## Superintendent's Message

Janet Sifferman, Superintendent

This will be my last Community Life article. I am retiring from Hartland Schools at the end of December. This is my 41st year as a Hartland Schools' employee and I am blessed to have been given the opportunity to work with the children, families, and community of Hartland all these years.

Hartland has touched my life and defined who I have become as a person. I give a heartfelt thank you to everyone today and in the past who has helped me be the best teacher, administrator, and educator I can be. It truly has been a privilege to serve this community. I wish all the best for Hartland Consolidated Schools and the Hartland community. I know with everyone working together, Hartland will continue its tradition of excellence.

*"Often when you think you're at the end of something, you're at the beginning of something else. I've felt that many times. My hope for all of us is that "the miles we go before we sleep" will be filled with all the feelings that come from deep caring – delight, sadness, joy, wisdom – and that in all the endings of our life, we will be able to see the new beginnings."*

-Fred Rogers

## Hartland Schools Person of the Month

Carol Hall

Carol Hall currently serves as a District-wide Teacher Consultant for our special education programs. She earned her Bachelor's Degree for Cognitive Impairments, K-12 Self Contained; as well as her Master's Degree for Elementary Reading from Eastern Michigan University. She holds an endorsement for Learning Disabilities K-12, as well as her Teacher Consultant Certificate. She has been an integral member of Hartland's Special Education team for many years. Learn about some of Carol's history with the district and memorable moments as she relates them:

Wow, it has been 17 years since I was first hired to teach in Hartland! Half of the time was as a Basic Resource Room teacher and the other half has been as a teacher consultant, district wide. I remember when I went to Farms to find out where my classroom was when I was offered the job. The secretaries later told me that I had come to see my class before I went to see Pete Caroselli for my final interview! They thought I was a little crazy but I still got the job!

I have been married for 43 years to a wonderful man. I have two children who live within 5 miles of our home. I am very proud of my children and their accomplishments. They are both coaches in the Byron school district and touch the lives of many children every year. I have nine grandchildren who are the light of my life. They range in age from 10-17. They are in a variety of activities that I attend on a regular basis. I was a para-educator in the Byron school district before I decided to become a teacher. I did not attend college until I was 34. My family was so supportive of me going back to school. My daughter and I went to college at the same time!

During my time in Hartland, I have been involved with helping all teachers find leveled reading materials across multiple grade levels to make the academic match with students in their classes. This helps to build a teacher's capacity and provides a bank of leveled materials they can use in the future. I have mentored teachers. I have run intervention reading groups with students to help increase their reading levels. I have applied for and received matching grant funds to help purchase electronic books for Farms that are science and social studies curriculum-based. I have provided in-service instruction to special education teachers for goal writing and for differentiated learning. I continue to support special education teachers in finding current data and scores for students to help drive instruction and goal writing. I work collaboratively with administrators, parents, teachers, and students to ensure that the students' needs are being met and that the students and teachers are experiencing success in the classrooms.

People that I work closely with affectionately call me the "paperwork queen.", as I work hard to make sure all IEPs are in compliance and contain all the necessary information to help our students be successful. I have worked hard to learn and stay current with new and exciting technology to help students access the curriculum, and to help teachers engage and instruct students.

### OUR APPRECIATION.....

"Seldom do you find an individual spending their entire career with one employer. It just goes to show you the commitment and love Mrs. Sifferman has had with the education of our children. One could easily fill a book with all the positive things Mrs. Sifferman has done for this district. The biggest one being her direction and guidance through one of the most difficult economic times school systems have had to face. She has told me on a number of occasions, you know it is time to retire when the students you helped educate in elementary school years ago are now educators in the very same buildings they attended. And those very same people are raising their own children in our community. From the Board of Education, I would like to thank Mrs. Sifferman for her commitment to the education of our children and wish her all the best in the next step of her life."

Thom Dumond, President  
Hartland Consolidated Schools Board of Education

### Winter Bus Safety Tips

With the winter months upon us it is always good to review bus stop safety tips to ensure a safe and pleasant trip to school.

#### At the Bus Stop

- Allow extra time in the morning to get to your bus on time.
- Wear bright clothing so the bus driver and other motorists can see you in the early morning and late evening.
- Stand away from where the bus stops. Buses need extra room to stop when there is snow and ice.
- Dress properly. Winter clothing, hats, mittens and boots will help keep you warm.

#### Waiting at the Bus Stop

- Don't play in the snow while waiting for the bus.
- Don't throw snowballs at the bus or others.
- Don't slide on the snow or ice patches in driveways or on the street. You could slide under the wheel of the bus or onto the street and get hurt.
- Don't push or shove around the bus. Someone could fall down on the ice and get hurt.

#### Boarding and Exiting

- Do use the handrail when boarding or exiting the bus to prevent slipping and injuring yourself on icy road surfaces or steps.

#### Running Late in the Morning

- Don't try to catch the bus at another stop with your vehicle if your students miss their pick-up. Take them all the way to school. The bus driver may not see the car in back of the bus and as the students attempt to run along the side of the bus to board, they may fall underneath the wheels and be injured.

If you would like more information, please contact Hartland Transportation at 810-626-2175.

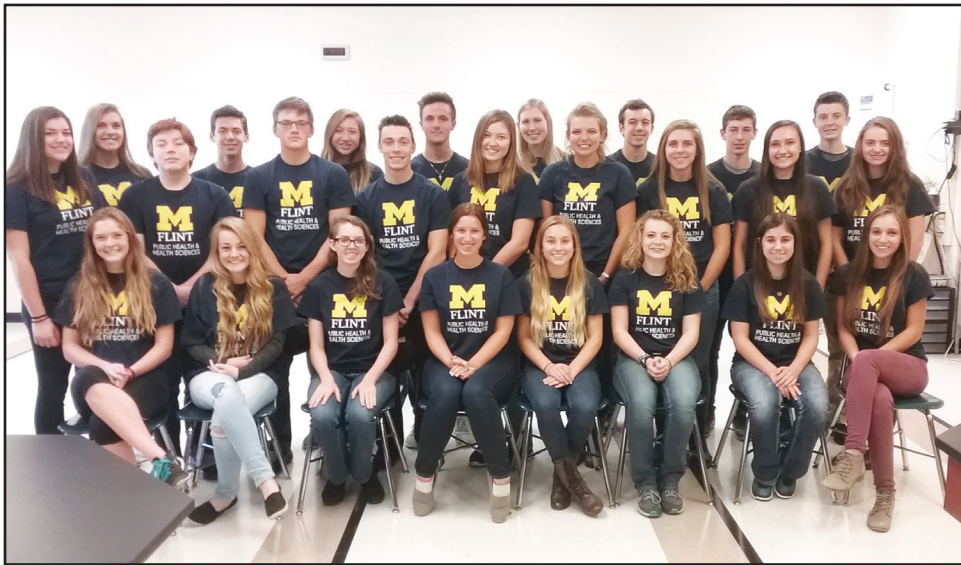

### ....Person of the Month Carol Hall, Continued from Page 1

As a consultant, I work hard to have a strong knowledge base so that people feel comfortable asking me questions, and knowing that if I don't know an answer right away, I will find out the information for them. Those that know me well will tell you that I advocate hard and strong for what I believe in. I like to confront issues head-on. I love collaborating and being part of a team, but do not shy away from a conflict when it involves students.

When I was teaching at Farms, I had a student whose dream was to be a marine biologist. She had a diagnosed reading deficit. We worked very hard at increasing her reading skills so that she might someday achieve that dream. She was with me for two years and we were able to increase her reading to within grade level expectations. She and her parents then moved to Florida to be near her grandparents. I lost touch for a while. One day her mom called me to say that she had been accepted into a program at a Florida college to pursue her dream of being a marine biologist. I still have the letter from her grandparents telling me how much they appreciated my efforts and were so happy that their granddaughter had been encouraged to pursue her dream. I keep that letter in a frame in one of my offices.

Hartland Schools is the place where I feel at home! I honed my teaching skills here and love that now I am able to share my knowledge with staff at different levels across the district.

I love the way the district has progressed toward supporting all students and helping them to succeed. All students are valued and supported. All staff are treated with respect and encouraged to try new and innovative teaching techniques. I would not want to work anywhere else!

## RED RIBBON WEEK AT HARTLAND MIDDLE SCHOOL

National Family Partnership (NFP) provides drug awareness by sponsoring Red Ribbon Week. Red Ribbon week is a catalyst to mobilize communities to educate youth and encourage drug prevention activities. Hartland Middle School at Ore Creek provided this education by putting on Red Ribbon Week. The HMS Student Taking A New Direction (STAND) group worked to bring this event to HMS.

As winter approaches, Round Elementary continues to be a place where we work and learn together as a team. Thank you to the PTO for providing wonderful dinners for the staff during Parent Teacher Conferences. The high school band performed for our students in October. The music program in Hartland is impressive and our students watched in wonder. Our 4th graders were able to travel to the capitol on November 1st. Touring the capitol before the election was a wonderful addition to our social studies unit on government.

We are blessed to live and work in such a supportive and caring community. Thank you to all of the Round School families that contribute every day to the success of our students. I am proud of the accomplishments our staff and students have made so far this year. I look forward to the New Year and all the changes we will see in our students as they grow and change into special young people. We would like to wish everyone lots of much deserved rest and relaxation with family and friends during the holiday break.

# LEGACY High School News

Bill Cain, Principal

## LET US EDUCATE, GRADUATE, AND CARE FOR OUR YOUTH

Jo Delvero, a champion for our youth, served as our Student Assistant Coordinator in Hartland schools for 42 years. As the Hartland Consolidated School district continued to grow, Mrs. Delvero and the counseling department expanded their roles to meet the needs of all students. The inspiration that bore the concept and vision lead to the creation of our school was realized more than 30 years ago. The premise that "when students are not learning the way we teach, then we must teach the way they learn (Clay)," became the foundation of the LEGACY school experience.

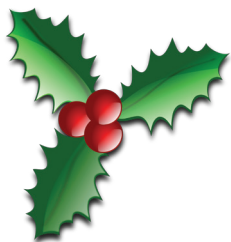

My association with LEGACY began nearly 30 years ago as a new teacher at Hartland Schools. I was fortunate to be part of the transformation from Alternative Education to LEGACY. The idea that every student learns the same way or experiences life the same was not meeting the needs of all students. Keeping the fore mentioned in mind, LEGACY replaced Alternative Education; the acronym embodies the purpose. Students and staff are proud of our school and maintain the focus designed to educate the whole child in the manner in which they can learn.

The LEGACY Staff is highly trained and tremendously effective in working with all students to ensure we meet their social, emotional and educational needs regardless of the circumstances. Our dedicated staff, Colleen Waske (language arts), Elizabeth Nash (math), Cari Van Hoorelbeke (science) Tracey Sahouri (Tutorial), Scott Lemay (P.E., health, and tutorial), Randy Pomeroy (counselor), Rosanna Hamilton (program support and management), Don Gagacki (academic advisor), Sue Silver (career coordinator), Jeanne Banks (career counselor), Dennis McHale (social work), Kim Wilczewski and Scott Greer (Dale Carnegie), and Mike Letovsky (music), continue to foster a culture devoted to educational needs of every child.

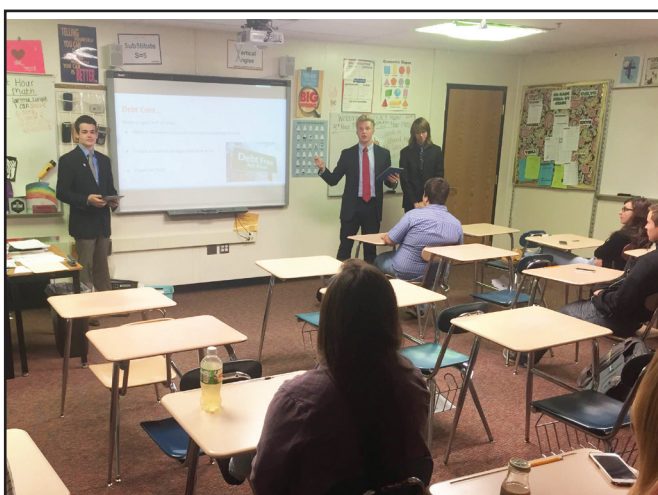

Thanks to our Superintendent, Janet Sifferman, the Hartland Consolidated School Board, and the central administrative staff, the tradition continues, and Hartland Schools continues to be the premier school district that values every child.

# A Special Christmas Story

As we quickly approach this special time of the year I would like to thank the schools, the community and most of all our wonderful families here at Ohana Karate for an amazing year. Please read this with your family.

Sam Larioza, Ohana Karate

*them could have won," he said. "They have a lot of potential, but losing like this could take the heart right out of them." Mike loved kids - all kids - and he knew them, having coached little league football, baseball and lacrosse. That's when the idea for his present came.*

*That afternoon, I went to a local sporting goods store and bought an assortment of wrestling headgear and shoes and sent them anonymously to the inner-city church. On Christmas Eve, I placed the envelope on the tree, the note inside telling Mike what I had done and that this was his gift from me. His smile was the brightest thing about Christmas that year and in succeeding years. For each Christmas, I followed the tradition - one year sending a group of mentally handicapped youngsters to a hockey game, another year a check to a pair of elderly brothers whose home had burned to the ground the week before Christmas, and on and on.*

*The envelope became the highlight of our Christmas. It was always the last thing opened on Christmas morning and our children, ignoring their new toys, would stand with wide-eyed anticipation as their dad lifted the envelope from the tree to reveal its contents. As the children grew, the toys gave way to more practical presents, but the envelope never lost its allure. The story doesn't end there.*

*You see, we lost Mike last year due to dreaded cancer. When Christmas rolled around, I was still so wrapped in grief that I barely got the tree up. But Christmas Eve found me placing an envelope on the tree, and in the morning, it was joined by three more. Each of our children, unbeknownst to the others, had placed an envelope on the tree for their dad. The tradition has grown and someday will expand even further with our grandchildren standing around the tree with wide-eyed anticipation watching as their fathers take down the envelope. Mike's spirit, like the Christmas spirit, will always be with us.*

*May we all remember each other, and the real reason for the season, and his true spirit this year and always.*

*It's just a small, white envelope stuck among the branches of our Christmas tree. No name, no identification, no inscription. It has peeked through the branches of our tree for the past 10 years or so. It all began because my husband Mike hated Christmas - oh, not the true meaning of Christmas, but the commercial aspects of it; the overspending - the frantic running around at the last minute to get a tie for Uncle Harry and the dusting powder for Grandma - the gifts given in desperation because you couldn't think of anything else.*

*Knowing he felt this way, I decided one year to bypass the usual shirts, sweaters, ties and so forth. I reached for something special just for Mike. The inspiration came in an unusual way. Our son Kevin, who was 12 that year, was wrestling at the junior level at the school he attended, and shortly before Christmas, there was a non-league match against a team sponsored by an inner-city church, mostly black. These youngsters, dressed in sneakers so ragged that shoestrings seemed to be the only thing holding them together, presented a sharp contrast to our boys in their spiffy blue and gold uniforms and sparkling new wrestling shoes. As the match began, I was alarmed to see that the other team was wrestling without headgear, a kind of light helmet designed to protect a wrestler's ears. It was a luxury the ragtag team obviously could not afford.*

*Well, we ended up walloping them. We took every weight class. And as each of their boys got up from the mat, he swaggered around in his tatters with false bravado, a kind of street pride that couldn't acknowledge defeat. Mike, seated beside me, shook his head sadly, "I wish just one of*

The Hartland Aquatic Center and the Hartland Hurricanes want to acknowledge and thank Ore Creek Middle School students Annabelle Barber, Madelyn Grasley, and Madeleine Wisniewski for creating their own business to raise money for the Hurricane's record board! The girls have created a custom-made accessory for smart phones that allows the phone to be mounted to a surface via suction cup.

"We had gotten many orders and it was hard to keep up for the demand, so we worked every day after school when we could." – Annabelle, Madelyn, Madeleine

In total, the girls have raised over \$300.

The business, called "Hartland Popsockets", can be found on Instagram @hartlandpopsockets.

Hartland Youth Lacrosse (HYL) is excited to celebrate 10 years of Lacrosse in the Hartland area. As one of the fastest growing sports in the nation, lacrosse continues to attract boys and girls grades 1st - 8<sup>th</sup> in the Hartland area.

## Struggling with Reading? Tried tutoring...but poor results?

### Struggling Student Now Gets A's & B's - Thanks to Vision Therapy!

"By first grade, Davis was significantly behind. He couldn't keep up or follow directions. His teacher and a special education teacher expressed significant concerns regarding his inability to recall and remember."

"I brought Davis to his pediatrician. The meeting with his doctor did not go well. I was told to lower my expectations. He would never be 'fixed'. We went to Dr. Doud's the next day and I broke down crying as I told him what his doctor had stated. I let him know - I knew my little boy was intelligent. He just couldn't get it out."

"Dr. Doud tested Davis' vision and discovered that his vision was significantly delayed in several areas. He not only gave me hope - which at that point was all I wanted, but a plan to assist Davis."

After vision therapy, "Davis improved so significantly that at the end of second grade, I was told not to let the 3rd grade teachers know anything was wrong with his ability. He had all A's and B's. He was able to keep up and follow directions. His visual memory was 14% when we started vision therapy. It is now near 90%."

"I am so pleased and cry at the thought of how far he has come. It truly is overwhelming to think of what would have happened to Davis if we would have listened to his pediatrician, lowered expectations and accepted this situation, Davis would have failed at school and in life."

**We can help—call today!**

### Serving families in Livingston County for more than 20 years...

In addition to providing family vision care, Dr. Doud diagnoses and treats vision problems that interfere with reading and learning.

Dr. Doud has treated hundreds of children from the Hartland and surrounding communities from all over South East Michigan.

#### Do You Know the Top 5 Signs that a Vision is Blocking Learning?

- Skips lines and/or rereads lines
- Homework takes longer than it should
- Short attention span with reading & homework
- Poor reading comprehension
- Reverses letters like "b" and "d" when reading

**Boy Scout Troop #381 congratulates Salvatore B. Curcuru on achieving the rank of Eagle Scout!**

In October, 2016, BSA Troop #381 held an Eagle Court of Honor for Salvatore B. Curcuru at St. Augustine church. Family and friends of Salvo Curcuru, along with members of BSA Troop #381 and local officials, gathered to celebrate his achievement of Boy Scouting's highest rank.

Troop Committee Chair Lauri McCollum was the Mistress of Ceremonies. Assistant Scoutmaster and Troop Chaplain Jim Bauer delivered the invocation. Eagle Scouts Hunter Deering and Jack Parzuchowski and Eagle Scout Candidate Aidan Snell served as Honor Guard. The flag ceremony was called by fellow scout Ethan Conley. Assistant Scoutmaster Mike Peterson shared some memories of Salvo's years in scouting, then presented the Trail to Eagle Fundamentals, detailing the Scout Oath and Law as Eagle Scout Jack Parzuchowski and Second Class Scout Ethan Conley lit candles symbolic of each component. Scoutmaster Ron Trosin II completed the Trail to Eagle, detailing the journey through the ranks.

Vicki Schmitz, Salvo's Den Leader when he was a Cub Scout, presented the Significance of the Eagle rank. Scoutmaster Ron Trosin, together with Hunter Deering, presented Salvo with his Eagle Award. Salvo presented his parents, Deb and Vito Curcuru, with their Eagle Mother's and Father's pins, respectively. Salvo's Eagle Mentor, Assistant Scoutmaster Steve Masters, was unable to attend, but was recognized for his dedication to the Troop.

Chartered Organization Representative John Parzuchowski introduced Livingston County officials, Commissioner Dave Domas and Sheriff Bob Bezotte. Saturday, October 29th was Sheriff Bezotte's last official day as Livingston County Sheriff and the Troop thanks him for his many years of service to the county. Salvo was presented with plaques of recognition for his achievement of the Eagle rank. Letters of commendation had been received from Governor Rick Snyder, Senator Debbie Stabenow, Representative Mike Bishop, as well as local and national Scout executives.

Salvo selected as his Eagle Service Project the construction of a songbird aviary for the St. Francis Center for Wildlife in Bellville, Ohio. The St. Francis Center, a wildlife rehabilitation center, cares for injured animals. The new aviary will allow songbirds a space to heal and grow strong until they can be re-released into the wild.

## Community NEWS

### Hartland Home and Garden Club

Guests are invited to join the Hartland Home and Garden Club meeting to make and decorate a holiday wreath or table decoration.

*The meeting will be held at 7 p.m. December 14 at the Hartland Senior Center, 9525 E. Highland Road.*

To make a holiday wreath, bring gloves, hand pruners, and any decorations you'd like to add. Wire metal forms, floral wire and greenery will be provided for a \$5 donation.

For a table decoration, bring a Stryfoam block, knife and any decorations for the same \$5 donation..

**For more information, contact 517 545-9370.**

### The Hartland Pink Eagles
