## Superintendent's Message

Janet Sifferman, Superintendent

Dear Hartland Graduating Seniors:

Your career with Hartland Consolidated Schools is rapidly drawing to a close, and waiting for you at the end of this road is the rest of your life. While it seems inconceivable that you could possibly have better times and better friends than you have now, I promise you the best is yet to come!

There will be numerous parties and celebrations awaiting you in the coming weeks and you certainly deserve each and every one of them. However, please remember, this is a very short period at the beginning of a very long and bright future. Do not do anything that will jeopardize your life or your future happiness. You certainly can have a great time and enjoy yourself without the aid of alcohol or drugs.

The rules you learned here - Reason, Respect and Responsibility - should remain with you as you go through life. Please remember to think before you act. This time should be remembered for the joy and excitement of achievement, not as a time of tragedy.

*Congratulations to you and your families!*

Respectfully,

*Janet Sifferman, Superintendent*

## Hartland Consolidated Schools 2014-2015 Teacher of the Year

### Congratulations to Michelle Wentzel

Above: Hartland Consolidated Schools Superintendent Janet Sifferman presents 2014-2015 Hartland Teacher of the Year to Michelle Wentzel along with HEA President Kim Evans and Creekside Elementary principal Lawrence Pumford.

*"Upbeat, Positive & Looks for the Good in Every Child"*

The 2014-2015 Hartland Teacher of the Year has been awarded to special education and reading support teacher **Michelle Wentzel**.

Wentzel, who currently works at Creekside Elementary, has been teaching for more than 17 years and has spent her entire career in Hartland. The veteran educator, who was nominated and selected by her peers for the award, was described as "kind, conscientious, knowledgeable, and amazingly effective."

"During her time at Hartland Schools, Michelle has been a strong advocate for her students and works tirelessly to ensure their academic success as well as focusing on their social and emotional needs," Hartland Consolidated Schools Superintendent Janet Sifferman said. "We are fortunate to work with such a talented and dedicated teacher."

"Michelle is a remarkably caring individual," Creekside Principal Lawrence Pumford said. "I have seen her take a child under her wing and turn a sad face into a happy face. She is able to help students find their strengths and build on them. Her room is known as a place of refuge for all students, but especially for those who are struggling."

"She has a "knitting corner" in her room for children to come and roll and knit yarn," Pumford said. "Many needy children come to participate in her knitting club. They love to be part of the group and they love to be around her."

As an educator, Michelle loves teaching students to read, including her three grandchildren. When Michelle is not teaching, she loves to knit or read to relieve stress and also enjoys spending time with her family and husband of 36 years.

"Michelle is truly an amazing teacher and individual," Pumford said.

## Principal's Corner

**Ben Mainka, Hartland High School Principal**

Dear Parents and Students,

I would like to first start by telling you how blessed and fortunate I am to serve this community as the Principal of Hartland High School. I am constantly amazed by the support and efforts of the HHS teachers, students, support staff, parents, and administrators who work to make our school such a special place. It is for these reasons that I share news that is both being exciting yet bittersweet for me.

I have recently been offered the opportunity to become the Associate Director for the Michigan Association of Secondary School Principals. This position represents a tremendous opportunity for my career and my family. In this role I would be given the chance to work on projects across the state that impact large numbers of students. After careful thought and deliberation, I have decided to accept this opportunity and take this next step in my career.

The hardest part for me will be the transition from the students, staff, and relationships I have come to treasure so much here in Hartland. I will greatly miss the relationships that I have forged for the last three years, yet I also recognize that opportunities do not always present themselves on our timetable. I will still remain a proud Hartland Eagle, as my four children will attend school here in Hartland for years to come. My hope is that we have the opportunity to see each other at events and community gatherings, as I fully intend to remain invested in the Hartland school community.

Starting this summer, Mr. Dave Minsker will be replacing me as the new Principal of Hartland High School. Mr. Minsker brings with him many years of successful administrative experience at both the high school and elementary school level. He is currently the Principal of Round Elementary School, where he has done an amazing job leading the team at Round to where it is today. Mr. Minsker is a proven and outstanding leader who I know will be a perfect fit for the HHS students, staff, and community.

I have appreciated serving here in this wonderful district that I call my "home" district. I am excited for my children to experience the quality teachers and outstanding program that is offered here in Hartland. Thank you so much for your kind words and support in my time here as the Hartland High School Principal.

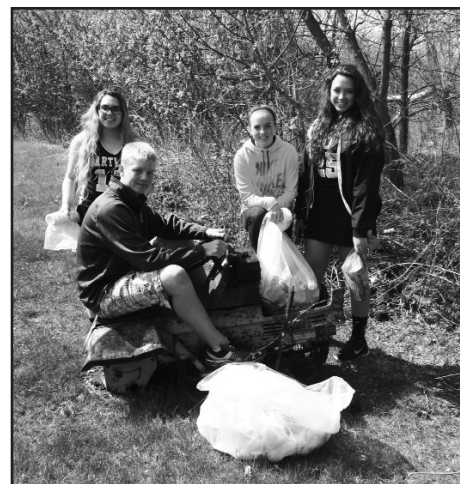

*Respectfully,  
Ben Mainka, Principal*

Our very own 3rd grade student Kaden Bunn was the MC for the evening and did an amazing job! Our talented students brought down the house and put on a fabulous show! Thank you to everyone that came out and supported our students

and  
 A big **THANK YOU** to Marcy Patzer for organizing and running the show!

A great big THANK YOU from the bottom of our hearts, Mary Corder & Mrs. Meier, for your amazing work and dedication on the Village PTO!

Village Elementary has been lucky to have these two talented ladies on the PTO board. Mary has been on the PTO for the past 7 years and is finishing her last year with us as PTO President. Mary and her family have been dedicated volunteers year after year who have helped make Village what it is today!

Mrs. Meier is not only an amazing teacher at Village but has selflessly volunteered her extra time for the past five years as Teacher Liaison to the board. Come fall there will be a new PTO board in place and another school year underway... but we will always remember what you have done for our Village family and you will truly be missed! ### Hartland LEGACY Alternative Education

*“Working to develop a community of learners who are prepared to live, work and contribute to an ever-changing society and world.”*

What is LEGACY? As LEGACY celebrated its 30th anniversary, its role in educating Hartland youth is changing. However, the program’s primary focus, demonstrated by its acronym Let’s Educate, Graduate and Care for our Youth, remains.

LEGACY offers students an alternative method to earn their high school diploma. Class sizes are small, with a 20 to 1 student/teacher ratio. Teachers are able to meet individual academic needs. In addition to academics, LEGACY provides instruction in support of other key areas including: healthy choices, parenting, substance abuse awareness and career planning. The program boasts on-site counseling, group support, academic tutoring and planning for successful futures.

When are classes? Classes follow a traditional school calendar. Students attend on a daily, reduced-hour schedule. Time away from the classroom allows for greater involvement in career planning, work experience and community volunteerism. Correspondence classes provide non-traditional course options. Student responsibility initiatives are also part of the credit-earning process.

*Need more information? Please call Rosanna Hamilton at 810.626.2104 or the Hartland Community Education Office at 810.626.2150 if you wish to have your child considered for an in-take interview.*

### A Big Warm Welcome to Mrs. Lyn Daniels

Starting this Fall, Lyn Daniels will be joining Hartland Consolidated Schools Preschool, working together with Laura DeRosier at our Child Care Center location.

Married with four children ranging in age from 17 to 4 years old, Lyn will be returning to work after being a stay-at-home mom for several years. With all of her children currently attending Hartland Schools, Lyn has been very active over the past years volunteering mainly at Village Elementary and the preschool building.

**What I am most excited for:** I'm excited about engaging in the community/ with the children, in a new way. I've volunteered at the schools for the last 12 years, primarily at Village Elementary, becoming a part of the preschool program, I feel, is like a great opportunity for me to continue reaching out to and inspiring the young lives in our community the way I have with my own children over the last 17 years.

**Favorite thing:** The children! I Love kids and I love how much they love you. I love watching them grow academically as well as physically. They are the definition of perfection, in my opinion. They are little sponges that just want to know more everyday, and being a part of giving them that knowledge that they desire so much, is an inspiration to me.

## Get to know the Township: *Larry Ciofu*

Hartland Township Clerk and newest member of the Hartland Board of Trustees Larry Ciofu may be new to local government, but he is well known in our community.

Many may remember Larry from the days of Hartland Pizza, a community landmark that he owned for 18 years. Larry has also been in the mortgage industry for more than 25 years and, in December, decided that he needed another challenge.

December was also the month that Township Clerk Larry Hopkins passed away. Larry and Larry were good friends and served together on Community Council. When the Township was seeking someone to serve the remainder of Larry Hopkins' term, Larry Ciofu saw an opportunity to continue the legacy of customer service that his friend had created.

"We may be growing, but we're still a small town," says Larry. "Taking care of each other is what we do."

## Hartland: Friendly by Nature Volunteer of the Year *Karla Griscom*

Congratulations to Karla Griscom, LaFontaine Automotive marketing director, who has been named the Hartland: Friendly by Nature Volunteer of the Year. From her work with the Hartland Area Chamber of Commerce and Habitat to Humanity to her many hours dedicated to the United Way and the Salvation Army, Karla exemplifies the volunteerism that is key to our community's success.

"I am fortunate that LaFontaine shares my commitment to community engagement and encourages me to support the many organizations in our region that do critical work," says Karla. "I'm honored to receive this recognition."

As Volunteer of the Year, Karla received a proclamation from the Hartland Township Board of Trustees and was honored in the Hartland Township Memorial Day Parade.

## MEDICAID FACTS AND MYTHS

### MEDICAID FACTS

- Proper Medicaid planning allows your loved one to qualify for Medicaid and preserve their life savings.
- Through proper planning, money can be set aside to be used by the nursing home resident to purchase items not covered by Medicaid, such as clothing, barber or beauty salon services, perhaps a big screen television.
- Proper planning allows you to use assets to protect a disabled or special needs child's future, while still qualifying for Medicaid.
- Proper planning may allow you to qualify for Medicaid while still leaving an inheritance for your children and grandchildren.
- A Medicaid patient receives the same level of care as a private pay patient in any nursing home that accepts Medicaid.
- It is almost never too late to do effective Medicaid planning, but the earlier it is done the more

options are available.

- While Medicaid is a "spend down" program, with proper planning using various strategies and techniques, it is possible to keep certain assets and techniques, it is possible to keep certain assets and transfer or gift other assets without disqualification for Medicaid.
- Medicaid limits the transferring of assets for less than fair market value, so don't transfer or gift your property without proper legal advice to avoid Medicaid disqualification.
- Medicaid rules are constantly changing, and the rules that applied to your family members or friends in the past may not apply to you now or in the future.

### MEDICAID MYTHS

- I have to spend all my money before I will qualify for Medicaid. **False.** While

Medicaid is a "spend-down" program, you don't have to be destitute, or leave your spouse destitute, to qualify for Medicaid.

- You can gift up to \$14,000.00 a year without affecting your Medicaid. **False.** The \$14,000.00 is the amount you can gift without taxes under the tax code, it is **NOT** an allowable transfer under Medicaid.
- I put my child on my bank accounts as a joint tenant years ago so at least half is protected from Medicaid. **False.** Generally, non-real property assets such as bank accounts and brokerage accounts held in joint tenancy with a child are considered 100% assets of the Medicaid applicant, unless you can show that the child provided deposits of the child's funds into the account.
- My assets are in my Living Trust and therefore are not

considered for Medicaid. **False.** Assets held in your Revocable Living trust are considered your assets for purposes of Medicaid eligibility.

- I can only spend down my assets on medical and nursing home bills. **False.** While some nursing homes would have you believe this, with the assistance of an Elder Law Attorney the money can be spent down in ways of greater benefit to the applicant, applicant's spouse or family.
- I can hide my assets and qualify for Medicaid. **False.** Intentional misrepresentation on a Medicaid Application is a crime and can result in criminal liability for both you and the person to whom the asset is transferred. Proper Medicaid planning uses the provisions of the law itself to achieve the applicant's goals and everything is fully disclosed as part of the application.

## Troop 381 Honors Eagle Scout Bryan Peterson

Family, friends and fellow Scouts and leaders of Boy Scout Troop #381 celebrated the achievement of our newest Eagle Scout, Bryan Peterson, on Sunday, April 19th, 2015. Bryan's Eagle Court of Honor was held at St. Mary Magdalen Church in Brighton, where he is a member of the youth group.

Troop Committee Chair Deb Curcuru welcomed those in attendance and introduced Father Dave Howell who delivered the Invocation. Fellow Scouts Zack Mason, Joey McMullen, Jack Parzuchowski and Andrew Carl served as Honor Guard, led by Senior Patrol Leader David Dunville. Troop #381's Training Chair, Tom McMullen, presented the Trial to Eagle. The Significance of the Eagle Rank was presented by our Outdoor Chair, Bryan's Eagle Mentor, Tom Sienkowski. Following a slideshow highlighting Bryan's Scouting career, our Chartered Organization Representative, John Parzuchowski, delivered the Charge to Eagle. Scoutmaster Ron Trosin II presented Bryan with his Eagle Scout rank, the highest level of recognition a Scout can earn in Boy Scouting, together with his parents, Antoinette and Mike Peterson. After the closing flag ceremony, Troop Chaplain Jim Bauer delivered the Benediction. Letters of Commendation from President Barack Obama and Michelle Obama, President George W. Bush, Governor Rick Snyder, Senators Debbie Stabenow and Gary Peters, Congressman Mike Bishop, State Senator Hank Vaupel and State Representative Joe Hune were on display, along with memorabilia from Bryan's years in Cub and Boy Scouting.

Bryan selected, as his Eagle Scout Service Project, to manage the installation of a meditation garden at St. Mary Magdalen Church in Brighton, Michigan. Boy Scout Troop #381 congratulates Bryan Peterson on earning the rank of Eagle Scout, an honor he and his dad now share.

**Serving the Hartland Community  
for 20 years...**

In addition to providing family vision care, Dr. Doud has been diagnosing and treating vision problems that interfere with reading and learning for more than 11 years. Dr. Doud has treated hundreds of patients from the Hartland and surrounding communities from all over South East Michigan.

"It is very rewarding to see children excel who previously struggled because of underlying vision problems," shares Dr. Doud. Most people don't realize that seeing 20/20 is just one of 17 visual skills required for academic success. All 20/20 means is that you can see the size of letter you are supposed to see from 20 feet. If your child continues to struggle with reading despite all best attempts to help, a vision problem could be at the root of his or her difficulties.

## Homework Battles and Reading Difficulties Resolved— Thanks to Vision Therapy!

"Ever since Vittoria started kindergarten I noticed that she seemed to be struggling with things that my other 5 children had been able to master easily. School seemed to be a challenge for her. She was wonderful at math and oral memorization, but her reading comprehension levels were a huge struggle and her ability to retain her phonetic knowledge was nonexistent. I thought that it might be vision related, as in she needed glasses. After a visit to the U of M Pediatric Ophthalmology department, all the results came back negative.

At a complete loss, I turned to some of my close friends through a post on Facebook. One of them recommended that I contact Dr. Doud at Hartland Eye Care.

Vittoria was diagnosed with Convergence Insufficiency. We started Vittoria in vision therapy. In school, I saw her begin to advance and succeed. She is less "flighty" and more focused when she has conversations with others and is able, now, to maintain eye contact with the person with whom she is speaking. Vittoria loves arts-and-crafts of all sorts; and now her creations are displayed with pride. Best of all, Vittoria is well aware of the difference that Vision Therapy has made in her life. Vittoria reads for pleasure now. She is more confident, more determined to succeed in things that she does, and actually has an even happier and glowing outlook at life.

Looking back, I find it difficult to believe that the same little girl that looks at me with such pride in her eyes after she reads an entire page without any help is the same child that struggled to finish a single sentence. I am incredibly happy with how far she has advanced; I know that it would have continued to be a struggle for the both of us if we hadn't stumbled upon the Hartland Eye Care and Visual Learning Center."

## Over \$30,000 IN SCHOLARSHIPS FOR HARTLAND HIGH SCHOOL ARCHERS!

The Hartland High, Middle and Elementary School Archery Teams competed at the National Archery in the Schools Program's (NASP) National Tournament this past weekend in Louisville, KY after qualifying for Nationals by winning all three State Championships earlier this year at CMU.

Not only did Hartland reach the Top 10, they beat their personal best record and walked away with a 2nd place finish! Best ever showing by Hartland High and missed a National Championship by ONLY 6 points! The Hartland High School Team came in second place and the Middle School team also came in second place. Then the score that the High School Team shot was not only the second highest in the HS Division, but it was also the second highest score out of ALL Divisions – which earned all of the HS 3D Varsity Archers a \$750 Scholarship! That is came to \$9,000!

Chris Bee and Brendan Dziobak from the HS team and Gareth Fyke from the MS Team all had Top 5 individual scores in 3D. Chris Bee was in a three way tie for first and he had to go into a shootout. With over 3,000 spectators watching he finished one point behind the high score and came out with a 2nd Place Overall finish and another \$750 Scholarship for himself – bringing his winnings to \$1,500!

The most exciting day was when Sydney Vivian, a freshman on the HS Varsity Team, shot her way into a Top 5 finish (3rd overall) in the 10 Ring Event. The Top 5 males and Top 5 Females in the 10 Ring event all shoot in a Scholarship Shootout. Sydney and two other girls tied for first after the first round shooting a 49 out of 50. So these three girls had a one arrow shootout again (closest to the center wins). Sydney shot second, after the first girl shot a low 10, and buried her arrow dead center in the 10. With her perfect shot – Sydney won the Top Scholarship Award of \$20,000!

Hartland walked away with over \$30,000 in scholarships and prizes! It is truly amazing how far this group has come. Every year they have to overcome the conflict of Prom on Friday night, and most of the Juniors and Seniors leave at 2 am or 3am Sat. morning after being up all night at Prom and make the 6-7 hour drive to Louisville. This year we had archers literally drive in and shoot – they looked tired, but pushed through. Some shot a little below their average, but that is to be expected due to being so tired. Congrats to all of the Hartland Archers! Great Job!

Congratulations to the LEGACY Softball team winners of the 2015 Alternative High School State Championship. LEGACY Athletics has had many success but winning the MAAA Softball State Tournament is a first coming up short in 2013 and 2011 with Runners-up performances. In winning the Championships, LEGACY defeated the following teams: Downriver, Southgate, Portage and Southgate again in the final.

**Front row:** Jenny Grant, Travis Kurkowski, Zoe Walker, Shannon Herbst, Jeff Delauder, Cody Posey.

**Back row:** Coach Lemay, Bryce Tochman, Tyler Frick, Kody Walsh, Nick Anderson, Matt Springer and Coach Randy.

## Hartland Rotary's 5th Cardboard Regatta

Hartland Rotary has begun to prepare for our Fifth Cardboard Regatta, **Saturday, July 18, 2015**, at Waldenwoods. Waldenwoods will be open to the public 8 AM- 5 PM with proceeds from our major fund raiser being focused on local youth programs and other groups who help make Hartland a stronger community. Pancake and Sauge Breakfast starts at 8AM down near the beach.

For the second year we will feature a corn hole competition, along with select vendors who will be showing their wares next to our always popular silent auction tent. We are excited and appreciative of our local sponsors who help us with not only financial support, but also attend the event and participate in racing their cardboard boats on beautiful Lake Walden.

If your family or club would like to build a cardboard boat and join our race in July please check out our website: [www.hartlandrotary.org](http://www.hartlandrotary.org) for instructions on boat construction and how to enter our event. Our event features different age classes from youth to adults as well as small two man vessels to the "big" four-six man behemoths.

RYLA or Rotary Youth Leadership Awards took place at Camp Copneconic, Fenton, April 16-19. Over 150 high school students from District 6380 attended and experienced a weekend they will not soon forget. Our Rotary District includes Livingston, Washtenaw, Monroe, NW Oakland, Macomb Counties, and Districts in Canada including Tilbury, Chatham, and Ridgetown. Leadership is always the weekend's focus.

Visitors are always welcome to join us on Thursday mornings for breakfast and informative presentations at the Hartland Insurance Agency, 2532 Old US 23 at 7:30 AM. If you have a passion for community service and enjoy sharing the fellowship of those with a similar desire, please consider joining us. Please visit [www.hartlandrotary.org](http://www.hartlandrotary.org) for more information on our club.
