## Superintendent's Message

*Janet Sifferman, Superintendent*

Amazingly, we are already in the homestretch of the 2011/2012 school year. Graduation is around the corner and our high school students are eagerly anticipating prom night just a few days away. This is a time of high spirits, particularly for our high school students, and I would ask that you, as parents, stress the importance of responsibility and caution as our students enter prom and graduation party season. Our spring sports calendar is winding down and we are celebrating another successful season for our athletes. We have much to be thankful for in Hartland. While times are difficult for everyone across the state and across the country, Hartland continues to band together and keep its focus on what is important – family, school, community. With that in mind, I hope all of you will take the time to vote in our special school election on May 8 on the 18-mill Non-Homestead proposal. This proposal is a renewal of the 18 mills that has been levied on non-homestead properties since the passage of Proposal A in 1994. Principal residences and other qualified property are exempt. This renewal equates to \$4,483,329 in revenue for Hartland Consolidated Schools. Please don't forget to vote on May 8!

## Memorial Day Grand Marshal, Millie Madden

The 2012 Memorial Day Grand Marshal is Millie Madden. Millie has lived in Hartland for thirty-five years, and was a teacher for over thirty years here in Hartland, including twenty-three years teaching 4th grade at Hartland Village Elementary School. She retired in 2010, and is still working as a substitute teacher. Millie received her Bachelor and Master's Degree from Marygrove College, and volunteers with the Marygrove Alumni Association. Millie and her husband Bill have three adult children, Dawn Lubeski (Jeff), Brian (Nicole), and Mark (fiancée-Raechel), who all attended Hartland Schools. She also has four grandchildren, Brett and Julie in Hartland Schools, and Dylan and Mari Belle who will be future Hartland students.

Millie has been involved in the Hartland schools and community very extensively. She has been a member of the Hartland Women's Club for over twenty-five years. She has been an officer several times; volunteers at the Warm N' Cozy Bazaar; a liaison for Boy Scouts #383; participated at OLHSA "Walk for Warmth" and has been a Heritage Day Booth Volunteer. She has been an Election worker over thirty years; was a server at Hartland Big Boy "Celebrity Server" fund raiser for many years; and has volunteered with the Girl Scouts. Millie is also very active as a volunteer at St. John's Church in various areas; in addition to volunteering for the American Red Cross.

Her involvement in school activities are too numerous to mention, but highlighting some would include volunteering at Fun Fair; Memorial Day Breakfast; Band Boosters; reading at Cromaine District Library; walked in the Memorial Day Parade with students for several years; tutored math; and was nominated twice for Teacher of the Year.

Millie's nominator stated: "I just feel she's been a wonderful role model, and Hartland has been a better place because of her." We are proud and honored to have Millie represent the Hartland community as the 2012 Memorial Day Grand Marshal!

## Principal's Corner

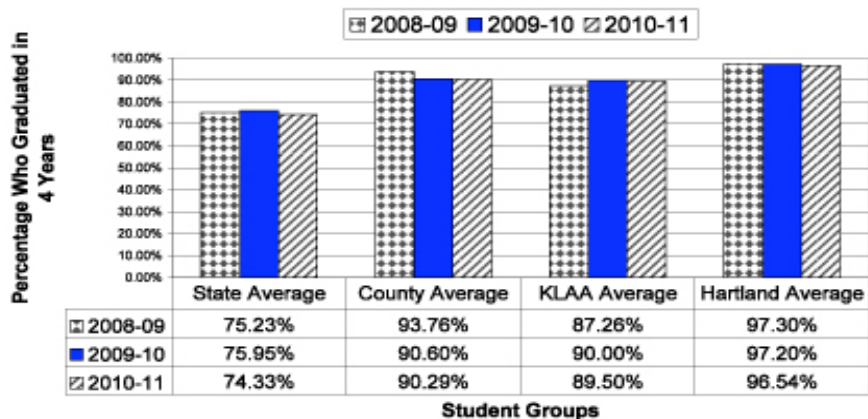

**Chuck Hughes, Hartland High School Principal**

The Class of 2012 would like to thank the Hartland Community for all of your support over the past four years. The community is invited to the 2012 Graduation Ceremony at Compuware Arena on June 7, 2012 at 7:00 PM, in Plymouth, Michigan. As the Principal of Hartland High School I can assure the community that our graduates are fine young men and women. Many of them will be going off to college, the armed forces, or trade school in the fall. At our Senior Honors Night on June 5, 2012 we will share in the achievements of this group of students. Once again I invite the community to attend. This ceremony will take place at 6:30 PM in the Performing Arts Center located at the Educational Support Service Center (former high school) on M-59

### Graduation Rate Up-date:

Below you will find a chart showing the graduation rate for Hartland High School students over the past three years. This data is always one year behind due to the process involved in tracking all of the students who start high school at Hartland High School as freshmen. This four year co-hort data identifies which of the students that started high school as ninth graders finished high school within four years. We are pleased to announce that our graduation rates continue to out perform the State, County and KLAAs averages. We feel this is wonderful data considering that the Class of 2011 was the first class that had to meet the new Michigan Rigorous Curriculum graduation expectations.

## Honors Night/Awards Assembly

Our annual Honors Night/Award Assembly is scheduled for Thursday, May 31 at 6:30 p.m. at Hartland Middle School. Students receiving an award will receive an individual invitation. We expect the ceremony to last approximately 90 minutes. Other "Team Awards" will be given on the last day of school.

Two of Mrs. Rowe's students pose with some of the nearly 1,000 books her students donated. Overall, we collected almost 2,000 books in approximately one week during our latest book drive.

## HMS Raceway

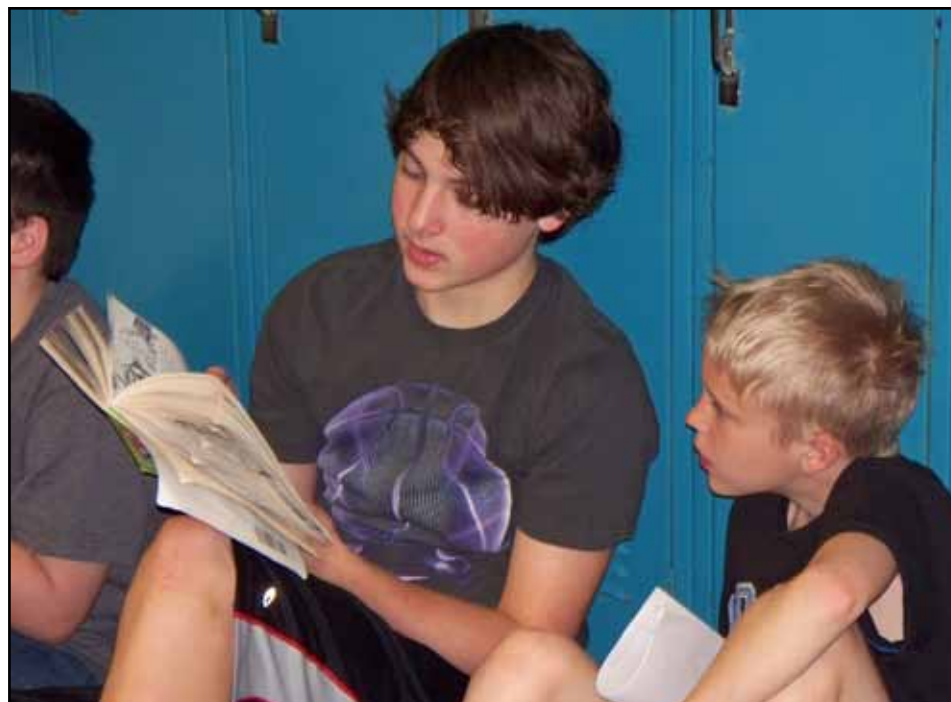

In this exciting chapter from Introduction to Engineering and Design, students learned about the relationship between aerodynamics, mpg and vehicle design. Then they all designed and manufactured a foam race car to compete in the inaugural "King of the Road" at Ore Creek Speedway. This exciting competition produced two female champions in a heavily male-dominated field. Samantha Scherba narrowly won the 1st hour bracket of 26 racers, while Emily Rex convincingly won the 2nd hour bracket of 30 racers. This set the stage for an exciting duel between Samantha and Emily. After the smoke cleared -- and an emotional fist pump -- Emily was crowned the Overall Champion for 2012!

## Student Council Visits West Hickory Haven

Students also spent time visiting with residents. The HMS Student Council has a long tradition of community service, including two visits each year to West Hickory Haven.

## Come One, Come All!

What a fun-filled month we've had at Creekside! Big events, big crowds and of course big fun were recurring themes as families filled the school for our Book Fair/Ice Cream Social/Science Fair and again a few weeks later for our Family Fun Night. The library was transformed to take us to Hawaii for our Book Fair, whether you shopped for yourself or your favorite teacher, then you could cool off in the cafeteria with ice cream being scooped by teachers and staff. Finally, the gym was filled with creative science experiments, both interactive and displays of results. Later in the month the school filled again for our annual Fun Fair where everyone tried their hand at Minute to Win It games, shopped our Spirit Wear table, entered raffles from each class, grade as well as teachers and staff. But that's only the beginning, new this year was an Art Auction where each class created their own masterpiece to be auctioned off. Rounding off the night was food, dancing, a cake walk, tatoos and every child's dream, inflatable and bounce house. It was a great month to celebrate the changing of the seasons, the Creekside family, and all the great things we share as a community.

Checking out the "glow in the dark" germs.

Aloha! Touring our Hawaiian Book Fair.

Teachers and staff serve up refreshing ice cream.

The Rockin' Readers program at Lakes Elementary ended in March with a reading celebration for our Lakes students and their Hartland High School reading buddies, sponsored by Big Brothers Big Sisters. The Brighton Target store donated goodie bags for the "Bigs" and the "Littles," and refreshments were served. The high school students have been coming to Lakes once a week since the fall to read with their Lakes buddies. Our students reading skills have progressed and improved over that time, and wonderful relationships have developed. Thanks to all of the students involved and to Laura Klimek and Shari Davis-Schoech of the Big Brothers Big Sisters organization.

During March is Reading Month, Lakes Elementary was excited to welcome Storigami Storyteller, Christine Petrell Kallevig, to our school. Ms. Kallevig enthralled our students with several origami stories and fold-along activities, as well as information about creative writing and the educational benefits of storigami, reading and origami.

Third grade students from Mrs. Wills' class enjoy a round of Math Pentathlon games each week, as do all of our 2nd, 3rd, and 4th grade students at Lakes. Pictured here, Sarah Horst and Connor Eddy concentrate on their next moves, while Logan Walton and Nolan O'Neill offer their support.

## Financial Health of Aging Seniors

With our current economic challenges, those of us looking forward to retirement need to be well-informed about our financial needs in coming years. And not only pre-retirees, but individuals already in retirement need to be wise to the changing economic environment. The good news is there are trained professionals who keep abreast of changes in the current economy, changes in laws and changes in government programs for the elderly. Professionals in this field are equipped to handle everything from help with retirement savings accounts, investment advice, guidance on government programs, estate planning or even new funding options such as reverse mortgages. A little planning prior to retirement will allow you to maintain your current lifestyle; whereas, a lack of planning may require you to live on an extremely tight budget. For those already retired, taking time right now to deal with financial problems instead of waiting for

a crisis to happen is well advised.

A large number of retired individuals feel that they have planned well for the future only to find that rising medical costs, damage done to investment portfolios (by the current economy) and many other factors have caused them to go into debt. According to an article in "USA Today" seniors are racking up debt like never before. Elderly individuals who are in debt live with a constant burden over their heads. Most of these people are on fixed incomes and have no way of paying off credit cards and home equity loans that continue to mount to cover household budget deficits. In order to meet ongoing payments, seniors often forego purchasing medications and skimp on food budgets. They live like hermits -- never going out and pinching every penny -- in order to pay their obligations.

Most of these people worked hard their entire lives and managed their debt. They never anticipated the rising costs of prescriptions, expensive medical care or

depletion of savings by living too long. The good news is there is help for these individuals. Here are just a few examples of some relief options that could be available. There are many more besides these.

**Reverse mortgages** - A Home Equity Conversion Mortgage (HECMs), also known as a reverse mortgage, is a risk-free way of tapping into home equity without creating monthly payments and without requiring the money to be paid back during a person's lifetime. Instead of making payments the cash flow is reversed and the senior receives payments from the bank. Thus the title "reverse mortgage". For those seniors who are less fortunate financially but own a home, a reverse mortgage can allow them to remain in the home by creating extra income.

**Life settlements** - A life settlement enables older individuals, businesses and other organizations to sell life insurance policies they currently own - but no longer want or need - for an amount greater than the cash

surrender value. In some cases the value can be 2-3 times the cash surrender value. Even some term life insurance policies with a conversion option to permanent coverage can qualify for a life settlement. **Government Programs** - Some government programs such as food stamps provide temporary financial help for food. Other programs provide subsidized housing, help with medical expenses and provide tax credits. For veterans there is free health care, inexpensive prescriptions and disability income. Area agencies on aging offer individual counseling, legal help and advice with Medicare costs.

For some, living on a fixed income and dealing with debt can be an overwhelming burden. There are knowledgeable professionals and debt relief strategies that can assist in easing this burden. The National Care Planning Council keeps a list of financial advisers and attorneys who specialize in this area of planning at [www.longtermcarelink.net](http://www.longtermcarelink.net).

## Flash from the Friends

### Friends of the Cromaine Library

The "Friends" love to proclaim that "Happiness" is ending another successful Book Sale. Book Sales are tons of work, but we all agree that because all profits go to help Cromaine with its numerous endeavors, it's certainly worth our time and effort.

We want to congratulate Cromaine's staff for being the only library in Michigan, and one of only 76 in the nation, to receive a "Big Read" grant this year from the National Endowment for the Arts. Way to go!

Our group truly loved presenting the staff with an Appreciation Luncheon on April 25. It was so much fun to enjoy good food and have time to chat with Cromaine's special people. Thanks to all the Friends who prepared yummy treats for this occasion.

Guess what's coming in July? If you guessed CHRISTMAS, you're right. Mark July 25 on your calendar to shop at our "Christmas in July" Sale. More information will be printed in the June issue of Community Life. Don't forget to check out the Friends Book Nook when you visit Cromaine in the Village.

We always welcome new "Friends." For information, ask a staff member at the Circulation desk at Cromaine in the Village or Crossroads.

## Hartland Audubon Nature Club

### Everglades-May 1

If exploring the Everglades by canoe sounds a bit challenging, (add alligators to the technical difficulties of navigation), then come and enjoy Tom Hodgson's beautiful photographs in the safety and comfort of the Hartland Senior Center instead. Apparently accomplished at multi-tasking, Mr. Hodgson spends his winters paddling the swamps and parks of Florida while simultaneously photographing the tropical flora and fauna along the way. If you'd like to share in this adventure, be at the Hartland Senior Center on May 1 at 7:15pm. The Senior Center is located in the Hartland Education Support Service Center on M-59 just west of US 23. Our June 5 meeting, the last meeting of the season, will begin with a potluck at 6:30pm followed by a short presentation entitled "Isle Royale and other Great Places." For more information please contact Jami Bond at 810.623.1551.

## Black Sheep Weavers

### Fiber Guild

### Hollie Archdale - Today's Crochet" May 3

Join us for an informative evening learning about crochet. This is not your grandmother's crochet style of making poodle toilet paper covers, afghans or potholders. Today's crochet is totally different, inventive and uniquely stylish. Our presenter will lead us through the fashion changes and share examples. Check out our website [www.blacksheepweavers.com](http://www.blacksheepweavers.com) for updates in the "newsletter" section about this program.

Our meetings begin at 6:30pm for social time, a brief business meeting at 7pm followed by the program. We meet in Room 23 at the HESSC (former high school) on M-59 just a 1/2 mile west of the US 23 Interchange on the first Thursday of each month (except December) from September through May. We end our year with a potluck at a member's home in June.

If you are interested in weaving, spinning, knitting, dyeing, beading, crocheting, needle-felting, rug hooking, quilting, papermaking, basketry, raising alpacas and more, we are the group for you. Check out our website at [www.blacksheepweavers.com](http://www.blacksheepweavers.com) or call our Treasurer/Membership Board member Nadine at 810.626.2142 or 810.229.0869.

## Hartland Township approves new Park site plan on M-59 property

Hartland Township is excited to announce that it has approved a site plan for the development of its park property on M-59 at its January 17 board meeting. This property was purchased by the township in 2001. The first phase of this plan will provide several multiuse athletic fields as well as associated parking that are desperately needed for the Hartland community. The Township is pleased to be moving forward with this plan which will provide exciting outdoor athletic opportunities.

“We have worked diligently to secure partnerships with HAYAA, Community Soccer, and Lacrosse for maintenance and field improvements along with Community Education for assistance in administering the use of the fields” Supervisor Bill Fountain said. “We have existing relationships with several of these groups and have found them to be beneficial in saving taxpayer dollars.” Without the assistance of these organizations, it is doubtful the project would have launched.

This park construction is scheduled to start in April of 2012 with a planned opening in the Spring of 2013. The park will consist of 4 soccer fields and 7 practice fields that will be available for youth football and lacrosse practices. Future phases may include a pavilion, a playground area for young children and additional parking if necessary.

The construction schedule of the park will allow the fields to have an entire year to establish before use so they should be in good condition when they actually have events next year.

The number of fields and uses was determined by gathering of all associations through a Township wide assessment study done in 2008. At that time most of the fields were located on Hartland Consolidated Schools property. The finished project will provide the correct amount of playing fields determined for all of the organizations and the park will provide a safe environment for future events.

The Township would like to offer a special thank you to HAYAA, Hartland Soccer, Hartland Lacrosse, Hartland Consolidated schools, Hartland Community Education and its consultants and staff in working together on this exciting project. There will also be opportunities in the future for sponsorships on future phases of the park.

# Cub Scout Pack 385

Welcome to May! Now that we've crossed over to our new ranks, Pack 385 is moving on to bigger and better things. We are all VERY proud of all of the Scout's accomplishments and know that everyone is looking forward to their new ranks and adventures. As you can see some of our Scouts helped out at Gleaners Food Bank and donated 60 pounds of food for those in need. This month we are going to have a submarine sleepover on Lake Michigan, along with building and participating in Hartland's annual Memorial Day Parade.

In the upcoming months we are looking forward to our annual picnic, a Toledo Mud Hens Sleepover and Day and Resident Camps. As you can tell, we learn, contribute and have a lot of fun! If you would like to join Pack 385 (or have your parents help out in a den), contact Cindy Andersen with any questions (810.360.0660). See you in Scouting!

Congratulations also go out to the Tom Sawyer Directors, MaryJo Bell and Stephanie Kiser, and Producers, Skip Schultz and Amy Shettler.

Each cast member put his/her all into making this an incredible show—one which kept the audience enthralled from start to finish. Encore has continued to receive rave reviews about the show from the many students, families and patrons

who came out to see it. They would like to sincerely thank the community for always showing such great support and encouragement to their talented cast members and crew.

Tom Sawyer was provided in part by the Cromaine Library, Big Read 2012. The Big Read is a program of the National Endowment for the Arts in partnership with Arts Midwest. Encore feels privileged to have been part of this exciting event and honored to be able to bring this classic literary legend to life on the stage.

Encore Youth Theater provides training and experience in the performing and theater arts for students aged 8-18. They are excited to announce their first-ever summer production—Snow White and the Seven Dwarfs. Public performances will be held on August 11 at the Hartland Music Hall.
