Superintendent's Message

Janet Sifferman, Superintendent

Over the last several months there seems to be a bit of a frenzy regarding the **Common Core State Standards**. I want to take this opportunity to give some background on this topic and how it affects Hartland Consolidated Schools. For many years the State of Michigan, through the State Board of Education and the Michigan Department of Education, has assessed our students on standards and benchmarks set statewide. Our local curriculum was written to meet Michigan's High School Content Expectations (HSCEs) for grades 9 – 12 and the Grade Level Content Expectations (GLCEs) for grades K – 8. Several years ago Governor Granholm felt the need to align Michigan's high school graduation requirements with those of many other states.

At that time Michigan's requirements were far less rigorous than most states. Thus the more rigorous high school curriculum requirements called the Michigan Merit Curriculum were legislated. A short time later, the National Governors Association and the National Council of Chief State School Officers began conversations about having common standards and benchmarks for students in public schools across the United States.

These standards were developed through an intense process involving representatives from various states, researchers, national organizations and community groups across the country. Michigan's State Board of Education adopted the Common Core State Standards on June 15, 2010. The adoption of the Common Core has allowed Hartland Consolidated Schools to take its locally approved curriculum and make alignment adjustments to meet the Common Core, which emphasizes college and career readiness skills.

Person of the Month

Patricia Glynn

I have had the privilege to be a member of the HCS family for 15 years. I began my career in Hartland as an employee in the transportation department. Then in the fall of 2001, I moved to the maintenance department and became the Maintenance Coordinator. In 2014, I was given the opportunity to serve as the Maintenance Supervisor, the position I currently hold.

I am a member of the Michigan School Business Officials (MSBO) and enjoy participating at the annual MSBO Conference and the annual Facility Conference they host. I am a certified Drug & Alcohol Reasonable Suspicion Supervisor and I am currently working to obtain the MSBO Certification as Facility Director.

My husband Tom and I have been married for 38 years. We have lived in the Hartland school district for 22 years. We have three remarkable children who we are extremely proud of, and who have brought us immense joy. All of our children graduated from Hartland Schools. Brian (1997) is currently married and working as a meteorologist at Logan International Airport in Boston, MA. He also serves proudly in the USAF Guard in Massachusetts. He and his wife have a two-year-old son and are expecting their second child on Christmas Day! Patrick (1998) lives with his wife and two daughters in Howell.

He is employed with a global medical equipment manufacturer and he also proudly served six years in the USAF. Patrick's oldest daughter attends kindergarten at Round Elementary. Our daughter Brigid (2006) just married another HCS graduate in November. Both Brigid and her husband obtained their Bachelor and Master degrees from Ferris State University. She is currently employed with St. Joseph's Hospital in Howell and works in the ER department. We attribute our children's success in college to the education they received from the dedicated teaching staff at Hartland Schools.

My most memorable moments would include the opening of Creekside Elementary, the new Hartland High School, and the remodeling of the administration building (HESSC). Being involved with the construction of these state-of-the-art buildings was exciting! It was a proud moment when I attended their ribbon-cutting ceremonies.

I am still here because I enjoy working with the wonderful team of people in the maintenance department. Everyone in the department is focused on providing a safe, clean environment for the staff, students, and community members who use our buildings. Each day brings different challenges, and I am proud to work together with our staff in resolving them.

I believe that Hartland is the premier school district in Livingston County. Our School Board, Administrative Team, and all Hartland School employees do an incredible job providing a caring community atmosphere for all students, which enables every student in Hartland to be successful in the classroom, athletic arena, and the arts.

I feel fortunate and thankful to be part of the Hartland school family, and honored to work with such dedicated professionals.

New Year's Resolution #1:

Be More Awesome than last year.

It's that time of year again when many of us make those New Year Resolutions to get fit, eat better, work less or stop a bad habit and YES! -- let's make 2015 be that year.

But if by January 3, we are already losing the good fight on our specific resolutions, my goal is to make an effort to work on some general ones that will help me stay on the road of just trying to "be better." So feel free to join me.

Resolution #1: Be brave. In anything and everything that comes my way.

Resolution #2: Be kind. Just in general. To everyone.

Resolution #3: Try one new thing this year. From trying a new food to finding a new hobby, start small and dream big!

Resolution #4: Say thank you more. Every where and to every one and with sincerity.

Resolution #5: KISS. Keep is simple, silly. Or just kiss more! :)

Thanks for The Donations!

Your donation helps to offset the cost associated with publishing and mailing the Community Life newspaper. To date we have collected \$210. Your support is appreciated for the only paper dedicated to promoting news about the schools and the Hartland Area for the past 80 years. *Thank you to William and Thelma Armstrong, Nancy Fairchild, Sharon Hillquist and Linda Plopan for your most recent donation.*

For those residing outside the school district and are not "school of choice students" the recommended subscription rate is \$25. Your name will be added to our additional mailing list. Reader donations are appreciated.

Kindergarten Round Up

Mark your calendar for Hartland Consolidated School's Kindergarten Round-Up for the 2015-2016 school year.

Children are eligible for enrollment in kindergarten in September 2015 if they will have their fifth (5th) birthday on or before **September 1, 2015**. A child who turns 5 after September 1 and before December 1, 2015, may enroll if parent/legal guardian notifies the school district in writing no later than August 1, 2015.

A Junior Kindergarten program (half day and/or full day) may be offered on a limited basis. A minimum number of students is required for the program to be made available. Parents may need to provide transportation in order to participate. **You may contact Scott VanEpps at 810.626.2111 or scottvanepps@hartlandschools.us for more information.**

A 20-minute orientation will begin at 5:30 pm in the Board Room located in the Hartland Educational Support Service Center, 9525 E. Highland Rd, followed by registration in the Performing Arts Center lobby on:

Feb. 17 (Tues) 6- 8 pm Last names starting with the letters A-L
Feb. 18 (Wed) 6- 8 pm Last names starting with the letters M-Z
**Please make every effort to enroll your child on the dates provided.*

Please bring the following:

- Original birth certificate with seal, plus copy of same certificate
- Immunization records with proof of DTP, Polio, MMR, Hepatitis B, Chicken Pox shots (or proof of having illness), and vision screening, plus copy of record
- Proof of residency-copy of one of the following: certificate of occupancy, purchase agreement, builder's permit, rent receipt or agreement, mortgage statement/payment receipt, voter registration card, utility bill, driver's license

While we need to see the originals, it will expedite the enrollment process if you also bring copies of the originals.

Kindergarten registration packets will be available beginning February 2, 2015 at the Board of Education office, the Community Education office, each elementary school office and the Hartland Child Care Center (51 Building). You can also download from our website at www.hartlandschools.us.

Holiday Fun From Hartland Transportation

The Elf on the Shelf appeared on bus #23, driven by Tammie Whitmore, this holiday season. In keeping with the Elf tradition, the elf moved daily providing fun entertainment for kids of all ages. Driver Tammie Whitmore had a contest where the winner had the privilege of naming the Elf. The winner: "Safety Frank." **Safety Frank** moved daily, and students K-12 had great fun finding where he was and what he was up to each day. Safety Frank spied on the kids to make sure they're behaving, hid in the stairwell, left notes like how to board the bus safely AND he decorated the bus!

Happy New Year! Hartland High School is excited to start a new semester with our students as we wrap up the first semester. It is amazing how quickly the year is progressing and things are shaping up very nicely at the high school. I hope that you have an opportunity to join us for some of our college planning nights or other activities that are constantly happening here at HHS. Our winter athletic teams are fully underway at this point and we would love to see you out at our games as well!

Thank you for the outstanding support in the first semester, and we look forward to an excellent second semester!

Reaching Higher Graduation

Reaching Higher is an eight week leadership program that was created to give middle and high school students easy-to-use tools and practical strategies that help build self-esteem, foster positive life choices, improve communication and promote a healthier learning experience at school. Our first ever HMS Reaching Higher graduation was held in December.

Above: The Week of December 8th through the 12th was Computer Science education Week. HMS students participated in the Hour of Code event sponsored by code.org. This event gave students a fun and exciting way to begin learning about the world of computer programming. HMS students were "coding for an hour" all week during their science classes. You can find out more information at <http://hourofcode.com/us>

Congratulations to our **December** Students of the Month:

Grant Pietila, (left) eighth grade and **Juanita Bulloch,** (right) seventh grade.

Each month, a selection committee at Hartland Middle School selects one seventh and one eighth grade student to receive recognition as "Students of the Month." Nominated students must meet one or more of the following criteria in order to be selected.

- The student must show continued success in all subjects
- The student must exhibit good citizenship
- The student must make a significant positive contribution to the school and others
- The student must exhibit a positive attitude toward school, self, and others

DODGE BALL TOURNAMENT & FUNDRAISER

Approximately 25 student dodge ball teams recently competed to see which top seventh and eighth grade team would face the teachers in a staff versus student championship. We raised over \$4,000 for the HMS Parent Advisory Council (PAC) to support Challenge Day, field trips, assemblies, and other special events at HMS.

Round Elementary News

Round Elementary School is an exciting place to be as winter is upon us. Thank you to all of the Round School family that contribute everyday to the success of all our students. I am proud of the accomplishments our staff and students have made so far this busy school year and look forward to watching all our students grow through the second half of the year.

The Thanksgiving holiday provided a lot of thankful festivities. The Kindergarten classes had performances for their parents and loved ones, and had delicious Thanksgiving treats. The 3rd and 4th grade classes invited grandparents and special persons to school for a visit. Students gave tours of the building and shared treats with their special guests. All classes had special celebrations that week.

The winter holiday festivities are always exciting for our students with Santa Shop, ginger bread houses, and lots of holiday decorations. Round Elementary would like to give a special thank you to our PTO. They support our building, staff, and students like no other. This year we were able to build our classroom libraries, which affects all our students. They also provided Round with an extra cart of 32 Chromebooks so more students can enhance their educational experience through technology. We are grateful for their support!!!

Round Elementary hopes that the entire Hartland community had a great holiday season and we wish you a prosperous new year.

Legacy Students Display Art Show Entries

Morgan Herrington, Shannon Herbst and Mollie Adams display their entries in the First Annual Connection Countywide Student Art Show. Shannon's painted bench won **Honorable Mention** in the show.

The bench construction was completed by students participating in the summer Michigan Works project. Mollie and Shannon, also participants in the summer program, took them creatively further by adding art to make them more interesting.

LEGACY Spreading Joy and Fun for the Holidays

Above: Mollie Adams and John McGettrick display the bench that Mollie painted for Village Elementary.

Students in the summer program created a number of benches to be donated through out the District, This was part of the Michigan Works Program where participants learned employability skills. During the fall Mollie, also part of the Michigan n Works Program, took the project a bit further and painted the bench with Village Elementary's mascot , "SPIKE."

LEGACY students spent part of the weeks leading up to the holiday break helping young Hartland preschoolers decorate Gingerbread Houses.

The annual tradition always involves lots of giggles, full bellies and sticky fingers.

The event is always a great way to prepare and enjoy the holiday season and the kids, young and old, enjoyed working together to create a yummy holiday decoration.

Tell me and I forget. Teach me and I remember. Involve me and I learn.

With two locations and three teaching teams, Hartland Preschool offers a variety of class options to help accommodate the needs of the Hartland Community. Preschool registration for the 2015-2016 school year is now open. Spots are still available in many of our classrooms taught by our three teams of Laura DeRosier, Dawn Lubeski /Laura Messner and Tara Yoerg / Tracie Waldron. We will be highlighting our three classrooms through the next few months in Community Life starting with **Laura DeRosier**.

For more information, to schedule a tour, or to register, call 810.626.2150.

Teaching independence, building a foundation of solid problem solving skills and nurturing a child's natural curiosity are the cornerstones of Laura DeRosier's Hartland preschool classroom.

For more than 15 years, Mrs. DeRosier has taught 3 and 4 year olds in Hartland and currently teaches at the Child Care Center location in the village of Hartland.

"Many times (in my 3-year-old classes,) this is the first time they've been away from mom, so teaching them to be able to do things on their own is so important," DeRosier said.

Focusing on "challenging and not frustrating" her young students to learn, grow and encouraging them to try in every thing they do during their school day is one of DeRosier's biggest strengths as an educator. Patience is the key, according to DeRosier, but the end result for her unlimited patience and understanding is watching her students succeed in something for the first time, their work, their accomplishment.

It's that progress of learning that DeRosier says she enjoys watching the most and is the most fulfilling part of her work.

From simple step-by-step art projects, to picking up their toys to interacting with their young peers, DeRosier's classroom is filled with structure that helps create a productive learning environment.

"Seeing them go from knowing very little to being able to read when they leave here as 4-year-olds -- it's just so much fun," she said. "A lot of people don't get that instant gratification in their work, but we get it every year."

Bringing new and different educational programs to her classroom is also a priority for the veteran teacher who says after 15 years, she has "learned a few tricks."

From introducing programs such as Zoo-Phonics and Second Step, DeRosier is intent upon giving her students the extra preparation they need as they begin the next phase of their education.

"They are so worth it," DeRosier said. "And they are fabulous programs."

Highlights of Laura DeRosier Classroom:

Zoo-Phonics is one of many ways to teach children phonemic awareness, the building block for literacy. Through active and engaging ways of introducing our letters, children will learn letter sounds and blending. Each letter has an animal, action and a sound associated with it. Our goal is for your children to learn and enjoy our Zoo-Phonics friends.

Second Step: Young children who can listen, pay attention, remember directions and control their behavior will benefit more from preschool and be better prepared for kindergarten. The new Second Step early learning program teaches self-regulation and executive-function skills that help children learn and skills to manage their feelings, make friends, and solve problems. Short daily activities include Brain Builder games, songs, and puppets your little learners will love.

SMART Board Technology: Used through most of our classrooms in the Hartland School district, SMART board technology is designed to meet the developmental needs of all children. Differentiated learning can be practiced with every activity to build skills for students of all levels.

Hartland Family Winterfest
Saturday, January 31
Noon until 8 p.m.
Hartland Heritage Park
(M-59 west of Fenton Rd.)

Mark your calendars to join us for the Hartland Family Winterfest. From sledding and snowman building contests to kids crafts and a roaring bonfire, this event promises to make the most of the winter season.

Outdoor events will run throughout the day at Hartland Heritage Park. Visitors can warm up around the bonfire, visit the Hartland Area Chamber of Commerce Warming Tent or make their way to All Saints Lutheran Church adjacent to the park where indoor activities will be held. All Saints Lutheran Church will host a craft bazaar, meet-and-greet with Frozen characters, musical performances and kids crafts.

Events continue to be finalized. Please visit HartlandWinterfest.com for the latest schedule and updates.

Happy New Year!!!!

Did you make a New Year resolution?? If you did, let us help you succeed! According to “Best Health” Magazine, 23 percent of us break our resolutions within the first week and 45 percent by the end of the month. Here are some suggested ways to help you keep your goals and how we can help:

1. Pick a goal that excites you
2. Create a master plan
3. Take baby steps
4. Call in reinforcements
5. Keep your eye on the ball
6. Reward yourself

Your Goal: “I would like to lose 20 pounds this year.”

- 13 fitness classes offered each week at affordable punchcard and drop in prices
- Well-equipped weight room open M-F 8am-4pm (3pm on Fridays) at \$2 per visit
- Indoor walking available M-F in our building year round 8am-8pm (unless closed for holidays, weekends, inclement weather, etc)
- Lunch of fresh soup and salad bar offered most days M-F (some days we offer sandwiches or baked potato instead, please call first)
- T.O.P.S. (Taking Off Pounds Sensibly) group meets every Thursday at 10am.

Your Goal: “I want to learn something new this year.”

- Beginning tap dance classes for men and women.
- Woodcarver members love to share their skills and offer assistance to new carvers.
- Nimble Needles meets every Thursday around 10am to sit and visit while working on individual projects. Great time to learn new techniques and make friends.
- A new card game? Bridge, euchre, pinochle, cribbage, we have them all.

Your Goal: “I want to get out of the house more.”

- With 1,300+ members, you are sure to find new friends at HSC.
- On average we have 4 day trips each month and several extended overnight trips each year.
- Finer Diners meet each month at an area restaurant for a great meal and fun company.

HAPPY NEW YEAR

Community NEWS

On May 30, Hartland will once again rally to a cause as hundreds of people come together for Relay for Life. This year, the event will take place at the **HESSC track from 9 am - 11 pm.**

Over the next few months, Community Life will be introducing and highlighting local teams who have worked hard to make a difference in the fight against cancer.

The **Hartland Moms** team has been participating in the Hartland Relay for Life for past few years. The team answered the following question of “**Why Do We Relay?**”

Why do We Relay

“I’m sure our answer is very similar to many of the teams that participate,” said team organizer Sasha Klavon. “We Relay because we have all known someone affected by cancer.”

For Klavon and her teammates, however, many of them have had direct family members affected by the disease and Klavon said having the disease be so prevalent in such a large group was eye-opening.

“It was just kind of shocking to hear that so many of the people we know affected were close family members,” she said. “These aren’t friend of a friend situations, it really hits close to home for us.”

With this year’s theme being “Color of Cancer” the local group has chosen to represent Childhood Cancers, “because we’re moms,” Klavon said simply. Decorating and wearing the color gold, the team will be educating the public during Relay and helping to bring more awareness and fundraising efforts.

Last year, the Hartland Moms were able to raise more than \$12,000 and the group is hoping for another powerful turn-out while supporting a great cause.

To have your Relay for Life team introduced in an issue of Community Life send an email to tatumryan@hartlandschools.us

If you’re interested in forming a team, visit www.relayforlife.org or contact Laura DeRosier at lauraderosier@hartlandschools.us.

Hartland Home & Garden Club

NEXT MEETING JANUARY 12 “ART IN THE GARDEN” BY JANET MACUNOVICH

Professional gardener and educator Janet Macunovich will discuss “Art in the Garden” when the **Hartland Home and Garden Club meets at 6:30pm, January 14**, at the Hartland Educational Support Service Center, 9525 E. M-59 in Hartland Township.

Public is invited. A small fee of \$3 will be charged for visitors.

Call 517.552.8725 for more information.

It’s been a busy few months for Hartland Rotary!

Besides our continued work inside Gleaner’s Shared Harvest Pantry in Howell every Friday, we continue to tutor adults with reading difficulties as well as those who need to learn English for successful employment.

Our Rotary Float, “It’s a Wonderful Light,” earned us a Most Unique award in the 2014 “Festival of Lights” Parade in Howell, Friday, November 28.

We created a vision of light with an 11 ft. lighthouse, two cardboard regatta boats “on the rocks,” and even a little fog to complete the effect. Working with the Hartland Consolidated Schools, Hartland Rotarians have again been mentors with the “Reaching Higher” program.

Our President Elect, Michael Bernardin, has found that mentoring at the High School is challenging, but also so amazing. He has seen unbelievable growth in the students’ ability to set goals and appreciate their own self-worth.

Our Hartland Community Regatta will be Saturday, July 20, 2015 on beautiful Lake Walden. Our marketing committee has formed and are working to make our 5th Regatta Best of All! We have started looking for new sponsors to join us. Hartland Rotary is breaking ground for a butterfly garden off the walkway in Settlers’ Park Spring of 2015. We will prepare the area for a spring planting of vegetation that will entice butterflies to “hang out.”

Visitors are always welcome to join us on Thursday mornings for breakfast and informative presentations at the Hartland Insurance Agency, 2532 Old US 23 at 7:30 AM. If you have a passion for community service and enjoy sharing the fellowship of those with a similar desire, please consider joining us. *Please visit www.hartlandrotary.org for more information on our club.*

Happy New Year from the Hartland Lions Club!

We are a club that works on providing glasses and hearing aids to the Hartland Community and Surrounding Areas.

We meet on the third Thursday of every month at:
Bigby Coffee
11325 Highland Rd, Hartland
6:30 pm in the Community Room

Feel free to stop by to see us and we can explain more about the lions club is all about. We would welcome new members at any time.

Any questions call Kurt Stromlund 810 923 4252. Also feel free to check out the clubs website www.Hartlandlionsclub.org

Club & Organization NEWS

The Dance Project: Changing the Culture

Hartland's Dance Project is proud to report that more Livingston County students than ever before are swing dancing to popular music. Hartland schools now boast swing dance clubs in both the middle school and high school. Brighton HS students host 2 clubs, and students can earn a varsity letter for swing dancing. Schools in Genessee and Oakland counties have been impacted by The Dance Project mission, starting similar clubs at Davison HS, International Academy West and Milford HS. Area high schools continue to take advantage of swing dance lessons given by The Dance Project before school dances, like Homecoming, Winterfest and Prom.

Many students have written compelling articles for their school and community newspapers, have demonstrated swing dancing in school talent shows and have made persuasive presentations to their school administrators and peers to change the culture by promoting positive dancing. After 6 years of community dances with instruction for teens, The Dance Project has made a difference.

You will find students from more than 4 different counties; and as many as 75 public, private and home-based schools attending Dance Project community dances. The group has now reached over 4000 students with lessons teaching how to swing dance to popular music. The Dance Project regularly hears from students and parents about how its students have become part of a cultural change by influencing others with positive dancing in their communities and at area middle schools, high schools and colleges.

Parents and students work together in the project to plan dances with popular themes, great music and fun dance instruction. Students are especially excited about the upcoming Blacklight Dance on **Saturday, January 17, 2015**. This fundraising event is sponsored by the Hartland Forensics Team.

It will take place at Hartland High School, from 8 – 11 p.m., and is open to all students grade 8 and up. Doors open for registration at 7 p.m. A lesson for beginners takes place at 7:30 p.m. Snacks & drinks will be provided at the dance. Admission is \$10 per person at the door. Signed liability waivers (available online) are required for entry.

For more information, contact Hartland Forensics at Hartland4n6@gmail.com or The Dance Project, a 501(c)(3) non-profit group with a mission of "changing the culture by promoting positive dancing" to area schools. 248-210-9409 thedanceproject@live.com www.TheDanceProject.info.

Hartland Audubon News

The Hartland Audubon Club will meet on Tuesday January 6. After a short meeting we will have an interesting and informative presentation by **Gordon Lonie**.

Gordon Lonie is returning to us with another fascinating program. He has previously presented programs on the wonders of reptiles and amphibians, then another on beavers. This time he will be presenting the fascinating natural wonders of the everglades. Gordon is one of our most entertaining and favorite presenters. You don't want to miss this!

Bring news of any recent bird sightings or other nature happenings to share. We encourage new members in our active, friendly group. We have a fantastically devoted President, and have wonderful field trips that are announced at each meeting.

Check out Hartland Audubon on hartlandaudubon.weebly.com. For more information, contact Birder_John@hotmail.com or call 517.546.2610.

Community NEWS

This month, teens at the **Hartland Teen Center** made Christmas Ornaments to sell at the Holiday Open House at Ore Creek Middle School. They also volunteered to work at the Holiday Open House selling the ornaments which resulted in earning \$50 that will be donated to the Hartland Teen Center.

On Veteran's Day, Justin Brandt, a serviceman for US Airforce, spoke to the teens about his journey to becoming an Air Force Pilot. He told about the obstacles he overcame and never giving up your dream. He is an inspiration to us all.

Thank you Meijers for donating \$100 and \$500 gift cards to help support our youth at the teen center. These gift cards will be used to buy supplies and meals at the teen center. The Hartland Next Door Teen Center is a non-profit 501(3)(c) organization. All donations are tax deductible and greatly appreciated by the many teens that attend the teen center after school.

The Wizard of Oz Audition Information

Encore Youth Theater's spring 2015 production will be **The Wizard of Oz.**

Follow the yellow brick road in this fantastic fun play as Dorothy, the silly Scarecrow, the lovable Tin Man, and the cowardly Lion begin their merry musical journey to Oz.

Auditions will be held on **January 10, 2015 at 9:30 am** at the Performing Arts Center in the Hartland Educational Support Service Center, located at 9525 Highland Road, Howell, MI 48843.

Doors will open at 9 am for registration and will close at 9:30am. All interested actors must be registered and signed in at that time in order to audition. Auditions begin promptly at 9:30 am.

Encore Youth Theater provides training and experience in the performing and theater arts for students aged 8-18.

All interested students are encouraged to audition regardless of prior acting experience.

This is the time of year that things start to return to "Normal." The tree is coming down, decorations are being put away, and furniture is put back in its place. We would like to remind everybody about fire safety as winter traditionally starts to set in. Take a few moments to follow these tips to ensure your family's safety should an incident occur:

- **Don't get stuck!** Open and close bedroom windows once a week. Make sure that when the temperature drops, those windows don't become frozen.
- **Snow removal.** Make sure that doors can open. If we get snow, keep the secondary doors free from snow so you can open them.
- **Don't forget about upstairs windows!** Do you have an area of a roof that a family member can stand on right outside the window should a fire occur? When you test the windows weekly, take a broom and push that snow off the edge of the roof while you are at it. It takes only a minute.
- **Make sure that all smoke alarms and carbon monoxide alarms are up to date.** Did you know that smoke alarms should be replaced once every 10 years? Did you know that hard wired smoke alarms have a battery backup? Did you know that carbon monoxide alarms should be replaced once every 7 years? Make sure your family is protected!

If you need assistance, or have questions, please feel free to contact Fire Marshal Mike Bernardin at 810-632-7676. Be sure to ask about our free smoke alarm program! Happy New Year!

This Year Celebrates 80 Years for the Hartland Memorial Day Parade 2015 Memorial Day Parade Planning Starts Jan. 5

The **Hartland Area Community Council** will begin planning the Memorial Day Parade at its January 5th meeting. If you are interested in helping plan this 80th celebration in our community, the council welcomes all at their meeting held at the Media Center of Ore Creek Middle School at 6:30 pm.

The Hartland Area Community Council meets the first Monday of each month and would enjoy your input on several community topics.

Please call Larry Hopkins at 810.632.1065 with questions.

ENCORE YOUTH THEATER OFFERS SCHOLARSHIP

The Hartland Players' Encore Youth Theater is offering a one-time \$500 scholarship to a graduating high school senior. The scholarship was initiated in 2005 and continues to recognize students who have demonstrated special ability in, and dedication to, the theater. Although the scholarship acknowledges students with experience in the theatrical arts, it may be used at the college of the recipient's choice while pursuing the discipline of his/her choice.

In order to be eligible for the scholarship, the high school senior must be a past or current member of Encore Youth Theater and have a cumulative high school grade-point average of 3.0 or higher. In addition, he/she must include with the application a copy of his/her high school transcripts, an acceptance letter from the college of his/her choice, two letters of recommendation, a completed application form, and an essay response.

Applications are available on the hartlandplayers.org website and must be postmarked by May 1, 2015.

Recipient(s) will be notified by phone on May 22, 2015. The scholarship check will then be given to the high school of the recipient so that it may be presented as part of any scheduled honors awards ceremony.

Encore Youth Theater provides training and experience in the performing and theater arts for students aged 8-18 through theatrical productions, camps, and workshops. This scholarship is a way for us to celebrate a student's growth and commitment to the theater. **For additional information, visit hartlandplayers.org or contact Amy Shettler at sshettler@concast.net.**

We encourage all who are eligible to apply!

Community Announcements

Flash from the

Here's hoping that everyone had a wonderful Christmas Season, and we truly believe that folks who have made Resolutions are sticking to them. The "Friends" have again resolved to help the Cromaine Library whenever possible. Please note that we are preparing for our **February Book and Bake Sale**. Details to follow in the February issue of Community Life.

We are fortunate to receive many, many wonderful Used Book Donations, which always means a lot of sorting (which entails volunteer workers). If you would like to help us with sorting, or could volunteer to work on the February Sale, please call Cromaine in the Village at 810-632-5200 or Mary Lynn Thomson at 810-229-7356.

We desperately need some **HIGH SCHOOL BOYS** to help with the moving of boxed books and etc. Please call if you know of an available teenager. It's a great way to help the community, and it looks great on a Student's High School Record.

ALERT: Our "Friend's January Meeting will take place on **January 20 at 6:30 pm at Cromaine in the Village**. We always have some interesting conversation, and yummy treats. No need to be a member to attend (but we love new Members). Do check us out...We're a **SPECIAL GROUP!!!!**

FRIENDSHIP is the only element that will ever hold the World Together.

Nominees Sought for Outstanding Youth

There are students in our schools, faith communities, local clubs and organizations engaged in outstanding community service work in Livingston County.

The Livingston County United Way celebrates a local **Youth**

Organization of the Year and a Young Person of Distinction each year at its Annual Meeting & Volunteer Recognition Breakfast. These special awards shine a spotlight on a group and an individual that have demonstrated a strong volunteer investment in the community during the past year.

Nominations are being accepted in both categories through **January 9, 2015**. Criteria include volunteer activities and accomplishments, and can involve work with United Way-sponsored events as well as other activities.

Please consider nominating a young person or group that exemplifies you've seen demonstrate outstanding community service work.

A nomination form is available online at www.lcunitedway.org/news.html.

For more information about the Livingston County United Way, funded programs and initiatives, and volunteer opportunities, visit www.lcunitedway.org or call 810.494.3000.

**Serving the Hartland Community
for 20 years...**

In addition to providing family vision care, Dr. Doud has been diagnosing and treating vision problems that interfere with reading and learning for more than 11 years. Dr. Doud has treated hundreds of patients from the Hartland and surrounding communities from all over South East Michigan.

"It is very rewarding to see children excel who previously struggled because of underlying vision problems," shares Dr. Doud. Most people don't realize that seeing 20/20 is just one of 17 visual skills required for academic success. All 20/20 means is that you can see the size of letter you are supposed to see from 20 feet. If your child continues to struggle with reading despite all best attempts to help, a vision problem could be at the root of his or her difficulties.

Homework Battles and Reading Difficulties Resolved— Thanks to Vision Therapy!

"Ever since Vittoria started kindergarten I noticed that she seemed to be struggling with things that my other 5 children had been able to master easily. School seemed to be a challenge for her. She was wonderful at math and oral memorization, but her reading comprehension levels were a huge struggle and her ability to retain her phonetic knowledge was nonexistent. I thought that it might be vision related, as in she needed glasses. After a visit to the U of M Pediatric Ophthalmology department, all the results came back negative.

At a complete loss, I turned to some of my close friends through a post on Facebook. One of them recommended that I contact Dr. Doud at Hartland Eye Care.

Vittoria was diagnosed with Convergence Insufficiency. We started Vittoria in vision therapy. In school, I saw her begin to advance and succeed. She is less "flighty" and more focused when she has conversations with others and is able, now, to maintain eye contact with the person with whom she is speaking. Vittoria loves arts-and-crafts of all sorts; and now her creations are displayed with pride. Best of all, Vittoria is well aware of the difference that Vision Therapy has made in her life. Vittoria reads for pleasure now. She is more confident, more determined to succeed in things that she does, and actually has an even happier and glowing outlook at life.

Looking back, I find it difficult to believe that the same little girl that looks at me with such pride in her eyes after she reads an entire page without any help is the same child that struggled to finish a single sentence. I am incredibly happy with how far she has advanced; I know that it would have continued to be a struggle for the both of us if we hadn't stumbled upon the Hartland Eye Care and Visual Learning Center."
