Superintendent's Message

Janet Sifferman, Superintendent

Thank you to our staff, parents, and community who have worked together to provide our students with a successful experience so far this year. We have had a positive, eventful fall and as we head into the holiday season I want to wish everyone a peaceful and blessed time with their families and friends.

As we finish 2015 and anticipate the wonders of the new year, please take a moment to reflect on the following quote by Fred Rogers who captures the essence of both endings and beginnings.

“Often when you think you’re at the end of something, you’re at the beginning of something else. I’ve felt that many times. My hope for all of us is that “the miles we go before we sleep” will be filled with all the feelings that come from deep caring – delight, sadness, joy, wisdom – and that in all the endings of our life, we will be able to see the new beginnings.”

--Fred Rogers

Hartland Schools Person of the Month

Michelle Otis

I graduated from Sandusky High School in the thumb. Most people only know Sandusky, Ohio and they think I lived at Cedar Point... but I'm from Sandusky, Michigan. It is a small farming community located 110 miles from Hartland. I grew up on a farm, my family still farms there full-time. After high school I went to Central Michigan University and became a Chippewa. I got a BA in Accounting and started an 11-year career at the Auditor General's office for the State of Michigan. I became a Certified Public Accountant early in my career with the State.

I followed in the footsteps of the one and only Ms. Holly McCarthy, who left Hartland Community Education to become a building secretary in December of 1996. My girls were in Hartland Community Education's Day Care and I really wanted to work and be closer to home. Mrs. Karen Metz, my "Hartland mom", encouraged me to take the leap into a new career. Alayna was four years old and Katrin just ten months old at the time. I came to work for a legend - Mr. Ozz (Steve Assenmacher). He was a great guy to work for and I learned a lot about the value of community and the importance of respecting one another personally and professionally. Mr. Ozz was just in to visit us last week, it's always great to see him.

My husband, Jim, and I just celebrated our 28th wedding anniversary. Jim is also from Sandusky but no, we weren't high school sweethearts. We have two beautiful girls that graduated from Hartland Schools. Alayna graduated in 2010, then graduated from MSU in 2014 and now works and lives in Indianapolis. Katrin graduated in 2014 and is a sophomore at MSU. Both girls had an awesome educational experience in Hartland: great teachers and principals at every level and they made lifelong friends along the way. They both played basketball, softball, and volleyball; had great coaches and have experienced the valuable lessons gained from being involved in team sports. Hartland Schools gave them a great foundation upon which to build their lives.

My most memorable moments involve witnessing select students who attend our alternative education school rise above their situations and then walk across the stage years later earning a diploma and having a plan for their future.

I'm still here after 18 almost 19 years because I love this place. I love the people I work with and for, and the children and students entrusted to our care. Being the Hartland Community Education Director for the past ten years has been most rewarding. There are not too many careers where you are responsible for the well being of people of all ages. I get the joy of working with the babies in our Day Care and the seniors in the Senior Center and all along the way there are children and adults of all ages that I interact with everyday.

College Application Week

Above: During the week of October 26th-October 30th, Hartland High School seniors participated in their second annual *College Application Week*.

The goal of this week is to give every senior the opportunity to apply to a post-secondary educational program. Although it is called “college” application week, students are encouraged to apply to community colleges, trade schools, technical schools, apprenticeship programs and the military as well. High School counselors worked with every senior to help him or her complete and submit at least one application by the end of the week.

Lakes Elementary News

Tony Howerton, Principal

810.626.2700

Above and Below: Lakes hosted the first Family Literacy Night titled, *“Eat, Read, and Grow”* on the evening of Nov. 4. Over 20 Lakes families with K-2nd graders were treated to dinner by the Lakes PTO and then students were treated to storytelling and crafts by several Lakes teachers.

The parent portion began by Mrs. Shawn Howell opening up with our purpose- schools only have the children for 12 percent of the time. It is vital to create partnerships with families so that learning can continue while at home.

While students were out enjoying these activities, a representative from Cromaine Library spoke to parents about all of the resources and activities offered through our community library. Next was a quick presentation with a great question and answer session with Mrs. Yvonne Mato, LES Reading Recovery teacher, and parents about encouraging parents to read at least 20 minutes each night to their child.

Other Lakes staff members also shared strategies and information on the importance of being read to outside of school. Lastly, students returned to the media center and were treated to a special story by Mrs. Mato, as parents watched and listened. Mrs. Mato modeled using an engaging "story tellers voice" and using "engaging questions" before, during, and after the story. Each family received a free children's book as they left. Parents filled out a survey before they left, and all of the feedback was tremendously positive!

Thank you to all of the Lakes families and staff members who made this a wonderful event!

Left: Congrats to 2nd grader Avery Sauer and 4th grader Lily Davidson who won Breakfast with the Principal and were treated to breakfast at Hartland Big Boy with Mr. Howerton on the morning of Nov. 4.

THANK YOU FOR YOUR SUPPORT AND DONATIONS!

Through the month of October, Village students worked on a fundraiser to support our school through our PTO. PTO Fundraising Chair, Jackie Romzek, organized The Hedgehog Hustle as our only fundraiser for this school year.

With support from our entire staff, especially our Physical Education teacher, Barb Striz, the event was put into motion and took place on October 23rd. Incredibly, the Village community came together in support of our school and raised over **\$15,000.00!**

On behalf of the staff at Village Elementary School, we thank our incredible children, parents, PTO and all of you who donated in support of our school.

Do You Know... How Much You Mean To Cromaine?

In 2015, over \$23,000 has been given to the Cromaine District Library in support of community events, collection, and services. Our donors include the Friends of Cromaine Library, a small-but-mighty group without which many activities could not happen. The Hartland Insurance Agency, Abed Orthodontics, Meijer of Hartland, First National Bank of Hartland, Salty Dog Travel, Farm Bureau Insurance-Heidi Bierer Agency, Mary Kay Cosmetics, Hartland Smilemakers, JDK Group/Staff Now, Brennan Investment Services, Hartland Home & Garden Club, the Austin Moore Post 1415 of the American Legion, and Hartland Women's Club all give generously to support summer music, summer reading, and the Big Read.

The largest share of those donations, however, come from you--neighbors, fellow Cromaine users, event attendees--who understand that public institutions committed to excellence are worthy of support. Cromaine is a 501(c)3 non-profit; donations may be eligible for your tax deductions. To you, we are especially grateful. Whatever the size of your gift, whether it is made every year or only once in a while, your gift makes a difference in what Cromaine is able to bring to this community. Thank you.

SUCCESS BEGINS HERE!

I really believe that preschool story time sets the stage for success throughout school. Learning to listen in a group with distractions, learning to follow directions, and having fun at Cromaine's preschool story times really contributed to the academic achievements my sons have enjoyed. It's said, "Everything you need to know is learned in kindergarten." I'd say it starts even earlier--at Cromaine's preschool story time. - Mary Cafmeyer, whose oldest son is at U of M in aerospace engineering and already has a job when he graduates next year!

Happy Holidays!

The library will be closed on **December 24 and 25** for the Christmas Holiday.

The library will be closed on **December 31 and January 1** for the New Years Holiday

The library will also be closed on January 8 for a staff in-service.

Hartland Gymnastics News

On Sunday, October 25 Harland Gymnastic Academy held their "Spook and Shine" fun meet. Gymnastics from Tops, Pre Team, compulsory levels, and recreational classes participated in this event. Spectators and costumed coaches cheered the gymnasts on as they performed routines on bars, beam, floor, and vault. Following the meet, gymnastics posed for pictures on the podium and received colored ribbons and a participation medal.

At the close of the meet, several team gymnasts demonstrated skills for the crowd. Eva Berkey, level 6 demonstrated bars; Molly Curtis, level 6 demonstrated floor; Sheridan Spencer, level 8 demonstrated beam; Lauren Gilbert, level 5 demonstrated beam.

Hartland Gymnastics Academy has been training champions since 1975. HGA is located in the Hartland Educations Support Center on M-59. HARTLAND HURRICANE SHORT COARSE SWIM SEASON OFF TO A GREAT START

After a successful long coarse season this past summer the HHSC is only three meets into the short coarse season and ten swimmers have already qualified for the Junior Olympic meet held in March 2016. Swimmers competed in the IMX Meet at Lakeland High School and Noah Barnett, Nathen Schick, Michael Harris, Devin Rocha, Brianna Brunk, Marissa Harris, and Madeline Kazmierski all qualified for events.

At the Trick or Treat meet in Waterford, Stella Farmer, Madi Gerych, Angus Reed and Madeleine Wisniewski all qualified for Junior Olympics. Most recently at the Clarkston Harvest Classic meet Halle Deaton qualified to swim in the J.O. Meet. Michael Harris has also qualified to swim the 100 Backstroke and 50 Free at the State Meet also held in March.

In September HHSC became part of the world's largest virtual swim meet by participating in The Crazy Big Swim Meet held at the Hartland Aquatic Center. Almost 80% of the team members were involved in raising awareness and money for childhood cancer by swimming in the meet sponsored by Swim Across America, a firm established in 1987, that to date has contributed over \$60 million dollars for cancer prevention and treatment.

Our local swimmers were one of the 3517 USA sanctioned swim clubs across the country that were involved in raising almost \$150,000.00 for cancer research. Everyday 43 kids are diagnosed with cancer, 1 out of 8 of those diagnosed will not survive. Over 15,000 children are diagnosed each year and the average age at diagnosis is 6 years old. We are very proud of our swimmers and their commitment to helpin other children in need.

Your WORDS Become Your THOUGHTS

and your thoughts become your actions...

Here is a famous quote from Mahatma Gandhi:

*"Your beliefs become your thoughts
Your thoughts become your words,
Your words become your actions,
Your actions become your habits,
Your habits become your values,
Your values become your destiny."*

Now Mahatma Gandhi was one pretty smart guy but you may have noticed that I changed the order of his words in his quote just a little bit.

After years of developing kids and their parents I believe and have found **"Your WORDS become your thoughts"**!

I tell parents it may not seem like a big deal on the surface but the "words" your child uses are powerful and life changing. Those simple words over time compound to massively affect their thinking and attitude!

Here is what we teach our parents to do at Ohana Karate and you can use these same simple techniques with your child to shape their habits, attitudes and destiny.

First, just become acutely aware of what your child says and the words they choose to use. Just focus and notice a little more. You just might be amazed at what you hear. This will give you a very good indicator of how they think and what they think of. Do they say "Yes, I can" and talk positively about themselves and others? More importantly, how do they talk about themselves? Do they say things like "I am just not good at basketball" or "I am just not good at math"?

Second, while you are at it, just notice what you say and the words you choose. Most of the time we find a young child will mirror much of what their parents say. Have you ever met someone that is always upbeat and happy? Have you ever met someone that seems to have everything going wrong in their life all the time?

Third, once you are aware of the words you and your child use then just make a simple decision: "Are the words I choose and how we talk good?" or "Do we need to change the words we use and how we talk about ourselves and the world/people around us?"

For instance, do the words "I can't" come up often or does the focus tend to be more on why something can't be done? Or, is it more of a "I can do anything!" and "Okay, now how do we make it happen?"

Watch how they talk about school. Are they positive and looking forward to school? The words you simply cannot let a child say ever is "I hate school!"

Here is a big one. How much do you find yourself or your child criticizing, complaining or blaming? Blaming is a big one because you give up control. You give your success or failure to someone or something else. If your child says "Well, I just don't like my teacher!" or "I don't like my teammates!" later it just turns into "I hate my boss!" and "I don't like my co-workers!" They will start getting in the habit of saying "It was not my fault!"

Fourth, okay here is the good news. You have already done the hard part! You have **NOTICED** what words are being used, and you have **DECIDED** what words you want to use. If they are not the same you cannot help but **ACT!** Just realize the "small things matter" and choose every single word you and your child use!

At our dojo we do something many find odd at first. For instance every time we bow we say **"TRY MY BEST!"**. They and their parents will say Try My Best hundreds of times. Also every student has to greet every parent in the dojo with a handshake and **"Hi my name is John and "I NEVER DO EASY!"** (which is the weekly training theme). This is all not by accident.

So just **NOTICE, DECIDE** and **ACT**

Remember, your words to become your thoughts

Support the Hartland Teen Center This Holiday Season!

As the season approaches the Teen Center is looking for warm items such as hats, gloves, mittens etc.. We are also in need of a hot plate, snacks, silverware, Christmas decorations and cash donations.

The donations can be dropped off at the Teen Center - 3191 Hartland Rd. We also have a GoFundMe account set up to help out with daily activities and future projects and needs.

Please visit the link below to help out:
<https://www.gofundme.com/e78xbm7m>

The Next Door Hartland Teen Center is a free, supervised, safe place for teens to go after school, (grades 7th – 12th grade) to feel safe and cared for. We have between 20 and 40 teens that attend the Teen center every day. The Teen Center is open Monday through Thursday 2:30pm – 6 pm and Friday 1 pm – 6 pm.

The Teen Center provides opportunities so teens can learn new skills and broaden their interests. Other materials for community service projects, games for outdoor activities, daily snacks, and supplies to celebrate holidays and birthdays are provided through our program. Guest speakers are invited monthly to speak on a variety of subjects to enlighten them in areas that interest them. We want them to explore their creativity and have a sense of accomplishment.

RECIPE FOR A SAFE HOLIDAY

DID YOU KNOW THAT BETWEEN 2004 AND 2013 55% OF RESIDENTIAL FIRE DEATHS OCCURRED BETWEEN THE MONTHS OF NOVEMBER-FEBRUARY?

THIS PATTERN REFLECTS THE INFLUENCE OF HEATING EQUIPMENT FIRES AND MORE TIME SPENT INSIDE. SUNDAY IS THE PEAK DAY FOR REPORTED HOME FIRES WITH SATURDAY A CLOSE SECOND. HOME FIRE INJURIES WERE ALSO MOST COMMON ON SATURDAYS AND SUNDAYS.

WE HAVE DEVELOPED A RECIPE FOR YOU TO FOLLOW TO HELP KEEP YOU AND YOUR FAMILY SAFE THIS HOLIDAY SEASON!

- CHECK YOUR SMOKE ALARMS. ENSURE THAT THEY ARE LESS THAN 10YRS OLD, AND HAVE FRESH BATTERIES. IF YOUR SMOKE ALARM(S) ARE IN NEED OF REPLACING, PURCHASE PHOTOELECTRIC SMOKE ALARM(S)!
- CHECK YOUR CARBON MONOXIDE ALARM. ENSURE THAT IT IS LESS THAN 7YRS OLD, AND IT HAS FRESH BATTERIES.
- SWEEP YOUR CHIMNEY AND/OR MAKE SURE YOUR FURNACE IS IN PROPER WORKING ORDER. HIRING A REPUTABLE SERVICE PROFESSIONAL CAN SAVE YOU BIG \$ IN THE LONG RUN. HEATING EQUIPMENT IS THE SECOND LEADING CAUSE OF RESIDENTIAL FIRES BETWEEN 2009-2013. THERE WERE 56,800 RESIDENTIAL FIRES IN 2013 CAUSING \$1.1B IN PROPERTY DAMAGE.
- DON'T OVERLOAD CIRCUITS. OVERLOADING CIRCUITS FOR DECORATIONS OR DISPLAY CAN CAUSE FIRES. CHEAP OR POORLY MAINTAINED ELECTRICAL CORDS TO LIGHTS/DISPLAYS/DECORATIONS. IN 2011, AN ESTIMATED 47,700 HOME STRUCTURE FIRES REPORTED TO U.S. FIRE DEPARTMENTS INVOLVED SOME TYPE OF ELECTRICAL FAILURE OR MALFUNCTION AS A FACTOR CONTRIBUTING TO IGNITION.
- COOKING FIRES ARE THE #1 CAUSE OF RESIDENTIAL FIRES IN THE U.S. DURING 2009-2013, COOKING EQUIPMENT WAS INVOLVED IN AN ESTIMATED ANNUAL AVERAGE OF 162,400 REPORTED HOME STRUCTURE FIRES, 430 CIVILIAN FIRE DEATHS, 5,400 CIVILIAN INJURIES, AND \$1.1 BILLION IN DIRECT PROPERTY DAMAGE.

Struggling with Reading? Tried tutoring...but poor results?

Struggling Student Now Gets A's & B's - Thanks to Vision Therapy!

"By first grade, Davis was significantly behind. He couldn't keep up or follow directions. His teacher and a special education teacher expressed significant concerns regarding his inability to recall and remember."

"I brought Davis to his pediatrician. The meeting with his doctor did not go well. I was told to lower my expectations. He would never be 'fixed'. We went to Dr. Doud's the next day and I broke down crying as I told him what his doctor had stated. I let him know - I knew my little boy was intelligent. He just couldn't get it out."

"Dr. Doud tested Davis' vision and discovered that his vision was significantly delayed in several areas. He not only gave me hope - which at that point was all I wanted, but a plan to assist Davis."

After vision therapy, "Davis improved so significantly that at the end of second grade, I was told not to let the 3rd grade teachers know anything was wrong with his ability. He had all A's and B's. He was able to keep up and follow directions. His visual memory was 14% when we started vision therapy. It is now near 90%."

"I am so pleased and cry at the thought of how far he has come. It truly is overwhelming to think of what would have happened to Davis if we would have listened to his pediatrician, lowered expectations and accepted this situation, Davis would have failed at school and in life."

Hartland Optimist Club Christmas "Adopt a Family"

The Hartland Optimist Club will once again sponsor the "Adopt-a-Family" Program for families in our community in need of help during the holiday season. If your group or family is looking for a community service project, or just a great way to celebrate the holiday season, in the true sense of giving why not consider Adopting A Community Family In Need.

**If you would like to adopt a family please call:
Vicki Schiesel at 313.220.2797.**

Our schools and Community Ed will have boxes in their buildings so families can donate non-perishable food items, and paper goods.

As this is a large undertaking, the Optimist Club can always use a monetary donation. If you are interested, you can send your donation to:

Hartland Optimist Club, P.O. Box 64, Hartland, MI. 48353
or email HartlandOptimistClub64@gmail.com
for the PayPal link.

There are many ways you can help support this project:

- Adopt a Family
- Donate nonperishable food items or paper products
- Make a donation to Hartland Optimist Club
- Join the Optimist Club

All donations are appreciated; every dollar helps and goes directly to our families. Community support makes this worthwhile project a success!
