Superintendent's Message

Janet Sifferman, Superintendent

With the announcement of my retirement from Hartland Consolidated Schools after 40+ years, I have now entered the period of "The Lasts". It is a bizarre feeling. As I write this, our Board of Education has not yet determined who will take my place, but whoever it is will hit the ground running with the full support of the Board, our administrative team and teaching and support staffs, and most certainly the Hartland community. So back to "The Lasts"... This will be my last Board of Education election.

On November 8th, along with the many other high profile and hotly contested races, four Hartland Board of Education members are running uncontested to continue their time on our Board. We have a phenomenal Board of Education! Each and every member is child-centered and has the best interest of our students, our schools, and our community at heart. Please show them your appreciation of their remarkable service on November 8th. It will likely be the easiest decision you will make that day.

On a lighter note, as we bound into the upcoming holiday season, I hope all of you have a wonderful and relaxing Thanksgiving holiday.

Hartland Schools Person of the Month

Pam Iden

Pam Iden is a World Language Teacher at Hartland High School and has been employed with the district for 18 years, but as you will see from her story, her roots in Hartland are MUCH longer than that! Pam earned a BA in Linguistics at University of Michigan-Flint, her Michigan Teacher Certification from Oakland University, and Masters in the Art of Teaching from Marygrove College. She has also studied extensively abroad: Alliance Française, Paris – French Language and Culture Proficiency, and Institut für Europäische Studien, Vienna – German Language and Culture Proficiency. Please take a moment to read Pam's very interesting life story and her strong ties to Hartland and Livingston County.

Like many of the HCS staff, I went to school here. In fact my entire family, all eight Narhi children attended Hartland Schools, K-12. Though my dad, David Narhi, passed away eight years ago, my mom, Donna Narhi, still lives in our farm house in the very northwest corner of the district. My oldest sister Cindy, graduated in 1975. My youngest sister, Monica, graduated in 1995. There are pictures of Monica hanging in the Performing Arts Center lobby depicting her as "Cosette" in the play Les Miserable, among other productions. A more current picture of her is hanging in the main hallway of the high school. Above the memorial plaque to the fallen soldiers from our district, is a picture of her piloting a Black Hawk Medivac helicopter in Afghanistan. She is still proudly serving our country as a CW3 Army Medivac Pilot. My brother, Andy and wife Sandy, live in the district near my mom. My nieces, Audrey and Sophie Narhi, are in the 8th grade at Hartland Middle School. My brother, Tim Narhi, does not live in the district, but often holds auctions in the area. He and his wife, Kim, have owned their auctioneer business for 30 years. On my husband's side of the family, my niece and nephew, Georgia and Jack Iden, graduated from Hartland and are now both at universities, MSU and Grand Valley respectively. I could go on...but I think you get the idea; my family and I are greatly invested in this county and school district.

A very gratifying time for me in my career at Hartland happened about four years ago. Two of my former German students, Ryan Iseppi and Michael Herrick (Tara Bosley's younger brother), graduated from the University of Michigan with German minors and were recipients of Fulbright Scholarships. They both went to Germany on their Fulbright Scholarships – Mike for Urban Planning and Ryan to teach English at a German High School. I was happy that they had continued with German and was proud that the overall education we provided prepared them for such accomplishments. I have heard similar success stories from Hartland graduates over the years. I am grateful to the students who come back or write to let us know we made positive impacts on their lives. A little validation goes a long way.

I did not expect to teach in this district. It was Mike Scheib, my childhood neighbor and best friend, who informed me that Jan Cooley needed help. Her husband, Greg, was diagnosed with a brain tumor. I took a long term substitute position in French in the Spring of 1998 to allow Jan to spend the mornings with her husband.

At the end of that school year Larry Eichler retired and I was offered a part-time teaching position in German. I accepted and in the years that followed I have taught both French and German. For the past four years, I have taught only German. I teach German 1,2,3,4 and 5. The addition of eighth graders to German I in the past seven years precipitated the addition of German 5. ...Continued on Page 2

Thank You For Your Support

....Pam Iden Continued from Page 1

This district is special not simply because of my family ties; the community is very supportive and involved. It is uplifting to see how many parents volunteer, attend school functions, and speak up in support of our staff. Yet even more important still to my success and my sense of purpose at Hartland are my colleagues. I am proud of their professionalism, their sincere desire to nurture and educate the whole child, and to boldly seek out and implement new ideas. My colleagues (friends) pick me up when I am down. They help me to laugh at times when our profession seems to be managed by ill-informed legislators imposing absurd regulations. My colleagues push me to be a better educator and person.

I find it very positive that Hartland Schools has been open to new initiatives. When I heard about the German American Partnership Program student exchange, I was eager to implement it at Hartland. However I was wary that perhaps in the times shortly after 9/11, some folks might be closed to the idea of overseas travel. I am not usually happy to be proven wrong but in this case I was thrilled at how perceptive and broad-minded all of the Administrators and School Board Members were from the start and have continued to be.

We are not a perfect organization, but we are not stagnant. We strive to improve and grow. So, it's no wonder that we attract more and more Schools of Choice families. More than ever, we need an educated populace, who can put reason before fears, deduce fact from fiction, and find commonalities that bind and strengthen our community instead of divide and damage it. I believe that this is the daily pursuit of the Hartland faculty, of which I am honored to be a part.

Thank you for the recognition!

FALL PARENT-TEACHER CONFERENCES

Parent-Teacher Conferences are scheduled for November 9 and 16 as follows:

- **Wednesday, November 9th from 4:00 to 7:00 p.m.**
- **Wednesday, November 16th from 4:00 to 7:00 p.m.**

Some teams have scheduled appointment times (they notify parents directly). All other conferences are in individual teacher classrooms on a "drop in" basis (first come, first served). In an effort to see as many of our 900 students' parents as possible – and to minimize wait times as much as possible -- teachers have been asked to keep conference times brief (5-10 minutes). We hope to see you all during conferences.

Students were able to participate in small breakout sessions including topics such as Service Minded Youth, The Resilience Breakthrough for Youth, Leadership Development, and many others to choose from.

The speakers overall intentions were to provide our students with new tools for becoming a force for change. It was an incredibly inspirational afternoon felt by all!

IT'S NOT ABOUT THE KARATE

It's about something much more important...

Most parents come to us thinking their child will learn karate like the movies and TV. But, they are surprised by what they discover!

While we do teach great self-defense and fitness what this is really all about is teaching children the life-skills, habits, attitudes and most importantly the character traits they need to be high achieving, successful and happy children. Kids can only learn by "doing" so we create a unique highly structured, disciplined and intense environment where they can have life changing positive experiences. We also feel it is critical to surround our children with a "village" of amazing teachers, mentor and peers.

But don't take my word for it:

"Emma was always very reluctant to try new things and didn't adapt to change very well...when we signed Emma up for "karate class" at Ohana Karate, we had no idea the wonderful program we were enrolling her into. As expected, Emma was very shy and hesitant to join in with her class. Truth be told, the first several weeks her daddy and I did more karate with her class than she did. But Sensei was great. He kept encouraging her and telling her what a good job she was doing. Sensei helped us work out a plan for Emma to introduce her to challenging situations in a safe environment to build her courage and confidence. I am pleased to say that in 6 months, she has gone from crying during class, wanting to sit on our laps, wanting us to go out on the mat with her to, enthusiastically participating

in tournaments and even volunteering to demonstrate in class. I was so proud at her last tournament of her confidence. She didn't hesitate once.

The bonus I didn't realize that came with karate at Ohana Karate was the change I have seen in Emma's behavior. Through their Character Development Program, we have seen changes in ways we couldn't have imagined. The other day at dinner, she was already sitting down and I got up and got a napkin for her and I. Without any prompting she said, "Thank you Mommy for getting me a napkin". It may seem like a small thing but to go from constantly reminding her, "What do you say?" to having her show full and complete gratitude..it is amazing. I can't begin to account for the times she has said, "Mommy, that is the best dinner I have ever had." Or "Thank you Mommy for taking me sledding." or "Thank you Mommy for washing my clothes." I never would have dreamed that all that gratitude was inside my 4 year old. She has taken to heart the things that are being discussed during the "Mat Chat" as well as those things we talk about at home from the Character Development Program.

We love the opportunity Ohana Karate has given Emma to move beyond her anxiety and nervousness. I am so pleased with how the program is readying her for Kindergarten and life." - Tina N., mother of one, Howell

Public libraries are integral to a free society, providing an open and neutral space for dialogue, discussion, reflection, creativity, enrichment, exploration, discovery, enlightenment, and connection. This is what our Cromaine District Library offers - and its value is beyond measure.

I'm grateful for our historic library in the heart of the village. Since early 2014, it's been my privilege to serve on Hartland's Cromaine District Library Board by appointment. I am on the November ballot for election to a two-year term. Please be sure to vote!

Hartland Happenings

Public meeting scheduled on trash consolidation

The Hartland Township Board of Trustees will hold a public meeting to hear residents' opinions on trash consolidation. The Safer Roads Citizen Task Force recommended that the Board consider a single vendor for trash collection in order to better preserve the roads, particularly those that were recently improved. Initial estimates indicate that residents would pay the same or less than they are currently and still receive weekly recycling, yard waste pick-up and a predetermined number of large item pick-ups.

Residents may also share their opinion via an online survey available at www.HartlandVoices.com

New Music Program

The HERO Teen Center has added a new music program. Thanks to Livingston County United Way, the Teen Center was able to purchase guitars, drum set, amps, mics, and a Karaoke sound system. It was the dream of teen Nick Castro to have a music program.

Above: Aiden Lock playing a guitar.

Nick promoted the idea to the community, he stated that music is a creative outlet for teens to express themselves. This idea took hold and his vision is a reality. Nick and his dad, Randy Castro, helped with selecting the instruments at Wize Buys Pawn Shop and bringing them to the teen center. The teens enjoy creating music together.

Divine Yoga is now teaching a spiritual yoga class on Fridays from 2:30pm until 3:30 pm. All teens are invited to participate free of charge. It is a great way to relieve stress and a great workout. We are so grateful for the many community volunteers who help out at the teen center.

Friends of Cromaine District Library

A few days ago I walked into a familiar store and was confronted with three large displays.....Halloween, Thanksgiving, and Christmas. Oh yes, Santa was dressed and ready to slip down a Chimney. Wow, I decided it was time to put away my summer furniture, and think about the upcoming Seasons.

Cromaine in the Village always looks special during the "Holiday Season", so if you would like to help decorate, plan to meet in the lobby at 10:00 am on November 17. Also, note that "Gingerbread House" decorating will take place at Cromaine in the Village on November 18 and 19. What fun that will be! Call the Library for more information...810-632-5200 .

For information pertaining to the "Friends" call Mary Lynn @ 810-229-7356.

Friendship is the only element that will ever hold the world together.

Struggling with Reading? Tried tutoring...but poor results?

Struggling Student Now Gets A's & B's - Thanks to Vision Therapy!

"By first grade, Davis was significantly behind. He couldn't keep up or follow directions. His teacher and a special education teacher expressed significant concerns regarding his inability to recall and remember."

"I brought Davis to his pediatrician. The meeting with his doctor did not go well. I was told to lower my expectations. He would never be 'fixed'. We went to Dr. Doud's the next day and I broke down crying as I told him what his doctor had stated. I let him know - I knew my little boy was intelligent. He just couldn't get it out."

"Dr. Doud tested Davis' vision and discovered that his vision was significantly delayed in several areas. He not only gave me hope - which at that point was all I wanted, but a plan to assist Davis."

After vision therapy, "Davis improved so significantly that at the end of second grade, I was told not to let the 3rd grade teachers know anything was wrong with his ability. He had all A's and B's. He was able to keep up and follow directions. His visual memory was 14% when we started vision therapy. It is now near 90%."

"I am so pleased and cry at the thought of how far he has come. It truly is overwhelming to think of what would have happened to Davis if we would have listened to his pediatrician, lowered expectations and accepted this situation, Davis would have failed at school and in life."

We can help—call today!

Serving families in Livingston County for more than 20 years...

In addition to providing family vision care, Dr. Doud diagnoses and treats vision problems that interfere with reading and learning.

Dr. Doud has treated hundreds of children from the Hartland and surrounding communities from all over South East Michigan.

Do You Know the Top 5 Signs that a Vision is Blocking Learning?

- Skips lines and/or rereads lines
- Homework takes longer than it should
- Short attention span with reading & homework
- Poor reading comprehension
- Reverses letters like "b" and "d" when reading

Hartland Optimist Club Christmas "Adopt a Family"

The Hartland Optimist Club will once again sponsor the "Adopt-a-Family" Program for families in our community in need of help during the holiday season. If your group or family is looking for a community service project, or just a great way to celebrate the holiday season, in the true sense of giving why not consider Adopting A Community Family In Need.

**If you would like to adopt a family please call:
Vicki Schiesel at 313.220.2797.**

HHS and Community Ed will have boxes in their buildings so families can donate non-perishable food items, and paper goods.

As this is a large undertaking, the Optimist Club can always use monetary donations. If you are interested, you can send your donation to:

**Hartland Optimist Club, P.O. Box 64, Hartland, MI. 48353 or
online at www.paypal.me/optimists**

- There are many ways you can help support this project:
- Adopt a Family
- Donate nonperishable food items or paper products
- Make a donation to Hartland Optimist Club
- Join the Optimist Club

All donations are appreciated; every dollar helps and goes directly to our families. Community support makes this worthwhile project a success!

Hartland Rotary News

Hartland Rotary Club would like to announce that our "Little Free Library" has now found a home at the Hartland Rotary Butterfly Garden behind the Hartland Township Hall on Clark Rd. The object of the "Little Free Library" is for people in the community to take a book, return it, and perhaps bring a couple books that they would like to leave in the Library Box for someone else.

Hartland Rotary would like to thank a group of students from Legacy, Hartland, for building the box and for the Cromaine Library Director, Ceci Marlow, for not only giving it to Hartland Rotary, but also filling it with books!

Recently Hartland Rotary received a thank you note from Gleaners Food Bank in regard to our donation of \$1000.00. We usually donate quarterly to Gleaners in Livingston County from our "happy bucks" collection each week. This Summer we chose Gleaners to be a recipient of our fund raising from the Shooting Clays Event in July. This donation became very special when our Gleaner's thank you note told us that we would be helping with the "Mow Down Hunger" campaign. Our \$1000.00 was matched 100% by Weingartz, a Michigan-based provider of outdoor power equipment. We are proud to help our neighbors in Livingston County with hunger issues they may have.

Visitors are always welcome to join us on 1st and 3rd Thursday mornings for breakfast and informative presentations at the Hartland Insurance Agency, 2532 Old US 23 at 7:15 AM.

If you have a passion for community service and enjoy sharing the fellowship of those with a similar desire, please consider joining us. Please visit www.hartlandrotary.org or our FACEBOOK, Hartland Rotary Club, for more information on our club.
