Superintendent's Message

Janet Sifferman, Superintendent

It has certainly been a busy and eventful fall season and the winter holidays are high on the horizon. While the district has experienced some unique challenges so far this year, we also have much for which we are thankful as well as people and events that have inspired us.

Adversity reminds us of what is truly important and reaffirms the strong and cohesive "family" we have here at Hartland Consolidated Schools. Our teachers, administrators, students and families continue to work together to deliver and achieve educational excellence. I am extremely proud to be the superintendent of a district that can persevere in both good times and bad and continue to put our children first.

I would like to take this opportunity to thank everyone for their continued support and send my wish to all for a wonderful holiday season!

Best Wishes for a Joyous Holiday
Season and a Peaceful New Year!

Janet Sifferman, Superintendent
and the Board of Education

Optimist Club Christmas "ADOPT A FAMILY"

The Hartland Optimist Club will once again sponsor the Christmas "Adopt A Family" Program for families in need of assistance. To help kick off the program, Hartland Big Boy Restaurant hosted a "Celebrity Server" Night as a fundraiser.

Last year the club gave families in need food, clothing, and presents. Schools helped by having food boxes for children to bring in non-perishable items, in addition to community members donating money, food, presents, and/or adopting an entire family to buy for. Also, school clubs and organizations, school staff, and students helped with donations, food pick-up, and volunteered to organize the items for the families.

The Optimist Club is in need of monetary donations, food, new toys or children's clothing (such as: warm hats, mittens, or scarves etc.) for "Adopt A Family." Food boxes will be placed in all Hartland Schools the Monday after Thanksgiving. If you would like to adopt a family or make a donation, please call: Michelle Otis at 810.626.5120, or Vickie Schiesel at 313.220.2797. You may also send a donation to: Hartland Optimist Club, P.O. Box 64, Hartland, MI. 48353.

*Community support makes
this worthwhile project a success!*

The Rotary Club of Hartland

Rotary meets every Thursday morning for breakfast, generally followed by an informative presentation. Visitors are welcome to join us for our breakfast meeting, at Village Manor Retirement, 9501 E. Highland Road, at 7:30 am. If you have a passion for community and world service, and enjoy sharing fellowship with those having a similar desire, please join us for breakfast. For information about our club, visit www.hartlandrotary.org.

On Heritage Day, Rotary raised funds to help feed the crowd, barbecuing hotdogs and serving chips, water and popcorn. Gary Cornillaud organized an antique car show (sponsored by Barb Walker), which was one of the hits of the day.

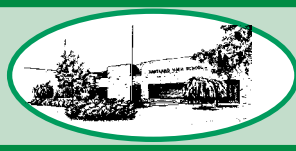

In early November, the club launched its First-Annual Chili Cookoff, taking over Epley Park for the day. Providers of Hartland's finest chili included Nancy Martin of Tyme Well Spent, Frank & Karen Crouse, Gary & Jan Cornillaud, John Drallos of Village Market, Linda Eggert, Kelly Anderson and Family, and Cathy Rigoulot. After considerable deliberation, the independent judges awarded ribbons and a cash award to Kelly Anderson and Family. Believe us, no one left hungry! Although no prizes were awarded in his category, Jim Bohdanowycz and his son Ted served up some excellent dogs and drinks.

As part of our Community Service, on November 22 we participated in the Twelve Days of Gleaners by raising cash and braving the elements in a show of support for Gleaners. Quarterly, we make a significant donation to Gleaners helping to meet basic needs in these tough times. Coming up, we will be selling Christmas trees donated to us by members David and Barbara Walker. Another of our "traditions" (we're only 2 years old) is gift wrapping and writing of Christmas cards for the senior residents at Village Manor.

Obituary for

A. Arthur Behrmann, PhD

Former educator and administrator

Dr. Behrmann died suddenly in Tucson, Arizona on November 8.

He was born in Detroit and attended elementary, middle school and Cass Technical High School in Detroit, earning a full scholarship to Michigan Tech in Houghton. After transferring to Wayne State University, he met Loretta (Lorie) Weingarden, the love of his life, and they married in 1956. Five years later, he began his teaching career while continuing his education.

During the next few years, he taught in Southfield, Royal Oak, and Ypsilanti before accepting the position of Hartland Elementary School principal.

For twenty-nine years, Dr. Behrmann was a respected administrator in the Hartland School District. He started his tenure there as principal of the "Old 21" building and was instrumental in opening two other elementary schools; The Round Building in 1970 and the Lakes Elementary in 1977. He remained principal there until 1984 when he became principal of the Village Elementary.

After receiving his Ph.D. in 1975 from Michigan State University in Administration and Higher Education, he became an adjunct professor at Eastern Michigan University and later at Michigan State University. As an educator and administrator, Dr. Behrmann was highly respected and always put the children first. He was a leader, he was innovative, he was loyal to his students and staff, and for that he earned tremendous respect. Dr. Behrmann took great pride in being an early adapter, bringing computers to the Hartland School District. He always maintained a love for the students and spent his last four years back in the classroom as a fifth grade teacher.

In 1975 travel became an important part of his life. He and his spent many summers traveling around the country seeing most of the United States and Canada. After retiring in 1995, Dr. Behrmann developed a great love of cruising discovering many new places. They spent their winters in Arizona but remained in Hartland for another seven years before moving to West Bloomfield. They left Michigan for full-time residence in Tucson, Arizona only six months ago and had been looking forward to spending their remaining years in their new home overlooking the mountains.

More than anything, Dr. Behrmann cherished his family. He adored his wife and it was obvious to all who knew them that they shared a very special love for each other. Dr. Behrmann took great pride in the achievements and talents of his daughter, his son-in-law (whom he thought of as son) and his two granddaughters, 17 and 13, watching them grow into lovely, talented young women.

Art Purchased by HHS

Each year, Hartland High School purchases the art of students in the HHS art program.

Pictured here is Walk a Mile in Her Shoes by Angelina Hamilton, Class of 2012. This is a mixed media drawing of intertwined shoes that Angelina did in a Drawing & Design class last school year. It will be displayed in the Athletics wing.

Principal's Corner

Chuck Hughes, Hartland High School Principal

Welcome to December and all the excitement surrounding the Holiday Season! The staff at Hartland High School wishes you and your family well as you travel and enjoy the time spent with your families.

Attendance Reminder:

I would like to remind you that attendance is an important variable in the education of your children. While the teachers and supporting staff can ensure that Hartland High School offers a warm and safe learning environment rich in educational opportunity, your child's regular attendance and engagement in learning is needed to gain the benefits. I would like to note that 95% of our students regularly attend school every day. Roughly 5% experience attendance issues that can become statistics in regard to their performance in the classroom, see the chart below:

Parents, please remember that by calling the attendance line at 810.626.2205 or sending an absence note into the office within 48 hours you help our staff to better understand your child's situation. It is also important that absences be noted by a parent because unexcused absences can result in the loss of credit for missing assignments. Please help your son/daughter keep track of their attendance marks by using Parent or Student Connect or by monitoring the phone calls we make each day noting that an absence has occurred. If you have any questions about our attendance process, please contact me at 810.626.2210.

Preparation for ACT

Many of you have heard about or read about how Michigan students are doing in regard to "college readiness." What this means is that when students take the ACT the score they earn is linked to a score established by colleges as one that predicts success in college courses. For example, if a student earns a 22 on the math portion of the ACT then it is predicted that they will earn a passing grade when they take math courses in college. For the purpose of reported "college readiness" scores the State of Michigan has published the percent of students who have earned high enough marks in all the categories of the ACT (math, science, English, and reading) to be considered college ready. What this does not account for is a student that may score well on math but not on English. The student would be considered to be college ready in math but not English and therefore not calculated in Hartland High School's "college readiness" score. Below you will see the breakdown of how well students must score on each tested areas of the ACT to be considered ready to be successful in college:

Math = 22 English = 18 Reading = 21 Science = 24

If a student earned these exact scores they would earn a 21 Composite score on the ACT, however, a 21 Composite score on the ACT does not necessarily mean that the student is "college ready."

TELEPARENT up and Running:

Parents, you may remember a recent phone call and e-mail message reminding you about report cards coming home and Parent/Teacher Conferences. You should also be receiving absence calls through this system. During the year the high school will utilize this tool to help inform you about events and important information. We may also use this system to send out emergency information, if necessary. The system will be used sparingly to ensure that you are not inundated with calls from the high school. If a call is made to your home, please listen to it and mark your calendars or act on the information.

SADD (students Against Destructive Decisions)

The Hartland High School SADD group now in its fourth year and 65+ members strong, works hard to send the message to their high school peers that many young people DO make healthy and positive choices in their lives. SADD which stands for Students Against Destructive Decisions sponsors many events throughout the year to educate their peers and encourage them to make good decisions. The kick off event this year was the annual 'Do Not Drink, Do Not Do Drugs' campaign in which they served 1700+ Spicer's doughnuts during lunches to their peers after they signed a pledge that they would stay substance free for Halloween weekend. SADD sponsors at least one event per month addressing a variety of decisions that teens face, our next activity, called The Grim Reaper addresses the issue of distracted driving (drinking/texting and driving) and the dangers associated with that decision. SADD is a positive way for students to influence their peers to live a safe and healthy life and to educate our school community to the fact that MOST KIDS DO MAKE HEALTHY AND SAFE CHOICES.

Eagle Newspaper Staff

The Hartland Eagle newspaper staff recently attended the Michigan Interscholastic Press Association's fall convention in Lansing, Michigan. Students participated in sessions covering design, writing, photography, student rights and other journalism topics.

Students attend State Leadership Workshop

16 students from the Hartland chapter of Family, Career and Community Leaders of America (FCCLA) recently participated in a leadership training held on November 2, at the Causeway Bay Hotel (formerly Holiday Inn-South) in Lansing.

Attendees participated in trainings and sessions that challenged, informed, and motivated members and their advisers to become leaders through FCCLA. Hartland's FCCLA chapter advisers, Ms. Burgess and Mrs. Farrell accompanied 16 members to the meeting.

Holly Devitt and Emily Drew, Vice President and Secretary of the Hartland FCCLA Chapter said "This is always a great conference where we meet new people and people from last year and get to talk with the State Officers." This experience will help the students gain the confidence to go ahead with their various community service projects to benefit Hartland High School and the surrounding communities. Some of the students raised their Fall Conference funds by recycling bottles, making door drafters and baking pies after school to sell.

Student Ambassador Program

This fall marked the beginning of a new program at Hartland High School which aims to help new students in grades 10-12 make a smooth transition to HHS. This year 17 students were selected to represent HHS as a New Student Ambassador, these students exemplify leadership ability and are positive peer role models and have done an outstanding job of welcoming approximately 90 new students to HHS. The Student Ambassadors started the year off with a New Student Luncheon on the first day of school and a New Student breakfast in which the new students learned all about the clubs, sports and support services and activities available to them at HHS. The Student Ambassadors will continue to mentor our new students, provide school tours for new families and represent HHS proudly at community functions as requested throughout the year.

Students Of The Month

Each month, a selection committee at Hartland Middle School selects one seventh and one eighth grade student to receive recognition as "Students of the Month." Nominated students must meet one or more of the following criteria in order to be selected.

- The student must show continued success in all subjects
 - The student must exhibit good citizenship
 - The student must make a significant positive contribution to the school and others
 - The student must exhibit a positive attitude toward school, self, and others
- Congratulations to our November Students of the Month, Alex Glasco, eighth grade and Brett Hahne, seventh grade.

Student Council News

During September and October we elected our officers and went to West Hickory Haven, a nursing home in Milford. We enjoyed our time painting pumpkins, showing off our costumes and coloring with the residents. Our first fundraiser, our canned food drive, was in November. We are also starting to think about Toys for Tots, happening sometime in December. Please bring in new, unwrapped toys if you would like to donate.

Star Readers Program

Our Star Reader is a program designed to encourage students to read, read, read. The Farms teachers select two students each month from their homeroom classes who have exhibited good reading habits. These students are the ones you see reading whenever they have a few minutes to spare. All monthly winners receive a 50 cent gift certificate to our School Spirit Store. Congratulations to our Star Readers! **October Star Readers:** Cameron Miller, Bryn Dittmar, Amanda MacDonald, Mary Hepp, Keegan Bowles, Emma Smith

Students of the Month

Each month at Farms Intermediate School we acknowledge students who have been nominated by their teachers for outstanding academic performance, as well as, for displaying exemplary Reason, Respect, and Responsibility. Students are presented with an All-Star Certificate and their names are announced school-wide. Congratulations to our All-Stars!

Principal's Comments

Lawrence Pumford, Principal

I would like to thank all of the staff, parents, and especially the students for the warm welcome to Creekside. I have been so impressed with how hard everyone works to do their very best. Having worked in the district for 11 years at both the High School and Farms Intermediate, I now feel privileged to be part of the Creekside family and am excited about its tradition of excellence. Working with staff, parents, and the community I look forward to continuing this tradition. Please do not hesitate to contact me at 810.626.2600 with questions or concerns as we move forward and work together for the benefit of our children.

Lakes Elementary is a community of writers and our students often celebrate their published writing pieces by proudly sharing them with others.

During a fourth grade writing celebration in Mr. Foster's class, Tanner Kucharek shares his writing with fellow student, Jace Gowell.

Students new to Lakes Elementary visit Principal Smither for lunch in small groups in November to share how they are adjusting. Pictured here, Mrs. Smither shares many laughs as she eats lunch with fourth graders, Jessica Kean, Nena Anderer, and Blake Daniels.

Also during Mrs. Langdon's class writing celebration, Joel Stephens shares his piece with teacher and guest Mrs. Doreen Avenall.

Mrs. Langdon's kindergarten class recently celebrated their first published writing pieces. Pictured here, Devyn Buchholz, Joey Wasdyke, and Nathan Horst proudly display their writing.

As winter falls upon us, Round Elementary continues to be a place where students learn in a family, team-first environment. Our students are growing everyday into special young people. Fall and winter are always special seasons at Round because of the special events that occur. This fall was especially busy!! Here are a few of the highlights:

The Fall Fun Run was a success this year. Our students raised over \$7,000 for the PTO in a great effort of support for our school. The run was delayed because of rainy weather this year, but the students had a blast.

Our biggest holiday is always Halloween. This year's theme was "Disney Movies." Of course our staff did a creative job with costumes this year. The weather was once again great for the parade and we had a great parent turnout.

We kicked off our new "accelerated reader" program this fall. Third and fourth grade classes compete against each other in the name of reading. Each class represents a different NFL team and work as a team to read books. They can score touchdowns and field goals as well as earning MVP and captain status. It will conclude with our Super Bowl to celebrate the accomplishments of all our young readers.

Round School also participated in the Big Boy Celebrity Server fundraiser. Donations went to the Optimist Club which helps people and families in need. Members of the Round School staff served tables, cleaned tables, and welcomed a great number of Round families. It was great seeing Round support such a wonderful cause.

Thank you to all of the Round School family that contribute every day to the success of all our students. I am proud of the accomplishments our staff and students have made so far this year and look forward to watching all our students grow.

Spike's Hedgehog Hustle was a HUGE SUCCESS thanks to your support! The money raised will go toward many activities and classroom enhancements throughout the year. We couldn't have reached our goal without the great team of dedicated volunteers and all the hardworking students, parents, grandparents and families that collected or made donations. It was so great to see so many families that came out and supported the students. We have an amazing Village Family and it's outstanding to see the love and support that benefits our children.

We also want to thank our sponsors that helped make our event a success. Spicer Orchards for donating hay, pumpkins, apples; Dairy Queen for donating 500 ice cream coupons; Grace & Porta Benefits in Brighton for donating the iPod Shuffle and thanks to Kahuna Coffee for sending over hot coffee to keep us warm. We are very grateful for your support.

The New Year is fast approaching. We hope you have a wonderful holiday break and we wish you a bright and prosperous New Year! We have some fantastic upcoming events at Village to make your holidays a little brighter.

- December 22 - Holiday Hat Day
- December 23 thru January 1 - No School/ Holiday Break

Mrs. Jessen's first graders pose for a picture and show their gratitude at the Hedgehog Hustle.

A healthy way to raise money for educational enrichment.

After finishing the run, students enjoyed a healthy snack and water.

Village's annual Halloween Parade is a tradition that students, faculty and parents alike enjoy. Following the parade, students enjoyed classroom Halloween activities.

"Donald Duck" and "Goofy," aka Mr. Don and Mr. Cain, kicked off the parade.

Fourth graders happily show off their creative costumes.

PANCAKE BREAKFAST WITH SANTA

Pancake Breakfast is sponsored by Beau-Life Inc., the Michigan state distributor of K-Life water softener salt substitute.

LEGACY High School

Kirk Evenson, Principal

Word travels fast in a small town, so let it be known that the best game in town can be found here at Hartland Community Ed. The Alternative Education program in Hartland, known as LEGACY, is the premiere alternative educational service provider in the county.

The program continues to be a leader in innovative ways to 'connect' with and assist young people in the pursuit of their dreams and goals. The program graduates 85% of its enrollees each year. Well over 50% of the graduate's transition to post-secondary opportunities; like college, career training or the military.

The staff at LEGACY is second to none with multiple years of experience in alternative education; they go the extra mile to ensure a quality experience for their students. Student support services at LEGACY include; career counseling, group interaction, small class sizes, special field trips, team building activities, social work services, art projects, yearbook and newsletter just to name a few.

If you are interested in enrollment, please call 810.626.2104 to have your name added to our waiting list. There are a limited number of seats available each semester; you will need to act now to begin the pursuit of your diploma, goals and beyond.

Dominique DesJardins and Courtney Shaw being served Thanksgiving Dinner by LEGACY staff.

After a week of fun filled Halloween door decor competition, LEGACY was visited by the goblins of the baby sitting, LESA and Mrs. Lubeski's preschool classes. Ready in costume, bowls of candy in hand the LEGACY students greeted the little ones as they paraded through the school in costume. This is just one of the many fun activities that are shared within the building. It was an exciting day for all.

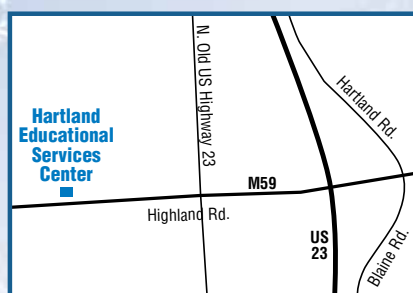

WCC returns to

HARTLAND

Educational Services Center

Because of economic conditions that have affected all of us, as a public institution WCC felt an obligation to save costs by consolidating Livingston County programs into one location – Brighton. Although we will continue to hold classes at Brighton, WCC students and Livingston County residents have told us that WCC was still needed at Hartland as well.

So, starting January 2012, the college will again offer some of the more popular classes – including the very successful Certified Nurse Assistant course – at the Hartland Educational Services Center.

Giving Tree

Once again the Hartland Senior Center will team up with the PNC bank at 11050 Highland Rd. to provide the community with a chance to help a senior in need at Christmas. We solicit Christmas wishes from area seniors who are isolated and have few friends or family. If you know anyone you feel could benefit from this program please call Carol Ringle at 810.626.2139. All information is confidential. If you would like to participate by providing a gift to these individuals, you may take an ornament from the giving Tree that will be set-up at PNC Bank on Monday, November 21. You will purchase and wrap each gift and attach the ornament to the gift and bring it back to the bank by Monday, December 12 or you can drop it off at the Senior Center.

Christmas Brunch and Concert

The senior center will host a holiday brunch and concert on Thursday, December 15. Our brunch will be served at 10:00am with a combined choir and band concert at 11:30am in the auditorium lobby. Tickets are \$5.00 for brunch and the concert is free.

Legal Aid

Staff Attorney, Lindsay Elya, from Legal Services of South Center Michigan will be at the Center on Thursday, December 8. Half-Hour appointments will begin at 9:00am. Please call the Center at 810.626.2135 to make an appointment. This program is free to anyone 60 years of age and older.

Ukulele Group

Our new ukulele group, HUG, Hartland's Ukulele Group, will meet twice a month on Fridays at the center at 11:00 a.m.: December 2 & 16. New and experienced players are welcome. New people are welcome with beginners at 10:30 a.m. and the regular group at 11:00 a.m.

Acoustic Jam Session

If you play the guitar, mandolin, banjo, harmonic, fiddle, ukulele or just want to sing you can join us at the senior center on Monday evenings at 6:00pm for a country and folk jam session. If you are coming for the first time please call Barb at 810.626.2135 on Mondays to make sure the group will be meeting.

Medicare Part C & D Open Enrollment

Medicare Part "C" (Medicare Advantage) and Part "D" (prescription drug) benefit's open enrollment period to December 7. Carol Ringle, M.M. Hartland Audubon Nature Club

Christmas Bird Count-December 6

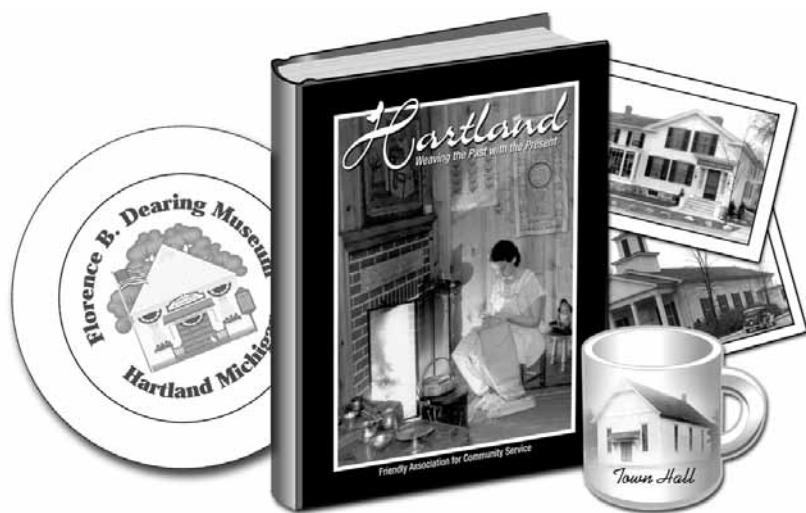

Here comes the December "To Do List": Go shopping, Write cards, Count birds . . . Well maybe some lists don't include that last item, but many do. At our December 6 meeting, HANC member Richard Wolinski, coordinator of the Hartland Christmas Bird Count for many years, will not only acquaint us with the history of the bird count, but will also prepare us to identify the common winter birds we can expect at our feeders. Come to the Hartland Senior Center, in the Hartland Education Support Service Center on M 59 just west of U S 23, and learn how you can participate in this activity which supplies important information to the National Audubon Society data base. Our meeting will begin at 6:30pm with a potluck, and the presentation will follow at 7:15pm. Upcoming events include "Circle Tour of Lake Superior" with professional photographer Bruce Montagne on January 3, and on February 7, HANC member John Smith will present "Butterflies, Dragonflies, and Damselflies." For more information, please contact Jami Bond at 269.657.2602 or 810.632.5223.

Hartland Area Community Council

(www.hartlandcommunitycouncil.org)

Hartland Area Community Council will meet on Monday, December 5 at 6:30pm (new time) at Ore Creek Middle School. Please come and bring a friend to work together with others in Hartland in supporting community events such as the Memorial Day activities, Heritage Day, and the play equipment at Epley Park. Any questions, contact Dick Krueger at 248.887.1283.

2012 Heritage Day planning meeting is scheduled for Monday, January 23 at Crossroads Library Branch meeting room 6:30-8pm. See HACC website for more details.

Hartland Area Historical Society

Great gifts for the holiday

Put a historical spin on Christmas giving this year. How about a unique gift from the Hartland Area Historical Society? We have many items that will definitely help with your holiday giving. Included are items such as plates, T-shirts, mugs, The Cat's Meow miniatures, mouse pads, puzzles, tiles, and our award-winning history book; Hartland, Weaving the Past with the Present. All the items mentioned are available at the museum. Our hours in December are Sunday from 1-3 p.m. The history book (\$47.70) is also available at the Crouaine Library and the Hartland Community Ed office during regular office hours. If you would like to schedule a museum tour for yourself or a group, please call Hildy Foley at 810.229.7621.

Flash from the Friends

Friends of the Crouaine Library

The "Friends" of Crouaine Library would like to wish everyone a Wonderful "Holiday Season" and the very, very best in 2012.

The "Friends" invite you to attend their Holiday get-together on Tuesday, December 20, at 6:30pm at Crouaine in the Village. See you there!

"Celebrity Server Night" a Success!

The Hartland Big Boy Restaurant hosted a "Celebrity Server Night" Fund Raiser to benefit the Hartland Optimist Club's Christmas "Adopt A Family" and other Optimist Youth Activities and Programs. Hartland Schools' Administrators, Teachers, and Staff assisted the Big Boy team for the evening and raised a total of \$1,200.00 including \$922.90 in tips; donation from Big Boy \$201.10; and \$76.00 from the 50/50 Raffle.

A big "Thank you" goes out to parents, children, and the community for their support of this event. Also, an enormous applause for all the school personnel who gave of their time and energy to be "Celebrity Servers" or a Host/Hostess, and the High School Optimist Club members who cleaned off the tables. A big thank you goes out to Nick and Jean Shaieb, owners of the Big Boy Restaurant for their hard work, efforts, and support, in addition to all the wait staff who guided the "Servers."

A special addition to the evening's event was for students to enter their name in a drawing for "Breakfast with the Principal." Each principal will host a breakfast for two of their students. Thank you principals for your support and involvement with your community and school!

Optimist Clubs are recognized as a "Friend of Youth" and welcomes any community member interested in promoting programs and/or activities for children in the Hartland Area. For more information on the Hartland Optimist Club, and meeting times and location, please contact Judy Cowan at 810.632.7415 or Barb Mattioli at 810.629.7921.

Delay of School Start Times due to inclement weather

1 HOUR DELAY

All students will ride the same bus with the same type of pick-up structure as under normal circumstances other than that bus will arrive at the regular pick-up stop approximately one hour later than usual. No structure changes will exist other than the time element. Under a one-hour delay, **A.M. junior kindergarten classes will be held.** There will be no vocational education classes.

2 HOUR DELAY

Under a two-hour delay, all students will be picked up as usual, except two hours later than on a regular schedule.

Under a two-hour delay, there will be NO A.M. JUNIOR KINDERGARTEN. There will be no vocational education classes.

The purpose of this alternative plan is to enable the flexibility of delaying school on some mornings due to fog and/or freezing rain. I am hoping that it will help assure that more instructional days can be held, while improving the safety factor for our staff and students.

Under a delay approach, all staff should report prior to the arrival of their students. You will find a chart outlining regular starting times and the starting times under a one and two hour delay situation. The chart also shows the time lunch schedules would begin. You will note that no alteration is being made regarding lunch. This will enable all personnel to function as usual.

	SCHOOL STARTING TIMES	ONE-HOUR DELAY	TWO-HOUR DELAY
HS	7:24 (lunch 10:30)	8:24 (lunch 10:30)	9:24 (lunch 10:30)
HM	7:40 (lunch 11:00)	8:40 (lunch 11:00)	9:40 (lunch 11:00)
FI	8:50 (lunch 12:00)	9:50 (lunch 12:00)	10:50 (lunch 12:00)
ELEM	8:55 (CS lunch - 11:15) (LE lunch - 11:10) (RE lunch - 11:30) (VE lunch - 11:10)	9:55 (CS lunch - 11:15) (LE lunch - 11:10) (RE lunch - 11:30) (VE lunch - 11:10)	10:55 (CS lunch - 11:15) (LE lunch - 11:10) (RE lunch - 11:30) (VE lunch - 11:10)

Getting Your Affairs in Order

If we had a crystal ball and could see into the future, we would not need to prepare ahead for end of life decisions.

James was 62 years old when a stroke made it impossible for him to communicate with his family. Neither his wife nor children knew anything about his financial or medical information. James had always taken care of things himself and left no written directives in his behalf. Besides having to locate important documents, the family was left to make their own decisions about James long term care.

The National Institute on Aging gives three simple, but important steps to putting your affairs in order:

- "Put your important papers and copies of legal documents in one place. You could set up a file, put everything in a desk or dresser drawer, or just list the information and location of papers in a notebook. If your papers are in a bank safe deposit box, keep copies in a file at home. Check each year to see if there's anything new to add.
- Tell a trusted family member or friend where you put all your important papers.

You don't need to tell this friend or family member about your personal affairs, but someone should know where you keep your papers in case of emergency. If you don't have a relative or friend you trust, ask a lawyer to help.

- Give consent in advance for your doctor or lawyer to talk with your caregiver as needed. There may be questions about your care, a bill or a health insurance claim. Without your consent, your caregiver may not be able to get needed information have your okay in advance to Medicare, a credit card company, your bank or your doctor."

Preparing Advance Directives

Advance directives are legal documents that state the kind of medical care or end of life decision you want made in your behalf. It is a way for you to communicate your wishes to family or health care professionals. Emergency response medical personnel cannot honor Advance directives. They are required to save and stabilize a person for transfer to a hospital or emergency facility. Once at the facility a physician will honor the directives.

The Advance directives gives your consent or refusal for sustained medical treatment when you are not able to give it yourself. If this document is not in place then a physician will decide such things as:

- Resuscitation if breathing or heartbeat stops
- Use of breathing machines
- Use of feeding tubes
- Medications or medical procedures.

Advance Directives are legal throughout the United States; however, some state may not honor other state's documents. Be sure to check with the state you live in for their requirements.

Review your directives periodically. They do not expire, but your wishes may change. A new or revised Advanced Directive invalidates the old one. Be sure your family member or healthcare proxy has a current copy

Choosing a Power of Attorney

General Power of Attorney---authorizes someone to handle your financial, banking and possibly real estate and government affairs as long as you remain competent.

Special Power of Attorney---authorizes some-

one you designate to handle certain things you cannot do yourself for a period of time.

Durable Power of Attorney---the general, special and health care powers of attorney can all be made "durable" by adding certain text to the document. This means that the document will remain in effect or take effect if you become mentally incompetent.

Many people do not know the difference between a general and a durable power of attorney. A general Power of attorney is a document by which you appoint a person to act as your agent.

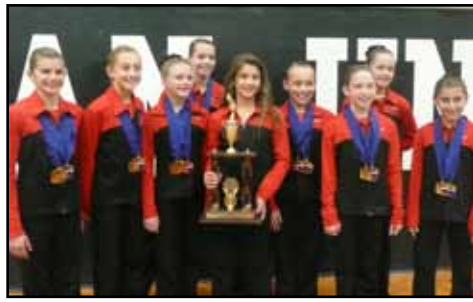

Agents are authorized to make decisions for you, sign legal documents, etc. Many people are unaware that a General Power of Attorney is revoked when the person granting that power becomes incompetent or incapacitated.

It is the "Durable" Power of Attorney that allows for an agent to continue making decisions on your behalf no matter what happens to you. A responsible adult child of an aging parent would be given a "durable power of attorney" to act on behalf of the parent. This provides broader authority than just adding the child's name to bank accounts and documents.

HGA Level 6

1st Place at Judges Cup in Ypsilanti

Hartland Gymnastics Academy Level 5 and Level 6 gymnasts had a fantastic start to their meet season. Both teams took first place at the Michigan Judges Cup in Ypsilanti. On the Level 5 team, in the 12 and over age group, Courtney Dinsmore placed 1st on vault, bars, floor and all around and Rachel Dodson took 3rd on vault. Eleven year olds Brooklyn Umbarger took 3rd on vault and Lizzie Cazan-Gehrke came in 4th on beam. Ten year olds Moriah Sweet won 1st place on vault and all around, Jerzy Muscat took 1st on beam, Abbey Highland placed 3rd on floor and Bella Schwartz achieved her highest score on bars. Nine year olds Bria Morganroth won 1st on vault and Saylor Martin took 3rd on vault.

For the Level 6 team, in the 12 and over age group, Gabriella Kasabasic placed 2nd on floor and received 1st place on vault, bars, beam and all around. Emily Chmielewski took 1st place on floor and 2nd place on vault, bars, beam and all around. Samantha Rieli received 3rd place on bars and all around. While Kirsten Phifer took 3rd on both vault and beam and Sydnee Belcher received 3rd on vault and floor. Alex McDonald received 4th place all around and Brenna Schnelback took 6th on vault and floor. In the 11 year old age group Hannah Slattery placed 2nd on vault and 3rd place on bars and all around. It was a very successful meet to start off the season! This month, the team competes in Grand Rapids and the girls are looking forward to celebrating the team Christmas party!

Pre-School Open Swim

Splash & Play is an Open Swim tailored for infants, toddlers, pre-schoolers, and afternoon kindergarteners with their adult caregivers. At 10:30-11:25am, Monday through Friday, it's the perfect time to burn some energy off your little ones just before lunch and naptime.

Enjoy the company of other moms and playmates in our warm 86 degree pool. Kids can walk or crawl in the 0" – 2' splash & play area, sit under the dump bucket, zip down the kiddie water slide, and play in the bubblers. The whole leisure pool and current channel are available but the big slide is kept off to keep the pool lower key for little ones. Please bring a swim diaper for children not yet toilet trained.

Infants in arms are permitted, but for everyone's peace of mind, please plan to put all other young children in lifejackets that are USCG approved.

Adult Open Swim

As the weather gets colder and we spend less time outside, many adults don't get the activity their bodies need. Adult Open Swim at the Hartland Pool is an inexpensive and enjoyable way to stay active.

On Monday thru Friday from 8:30-10:30am, the pool is limited to adults who swim in the lap pool or walk against the current channel in the 86-degree leisure pool. The walk-in cost is \$3.25 for seniors, and \$3.75 for adults and the purchase of a card of membership gets the cost lower still.

Moving in the water is easy on your joints, and a soothing soak in the hot tub is a great way to meet your exercise goals and meet other folks. Doctors are increasingly recognizing the many benefits of immersing your body in water.

For those who want more programmed exercise, there are a variety of instructor-led exercise classes available. For more information please call 810.626.2279 or log onto hartlandschools.us and follow the link to the aquatic center.

Scouting News

Eagle Scout Awarded to James K. Walker

Boy Scout Troop 383 of Hartland, MI, chartered to Hartland United Methodist Church is proud to announce that James K. Walker has earned the rank of Eagle Scout.

James is the grandson of Warren & Sandy Butts, great-nephew of Colleen Ittner, and cousins of Mike and June Robishaw, all of St. Charles, Michigan.

James earned 31 merit badges, had 117 volunteer hours, 108 nights camping and was also a member of the Order of the Arrow. His eagle project was building a retaining wall next to an observation deck used at the Hartland High School. He is currently attending Marine Boot Camp at Parris Island, South Carolina. His parents, Jeff and Laura Walker reside in Tyrone Township.

James joins other outstanding American citizens who have become Eagle Scouts, among them former President Gerald R. Ford, Jr., astronaut Neil A. Armstrong, cinematographer Steven Spielberg, and the former head of the F.B.I., William Sessions.

Troop 381 Honors Eagle Scout Nick Long

On Wednesday, August 17, 2011, Boy Scout Troop 381 celebrated the achievements and service of Eagle Scout Nick Long. The Eagle Scout Court of Honor was held at St. Augustine Church in Deerfield Township. Nick's family and friends and many of his fellow scouts and adult leaders were in attendance. Nick's

Eagle Scout Mentor, Tommy Kesterson, presented the Trail to Eagle. Scoutmaster Ron Trosin had the honor of administering the Charge to Eagle and presenting Nick with his Eagle award. A slideshow set to music detailed many of Nick's scouting memories from Tiger Cub to Eagle Scout. In addition to his Eagle award, Nick was presented several letters of commendation from Governor Jennifer Granholm, Senator Debbie Stabenow, and Michigan Representative Bill Rogers. Hartland Kroger donated a cake for the reception that was held following the ceremony. For his Eagle Scout project, Nick made a new sign and painted and landscaped the entrance to the Hartland Community Education Child Care Center, which he attended in his earlier years. Troop 381 is proud to recognize Nick for achieving the highest rank in Boy Scouting!

Lakes Cub Scout Pack 385

Happy Holidays to everyone! Pack 385 has been quite busy with really cool activities lately. Last month our Scouts competed in our Raingutter Regatta, and had lots of WET fun. Other scouts went to the Plymouth Whalers Hockey game, and some completed some community service work at the Hartland Senior Center's Annual Thanksgiving Dinner. This month we will be bell ringing for the Salvation Army, have our Holiday Party, and do some caroling at Village Manor Retirement. Next month we are going to be Ice Fishing on a local lake! As you can tell, we learn, contribute and have a lot of fun! If you would like to join Pack 385 (or have your parents help out in a den), contact Cindy Andersen with any questions 810.360.0660. See you in Scouting!

Boy Scout Troop 380

Troop 380 is wrapping up an incredibly busy year! The older Scouts have been having a wonderful time introducing the younger boys (the Platypus Patrol) to all of the adventures Scouting has to offer. The troop attended summer camp at Camp Tapico in Kalkaska, followed by another informal camp-out in July. After taking a break in August (as many of the boys were gearing up for football or cross-country), Troop 380 fired up again in September. They hosted an annual Webelo Invitational in October, which proved to be a chilly campout (temperatures dropping into the 20's!). The days were sunny and bright, though, so the visiting Cub Scouts and friends learned about fire safety, knot tying, tent pitching and camp cooking, followed by a three mile hike! As expected, there were NO leftovers from dinner that night!

In November, the troop traveled to the National Museum of the US Air Force in Dayton, Ohio. Camping on the Wright Patterson Air Force Base was great fun, too. The guys are settling into more merit badge work and rank advancement for the remainder of the year, but they have their sights set on a lock-in at the EMU Athletic Center and a Polar Bear campout in the treehouses of Camp Tapico! If you are interested in learning more about our activities or joining the troop, please contact Scoutmaster John Rembisz (517.980.6664).
