for breakfast and informative presentations at Village Manor (9501 E. Highland Rd.) at 7:15am. If you have a passion for community service and enjoy sharing the fellowship of those with a similar desire, please consider joining us. You can also go to [www.hartlandrotary.org](http://www.hartlandrotary.org) for more information on our club.

# Black Sheep Weavers Fiber Guild

## Punch Needle Program/Workshop-May 5

The May Black Sheep Weavers program will be on the technique of punch needle, given by Guild President, Annette Shaffer. Annette will discuss the process and materials used in punch needle and bring along several finished samples to show. The program will be a combination lecture/demo/ hands-on. If you would like to try the technique of punch needle, bring a punch needle and a 4" or 5" plastic lip locking hoop. Both of these items are available at JoAnn's for \$3 each. Also bring any kind of punch needle you may already have. Instructor will supply foundation fabric and floss.

Our meetings begin at 6:30 p.m. for social time, a brief business meeting at 7p.m. followed by the program. ## Spring Mushrooms-May 3

Spring thaws bring spring mushrooms, and identifying these small surprises is the business of Diane Prudin of the Michigan Mushroom Hunters Club. Join us May 3, as we learn how to locate, identify, and preserve these interesting members of the fungus family. The meeting will be held at the Hartland Senior Center, located in the Hartland Education Support Service Center on M59 just west of U S 23. We will begin at 7:15pm with a short business discussion and the program will follow. On June 7 we will begin our last meeting of the year with a potluck dinner at 6:30pm, followed by Joyce Schuelke's presentation entitled "Bluebirds." For more information please contact Jami Bond at 810.632.5223.

## Caring for Senior Veterans – VA Long Term Care Benefit

In the month of February we celebrate President's Day in honor of two great United States Presidents; George Washington and Abraham Lincoln. Both were heroes of wars fought on U.S. soil for freedom and unity of our great country.

The United States has fought many wars throughout the world since that time to keep freedom here at home and continues to do so. From the beginning our country has established a program to care for the men and women of our military who fought in those wars.

The veterans assistance program goes back to 1636 when of Plymouth Colony fought with the Pequot Indians. The Pilgrims enacted a law from English law that reads, "If any man shall be sent forth as

a soldier and shall return maimed, he shall be maintained competently by the colony during his life."

In 1789 U.S. Congress passed as law that pensions were to be provided to disabled veterans and their dependents and in 1811 the first domiciliary and medical facility for veterans was completed.

Since that time the Department of Veterans Affairs has opened a multitude of care facilities nationwide. An article from the US Department of Veterans Affairs website states:

VA's health care system has grown from 54 hospitals in 1930 to 157 medical centers in 2005, with at least one in each state, Puerto Rico and the District of Columbia. More than 5.3 million people received care in VA health care facilities in 2005, a 29 percent increase over the 4.1 million treated just four

years earlier. VA operates more than 1,300 sites of care including nearly 900 ambulatory care and community-based outpatient clinics, 136 nursing homes, 43 residential rehabilitation treatment programs, nearly 90 comprehensive home-care programs, and more than 200 Veterans Centers.

Here are some of the benefits provided for Veterans by the Department of Veterans Affairs:

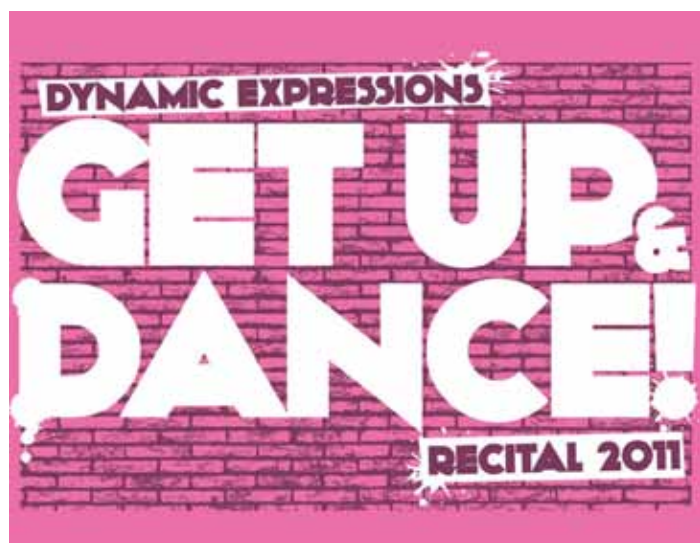

- Health Care Clinics
- Mental health
- Counseling
- Job Training, Prosthetics
- Rehabilitation,
- Weight Management
- Nursing Homes
- Prescriptions
- Hospitals
- and much more.

"Aid and attendance" is a commonly used term for a little-known veterans' disability income. The official title of this benefit is "Pension." The reason for using "aid and attendance" to refer to "Pension" is that many veterans or their single surviving spouses can become eligible if they have a regular need for the aid and attendance of a caregiver or is housebound.

Next month we'll continue our discussion of "Pension."

## Players Finish the Trilogy **ESCANABA**

The Hartland Players' Main Stage performed Escanaba in Da Moonlight to sold out crowds in 2005, dazzled you with Escanaba in Love in 2009 and now we are honored, The Purple Rose Theater gave us the opportunity to be the first community theater to present Escanaba, the final installment of the Yooper trilogy by Jeff Daniels!

In Escanaba, we go back in time to 1922, where we join Alphonse Soady, played by Tim Arrick, as he puts the finishing touches on his deer hunting cabin. He is joined by James Negamanee from Menominee, brought to life by Bill Brezina, who is looking for refuge from a black bear, this stranger reveals the origin of the Soady deer camp and the legend of the Soady Ridge Buck. Decon Acric plays Black Jack, a Civil War slave, who is key to the unexplainable and mysterious essence of the story.

Escanaba is directed by Jenifer Thomas and produced by Connie Lee.

# Scouting News

## Boy Scout Troop 380

The Troop has been quite active, especially with the new Scouts who recently joined Troop 380. The young ones (dubbed the "Platypus Patrol") are working hard on their early rank advancements and merit badges, trying to catch up with the older Scouts. Fourteen Scouts attended the Merit Badge Day at EMU in late March. The boys each found merit badges that appealed to their personal interests – everything from Art and Music to Traffic Safety to Chemistry and Nuclear Science. It was a wonderful opportunity. A number of the Scouts also assisted with Love, INC's annual "Labor of Love" for Livingston County in April as they "raked and ran" throughout the community. The boys are now preparing for Summer Camp at Camp Tapico in Kalkaska; it promises to be a great week. If you are interested in joining Boy Scouts, now is a great time. Scouting is open to any boy who is 11 years old OR has completed the 5th grade OR has received Cub Scouting's Arrow of Light Award. You need not have been a Cub Scout to join Boy Scouts. Please contact Scoutmaster John Rembisz (517.980.6664) if you are interested.

Please remember to recycle your newspapers, phonebooks, and other non-shiny papers (such as junk mail!) at our monthly Paper Drive at 10 am on the first Saturday of each month in downtown Hartland. We also collect bottles and cans. Proceeds from these drives help fund our camping adventures.

## Lakes Cub Scout Pack 385

Welcome Spring ... FINALLY! The Lakes Cub Scouts have been extremely busy these past couple of weeks. Last month we had an awesome Pinewood Derby with some of the fastest cars to date. The designs were extraordinary and the competition was fierce. We also had our cross-over meeting where Tigers, Wolves, Bears and Webelo I's advanced to their next rank. We all then cooled off for the day at the Hartland Pool and will have a great time marching in the Memorial Day Parade. Next month we have our annual picnic at Bishop Lake, Day Camp at the Livingston Conservation Camp, and a Toledo Mud Hens' baseball game. In July, we are looking forward to attending the Resident Camp at Camp Munhacker. Once again, you can see how much fun Cub Scouting is. We do work hard for our ranks, but we also have a great time! Join us in the Fall.
