Superintendent's Message

Chuck Hughes, Superintendent

@hartlandschools

This is a fantastic time of year as things green up and the flowers bloom. Soon we will be planting our gardens and hoping for a bountiful harvest. This is also the time of year when the district is planning for the new school year, while guiding our students to a strong finish this year. I ask that parents and grandparents take a few moments to begin planning summer activities for their children. It is important to consider and plan how much time they should concentrate on reading, as well as engaging in physical activities.

Enrichment activities such as visiting the zoo, museums, local parks and recreational venues are important in the development of our children. If you need help planning, please reach out to our teaching and support staff. I am sure that we can provide many suggestions.

Schools of Choice:

Students who currently live in the Hartland School district but are planning a move over the summer may be eligible to continue to attend through the Schools of Choice program. Please visit www.hartlandschools.us and click on the "Enrollment" tab located near the bottom of the page for more information. If you do not have a computer or need to talk to someone, please contact Mr. Scott VanEpps at (810) 626-2111 to find out more about this program.

New Students:

If you will be attending Hartland Schools for the first time this fall, enrollment information can be found on our website at www.hartlandschools.us. Enrollment packets for kindergarten, elementary (1-4), intermediate (5-6), middle school (7-8), Hartland High School, LEGACY High School, and Hartland Virtual Academy are available. Please call 810-626-2100 if you need help with the enrollment process.

County-wide Common Calendar:

The Livingston Educational Service Agency (LESA) has released the five-year common calendar that will help parents plan for the holiday and Spring Break seasons through the 2020/21 school year. Using any internet browser, type livingstonesa.org and click on the "Calendar" tab. Please know that this calendar is subject to change.

May 2, 2017 -- A Special School Election.

Our community's Commitment to Educational Excellence!

Hartland Schools Person of the Month

Nancy Spranger

My name is Nancy Spranger, and I am in my 27th year of teaching in Hartland Schools. I began my career teaching 3rd grade and after about 15 years, graduated to 4th!

My parents built our family home in Hartland in the late 1950s. There has been a Spranger in the Hartland community ever since. My family is very close. I have three brothers - Rick, Jeff, and Alan. For the past five years, Rick and his wife, Linda, have been living in China. Jeff, his wife Sue, and son Nick live in Hartland. Alan and his wife Ellie live next door to me. My brothers, nephew Nick, and I are all Hartland graduates. My mom worked for over 20 years in various Hartland Media Centers. My four children - Missy, Molly, Maggie, and Taylor all have paws!

I earned my BA in Social Work from Michigan State University. After graduating from MSU, I worked at a center for developmentally disabled adults where I was responsible for teaching life skills to the residents. This is where I decided I wanted to go to Eastern Michigan University and earn a teaching certificate. I later returned to EMU to get a Masters in Educational Technology.

Along with being a teacher, I have had many roles in Hartland Schools. I have held various positions in the HEA (Hartland Education Association). The most recent was HEA President. I proudly represented Hartland teachers for five years. My newest role at Village is School Improvement Chairperson.

I have seen many changes in the district. Hartland has grown from one elementary building to four. The high school has moved from what is now Village Elementary to Highland Road/M-59, which us veterans fondly call "the old high school", to the current high school. As Hartland continued to grow, the school buildings were reconfigured numerous times to accommodate the increasing school population. Throughout all of these changes, one thing has stayed consistent and that is the feeling of community. No matter which building you enter, there are staff, parents, and students working together to provide the best education for the children of Hartland.

I was extremely excited when I received the phone call that Dr. Behrman wanted to see me about a third grade position at Village. Not only was it the district where I wanted to work, but also the grade level. I have enjoyed, and continue to enjoy, my career at Hartland and cannot imagine working in any other district. Hartland is my home.

17/18 Transportation Forms REMINDER

All current Transportation Forms (Alternate Destination, Joint Custody, School of Choice, and Legacy forms) will expire on June 20, 2017. New 2017/2018 Transportation Forms are to be submitted to the Transportation Office before July 1, 2017 to request a bus assignment other than the home address.

New forms are required each year by July 1st to incorporate your request into our routes. If forms are not submitted: In-district students will be automatically be assigned to the closest bus stop to their home address. Non-resident students will not receive a bus assignment.

Late transportation changes may not be possible for the start of school and will not be considered until the week of September 18, 2017.

For your convenience, 2017/2018 forms are available on the district web site at <http://www.hartlandschools.us/Departments/Transportation/Forms/index.html>

The Transportation Office will be open throughout the summer months if you should have any questions or need assistance. Post cards with your students bus information should arrive a week before the first day of school.

Have a safe and enjoyable summer!

Right and Below: Thank you to LES Art Teacher Shari Russano for all of her work in preparing students for the Annual Livingston County “Got Art” Art Show.

Over two dozen students from Lakes had their wonderful works of art displayed at the Howell Opera House during the week of March 27. Great job students!

We have had a tremendous school year so far at Round Elementary. Our Lego League was a huge success! Thank you Mrs. Rogers, Mrs. Hull and Mr. Majors for making it a wonderful season!

The Round PTO sponsored the annual Round Rocks Talent Show featuring Round Elementary Teachers. Guests won many exciting prizes, classroom baskets, and had an opportunity to bid on dozens of amazing silent auction items. It was a night of great comradery and fun for the Round School Family.

We would like to thank the many sponsors that donated items for the auction and to the PTO for organizing this memorable event. Also thank you to the PTO board and chairpersons who planned the event, and the numerous volunteers who prepared the classroom, manned the photo booth, created classroom baskets, helped with setup/cleanup, refreshments, and ticket sales. We would also like to send a special thank you to the Round Elementary student judges. It was tough to judge the winning performance, but they did a great job!

The event was a huge success! The Round School Family raised over \$9,600.00 for students and teachers. PTO money has been used to purchase chromebooks, classroom rugs, and books for the classroom, guided reading library, and media center. We are thankful for your support! We could not provide such an enriching educational experience without you!

With two locations and three teaching teams, Hartland Consolidated Schools Preschool offers a variety of class options to help accommodate the needs and interests of the Hartland Community.

Preschool registration for the 2017 – 2018 school year is now open for Fall enrollment.

Spots are still available in many of our classrooms taught by our three teams of Laura DeRosier/Lyn Daniels, Dawn Lubeski/Betty Chyo and Tara Yoerg/Tracie Waldron.

This month we are featuring the teaching team of Ms. Tara Yoerg and Ms. Tracie Waldron

Tara Yoerg, a Hartland Graduate, has worked for Hartland Schools for 16 years. She has been teaching Preschool for 8 years. Tara has a Bachelor's in Education with her teaching certification from Eastern. Her two boys loved attending Hartland Childcare.

Tracie Waldron, a Hartland graduate, has worked with children for 25 years. Tracie has been teaching preschool for over six years. Tracie has a Bachelors from GVSU. Her three children attended Hartland Preschool and currently go to Hartland Schools.

Our three year old class focuses on social skills and beginning relationship building. Through mostly play based situations, children begin to understand concepts of sharing, interacting in a large group and following teacher directed activities and instructions. We introduce basic social school concepts such as standing in line, hand washing, eating snack at school, sitting in a group for stories and songs, and waiting for his or her turn. Children learn about the world around them in weekly themes and concepts. Through the use of crafts, projects, games and smart board activities, children learn with fun!

Our four year old class continues to focus on social skills and building relationships. We work on kindergarten readiness skills; standing in line, hand washing, eating lunch, sitting in a group for stories and songs, and waiting for his or her turn. We practice fine motor activities; cutting, writing, drawing, painting, play doh, etc. Large motor activities include dancing, gym, playground, and Education Through Music. As with our 3 year old class, children learn with fun while making crafts, projects, playing games and smart board activities. We use programs including Zoo Phonics, Handwriting Without Tears and Second Step.

Zoo Phonics is a method developed to help children become strong readers and spellers using a "phono" (hearing), "oral" (speaking), "visual"(seeing), "kinesthetic" (moving), and "tactile" (touching)- whole brain approach.

Handwriting Without Tears (HWT) is an easy way to teach pre-printing and printing. It uses multi- sensory techniques and consistent habits for letter formation to help teach handwriting to all students.

Second Step is a social emotional early learning program that teaches skills to help children learn, manage feelings, make friends, and solve problems.

Education Through Music is a program that utilizes song and intentional movement to develop language, socialization, confidence and joy through singing and play.

Hartland Community Education Childcare Center Summer Kids Camp Program

Summer registration begins **April 3rd** for early-bird (existing customers) and **April 10th** for regular Camp registration.

Our summer Kids Camp is for children who have just finished **Kindergarten through their 13th birthday.**

The kids will enjoy off-site field trips to Waterford Wave Pool, Chuck E Cheese, Hartland Pool, go-karts and many more! The staff will also provide your child with the opportunity to enjoy themed activity days and socializing with friends!

Kids Kamp starts the week of June 19th and runs through August 31st.

A Kids Camp T-shirt is included. Sign up early, as sizes may be limited. The last day of Kamp is a Center Wide celebration with lots of fun.

The minimum days of enrollment is three (3) days and for at least six (6) weeks.

At registration you will need the following items:

- 1.) \$100 Start-Up fee
- 2.) Completed registration packet with emergency card
- 3.) \$50 registration fee (if not currently enrolled in the Childcare Center)

If you would like to pay a one-time payment for the Activity fees, receive a discount and pay a lower weekly tuition amount, please ask about this in the office.

If you have any questions, please contact Amy Rollins Supv. (810) 626-2780 or email amyrollins@hartlandschools.us.

Hartland Community Education Childcare Center Daycare's Summer Fun 2017

New enrollees (not enrolled in the Childcare Center programs during 2016-2017 school year) will pay a \$50 registration fee plus the Activity fee. (See below)

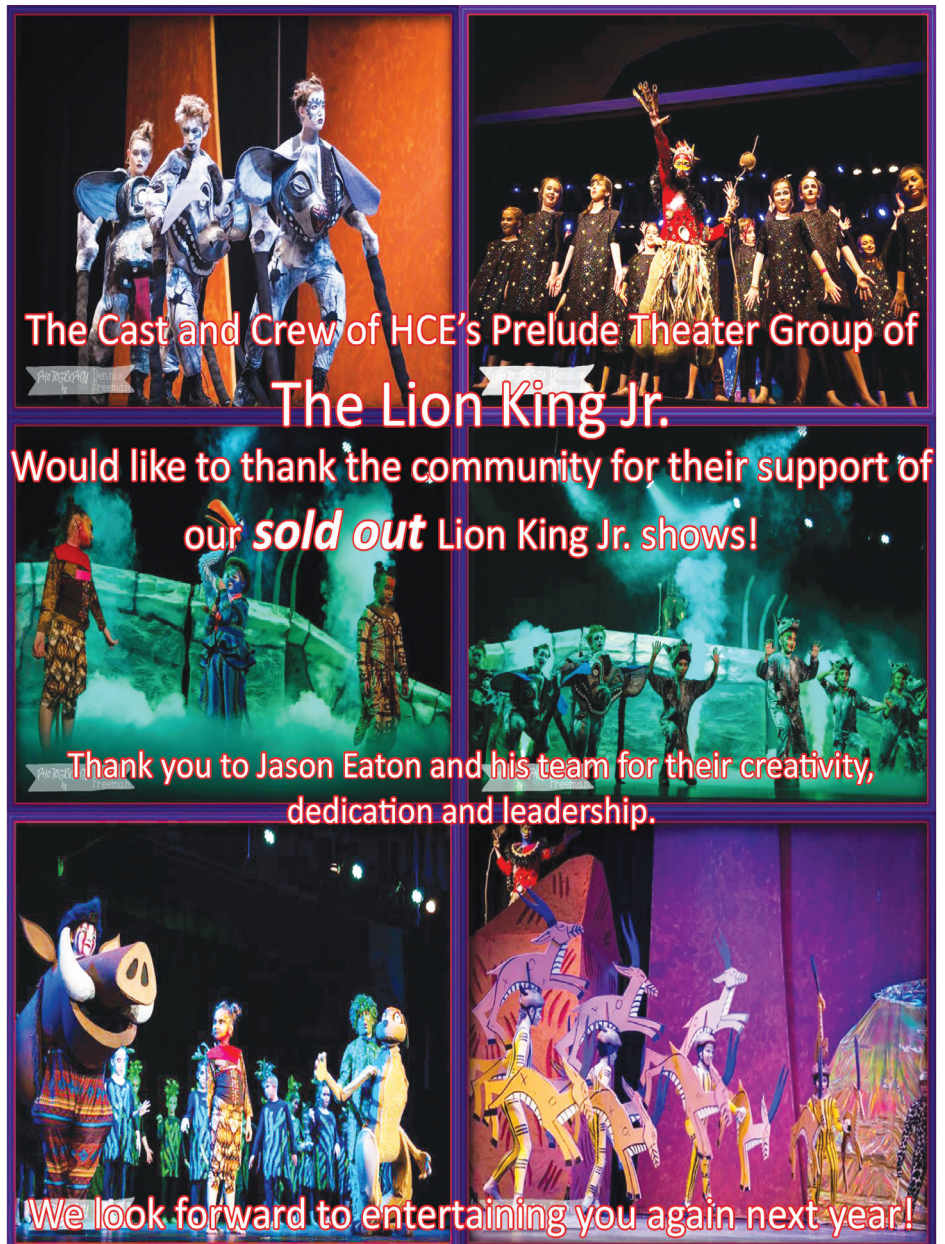

Some of the special summer Daycare activities include watching the magical entertainers, visits from the Fire Department, swimming at the Hartland Pool, special projects and many awesome activities!

Activity fee- **Busy Bees Classroom** = \$50
Activity fee- **Fireflies or Critters Classroom** = \$65

The Activity fee must be paid in full by June 16.

Your child will need to bring a lunch everyday. If the classroom will be having a "hot lunch", you will be notified ahead of time. Please be sure that your child has a change of clothes, sunscreen, and gym shoes (to cover the entire foot, good walking shoes). Aqua shoes will be another good idea for the outdoor water activities.

Congratulations to Our 2017 Memorial Day Grand Marshal

Ceci Marlow

The Director of Cromaine Library, Ceci Marlow, will be serving as this year's Grand Marshall of Hartland's Annual Memorial Day Parade.

When I had the pleasure to meet with Ceci for this article, she said she wished that all her fellow library staff and Board could ride in the car with her. That is the humble person Ceci is. She became the Director of Cromaine Library back in June of 2008.

If you ever read the quarterly newsletter, you will see how varied the programs the library offers to the community. Ceci explains that decades ago (before the internet, video games, and even television) the public libraries were the cultural centers for communities across the nation. Ceci has attempted to return to this mindset rather than the view that libraries are mere repositories of printed material. The most recent mailing noted events like Teen Thursdays, coloring for grownups, grand parent/grandkids art workshops and Conversation Café.

Many community residents look forward to the summer concert series that has become a Hartland tradition. These were initiated by Ceci! As the Holiday Season approaches, the Polar Express rides into the Village as one of the newer traditions!

Besides her dedicated service to the Library, Ceci serves as an active member of the Community Council. She also serves on The Hero Board, and is an active member of the Hartland Area Chamber of Commerce. She and her team have increased collaborations with community organizations and business sponsors at this point in history when funding from government agencies has been reduced.

Please congratulate Ceci for this well deserved honor as serving as Grand Marshall. You have made the Harland Community a better place for all!

All-Girl Hartland Robotics Team Wins World Robotics Competition

The Pink Eagles, an all-girl robotics team, from Hartland just won the World Robotics Competition from Wonder Workshop. They programmed their Dash & Dot robots to complete 5 core missions to make it into the Top 30. Then they had to program "Gumdrop" (the name of their robot) to conquer a Final Mission. They beat out 20,000+ kids on 5000+ teams from around the world to earn 1st Place! Today (Tuesday) Wonder Workshop held a live FB feed and announced the winners.

Channel 7 News interviewed the team and the Livingston Daily is doing a story. All 6 girls are in 7th grade and attend Ore Creek Middle School. They have had a LOT of success this year! They took 2nd in the FLL (First Lego League) State competition and are heading to the North American Championship at Legoland, California in May. They are also competing at Robofest on April first in Canton. And some of them were on the Science Olympiad team! Ore Creek should be proud of their all-girl team!

Team members include: Jaley Felty, Camryn Ihrke, Olivia Tappen, Sidney Furge, Amber Clark. Not pictured: Gabbi Stetkiw. **Coaches:** Frank Tappen & Melinda Tappen.

Hartland Runner Heads to Australia

Down Under Sports is pleased to announce that Caleb Guenther from Hartland High School has been invited to represent Michigan on the 2017 Michigan East Conference Cross Country Team.

Caleb will depart for Queensland, Australia on Tuesday, June 27, 2017 to compete down under for individual honors and a team championship title.

Each participant must raise money to cover the cost of the nine day Australia Tournament Package. Fundraising is an important step to achieve the goal of competing on the international stage. Good luck to Caleb as he represents Hartland this summer!

HMS Science Olympiad Team Moves on To States

The Hartland Middle School Science Olympiad team competed in their Regional Tournament at Mott Community College this April. The kids each won numerous medals, propelling the team to an overall 2nd place! This is the highest (in recent memory) that we have placed in this competition.

The team also qualified to go to the State Tournament at Michigan State University in Lansing. This is the first time in recent years that Hartland has made it to States.

The team includes: Derek McCracken, Joseph McFarland, Adam Kahl, Sidney Furge, Olivia Tappen, Ella Kociba, Yamato Miura, Hunter Kretz, Tim Braford, Gavin Schultz, Noah Losert, Jesse Line. Coached by Frank Tappen.

BSA Troop #381 Gathered to Honor David W. Dunville at an Eagle Scout Court of Honor

David selected an Eagle Scout Service Project with personal connections to benefit Deerfield Hills Nature Area. David managed the installation of pavers surrounding a bench on a trail in the park which offers respite to handicapped hikers in the park. The bench overlooks the canoe launch built by a fellow Scout from Troop #381 for his Eagle Scout Service Project several years ago.

Assistant Scoutmaster Mike Peterson presented the Significance of the Eagle Rank. Mr. Peterson, who was also David's Eagle Mentor, had been Cubmaster of Pack 380 when David joined as a Tiger Cub and he shared some highlights of David's Scouting career before introducing Scoutmaster Ron Trosin II to tell the Legend of Eagle Mountain.

Sheriff Mike Murphy presented David with a plaque from the County Board of Commissioners along with a plaque from the Sheriff's Department. David had received letters of commendation from Governor Rick Snyder, Senators Debbie Stabenow and Gary Peters, Representative Mike Bishop, Michigan Senator Joe Hune and Michigan Representative Hank Vaupel.

Scoutmaster Trosin and Assistant Scoutmaster Peterson awarded David his Eagle rank pin and Senior Patrol Leader Ben Portelli replaced David's neckerchief with a new neckerchief signifying David's membership in the National Eagle Scout Association. David took to the podium to thank and recognize those who had played memorable roles in his journey to Eagle. The ceremony drew to a close as the Honor Guard retired the flags and Troop Chaplain Jim Bauer returned to deliver the Benediction.

BSA Troop #381 congratulates Eagle Scout David Dunville on achieving Scouting's highest rank.

Hartland Rotary News

Hartland Rotary's bowling team made us proud at the Big Brothers Big Sisters "Bowling for Kid's Sake Event on March 4, 2017. Not that their bowling scores were that great. It was the size of their hearts as they collected a total of \$2395. for BBBS of Livingston County. Way to go "Split Ends!" (Matt Ora, Eric Taylor, Mike Horan, Michael Bernardin, Joanne Crain, Norm Crain, and Greg Kirchmeier)

The 19th of April found the Hartland Rotarian sprucing up the Butterfly Garden at Settler's Park. Weeds were discarded and fresh mulch was spread over and around the trees and scrubs in anticipation for 2017's arrival of butterflies. Our Little Free Library located at the Butterfly Garden also was cleaned up for spring with a new latch, Rotary Emblem, and plaque.

Sarah Hinkle, Hartland High School Junior, represented Hartland Rotary at RYLA, Rotary Youth Leadership Awards, weekend at Camp Copneconic, Fenton, April 21-23. She will be sharing her experience with us this summer at one of our Hartland Rotary Meeting.

Hartland Rotary is focusing on our 2nd Annual Shooting Clays Event, August 24, 2017, at the Michigan Shooting Center, Island Lake Recreation Center. We can't wait to challenge the best shooters in our Rotary District 6380 again this year. Last year the Livingston County Sheriff's Dept. took the honors. The event's sponsors and participants will be helping support youth programs here in our Hartland Community and Livingston County.

You are always welcome to join us on 1st and 3rd Thursday mornings for breakfast and informative presentations at the Hartland Insurance Agency, 2532 Old US 23 at 7:15 AM. If you have a passion for community service and enjoy sharing the fellowship of those with a similar desire, please consider joining us. Please visit www.hartlandrotary.org or our FACEBOOK, Hartland Rotary Club, for more information on our club.

HARTLAND DEERFIELD FIRE AUTHORITY FIRE MARSHALS OFFICE

Hartland Area Fire Dept.
3205 Hartland Road
Hartland, MI. 48353-1825

Voice: (810) 632-7676
Fax: (810) 632-2176
E-Mail: firemarshal@hartlandareafire.com

Dear Friends,

This November will mark my 27th year in the fire service! However, my proudest and most memorable have been the last 16 years. I joined the Hartland Township FD in November of 1990. Then, I went on to get my degree in Fire Science, I even did a small amount of time in the UP as a firefighter. However, the past 16 years I have been blessed and proud to serve residents, and business owners in the Hartland and Deerfield areas as a Fire Marshal.

In 16 years, I have had the opportunity to do many things that not many people get to do, or experience in their entire lifetime! I have met and worked with some of the sharpest and most passionate people in the fire service. I have met and worked with some great developers, fantastic and hardworking politicians, and some of the greatest educators you could ever wish for! Recently, my family and I have been challenged with a decision. A decision that is was very difficult to make.

I have decided that it is time to retire from the fire service. My decision did not come lightly, and I know that I am walking away from a community that most Fire Marshal's could only dream of. However, my family and I have been given an opportunity of a lifetime. I am accepting a job with the federal government. It is a complete career change, but a challenge that I am up to, and looking forward to. The position will allow me to continue to live in the area, and my girls will be able to remain in the Hartland school system!

I would like to take this time to formally thank Chief Adam Carroll for the opportunities I have been given. His leadership and dedication to our community is second to none. Chief Carroll let me take risks, and make some mistakes here and there. His leadership style taught me values, and experiences that will carry me thru the rest of my life. Adam, thank you for being the positive role model and professional that you are! I learned a lot by watching you, and you pushed me in ways that only made me a better person. Thank You Adam.

I would like to thank the Fire Authority Board. Without your support and belief in me, I would not have had the opportunities I did, nor would our community have benefited. The boards' ability to think outside of the box makes Hartland and Deerfield a very safe place to live. Examples include being the first FD in Livingston County to provide 24/7/365 staffing! Others include the Smoke Alarm program, and supporting me within the Michigan Fire Inspectors Society, and the Michigan Fire Chiefs, and our AutoPulse CPR machine!

But, if it wasn't for Deputy Chief Gregg Schkade, I would more than likely still be a Firefighter in Menominee, MI. Gregg was the Fire Chief (when we were the Hartland Township FD) that hired me back in March of 2001. I was honored to be Hartland's second full time Firefighter in its history! Many people in our community don't know that Chief Schkade is one of the many reasons that our Fire Authority is such a success today. Gregg, I am lacking the words right now...All I can say is THANK YOU!!

There are tons of people that I need to thank, and I could go on for days naming you all. I would however, like to name a few people that are in need of mentioning: First and foremost; my wife Michelle, and daughters Ashley and Addison. Thank you for all of the dinners and family time I missed, so I could serve our community. You sacrificed a ton for our community, and you were never publically recognized for it. Thank You, and I love you! A huge THANK YOU to the Hartland Schools for carving out precious time that allowed me to teach fire safety to thousands of children over the years...Thank You Jan Doke, Dawn Lubeski, Kate Gregory, Mike Schmidt, Ron Weston, Bill Cain, Rachel Wright, Mary Day...I know that I am missing many more.

Finally, I just want to say THANK YOU to all of the residents that are fire department supporters. No matter what FD jurisdiction you reside in, you are lucky to be living/working in Livingston County! Livingston County as a whole is one of the most progressive, and forward thinking counties in the State of Michigan! Many people do not have a clue what their FD members do day in, and day out, until their services are needed.

I am proud to have served alongside them all, and proud to have called the Hartland Deerfield Fire Authority my home. Please remember to check your smoke alarms monthly, and always have two ways out! If you need help with smoke alarms, or coming up with a custom fire escape plan for you or your family, PLEASE call us...We are here for you!

*Yours In Fire Safety,
Michael R. Bernardin

TEACHING YOUR CHILD TO WORK HARD

How to develop a strong work ethic in an entitled instant gratification world?

Parents, do you ever have a difficult time getting your child to do homework? Is it a challenge to get them to do even the simplest chores around the house or just to pick up after themselves? Is it becoming increasingly difficult to get them to stop playing videos games or to put down that tablet/smartphone?

So how do you develop a strong work ethic and drive to work hard in your child? Isn't this really a key for success later in life?

Much of it comes down to one thing - **DISCIPLINE**. It is an over-used and misunderstood word. Parents say to me all the time "Sensei, my child needs to be more disciplined!" But what is discipline? Simply, discipline is the ability to *"do what you do not want to do"*!

A good example is your fitness and health. We all know what we need to do to be fit and healthy right? Exercise regularly and eat right. Simple, isn't it? But how hard is this to do? Some people exercise and eat well with ease while others struggle from the start. Why? They are "disciplined" people. But how did they get that way? All they did was start and continue a **habit**, that more importantly, turned into an **identity**. Being fit and doing what is hard just became who they are. You can also become a very undisciplined person. How? In the same way, you just developed the habit and then the identity!

So back to your child. How do you develop discipline and a hard work ethic/habit in your child?

First, start EARLY! Like anything else, the sooner you develop a habit the better. It is much easier to start with a good habit than change a bad one later. Remember, a person develops most of

the habits they will have for the rest of their lives between the ages of 0 and 7!

Second, start with the SMALL STUFF! You start this habit by making your child "do things they do not want to do" BUT start small! Small things done consistently over time is the secret to success at anything! So instead of making them bungee jump or clean the whole house, make them eat foods they do not like. Make them get up as soon as their alarm clock goes off. Make them go to bed at an exact time. Make them stop playing a video game or get them to do a simple task the first time they are asked.

Third, be both consistent and patient! Why do most parent let their kids slide out of doing something they do not want to do? Because it is easier. It is easier than laying down the law and holding fast. But this extra work put in at the start pays off when they are teens and adults.

But what does this all mean in the future? A teen who grows up and finishes college with a degree in four years instead of one that changes majors a dozen times then drops out with thousands in student loans. A child that develops into an employee any boss would love. (They are the ones who always have great jobs and later turn into the boss!). A child who goes on to be an amazing spouse and parent because instead of giving up on the slightest difficulty or discomfort they work hard and persevere.

People who are disciplined and always work hard make life seem so easy!

"Prepare the Child for the Road, not the Road for the Child."

Face Flair Teaches Face Painting and Henna Tattoos at the Hartland Teen Center

Kim Torres from Face Flair teaches teens at HERO Teen Center the art of face painting and Henna tattoos. Many teens participated in these creative activities.

"That was cool, we had fun!" said, Lexy Briggs. The teens will use their artistic skills face painting children at Creekside Elementary Family Fun Night.

LACASA (pictured above) visited the Hartland Teen Center to discuss healthy relationships. Teens learned about setting boundaries and how to tell if your relationship is healthy or not.

Easter is celebrated at Hero Teen Center. Hartland Community Chapel provides Easter Baskets and teens enjoy an Easter Egg Hunt and lots of Easter candy.

HERO Teen Center is seeking a new director and a substitute director. Must be available after school 1 pm - 6 pm. Must have educational background and experience working with teens. Email resume to; nextdoorhtc@gmail.com

Struggling with Reading? Tried tutoring...but poor results?

Struggling Student Now Gets A's & B's - Thanks to Vision Therapy!

"By first grade, Davis was significantly behind. He couldn't keep up or follow directions. His teacher and a special education teacher expressed significant concerns regarding his inability to recall and remember."

"I brought Davis to his pediatrician. The meeting with his doctor did not go well. I was told to lower my expectations. He would never be 'fixed'. We went to Dr. Doud's the next day and I broke down crying as I told him what his doctor had stated. I let him know - I knew my little boy was intelligent. He just couldn't get it out."

"Dr. Doud tested Davis' vision and discovered that his vision was significantly delayed in several areas. He not only gave me hope - which at that point was all I wanted, but a plan to assist Davis."

After vision therapy, "Davis improved so significantly that at the end of second grade, I was told not to let the 3rd grade teachers know anything was wrong with his ability. He had all A's and B's. He was able to keep up and follow directions. His visual memory was 14% when we started vision therapy. It is now near 90%."

"I am so pleased and cry at the thought of how far he has come. It truly is overwhelming to think of what would have happened to Davis if we would have listened to his pediatrician, lowered expectations and accepted this situation, Davis would have failed at school and in life."

HARTLAND FARMER'S MARKET

Exciting things are happening for the Hartland Farmer's Market.

2017 begins the 14th year of operation including a new permanent location. Rural King has opened their arms to having the market in their parking lot on M-59 behind Burger King and Dairy Queen. (10400 Highland Rd, Hartland, Mi.) The market began in 2004 and Hartland Schools were able to generously offer the parking lot at the HESSC building on M-59 until 2016. That season the market was asked to move to Ore Creek so that the schools could open up the parking area for events held at the auditorium and within the administration building. The Ore Creek location provided challenges and the market is eager to open at the new location.

The season opens May 20th with "Junior Farmer's" being able to come and plant seeds and take home a small project. All children are welcome to join in the event. Jim Sparks and Kathie Horning will again be volunteering as Co-Market Masters. The 4-H Rangers are extensively involved helping shoppers take items to their cars, and providing food and beverages. The market offers a huge variety of locally produced items such as pork, beef, turkey, fruits and vegetables, honey and jams, eggs, flowers, baked goods and artisan crafts.

For a very affordable price per week you can set up your table and join the fun and profit! The Farm market runs every Saturday May 20th through October 14th. The Flea market is the first Saturday of each month and the Garage Sale will be on the third Saturday of each month.
