Superintendent's Message

Janet Sifferman, Superintendent

On May 8, Hartland Consolidated Schools will hold a special election. Though new legislation requires school districts to now hold their Board of Education elections in November of even years, in May the district still needs to renew the 18 mill non-homestead millage. On Tuesday, May 8, there will be a ballot question asking voters to authorize a renewal of the 18-mill Non-Homestead Tax that has existed since Proposal A went into effect in 1994. The Non-homestead renewal is part of the funding for public schools allocated by the State of Michigan and directly impacts the district's general fund.

The non-homestead ballot for this May generates an estimated \$4.5 million in revenue for the district, so it is obviously extremely important that we levy the full amount of 18 mills as dictated by the state. It is also important to note that the state assumes school districts are collecting the full 18 mills, so should this proposal not pass, the shortfall will not be covered by the state.

This millage is not assessed against residential homestead property or qualified agricultural property. For residential homestead property owners and qualified agricultural property owners, passage of the Non-Homestead Tax costs you nothing except your time to vote.

Local business or other non-homestead property owners will only be taxed at the rate (18 mills total) that was planned when state voters passed Proposal A in 1994. The individual parcels have been limited to increases no greater than the cost of living just as homestead property has been limited.

Hands-On Substance Abuse Education Program

April 26 at Ore Creek Middle School

Parents come face to face with more than 70 drug paraphernalia items during an interactive drug education and prevention workshop presented by Saint Joseph Mercy Health System.

Educators from Saint Joseph Mercy Health System will travel to Ore Creek Middle School on April 26 to educate parents, grandparents, coaches, teachers and administrators about the various forms of drugs and the peer pressures facing students to use them. The presentation is titled Drugs 101: What Parents Want to Know and is sponsored by Hartland High School and Ore Creek Middle School.

This FREE two-hour presentation starts at 6:30pm, when participants will enter a mock bedroom of a teenager that has been set up to resemble a teenage drug user's room. Participants are asked to identify drug and alcohol related paraphernalia placed within the room.

Throughout the presentation, more than 70 trendy drug and alcohol indicators will be unveiled to show how some adolescents hide drug and alcohol use. Signs, symptoms and current trends of alcohol, prescription drugs, marijuana, inhalants, tobacco and several other substances will be presented. The program will include demonstrations to help adults initiate conversations with adolescents and teens.

The goal of this program is to empower participants with the knowledge they need to spot warning signs of drug abuse in time to intervene and/or prevent it. Any adult can register for the program by contacting 734.398.7518 or online at www.stjoeshealth.org/classes or email nicoleschingeck@hartlandschools.us

Any group interested in hosting a "Drugs 101: What Parents Need to Know" program for the parents of their school, district or community, can call 734.398.7518 or email healthed@trinity-health.org

Heartland Foundation Grants Available

The Heartland and the Hartland Consolidated Schools' Foundations will again accept grant applications from individuals or organizations for projects to benefit the quality of life for residents residing within the Hartland Consolidated Schools' boundaries. It is not required that grant applications refer to a school program or have an education-based agenda. The Heartland Foundation was conceived more than half a century ago by J. Robert Crouse, Sr. as an additional funding tool for the Hartland Area Project, and its mission to provide enrichment opportunities for the residents of the Hartland area. Consequently, these two foundations have awarded grants for a wide range of programs benefiting senior citizens, veterans' groups, various artistic and literary endeavors, as well as the students and families of the Hartland Schools district. Applications are available at the Administration Office, 9525 Highland Road, Howell, between 8:00 a.m. and 4:00 p.m. The deadline for submission of the application is April 25, 2012.

Food Service Subs Needed

Want a job that works around your child's school schedule? Come and join the Food Service Department. Applications may be completed at Village Elementary School from 10:00 am to 2:00 pm. Call 810.626.2868 for further information.

Principal's Corner

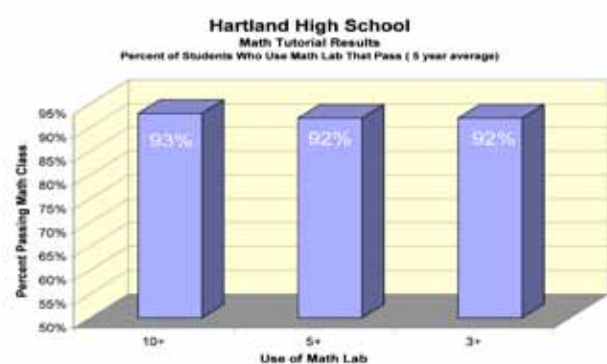

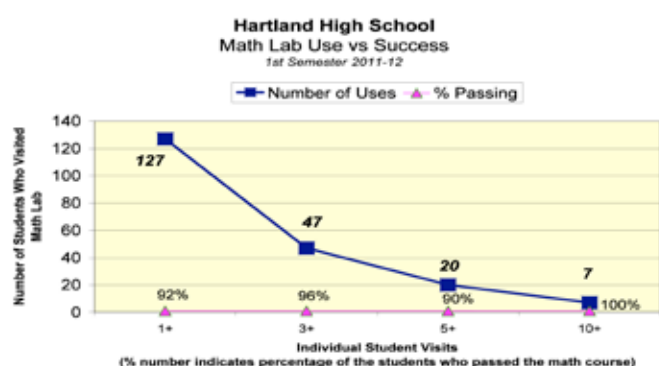

Chuck Hughes, Hartland High School Principal

Welcome to April. This means that graduation is right around the corner for our Senior Class. I can tell you that the Class of 2012 has been a wonderful group of students to work with over the past four years. These students continue to excel in their academic endeavors. The number of students taking Advanced Placement courses is at an all time high and the grades being earned by our students continues to impress the staff. I believe that this is due to the focus of helping our students better prepare for the 21st Century. The teachers are working hard to integrate inquiry based learning in the classroom which includes using skills such as data interpretation and analysis, thinking about ones own thinking (metacognition), investigation, and problem solving. Some soft skills that come with this approach include communication, collaboration, and time management. As you are aware, the world around us is changing at a rapid pace. We have moved from a product based economy to a knowledge based economy that requires our students to learn how to learn and to complete tasks with a world view outlook. Our students are graduating from high school and college in a time where they are no longer competing for jobs locally but competing for jobs with graduates from all over the world. The question is what will the job market look like in five, ten, and fifteen years? I think your guess is as good as mine! What I can assure you of is that a sound education is essential to success beyond the walls of Hartland High School.

Mathematics a Key Component:

Mathematics continues to be a central focus of education at the state, national and world level. In 2006 the State of Michigan released new graduation requirements that expect all students to successfully complete Algebra I, Geometry, and Algebra II. Prior to this legislation our students had only to complete two years of mathematics to obtain a high school diploma. This graduation requirement encourages students to remain diligent in attending class regularly, completing assignments, and demonstrating knowledge on internal common assessments and standardized assessments. In 2006 the District Rigorous Curriculum Steering Committee made a recommendation that Hartland High School offer a Math Tutorial Lab after school for students to receive additional instruction. Parents, if your student is having difficulty with mathematics concepts please encourage them to seek additional instruction from 2:20 to 3:17 each day.

Below you will find information on the success of this effort:

Students Present Model

Two students from Mr. Assenmacher's Architectural Drafting class, Samantha Moesta and Jessica Nystrom, designed and constructed a scale model of an M-59 section. This was requested by the Hartland Fire Department, who will use this model to practice public transportation training and evacuation procedures. Samantha and Jessica presented the finished product to the department on March 5.

New German Exchange Program

On March 29, Hartland High School will have some very special visitors. That is the day that 18 students and 2 teachers arrive from Koblenz, Germany for a three week stay. The students will live with families of Hartland students who are currently taking German with teacher, Pam Iden. The students will shadow their host "brother" or "sister" in their classes for a few days before and after Spring Break. The German students will have a week off of school to experience some of the attractions in and around Hartland. A few students have even been invited to travel with their host families on vacation during the break.

In June, once school is out, the Hartland students who hosted German students will travel to Koblenz, Germany and stay with families there for three weeks. Since the German school calendar is different than in the USA, our students will be able to shadow their German "brothers" or "sisters" for two weeks and then have a week out of school to visit the area. The city of Koblenz is located at what is known as the "drei Ecke" or "three corners" because it is where three rivers the Mosel, the Rhine and the Lahn join.

Mrs. Iden (known as simply "Frau" to her students) helped to organize this exchange program with another teacher Fred Klappach from Germany. Together the teachers have been trained to run the exchange through the GAPP program. GAPP stands for the German American Partnership Program. It was established in the early 1970s and receives financial support from both the German and American Governments. The purpose of the program is to promote learning of each other's language and culture so that we can better understand and appreciate one other. It is also to build a long standing relationship between the two schools that will continue the exchange with students for years to come. If you are interested in learning more about the GAPP exchange, please contact Pam Iden at 810.626.2337.

Forensics team is two for two!

Performing well in both interpretive and public address categories, the HHS forensics team took Second place in its division at both the North Branch "Bronco" tournament and the Alma "Maze" tournaments held on February 18 and March 3. Coach Jami Waddle said, "The team is off to an excellent start this year. With the experience of five returning seniors and the fresh enthusiasm of six first year team members we look to have our strongest season yet."

Individual winners included senior Leena Shah who was named champion in Extemporaneous Speaking at both tournaments! Other placings at North Branch were the Duo Improvisation teams of Jerod Clover/ Kendra Rocha and Rhianna Dilworth/ Sarah Wallace who placed Third and Fourth respectively. Semi-finalists were Elizabeth Werstein in Broadcasting and John Moraitis in Impromptu Speaking.

Other trophy winners at Alma were John Moraitis and Connor Cothran who placed third and sixth in Sales, Morgan Herrington who was sixth in Informative. Reaching the semi-final round were Jerod Clover in Dramatic Interp and all three Poetry entries: Sarah Wallace, Victoria Cothran and Rhianna Dilworth.

The team will compete in three more invitational tournaments before the Regional elimination contest.

World Language Week

World Language Week was held February 13-17 this year. Our theme was "Express Yourself." We had over 30 workshops after school for students to attend. Here are just a few glimpses of this year

Students learn about the art and tradition of Henna in India and were able to create the art on themselves.

Students actively participate in a traditional Japanese Tea Ceremony and then they learned how to make origami

The Michigan Opera Theater was able to come to Hartland with the help of a grant provided by the Michigan Council for the Arts and Cultural Affairs and the Michigan Humanities Council.

Students Of The Month

Each month, a selection committee at Hartland Middle School selects one seventh and one eighth grade student to receive recognition as "Students of the Month." Nominated students must meet one or more of the following criteria in order to be selected.

- The student must show continued success in all subjects
- The student must exhibit good citizenship
- The student must make a significant positive contribution to the school and others
- The student must exhibit a positive attitude toward school, self, and others

Congratulations to our March Students of the Month, Blake rose and Brian Weber.

Blake Rose,
seventh grade

Brian Weber,

Kroger Community Rewards

HMS is registered with the Kroger Community Rewards program. You can register on-line at www.kroger.com/mykroger/016/community/Pages/community_rewards.aspx. A percentage of your purchases linked to your Kroger Plus card will be donated to our school.

Morning "Drop Off" Time

Please note that the school day does not begin until 7:40 a.m. Students are allowed to enter classroom areas/access lockers beginning at 7:30 a.m. Parents who elect to drive instead of sending children on the bus need to realize that children dropped off to wait in the commons/cafeteria area before 7:30 a.m. ARE NOT SUPERVISED. We suggest that you either (1) send your children on the bus or (2) not drop them off earlier than 7:30 a.m. if you want them to be supervised before the start of school at 7:40 a.m.

Students in Mrs. Scheib's Life Skills class work on their sewing projects.

Harper Peters and Hanah Shanebrook intently watch basketball during lunch time intramurals.

Special Visitors, Special Tasks

There is always some exciting going on around Creekside! Special guests have come this past month to entertain and teach useful lessons that apply to life. Our third graders gathered to star in a video being created by Kristy Short, author of Operation Nice, to send to the Ellen DeGeneres show in hopes of getting her attention and to spread the message. The kids pulled together as a team to share the message, "Spread the Nice." The Jumpin' All-Stars, based out of Brighton, came to share jump roping skills and healthy lifestyle tips. The group even starred three of our own students; Alivia Devitt, Katie Swims, and Adison Perry. Making it more fun, the tables were turned when not only some of the kids, but a couple of teachers got to show off their jumping skills!

Spread the Nice, Operation Nice.

Skills that go beyond the typical school playground jump roping.

Three jumpers, two jump ropes, one cool skill!

Interactive assembly, first the students showed off their skills and later the teachers.

Showing off some mad Ellen dance moves!

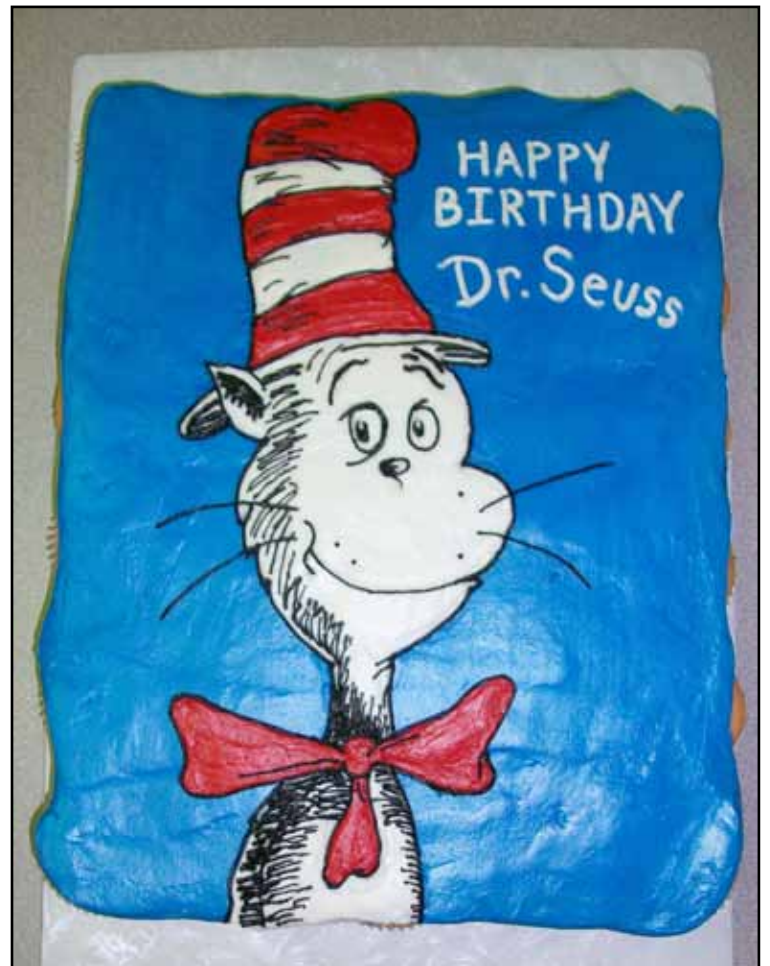

Mrs. Haar's first grade students celebrated the 100th day of school in February with a variety of activities, including decorating and modeling these awesome "100s Day" glasses.

Mrs. Wills' third grade students celebrated the beginning of March is Reading Month by reading in their pajamas and enjoying a breakfast of homemade waffles cooked by Mr. and Mrs. Avenall...seen here serving them up to Ellie McPhee, Gavin Dingman and Connor Eddy.

As always, our Lakes Family Fun Fest was very well attended on March 2nd with a variety of games, activities and great food. Families were lined up down the hall for the ever-popular Cake Walk.

Lakes Elementary kicked off March is Reading Month with a celebration of Dr. Seuss' birthday. Ms. Alefs' first grade students enjoyed yummy cupcakes with an amazing Cat in the Hat frosted layer over the top, made by parent Mrs. Fowler.

Lakes Fun Fest would not be complete without our face painting room as well. Grace Sargeant and Ariana Adams show off their lovely facial designs while they join friend Abby Smith for a photo.

Round Elementary News

810.626.2800

With the long, cold winter behind us the staff and students at Round Elementary School are looking forward to an exciting spring. This year was another banner year with Jump Rope for Heart as Round School raised over \$4600 for the American Heart Association. Thanks to all the volunteers that help make Jump Rope for Heart a great success. Also we celebrated reading with our annual "Seussabration" activities. We had a school wide read in and then celebrated with food and drinks. The pictures are of our students and staff celebrating our love of reading!! The Round Elementary would like to wish everyone a safe and happy spring. We look forward to an exciting couple months of the school year.

PE teacher Matt Conway reads a Dr. Seuss story to his 4th grade class.

Teacher Mrs. Hatfield reads to Mrs. Kellet's 3rd grade class.

Principal Dave Minsker reads "The Lorax" by Dr. Seuss to a 4th grade class.

Kindergarten student Ethan Raap and 3rd grade student Katelyn Paquette share a good book during our reading celebration.

4th grade student Isabella Lillemoen enjoys a book during the read-in celebration.

Also, mark your calendars!!! On Saturday May 12, Round Elementary PTO will be hosting their second Fundraiser Golf Outing, Auction and Dinner. This event involves many of our community's families and will take place at Hartland Glen Golf Course. It will be a scramble format and costs \$65 per person, which includes golf with cart and dinner.

To make a donation, register a team or for additional information, please contact Stacey Colliton (staceync@comcast.net) or Colleen Waske (cwaske@yahoo.com). Get your foursome together and save the date.

Jump Rope for Heart was a big success with Village students raising over \$9,000! Mrs. Jessen had the honor of shaving a heart in the back of Mr. Cain's hair because her class raised the most money. Mrs. Cone's class had the top participating class. Both classes won a lunch donated by Subway. Thank you to all those who donated and helped raise money to help fight the number one cause of death in this country.

Mrs. Dewolf from the American Heart Association, Lexie Linfield, Morgan Proffitt, Aiden Wilkerson, Ms. Striz, gym teacher. Winners of the drawing: Morgan Proffitt – principal for the day, Lexie Linfield – gym teacher for the day, and Aiden Wilkerson custodian for the day.

Mrs. Butzier's kindergarten class dressed up like they were 100 years old for the 100th day of school.

Many classes kicked off "March is Reading Month" by celebrating Dr. Seuss's birthday, like Mrs. Meier's class, pictured here.

Fourth graders dissected and examined "owl pellets." This study provides students with information on owls' habits and their role in nature, including the importance of the food chain.

LEGACY Honors Assembly

The 2nd quarter Honors Assembly was a huge success. Many fine students were honored for their achievements and accomplishments from 2nd quarter. The staff at LEGACY HS love to seize the opportunity and recognize student achievement and successes in and out of the classroom.

The Hartland Kids Kamp will Cruise into Summer Fun!

We Are Open All Summer Long!

Registration starts on Monday, April 23

Does your child need childcare in the summer months? Are you tired of paying the high cost for a one week camp? The Hartland Community Education Childcare Center is the perfect place to be for some fun and exciting activities all summer long! Come and enjoy our many field trips, projects and outdoor events. Swimming (pools, water parks & lakes), Roller skating, Magic shows, Guest Speakers, Outdoor games, Plasterworks, and much more! What a great way to provide your child with the opportunity to socialize and make new friends!

Registration forms will be available at the
 Childcare Center office, 10235 School Street,
 and the Community Education office, located in the Hartland
 Educational Support Service Center M-59,
 beginning April 16.

Enrollment is opened to all children that have completed Kindergarten through 12 years of age. The Kamp will be held from June 11 through August 30. The weekly tuition amount will vary depending on how many days your child is in attendance.

2012 Summer Kids Kamp Weekly Tuition:

3 days a week=\$ 87.00 4 days a week= \$112.00 5 days a week= \$140.00

If you have more than one child enrolled, Full Time, (five days a week) you will receive 10% discount on the 2nd child!

There is a Kamp Activity fee of \$295.00, per child, which covers bus transportation, entrance fees, activities fees, etc.. Ask us about our convenient payment plan. If you were not enrolled in the 2011-2012 Before and After School program, you will be charged an additional \$25.00 registration fee, which can be included in the payment plan. Registration starts on Monday, April 23

For more details call 810.626.2780 or email Linda Easton, Summer Kamp Director at lindaeaston@hartlandschools.us. or Debbie Steger, Office Manager, debbiesteger@hartlandschools.us,

May 8, 2012 — Special School Election

"Your Vote Counts and Costs You Only Your Time to Vote"

On Tuesday, May 8, 2012, voters in the Hartland Consolidated School District will be asked to maintain the full 18 Non-Homestead mills for the schools' operating budget. Essentially, the ballot question asks district voters to keep the same millage rate, 18 mills, that has existed since Proposal A went into effect in 1994. For residential homestead property owners and qualified agricultural property owners, the maintaining of the 18 non-homestead mills will cost you nothing except the time and energy you expend to go to the polls.

In March of 1994, Michigan voters approved Proposal A. That action completely changed how Michigan public schools would be financially supported in the future. The success of that vote significantly reduced tax millages for people who owned one home (called your homestead). For example, the Hartland Consolidated Schools operating tax millage was 37 mills before Proposal A. After the 1994 vote, it was reduced to six mills and remains this amount. The 6 mills are sent directly to Lansing. This and other taxes, such as sales tax, income tax, liquor and cigarette taxes, and lotto revenues all go into making up the dollars for the state school aid fund. From these collected monies, the State reimburses school districts with a foundation allowance.

In Hartland our foundation allowance for the 2011/2012 school year is \$6,956.00 per pupil. Please keep in mind that this is the basic foundation grant promised under Proposal A. **The 18-mill Non-Homestead Tax portion of school funding is extremely important for Hartland Schools, equating to approximately \$4,483,329 in revenue next year.** Non-Homestead property is defined as commercial, industrial and second homes such as vacation cottages. Non-qualified agricultural land that is not farmed by the owner is also subject to the 18-mill tax levy. The crux of Proposal A is based on the assumption that each district would collect the full 18 mills on **non-homestead** properties. The law states that the full 18 mills cannot be collected unless it comes before the voters in an election, and the state assumes that school districts are collecting the full 18 mills and does not compensate them for a shortfall if the renewal fails. Those of us that own our homes as our primary residence (our homestead) would continue to pay **6 mills – no more and no less.**

If the Non-Homestead millage on non-residential property is not renewed at the full 18 mills allowed by Proposal A, this will create a loss in revenue for the school district of approximately **\$4.5 million** for the 2012/2013 school year. The last Non-Homestead Tax millage election was held in May of 2011 for a period of one year. **Please remember the 18 mills is what the district needs to be made whole regarding state funding and that this will cost residential homeowners in Hartland nothing more than their time to vote.**

Why is a non-homestead renewal important to Hartland Schools?

- ➔ The 18-mill tax equates to **\$4,483,329 in revenue** for the district next year
- ➔ State assumes 100% of the non-homestead tax is collected based on a levy of 18 mills
- ➔ Funds not collected **ARE NOT** made up by the state when allocating monies to our schools for educational purposes

Is the Non-Homestead renewal something new?

- ➔ **NO!** This tax levy has been in place since 1995
- ➔ Businesses, vacant property and second homes are expected to pay this tax as part of Michigan's school funding program
- ➔ **This is a renewal of the 18 mills passed for one year in 2011**

Does this renewal mean a tax increase for area businesses?

- ➔ **NO!** This same 18 mills has been levied on businesses, vacant land and 2nd homes since 1995 and the passage of Proposal A

If the only property I own in the Hartland district is my home, does this proposal cost me anything?

- ➔ **NO!** As stated in the ballot proposal, principal residences and other qualified property are exempt.
- ➔ **NO!** But keep in mind if the proposal is defeated, it will cost Hartland Schools approximately \$4,483,329.

Ballot Language

HARTLAND CONSOLIDATED SCHOOLS OPERATING MILLAGE RENEWAL PROPOSAL

This proposal will allow the school district to continue to levy the statutory rate of 18 mills on all property, except principal residence and other property exempted by law, required for the school district to receive its revenue per pupil foundation allowance.

Shall the limitation on the amount of taxes which may be assessed against all property, except principal residence and other property exempted by law, in Hartland Consolidated Schools, Livingston County, Michigan, be increased by 18 mills (\$18.00 on each \$1,000 of taxable valuation) for the year 2012, to provide funds for operating purposes; the estimate of the revenue the school district will collect if the millage is approved and levied in 2012 is approximately \$4,483,329 (this is a renewal of millage which expired with the 2011 tax levy)?

Where to Vote

Residents of the Hartland Consolidated Schools district will vote in the same local township polling location for the school election as when voting in the general election.

Eligible Citizens May Vote Absentee

Absentee ballot applications will be received and processed at the township or village hall in which you reside. Township and Village Hall addresses and phone numbers are listed below. Please call to request an absentee application or for further information on how to vote absentee.

Black Sheep Weavers Fiber Guild *The Button Lady - Canceled*

The April 5 program with Evelyn Gibbon, the Button Lady, has been canceled due to a scheduling conflict with our speaker. Members are encouraged to come to the meeting with your recent "show n tell" artwork.

Our SPRING FLING Sale is fast approaching. It is scheduled for May 4 & 5 (please see our display ad on page 27 of this issue). We are busy creating many spring and summer seasonal fiber items for sale. So mark your calendar!

Our meetings begin at 6:30pm for social time, a brief business meeting at 7pm followed by the program. We meet in Room 23 at the HESSC (former high school) on M-59 just a 1/2 mile west of the US 23 Interchange on the first Thursday of each month (except December) from September through May. We end our year with a potluck at a member's home in June.

If you are interested in weaving, spinning, knitting, dyeing, beading, crocheting, needle-felting, rug hooking, quilting, papermaking, basketry, raising alpacas and more, we are the group for you. Check out our website at www.blacksheepweavers.com or call our Treasurer/Membership Board member Nadine at 810.626.2142 or 810.229.0869.

Optimist Club Oratorical Contest

Andrew Auvenshine and Michaela Conrad, both 7th graders at Ore Creek Middle School, recently won their respective divisions of the Optimist Club of Hartland's oratorical contest based on a theme "How my Optimism Helps me Overcome Obstacles."

Auvenshine and Conrad were each awarded Gold Medallions for the honor. In addition, both students will move on to the District level where each will compete against winners from other Optimist Clubs in the area with the chance to win a scholarship.

"Both Andy and Michaela did a wonderful job presenting their speeches on the topic posed to them" Club President Vicki Schiesel said. "The members of our Optimist Club have no doubt that both have bright futures ahead."

Students who participated in the Oratorical Contest were: Andy Auvenshine - Gold Medal winner; Sam Bedford - Silver Medal winner; Ricky Ascherl - Bronze Medal winner; Brendan Dziobak; Michaela Conrad - Gold Medal winner; Abbey Johnson - Silver Medal winner; Hannah Enderle - Bronze Medal winner; Jenny Bauer; Brooke Bliznik; Brenna Rosso and Amy Parks

The Optimist Club of Hartland has been participating in the Optimist Oratorical Contest for the last 17 years and has been active in the community since 1995. Other programs and service projects that the Club is involved in include Adopt-a-Family, Youth Appreciation, and Respect for Law.

Memorial Essay Contest

In memory of our former Building Manager Grant Sweet, and with the support of the Friends of Cromaine Library, the National Veterans Awareness Organization and Hartland's American Legion Post 415, Cromaine Library is proud to present this essay contest to Livingston County high school students, grades 9 through 12.

Students' essays must be based on an interview with a veteran or active-duty soldier, of any age. After the interview, students write a 250-word essay on "What it means to serve your country." The veteran may have served in any conflict, past or current, or during peacetime. For student guidelines, visit our Facebook page: Facebook.com/CromaineLibrary or www.cromaine.org.

Essays must be turned in to Cromaine Library by Friday, May 4 at 6:00 pm. Winners will be presented at a program on Tuesday, May 15 at 6:30 pm. Winners must be present to receive their awards.

Cash prizes will be awarded in the following amounts, along with medals:

1st Prize: \$200.00 2nd Prize: \$100.00 3rd Prize: \$50.00

Flash from the Friends

Friends of the Cromaïne Library

WOW! 12,000 books were sold at the "Friends" PAPERBACKS PLUS sale, held on February 24 and 25. Lots of work, but so much fun, and what a feeling of accomplishment. Of course, all profits go to help the Cromaïne Library in all their numerous endeavors. The "Friends" have committed \$14,000 of support for events, collection, services, and furnishings this year.

We are very appreciative of all the book donations we receive, and of all those who help with our sales. Of course, we want to thank all the folks who purchase our books. It takes a 'Community' to have a successful sale.

The Friends are up to another book sale that is just around the corner. We have wonderful, wonderful books at great prices. Please mark your calendar for our sale dates or see our Book Sale advertisement in this issue of Community Life.

The Friends always look forward to honoring the Cromaïne Staff with an "Appreciation Luncheon." This Think Spring event will take place in April.

Please notify Mary Lynn Thomson at 810.229.7356 if you would like to volunteer to help with the "Spring Book Sale" or the staff "Appreciation Luncheon."

The next Friends meeting/social gathering will be held on Tuesday, April 17 at 6:30 pm at Cromaïne in the Village. Hope to see you there!!

"Friendship is the marriage of the soul." Voltaire

Historical society looking for sponsors

Employer Support for Care Giving Employees

"There are only four kinds of people in this world. Those who have been caregivers, those who are caregivers, those who will be caregivers, and those who will need caregivers." *Rosalynn Carter, Former First Lady*

The U.S. Department of Labor estimates that in the year 2010, 54% of workforce employees will provide eldercare for a parent or parents and that nearly two-thirds of care-givers will experience conflict between demands at home and demands from employers.

Today's employed Baby Boomers are the caregiver generation for their parents. They are finding themselves juggling care responsibilities around their employment obligations. Sometimes employees find they have no option but to take leave from work or use sick time to meet their caregiving demands.

Employers also feel the toll it is taking on their employees. A report by the AARP describes the cost to employers:

"Companies are also seeing the emotional and physical toll that caregiving takes on their workers. In one study, 75% of employees caring for adults reported negative health consequences, including depression, stress, panic attacks, headaches, loss of energy and sleep, weight loss, and physical pain. Businesses suffer, too, by

having to pay high health insurance costs and in lost productivity. That doesn't count the promotions or assignments workers turn down that require travel or relocation away from aging relatives."

Eldercare cost businesses:

- \$6.6 billion to replace employees (9% left work either to take early retirement or quit)
- Nearly \$7 billion in workday interruptions (coming in late, leaving early, taking time off during the day, or spending work time on eldercare matters)
- \$4.3 billion in absenteeism" AARP
- Typically, human resource departments work with employees on many issues that may affect their work productivity. There are programs for drug and alcohol abuse, domestic violence, illness, absenteeism and child care; but, help with eldercare issues is not normally provided.
- The AARP report follows several companies who are providing help with eldercare issues and what they are doing for their employees.
- "Freddie Mac has a free eldercare consultant and access to subsidized aides for a relative up to 20 days.
- Verizon Wireless offers seminars on eldercare issues and allows full-time workers 80 hours a year in back-up care, 40 hours for part-time,

and \$4/hour for in-home help.

- At the Atlanta law firm Alston & Bird LLP, workers can donate vacation time to colleagues who have used up theirs to care for family members. "AARP

A growing number of companies nationwide are directing their HR departments to provide resources, education and group help for caregiving issues by:

- Providing materials from community resources such as phone numbers to their local Senior Centers or Area Agencies on Aging.
- Making available brochures and book-lets on specific programs and services by eldercare experts
- Providing speakers to educate employees on caregiving options
- Allowing options to use paid sick leave, employee job sharing and flexible hours
- Allowing employee caregivers to use business computers for caregiving re-search
- Contracting with companies who provide eldercare services to help employees

Eldercare service providers are also reaching out to help employee caregivers by providing informational presentations at the work place during lunch time or other times set up by employers. One such presentation provided information on reverse mortgages. Jason, who had been trying to

help his parents pay for home care, learned at a work site presentation that a reverse mortgage was one way to cover caregiver expenses.

The HR Department of a local business in Utah, invited the Salt Lake Eldercare Planning Council to present a "Brown bag, Lunch and Learn" during their employees' lunch hour. In 30 minutes time, those who attended learned how the services of a Care Manger, Home Care Provider, Elder Attorney, Medicaid Planner and Financial Consultant can help with caregiving decisions. Problems were discussed, questions answered and employees left armed with information and the names of professional people they knew could help them.

"This was the most productive lunch I have ever attended", related Mary, one of the attendees.

"I had been very hesitant to contact an attorney to discuss my parents' estate, because of the cost involved. The attorney at our 'lunch and learn' answered my few basic questions which will allow me to prepare what I need before I meet with him to finalize my parents' estate planning."

Employers, employees and eldercare service providers working together can make parent or senior caregiving a workable solution for all.

Recreation

Hartland High School Men's Varsity Swim & Dive Team Awesome Season

Wow! We did it again. The HHS Varsity Swim & Dive Team placed 1st in our KLAA West Division and 1st at our Lakes Conference Championship this season. We scored the most points in Conference history with an amazing 948.5 points. Two of our freshman divers, Jonas Zebari and Mitchell McCann, will also compete in the Regional Diving meet in Ann Arbor. We also have 8 guys that qualified for 10 State events to compete at Easter Michigan University. The Seniors include: Trey Conner (100yd Butterfly), Scott Pelland (relays), Charlie Locker (relays), and James Strandbergh (200yd Individual Medley and 100yd Breaststroke). The Juniors include Bryan Condra (100yd Backstroke) and Matt Polkowski (200yd Freestyle and 100yd Butterfly). The Sophmores include Derek Ballou (500yd Freestyle) and Jacob Scherba (50yd Freestyle).

We also had 3 new school records established so far this season. Trey Conner set the record in the 100yd Butterfly with 52.90 seconds. Bryan Condra stole the record for the 100yd Backstroke with 55.90 seconds. Derek Ballou grabbed the record in the 500 yard freestyle with a time of 4:54.75.

We will have to report on the results of the Diving Regionals and Swimming State competition in next month's issue. What an awesome season.

If you are interested in joining the team or have any questions, please contact Coach Adam Wohl via email at AdamMWohl@gmail.com or by phone at 419.357.4795. You can also check out our website at www.hartlandswimanddive.com

HHS Varsity Cheer Team

On March 2, the Hartland High School Varsity Cheer Team competed at the 2012 MHSAA Competitive Cheer State Finals. The team earned the title of Fourth Place in the State of Michigan in their Division 1 Competition!

The event was hosted at the DeltaPlex Arena in Grand Rapids where only Regional winners qualify to compete. The team competed in three rounds, which each showcase different skills. They had disappointing first and second round scores, only to wow the entire Arena with their breathtaking third round!

The Hartland Eagle Team, coached by HHS Varsity Cheer Alum, Amanda Adkins, consists of 11 returning Varsity cheerleaders and 16 newcomers, lead by seniors, Natalie Bauer, Jessica Gust, Colleen McGrath, Caitlyn Peca, and Courtney Thompson. The team worked hard on their journey to their State Finals winning First Place at the KLAA Conference Championship and First Place at their District Championship, both held at Novi High School, and also winning First Place at their Regional Championship held at Hartland High School. The Fourth Place State win brings a very successful finish to the competitive season for the first year Coach and her Varsity Cheer team.

Hartland Hurricanes Swim Club

Hartland Hurricanes Swim Club swimmers brought home four 1st place swims in the USA Swimming district meet in Waterford on February 24 and 25.

Championship swims were turned in by Sofia Vasley (10 & under) 100 backstroke, Melanie Hunroe (11/12 girls) 50 free and 200 free, Mackenzie Robinson (11/12 girls) 100 breaststroke and Audrey Regan (13-18 girls) 500 free.

29 Hurricanes placed in the top ten in their events. Along with 12 swimmers that qualified for the Junior Olympics. The Hurricanes also have 5 swimmers currently qualified for the State meet. Many more of our swimmers are close to their state times and hope to qualify for states.

95% of Hurricanes swimmers demonstrated that hard work produces results by dropping personal best times. The biggest drop for boys was nabbed by Cameron Roach (10 & under) who dropped 14.89 from his 100 backstroke. Rachel Duque (11/12 girls) dropped 15.78 seconds from her 50 breaststroke.

Audrey Regan (13/14 girls) brought home 2nd place in the 100 fly. Megan Wencel (15-18 girls) finished third with her 100 free. A new Hurricanes record was set by Zach Connor (13/14 boys) who took 4th place.

Swimmers qualify for Junior Olympics and State Championships

Seven hard working young people from Hartland qualified to swim in the upcoming Junior Olympics and State Championships sanctioned by USA Swimming, the national governing body for the sport of swimming. The Hartland area swimmers recently qualified for the upcoming Junior Olympic and State Championship swim meets at the Arctic Blast meet, a USA Swimming sanctioned meet held at South Lyon East High School in February.

Kirsten and Dana Stroven, Teddy and Mia Keranen, Ryan Geheb and Dominick Van Ess all had qualifying times and competed at the Junior Olympics on March 2-4 in East Lansing, the 12 & Under State Championships on March 9-11 in Lake Orion and the 13 & Older State Championships March 16-18 in Zeeland.

Team Visits Village Manor

On January 14, the Hartland High School Varsity Basketball team visited the Village Manor Retirement Community in Hartland for an afternoon of Bingo and card games. Participants enjoyed good conversation, refreshments and lots of prizes while the basketball team benefited by hearing many personal sports, war and school stories of yesteryear from the Village Manor residents. A big thank you goes out to Village Manor Retirement of Hartland for allowing the Varsity Basketball team this opportunity to broaden horizons as well as grow in the community.

Scouting News

Pack 383 Cub Scouts

Several Cub Scouts "crossed over" to Boy Scouts at our Blue and Gold ceremony in February. These boys received their Arrow of Light, the highest award for Cub Scouts. Pictured are: Hunter Gogoleski, Shaun Gillespie, Zach Linfield, Dakota Dingler and Owen Tithoff. Hunter, Dakota and Shaun also received their "Heavy shoulders" patch for having completed every badge requirement for the Webelos track. Great job boys!

Junior Troop 41133

Girl Scouts from Junior Troop 41133 recently participated in an encampment at Camp Linden. The fifth graders served as Junior Aides to the five troops from Village Elementary school. While there, they were buddies with the first grade troop and they helped lead the first time campers around the camp grounds. They also taught songs and games and filled in wherever they could. It was a winter camping experience full of exploring trails, s'mores, a night hike, and lots of cold toes fun.

ENCORE Youth Theater offers Scholarship

The Hartland Players' Encore Youth Theater is offering a one-time \$500 scholarship to a graduating high school senior. The scholarship was initiated in 2005 and continues to recognize students who have demonstrated special ability in, and dedication to, the theater. Although the scholarship acknowledges students with experience in the theatrical arts, it may be used at the college of the recipient's choice while pursuing the discipline of his/her choice.

In order to be eligible for the scholarship, the high school senior must be a past or current member of Encore Youth Theater and have a cumulative high school grade-point average of 3.0 or higher. In addition, he/she must include with the application a copy of his/her high school transcripts, an acceptance letter from the college of his/her choice, two letters of recommendation, a completed application form, and an essay response.

Applications are available on the hartlandplayers.org website and must be postmarked by May 1, 2012. Recipient(s) will be notified by phone on May 22, 2012. The scholarship check will then be given to the high school of the recipient so that it may be presented as part of any scheduled honors awards ceremony.

Encore Youth Theater provides training and experience in the performing and theater arts for students aged 8-18 through theatrical productions, camps, and workshops. This scholarship is a way for us to celebrate a student's growth and commitment to the theater. We encourage all who are eligible to apply!

For additional information, visit hartlandplayers.org or contact Amy Shettler at sshettler@comcast.net.
