Superintendent's Message

Janet Sifferman, Superintendent

Last spring our students in grades 3-8 and grade 11 participated in the new state assessment called the M-STEP (Michigan Student Test of Educational Progress). The state created this more rigorous test to replace the 44-year-old MEAP (Michigan Educational Assessment Program) test that our students were required to take.

The standards and benchmarks the state sets for our students to learn have evolved over the years to include such 21st century skills as deeper understanding of core subjects, the ability to think quickly and critically to understand and adjust to change, and the ability to apply learned knowledge to real world situations. The M-STEP is designed to test these standards.

Hartland Consolidated Schools has worked to align our curriculum and instruction to these expectations. We have aligned our reading and writing curriculum and have employed a Language Arts Instructional Coach to support teaching and learning. We continue to see the success of our students in English/Language Arts on the state reading and writing assessments. We are in "year 4" of a four-year plan to align our mathematics curriculum to these standards. This is our first year of full implementation in grades K-12. We have employed a Math Instructional Coach as well to help our teachers shape their instructional practices to engage students in deep understanding and learning about math.

At publication deadline the scores had not yet been released; however, we expect that the results will be lower than the results we saw on the MEAP test due to a number of factors including the advanced rigor of the test and that this was not a "paper/pencil" test.

Our students were required to analyze and synthesize the questions and their responses using an online format.

As the district and our students work through the challenges of new assessment expectations and online testing, the educational opportunities for our students will improve.

Hartland Schools Person of the Month

Sherry Osterhoff
January 2016

I attended Western Michigan University for my undergraduate degree and received my certification to teach both special education and general education (K-8). I also received my Master's Degree with an endorsement in Learning Disabilities at Eastern Michigan University. Before coming to Hartland, I taught special education for a year at the middle school in Birch Run.

I also taught for four years at Hawthorn Center in Northville. At that time, it was a residential setting for students with severe disabilities.

A friend of mine talked me into going for an interview in Hartland in 1994. I was not ready to go back to teaching because our son was only two years old at the time. I thought I would go to the interview just for the experience. Well, I was totally in awe of all the great things that I heard at that time, so I decided to accept a part-time job as a special education teacher. Mrs. Paxton was so sorry that she only had a part-time job available for me but I was thrilled. I have been at Lakes Elementary ever since accepting that part-time job back in 1994. I became a full-time teacher when our son started first grade, also at Lakes Elementary, which was absolutely the best situation for me.

We moved to the Brighton area 26 years ago. My husband Mike and I celebrated our 25th wedding anniversary last year. We have one son, Mark, who graduated from Hartland High School in 2010. Mark just graduated in August from Saginaw Valley State University with a degree in Exercise Science. He is currently working part-time for the University of Michigan.

I have volunteered for many school and community activities. One of my favorites was when I was involved with the Hartland Community Soccer Association. I was on the board for several years and enjoyed the opportunity to serve and see the program expand.

Sadly, our son was in a terrible car accident, suffered a severe traumatic brain injury and almost died from his injuries in 2008. One of my fondest memories of the Hartland community was how the community rallied to support us with anything that we needed. Mark was at Mott Children's Hospital in Ann Arbor for two months. I don't think there was a day that went by when we did not have a visitor checking in on us to see if there was something they could do for us. Mark's friends from Hartland High School collected money at football games, food was delivered almost every day, and there was even a lacrosse game dedicated to Mark that he was able to attend. To this day, people are still asking about Mark and are genuinely thrilled, as we are, with his progress.

I have had the honor to be involved with a district that believes ALL students "can learn". The staff is constantly giving up their own time to collaborate about students to determine new interventions to help students learn and grow.

KINDERGARTEN ENROLLMENT 2016-17

Kindergarten Enrollment Packets will be Available Beginning February 1, 2016

KINDERGARTEN ORIENTATION

A Kindergarten Orientation will be held on **Saturday, March 12 from 10:00 am to 11:30 am** at the Hartland Education Support Service Center, 9525 Highland Road.

The orientation will provide parents an opportunity to hear from kindergarten teachers about a “typical” school day and the kindergarten curriculum. In addition, administrators will be on hand to talk about school safety, transportation, school attendance areas, student nutrition, and answer questions. This will be a family-oriented event and you are encouraged to bring your kindergarten child.

Hartland Consolidated Schools will be accepting kindergarten enrollment packets beginning **February 1, 2016** at the Board of Education office and each elementary school office during office hours. Enrollment packets can also be downloaded from our website at www.hartland-schools.us

In addition to the enrollment packet, the following documents must be presented when registering:

- Original birth certificate with seal, plus a copy of same certificate for school records
- Immunization records with proof of DTP, Polio, MMR, Hepatitis B, Chicken Pox vaccines (or proof of having illness), and vision screening, plus copy of same for school records
- Proof of residency using one of the following: certificate of occupancy, purchase agreement, builder’s permit, rent receipt or agreement, mortgage statement/payment receipt, voter registration card, utility bill, driver’s license.

Children are eligible for enrollment in kindergarten in September 2016 if they will have their fifth (5th) birthday on or before September 1, 2016. A child who turns 5 after September 1 and before December 1, 2016 may enroll if parent/legal guardian signs a waiver and is supported by the school district.

A full-day Junior Kindergarten program may be offered on a limited basis. A minimum number of students are required for the program to be made available. Parents may need to provide transportation in order to participate. You may contact Scott VanEpps at 810-626-2111 or scottvanepps@hartlandschools.us for more information.

How Do I Get Financial Aid To Help Pay For College?

In order to request financial assistance for community colleges, technical schools and four-year universities, you must submit the Free Application for Federal Student Aid (FAFSA).

This free application allows you to apply for federal and state financial aid. Many colleges and universities, especially public institutions, also require the FAFSA to be considered for any scholarships they offer, regardless of financial need. You must submit the FAFSA every year that you want aid. This year the FAFSA will become available on January 1st, 2016. You will complete the application by going to www.fafsa.gov.

Parents are strongly encouraged to apply no later than mid-February so your student can be considered for the most financial aid options.

Additional information and advice will be offered at the high school's **Financial Aid Night on January 13, 2016 at 6:30pm** in the high school auditorium.

Hartland Schools is an incredible place to work. I am surrounded by dedicated staff, parents, and administration who all do what is best to meet the needs of the students.

When I am out of the district at various meetings, I am constantly asked about Hartland Schools, and I am always hearing so many positive comments about the dedicated staff.

I am proud and honored to be a teacher for Hartland Consolidated Schools.

Holiday Fun in Transportation

Transportation had five buses with visitors on them this holiday season (buses #5, #9, #14, #38, and #48). "Safety Frank", "Sammy", "Charming Charlie", "Cupid" and "Santa Paws" were full of antics, and the students enjoyed the anticipation of seeing where the visitor was each day, and what he had gotten into.

Above: Charming Charlie from bus #14 got caught up in the jingle bells when he was trying to help Mrs. Sinke!

Below: Cupid has been on Mrs. Stanek's bus #38, and has worked hard to teach the students about bus safety and being helpful to others.

Left: On Mrs. Shack's bus #48, Santa Paws came to visit to bring Christmas spirit back to life. The children like to hold and love on him (hence the rumpled tag).

Round Elementary News

Dotty Selix, Principal

Round Elementary School is an exciting place to be as winter is upon us. Thank you to all of the Round School families for attending Parent Teacher Conferences. Ninety-eight percent of our students had a parent or special someone attend conferences. Thank you to the PTO for providing wonderful dinners for the staff during Parent Teacher Conferences and thank you to all of the Round School families that contribute to the success of our students every day.

The Thanksgiving holiday provided a lot of thankful festivities. The Kindergarten classes had performances for their parents and loved ones, and had delicious Thanksgiving treats. The 3rd and 4th grade classes invited grandparents and special persons to school for a visit. Students gave tours of the building and shared treats with their special guests. All classes had special celebrations that week.

The December holiday festivities are always exciting for our students with Santa Shop, ginger bread houses, and lots of holiday decorations. Third grade took a special trip to Rollerama and fourth grade washed away the cold with a celebration at the Hartland pool.

During the month of December, Round School families and staff collected many warm fuzzy items, lotions, puzzles and games for the residents at Village Manor. These special gifts brought smiles, appreciation, and warmth to many. We would like to thank all of the families who baked cookies for the staff Cookie Walk. The Round staff appreciated your generous gift during the busy holiday season.

Round Elementary hopes that the entire Hartland community had a great holiday season and we wish you a prosperous new year!

LEGACY Celebrates the Holidays!

In the month of December, LEGACY students enjoyed having the opportunity to work with students from Hartland Preschool to get into the holiday spirit by helping make gingerbread houses.

This tradition is one that both the preschool and LEGACY students look forward to each year. Not only do the preschool students look up to the LEGACY students, but the high school students enjoy the opportunity to help others and build relationships with the young students.

Happy New Year!!!!

**Did you make a New Year resolution??
If you did, let us help you succeed!**

According to “Best Health” Magazine, 23% of us break our resolutions within the first week and 45% by the end of the month. Here are some suggested ways to help you keep your goals and how we can help:

1. Pick a goal that excites you
2. Create a master plan
3. Take baby steps
4. Call in reinforcements
5. Keep your eye on the ball
6. Reward yourself

Your Goal: I would like to lose 20 pounds this year.

- 13 fitness classes offered each week at affordable punch card and drop in prices
- Well-equipped weight room open M-F 8am-4pm (3pm on Fridays) at \$2 per visit
- Indoor walking available M-F in our building year round 8am-8pm (unless closed for holidays, weekends, inclement weather, etc)
- Daily Lunch: fresh soup and salad bar offered most days M-F (some days we offer sandwiches or baked potato instead, please call first)
- T.O.P.S. (Taking Off Pounds Sensibly) group meets every Thursday at 10am.

Medical Loan Closet!

If you have gently used wheelchairs or walkers with a seat, please consider donating them to the Hartland Senior Center Medical Loan Closet. Any one from our community can borrow items from our loan closet – you do not have to be a member of the senior center to benefit from this resource!

Your Goal: I want to learn something new this year.

- Beginning tap dance classes for men and women.
- Woodcarver members love to share their skills and offer assistance to new carvers.
- Nimble Needles meets every Thursday around 10am to sit and visit while working on individual projects. Great time to learn new techniques and make friends.
- A new card game? Bridge, euchre, pinochle, cribbage, we have them all.

Your Goal: I want to get out of the house more.

- With 1,400+ members, you are sure to find new friends at HSC.
- On average we have 4 day trips each month and several extended overnight trips each year.
- Finer Diners meet each month at an area restaurant for a great meal and fun company.

CROMAINE LIBRARY - THE PLACE TO CONNECT!

TYLER BYE, TEEN VOLUNTEER

I will never forget the first time I volunteered at Cromaine Library. I walked in wearing my Quidditch shirt and was called out by none other than Carolyn McCullough herself as "Hey Potter". The teen librarians were trying to birth the Harry Potter program we all love. That day was the beginning of Cromaine style Quidditch. Throughout the following months I was consulted on the Harry Potter project. Yes the Harry Potter program is partly the brainchild of a seventh grader. Harry Potter was the beginning of my many adventures at Cromaine. I was eventually a consulted artist for many of the boards and events at cromaine, after a year. I was able to grow as an artist and try new techniques, my favorite being the mixed media Gryffindor house poster.

I have also made many friends at Cromaine library. Most notably, my partner in art, Priya Shinde. Priya challenged me as an artist and has helped me to envision some of my favorite pieces. The first project we ever worked together on was recreating the cover of The Great Gatsby. Priya and I have very different drawing styles and to work on something that is more of a style that neither of us were deeply familiar with was quite the challenge. Last spring we embarked on the adventure of creating a short comic for Cromaine. This project was by far the coolest thing we have done and was quite comical.

But more than anything, Cromaine is a place for me to come back to every week and have fun. I love what I do and would not change anything if I had the second chance. I have been a volunteer for three years, embarking on my fourth, and there is always a new adventure when I walk through the doors. Cromaine has and will always be my second home.

Livingston Land Conservancy January meeting

A meeting will be held by the Livingston Land Conservancy on January 21st (Thur.) at 7:00 – 8:30pm in the Hartland Insurance Building (Old 23, north of M-59) to discuss land preservation efforts within Hartland Township and to provide an introduction to the Huron River Initiative.

This may be of interest if you: want general information on land protection; as a land owner in Hartland Township are looking to preserve your land either now or in the future; are a concerned citizen who wants to help protect the Huron River and its watershed lands; or want a field assessment on your property. Please join us for an informal meeting to discuss these and related topics. This meeting is part of a comprehensive land protection effort in the Huron River watershed region by SEMI-WILD & the Huron River Watershed Council. Refreshments will be served.

The Livingston Land Conservancy currently has two preserves in Hartland Township: The Round Lake of Hartland Nature Preserve (47 acres at Blaine Road & M-59 on Round Lake) and The Bullard Lake Nature Preserve (30 acres on the south side of Bullard Lake). In addition, the LLC Field Office is now in the HERO Building, Hartland.

For info go to: www.livingstonlandconservancy.org or info@livingstonlandconservancy.org or call (810) 229-3290.

WHAT IS HOLDING YOUR CHILD BACK?

You can help them reach their full potential in school, sports and socially.

In actuality we are all held back by something aren't we? The biggest limitations that most of us face are self-imposed. Things like the fear of public speaking or failure. Shyness. Lack of discipline or self control. Poor work ethic. Negative attitude. If we really look closely most of these started when we were young.

What if you could identify these obstacles early in your child and eliminate them? Can you imagine how much more successful and happy your child would be (let alone your happiness or even sanity)?

After years of working with hundreds of area children and parents we have discovered that almost everything that holds children back can be fundamentally traced back to three basic areas: fear, impulsive/lack of control behaviors and social awkwardness. I hope these help you and your family:

FEARS - From birth to kindergarten this surfaces as separation anxiety or difficulty trying new or hard things. The "I can't" syndrome. In elementary school it may show up as shyness or fear of making mistakes. We also see many children that are debilitated by a constant state of fear, worry or anxiety. As teens it comes as bad/negative attitude, never able to complete things, or too easily influenced by and caving into peer pressure.

LACK OF SELF CONTROL - This is a really important area for preschoolers, often called "Self Regulating" skills, the ability to

control their impulses. A good example are boys that "cannot keep their hands to themselves". Later in life they are "Self Control" skills like listening and focusing. As teens this can develop into lack of self-discipline showing up as failing to turn in homework, poor grades, poor work ethic.

SOCIAL - Early childhood development experts refer to this as "social fluidity". This is their ability to read social cues, play with others and share. In elementary school they have difficulty making and keeping friends. In high school they can be isolated, and are either bullies/being bullied or just hanging around the wrong kids.

Once you have identified these they are actually simple to correct. Simple, but it does take work, consistency and patience. The biggest thing that holds most parents back is "denial". This is most often expressed as "He is normally not like that!" or worse yet "He will outgrow it!"

I am running out of room in this article but I will share the keys to working through these obstacles with your child next month. In the meantime, if I can help you and your child please do not hesitate to contact me at (517) 586-1001 or through our website at www.ohanakarate.com

Hartland Rotary Club

Hartland Rotary has had a very busy November. In December we focused on our Hartland Community during the Christmas Season.

Thanks to Steve Livingway, Principal of Ore Creek Middle School, Hartland Rotary had a family in the community that was supported by our club. We were pleased to help a family with all the Christmas trimmings: Christmas feast, toys and gifts, and even enough to fill their pantry for several days into January.

Hartland Rotary is very excited about the "Hartland Winter Fest," Saturday, January 30, 2016. We are presenting a POLAR BEAR DUNK TANK!

Come and dunk the local celebrity of your choice. Proceeds will support three local charities in the area. Hartland Rotarians are searching the community for hardy souls to donate themselves to this endeavor. Volunteer today at Hartland Insurance Agency or we will find you.

Visitors are always welcome to join us on Thursday mornings for breakfast and informative presentations at the Hartland Insurance Agency, 2532 Old US 23 at 7:30 AM. If you have a passion for community service and enjoy sharing the fellowship of those with a similar desire, please consider joining us.

Please visit www.hartlandrotary.org for more information on our club.

Hartland, MI Robotics Team, Rising Eagles, Wins Championship at Tournament in Freeland, MI

On December 5th, 2015 the Rising Eagles, a Hartland Robotics Team, won the Champion's Award (Top Honors) at the Nexteer Ready, Set, LEGO! Tournament in Freeland, MI.

In addition to winning the Champion's Award, they also took top honors in the robot game competition (Robot Performance Award) with a score of 622, with their closest competition having 562 and 407 points. They will be competing in the Michigan North and West State Championship on December 12th at Carmen Ainsworth Middle School in Flint.

The team is made up of friends that attend school in the Hartland District and are in the 5th, 6th and 8th grades. They have been busy working 10 to 24 hours per week since mid-August. The competition involves robot design and challenge, project and core values to promote Science, Technology, Engineering and Math (STEM). This year's theme was Trash Trek, promoting the improvement of reusing-recycling-reducing trash. The team tackled the problem of non-deposit containers being rejected by Reverse Vending Machines (RVM's) at recycle centers and typically ending up in the trash. This also inspired the team's nick name of Beverage Bashers.

The team (pictured above) includes: Brian Prokuda (Asst. Coach), Julie Heslip, Alyssa Shelton, Zac Heslip, Steve Majors (Head Coach) and Nicole Majors, Steven Majors, Mathew Prokuda and Jacob Cortichiato

FIRST LEGO League (FLL) info: FIRST stands for "For Inspiration and Recognition of Science and Technology". Each year, FLL teams of 4th - 8th graders research a real-world engineering challenge such as food safety, recycling, energy, etc., and are challenged to develop a solution. They also must design, build, and program a robot using LEGO MINDSTORMS®, then compete on a table-top playing field. Over 233,000 students participate worldwide. FIRST has programs for K-12 students. For more info, visit <http://www.firstinspires.org/>

Encore Youth Theater Audition Information

Encore Youth Theater's Spring 2016 production will be Beauty and the Beast. This classic story tells of Belle, a young woman in a provincial town, and the Beast, who is really a young prince trapped under the spell of an enchantress.

Auditions will be held on January 9, 2016 at 9:30 am at the Performing Arts Center in the Hartland Educational Support Service Center, located at 9525 Highland Road, Howell, MI 48843. Doors will open at 9:00 am for registration and will close at 9:30am. All interested actors must be registered and signed in at that time in order to audition. Auditions begin promptly at 9:30.

Encore Youth Theater provides training and experience in the performing and theater arts for students aged 8-18. All interested students are encouraged to audition regardless of prior acting experience.

Please visit www.hartlandplayers.org for audition information. Audition information will also be available at the main branch of the Crounse Library.

Outdoor Spring 2016 Soccer Registration Hartland United FC

Registration for spring soccer begins on January 25, 2016 on line at www.hartlandcommunityed.com or in the Community Ed office. Register early because teams will be formed in February. A \$10 late fee will be assessed for those registered after February 8.

All Parents must sign an acknowledgement form agreeing that they have received player concussion information. This must be done before your child is allowed to practice or play soccer. Games begin in April 2016.

U5/U6 Teams are coached by parent volunteers, Practice once a week, and have games on Saturdays. Head coach's child plays for free. (1 Head coach per team.) All coaches must have an Active Risk Management background check and complete concussion training. If you are interested in coaching, please include a note when registering. U5/U6 players only receive a jersey. Cost: \$100 for players returning with a jersey. \$120 for new players or players that need a replacement jersey.

U7/U8 Teams are coached by parent volunteers, Practice once a week, and have games on Saturdays. Head coach's child plays for free. (1 Head coach per team.) All coaches must have an Active Risk Management background check and complete concussion training. If you are interested in coaching, please include a note when registering. Cost: \$110 for players returning with a uniform. \$130 for new players or players that need a replacement uniform.

U9 + Recreation Teams play most of their games on the weekends. Recreation travel teams are formed on a first come/first serve basis. Once a team is full, we will continue to take registrations to form additional team(s). Cost: \$125 for players returning with a uniform. \$150 for new players or players that need a replacement uniform.

Black Sheep Weavers Fiber Guild 33rd annual holiday sale "Thank you"

Our holiday sale was a great success once again! We are so grateful to all of our returning customers who know the date by heart and come each year. Thank you to Michelle Otis and Hartland Community Education for their support, to Hartland Insurance Agency for the beautiful space we rent to display all of our art work.

A huge Thank you to the Holiday Sale committee for the hours of prep time they give so that the room is ready for the eager shoppers. Thanks to all of the artists who worked the check out, floor personnel who made sure the art for sale was always out and to answer questions and assist customers. Thanks to those who demonstrated their craft during the event. A special thank you to our Treasurer for the hours of work she does after the sale. Thank you to all the Facebook friends who helped get the word out and posted photos of the sale. Social media is one of the many ways we now reach our customers.

Our next sale will be on **April 16 & 17, 2016** at the Bogie Lake Greenhouse. What fun it will be to shop among all of the flowers. Watch future issues of Community Life for more on this event as we get closer to the date.

Struggling with Reading? Tried tutoring...but poor results?

Struggling Student Now Gets A's & B's - Thanks to Vision Therapy!

"By first grade, Davis was significantly behind. He couldn't keep up or follow directions. His teacher and a special education teacher expressed significant concerns regarding his inability to recall and remember."

"I brought Davis to his pediatrician. The meeting with his doctor did not go well. I was told to lower my expectations. He would never be 'fixed'. We went to Dr. Doud's the next day and I broke down crying as I told him what his doctor had stated. I let him know - I knew my little boy was intelligent. He just couldn't get it out."

"Dr. Doud tested Davis' vision and discovered that his vision was significantly delayed in several areas. He not only gave me hope - which at that point was all I wanted, but a plan to assist Davis."

After vision therapy, "Davis improved so significantly that at the end of second grade, I was told not to let the 3rd grade teachers know anything was wrong with his ability. He had all A's and B's. He was able to keep up and follow directions. His visual memory was 14% when we started vision therapy. It is now near 90%."

"I am so pleased and cry at the thought of how far he has come. It truly is overwhelming to think of what would have happened to Davis if we would have listened to his pediatrician, lowered expectations and accepted this situation, Davis would have failed at school and in life."

In addition to providing family vision care, Dr. Doud diagnoses and treats vision problems that interfere with reading and learning.

Dr. Doud has treated hundreds of children from the Hartland and surrounding communities from all over South East Michigan.

Do You Know the Top 5 Signs that a Vision is Blocking Learning?

- Skips lines and/or rereads lines
- Homework takes longer than it should
- Short attention span with reading & homework
- Poor reading comprehension
- Reverses letters like "b" and "d" when reading
