Superintendent's Message

Janet Sifferman, Superintendent

Dear Hartland Graduating Seniors:

Your career with Hartland Consolidated Schools is rapidly drawing to a close, and waiting for you at the end of this road is the rest of your life. While it seems inconceivable that you could possibly have better times and better friends than you have now, I promise you the best is yet to come!

There will be numerous parties and celebrations awaiting you in the coming weeks and you certainly deserve each and every one of them. However, please remember, this is a very short period at the beginning of a very long and bright future. Do not do anything that will jeopardize your life or your future happiness. You certainly can have a great time and enjoy yourself without the aid of alcohol or drugs. The rules you learned here - Reason, Respect and Responsibility - should remain with you as you go through life. Please remember to think before you act. This time should be remembered for the joy and excitement of achievement, not as a time of tragedy.

Congratulations to you and your families.

Respectfully,
Janet Sifferman
Superintendent

Hartland Schools Teacher of the Year

Rob Jellison

Hartland Consolidated Schools Teacher of the Year has taught for 16 years, the first year was as a long-term sub, all of which were for Hartland Middle School. Jellison's passion for teaching came from his love for children and wanting to help them learn about the world beyond the classroom walls.

Having great teachers growing up and seeing how much they enjoyed their job had a huge impact on Jellison's decision to become a teacher himself.

"As I tell people all of the time - everyday is a new journey in the profession of teaching," he said. "Growing up in Hartland, I knew I wanted to be a teacher by the time I was a junior in high school. It was not until I helped build houses while attending GVSU that those thoughts changed. I loved working with my hands and thought a residential log homebuilder was going to be the path I took into my retirement years. However, having a pars fracture in my L5 vertebrae changed my path, and brought me back to teaching. As many have told me time and time again - everything happens for a reason."

The archery program at Hartland Schools was started when Jellison took an educational wilderness leadership class in Jackson Hole. This is where he learned about the National Archery in the Schools Program and thought that it would be a great addition in Hartland. Having always been an avid outdoorsman who loved to hunt and fish, Jellison returned from his trip as a certified instructor and took the proposal to Mr. Steve Livingway, principal at Hartland Middle School. Livingway and Hartland Superintendent, Jan Sifferman gave Jellison permission to order equipment and teach a few science units in his classroom while using archery equipment. Shortly after the units ended, students wanted to keep shooting, so Jellison stayed after school with 18 kids to shoot. Those 18 students became the start of the Hartland Youth Outdoors Club, that also involves fishing, canoeing, shotgun sports, and archery.

Today, there are more than 200 students in the district that tryout for the elementary, middle school, and high school archery teams each year. These teams have won 23 State Titles in ten years and have the World Record High Score for a female archer. They have had archers win Nationals, Worlds, and make the USA All-Star Team every year for the past five years.

"The best part of my job is seeing a student who looks at me and knows that I truly care about them," Jellison said. "It is not just a student/teacher connection. They become family to me as soon as they walk into my classroom. Of course I want them to learn my curriculum and be prepared for the high school, but in the big picture, life can get in the way at times and they just need to know someone cares more about them than how they are doing on an assessment or in a class."

...Teacher of the Year continued from Page 1

There are many people in Jellison's life that he credits to helping him get where he is today. "Growing up in the Village of Hartland always made me feel connected to this town," he said. "My parents always supported me and pushed me to be the best I can be. Meeting my wife while in high school and now raising three kids with her who also attend Hartland has kept me grounded and they have always supported me and my career, along with the extracurricular activities that come with this career.

"Having teachers like DeBest, Collins, Cooley, and Mishler (just to name a few) made me want to become a teacher. Having support from Pete Caroselli, Tena Alvarado, Jan Sifferman, and Steve Livingway when I first came to Hartland to teach made a huge difference as well. And now working with some of the greatest teachers I know has helped keep me young at heart, even though I know I am getting old.

By no means do I feel better than any other deserving teacher in this district. Times are tough for teachers, and yet we show up and do our job - why? Because we love what we do and we make a difference - Period. There are many deserving teachers in this district and I am blessed to be the one they have chosen to represent them this year and will continue to change lives one day at a time."

Get Connected to Hartland's Parent Portal!

The parent portal provides each parent access to his or her child's student data including attendance, academic records, progress reports, lunch account, and more.

Each parent may request his or her own PIN and password to access the portal.

Here is how to get yours:

1. Send an email to pc@hartlandschools.us, preferably from the email account you provided Hartland Schools upon registration of your child.
2. In the subject line, type Parent Portal PIN & password request.
3. List all your children currently enrolled in Hartland Schools, by their legal name.
4. After each child's name, indicate the building in which he or she is enrolled.
5. Be sure to indicate your legal name as the parent making the request.
6. Send the email.

A personal PIN and password will be emailed to you within 1 or 2 school days. We recommend you keep the PIN and password in a safe place. You have the ability to change your password but if you do forget it, you can always email and request a password reset.

Rent Our Facilities

Did you know that you can rent one of our rooms or a building for a one-time or continuous event or to hold a baby/bridal shower, church services or a meeting for your homeowners association? **Call Hartland Community Ed at 810.626.2150 for more details on rates or to schedule your event.**

Have You Submitted Your Transportation Forms for the 16/17 School Year

All existing Transportation Forms (Alternate Destination, Joint Custody, School of Choice, and Legacy forms) will expire on June 20, 2016. New Transportation forms for the 2016/2017 school year must be submitted and received by July 1, 2016 to request a bus assignment other than the home address.

All forms are destroyed at the end of the school year. New forms are required each year by July 1st to incorporate your request into our routes. If new forms are not submitted, all in-district students will be assigned to the stop closest to their home.

After July 1st, non-resident students that do not have a new form submitted will not receive a bus assignment, and cannot be assigned a bus for the first two weeks of school.

For your convenience, 2016/2017 forms are available on the district web site at <http://www.hartlandschools.us/Departments/Transportation/Forms/index.html>

As you know Transportation informational post cards will arrive a week before the new school year, so our office will be open throughout the summer months preparing routes. Have a safe and enjoyable summer!

THANK YOU

I would like to thank the Hartland Middle School staff, parents and students for another great school year. Good luck to the class of 2020 as they move on to high school. Remember that you are part of Hartland Pride and a long tradition of excellence.

For incoming seventh graders and new eighth graders, remember that it is people – teachers, students, support staff, and parents – that make a school great, and we have the best middle school in the state!

Do you know someone who makes our community special?

Nominations are being accepted for the Hartland: Friendly by Nature Volunteer of the Year Award. Three finalists will be selected by the Friendly by Nature Committee. Online voting will be held to determine the winner. The Volunteer of the Year will be recognized at the State of the Township Address in October and will ride in the 2017 Memorial Day Parade.

Visit HartlandLiving.com for the nomination form. Nominations must be received by June 15, 2016.

Safer Roads update Construction season is upon us

Now that summer is finally here, construction crews will begin improvements to five roads in our Township:

- | | |
|----------------------|-------------|
| Dunham Road | Hacker Road |
| Pleasant Valley Road | Read Road |
| Hibner Road | |

The Road Commission estimates that all five projects will be complete before school begins again in September. For updates on construction, visit HartlandRoads.com.

Hartland Audubon News

The Hartland Audubon Club will meet on Tues. June 7 at 6:30 p.m. for a potluck dinner. Please bring a dish to share and a table setting. We meet at the Hartland Educational Support Service Center, 9525 E. Highland Rd. (Hartland Twp.) We will have a short meeting following dinner, at which we share bird sightings followed by a nature presentation.

Tonight's Hartland Audubon presentation will feature Don Burlett, President of the Oakland Audubon club. Don will be presenting a program on the many bird families of Thailand. Thailand is called "the Land of Smiles" and Don will be telling us why as he takes us on a tour of this enchanting country.

We have an enthusiastic, interesting group and take wonderful field trips which are announced at the meetings. Also check out the Hartland Audubon web-site: hartlandaudubon.weebly.com. IS YOUR CHILD READY FOR KINDERGARTEN?

The secret to their success is pretty simple!

Dear Fellow Parent

While teaching 100's of preschoolers over the years we have discovered one critical key to success for not only kindergarten but for the rest of their lives.

I'm Sam Larioza, a Fowlerville resident and father of two awesome kids. Our karate school is not about kicking or fighting. We are really here to team up with parents, teachers, schools and coaches to help raise happy and highly successful children! It's all about developing the right skills, attitudes, habits and character traits.

Here is the secret: **Your child's first day in kindergarten is HUGE!**

It will pretty much dictate how your child does for the rest of their academic career! If your child is ahead of her peer she will stay ahead and love school. Kids that start off behind their peers almost never catch up and like school less. Sometimes they not only fall behind but also get "labeled" as unable to focus, hyperactive or extremely shy.

We have wonderful teachers in our elementary schools but partially because of the overwhelming academic curriculum they do not have the time or resources to teach these basic skills to your child. Your child will be expected to have these skills before they get to kindergarten.

The two skills needed are centered around **Courage** and **Self Control**

- **Self Control:** For starters your child needs to know how to **Listen, Follow Directions and Wait Their Turn**. Many kids, even those in preschool, cannot do these three simple things!

Not only do they need these skills to sit still and listen to the teacher but these will also affect their social interactions with their peers and ability to make friends.

- **Courage:** Many are so painfully **shy** that they have difficulty leaving their mother let alone being taught by changing teachers. Some have a "**fear of trying something new**". Others have a "**fear of failure**". Fear and anxiety holds back so many kids today and it is getting worse! An indicator of this is when a child does something that becomes the least bit difficult or hard they want to quit (or worse yet, give up before even trying!)

Any educator will tell you that "prior knowledge" is the number one indicator of a child's success in elementary school. How do you make sure your child has the skills to succeed in school? **They must have these vital skills in place well before kindergarten starts!** So put them in situations, environments and programs that give them the opportunity to experience and learn these skills. Kids learn by **DOING**.

Our "preschool program" is specifically designed with one objective. To not only get kids ready for kindergarten but to ensure that they are miles ahead of their peers.

Next time I will tell you about the next critical point in your child's life. If I can help your child or your family give me a call or visit our website www.ohanakarate.com.

Yours for Rock Solid Kids,

Sam Larioza

Hartland Players' Encore Youth Theater Where Theater Comes Alive!

Drama Boot Camps, Summer 2016

Encore Youth Theater offers great opportunities for children ages 8-18 to learn and develop in the theatrical arts through Drama Boot Camps and Theatrical Productions. This year we are offering three different camps. All camps take place at the Hartland Music Hall and include a Friday evening performance. Visit hartlandplayers.org to register.

Acting for Children

(Ages 7-11) July 18-22, 2016; 9:00 am to 12:00 pm; \$95

A half day camp designed to provide children with training and practice in basic stage acting principles, including stage projection, singing and dancing. Camp capacity – 20. Kids! Performance Friday evening, July 22.

Musical Theatre Workshop: Jungle Book Kids

(Ages 7-12) July 25-29, 2016; 9:00 am to 4:00 pm; \$195

Join us in the jungle! Children will learn how to put on a musical production, including acting, singing and dancing. The many ensemble roles give young children and those new to the theatre just the right amount of challenge to get started, and those ready for more will not be disappointed! They will audition and be assigned parts based on age and experience, but all children will learn a great deal and be fully involved in the production of Disney's Jungle Book. Camp capacity – 25 Kids! Performance Friday evening, July 29.

Musical Theatre Workshop: Broadway Revue

(Ages 12-18) August 1-5, 2016; 9:00 am to 4:00 pm; \$195

This camp will feature both musical and non-musical scenes from various shows such as Into the Woods and Hair Spray. Actors wishing to receive a singing role should come prepared to audition on day one with a one-minute song. We will also be reading various scenes and have light choreography for all auditions. This camp is designed to make everyone a star! Camp capacity – 25. Kids! Performance Friday evening, August 5.

All camps will be a closed session so the campers can focus on perfecting their performances.

Encore Audition

Opportunity: The Hobbit,

Auditions will be held Saturday, September 10, 2016 at 9:30am at the Hartland Music Hall. Look for audition information at hartlandplayers.org and the Cromaine Library beginning in August. Performance dates are October 21, 22, & 23, 2016.

Hartland Archery

15,000 archers registered for the 2016 National Archery in the Schools Program's National Championship in Louisville, KY. Nearly 13,000 of those registered showed up to shoot, making it the largest archery event EVER in the world!

Congratulations to the Hartland High Varsity Archery team, the 2016 National Champions!! They finished in 1st place out of 232 high school teams and was this year's Overall Championship Team out of ALL 594 TEAMS there!

The Middle School Archery team nearly reached the podium with their best National finish ever with a Top 5, coming in 4th place out of 206 middle school teams!

The Elementary Team also had their best finish coming in 38th out of 156 elementary teams. We were hoping for a Top 50 finish and they reached that goal beating 76 percent of the teams in their division!

Individual victories and additional team wins kept coming in the 3D competition! Mia Kilburg finished with a 5th place finish for elementary school Females. Garett Fyke finished with a 1st place finish for HS Males and won the Overall Champion for 3D Males!

The 3D Team scores for the high school were unreal and only two points separated 1st place and 3rd place. The winning team shot a 1446, 2nd place shot a 1445, and Hartland High Varsity shot a 1444 - (earning a 3rd place finish.) Thank You Archers, Coaches, and Families!

FLASH from the FRIENDS OF THE CROMAINE DISTRICT LIBRARY

Wow, what a very special "Spring Book Sale" the "Friends" just enjoyed. Although the Sales are always a ton of work, they're a lot of fun. Many opportunities to meet new friends, express ideas, and laugh often. We want to express our thanks to the Library Staff for providing a delicious "Soup & Salad Lunch" to the "Volunteer Workers" on Thursday.....wonderful left-overs on Friday. We are proud to announce that all profits go directly to benefit the Library in all its wonderful endeavors.

Please check the "Friends" out at the "Farmer's Market" New Location. (Ore Creek Middle School just North of Dunham Rd.) We will be there the 3rd Saturday in June, July, and August.

June 11 will be the KICK off for the "Summer Reading Program" at Cromaine in the Village. The "Friends" Book Room will be open, and the Library will be buzzing, with excitement. The festivities will end with the Finale of the "Summer Reading Program" on August 20. On this day, there will be a Circus Style Party called "Cirque Amongus". What fun everyone will have!!!! See you there,

Your Friend, Mary Lynn Thomson

Congratulations to the Hartland High School CAD students who competed in the Michigan Industrial Technology Education Society's annual state competition in Lansing. Seventy-two Hartland student projects competed against 6,900 entries from across the state.

This year we had one Hartland student, Ren Bailer, who won a Grand Award. This means that Ren won over all of the students who competed in her division. Hartland also had six students who were awarded a 1st place, six students received a 2nd place, and two students placed 3rd for projects that were entered into an architecture, mechanical engineering, or animation category. This is a huge honor for these Hartland students. Congratulations to all who participated!

Here are some of the highlights:

- Ren Bailer – Grand Award Winner, Regional Best of Division Award, 1st Place: Animation
- Griffin Young – 1st Place: Mechanical Drawing
- Joe Dwyer – 1st Place: Mechanical Drawing
- Connor Juvonen – 1st Place: Mechanical Drawing
- Ethan Martin – 1st Place: Architecture
- Lillian Kuikahi – 1st Place: 3D Print Model (Assembly)
- Bill Reighard – 1st Place: Video Game Program
- Connor Juvonen – Regional Best of Division Award, 2nd Place: 3D Print Model (Assembly)
- Merek Bykowski – 2nd Place: Architecture
- Randel Rosiek – 2nd Place: Mechanical Drawing
- Andrew Heawagen - 2nd Place: Mechanical Drawing
- Caleb Clark – 2nd Place: Animation
- Strider Toll – 2nd Place: Animation
- Emily Horst – 3rd Place: Mechanical Drawing
- Strider Toll – 3rd Place: Video Game Program

Hanging Out with Friends at The HERO Teen Center

The Hartland HERO Teen Center offers many activities on a regular basis for the teens in Hartland. Some examples include face painting for younger children in the community, making a Memorial Day float for the parade and bringing outside speakers from local businesses and organizations. Teens even got to experience making a Tony Sacco's Pizza as well as creating their own specialty pizza for the menu.

Tony Sacco's also helps the Teen Center by donating \$1 anytime a customer buys a pizza. *Thank you Tony Sacco's for all your support!*

"The HERO Teen Center is a wonderful resource we have in Hartland," Julie Brown, parent of Hartland teens said. "My teens enjoy coming to the Teen Center for the community and activities and they have been offered many different leadership opportunities and have benefited from serving on the student leadership board.

"For those children who do attend, it provides a safe, fun, educational environment for them instead of going home to an empty house or possibly worse "hanging out" around town where they usually find trouble," she said.

"It gives me a place to socialize with my friends." Jacob Howard said when asked why he attends the teen center.

"I like to hang out with people here and my parents work late," Justin Boyd said.

"The directors help you out if you are having problems," explains Myah a seventh grader. "They listen to you."

Thank you to the Hartland Township and all the local organizations and businesses for supporting this very worthy cause in our community.

Struggling with Reading? Tried tutoring...but poor results?

Struggling Student Now Gets A's & B's - Thanks to Vision Therapy!

"By first grade, Davis was significantly behind. He couldn't keep up or follow directions. His teacher and a special education teacher expressed significant concerns regarding his inability to recall and remember."

"I brought Davis to his pediatrician. The meeting with his doctor did not go well. I was told to lower my expectations. He would never be 'fixed'. We went to Dr. Doud's the next day and I broke down crying as I told him what his doctor had stated. I let him know - I knew my little boy was intelligent. He just couldn't get it out."

"Dr. Doud tested Davis' vision and discovered that his vision was significantly delayed in several areas. He not only gave me hope - which at that point was all I wanted, but a plan to assist Davis."

After vision therapy, "Davis improved so significantly that at the end of second grade, I was told not to let the 3rd grade teachers know anything was wrong with his ability. He had all A's and B's. He was able to keep up and follow directions. His visual memory was 14% when we started vision therapy. It is now near 90%."

"I am so pleased and cry at the thought of how far he has come. It truly is overwhelming to think of what would have happened to Davis if we would have listened to his pediatrician, lowered expectations and accepted this situation, Davis would have failed at school and in life."

We can help—call today!

Serving families in Livingston County for more than 20 years...

In addition to providing family vision care, Dr. Doud diagnoses and treats vision problems that interfere with reading and learning.

Dr. Doud has treated hundreds of children from the Hartland and surrounding communities from all over South East Michigan.

Do You Know the Top 5 Signs that a Vision is Blocking Learning?

- Skips lines and/or rereads lines
- Homework takes longer than it should
- Short attention span with reading & homework
- Poor reading comprehension
- Reverses letters like "b" and "d" when reading
