Superintendent's Message

Chuck Hughes, Superintendent

Welcome to March and possibly spring? In education, March is a big month as it is "March is Reading Month." As reading is the foundation of teaching, educators use March to highlight student learning and the love of reading. I am thankful that many of our parents and community members take the time to visit our schools to share their love of reading with students. Modeling this love of reading is a powerful motivator for young learners. I look forward to visiting classrooms throughout the district during this wonderful time of year.

In my January column I shared with the community that there will be a Building and Site Sinking Fund proposal on the May 2, 2017 ballot. In February, I answered the following questions:

- Q: Why is the district in need of a Building and Site Sinking Fund?**
- Q: What is a Sinking Fund?**
- Q: What can a Building and Site Sinking Fund be used for?**
- Q: How much will my taxes increase if approved by voters?**

This month I would like to share some additional FAQs with the hope that they may help our readers better understand the proposal being presented on May 2, 2017.

Q: What is the difference between a sinking fund and a bond?

A: A sinking fund is a pay-as-you-go millage proposal (we are asking for 0.5 mills which would equate to approximately \$600,000/year) to address specific district repairs, building updates, security issues, technology upgrades, and the purchase of real estate if needed over ten years. A bond is like a home mortgage that helps the district do many projects at one time, or major projects such as building a building, replacing all of the buildings' roofs or parking lots, etc. and is paid back, with interest, over a period of several years.

Q: Does the district go into debt and pay interest on sinking fund dollars?

A: No, this process involves collecting the dollars on a yearly basis and using them to complete projects at that time, or saving toward larger projects with the next collection.

Q: What technology can be purchased with sinking fund dollars?

A: Infrastructure, computers, smart boards, chrome books, desktops, printers, projection units, etc. when used for instruction.

Q: When was the last time the district asked the community for additional building & site improvement dollars?

A: The last time the district asked for additional dollars was with the 2010 bond.

Please feel free to contact me at chuckhughes@hartlandschools.us or Scott Bacon, Assistant Superintendent for Business and Operations at scottbacon@hartlandschools.us. Both of us can be reached by phone at 810-626-2100.

The district will have additional information on the proposed building and site sinking fund on our website at www.hartlandschools.us.

Please mark your calendar for:

May 2, 2017 -- A Special School Election.

Our community's Commitment to Educational Excellence!

Hartland Schools Person of the Month

Cristal Briskey

Cristal currently works at Farms Intermediate School as an Instructional Consultation Facilitator, a Resource Room teacher, and also co-teaches in both 5th and 6th grade math general education classrooms. Additionally, she is the School Improvement Chair, Leadership Club sponsor, and START coach for the building. Throughout her time teaching in the district, she has had many different roles and has a unique perspective on educating children. Read on to learn more from Cristal Briskey about her experiences in the community and as a teacher in Hartland Consolidated Schools.

It is hard to imagine that I have been teaching for a total of 12 years in the Hartland School District. I began my career at Round Elementary School in 2005 teaching in a resource room classroom for students who struggled in reading, writing, and math. I then transferred to Farms Intermediate School in 2006 to teach the extended resource program. From 2006 to the present, I have had many different roles that have led me to my current position at Farms. I can honestly say that I have truly enjoyed the many roles I have had throughout my time teaching and look forward to more opportunities in the future.

It's also hard to fathom that my family has lived in Hartland since 1988 and continues to reside in this community! As a child, I attended Village Elementary School beginning in 2nd grade and graduated from Hartland High School in 1999. My sister, Melissa Lachajewski, also attended Hartland Schools from kindergarten through twelfth grade. Being a firm believer in giving back to the community, my father retired from General Motors and is currently employed as a substitute bus driver for the district, a job he truly enjoys. My husband, daughter, baby Briskey #2 (who is due to arrive in May) and I also live in the Hartland community. In our many discussions about child-rearing and our future children, I vividly remember talking with my husband about purchasing a house and the importance of school districts. Without hesitation, we both knew that we could not raise our children anywhere but in the Hartland Consolidated School district.

From the moment I graduated from high school, I was determined to become a special education teacher. To ensure that I received a quality education to provide children, their families, and other educators with the most effective teaching styles and information, I had only one choice, and that was to attend Michigan State University, where I earned a Bachelor's of Science in Elementary Education K-8 and Special Education K-12. I later continued my education, earning a Master's of Arts in Reading with a Reading Specialist and Literacy Coach endorsement K-12 and then an Education Specialist Degree in Leadership: Elementary and Secondary Administration from Eastern Michigan University and Oakland University, respectively. These degrees and courses have provided me with the foundation needed to ensure that all kids succeed.

Thank You For Your Support

Cristal Briskey: Continued from Page 1....

Throughout my education in Hartland Schools, there have been many teachers who influenced my decision to go into teaching. In and out of the classroom, these teachers provided great examples of how every student can succeed, showed patience with all students, and spent extra time and effort making sure that each child came first. The culture within Hartland Schools continues to follow the philosophies of those teachers, as do I in my own classroom. It is very apparent, when walking into each building in the district, that we continue this culture for all students who walk through our doors. The Hartland teachers and administrators have impacted my life in so many ways, I am happy to give back to the students and staff I come in contact with every day. I could not do my job effectively without the support, collaboration, and family-like relationships that I have cultivated with Hartland teachers, administrators, and the numerous support staff.

My most memorable moments while teaching in the Hartland Schools are seeing the many students who come back to visit and say (in their own way), "Thank you for encouraging me and believing in me." I look forward to attending graduation every year and seeing the proud smiles of the many students who struggled through school. I love to watch the students walk across the stage with a sense of accomplishment and pride in themselves for their self-determination in overcoming their struggles in order to graduate from Hartland High School. Without the numerous teachers believing in them and encouraging them to never give up, this district's high percentage of graduates would not be possible.

Teaching kids to believe in themselves, gain confidence to persevere and learn how to problem-solve in real world situations are the main reasons I come to work everyday and truly love teaching. These skills are so important for students to succeed. I believe teachers and parents need to be the role models in their student's and children's lives to teach them how to be successful, functioning adults in the community.

I feel very honored to be a Hartland Schools teacher! Go Eagles and Go Green!

Community Life Advertising Rates

Advertisements are designed in a horizontal or vertical format. ANY article that promotes a fundraiser, event or registration to a sport and lists ticket prices, fees, dues and the sponsoring organization or group, are considered an advertisement and must be paid. See rates below.

Rates for advertising are as follows:

SIZE	BASE PRICE	FULL COLOR	SIZE
Full Page	\$375.00	+\$50.00	10' x 12''
1/2 Page	\$185.00	+\$30.00	10' x 6''
1/4 Page	\$100.00	+\$20.00	5' x 6''
1/8 Page	\$ 60.00	+\$10.00	3 1/4' x 4 3/4''
1/16 Page	\$ 40.00	+\$10.00	Business card size

Advertisements **MUST BE PREPAID** at the times they are submitted. We accept Visa, Mastercard, Discover, American Express, Check and Cash. **BUSINESS DIRECTORY PAGE ADVERTISEMENTS** are contracted for one year (10 issues). Once the advertisement is placed on that page there are no changes except at the annual renewal period. Prices are \$275.00 for the black ink only or \$350.00 for full color. Call 810.626.2150 to place your 10 issue ad.

DEADLINES: Advertisements may be emailed to the editor, but must be submitted by the designated monthly deadlines. Prepayment is required.

BILLING: If you would like to be invoiced for your ad, contact Hartland Community Ed to make arrangements. If paying with a credit card, we accept Visa, Mastercard, Discover, American Express. We also accept personal or business checks or cash.

School Bus Safety

School buses are the safest mode of transportation for getting children back and forth to school. Riding a school bus is safer than walking, riding a bicycle, or being driven to school in private vehicles.

Today's school buses are built with safety in mind. According to the National Highway Traffic Safety Administration, children are protected in large school buses by compartmentalization, a passive occupant protection system. This provides a protective envelope consisting of strong, closely-spaced seats that have energy-absorbing padded seat backs that help to distribute and reduce crash forces. Compartmentalization is most effective when occupants are fully seated within the bus seat. Students should sit on a school bus seat without any part of his or her body extending into the aisle. More children are hurt outside school buses than inside as a passenger.

School bus safety tips for drivers

- Prepare to stop when a slowing bus has its overhead yellow lights flashing
- Stop at least 20 ft. away from the bus when red lights are flashing
- Slowdown in or near school and residential areas
- Watch for children between parked cars and other objects

School buses are like traffic signals

- When overhead lights are flashing yellow: Prepare to stop
- When overhead lights are flashing red: Stop
- When hazard warning lights are flashing: Proceed with caution

School bus safety tips for students crossing the road

- Wait for the safety signal to be displayed
- Look both ways
- Cross 10 ft. out in front of the bus
- Make sure you can always see the driver, because then the driver can see you

Bus stops

- If walking to the stop, wait 10 ft. from the road
- Always stay on the sidewalk or driveway
- If driving to the stop, park vehicles on the same side of the road as the bus
- Always park at least 30 ft. in front of the bus so the driver can see you at all times
- Never block any driveways, intersections, or the flow of traffic

The Transportation Department would be happy to answer any additional questions you may have, please contact us at 810-626-2175.

KINDERGARTEN ENROLLMENT

2017-2018

Kindergarten Enrollment Packets were available beginning
February 1

KINDERGARTEN ORIENTATION

A Kindergarten Orientation will be held on **Saturday, March 18** from **10:00 am to 11:30 am** at the Hartland Education Support Service Center, 9525 E. Highland Road. Howell, 48843.

The orientation will provide parents an opportunity to hear from kindergarten teachers about a "typical" school day and the kindergarten curriculum. In addition, administrators will be on hand to talk about school safety, transportation, school attendance areas, student nutrition, and answer questions. This will be a family-oriented event and you are encouraged to bring your kindergarten child.

Hartland Consolidated Schools is accepting kindergarten enrollment packets at the Board of Education office and each elementary school office during office hours. Enrollment packets can also be downloaded from our website at www.hartlandschools.us.

In addition to the enrollment packet, the following documents must be presented when registering:

- Original birth certificate with seal, plus a copy of same certificate for school records
- Immunization records with proof of DTP, Polio, MMR, Hepatitis B, Chicken Pox vaccines (or proof of having illness), and vision screening, plus copy of same for school records
- Proof of residency using one of the following: certificate of occupancy, purchase agreement, builder's permit, rent receipt or agreement, mortgage statement/payment receipt, voter registration card, utility bill, driver's license.

Children are eligible for enrollment in kindergarten in September 2017 if they will have their fifth (5th) birthday on or before September 1, 2017. A child who turns 5 after September 1 and before December 1, 2017 may enroll if parent/legal guardian signs a waiver and is supported by the school district.

Due to the success of last year's full-day Junior Kindergarten program, we will again be offering Junior Kindergarten as a full-day program dependent on interest and adequate enrollment. The same age eligibility requirements apply to Junior Kindergarten that apply with Kindergarten.

You may contact Scott VanEpps at 810-626-2111 or scottvanepps@hartlandschools.us for more information.

All Seniors Are Encouraged To File For Financial Aid

Hartland High School is aiming for the senior class to have a 100% completion rate of the Free Application for Federal Student Aid (FAFSA). It has been proven that students who fill out the FAFSA are more likely to follow through on their post-secondary plans, and many schools no longer give out merit scholarships to students who do not apply for financial aid through the FAFSA.

If you have not yet applied for financial assistance, it's not too late. Students/parents should go to www.fafsa.gov to complete their application.

The process is free and can make a tremendous difference in your child's ability to pay for their postsecondary.

WHAT HAPPENS ON EARLY RELEASE FRIDAY PROFESSIONAL DEVELOPMENT TIME?

Teachers report to work for professional development every Friday when students go home 60 minutes early. This is time for teachers to collaborate and participate in training or workshops to improve instruction. So far this year we have worked many important areas including the following:

- Interventions to close student achievement gaps
- Curriculum Alignment
- Writers and Readers Workshop
- Formative Assessment
- High Quality Instruction
- Instructional Consultation Teams (ICT)
- Professional Learning Communities
- School Improvement Planning
- GRASP Goals to ensure student growth
- Using Data to Adjust Instruction
- Content specific to grade levels or departments
- PD specific to music, art, and physical education

Dotty Selix, Principal

810.626.2800

Above: Fourth graders enjoy a wonderful States of Matter experiment at the Planetarium.

Movie Night was a big success. Thank you to all of the Round School Families that participated and a big thank you to our PTO for making it an incredible night! Students enjoyed celebrating Martin Luther King Jr. and his wonderful lessons about empathy, tolerance and acceptance.

March is Reading Month is almost here! Students and Parents, our theme for March is Reading Month (MIRM) this year is “Rock and Rhyme”. Round has a number of wonderful activities scheduled during school and we continue to promote reading at home as an integral part of becoming a life-long reader!

Don't miss the Round Rocks Teacher “Talent Show” and Silent Auction on 3/23/17. It was a BIG hit last year!

We would like to thank our parents for all of their continued support. Our PTO and volunteers have made it possible to purchase book bags for every child and fill them with new high interest books to read at home! Please consider attending a PTO meeting and volunteering for a PTO event.

Left and Below: Gary Chareeb brought a hands-on Native American experience to our third graders.

Students were able to learn interesting facts about Native American life including the construction of tools, shelter, toys and games.

Above and right: Third graders enjoy the Native American Presentation.

Village Elementary School News

Mary Day, Principal

810.626.2850

Students at Village Elementary have been working hard at developing their reading skills all year and we are excited to celebrate 'March Is Reading Month' with lots of festivities centered around literacy. We have our school wide reading challenge, Family Literacy Night, Scholastic Book Fair, and guest reading at Cromaine Library just to name a few! March is great time to continue to encourage reading at home by trying a family experiment of "Turning off the TV" and other electronics even one night a week and focus on family games or reading as an alternative. Take some time during March to celebrate all the progress your young readers are making in developing their literacy skills! Happy Reading!

Above: Ms. Butzier's 1st grade class celebrated 100's Day by dressing as if they were 100 years old.

Above: Ms. Spranger's 4th grade class celebrating Valentine's Day.

Above and left: On January 30, Village Elementary third-graders visited the Michigan State Capitol and Historical Museum. Among the exciting experiences was a special visit to the House of Representatives hosted by Dr. Hank Vaupel himself.

The students were enthralled with the beauty of the capitol building and made connections between what they were learning in social studies about government to the real world.

LEGACY High School 810.626.2100
 Bill Cain, Principal

January Student of the Month

Student of the Month

Kaylee Baltes

Students receive this award through the State of Michigan given by Senator Joe Hune and US Congressman Mike Bishop. They receive this award for distinguishing themselves in both academics and in their personal conduct while also stepping forward as role models.

Students at LEGACY have a chance each week to win perfect attendance awards. As an incentive, students can win the perfect attendance award by attending school all day every day since the beginning of the second semester. The students are very excited to be recognized each week, and our attendance rate is much better than the first semester. We know that just recognizing students in a positive way is a great motivator, but we also enjoy (and they appreciate) providing a small prize along with recognition, it does mean a lot for our students. I am proud of the gains we are making at our school in every aspect of the school day.

Attendance winners are:

- Ben Lester**
- Sean Ridge**
- Ryan Haluca**
- KY Miller**

Great job students, we are proud of you.

LEGACY Awards Assembly

At LEGACY High School, we proudly recognize our students at our annual awards assembly. Students have made such great gains here at school and they are so deserving of the acknowledgment they will receive. Students are being recognized for successes listed below.

- Academic Gold Award
- Academic Platinum Award
- Attendance Award
- Spirit Award
- Basketball Award
- Disc Golf Award
- Volleyball Award
- Student of the Month
- Student Improvement Award

PRESCHOOL

Carol Hayes, Director

810.626.2150

With two locations and three teaching teams, Hartland Consolidated Schools Preschool offers a variety of class options to help accommodate the needs of the Hartland Community.

Preschool registration for the 2017 – 2018 school year is now open for Fall enrollment.

Spots are still available in many of our classrooms taught by our three teams of Laura DeRosier/Lyn Daniels, Dawn Lubeski/Betty Chyo and Tara Yoerg/Tracie Waldron. We will be highlighting our three classrooms through the next few months in Community Life.

This month we feature the teaching team of Dawn Lubeski & Betty Chyo.
(Classes held at HESSC)

Lubeski/Chyo: A Hartland Tradition

NEWS

The Hartland Consolidated Schools Preschool team of Dawn Lubeski & Betty Chyo have effortlessly created a classroom which surrounds their students in a caring, compassionate & consistent learning environment.

“We understand what it is to leave your child with us. We will love your child as you do, always providing them with a safe and warm environment,” said Mrs. Chyo.

Mrs. Lubeski, who was raised in Hartland and is a graduate of Hartland High School, loves that she is teaching many children and multiple generations of families she went to school with.

By creating a sense of comfort and community in their classroom, the team of Lubeski/Chyo has become a whole new tradition for many families in Hartland! The two teachers are also so proud of the work they do to help the education of their young students get off to a great start!

Highlights for the classroom of Dawn Lubeski & Betty Chyo

Letter Detective: Letter Detective is a fun way to reinforce letter recognition and sounds. Students are asked to search for letters in words around the room using their magnifying glass and recording their findings in their books.

LEAPS: LEAPS is a literacy program where students are introduced to a letter through a song followed by activities that go with that letter. There is also a homework piece that students complete and then return to display in the classroom.

Zoo-Phonics is one of many ways to teach children phonemic awareness, the building block for literacy. Through active and engaging ways of introducing our letters, children will learn letter sounds and blending. Each letter has an animal, action and a sound associated with it.

Handwriting without Tears: Research supports the active teaching of handwriting. Recent findings demonstrate that writing by hand improves creative writing skills and fine motor skills. Each child has to manipulate tools to create upper and lowercase letters.

Jen Turner, Director

810-626-2780

We offer care for children who attend the Round, Village and Creekside, Lakes Elementary and Farms Intermediate School. The children who attend the **Lakes or Farms** Schools may enroll at the School Street center, or take advantage of the school-age program at the Lakes Elementary School.

Both center locations are open 6:00 a.m. to 6:00 p.m.

Both programs offer gym activities, arts and crafts, and outside play. When you are signed up for the Before and After School Care, you also have the option of attending on the "No School" days or Snow days! Our center is almost always open!

Before & After School Child Care Only

Full Time enrollment (5 days a week) is \$9.00 a session

Part Time enrollment (2-4 days a week) is \$11.00 a session

The minimum enrollment is 2 sessions a week for a charge of \$22 for the week. Example- A student needs to attend 5 –AM sessions and 1 –P.M. session. The charge would be \$45 for the A.M. and \$11 for the P.M. session, for a total charge for the week of \$56.

You must notify the office if your child/children will be absent from the Before & After school program. Your regular weekly tuition will be charged unless the Center is closed. If your Before & After School child attends on a No School Day, Snow Day, etc., your tuition for the day will be \$35.

Please come and visit our Center to see all the activity.

E-Mail: firemarshal@hartlandareafire.com

It's that time of year again! We are on the brink of spring here in South East / Central Michigan! I just wanted to take a minute to give you some quick reminders that are VERY important this time of year....

Now is the perfect time to clean out your dryer vent. Use a vacuum attachment or shop vacuum, and stick the hose as far into the dryer vent as possible. They even make a "Dryer Vent Brush" that you can use to clean out your vent. Make sure that the vent opening to your house from the exterior can't be used to house any birds, squirrels, etc. They tend to use those areas to build nests, and that blocks your air flow.... This can cause your energy bills to rise, and worse yet....a fire!

In addition, this is the time of year that we like to get outside on those first nice days and soak up some sun. Especially when we have had a winter like we have so far. We only had 2 days of sunshine in January! We tend to find ANY project to do outside, and that includes cleaning up your yard from the winter. Please remember that Hartland and Deerfield Townships have an open burning guideline to follow. The guidelines can be obtained from our website (www.hartlandareafire.com) or by calling 810-632-7676 and asking for a copy. Remember, you are responsible for your fire, smoke, and any damages it may cause!

Please be careful, and mindful of the smoke and how it affects your neighbors!

Nominations for Grand Marshall for the 2017 Memorial Day Parade

The Hartland Community Council is accepting nominations for Grand Marshall for the 2017 Hartland Memorial Day Parade.

The theme for this years parade is:
Hartland - United We Stand.

The Council will vote for the Grand Marshall at their meeting in early April.

**Please e-mail your nomination to
Cliff Schiesel at
cschiesel@gmail.com**

Please include a brief summary as to why you feel your nominee deserves the honor to serve as Grand Marshall. Include what community activities the nominee has participated in over the years, contact information for the nominee and yourself.

Please forward it to Cliff Schiesel no later than April 1, 2017.

Hartland Audubon News

**March 7, 2017 7:15 pm, meeting,
presentation by George Patterson.**

The Hartland Audubon Club will meet on Tuesday, March 7 at 7:15 pm. We meet at the Hartland Educational Support Center 9523 E. Highland Rd. We will have a short meeting to report bird sightings, and other nature happenings, followed by a stimulating presentation.

We welcome your birding observations and will make you feel welcome to our friendly group. Upcoming field trips are announced at each meeting by our enthusiastic president. Memberships are encouraged. Tonight's program will be given by Hartland Audubon's own Ann Walker who will tell us about nature close to home-almost in our own backyard! Ann will be presenting the "History of the Introduction of Osprey at Kensington Park".

Please join us to learn more about these fascinating and beautiful birds of prey, also known as "fish hawks".

Is Your Child Failing Enough?

"Do one thing every day that scares you"- Eleanor Roosevelt

You may think this is an odd question but: Is your child failing, struggling and experiencing hardship often enough?

You can have too much failure in a child's life and this is not good. We see this sometimes for a few kids here who fail and struggle at everything. But what I want to write about is actually much more common. Often children do not experience enough failure especially at younger ages.

A child is like a tree. The tree needs both sunshine (successes/positives) and rain (failure/negatives) to thrive. The right proportions of both and the tree will be tall, strong and flourish. But what happens when it gets too much sunshine and little water? What happens when it gets tons of rain and no sunshine? An over protected tree is weak. The slightest wind (or fears) blows it down. The smallest pests (or bullies) destroy it. So your child is really the same.

Why is failure good? It is the only way your child can develop the skills, attitudes and character traits vital for success and happiness in life. Courage, persistence, perseverance, tenacity, work ethic are only born through hardship and stress. None of these can be learned by watching or reading or talking about it. They definitely cannot be learned with things which come too easy or too fast. These skills develop through the deep emotional experience of failure.

The best thing you can do as a parent is give them smaller doses of failure more often. (We will be happy to take care of the big ones for you!) Things like boredom. Let

them get bored because it is good for their development. Let them skin their knee. Don't pick them up all the time. Let them solve their own problems. Except for bullying, let them fight their own fights. Make them do chores and things they do not like often. Make them eat things they do not like often. Insist they do lots of small things they do not like. Make them stop an activity like video gaming when they do not want to. Make them wait. Teach them to do things well whether they like it or not. I learned a new quote which I love - "You don't have to like what you are doing to love what you are doing!"

So if your child were a tree, how often do you pull out that "parenting umbrella" to protect them from both the sun and rain? Do you have that umbrella open too much or all the time? You might actually be doing more to hurt them than protect them. And if you have that umbrella out too much it just might bring up that "H" word . . . Helicopter Parents!

Put that umbrella away except in emergencies. They need it a lot less than you think.

"Prepare the Child for the Road, not the Road for the Child."

Sensei
P.S. – New beginner classes starting!

Community NEWS

The Livingston Womens Club

The Livingston Women's Club was established in 1987 as a non-profit volunteer organization dedicated to helping the needy in Livingston County.

The Clubs largest project is the "Giving Tree" (better known as the "Dove Tree") which helps to fulfill approximately 1,800 wishes for the less fortunate of all ages at Christmastime.

Our Group also helps to sponsor the "Special Ministries of Livingston County All Sports Banquet", College Scholarships, and a Crises Fund available to those with special needs.

We try to fund these events with various projects, such as a Card/Basket Party, Garage Sales, Casino Trips, Jewelry Parties, and etc.

All Women who have a caring heart, have a willingness to share with others, and wish to make changes in another person's life are welcome to join our Club.

For more information, visit www.thelivingstonwomensclub.com or call Mary Lynn Thomson at 810-229-7356.

Struggling with Reading? Tried tutoring...but poor results?

Struggling Student Now Gets A's & B's - Thanks to Vision Therapy!

"By first grade, Davis was significantly behind. He couldn't keep up or follow directions. His teacher and a special education teacher expressed significant concerns regarding his inability to recall and remember."

"I brought Davis to his pediatrician. The meeting with his doctor did not go well. I was told to lower my expectations. He would never be 'fixed'. We went to Dr. Doud's the next day and I broke down crying as I told him what his doctor had stated. I let him know - I knew my little boy was intelligent. He just couldn't get it out."

"Dr. Doud tested Davis' vision and discovered that his vision was significantly delayed in several areas. He not only gave me hope - which at that point was all I wanted, but a plan to assist Davis."

After vision therapy, "Davis improved so significantly that at the end of second grade, I was told not to let the 3rd grade teachers know anything was wrong with his ability. He had all A's and B's. He was able to keep up and follow directions. His visual memory was 14% when we started vision therapy. It is now near 90%."

"I am so pleased and cry at the thought of how far he has come. It truly is overwhelming to think of what would have happened to Davis if we would have listened to his pediatrician, lowered expectations and accepted this situation, Davis would have failed at school and in life."

We can help—call today!

Serving families in Livingston County for more than 20 years...

In addition to providing family vision care, Dr. Doud diagnoses and treats vision problems that interfere with reading and learning.

Dr. Doud has treated hundreds of children from the Hartland and surrounding communities from all over South East Michigan.

Do You Know the Top 5 Signs that a Vision is Blocking Learning?

- Skips lines and/or rereads lines
- Homework takes longer than it should
- Short attention span with reading & homework
- Poor reading comprehension
- Reverses letters like "b" and "d" when reading

Flash from the Friends of the Cromaine District Library

There is a wink of Spring in the air so folks appear to be happy and light-hearted. Along with our "Spring Fever, we have lots of Special Programs to look forward to. Plans for our library are being put in place. A series of events about the history of our area and Cromaine begin March 20 with a talk on the Hartland Area Project by our Director, Ceci Marlow. March 21 our Library will host a group of folks who will give 5 minute true speeches that pertain to Hartland and Cromaine. One event each month is planned through August. Wow!!!

The "Livingston Read" kicked off on February 28 with the Fiction Book Club reading of "Jaws" by Peter Benchley. Don't miss the March 25 Showing of "Jaws" at the Historic Howell Theatre. Admission is free, just show your Library Card.

Please know that the "Friends" always welcome "New Members", and we can almost guarantee that you will experience a good feeling when you receive that "Membership Card". Ask for information at the "Circulation Desk".

Hope to see you soon, your "Friend" Mary Lynn Thomson

A good friend overlooks your broken-down gate and admires the flowers in your window. Anonymous

Cromaine Library is located at 3688 Hartland Road Hartland

Hartland Middle School Swim and Dive Team

Dear Middle School Swimmers and Divers,

We are so proud of you all for putting so much effort, time, and hard work into this season. We had a lot of fun coaching you from tryouts to the first meet we won against South Lyon to our final meet at the MISCA state meet. So many of you achieved your goals this season by getting faster, winning meets, breaking records and getting MISCA cuts. We hope all of you continue swimming and achieving your goals. Good luck to the 8th graders for the high school swim season and good luck to the 7th graders for their last middle school season next year.

Thanks for a great season,
Coach Sarah, Coach Megan, and Coach Bernie

The Social Bandits Play Beautiful Music with Hartland Teens at Teen Center

The Social Bandits are a rock, reggae, funk band from the metro Detroit area. They are teaching teens at the HERO Teen Center how to start their own band. The Social Bandits have been to the teen center a few times and are mentoring the teens, teaching them about having a vision, practicing, and music collaboration. They are learning to express themselves in a positive way through music.

The Social Bandits performed a concert at the teen center. They invited teens to perform with the band, either on guitar, drums or to sing with the band. The teens are now practicing songs and planning performances as a group. They are learning about teamwork, leadership, and creative expression through music.

Christian Brown, commented, " They are great! Very inspiring! So much fun, we had a great time with the band." Christian was able to sing a song with the band.

Hartland Rotary News

Hartland Rotary has had a busy February. Starting at the end of January we started a gently used adult and children's book collection. We helped contribute to Howell Rotary's Parker Middle School Interact Club annual book drive to benefit the Livingston County United Way Community Connect's Literacy Corner. Lee Halsted, chairman, was not only able to receive support from Rotarians and local residents, but also the 7th and 8th graders from Ore Creek Middle School. Sixteen boxes were collected in total.

Great job everyone!

Hartland Rotary had a "Walk for Warmth" team ready to cruise around the School Building on Saturday, February 18, 2017. We are all proud that we can help support the residents of our community that may need assistance heating their homes this winter.

Sunday, March 5, 2017 will find our Hartland Rotary Bowling Team rolling strikes at the annual Big Brothers Big Sisters of Livingston County "Bowling for Kid's Sake" Event at Striking Lanes. The "Split Ends" thank all of our community partners for supporting this event and we will continue to take your donations at the bowling alley on Sunday the 5th.

April is fast approaching and RYLA, Rotary Youth Leadership Awards, will take place on the weekend of April 21-23 at Camp Copneconic, Fenton. RYLA is a Rotary Leadership Development camp for 14-18 yr olds in Rotary District 6380. Hartland Rotary is looking to presenting several scholarships to any Hartland High School student who would be interested in spending a weekend in leadership development, wall climbing, ropes courses, and fun with teens from Oakland, Macomb, Washtenaw Counties and several towns in Ontario, Canada. Contact: Barbara Walker, barbarawalker@hartlandinsurance.com or Lois Halsted, lhalsted@comcast.net

You are always welcome to join us on 1st and 3rd Thursday mornings for breakfast and informative presentations at the Hartland Insurance Agency, 2532 Old US 23 at 7:15 AM. If you have a passion for community service and enjoy sharing the fellowship of those with a similar desire, please consider joining us. Please visit www.hartlandrotary.org or our FACEBOOK, Hartland Rotary Club, for more information on our club.
