## Superintendent's Message

**Janet Sifferman, Superintendent**

Happy New Year! While January in Michigan is generally not something to celebrate, I do look forward to the opportunity for fresh starts and new "beginnings." I am eager to turn the page on 2011 and dive into 2012! That said, I do feel the need to review the district's inclement weather policies and the importance of keeping our students and your children safe. One of the duties I face as superintendent is the decision to cancel school or events due to the weather conditions. This is not a decision I make with input from several people. We have spotters who drive the roads early in the morning on days when weather may be a factor. Our Director of Operations and Transportation Supervisor are also out on the roads very early on those mornings. The school districts surrounding us have similar processes in place. On the mornings when it appears weather may be an issue, the superintendents across the county communicate with each other and report on the information provided by our spotters. There may be days when it is safe for our school buses to be on the road, but there may still be some tricky driving situations for new, inexperienced drivers or vehicles not equipped for hazardous road conditions. I urge the parents of newly driving teens to consider having them ride the bus on such days. Michigan weather can change suddenly and the decision to have or cancel school is made very early in the day. On some days our student drivers would be better off and safer on the bus. They will have many years to drive on their own! If your child has driven all year and not ridden the bus and you would like him/her to do so, please contact our transportation department to let them know.

Please review our policy and delayed start times that appears on this page.

## Delay of School Start Times due to inclement weather

### 1 HOUR DELAY

All students will ride the same bus with the same type of pick-up structure as under normal circumstances other than that bus will arrive at the regular pick-up stop approximately one hour later than usual. No structure changes will exist other than the time element. Under a one-hour delay, **A.M. junior kindergarten classes will be held.** There will be no vocational education classes.

### 2 HOUR DELAY

Under a two-hour delay, all students will be picked up as usual, except two hours later than on a regular schedule.

**Under a two-hour delay, there will be NO A.M. JUNIOR KINDERGARTEN.** There will be no vocational education classes.

The purpose of this alternative plan is to enable the flexibility of delaying school on some mornings due to fog and/or freezing rain. I am hoping that it will help assure that more instructional days can be held, while improving the safety factor for our staff and students.

Under a delay approach, all staff should report prior to the arrival of their students. Below you will find a chart outlining regular starting times and the starting times under a one and two hour delay situation. The chart also shows the time lunch schedules would begin. You will note that no alteration is being made regarding lunch. This will enable all personnel to function as usual.

	SCHOOL STARTING TIMES	ONE-HOUR DELAY	TWO-HOUR DELAY
HS	7:24 (lunch 10:30)	8:24 (lunch 10:30)	9:24 (lunch 10:30)
HM	7:40 (lunch 11:00)	8:40 (lunch 11:00)	9:40 (lunch 11:00)
FI	8:50 (lunch 12:00)	9:50 (lunch 12:00)	10:50 (lunch 12:00)

## Senior Speaker Excels at Tourney

Congratulations to senior Rhianna Dilworth who placed 6th in the Original Interpretation State Tournament held on December 3 at Dexter High School. Students from across the state competed in either original prose or original poetry. Rhianna was inspired to write her original poem titled, "When I First Heard the Flute," by all the musical people and experiences she's had in her life. Dilworth is a member of the Hartland Varsity Forensics team and is coached by Jami Waddle.

## Social Support Activities Lead to Better Quality of Life as One Ages

How important is social support as a person ages? This may seem like an easy question to answer. Most people would not choose isolation and loneliness versus spending time with companions. However, can lack of social support really hinder a person's overall quality of life?

Lack of social support is related to negative impacts on health and well being, especially for older people. Having a variety of positive social supports can contribute to psychological and physical wellness of elderly individuals. Support from others can be important in reducing stress, increasing physical health and defeating psychological problems such as depression and anxiety.

When considering who provides social support for an elderly individual our first thoughts are of family members. While it is true that most support does come from family members, there are many circumstances in which family members cannot be supportive (stress due to responsibilities, illness, death, financial problems, job relocation). In the United States the fastest growing age

group of individuals are those 85 years and older. Due to this fact, family supports will inevitably decrease for these older individuals. A need for community-based services is more important now than ever before.

Community-based services can be extremely useful for elderly individuals. Services for older persons can encompass many areas, but one of the most important areas as discussed previously is social support. Support for elderly persons can be found in many places including: Senior centers, assisted living facilities, meal delivery, religious affiliations, adult day care centers, etc. These services can provide positive social supports that can help older persons defeat loneliness and isolation. However, social support must encompass more than physical presence or conversation. Studies have shown that social support services should contain quality activities. These activities should promote positive self-awareness.

Self-awareness is key to a person's overall quality of life and satisfaction. Many leisure social activities can be used to help increase

an individual's self-awareness. Activities for elderly individuals may include reminiscence groups, journal writing, readings of favorite book passages, group exercise, singing groups, etc. Individuals may also feel more self-satisfied if they are part of the planning of social activities that take place.

Two of these community based service centers that provide quality social support services for elderly individuals are discussed below.

### Senior Citizen Centers

Today, there are estimated to be about 15,000 senior centers across the United States. Senior centers act as a focal point for older Americans to receive many aging services. The most common services offered at a senior center include health programs (including Zumba and Yoga), arts/humanities activities, intergenerational programs, employment assistance, community action opportunities, transportation services, volunteer opportunities, financial assistance, senior rights counseling/legal services, travel programs and meal programs. These programs and activities can help promote positive self-awareness.

### Adult Day Care Centers

According to the National Adult Day Services Association (NADSA), there are currently more than 4,600 adult day care centers nationwide. Adult day care is a program in which activities are provided to promote social support and health services to an older adult during the daytime. Most centers operate Monday through Friday during daytime hours. Social support services at an adult day care can consist of musical entertainment and singing groups, group games such as cards, gentle exercise, discussion groups (books, films, current events), holiday/birthday celebrations and local outings. Not only are these social activities provided but participants of the program can also develop lasting relationships with staff and other participants. Adult day care centers also provide meals and health services. Adult day care centers differ from other programs for elderly individuals, because they allow the participants to develop and increase self-awareness by encouraging independence.

## Principal's Corner

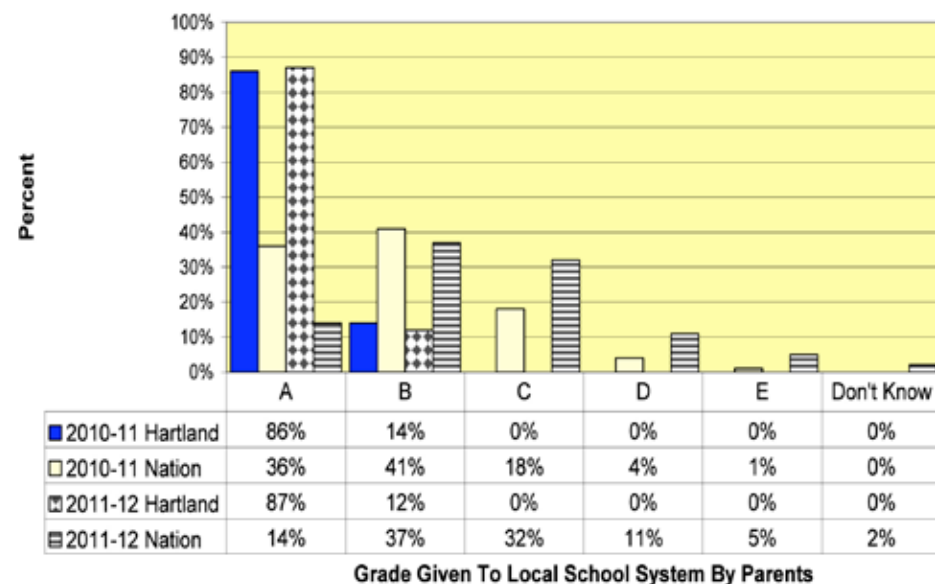

**Chuck Hughes, Hartland High School Principal**

What a wonderful time of the year! The Holiday Season is a time for families to come together and the New Year is filled with many hopes and dreams. It is also that time of year when our students need to buckle down and attend to their end of semester exams and participate in make-up time for any attendance issues that they find themselves dealing with. Hopefully the use of our automated calling system, Parent-Connect, and Student Connect have kept everyone apprised of attendance concerns. Please remember that when students accumulate more than nine attendance marks in any given course they find themselves having to deal with the ramifications of the attendance policy. As educators we value that our young people attend school regularly and miss fewer than 10% of the available days in any given semester. Consistently, 96% of our students never exceed this 10% rule.

### Parent-Teacher Conferences:

The Hartland High School staff would like to thank all of our parents who attended Parent Teacher Conferences in November, especially those who filled out the Parent/Teacher Survey. This survey helps us in planning for the future and provides information about "how we are doing." Below you will find a chart showing how our parents graded Hartland High School compared to how parents grade their local schools around the United States. It is humbling to know that our parents consistently grade Hartland High School with good marks. Thank you!

### Important Calendar Dates:

*Please mark the following dates in your calendars.*

- January 24, 2012 = Semester Exams 1st and 2nd Period (1/2 day for high school)
- January 25, 2012 = Semester Exams 3rd and 4th Period (1/2 day for high school)
- January 25, 2012 = Test-Out Exams start at 12:00 PM for those pre-registered.
- January 26, 2012 = Semester Exams 5th and 6th Period (1/2 day for high school)

Note: If a bad weather day occurs on an exam day the exams will take place on the next scheduled school day.

- January 27, 2012 = No School / Records Day
- February 15, 2012 = College Planning Night (all grade level parents welcome)
- February 24-27, 2012 = No School / Mid-Winter Break

### November Students of the Month

### Architectural Field Trip

The Hartland High School Architecture and Mechanical Drawing students teamed up with the Housing and Interior students for the second annual Architectural Walking Tour of Detroit. Prior to the trip, students researched a particular historic building or monument that would be visited during the tour. The students became expert tour guides and explained information relating to the construction and history of the structures on the actual site. The tour focused on buildings and monuments found on and near the Woodward Avenue and Riverfront areas. The students were treated to a private guided tour of the historic Guardian Building by the building's concierge and local celebrity Christopher Roddy. The guardian features one of the finest examples of art-deco style architecture that the city has to offer. This historic, Native American themed structure features several bank vaults, beautifully colored tiled walls and a spectacular view of the city from the 32nd floor. The tour was enjoyed by both students and staff members and remains to be a popular annual event.

## Students Of The Month

Each month, a selection committee at Hartland Middle School selects one seventh and one eighth grade student to receive recognition as "Students of the Month." Nominated students must meet one or more of the following criteria in order to be selected.

- The student must show continued success in all subjects
  - The student must exhibit good citizenship
  - The student must make a significant positive contribution to the school and others
  - The student must exhibit a positive attitude toward school, self, and others
- Congratulations to our December Students of the Month, Megan Joseph, eighth grade and Allison Pouliot, seventh grade.

## Anti-Bullying Assembly

Eighth grade students recently met with Mr. Howerton, Assistant Principal, and Mr. Jellison, teacher and Be the Change Club sponsor, for a special assembly. They revisited the messages of Challenge Day, including the following:

- The negative effects of bullying
- Joining the "Be the Change Club"
- "Heroes in the Hallway" - empowering bystanders to speak out against bullying
- The importance of making good decisions

Students also viewed some powerful video clips containing an anti-bullying message. This is part of our on-going efforts to combat bullying at HMS. Other efforts include the following:

### Selected Anti-Bullying Efforts at Hartland Middle School

- **Challenge Day** -- Challenge Day was scheduled for Hartland Middle School for December 6, 7, and 8. The goal of Challenge Day is to help stop the teasing, bullying, and alienation that too many youth experience. Through a variety of games, trust-building activities, and presentations, students and adults work together to break down the barriers that separate students. Approximately 125 students and 25 adults will be identified to take part each day.

Student comments include "Challenge Day was amazing! It made a huge impact on me," and "Challenge Day was a great experience for me. I used to think that I was the only one with the problems I had. As soon as I saw more people like me, I felt better. Thank you for such a great experience."

Adult comments include "It was truly an amazing day, and I learned so much" and "...thank you for letting me participate in Challenge Day - this was an awesome event! It was VERY moving and heartfelt! It makes me remember why I'm an educator."

- **Be the Change Club** - A teacher (Mr. Jellison) sponsors work with approximately 50 --100 eighth grade students (15-20 per day) to promote the lessons of Challenge Day. Eighth grade students who have participated in Challenge Day may be recommended by their teachers for inclusion in the Club. Each day, selected Club members wear their bright red "Be the Change" shirts to school as a visible reminder to all our students. Any student can report an incidence of teasing or bullying by placing a form in one of the many "Be the Changes" boxes located throughout the school. After screening

Mr. Jellison speaks to eighth grade students about bullying during a special assembly held to follow up on their experiences in Challenge Day last school year.

by an adult, "Be the Change" students intervene, reminding students of the messages from Challenge Day. Club members also help to plan and support each Challenge Day, raise funds to support the program, and promote other related events such as "Mix it Up at Lunch" day.

- **Mix-it-Up-at-Lunch Day** - This is a day to encourage students to meet new people at lunch as we actually assign students to new seats. This is facilitated by our Be the Change Club and National Junior Honor Society.
- **Cyber-Bullying Education** - Last year a cyber-bullying group met once a week Monday's during homeroom. They started meeting in December, and focused on a few different things. First, they defined cyber-bullying, and what it includes and does not include. They've had discussions about which areas the students feel need more attention, or have been a problem for them or others. The group developed a pledge that they and other students signed agreeing not to cyber-bully.
- **Special Assemblies and Guest Speakers** - In the past we have had assemblies like the "Gabe & Izzy" assembly for all seventh graders which talked about the negative effects of bullying and teasing. We also had Detective Matt Shutes, from the Livingston County Sheriff Department, presented to students two years ago; we would also like him to work with targeted classes this school year. His presentation focused on Internet safety and cyber-bullying. We added another speaker last year, Ronnie Bachman, who had his legs amputated at age 4. He spoke about the devastating effects of bullying at a very personal level.
- **Spreading the Message in the Community** -- Participants in Challenge Day have included adults from the Howell Education Foundation, the Hartland Optimists Club, teachers from other schools, and Catholic Social Services. We also were asked to make a presentation to the Howell Education Foundation, a community group looking to help fund Challenge Days in the Howell, Michigan school district. We have also included more parents as adult volunteers in the program.
- **Teen Leaders** - Hartland High School students participate in Challenge Days as Teen Leaders. HHS students then can become Link Crew leaders; these are trained senior students supervised by adult sponsors who link up with small groups of freshmen to ease the transition to High School. HHS has now started a high school Be the Change club sponsored by teacher Jim Storey.
- **Honor Points** -- Each year, eighth grade students are awarded ten honor points. Students must have at least one honor point remaining in order to participate in the annual eighth grade trip to Cedar Point in June. Honor points are deducted for disciplinary infractions.
- **Promoting Reason, Respect, and Responsibility** -- 3Rs posters are displayed in every classroom. We held a Responsibility poster contest, with winning posters displayed throughout the building. Other events/activities that promote the 3Rs include Students of the Month, Winners of the Week, peer tutoring, Student Council, and National Junior Honor Society.
- **Peer Support Groups** -- Our school counselor, in cooperation with outside agencies, offers several peer support groups each semester. Groups focus on topics including coping skills, grief, making good decisions, and self-esteem issues.
- **Experience Based Career Education (E.B.C.E.) Program** -- This is an alternative middle school program. Students earn rewards and participate in several student-run businesses through good grades and behavior. A major focus of this program is making good choices, good decisions, and being responsible for one's own actions.
- **Sprigeo Anti-bullying Reporting Website** -- Students can go to [www.Sprigeo.com](http://www.Sprigeo.com) or link up with Sprigeo on our building website to report any incidents of bullying at school, on the bus, or on-line. This gives students another "safety valve" to safely and anonymously let administration know of any bullying issues they might not otherwise be aware of.
- **TAPER Group-Fall 2011** -- Several staff read and discussed the book *Bullycide*, which focused on bullying issues and anti-bullying efforts.

## NJHS TRIP

*submitted by Sarah Mercieca, HMS eighth grade*

Our National Junior Honor Society recently took a trip to the Village Manor Retirement Home. It was a great trip! We did many activities including caroling, cookie decorating, and ornament decorating. We also got to walk around the place and hand out cookies and see residents' Christmas trees. Once we finished with everything, we got to listen and sing-along to the piano. We definitely had a great time and wish we could go back.

E.B.C.E. students run businesses at lunch time.

### **Congratulations to November 2011 Student of the Month**

Each month at Farms Intermediate School we acknowledge students who have been nominated by their teachers for outstanding academic performance, as well as, for displaying exemplary Reason, Respect, and Responsibility. Students are presented with an All-Star Certificate and their names are announced school-wide. Congratulations to our All-Stars!

### **Star Readers Program**

Our Star Reader is a program designed to encourage students to read, read, read. The Farms teachers select two students each month from their homeroom classes who have exhibited good reading habits. These students are the ones you see reading whenever they have a few minutes to spare. All monthly winners receive a 50 cent gift certificate to our School Spirit Store. Congratulations to our Star Readers! **November Star Readers: Back row:** Dana Macfarlane, Margaret Ruby, Sam Tracht, Paige Harde; **Front row:** Aliyah Anderson, Griffin Young

### **Students Raise Money for Gleaners**

During the month of November the Leadership Club sponsored a Hat Day and Staff Jean Day to raise money for Gleaners. The grand total collected was \$526.00 which will help feed numerous families during the holiday season. Farms also collected over 1,800 pounds of canned goods for Gleaners.

## Let the Festivities Begin

While everyone thinks of festive times as being the holidays or big celebrations, there is so much more that happens in a school year to keep the learning experience festive. Getting festive in the Fall with the Harvest Run, the joy of reading at the Fall Book Fair, or even the first snow. Look around and see all the things the students and staff of Creekside have to be festive about.

Staff enjoy a special dinner before evening conferences.

Miss Denton's class runs through the Harvest Run finish line.

Young readers show off their picks at the Fall Book Fair.

Special visitor, author Kristy Short, presents an interactive quiz after sharing a message from her latest book, "Operation Nice."

Winter weather strikes early and the snow forts are a hot commodity on the playground.

Lakes Kindergarten students welcomed parents and grandparents to school in November to participate in special Thanksgiving celebrations. Families in Mrs. Atreos' and Mrs. Dennis' classes watched as their youngsters performed holiday songs and then enjoyed delicious healthy snacks while working on special craft projects together.

Congratulations to our Lakes Lego League Teams as they participated in a regional competition on Saturday, December 3. Three teams of Lakes students, did a practice presentation for our PTO on the Thursday before the competition. Their projects were outstanding and they are all to be congratulated for an awesome display of teamwork, creativity and problem solving. Thanks to our Lakes parents who volunteered their time to provide this wonderful opportunity for our students.

Lakes Rockin' Readers program is underway! We have teamed up with Big Brothers Big Sisters to kick off a reading program that provides extra practice for our youngest students to improve their literacy skills. 16 Hartland High School students were trained by Mrs. Dotty Selix, and volunteer their time each Tuesday afternoon to spend 30 minutes with their reading buddies at Lakes. We appreciate the support of the Big Brothers Big Sisters organization, particularly Executive Director, Shari Davis-Schoech and also Laura Klimek, for developing and overseeing this important project.

Our Lakes Kids Care program also continues to grow and develop. Mrs. Shari Russano, Lakes Art teacher, is spearheading a project that reinforces both our caring culture in the building and our Green Schools initiative. Students collected hundreds of bottle caps last year and are recycling them by creating an amazing Lakes Kids Care mural that will eventually be displayed in our front hallway.

First grade students Emmitt Powers and Kate Watson celebrate "Michigan Reads" month at Round by reading the book "Memoirs of a Goldfish."

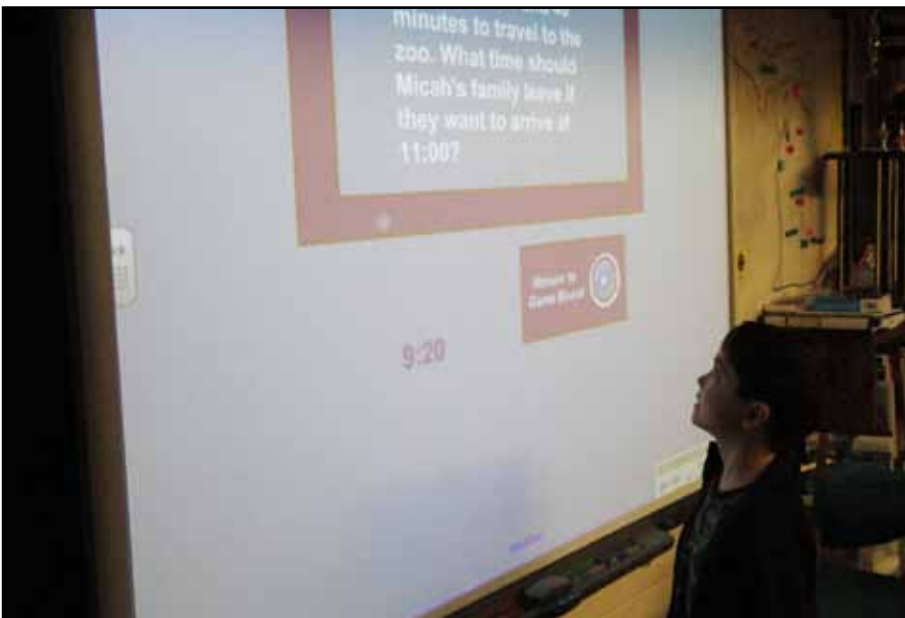

Kindergarten student Andrew Sartor works on an interactive whiteboard lesson about the book "Memoirs of a Goldfish."

The interactive whiteboards at Round have been a valuable learning tools for our students and staff. Third grade student Anna Kolnitys learns about time.

Mrs. Kellett, first grade teacher, uses the interactive whiteboard to help student interactively learn.

Third grade student Nick Way works on the interactive whiteboard lesson in math during class.

## Happy New Year!

Village Elementary Staff and PTO would like to send you warm wishes for a healthy and promising New Year! We hope you had a wonderful and refreshing holiday break and that you are energized for the next half of the school year.

Reflecting back on the first half of the year, it's exciting and rewarding to see how far the students have come academically since the beginning of the school year. They have also made lasting friendships and are building life skills to help them along the way.

The PTO has been very busy with successful events such as: Back to School Picnic and Open House, Hedgehog Hustle, Lock-In, Santa Shop, and Breakfast with Santa. Thank you families for attending and making these events a huge success!

As we move forward into the New Year, we will focus on the continued growth of our students. Looking back to the beginning of the year, we observed our children move successfully through the curriculum, establish new friendships, and experience enrichment through the wonderful events provided by our PTO. Our caring and extremely knowledgeable teachers patiently assisted children transition to a new grade or the school experience in general, to confident, independent students who are comfortable in Village family environment. Now we look forward to continued development of the whole child. We will continue to deliver high quality instruction, and provide opportunities for children to work together to instill values of team work, sharing, turn taking, and communication with peers. We are also excited for the upcoming events that our PTO will offer to enhance instruction along with providing that enrichment which is so valuable to student growth.

*"We will open the book. Its pages are blank. We are going to put words on them ourselves. The book is called Opportunity and its first chapter is New Year's Day."*—Edith Lovejoy Pierce

Students helped box up donated food items for our annual Thanksgiving Food Drive. We received an abundance of food from our Village families and in turn were able to create food baskets to help other Village families and Gleaners.

Kindergarteners are enjoying their annual Thanksgiving Friendship Feast.

In reaching our goal for the Hedgehog Hustle, Mr. Cain held up his promise and put his office in the gazebo for a day. That day we got our first snow of the season!

Students enjoyed a "Bounce House Extravaganza" another incentive for achieving our Hedgehog Hustle goal.

Mrs. Meier's first grade class was the proud recipient of the "The Golden Shoe Award" for the Mileage Club. Mrs. Meier's class ran more miles during Mileage Club than any other class at Village. Total mileage was 73 miles. Way to go Mrs. Meier's first grade!

## Gingerbread Houses

The annual gingerbread house building project was a tremendous success. Children from Dawn Lubeski's, Tracy Ellison's and Lisa Standley's classes attended this year, totaling 94 pre-school participants. The LEGACY school students had been anticipating the activity for several weeks as they created the basic graham cracker structure for the houses. When the children visited LEGACY, gallons of frosting and bags of donated candies were applied to the houses creating festive holiday decorations for the children to take home, display and eat.

The activity has been maintained over the years to allow the preschoolers to interact with a short term big brother or sister and the LEGACY students to practice interacting and sharing with small children. It has also been a wonderful way to add the holiday spirit of sharing and caring for others to the school.

In the next few weeks the LEGACY students are looking forward to holiday caroling around the building, spreading holiday cheer. This will be followed by eating homemade cookies in the Student Union.

## Bavarian Inn Comes to Senior Center

On Thursday, January 12, the Bavarian Inn is going to bring Frankenmuth to Hartland. The folks from the Bavarian Inn will bring a delicious luncheon to the Hartland Senior Center. They will also bring along Linda Lee to entertain us. The tickets are \$15.00 and available from the Senior Center. Come enjoy Frankenmuth Chicken Dinner with all the fixings. The event will start at 1:00 p.m. Please buy your tickets in the office or call us at 810.626.2135.

## Photography from Italy

Artist, Judy Holmes, was able to check off something on her "bucket list" in October when she traveled to Italy to study photography in Florence and Tuscany. Judy will present her photographs and her insights from this "trip of a lifetime" on Monday, January 23 at 12:30 p.m. This is a free program just call 810.626.2135 to reserve your seat.

## Gentle Yoga

Gentle Yoga class will meet for 5 weeks on Thursdays beginning on January 19 at 11:30 a.m. The cost is \$35.00 for senior center members and \$45.00 for non-members.

## Get Fit Now

This class will include warm-up, aerobics, strength, balance and cool-down. It is designed for folks who have some physical limitations from chronic disease and those just wanting to become more active. This class may be done in chairs or in a standing position. It is highly recommended that you get permission from your physician to begin any fitness activity. This class meets on Mondays at 11:00 a.m. and Thursdays at 2:00 p.m. The cost is \$3.00 per class. The class will begin on January 9. Kathy Bradbury is the instructor.

## Senior Softball

Our senior softball team is looking forward to their second season this summer. We are hoping to form a local league with teams from the Linden/Fenton area and Milford. If you are interested in playing this spring be call us and put your name down on the list. All games and practices are played during the day.

## Acoustical Jam Session

We have a group of musicians who get together on Monday evenings at 6:00 p.m. to play bluegrass, country and folk music. Bring your guitar, mandolin, ukulele, fiddle, banjo, harmonica or just your voice and join in the fun. Everyone is welcome! You don't have to be good; you just need to enjoy music.

## MUSIC

Music counts . . .because it is an ever-present part of our daily lives. And the good news is that YOU can take your place amongst the happy, music-making activities of our own HSC.

- Silver Chords (Women's Vocal Ensemble) Mon. & Wed. at 10:00 AM, or
- Silver Squires (Men's Chorus) Tues. at 10:00 AM, or
- Second-Wind Ensemble (Band) Tues. at 1:00 PM

Your level of musical skill will match perfectly with everyone associated with our growing 'band' of music-makers. (No auditions required.) Since we are all retirees seeking an opportunity that's fun, stimulating and provides a worthwhile focus to our daily lives, the camaraderie alone makes your involvement worthwhile! After every performance, learning begins anew. So now is the time to "get on the band wagon," so to speak! Bring your interest and enthusiasm for singing, or your 'retired' school instrument for playing to one of our rehearsals. I promise you won't be disappointed! For more details, inquire at the office or call Diane Detter (248.514.4671) or Larry Detter (248.514.5537). "Ah landah2!"

## Jazz Concert

Come celebrate the State of Michigan and Joe Kleiner's birthday on Thursday, January 26, at 7:00 p.m. at Village Manor Retirement just west of the senior center. The state of Michigan will be 175 years old and Joe Kleiner will not. Joe will be at the keyboard with Larry Detter on drums and, Scott Loney on the string bass. The Jarland Kay Trio will present a concert of music from the 30's, 40's and 50's. There will be space for dancing too. The cost of the concert is \$10.00 with all of the proceeds going to the Hartland Senior Center music program. Buy your at the Hartland Senior Center office.

## Black Sheep Weavers' Fiber Guild - January 5

### *Folded and Waxed Paper Stars*

Kathy McMinn, owner of The Basket Sampler in Highland has been a member of the Black Sheep Weavers for two years. She makes, sells, and teaches the art of hand woven baskets and also bobbin lace. She has been weaving baskets for over 25 years. Over that time, she has been introduced to many different varieties of baskets and learned many unique weaving techniques. When she opened her shop four years ago, she started teaching these weaving techniques to adults and children. Basket weaving is a very satisfying art form; as baskets can be as simple, intricate or utilitarian as you want them to be.

A holiday tradition at the shop has been making German Stars. These go by many other names, Moravian Stars, Froebel's Stars or Swedish Stars. To make them, four pieces of paper are folded into a star shape, dipped into paraffin and then glitter. They are a challenge to learn, but if the directions are followed exactly, with the right kind of paper, they are easily completed. The stars will be taught at the January 5 Black Sheep Weavers meeting. The cost will be \$1.00 to cover the cost of materials. Guests are welcome to attend, just come prepared to pay the supply fee.

Our meetings begin at 6:30 p.m. for social time, a brief business meeting at 7p.m. followed by the program. We meet in Room 23 at the HESSC (former high school) on M-59 just a ½ mile west of the US 23 Interchange on the first Thursday of each month (except December) from September through May. We end our year with a potluck at a member's home in June.

If you are interested in weaving, spinning, knitting, dyeing, beading, crocheting, needle-felting, rug hooking, quilting, papermaking, basketry, raising alpacas and more, we are the group for you.

Check our website at [www.blacksheepweavers.com](http://www.blacksheepweavers.com) or call our Treasurer/ Membership Board member Nadine at 810.626.2142 or 810.229.0869.

## The Rotary Club of Hartland

Rotary meets every Thursday morning for breakfast, generally followed by an informative presentation. Visitors are welcome to join us for our breakfast meeting, at Village Manor Retirement, 9501 E. Highland Road, at 7:30 am. If you have a passion for community and world service, and enjoy sharing fellowship with those having a similar desire, please join us for breakfast. For information about our club, visit [www.hartlandrotary.org](http://www.hartlandrotary.org).

In December, thanks to support by the Hartland Community, Rotary sold some beautiful Christmas trees, donated by members David and Barbara Walker. In the spirit of Christmas, our members assisted the senior residents of Village Manor in wrapping their gifts and writing their Christmas cards – an annual event that is much appreciated.

Our Rotary club began planning for the 2ND ANNUAL HARTLAND CARDBOARD BOAT REGATTA. Yes, it's winter and a bit hard to imagine lake ice melting and boating activities beginning-but we are! Our inaugural event, held at Waldenwoods in late June 2011 was a huge success. Incredibly, nine boats were constructed right here in Hartland and all made it around the triangular course surviving the winds and waves. The contestants all had a terrific time and fully entertained the hundreds of spectators. And if you thought the races were fun – then you've never seen the Pirates Derby – which was a fight to the end – assuring that all boats in 2012 will be brand new.

Save the date – JULY 21, 2012. All the information you need in order to build a boat is posted on line at [www.hartlandrotary.org](http://www.hartlandrotary.org). You can build a competitive and seaworthy cardboard boat in just a few hours. There are very few things that can produce such a return-on-investment, in terms of family or business fun, than participating in this regatta. And as a spectator – you'll feel like you are at the Indy 500. Put in on your calendar!

## Hartland Lions Club

Thanks to the community donations during our recent Candy Days we will be able to help about 8 people with eye glasses and exams. We do need more members! Call Kurt at 810.923.4252 or email [Stromlund@sbcglobal.net](mailto:Stromlund@sbcglobal.net).

Due to a school vacation day on the first Monday, the January meeting of Community Council will be Monday January 9 at Ore Creek Middle School. NOTE: The time of the meeting is now 6:30pm instead of 7pm. Call Dick Krueger, 248.887.1283 for any questions.

### 2012 Heritage Day Planning Meeting

Monday, January 23 from 6:30-8pm a meeting will be held to begin planning for Hartland Heritage Day 2012. It will be held at the Crossroads Branch Library in the Community Meeting Room. Input is needed from community residents in order to have adequate time to bring ideas to fruition. If you are unable to attend, please be sure to ask someone from your organization to come in your place, or let us know what we can do to ensure your group's participation in Heritage Day.

Every year, more people in Hartland and the surrounding communities want to learn about Hartland's rich history and just have some good old fashioned fun! Don't miss this opportunity to be a part of the day; be a part of the planning!

Please RSVP to Barbara Krueger, bek4450@aol.com or call 248.887.1283.

## No School Open Gymnastics

Hartland Gymnastics Academy has open gymnastics when Hartland has a scheduled NO SCHOOL day for teacher professional development. Kids can play in the gym for an hour and a half. The bounce house, zip line, foam pit, trampolines, gymnastic equipment, and ropes will keep them entertained and burn off some energy.

Children under the age of 5 can be accompanied by an adult. Cost is only \$8 per child. No school open gym is from 1:30-3 pm on the following dates: January 16, 27, February 24, 27, and March 23

We offer regular open gym every Friday from 7:30-9 pm. Come join us! Signed waiver required to participate. Visit us on the web at [hartlandgymnastics.com](http://hartlandgymnastics.com) for more information.

Don't Forget, our winter session is just beginning so sign up today!

## Caroselli Aquatics and Fitness Center

### New evening exercise classes at the pool

Monday and Wednesday nights beginning January 4 at 7-7:50pm, you can join a shallow water exercise class at the Hartland Pool. The class is designed to provide a whole body work-out, and self-pacing allows nearly everyone to get the intensity they want.

The drop-in cost is \$6.25 for adults, and \$5.25 for seniors. The cost is lower if you purchase a frequency card at \$100 adults/\$85 seniors. The cards are valid for any 20 classes in six months.

Water exercise allows you to work at your own pace while supporting your back and body weight, thus reducing impact and wear on joints. Many people, who are unable to exercise on land due to weakness, injury, or arthritis, are able to get moving in the water.

Water has unique properties that make it an ideal exercise environment for nearly everyone, from the elite athlete to those severely de-conditioned from injury, illness or just plain old inactivity. We also offer a full schedule of other classes that can help you toward your fitness goals.

For more information call 810.626.2279 or log onto [hartlandschools.us](http://hartlandschools.us), and follow the link to the aquatic center.

### Hartland High School Fitness Center

The weight room and running track at Hartland High School are open for community use Monday thru Friday from 5:00-9:00pm.

The cost is \$4.00 walk-in or membership. Membership information can be found at [hartlandschools.us](http://hartlandschools.us), then follow the link to the aquatic center.

Enter through the pool community entrance and check in at the weight room. You must be at least 14 years of age to enter and youth ages 14-16 must be with a parent.

### Pre-School Open Swim at Hartland Pool

Splash & Play is an Open Swim tailored for infants, toddlers, pre-schoolers, and afternoon kindergarteners with their adult caregivers. At 10:30-11:25am, Monday through Friday, it's the perfect time to burn some energy off your little ones just before lunch and naptime.

Enjoy the company of other moms and playmates in our warm 86 degree pool. Kids can walk or crawl in the 0" – 2' splash & play area, sit under the dump bucket, zip down the kiddie water slide, and play in the bubblers. The whole leisure pool and current channel are available but the big slide is kept off to keep the pool lower key for little ones. Please bring a swim diaper for children not yet toilet trained.

Infants in arms are permitted, but for everyone' peace of mind, please plan to put all other young children in lifejackets that are USCG approved.

## Indoor Soccer - REGISTER NOW!

Games begin January 15-February 19, 2012

Indoor soccer for boys and girls in preschool-2nd grade. When it's cold outside and the snow starts to fly, let the kids come inside to play soccer. Games are played on Sundays between the hours of noon and 7:00pm at Ore Creek Middle School. Teams are coached by parent volunteers. If interested in coaching, please let us know when you register. The first Sunday will be a ½ hour practice then a ½ hour scrimmage; the last 5 weeks will be games. Pre-kickers will do a ½ hour of drills each week, and then a ½ hour of games. Pre-kickers should bring their own ball. Shin guards are required. Must have a minimum of 4 teams per age group (32 players) Register early!

## Lakes Cub Scout Pack 385

Happy New Year everyone! Hope everyone had a wonderful Holiday Season and is back in the swing of the New Year. Pack 385 was quite busy with really cool activities lately. Last month our Scouts did some bell ringing for the Salvation Army, had our Holiday Party, and did some caroling at Village Manor Retirement. What a great end of the year! As you can see, our top three finishers at our Raingutter Regatta had a great time. This month we are going to be Ice Fishing on a local lake! As you can tell, we learn, contribute and have a lot of fun! If you would like to join Pack 385 (or have your parents help out in a den), contact Cindy Andersen with any questions (810-360-0660). See you in Scouting!

## Boy Scout Troop 380 Collection Dates

## Family Trivia Night & Silent Auction January 13, 2012 at 6:30-10pm at Ore Creek Middle School

In June 2012, some of Hartland Community Education's Dynamic Expressions Dancers will be headed to Walt Disney World in Florida. They will be joined by dancers from across the continent to dance in a parade down Main Street USA in the Magic Kingdom. The dancers will also be performing original choreography from our recital in Hollywood Studios.

So come join us for a great night of fun! You can choose what activities work best for your family. Feel free to come for dinner at 6:30 and stay for trivia at 7. Or just drop by for the silent auction which includes items donated from area businesses. The auction will be open throughout the night, but don't wait too long because the bidding ends at 8:45 pm. The choice is yours! Trivia is \$5 a person, dinner from Marcos' Pizza is \$5 a person, the silent auction and supervised movie/open gym for the little ones are free, but donations will be accepted. All the proceeds will go to help our dancers live out a dream.

We have already received silent auction items from Hands on Museum in Ann Arbor, Castaway Café, Rollerrama, Hartland Community Education, Paradise Park, Hartland Pool, NGK Sparkplugs, Jean Chaffee and Erin's Angels, Detroit Red Wings, Lansing Lugnuts, Detroit Lions, Dr. Abed, Hartland Flowers, Leos Coney Island, Mexican Fiesta, Anytime Fitness, Hell's Survivors paintball, Mt. Brighton, Accurate Chiropractic, Sprint, Bagel Express, FAO Jewelers, Animal Crackers, Fusion Shows, Spencer Douglas Jewelry, and more. Thank you to everyone who has donated so far! If you would like to donate an item or make a donation please contact Teresa Dorough at [teresadorough@hartlandschools.us](mailto:teresadorough@hartlandschools.us), donations will be advertised in multiple places before the event begins.

To register a team of 8 for trivia, dinner or babysitting, please email Teresa Dorough at the above email or leave a message at 810.626.2150. Pre-registration is not required but recommended and all payments are to be made at the door with cash or a check.

## Livingston County Woodcraft Guild Open Workshops at Ore Creek Middle School
