## Superintendent's Message

*Janet Sifferman, Superintendent*

I simply cannot believe how quickly this year is going! It seems like the school year just began and yet we are now approaching winter and the holiday season.

While there is already much focus on the November 2016 election cycle, please remember that there is a very important issue on the ballot for the November 3rd election – the Livingston Educational Service Agency (LESA) Special Education Millage proposal. I have addressed this in previous issues of Community Life and additional information is also available on both our and LESA's web sites. ([www.hartlandschools.us](http://www.hartlandschools.us), [www.livingstonesesa.org](http://www.livingstonesesa.org))

Please take a moment to review the information posted and don't hesitate to contact me or Scott Bacon if you have questions or concerns regarding the impact of this proposal for Hartland Consolidated Schools.

On a lighter note, as we barrel into the upcoming holiday season, I hope all of you have a wonderful and relaxing Thanksgiving holiday.

## Hartland Schools Person of the Month

*Shari Russano*

I attended Wayne State and Eastern Michigan University and am certified to teach art and special education. I graduated when the big push to mainstream students began and I thought it would be nice to know something about the students that would be coming into my classroom. Before coming to Hartland I taught at St. Agatha High School in Redford Township and high school completion/adult education for Redford Union Schools.

I began teaching in Hartland in 1998 when art was brought into the elementary schools on a full-time basis. I remember being overwhelmed by staff and parents who were so pleased to have an art teacher back in their building.

We moved to Hartland 21 years ago. My husband Tom and I celebrated our 30th wedding anniversary last year. We have three sons: Rob, Stephen, and Marc, who all graduated from Hartland Schools. They all attended the University of Michigan (Marc is in his junior year). Our oldest son got married over a year ago, so now we have a beautiful daughter in our family.

Even though I volunteered for numerous school and community activities, organizing "Art Day" was my first experience working with the entire staff at Lakes. I was a little apprehensive when Mrs. Paxton invited me to a staff meeting to explain that I was planning to invade their classrooms and disrupt their entire day doing messy art activities. What I found were teachers, para educators, and parents willing to do whatever was necessary to make this event a meaningful experience for their students. To this day, I still have some of the letters staff and students wrote telling me what that experience meant to them. Hartland is truly a special place to live and work.

I am very fortunate in that I see my students from kindergarten through the fourth grade. I tell them the best part of my job is not only seeing what they create, but being able to see how they grow throughout the years – not only in their artistic skills, but what kind of person they grow into. When I attend the high school art show, the first thing I do is pick out all my "Lakes Kids". The art room is sometimes messy, noisy, and may even appear to be chaotic, but it is inspiring to watch students actively engaged in the creative process. I love that each day brings something new. Even after 18 years, I am still in awe of what my students are capable of accomplishing. It surprises me a little that not every teacher would want my job!

Hartland Schools is a great place to work. I am surrounded daily by dedicated, caring teachers and supportive parents. Although it is not always easy, we have administrators and school board members committed to making the arts an essential part of each child's education.

## IS YOUR CHILD BEING BULLIED?

### PARENTS OFTEN NEVER KNOW!

Dear Fellow Parents,

Bullying can range from severe physical abuse to very mild “silent treatment” or exclusion by friends. Both can have long lasting and devastating affects on children. Many parents never know about the mild and moderate bullying of their child.

According to the book, *Bullies and Victims in Schools*, 96% of children will be bullied at least once in their lifetime. 46% of those children will suffer poor grades or will abstain from extra curricular activities because of the bullying. 2% of those children will commit suicide because of constant harassment from classmates.

Is your child being bullied? Look for these signs in your child:

1. Bruises, cuts, scratches, torn clothing that cannot be explained and complaints about not feeling well.
2. Reluctance to go to school or requests to change school.
3. Books, money, lunch or belongings stolen, damaged, scattered around or “lost”.
4. Excuses to avoid going to school, or insistence that you take him/her to school even though you live close by.
5. Insomnia or bed-wetting.
6. Frequent requests for money.
7. A sudden, unexplained deterioration in class work, and/or homework.
8. Lack of participation in school activities, staying near the teacher during breaks.
9. Anxiety, insecurity, distress, unhappiness, secretiveness, mood changes and anger.

10. Claims of “I’m okay” when questioned about obvious unhappiness.
11. Low self-esteem.
12. Unhappiness at the end of weekends or school vacations.
13. Few friends or no friends in class and is not invited to birthday parties or other social activities.
14. Teasing or being laughed at by his/her peer group.

Bullying is a very difficult problem to stop. Our mission at Ohana Karate is to ensure every child has the right to feel safe and develop to their full potential. I feel that it is our responsibility to be a community leader and center for the fight against bullying. Can this crisis be stopped?

First, we must develop an ethos in which bullying is always unacceptable and will not be tolerated. Second, it takes a whole community to save our children. We must arm the victim, bully, bystander, parents, schools and community with the anti-bullying tools and systems. Please contact us if we can help you or your family.

Your partner in the fight against bullying.

Round Elementary School is brimming with energy and excitement! We had our annual Fall Fun Run with a lot of incentives. We would like to thank our awesome PTO for all their time and support with the Fun Run. The students and families had a wonderful time and we raised over **\$13,000.00!**

Our annual Halloween Parade, which is a Round School tradition, was a huge success. The students enjoyed sharing their costumes with friends, family and staff.

The high school band performed for our students in October. The music program in Hartland is impressive and our students watched in wonder.

We now have a paper recycling bin near the parent parking lot. Please consider recycling magazines, newspapers, catalogs, office paper and mail in our bin. Round Elementary receives \$5 for every ton and we help the environment too.

The PTO, parent volunteers, staff and students have worked hard to improve the school through the Beautification project. In October, many volunteers painted picnic tables, basketball hoops, benches and the pavilion. The entire Round Elementary community is proud and excited to attend such a gorgeous school.

Thank you to all of the Round School families that contribute every day to the success of our students. I am proud of the accomplishments our staff and students have made so far this year and look forward to watching the students continue to grow. *Round Elementary wishes the entire Hartland Community a great month and a Happy Thanksgiving!*

Outside of class, the annual door decorating competition is in full swing and the LEGACY Leadership team has set the standards. Legacy students are teaming up by class to decorate the classroom doors awaiting the annual Halloween visit of the Hartland preschool students.

The month of October also contained tryouts for the LEGACY flag football team. The team is now set and has begun practicing in preparation for next month's competition. Stay tuned to find out how the team does.

**Do You Know?**

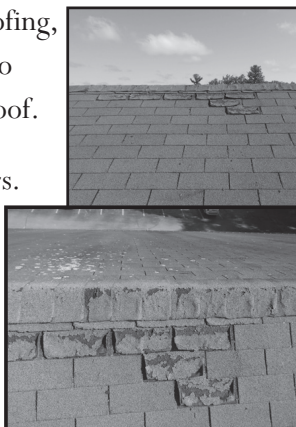

**WE'RE DOING SOME MUCH-NEEDED REPAIRS HERE AT CROMAINE. HERE'S OUR LATEST PROJECT...**

**CROMAINE'S ROOF:** The roof of the 1980 portion of the Village Library is now 35 years old. A typical roof life, even high quality asphalt shingles is typically 25 years at the most.

As part of Cromaine's renovation and reconfiguration, the 1980 roof will be resingled shortly. Because we believe there is only one layer of shingles, but they are very old, it will be a tear-off (down to the decking). After getting some close-up photos of the roofing, there may also be some decking replacement as well. We have seen no leaks in the attic so far, but another winter is one too many for this roof.

This project is likely to happen mostly during the library's open hours. The entry will have a covering to protect patrons from debris. There will be some loss of public parking likely during the project and staff will do everything possible to free up spaces in the main parking lot. Please let Ceci Marlow know of your concerns and questions at 810-632-5200, ext. 105 or [cmarlow@cromaine.org](mailto:cmarlow@cromaine.org).

My favorite feature of NoveList is the ability to enter a title of a book you have thoroughly enjoyed, but have finished reading. Now what? You are kind of hanging there without any idea for a new read. By going to NoveList, your problems are solved. Simply enter the title of your new favorite read and, voila, a list appears of "Read-alikes". I don't understand how the reading public has survived so long without this excellent feature.

### Hartland Area Youth Athletic Association (HAYAA) Proudly Recognizes September As Childhood Cancer Awareness Month

On Sept. 26, the Hartland Area Youth Athletic Association (HAYAA) came together to support and recognize Childhood Cancer Awareness Month with an event that raised money to support one local family and also to support cancer research.

With the entire event planned in only nine days, event organizer Kathy Farhat-Tomaszewski was thrilled when HAYAA Cheer-Pom Commissioner, Brenda Blush, agreed to co-sponsor the evening lighting ceremony "A Night of Gold Lights."

During the ceremony, football and cheerleading fans held gold candles, honoring one of HAYAA's very own cheerleaders, **Lauryn Howard** (pictured above) who is battling neuroblastoma, as well as cancer warriors worldwide.

The cheer-pom teams also sold 50-50 tickets, with 50 percent of the earnings benefiting the cheerleader's family. The event was a huge success. In just a few hours, both initiatives raised \$2,000. \$1,000--for research--and \$1,000 for Lauryn.

"It's inspiring to witness this level of support from the families and businesses in our community," Farhat-Tomaszewski said. "I hope to expand our efforts to neighboring cities, so that one day, everyone will know September as Childhood Cancer Awareness Month. With awareness comes funding, research and hope for a possible cure!"

Childhood Cancer is the number one cause of death by disease for children in our country. Every three minutes worldwide, a child is diagnosed with cancer. One out of every five children diagnosed with cancer, do not survive. Today, alone, there were 480 children diagnosed with some form of cancer, and 7 children who won't survive.

Farhat-Tomaszewski also knows firsthand, the challenges a childhood cancer diagnosis presents. Her daughter, Madison, 19, was diagnosed with stage 4 hepatoblastoma, a childhood form of liver cancer, just one month after her third birthday. It had spread to her lungs, right atrium, inferior vena cava and gall bladder. "Fortunately, my daughter was able to endure the harsh, toxic treatments for childhood cancer. Sadly, for other children, that is not always the case."

It was the frustration by the lack of newer treatments, funding and awareness over the years, which prodded Kathy and her family to spearhead an awareness initiative, in conjunction with HAYAA Football, her son's athletic association.

Her goal for the Sept. 26 event was two-fold, to bring much-needed attention to the cause, while selling baked goods, with all proceeds to benefit Alex's Lemonade Stand, a childhood cancer research foundation.

The event also included a duck pond, face painting and a raffle, with donations from participating businesses in Hartland, Brighton and Fenton. Thank you to the Hartland Community and everyone who came out and supported the cause and donated and/or volunteered their time.

## Miracle on 34th Street

By chance, Kris Kringle, an old man in a retirement home, gets a job working as Santa for Macy's. Kris unleashes waves of good will with Macy's customers and the commercial world of New York City by referring parents to other stores to find exactly the toy their child has asked for. Seen as deluded and dangerous by Macy's vocational counselor, who plots to have Kris shanghaied to Bellevue Psychiatric Hospital, Kris ends up in a court competency hearing. Especially at stake is one little girl's belief in Santa. In a dramatic decision, the court confirms Kris as the true Santa, allowing Susan and countless other children to experience the joy of childhood fantasy.

Bringing this story to life is our talented cast: Josie Archer, Josh Archer, Andrea Arnold, Alexis Davis, Matti Digue, Liam Dunny, Jaclyn Ellis, Eva Gill, Johanna Gill, Annika Kreeger, Lauren Kreeger, Evia Marszalek, Murphy McIntyre, Anabel Persons, Carmen Pushman, Abby Smith, Karissa Szczechowicz, Nicco Valente, Ella Willard, and Rachel Zimmerman.

## FLASH from the FRIENDS

Gratitude  
and the  
Spirit of  
Thanksgiving

Thanksgiving is just around the corner, and it is definitely time for us to acknowledge the good deeds of our fellowman/woman, and be thankful.

The "Friends" are so thankful for the many, many folks who helped to make our "Fall Book/Bake Sale" a huge success. Every single person who participated, was truly important. It should be noted, that all profits go to help Cromaine maintain its wonderful agenda.

There is no better time than this "Thanksgiving Month", to thank the special "Cromaine Staff" for all they do to make our Library a true asset to our Community. Everyone appreciates the warmth that generates as soon as an individual enters the building.

### Some "Thanksgiving Thoughts" from the "Friends":

*If we make a list of all the things we have to be thankful for, the list would undoubtedly be longer than our misfortunes.*

*Feeling gratitude and not expressing it, is like wrapping a present, and not giving it.*

## Struggling with Reading? Tried tutoring...but poor results?

### Struggling Student Now Gets A's & B's - Thanks to Vision Therapy!

"By first grade, Davis was significantly behind. He couldn't keep up or follow directions. His teacher and a special education teacher expressed significant concerns regarding his inability to recall and remember."

"I brought Davis to his pediatrician. The meeting with his doctor did not go well. I was told to lower my expectations. He would never be 'fixed'. We went to Dr. Doud's the next day and I broke down crying as I told him what his doctor had stated. I let him know - I knew my little boy was intelligent. He just couldn't get it out."

"Dr. Doud tested Davis' vision and discovered that his vision was significantly delayed in several areas. He not only gave me hope - which at that point was all I wanted, but a plan to assist Davis."

After vision therapy, "Davis improved so significantly that at the end of second grade, I was told not to let the 3rd grade teachers know anything was wrong with his ability. He had all A's and B's. He was able to keep up and follow directions. His visual memory was 14% when we started vision therapy. It is now near 90%."

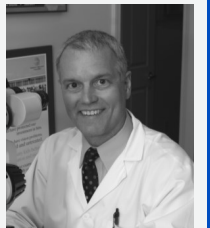

"I am so pleased and cry at the thought of how far he has come. It truly is overwhelming to think of what would have happened to Davis if we would have listened to his pediatrician, lowered expectations and accepted this situation, Davis would have failed at school and in life."

**We can help—call today!**

## Serving families in Livingston County for more than 20 years...

In addition to providing family vision care, Dr. Doud diagnoses and treats vision problems that interfere with reading and learning.

Dr. Doud has treated hundreds of children from the Hartland and surrounding communities from all over South East Michigan.

### Do You Know the Top 5 Signs that a Vision is Blocking Learning?

- Skips lines and/or rereads lines
- Homework takes longer than it should
- Short attention span with reading & homework
- Poor reading comprehension
- Reverses letters like "b" and "d" when reading

## News for Hartland Rotary

On October 15, 2015, the Hartland Deerfield Fire Authority shared a new life saving device with our Rotary Club. Captain Jake Thompson (pictured left) shared the only AutoPulse Resuscitation System in Livingston County with our group. This device provides high-quality automated CPR to victims of sudden cardiac arrest. The AutoPulse squeezes the patient's entire chest to improve blood flow to the heart and brain. This is the only device of its kind that automatically sizes to the patient.

Seeing it in action was so inspiring. We in Hartland are fortunate to have this device available for our residents.

If this experience was not enough, Fire Marshal, Mike Bernardin, arranged for the University of Michigan Health System Survival Flight to land at the Main Station on Hartland Rd., in Hartland Township.

The flight crew gave us a tour of the Eurocopter AS365 Dauphin. It is hangared in the Livingston Co EMS and U of M Life Flight Hangar Facility located on Tooley Road next to the Livingston County Airport.

Visitors are always welcome to join us on Thursday mornings for breakfast and informative presentations at the Hartland Insurance Agency, 2532 Old US 23 at 7:30 AM. If you have a passion for community service and enjoy sharing the fellowship of those with a similar desire, please consider joining us.

Please visit [www.hartlandrotary.org](http://www.hartlandrotary.org) for more information on our club.

### *Hartland Teen Center News* *Teens Love to Create Fun Characters with Facepaint*

Facepaint is a big hit at the Hartland Teen Center. Everyday someone is painting a friends' face or having fun painting their own face. Ms. Watt sometimes gets a crazy new look with facepaint too.

"We definitely go through lots of facepaint and could use some more before Halloween. It is a fun and creative way for teens to express themselves," responded Mrs. Dewan.

The teen center will have a Halloween Party, Friday, October 30 at 3 pm. Donations are needed. Please call the teen center if you can help provide snacks, candy, costumes, and Halloween decorations.

## Hartland Gymnastics Academy Happenings

On Saturday, September 19th, Hartland Gymnastics Academy volunteered at the Kensington Challenge 5k/15k race at Kensington Metro Park in Milford. We handed out water to all the runners and gave them course directions as we cheered them on!

We also had a successful and fun golf outing on Sunday, October 11th at Ironwood in Howell, which enabled us to raise funds for the gymnasts.

The 2015-2016 competitive seasons begins December 4th-6th at DeVos Place Convention Center in Grand Rapids, MI. We wish our girls and coaches best of luck!

Hartland Gymnastics Academy will host a home meet on February 26-28th at the Hartland Educational Support Service Center. We are still in need of vendors.

For more information on supporting our team through sponsors and advertising, visit our website: [www.hartlandgymnasticsacademy.com](http://www.hartlandgymnasticsacademy.com).

## Hartland Optimist Club Christmas "Adopt a Family"

The Hartland Optimist Club will once again sponsor the "Adopt-a-Family" Program for families in our community in need of help during the holiday season. If your group or family is looking for a community service project, or just a great way to celebrate the holiday season, in the true sense of giving why not consider Adopting A Community Family In Need.

**If you would like to adopt a family please call:  
Vicki Schiesel at 313.220.2797.**

Our schools and Community Ed will have boxes in their buildings so families can donate non-perishable food items, and paper goods.

As this is a large undertaking, the Optimist Club can always use a monetary donation. If you are interested, you can send your donation to:

**Hartland Optimist Club, P.O. Box 64, Hartland, MI. 48353  
or email [HartlandOptimistClub64@gmail.com](mailto:HartlandOptimistClub64@gmail.com)  
for the PayPal link.**

- There are many ways you can help support this project:
- Adopt a Family
- Donate nonperishable food items or paper products
- Make a donation to Hartland Optimist Club
- Join the Optimist Club

All donations are appreciated; every dollar helps and goes directly to our families. Community support makes this worthwhile project a success!
