## Superintendent's Message Chuck Hughes, Superintendent

With the graduation season upon us, I am honored to support the Livingston Community Prevention Project, Parents as Partners in Prevention, The Hartland Coalition, Project Success, Livingston County Community Alliance, and the Office of the Prosecuting Attorney in an effort to educate parents on the power of modeling positive choices for our graduates.

I humbly request that parents support that providing alcohol to minors is against the law. Help me to ensure that no tragedies confront the community due to poor adult choices. I ask you to recognize the great responsibilities that come with celebrating the accomplishments of our graduates.

In just a few more days school will be out for the summer. The school year has flown by so quickly! I have been blessed with a wonderful team of educators and a supportive community, and am very thankful for the opportunity to guide the district forward and to meet your needs during the year.

## Sinking Fund Proposal Passes:

**I want to take a moment to thank the Hartland Community for approving the Building and Site Sinking Fund proposal on May 2, 2017.**

While the ballot was confusing asking for a tax increase, the end result will be a "zero" net increase.

The Board of Education will discuss reducing the current debt levy tax rate in June, and will reduce it by the same 0.5 mill increase approved by the election. Thank you again for taking the time to understand the proposal and for supporting the district's effort to repair and upgrade facilities and technology. This will ensure that our students are offered a safe and enriching educational experience as we seek to remain a premier school district of choice.

## Congratulations to Dianne Corcoran, Hartland Consolidated Schools' 2017 Teacher of the Year!

Dianne has spent her entire career in Hartland - 19 years - at Village Elementary School. The first nine years she taught 3rd grade, and for the past decade, she has been the Reading Specialist, teaching Reading Recovery/Reading Support.

Dianne was nominated and chosen by her peers and has been a favorite with students, parents, her fellow teachers, and administrators since the beginning of her career. We are extremely fortunate to have gifted educators like Dianne guiding our students and preparing them to succeed as they move on through Hartland Schools and beyond!

Dianne and her elementary colleagues build the foundation on which our children's futures are built and we are honored to have teachers of her caliber in the Hartland family!

## Congratulations to Christine (Chris) Balagna, Hartland Consolidated Schools' 2017 Support Person of the Year!

Chris is a Cook Assistant at Hartland High School and has worked in the district for more than 21 years!

She is an integral member of the Hartland High School Student Nutrition Team and truly one of the district's "unsung heroes". While education is obviously the district's primary objective, the opportunities and programming we provide would not be possible without the incalculable contributions of the district's support personnel. We are honored to have so many dedicated professionals working with our students!

### Hartland High School Recognized by Two National Publications:

Congratulations to the students and staff at Hartland High School. The school was recently honored with recognition as a Top 50 Michigan High School by U.S. News and World Reports. The annual "America's Best High Schools" list was released in April. The high school was also honored by the Washington Post as part of their "America's Most Challenging High Schools" list. Hartland High School was ranked 29th in the state. In each of the past four years, the high school has moved up on this list. I believe that these honors are the result of a K-12 collaborative effort to ensure that the district sets high expectations for our students and provides ample opportunities for students to engage in character-building activities. Our vision is centered on "A community of learners shaping successful tomorrows." This vision guides all of our work and interactions with students. Teachers often share with me how impressed they are with the skills that students bring forward from grade to grade.

### The District Saves Significant Dollars on Teacher Evaluation Tool:

Did you know that district staff and administration have been implementing a new teacher evaluation system designed over a two-year period and implemented this year? Instead of spending a large amount of money on purchasing one of four ready-to-use evaluation tools recommended by the State of Michigan, the district developed its own evaluation tool at a substantial cost savings. The legislators created legal expectations and guidelines, which the district used to develop this tool. I believe that we are the only school district in the state to develop a local tool, per the Michigan Department of Education. This took many hours of research, conversation, and training to accomplish. I am proud to say, one more example of how the district works hard to use our resources in a fiscally responsible way.

## Hartland Consolidated Schools 2017/2018 Kindergarten Registration

Hartland Consolidated Schools is accepting kindergarten enrollment packets at the Board of Education office and each elementary school during office hours. Enrollment packets are available at each of these locations or can be downloaded from our website at [www.hartlandschools.us](http://www.hartlandschools.us).

## Community Life Volume 83, No. 9 - June 2017

A monthly publication sponsored by the Hartland Foundation in cooperation with the Hartland Board of Education and Hartland Community Education, dedicated to informing the public in matters of education, local government, community services, organizations and cultural opportunities. Founded in October 1933 by the Hartland Area Project in the interest of rural progress and prosperity.

## Bus Evacuations Drills

The Hartland Transportation Department conducted drills with the high school, Ore Creek Middle School and Farms Intermediate/Lakes Elementary School students this past month. The students and drivers completed their third and final bus evacuation drill for the school year. Everyone did an excellent job!

## 17/18 Transportation Forms REMINDER

All current Transportation Forms (Alternate Destination, Joint Custody, School of Choice, and Legacy forms) will expire on June 20, 2017. New 2017/2018 Transportation Forms are to be submitted to the Transportation Office before July 1, 2017 to request a bus assignment other than the home address.

New forms are required each year by July 1st to incorporate your request into our routes. If forms are not submitted: In-district students will be automatically be assigned to the closest bus stop to their home address. Non-resident students will not receive a bus assignment.

Late transportation changes may not be possible for the start of school and will not be considered until the week of September 18, 2017.

For your convenience, 2017/2018 forms are available on the district web site at <http://www.hartlandschools.us/Departments/Transportation/Forms/index.html>

The Transportation Office will be open throughout the summer months if you should have any questions or need assistance. Post cards with your students bus information should arrive a week before the first day of school.

### Write your college essay

The admission essay is an important part of any college application. Some schools give more weight to the essay than others, but if an essay is required, you can bet it's going to be used in the admissions decision to some degree. Even if you have a high GPA, the essay provides an easy way for you to distinguish yourself from the other thousand applicants who have similar grades and activities as you. Writing an admissions essay that works will increase your chances of being accepted. To help you out, we have put together this easy list of do's and don'ts for writing your admission essay.

**Do:**

- Brainstorm ideas before you write. Choose the idea that best fits you and a topic that you feel will be unique to the other thousands of essays that the admissions officers will read.
- Choose a topic that is specific. Doing so will allow you to go in-depth into one idea rather than trying to cover a broad topic with a short essay. The more in-depth you go, the more unique your essay will be.
- Write multiple drafts of your essay and get feedback on each one from a parent or friend. This will help ensure you cover the topic well, and give you the chance to choose the best of your work.
- Write as well as you can, edit the document and get help if needed. Use a mixture of sharp adjectives and smart wit without sounding too terse, verbose or ostentatious (SAT words!)

**Don't:**

- Don't choose offensive topics. Topics that may be offensive are those that surround religion, racism and even personal opinions on world issues. You won't be doing yourself any favors if your essay leaves the admissions officer feeling offended or angry.
- Don't let anyone else dictate the topic of your essay. You can get help brainstorming if you want, but don't write about someone else's chosen topic.
- Don't write a negative essay. The more positive you are with the topic, the more enjoyable the essay will be to read. Avoid negative topics and negative ideas within the body of the essay.
- Don't be arrogant or pedantic with your writing. The admissions officers will see it, and arrogance will work against you in the admissions process.

## THANK YOU

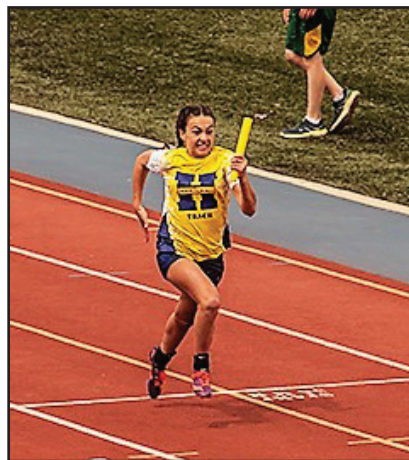

I would like to thank the Hartland Middle School staff, faculty and parents and students for another great school year. Good luck to the class of 2021 as they move on to high school. Remember that you are part of Hartland Pride and a long tradition of excellence. For incoming seventh graders and new eighth graders, remember that it is people – teachers, students, support staff, and parents – that make a school great, and we have the best middle school in the state!

For Mother's Day, STAND and EBCE joined the campaign called **MOVERS FOR MOMS**. Movers for Moms, sponsored by Two Men and a Truck, collects items for women and delivers them to local women and family shelters in time to make Mother's Day special for moms living in the shelter.

Students collected several donations of essential care items for women staying in our local shelter in Livingston County. These women have suffered domestic abuse or homelessness. Donated items truly help these moms in need get back on their feet and feel extra special on a day they may have otherwise been forgotten.

Acceptable items included: Infant care products, children and youth program items, kitchen items and cleaning needs, personal care products, pillows, blankets, slippers and other basic clothing items.

As the year comes to a close, we would like to thank our community for the remarkable support we have received in the past year. Our PTO has done an amazing job raising money to support so much that happens inside and outside of the classroom.

Thank you to our parent volunteers, from our copy moms, reading and spelling aides, room event planners and others, who help us to be a better school. Thank you to our parents who have spent time reading with their kids and encouraging them to do their best each and every day. As our students have learned about the 8 Habits of Happy Kids, they have discovered the importance of being leaders in our school. As we move forward they will take on a greater role in our school, supporting our mission of "Working Together to Grow Young Minds."

**Above:** Hundreds of Lakes students ran in the mileage club during lunch recess each Wednesday during late April through the month of May.

Students earned a necklace and shoe token for the first 20 laps they completed and then earned a shoe token for every 20 laps completed after that. Many Lakes 3rd and 4th graders also participated in the Lakes 5K Run Club.

These students ran on either Thursdays after school or Friday mornings from late April through May in order to prepare to run in the Memorial Day 5K Run in Hartland. Lakes P.E. teacher Matt Conway who ran both of these amazing extra programs implemented many of our 7 Habits into these school activities. Thank you so much to Mr. Conway as well as all of our parent volunteers!

Thank you to all of the Lakes staff members who helped serve ice cream! Also a thank you to Lakes parent Mrs. Patti Margarita, who organized and ran both of our highly successful book fairs this year at Lakes, along with a great team of parent volunteers!

**Thank you for another great school year! Enjoy your summer with family and friends. Lakes Students—don't forget to keep reading during summer break!**

 Bill Cain, Principal @legacyhighsch

Dear Families:

My name is William C. Cain, and I was appointed Director of Student Services for Hartland Consolidated Schools. A very large portion of my responsibility is to oversee the LEGACY/HVA programs to meet the needs of all students. With the obvious academic portion of the day, we also offer a tremendous counseling service providing supports for students who may not learn the traditional way, so we offer a non-traditional path to graduation.

I have fully enjoyed my first year at LEGACY/HVA. Our staff cares greatly for our students and they go above and beyond expectations in our mission to support our students. I look forward to beginning in-takes for the 2017-2018 school year for both LEGACY and HVA. Please feel free to contact our secretary Rosanna Hamilton at 810-626-2104 for information regarding an excellent non-traditional high school experience. Rosanna is in the office during the summer to answer questions, or relay messages to me.

Again, LEGACY/HVA are non-traditional high schools with tremendous opportunities for high school age students. Please visit our web-page at hartlandschools.us, or come in and meet me, or you can always follow us on twitter. Community Education offers summer on-line classes to restore credits or to just get ahead.

Respectfully,

# CHILDCARE

Jen Turner, Director

# 810-626-2780

**Registration for the 2017-18 school year starts June 5th. To guarantee a spot on the transfer bus, register by July 1st.**

We offer care for children who attend the Round, Village and Creekside, Lakes Elementary and Farms Intermediate School. The children who attend the **Lakes or Farms Schools** may enroll at the School Street center, or take advantage of the school-age program at the Lakes Elementary School.

**Both center locations are open 6:00 a.m. to 6:00 p.m.**

Both programs offer gym activities, arts and crafts, and outside play. When you are signed up for the Before and After School Care, you also have the option of attending on the “No School” days or Snow days! Our center is almost always open!

**Before & After School Child Care Only**  
Full Time enrollment (5 days a week) is \$9.00 a session  
Part Time enrollment (2-4 days a week) is \$11.00 a session  
The minimum enrollment is 2 sessions a week for a charge of \$22 for the week.

Example- A student needs to attend 5 –AM sessions and 1 –P.M. session. The charge would be \$45 for the A.M. and \$11 for the P.M. session, for a total charge for the week of \$56.

**You must notify the office if your child/children will be absent from the Before & After school program. Your regular weekly tuition will be charged unless the Center is closed. If your Before & After School child attends on a No School Day, Snow Day, etc., your tuition for the day will be \$35.**

***Come and visit our Center to see all the activity.

## Hartland Community Education Childcare Center Summer Kids Camp Program

Our summer Kids Camp is for children who have just finished Kindergarten through their 13th birthday.

The kids will enjoy off-site field trips to Waterford Wave Pool, Chuck E Cheese, Hartland Pool, go-karts and many more! The staff will also provide your child with the opportunity to enjoy themed activity days and socializing with friends!

**Kids Kamp starts the week of June 19th and runs through August 31st.**

A Kids Camp T-shirt is included. Sign up early, as sizes may be limited. The last day of Kamp is a Center Wide celebration with lots of fun.

**The minimum days of enrollment is three (3) days and for at least six (6) weeks.**

At registration you will need the following items:

- 1.) \$100 Start- Up fee
- 2.) Completed registration packet with emergency card
- 3.) \$50 registration fee (if not currently enrolled in the Childcare Center)

If you would like to pay a one-time payment for the Activity fees, receive a discount and pay a lower weekly tuition amount, please ask about this in the office.

**If you have any questions, please contact Amy Rollins Supv. (810) 626-2780 or email amyrollins@hartlandschools.us.**

## Hartland Community Education Childcare Center Daycare's Summer Fun 2017

New enrollees (not enrolled in the Childcare Center programs during 2016-2017 school year) will pay a \$50 registration fee plus the Activity fee. (See below)

Some of the special summer Daycare activities include watching the magical entertainers, visits from the Fire Department, swimming at the Hartland Pool, special projects and many awesome activities!

Activity fee- **Busy Bees Classroom** = \$50  
Activity fee- **Fireflies or Critters Classroom** = \$65

**The Activity fee must be paid in full by June 16.**

Your child will need to bring a lunch everyday. If the classroom will be having a “hot lunch”, you will be notified ahead of time. Please be sure that your child has a change of clothes, sunscreen, and gym shoes (to cover the entire foot, good walking shoes). Aqua shoes will be another good idea for the outdoor water activities.

## Thank you!

We are very lucky to have so much local support. Thank you to Hartland Township, Deerfield Township, Tyrone Township, Oceola Township, and Brighton Township. These local boards have been vital to our transportation and Resource Advocacy programs. If you live in one of these townships, please call them to say "Thank you for supporting the Hartland Senior Activity Center!"

United Way and LETS are also great supporters of our senior center; specifically, our transportation and wellness programs. We have 13 different fitness classes offered each week, in addition to our weight room and the fresh soup and salad bar provided by Livingston County Senior Nutrition for lunch each day. Our transportation program runs 5 days a week, typically from 8am-5pm providing rides in and around Hartland, Brighton, and Howell.

Did you know we are part of the Hartland Consolidated School district? We are very fortunate to have the support of our local school board, the community education department and school administration. If you haven't been the senior center yet, or it's been awhile, please stop by to check out our spacious facilities.

### Hartland Rotary News

Hartland Rotary is focusing on our 2nd Annual Shooting Clays Event, August 24, 2017, at the Michigan Shooting Center, Island Lake Recreation Center. We can't wait to challenge the best shooters in our Rotary District 6380 again this year. Last year the Livingston County Sheriff's Dept. took the honors. The event's sponsors and participants will be helping support youth programs here in our Hartland Community. Email David Walker at: [DavidWalker@HartlandInsurance.com](mailto:DavidWalker@HartlandInsurance.com) for registration materials.

This month we said "Thank You" to David Walker, Hartland Insurance Agency, for his Presidential leadership at Hartland Rotary, 2016-2017. Dave instituted several exciting changes in His year; one being increasing our membership, erecting a "Little Free Library" over at our Butterfly Garden behind Hartland Township Hall, and sharing with us on our FACEBOOK, Hartland Rotary Club topically important videos about our Rotary heritage and impactful stories of Rotary in action around the World. Michael Horan, Livingston Concrete, will be taking over Dave's reins July 1.

Hartland Rotary would like to thank Hartland's Dave Lutomski, owner of Horizon Landscaping, Inc., for making our Hartland Rotary Butterfly Garden the focal point of Settler's Park. Thank you for your contribution of your expertise, man power and materials.

You are always welcome to join us on 1st and 3rd Thursday mornings for breakfast and informative presentations at the Hartland Insurance Agency, 2532 Old US 23 at 7:15 AM. If you have a passion for community service and enjoy sharing the fellowship of those with a similar desire, please consider joining us. Please visit [www.hartlandrotary.org](http://www.hartlandrotary.org) or our FACEBOOK, Hartland Rotary Club, for more information on our club.

### Friends of the Cromaine District Library

The "Friends" of Cromaine Library would like to thank everyone who helped to make our "Spring Book Sale" a success. Although it is a considerable amount of work, it's a great way to make new friends. We are always pleased to announce that all profits from our endeavors go towards the betterment of Cromaine Library. Recently we were able to donate \$3,000 to the "Summer Reading Program", and \$1,000 will go towards the "Summer Concert Series".

The "Summer Reading Program" will begin on June 17. Visit the "Friends" Book Room, open at 10:00 am. The Concert Series begins on June 28.

A million thanks go to the folks who shopped at Deneweths's Garden Center on May 12 & 13 to participate in the "Friends" Fundraiser. We hope everyone enjoys Spring in Michigan, and don't forget to shop at the "Farmer's Market".

**IS YOUR CHILD READY FOR KINDERGARTEN OR 1ST GRADE?**

Can they sit still, listen, follow directions and get along with others?

While teaching 100's of preschoolers and kindergarteners over the last 14 years we have discovered one critical key to success for not only school but for the rest of their lives

Here is the key: Your child's first day in school is HUGE! It will pretty much dictate how they do for the rest of their academic career! If your child is ahead of her peers she will stay ahead and love school. Kids that start off behind their peers almost never catch up and like school less.

Along with falling behind they can sometimes get inaccurately "labeled" as unable to focus, hyperactive or extremely shy. We have wonderful teachers in our elementary schools but partially because of the overwhelming academic curriculum they do not have the time or resources to teach the needed basic behavioral skills to your child. Young children really need to have these skills **BEFORE** they start kindergarten.

As a result we are seeing more kids struggle through kindergarten. We have talented hard working kindergarten teachers in our community but increasingly they are needing to just give their students the benefit of the doubt and pass them on to first grade hoping they succeed.

The missing skills we are talking about are centered around **"Self-Regulation"**.

Self-regulation is the ability to monitor and manage emotions, thoughts, and behaviors. It's what helps children focus their attention on learning when they might be distracted by others, upset by a problem, or excited about an upcoming event.

When humans are first born they have little control of their reaction to their emotions and feelings. When they are hungry or uncomfortable they cry. As they get older they need to be able to regulate their response and not just react to their emotions. For example, when they get mad they cannot just hit

others. Or, when they are playing with others they may need to share when they do not want to. They may have to focus and listen while being distracted.

These skills are not just required for success in young children. Later they help teens and adults resolve conflict, problem solve, think independently, participate and get along with others.

So how do you help your child? Just copy what we do. At our school we like to use the term "accelerating their lives". We want our students to experience things at five years old that most kids do not experience until they are in high school. A good example of this is public speaking. While our students practice speaking and performing in front of a group at an early age, many kid's first experience is that speech class in high school!

Children learn by "doing" and repetition. So here is what you can do. Intentionally look for experiences that practice self-regulating skills. Things like having to listen to instructors and coaches. Handling distractions. Placed in emotional situations like getting frustrated or making a mistake. Expose them to stress, failure and hardship regularly. Working with partners and on a team. Get them involved with making decisions and making choices. Place them in situations where they have to help others and eventually in leadership positions.

Anyways I hope this helps. Like I always tell our parents *"You only get one chance to start kindergarten!"*

Yours for Rock Solid (and school ready) Kids,

**Sensei**

## Struggling with Reading? Tried tutoring...but poor results?

### Struggling Student Now Gets A's & B's - Thanks to Vision Therapy!

"By first grade, Davis was significantly behind. He couldn't keep up or follow directions. His teacher and a special education teacher expressed significant concerns regarding his inability to recall and remember."

"I brought Davis to his pediatrician. The meeting with his doctor did not go well. I was told to lower my expectations. He would never be 'fixed'. We went to Dr. Doud's the next day and I broke down crying as I told him what his doctor had stated. I let him know - I knew my little boy was intelligent. He just couldn't get it out."

"Dr. Doud tested Davis' vision and discovered that his vision was significantly delayed in several areas. He not only gave me hope - which at that point was all I wanted, but a plan to assist Davis."

After vision therapy, "Davis improved so significantly that at the end of second grade, I was told not to let the 3rd grade teachers know anything was wrong with his ability. He had all A's and B's. He was able to keep up and follow directions. His visual memory was 14% when we started vision therapy. It is now near 90%."

"I am so pleased and cry at the thought of how far he has come. It truly is overwhelming to think of what would have happened to Davis if we would have listened to his pediatrician, lowered expectations and accepted this situation, Davis would have failed at school and in life."

**We can help—call today!**

### Serving families in Livingston County for more than 20 years...

In addition to providing family vision care, Dr. Doud diagnoses and treats vision problems that interfere with reading and learning.

Dr. Doud has treated hundreds of children from the Hartland and surrounding communities from all over South East Michigan.

### Do You Know the Top 5 Signs that a Vision is Blocking Learning?

- Skips lines and/or rereads lines
- Homework takes longer than it should
- Short attention span with reading & homework
- Poor reading comprehension
- Reverses letters like "b" and "d" when reading

### Hartland Archery Wins Big Again

Congratulations to Sydney Vivian (pictured left), an Individual Podium Award Winner, who scored 297 points to earn herself a second place finish out of 2150 high school girls who competed during the Worlds Largest Archery Tournament this past month.

Sydney was the only girl to shoot a perfect 50 in front of 2,000 people watching and claimed the TOP Scholarship award of \$20,000! This is the SECOND time Sydney has won the \$20,000 scholarship - she won it three years ago too when she was a freshman. This makes her the Top Scholarship Award Winner in NASP history!

The Hartland team was also blessed to have their "Team Mom," Danielle Popp be selected for the winner of the Superhero Award! This award was given to the best team volunteer in NASP! She was given a plaque and a \$500 grant for her school team's equipment!

Congratulations to the all the Hartland teams and the top finishers:

#### HS Top 10 finishers

Sydney Vivian - 1st Place female with a 295 out of 300. (She made it on the podium and was awarded a new bow.)

Jon Miller and Garet Fyke tied for 9th Place male by shooting a 292 out is 300.

#### MS Top 10 finishers

Ethan Shaw - 1st Place male with a 292 out of 300. (He made it on the podium and was awarded a new bow.)

Ella Gardner - 4th Place female with a 289. (She made it on the podium.)

Justin Miller - 7th Place male with a 289.
