Superintendent's Message

Janet Sifferman, Superintendent

Welcome to the 2011/2012 school year. We have been busy this summer preparing for our students' return. Our Technology Department has been particularly busy this summer updating the majority of our classrooms with new whiteboard technology included in the 2010 Bond Issue. Farms and Lakes also spent the summer under renovation with updates to the parking lots and building interiors. Again a big "thank you" to the Hartland community for your support of our 2010 Bond proposal.

While a great deal of press has been given to educational funding and the many changes and reductions coming from Lansing; Hartland Schools, with the support and sacrifice of our employees and community, will continue to offer exemplary programming and opportunities for our students. I am extremely proud that our administrators, employee groups, and support staff, under the direction of our Board of Education, continue to work cohesively and cooperatively to provide our students with the best possible education. We at Hartland Consolidated Schools are fortunate to be a part of this phenomenal community, and are eagerly looking forward to another successful school year.

Anneke Hoogenstryd and Kaitlyn Ratliff were the recipients of this year's Hartland Education Association (HEA) Scholarship. The money for the scholarships is donated by Hartland teachers through their dues to the HEA as a symbol of our commitment to our profession, our students and the future. Both Hartland Seniors are entering college this coming year to study elementary education. Anneke will be attending the University of Michigan-Flint, and Kaitlyn is attending Central Michigan University. The Hartland teachers wish both young ladies success in their studies.

Communication information requested

Welcome back to another wonderful school year at Hartland High School. As the year progresses there will be a need to communicate upcoming events and important information to parents in a timely fashion. HHS would like to ask that you, the parents, take a few minutes to visit www.hartlandhighschool.us and click on the ListServ link to sign up to receive e-mail messages that may help facilitate this process. New for the 2011-12 school year is an automated messaging system in which the building administrators can communicate attendance issues and other important information via

E-mail and phone calls. In the future we will be able to add text messaging to this process. In order to ensure that you receive this information from the automated system it is imperative that your contact information is correct. This is done by having completed and up-dated the Emergency Information Sheet at registration or by contacting the school at 810-626-2200. The effort to set up communication networks that provide information in a timely manner comes directly from feedback parents have provided on the Parent Teacher Conference Surveys done last year. Please know that you can also visit Parent Connect (with the proper password) and our daily announcements. Links for Parent Connect and daily announcements can be found at www.hartlandhighschool.us.

Parent Advisory Committee (PAC):

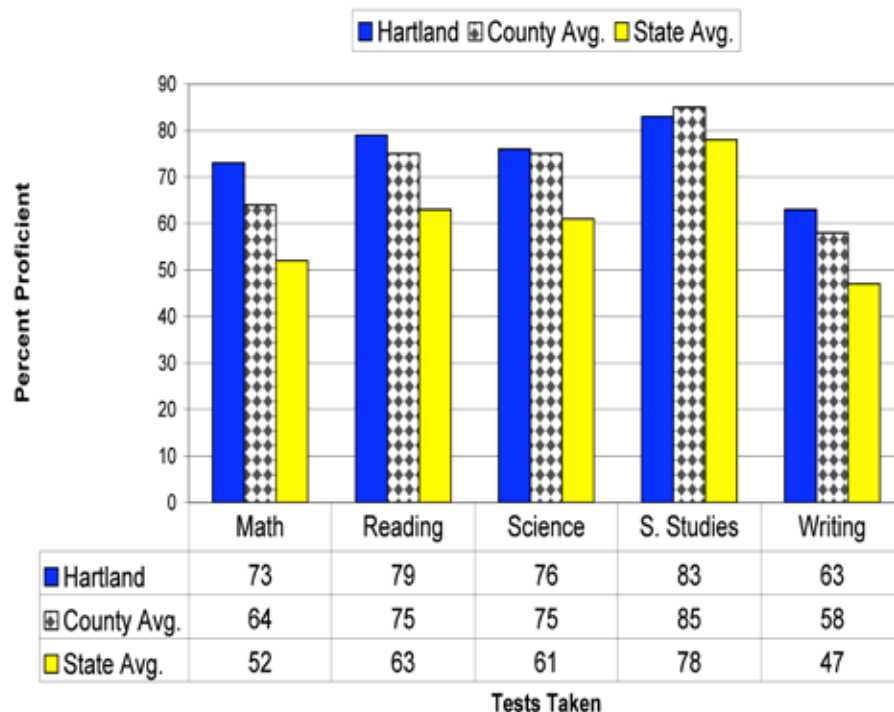

The PAC invites all parents to attend PAC meetings which will take place on the first Tuesday of each month starting October 4, 2011. Meetings will be held at 7:30 AM in the main office conference room. Each month we will include a topic of discussion. In October the topic will be High School Curriculum and what parents can do to ensure student success in high school? If you have a topic that is of interest to you, in regard to the high school, please contact Chuck Hughes at chuckhughes@hartlandschools.us so that the topic may be added to a future agenda. Thank you for your support in donating to the PAC for the 2011-12 school year. The PAC will have a table set up at the September 9, 2011 Varsity Football game to enroll new members and share information on purchasing a HHS Student Directory.

If you are interested in the PAC Minutes of Meetings please visit the PAC Newsletter at www.hartlandhighschool.us.

Michigan Merit Exam Results Look Good:

The MME results indicate continued improvement in Math, Reading, and Writing which is consistent with Hartland High School's school improvement efforts in critical thinking / problem solving and literacy. We are encouraged that the combined efforts of students, staff, and the school district are supported by this set of data. In the spring HHS was awarded the highest level of accreditation from Advanced Ed. (an outside curriculum auditing organization) for this effort. We would like to thank our parents and community for continuing to entrust the education of our future leaders with the Hartland Consolidated School District.

There is a participation fee for interscholastic sports and school sponsored clubs. A one-time \$95 fee will allow students to participate in any school team and/or club for which they otherwise qualify (this one-time fee covers all sports and clubs throughout the year).

Tardy To School Policy

Please help your child do his or her best. Attendance is a crucial factor for student academic success.

- Students tardy to school (i.e. late to Homeroom) must be signed in at the front office by a parent or legal guardian in order for the tardy to be considered excused.
- Unexcused tardies to school will result in disciplinary action.
- Excessive parent excused tardies may be referred to the Livingston County Attendance Officer.

Parent Connect

Parent Connect allows parents with Internet access to monitor their children's grades. If you had a password assigned last year, it remains the same. Contact Karen Wilson at pc@hartlandschools.us for assistance.

Phone Messages To Students In School

It can be very disruptive to call students out of class to deliver routine messages. Please make every effort to communicate after school plans with students before they begin their school day. We appreciate your help in keeping our school the best learning environment possible.

Safety In The Parking Lot

The morning "drop off" time before school and afternoon "pick up" time after school means that students who are being driven to and from school must negotiate a very busy parking lot. PLEASE DRIVE SLOWLY AND CAUTIOUSLY and put the safety of our students ahead of time issues.

Newsletters

Newsletters will not be mailed home or sent home with students. Updated newsletters will be available approximately every two weeks (every other Thursday) via the school website (www.hartlandschools.us). If you do not have Internet access, you or your child may pick up a hard copy of the newsletter in the school office.

National Junior Honor Society (Njhs)

Our school counselor/NJHS sponsor invites eighth grade students who are eligible to join the Hartland Middle School NJHS. Students must have maintained a 3.6 or higher grade point each marking period in seventh grade and write an essay on service, character, and leadership in order to be considered for admission. If you believe your child qualifies, and you would like more information, please contact our counselor through the school office.

The busses, hallways, classrooms, and commons will soon be filled with students again, as in this photo from the beginning of last school year.

Students will soon be back to reading every day!

Last year's eighth graders learned about life during the Civil War with the assistance of Hartland High School Civil War re-enactors.

Last year's seventh grade students work with guest presenters to study the effects of flooding using a water table.

Welcome to Farms Intermediate

We hope everyone had a fun-filled, restful summer! We are very excited about the start of the school year!!! Just a reminder to everyone that our parking lot and building are under construction for the summer and we are unsure when we will be able to return to the building before the start of the school year. Thanks for your patience and understanding!

From the End of One School Year to the Beginning of Another

The 2010-2011 school year ended with some great things going on. There were field trips to Mackinac Island, Greenfield Village and a History Tour of Hartland, Field Day, 4th Grade Breakfast and Clap Out. While we look back and reflect on all the great memories we welcome a new school year, a new class of kindergarten students, new experiences and another great year ahead.

Welcome Back Hartland Teachers and Students!

A Message From Your Principal *Welcome Back!*

I am so excited to welcome you all to the Lakes Elementary for the 2011-2012 school year! I hope that your summer was filled with fun adventures, lots of reading, plenty of rest and relaxation, and that you are ready to begin another amazing year at Lakes. Best of luck to our Lakes students who are moving on to 5th grade at Farms this year. We wish you all well and will miss you!

Normally, we would have been in the building busily preparing for the first day of school, but because of our summer renovations, we will be scrambling to get ready right up to our first day of school. The office staff has been housed at our transportation department since August 15 and we are anxiously waiting to return to our "newly improved" home. Our construction folks have been working around the clock all summer long to transform our Lakes Elementary on time, and we are all trying to be patient. **I will ask for your patience as well, in refraining from coming up to the school this year before the first day on Tuesday, September 6.** Our teachers, staff, and construction workers will need every second of time right up until the buses pull into the drive to prepare the building and make sure that we are ready to receive our students. I truly appreciate your cooperation in giving us the time and space we need to be ready.

You will receive a letter from me sometime near the end of August, concerning teacher assignments for the new school year, as well as other important information to know before the first day.

Our Kindergarten Open House will take place on Thursday, September 1 from 4:30-6:00 PM at Lakes and you will have already received your letter indicating who your kindergarten teacher will be. We will ask parents and students to visit their classrooms first and then parents will join me in the gym to receive some important building and routine information about Lakes Elementary, while our newest students stay in the classrooms with their teachers and enjoy some fun activities. There will also be a school bus out in front of the building for kindergarteners to explore that evening. We hope to see you there!

Curriculum Nights for our other grade levels will take place later in the month of September.

As always, I have missed you all over the summer and can't wait for school to begin again! Enjoy the rest of your vacation and I will see you soon.

Mrs. Lindsay Smither
Principal

Lakes staff and fourth grade students participated in their third annual end-of-the-year Soccer game to celebrate a great 2010-2011 school year. Pictured here: Mr. Foster works in goal as Lakes fourth grade students practice their passing skills, while the entire 4th grade class celebrates another close win, as they beat the staff in a "shoot out." Congratulations fourth graders!!!

Lakes Elementary continues with many Green School activities including a collaborative project between first and fourth grade students from Mrs. Ganster's and Mrs. Juliar's classes. LEGACY Kirk Evenson, Principal

The LEGACY Alternative School, located in Hartland, is an excellent educational option for youth in and around the surrounding Livingston County area. Nearly thirty years ago, Hartland opened the program and it still exists today because of our success and the strong philosophy and support from the Board of Education and the district administration.

The program, located on the campus of the HESSC (Hartland Educational Service Support Center), has successfully graduated hundreds and hundreds of students that may have otherwise quit school without LEGACY. The program boasts an impressive 85% graduation rate, truly one of Livingston County's, and Southeast Michigan's, best kept secrets.

New to LEGACY this coming year will be math teacher, **Ms. Cheryl Vaughn**. She comes to us with a background in the private sector working in a chemistry lab as a scientist. Last year she worked at Hartland HS in the math department as a long-term sub. Ms. Vaughn will make a great addition to our team of highly qualified and professional educators.

The staff at LEGACY is second to none and has served the youth of Livingston County with pride and much success, connecting with each student to foster a relationship built on educational success. As a scheduling option for Hartland High School students; LEGACY has provided a small, warm, and friendly environment for at-risk students to thrive. A typical student referral to LEGACY includes students that have not had success in the traditional school and are in need of a more personal setting to learn and grow.

Over the years, the LEGACY Alternative School has boasted several special activities and projects that allow for student creativity and success, which include; art classes, disc golf team, softball, and job skill training, just to name a few. The educational program offered at LEGACY is delivered differently than the traditional school setting, allowing for personal differences and individual support.

This past year, we proudly sent another 40+ graduates into the world. We want to invite you to come and visit to see if LEGACY is the right place for you or your high school age student. Questions or concerns should be directed to Kirk Evenson at 810.626.2140 or by email at kirkeverson@hartlandschools.us

Legacy Softball

by Taylor Jarrett

This year, Legacy put together its first softball team to play in the MAAA State Open Softball Championship. In preparation for the tournament the players stayed after school and trained the three weeks leading up to the state tournament. Mr. Lemay was our coach/teacher of the team and set up two scrimmages to get the team prepared. The first scrimmage was a home game vs. Lincoln Owosso Alternative.

Mr. Evenson held a cook out. Legacy won the game 14-7 everyone had a lot of fun.

A week prior to the state tournament, LEGACY set up a match with the Hartland Senior Citizens. The seniors were organized and surprised the "young whipper snappers," by proving a worthy opponent. LEGACY did again win the game. Now with a 2-0 record we were going into the state tournament. ON TO THE BIG SHOW: STATE FINALS!

In the state semi final LEGACY was tied 10-10 with Southgate Alternative after regulation (7 innings). In the top of the 8th LEGACY scored 4 runs and held Southgate to only one run in the bottom of the 8th to win. 15-11 was the final score. LEGACY went on the state final!

In the final the team battled hard, everyone played really well, but we came up one run short. LEGACY earned second place in the state final.

Hartland LEGACY's class of 2011-graduated with honors.

by Taylor Jarrett

The graduation ceremony was held in the school auditorium on May 25 at 7:00p.m. Graduates included. Alyssa Bacon, Jessica Carter, Samantha Casteel, Danielle Chandler, Joshua Eagle, Ryan Eggan, Taylor Fremd, Haley Haaseth, Michael Hagan, Melissa Hepfinger, Michael Herbst, James Holcomb, James Juel, Joseph Kolar, Devon LeMay, Taylor Mara, Brendan Merollis, April Militzer, James Millsaps, Alexander Neville, Paige Noud, Andrew Orban, Alexa Parrish, Minda Pham, Megan Rasmussen, Whitney Reddeman, Mike Rollinger, Sara Rowan, Harrison Schultz, Francis Schumaker, Joscelynn Schuster, Nicholas Seacord, Jessce Stearn, Taylor Stotts, Michelle Strong, Matthew Tate, Allen Taylor, April Taylor, Christopher Tomlinson, Kurstie Trawick, Jacob Turnage, Amanda Watkins, & Cheyenne Wright.

Several students received scholarships at the graduation ceremony. Three different scholarships were given. The Michigan Alternative Education Organization, gave a scholarship to Allen Taylor, for \$1,000. Baker College awarded April Militzer and Cheyenne Wright a scholarship for half of their tuition for 2 years at Baker College.

April Taylor and James Millsaps each received a \$500 O'Brian scholarship to be used at their school of choice. Christopher Tomlinson received a U.S. Army Recognition worth \$75,000. Danielle Chandler received the Jo Del Vero Community Award.

In his address to the graduating class, Social Studies teacher Mark Chapman, talked about his recent school year at LEGACY. He stated that it was an "interesting school year to say the least. We welcomed a lot of new faces and personalities which, at times, presented major challenges." Teaching became a challenge. There were times that he thought he needed to put on a clown suit or do some break dancing to get the attention of students. But the important thing was that even though some lessons failed he still came in the next new day with a new game plan. The point that he wanted to impress upon the graduating class of 2011 was, "even if something fails, you never give up!" The class of 2011 never gave up on themselves and they earned their high school diplomas.

September is National Senior Center Month

Where do older adults go to learn Yoga, Zumba, take an art class, find community services, volunteer, or sign up for a trip? For 10 million people age 50 and over the answer is often their local senior center. Nearly 11,000 senior centers serve 1 million older adults every day. They offer a rich and engaging array of opportunities to help us age successfully.

The Hartland Senior Center has 1300 members and provides service to an additional 400 older adults each year. People age 50 and older attend the Hartland Senior Center to stay fit with a multitude of fitness and exercise classes, learn to paint, draw, carve, participate in sports, sing, play instrumental music, dance and enjoy performing on stage, play cards and games. A number of community members use the senior center's transportation program to go to medical appointments, visit the pharmacy and grocery stores, and to come to the senior center. Each year the senior center offers flu and pneumonia shot clinics, Life Line Screening, legal-aid counseling, Medicare and Medicaid counseling. The senior resource specialist advises and assists both older adults and family caregivers regarding access to community services. It is the intention of the Hartland Senior Center to keep people well, happy and living independently in our community.

Come Celebrate National Senior Center month by attending an Open House and Community Fair Wednesday, September 7 from 10:00am-1:00pm. Local businesses and agencies will have informational tables to available to the public and staff to answer your questions concerning services available to the community. We will have senior center group representatives to explain the recreation, fitness and craft programs we offer at the center. Refreshments will be served and salad and soup will be available from 11:30am to 12:30pm. for a small charge provided by the Livingston County Senior Nutrition Program. This event is open to the public.

Flu and Pneumonia Shots

The Visiting Nurse Association will be back for their annual Flu and Pneumonia Shot clinic on Tuesday, September 27 from 10:00am-2:00pm. These shots are covered by Medicare. Please bring your Medicare card on that day.

Evening of Music & Food

Wonderful music filled the air on the evening of June 8 in Croumaine Lodge at Waldenwoods. The music was provided by the Silver Chords, Silver Squires and the Second-Wind Ensemble. These musical groups meet and rehearse at the Hartland Senior Center under the direction Larry Detter. Everyone enjoyed the music, Larry's informative commentary and the delicious food prepared and served by the Waldenwoods staff. It was a great venue for this annual event. All proceeds will be used to support the music programs at the Senior Center

Hartland Area Chamber Awards Scholarship

For the 20th consecutive year, the Hartland Area Chamber of Commerce (HACC) is presenting a \$1000 scholarship to a Hartland High School senior for demonstrating the kind of character and qualities the Chamber seeks. These characteristics include: demonstrating leadership and one who places a value on community service and personal growth. The 2011 recipient, Janeen Dusseau, certainly displays these qualities.

Dusseau has not only shown exemplary leadership skills in participating in the high school's Link Crew program, through which she mentored freshmen through their first year of high school. She also teaches an acolyte and recreation class at her community church, sings in the church choir, and is on the church worship committee.

Through Janeen's high school attendance she developed an interest in radiology. She has volunteered at the Veterans Affairs Hospital of Ann Arbor (VA) in the radiology department thus strengthening her interest. She will pursue a career in radiology by studying at Ferris State University.

Along with the \$1000 scholarship certificate that was presented to her Dusseau's name will be placed on a commemorative plaque displayed at the Chamber of Commerce office.

The Hartland Area Chamber of Commerce serves to assist business establishment and growth in the Hartland area through information, support and networking; and to provide a means for business to give back to the community.

Working with Elder Parents in Planning Financially for their Long Term Care

You may be taking care of elderly parents now or looking at that possibility in the near future. According to a report from USA TODAY/ABC News/Gallup Poll, 41% of baby boomers are helping take care of elderly parents by providing personal help or financial assistance or both.

If financial planning and long term care planning have not been done previous to the need for care, the burden falls on the caregiving family member. Decisions about how care will be paid for, who will be responsible for managing the estate as well as how the long term care will be given can cause stress and contention among family members.

It is best for parents and all family members to be involved in planning for future financial needs. The financial resources being used today could change drastically with the occurrence of a stroke, illness or onset of dementia. In order to plan financially for long term care, you need to know what the costs are now and what they will be in the future.

Every year MetLife does a survey of long term care costs. Their 2010 survey shows that the average daily rate for private nursing home

is \$229.00 which is up from \$219.00 in 2009. Assisted living monthly base rate cost rose to \$3,292.00 in 2010 from \$3,131.00 in 2009. Home health aids average \$21.00 per hour.

Planning financial needs can be very difficult, considering you do not know when long term care will be required or how long it will be needed. You can determine what will be needed in certain living situations. Staying in your home for care will require Professional Home Care assistance, travel accommodations to doctor appointments, help with shopping, meals, medical supplies and medication and possibly a 24-hour attendant. Even if a family member is doing most of the care, eventually professional care will be required or a move to nursing home facility will be necessary.

When evaluation your present income and assets consider how they would work for future needs.

- What are my care options?
- What type of long-term care can I afford?
- Do I have long term care insurance?
- Are there assets I can sell?
- If I stay at home how will I pay for care?
- Do I have to sell the house to pay for other living arrangements?

- Are there other financing alternatives?
- Do I have life insurance or the means to pay for a funeral and burial?
- Should I do Medicaid planning?
- Do I have the legal documents that may be needed?

An article by Thomas Day, Director of the National Care Planning Council, titled "Paying the Cost of Care," reviews some of the financial options that can be used.

"Tangible assets that might produce enough income to pay for long term care might include investment property such as rentals, commercially leased property, land, a farm second home or a business..."

"Some individuals are heavy into real estate and short on cash. If the intent was to cash out of the investment at some future point, then a sale is warranted. But, it seems a shame to sacrifice in early years to establish an investment only to throw it away to long term care. It would make more sense to use income from the investments to buy long term care insurance."

Long term care insurance is one option for paying for care. Long term care insurance

helps pay for the care you need when you can no longer care for yourself. It can protect your family's financial future and your own investments. There are qualifications that need to be met with health and age. This type of insurance is more expensive the older the person and almost impossible to get if age related illness has already occurred.

Senior Financial Planners, Elder Law Attorneys and Veteran Benefits Consultants can assist you in evaluating your needs and future planning.

If staying in your home is a desired option, a Reverse Mortgage can supply the funds to pay for home care.

Another option for veterans who served during a time of war is the Aid & Attendance Benefit. This benefit provides extra income up to \$1,949.00 to help pay for home care, assisted living and medical costs. It will also pay for widows or widowers of the Veteran.

Knowing your needs and financial resources is paramount before making any long term care decisions. Working together, both parents and family members can ease the stress and burden of elder care needs.

Heritage Day Scarecrow Contest

WHAT: Create a scarecrow out of whatever materials, in whatever fashion desired, and display it at a retail or other business in the Hartland area. Register your site location by September 2. Send an e-mail to info@hartlandchamber.org or cmarlow@crouaine.org. People's Choice Awards (certificates) for most interesting, most historic, and most colorful (3) will be given on Heritage Day, Saturday September 17 around noon.

WHO: All Chamber of Commerce members, community nonprofits, school groups, churches, retail and other businesses are invited to create a scarecrow for display at their business. If you are a community nonprofit without a location (e.g., Boy Scouts), ask a retail business to permit the group to create and display a scarecrow.

WHEN: Scarecrows are to be prepared by September 10 and displayed for the community at your site from September 10 through September 16. People's Choice ballots can be downloaded from the Hartland Area Community Council and Hartland Area Chamber of Commerce web sites beginning September 7. Votes must be turned in by the morning of Heritage Day and can be turned in at the Crouaine District Library or Hartland Chamber of Commerce offices, e-mailed to info@hartlandchamber.org or to cmarlow@crouaine.org.

WHERE: We'll see Hartland Area Scarecrows throughout the area—in front of big box stores, medical/dental offices, schools and churches. Your participating group will certainly want to be sure that ALL members vote for your scarecrow—and get others to vote, too!

WHY: Primary purposes of the Hartland Area Scarecrow Contest is to increase community awareness of the annual Heritage Day event, introduce the community to new and overlooked businesses in the area, showcase our many talented and creative builders, and discover a craft—creating scarecrows—that is an important part of our agriculture heritage.

Have fun dressing, stuffing, and positioning your scarecrow to reflect your interests—

And attract new customers and members to your group.

Come Ride the Tide of the Hartland Hurricanes!

Hartland Hurricanes is a competitive swim team for kids ages 6-18. Our experienced coaching staff serves the needs of swimmers in their journey through competitive swimming, whether they are just starting or training for state and national competitions.

To try out for the Hurricanes, new swimmers must attend a two-day evaluation which will test swimmers' skills and the second day will allow them to see what it is like to participate in a normal practice setting.

1st Day: Skill evaluations are either September 12 or 13 at 6:30-7:30pm.
2nd Day: September 14 at 6:30-7:30pm is required attendance of a "trial practice"

Returning swimmers please register before September 12 to assure your position on the team.

For team information please visit our website at: www.hartlandschools.us (follow the link to the aquatic center then Hurricanes) or call 810.626.2279 or email us at hurricanes@hartlandschools.us

Lakes' Cub Scout Pack 385

Welcome back to the Fall! Scouts in Pack 385 had a great and eventful summer. In June, some of the Webelos Scouts attended the Howell Nature Center and earned their Naturalist achievement. The Scouts then followed up with a 500 ft. long, 30 ft. high zip line ride. What fun. Later in June, some Tigers, Bears, Wolves and Webelos spent three days at Extreme Scouting Day Camp, playing, learning and climbing a rock wall. Resident Camp at Camp Munhacker was in July and our Pack had an awesome turn out. There were so many cool activities and the Scouts loved their overnight camping experience. As you can see, our Pack does a ton of really exciting activities. If you would like to join (or have your parents help out in a den), come to our Kick-Off Meeting at Farms School in September or contact Cindy Andersen with any questions (810.360.0660). See you in Scouting!

Cadette Girl Scout Troop 40139 Earns Silver Award

Congratulations to the six young women of Cadette Girl Scout Troop 40139. They spent much of their 2010-2011 school year working toward the Girl Scout Silver Award. The Silver Award is the second highest honor a Girl Scout can achieve. The Silver requires leadership preparation with over 15 hours of leadership activities. Other pre-requisites include career exploration, earning Interest Projects related to elements of the Girl Scout Law and introspective self exploration work. The Silver Award project requires a minimum of 50 hours of planning and execution work from each girl, as well as a project review at the end of it all. These young women made between 160 and 180 stuffed creatures in the Ugly doll style to benefit the youth serviced by several local agencies. They donated their work to the Livingston County Red Cross, LACASA and The Oakwood Center for Exceptional Families. Congratulations Ladies!
