Superintendent's Message

Janet Sifferman, Superintendent

In addition to congratulating Hartland's 2011 graduating class, I would like to thank the entire Hartland community for their continued support of our school district during these trying financial times. The successful passage of the 18-mill Non-Homestead Millage will help us to continue to provide the programming and services for our students that the community has come to expect. It would be impossible for Hartland Schools to do what we do without your continued support. This is a wonderful place to live and work! Thank you.

I would also like to congratulate Cyndi Kenrick on her successful bid for a seat on the Hartland Consolidated Schools Board of Education. Cyndi will fill the seat vacated by Elsie McPherson-Brown as of June 30. This is bittersweet as Elsie has given the Board eight years of dedicated and thoughtful service in addition to her many years volunteering in our buildings and serving on committees. Elsie has always put Hartland's children first and has been a staunch advocate for them with our state representatives and legislature. We will miss her!

Dear Hartland Graduating Seniors:

Your career with Hartland Consolidated Schools is rapidly drawing to a close, and waiting for you at the end of this road is the rest of your life. While it seems inconceivable that you could possibly have better times and better friends than you have now, I promise you the best is yet to come!

There will be numerous parties and celebrations awaiting you in the coming weeks and you certainly deserve each and every one of them. However, please remember, this is a very short period at the beginning of a very long and bright future. Do not do anything that will jeopardize your life or your future happiness. You certainly can have a great time and enjoy yourself without the aid of alcohol or drugs. The rules you learned here - Reason, Respect and Responsibility - should remain with you as you go through life. Please remember to think before you act. This time should be remembered for the joy and excitement of achievement, not as a time of tragedy.

Congratulations to you and your families

Respectfully,
Janet Sifferman,
Superintendent

Hartland Teacher of the Year

Congratulations to Matt Conway, Hartland Consolidated Schools' 2011 Teacher of the Year. Matt has been teaching physical education and health classes at Round Elementary School for 15 years. He attended high school in Tiffin, Ohio. Matt received his Bachelor's degree in Education from Eastern Michigan University and completed Master's degree classes at Madonna.

Matt and his wife Jennifer, a kindergarten teacher at Village Elementary School, live in Novi with their two children, son Griffin and daughter Reagan. Matt enjoys time with his children, playing recreational sports and watching any and all Ohio State sport teams!

Matt is well deserving of this honor. He loves doing the extra things that help students learn or gain a different perspective on learning. Matt has organized care package drives for military troops and developed a 5K running club so students can set a goal, train, and complete a new challenge. The 5 K club allows students to reach some sort of adversity, overcome it and accomplish a new goal. For many years Matt has organized the Jump Rope for Heart fundraiser for the American Heart Association in which students at Round Elementary participate. During the past two years, Matt has enjoyed being a part of the literacy blocks at Round Elementary School where he has had a chance to work with students in a completely different environment.

Matt's favorite teaching moment was on October 12, 2007, the day Round Elementary School participated in a tribute to the troops with their "Me, You and the Red White and Blue" ceremony and care package drive. It was a truly uplifting experience.

Matt's daily motto is "How do you want to be remembered?" The best part of his job is watching a student grow in front of his eyes from Kindergarten -fourth grade and developing a connection with them along the way. He loves the fact that he gets to come in contact with EVERY Round Elementary student, every year! Hartland Consolidated Schools and the Hartland Education Association are proud to honor Matt as the 2011 Hartland Teacher of the Year.

Homecoming Queen Wins Title of Michigan's Homecoming Queen

Raime Lamb, a senior at Hartland High school, was voted by her classmates as homecoming queen last October. The America's Homecoming Queen Inc. is an organization that invites queens from all over the nation to compete for their state title. Once a girl has been chosen to represent each state, they move on to the national competition to compete for the title of America's Homecoming Queen. Winners at the state and national level are also awarded with scholarships. After writing an essay, a series of interviews by the judges and an evening gown competition on April 9 and 10, Raime was chosen as one of the top 10 finalists. The finalists were then each asked a question which they answered in front of the judges and the audience. Miss Lamb's efforts earned her the spot of Michigan's Homecoming Queen.

Raime was also voted Michigan's Favorite Homecoming Queen from online voting. July 22-27 Raime will be going to the National competition at Disney Land in Anaheim, California to represent both the state of Michigan and Hartland High School.

Raime is a student that has worked very hard through her four years at Hartland High and will be attending Michigan State University in the fall.

The online voting does not stop here! Raime will also be competing for the title of America's Favorite Homecoming queen. Help Raime win this title by visiting www.americashomecomingqueen.com/national-queens/michigan-hartland-high-school/raime/ and voting for her. Each vote is \$1.00 and donations go toward the scholarship fund.

Parents Who Host Lose the Most

The Livingston Community Prevention Project (LCPP), including Project SUCCESS, Livingston County Community Alliance (LCCA), and The Pinckney Coalition, in collaboration with the Office of the Prosecuting Attorney, would like to announce our 2011 Spring Parent Awareness Campaign...

***"Parents Who Host Lose the Most.
Don't be a party to teenage drinking.
It's against the law."***

Parents play a major role in their children's choices about alcohol, tobacco, and other drugs. According to a 2008 nationwide report, the Substance Abuse and Mental Health Services Administration (SAMSHA), found that 40% of youth ages 12-20 who used alcohol in the past 30 days reported receiving free alcohol from an adult.

The Drug-Free Action Alliance of Ohio developed the "Parents Who Host Lose the Most. Don't be a party to teenage drinking" public awareness campaign to provide parents and other concerned adults with accurate information about the health risks of underage drinking and the legal consequences of providing alcohol to youth. The campaign encourages parents and the community to send a unified message at prom and graduation time that teen alcohol consumption is not acceptable. It is illegal, unsafe, and unhealthy for anyone under 21 to drink alcohol.

Underage use of alcohol is a serious problem that too often leads to harmful consequences for youth and their families. Parents and other adults can protect themselves and their teens by following these guidelines when hosting parties for their children:

- Host safe, alcohol-free activities and events for youth during spring break, prom, and graduation.
- Refuse to supply alcohol to children or allow drinking in your home or on your property.
- Be at home when your teenager has a party.
- Make sure your teenager's friends do not bring alcohol into your home.
- Talk to other parents about not providing alcohol at youth events.
- Report underage drinking. TIP Line: 517.546.8477

More information about "Parents Who Host, Lose the Most: Don't be a party to teenage drinking" is available at www.DrugFreeActionAlliance.org or by contacting Kris Nelson, campaign coordinator at knelson@keycenters.org.

Journalism Students Win Awards

Several members of the newspaper staff attended the Michigan Interscholastic Press Association's journalism awards in Lansing, MI. Please join us in celebrating our first ever Spartan award for the 2010-2011 Eagle newspaper. This is the highest level that a newspaper can achieve based on a thorough newspaper evaluation by an out of state judge. They evaluate many categories such as coverage, design, photos/graphics, editorial content, and writing/editing.

There were also several state individual awards that were given to our newspaper staff members. There were 73 schools and 2,963 total entries in this year's state newspaper competition. Schools were broken up into four categories. We competed against the largest schools in the state for the following Division 1 awards:

1st place- Professionally Published Page- Jordan White; **2nd place-** Professionally Published Page- Jordan White; **Honorable Mention-** Advertising Layout- Jordan White; **Honorable Mention-** Environmental Coverage- Kaila Pietila; **Honorable Mention-** News/Feature Photo- Julia Olearis; **Honorable Mention-** Front page/newspaper style- Danielle Buffa

Congratulations to Alyssa Caswell

Alyssa's Caswell's one-act play, Another Darn Birthday, was chosen as one of the six finalists for Michigan State University's Playwriting Contest. Her show is being performed by MSU Theatre Students on the Pasant Stage at Wharton Center on MSU's campus. She won a cash prize and was part of the production process, including a post-critique with theatre professionals. It is worth noting that her script was one of 156 submissions state-wide and that all of the other semi-finalists were 17 and 18 years of age; Alyssa is only 15. What an accomplishment!

Students of the Month

Kayla Harrison and Bryan Condra have been chosen for students of the month at HHS. They both have awesome attendance records for this year and have done exceptional academically. Kayla and Bryan are always willing to help. Congratulations Kayla and Bryan

Link Crew welcomes the Class of 2015

On Tuesday, August 30 from 7:45am until 12:30pm Hartland High School will welcome the class of 2015 with a mandatory orientation program called Link Crew. This orientation is designed for students only. Parents will have an opportunity to join their student at the conclusion of the Link Orientation.

The Link Crew program "links" junior and senior students with a "crew" of freshmen. For two days prior to the orientation, these junior and senior Link Leaders, from diverse social backgrounds, will be trained to lead small groups, to be role models to others, and to guide the activities for the orientation day. At the heart of the Link Crew program is the belief that these older students are capable of great leadership to the freshmen, as well as other students on campus.

The purpose of the Link Crew orientation day is to give the freshmen a positive experience on the HHS campus. The day will begin with an exciting welcome. After a few warm-up activities, the students will participate in some get-to-know-you activities with their classmates and Link Leaders. Then students will be introduced to their assigned Link Leaders. Each crew will participate in small group activities designed to help the students learn about each other, their school, and their Link Leaders. The small group time will conclude with a brief general tour of the school, pointing out key locations such as the main office, cafeteria and main academic hallways.

Students must attend this orientation to receive a copy of their class schedule prior to the first day of school. The school tour provided during the orientation will not allow the students to walk their individual schedules. Therefore, parents are invited to join their ninth grade student following the conclusion of the orientation program to walk through their class schedule in order to feel more comfortable with class locations prior to the first day of school. Doing this is highly recommended.

A new addition this year will be a parent orientation in the HHS auditorium on the morning of the freshmen orientation hosted by HHS administration from 8AM to 9AM. This parent orientation is intended to provide useful information and tips to make your incoming freshmen successful.

Stay tuned because Link Crew continues throughout the entire year with social and academic follow-ups between the Link Leaders and their crews.

****NOTE**** Ninth grade registration will be held on August 23 This is a separate event from orientation, but it is mandatory that students and parents attend. At registration parents and students can expect to turn in emergency cards, get school pictures taken, pay for school pictures, athletic passes, etc...

The Publicity Committee has recently finished the Teacher Appreciation essay and is now writing articles

Hartland Middle School Student Named State Champion in Forensics!

The Ore Creek Middle School forensics team finished the season with an outstanding finish at the MIFA Middle Level State Tournament held at Wayne State University on April 30. Eighth grade student Kendra Rocha won the State Championship in Extemporaneous Speaking! Extemp is considered by many to be the most difficult of all the public speaking categories because the student draws a current event topic of national or international importance and has 30 minutes to prepare a four to seven minute speech on that topic. The speaker must include her own analysis of the subject and also present evidence to support her position. Kendra will go on to compete in the National Junior Forensic League Tournament held in June in Dallas, Texas.

Bree, Sarah & Kendra

Sarah Portelli and Bree Rice, both 8th grade students at Ore Creek, represented Hartland in the interpretive categories of Poetry and Prose. These categories are very large and the competition was intense as students from 26 other middle schools from across the state vied for a top six placing.

Earlier in April, the forensics team traveled to North Branch for another Middle School tournament. The team rallied to a 2nd place finish, which was amazing considering this, is only the first year of competition for these students. Two individuals were named category champions by earning perfect scores of 1-100% in each of the three rounds of competition. Those students were Kendra Rocha in Extemporaneous Speaking and Mason Cothran in Informative. Taking home 2nd place medals were Sarah Portelli in Extemporaneous Speaking and Kendra Rocha in Oratory. Katie Lohous earned a 3rd place medal in the category of Poetry. Honorable mentions went to Bree Rice in Prose and Sarah Portelli in Poetry.

Pajama Day

On April 15, Creekside Elementary had Pajama Day with proceeds going to the American Red Cross to help the families in Japan. Students wore pajamas and donated money to help with this worthy cause. Mr. Gutteridge's and Mrs. Phillips' classes donated the most with each class collecting over \$100.00. Creekside collected a total of \$1,325.00.

Lakes enjoyed a visit in April from our Hartland Schools liaison officer, Deputy Jim Steinaway, who spent time reading to several classrooms and talking with students about his duties as a police officer in the schools. Pictured here, Deputy Steinaway reads "The Last Polar Bear" to students in Mrs. Hartley's second grade classroom.

Congratulations to Lakes Elementary students, staff and families, for once again qualifying as a Michigan Green School! Lakes fourth grade students John Wisniewski, Haley Waterbury, Jack Roman, Paige Luce, Jordyn Osterhout, and Andrew Baerwalde proudly display our new Green Schools flag for 2011. We are so excited to have attained the highest Evergreen Status for the second year in a row, by achieving 20 points. Go Green!

Speaking of Green Schools, Mrs. Langdon's kindergarten students made their own paper as a great recycling activity. Pictured here, paraprofessional Mrs. Val Learmont and student Eisa Fetuni make mulch out of recycled paper while Carly Ostervik waits to help with the next step of the process.

Lakes first grade classrooms enjoyed a visit from Paul McCormack the "Animal Guy" in April who brought some amazing and unique animals for our students to investigate and learn about. In Mrs. Mitchell's class, Hailey Titus gets to know Woody, the tree frog on a more personal level.

Congratulations to our May Citizens of the Month! These students have displayed exceptional effort, achievement and/or citizenship in their classrooms and we are very proud of them! Back row (l-r) Fourth Graders: Robby Spangler, Brad Malewski, Madison Mince, and Sydney Bradford. Front row (l-r) Third Graders: Nicole Dompierre, Cameron Roach, Grace Saunders, and Nate Andersen.

Round Elementary News

810.626.2800

The Round Elementary School Family would like to thank all people who made this school year a great one. We feel fortunate to have caring people who help us create a positive learning environment for our children. We wish everyone a safe, restful, fun-filled summer and look forward to another exciting school year. The following pictures feature our Science/Art Fair and Ice Cream Social. It was a big turnout to look at our student's fantastic science and art displays and share ice cream scooped by our staff. There were also books published by all our students on display for family to read. It was an awesome night! Round would also like to recognize our very own Matt Conway, Hartland Schools Teacher of the Year. Also, Barb Benford in recognition of National Librarian Appreciation Day. We have an incredible staff at Round Elementary School and we wish you a great summer.

We recognized our media specialist Barb Benford during National Librarian Recognition Day in April.

Congratulations to Round School's Matt Conway for receiving Hartland School's "Teacher of the Year" Award last month. He is well deserving of this honor and we are extremely proud of his work at Round Elementary.

Round School students had science projects on display at the Fair.

Parents read stories written by all our students at the Fair.

Round School staff scoops ice cream at the Ice Cream Social.

Students and parents check out the art work and admire the great skills of our students at Round.

2010-2011 Village Elementary 4th grade class.

4th grade at VES, students had the option of dressing up while presenting their biographical information. Pictured here is Natalie King as Albert Einstein.

During our Annual Fun Fair and Silent Auction parents had the opportunity to bid on the positions of Principal, Secretary, and Custodian for the day. Pictured here is students Luke Dibert "Custodian," Emma and Sean Donahue "Principal" and Alexis Barkley as "Secretary." All the students had a great day helping out at Village.

Village parents please take the time and visit our PTO website at <http://minnie.hartlandschools.us/groups/villageelementarypto/>, where you will find up to date information on what is going on at Village Elementary. You will find links to many important things, as well as flyers for upcoming events for you to view and/or print for your convenience.

LEGACY Community Service

During the summer Michigan Works Program, Randy Pomeroy and LEGACY students built several benches and a picnic table to enhance the Community Education Building for the many people including senior citizens, preschool students, LEGACY students, college students and community members who enjoy use of the building. Recently Art Teacher, Mrs. Ernst, invited the preschool children to decorate a bench that will be sitting in their entry way with painted pastel hand prints. LEGACY students helped the children paint their hands and distribute the prints over the bench.

This was a good time for LEGACY students to interact with the youngsters and the preschoolers and to work with a big brother or sister again for the hour. In December, they created holiday gingerbread houses together. During this summer Randy and the students look forward to creating more tables and benches for the district.

“Youth Appreciation Awards Night”

Youth Appreciation Awards were presented to a number of Hartland students including, Hartland Legacy students, April Militzer 12th grade, Cheyenne Wright 12th grade, Brooke Diener 11th grade, Destiny Oliver 10th grade and Cody DeBruyn 9th grade on April 21. Selection was made using the following criteria: Outstanding community service, special achievement, good judgment, choices, perseverance, overcoming hardships, encouragement of others, loyalty and teamwork.

The staff of Legacy is very proud of these students. They have shown a tremendous amount of personal growth since they came to Legacy. We look forward to their graduation as productive community members.

Walk in Her Shoes

Saturday April 16, at the Tanger Outlet Mall in Howell, a number of Hartland LEGACY students participated in the 6th annual “Walk-a-mile” to support LACASA. The walk is an International men’s march to stop rape, sexual assault, and gender violence.

Walkers come as individuals or teams. They walk with families, spouses, co-workers, and friends. Some dress in uniform, team shirts, even dresses, but all wearing women’s shoes. Some walkers have participated annually and bring their own shoes, from high heeled patent leather boots, to fuzzy leopard print high heels, and some prefer the flat sandals making the walk a bit more safe.

The students collected money and participated to help raise awareness of sexual violence, and help the survivors that turn to LACASA for help. Families and family pets came out for support and to cheer these walkers on.

Club & Organization News

Bill Fountain, Joe Petrucci and Karen Crouse, President of the Rotary Club

The Rotary Club of Hartland

The Rotary Club of Hartland is moving forward into summer and our first annual fund raising event, The Hartland Cardboard Regatta to be held June 25 at Waldenwoods Resort. Teams from local businesses and community groups are busy constructing their cardboard boats for friendly competition in racing and stay afloat contests on Lake Walden. There will be food, crafts, and activities for children at this fun event where proceeds will be used to fund local and international causes as part of Rotary's mission in helping those in need. For more information, see our ad in this issue and our web site below.

At Hartland Rotary's April 21 meeting, Bill Fountain and Joe Petrucci were honored for their extensive efforts to relieve suffering and need within Hartland and Livingston County. Bill and Joe have served Hartland for many years, both on the Township's Planning Commission and on its Board. Bill is currently Supervisor, and Joe is a trustee. Bill Fountain was honored for the many fundraising activities conducted through The Majestic golf course. He has raised over \$80,000 for Hartland families in need, The Majestic has hosted the Birdie Drop, spearheaded by Joe Petrucci; this event raised over \$300,000 for Gleaners and has obtained donations of over 2,000 turkeys to help families in need.

On May 13-15, six local Hartland students participated in the Rotary Youth Leadership Awards, spending the weekend at the University of Guelph in Ridgetown, Ontario. Three of the students were sponsored by our local club. Our second annual garage sale was held May 26-May 29 in front of Tyme Well Spent in the village of Hartland. Thanks to club member Nancy Martin for hosting and coordinating this activity.

Visitors are welcome to join us on Thursday mornings for breakfast and informative presentations at Village Manor (9501 E. Highland Rd.) at 7:15am. If you have a passion for community service and enjoy sharing the fellowship of those with a similar desire, please consider joining us. You can also go to www.hartlandrotary.org for more information on our club.

Bluebirds-June 7

The bluebirds are back! What better time for Joyce Schuelke of the Wildernest in Brighton to share her presentation about the care and feeding of these lovely creatures, including how to attract them to our backyards. We will begin our June 7 meeting with a potluck dinner at 6:30pm and the presentation will follow at approximately 7:15pm. The Hartland Audubon Nature Club meets the first Tuesday of the month, from September through June, at the Hartland Education Support Service Center on M 59 just west of US 23. Black Sheep Weavers' Fiber Guild

Meetings resume on September 8

Spring has arrived with summer on the way! Some members are sheering sheep, goats and alpacas or welcoming new fuzzy babies to their fold. Some are dyeing silk, wool and other fibers into many beautiful colors of the rainbow while still others are busy creating wonderful fiber art both to wear and sell at Michigan's many festivals and art fairs.

The Black Sheep Weavers' traditionally meet from September through May, closing our year with elections for the next years board at our members potluck in June. We look forward to another year of creating art, sharing projects and ideas, attending meetings where we will enjoy speakers in the many facets of fiber art and attending educational and interesting workshops.

Plan to join us next Fall when we once again meet at the Hartland Consolidated Schools Educational Support Service Center at 9525 Highland Rd (M-59) ¼ mile West of US 23, Hartland. We always welcome visitors who are interested in any of the fiber arts! For additional information on the Black Sheep Weavers' Fiber Guild including photographs of our activities and artwork, please visit our web site at www.black-sheepweavers.com.

Hartland Women's Club 2011 Warm n Cozy Bazaar December 3

The 2010 Warm N' Cozy Bazaar was a great success. Over 2,000 people (not including our friends 12 and under) attended the Bazaar. We were thrilled with the attendance given the economic climate. Candy Cane Lane was a hit. We want to thank all of our wonderful volunteers. Special thanks to Michelle Otis from Community Ed. Also, thanks Carol & Danny Maczik from Spirit of Livingston, to Sandy and Mark Enderle for helping in the set up and tear down, to Denise Schneirs and Maryann Zurmuehlen who served as Bazaar Chairs and to our phenomenal student volunteers from Hartland High School. We really couldn't put the Bazaar on without them.

We are already going full steam ahead for the 2011 Bazaar held on Saturday, December 3 (always the first Saturday in December). Proceeds from the bazaar are donated to local school affiliated programs and local charities. Last year, we donated over \$10,000 to worthy groups such as Hartland School PTOs; Hartland Senior Center; Hartland Music Hall; Gleaners; LACASA; Hartland Optimists Club; Meals on Wheels; Cromaine Library; Red Cross of Liv. County and Hospice of Liv. County. We are proud to present scholarships to worthy Hartland High School senior students.

The Hartland Women's Club is a non-profit organization and is ALWAYS looking for new members. In addition to the Bazaar, we participate in the Hartland Heritage Day. We have monthly movie nights, monthly dinners at different area restaurants and some members even make an annual pilgrimage to Shipshewana!

We meet on the fourth Tuesday of every month at HESSC on M-59 at 7:00pm. Feel free to stop by, say hello and perhaps join our Club. If you have any questions, please contact Peggy Seebaldt 810.632.4959.

Swing Dance Club Started

A new swing dance club started at Ore Creek Middle school on March 22. The dance club meets weekly at 2:30pm in the Kiva at Ore Creek. Participants pay \$5 monthly for instruction and a snack. Many thanks to Michael Letovsky, Band Director and Rebecca Baucus, Band Booster President for the great event to showcase not only the extraordinary talents of the Hartland Jazz students, but also our students of swing dancing.

Some of the regular attendees of the swing club as well as those who participated in the contest are pictured. Summer Membership at the Hartland Pool?

Unless you live on a lake, or next door to someone who generously shares their backyard pool, finding someplace to burn off some of the kids energy in the summer can be a challenge.

Let's do the math. If a family of four comes to the pool once a week for 13 weeks, the walk-in cost (\$5 each) would be \$260. A family membership costs \$170, and you can come as often as you'd like.

Open Swims are 6 days a week, Monday through Saturday, at 2:30-4:00pm and 7:30-9:00pm. Where else can you go where it's always sunny, warm, safe and clean?

Families with young children often bring the kids' pajamas, and take them home freshly showered and worn-out-ready-for-bed.

Membership includes the use of all facilities, during regularly scheduled hours, except for classes with an instructor. More information can be found at www.hartlandschools.us, then follow the link to the aquatic center or call 810.626.2279.

VA Long Term Care Benefits, Part 2

Last month we began our discussion of VA "Pension." This month we will continue our discussion

Pension is an underused benefit

There are different income categories for Pension, but the highest could pay as much as \$1,949.00 a month in disability income to a qualifying veteran household. A study commissioned by VA in 2001 estimated, over the next 14 years, only about 30% of eligible veterans would apply for Pension. This is likely due to the fact that most veterans simply don't know about it. In fact about a third of all seniors in this country, age 65 and older, could become eligible for pension under the right circumstances. That's how many

elderly war veterans or their surviving spouses there are.

To receive Pension, a veteran must have served on active duty, at least 90 days, with at least one of those days during a period of war. There must be a discharge under conditions other than dishonorable. Single surviving spouses of such veterans are also eligible. If younger than 65, the veteran must be totally disabled. If age 65 and older, there is no requirement for disability. There is no age or disability requirement for a single surviving spouse. There are income requirements, but a special provision does allow household income to be reduced by 12 months worth of future medical expenses. Normally, income is only reduced by medical expenses incurred in the month of application. These allowable,

annualized medical expenses are such things as insurance premiums, ongoing prescription drug costs, out-of-pocket cost of monthly medical equipment rental, the cost of home care, the cost of paying adult children to provide care, the cost of adult day services, the cost of assisted living and the cost of a nursing home facility. These are all considered medical costs and they can be deducted from income to receive this benefit. The secret for receiving a successful award for aid and attendance or housebound ratings is not in filling out the form but in knowing what documents and evidence must be submitted with the application. Knowing the secrets for a successful award—with the special case of long term care recipients—is 95% of the battle. Even though the

form is challenging, filling out and filing a claim is a formality.

A knowledgeable consultant can provide information to shorten VA's decision window of 6 to 12 months to possibly 3 or 4 months. The consultant also understands how to maximize the benefit or avoid a denial. The consultant can also provide guidance for meeting the asset test. Finally, the consultant can provide the actual strategies for reallocating assets and he or she can arrange for trusts or income conversions to allow for the best possible accommodation of assets for beneficiaries thus reducing taxes, family disputes and Medicaid penalties.

Scouting News

Lakes Cub Scout Pack 385

As you can see, we had a GREAT turnout for our Cross-Over celebration in April. Leaders and parents are so proud of how well the Scouts did. The Scouts are so excited for their next adventure – their next rank, which starts in the fall. Last month some families got together at Splash Village for Mom and Me Day. Also, we participated in the Memorial Day Parade and gave out lots of treats! This month, we had our end of the year picnic, Toledo Mud Hens' baseball game/sleepover, Kids Day 2011, and Extreme Scouting Day Camp at the Livingston Conservation & Sports Association. In July, we are looking forward to attending the Resident Camp at Camp Munhacker. We know Scouts had a great year and we would like to thank those who volunteered their time and effort to make Pack 385 an awesome experience for Scouts. Join us in the fall when we kick off another great year!

Grazia Curcuru Earns Bronze Award

On Monday May 2, Junior Girl Scout Grazia Curcuru, of Troop 41231 out of Charyl Stockwell Academy, hosted a workshop to benefit U-M Mott's Children's Hospital to earn her Bronze Award. The Girl Scouts attending were asked to bring books for the Book Cart at Mott's Children's Hospital, and while at the workshop, they made footprint cards for the babies in the NICU. Donations from Hartland Kroger and Susan's Hallmark provided a snack and prizes for the girls who came out to participate in the benefit workshop. Barnes & Noble at Green Oak donated books for the Book Cart. Many thanks for the generous donations and to the girls who came out to support a good cause.
