Superintendent's Message

Janet Sifferman, Superintendent

During the last school year, the State of Michigan made a decision to switch the state-wide test high school juniors take from the ACT to the SAT test. In the spring, our juniors took the SAT for the first time. Their test scores were 81 points higher than the scores for the state average and 98 points higher than the national average: Hartland – 1082, State – 1001, National – 984.

Our reading and writing college readiness score surpassed the state average by 17% and our math college readiness score was 22% higher. We are pleased with the results and believe it reflects the hard work and focus our district places on the academic success of our students. Kudos to our entire staff, kindergarten through grade 12, who continue to keep our mission as their #1 priority.

Despite the fact that our revenue stream from the state remains under-funded and unpredictable, our teachers have found a way to maintain and continue their high caliber of instruction.

Hartland Schools Person of the Month

Carol Hayes

I grew up in Alpena, Michigan and attended Central Michigan University, where I received my Bachelors Degree in Business Administration. I started working at Community Ed in October 2003. It has been a great place to work for 13 years.

My husband Doug and I have been married for 31 wonderful years and we have four amazing children who all attended Hartland Schools. Lindsay graduated from Hartland in 2008 and from Grand Valley State University in 2012. She lives in Tampa and is a Neurophysiologist. Lauren graduated in 2010, then from Central Michigan in 2014. She lives in Royal Oak and is a Business Analyst. Lexie graduated in 2013 and is in her senior year at University of Michigan. Spencer graduated in 2015 and is a sophomore at Grand Valley. All of my children participated in sports, including tennis, volleyball, soccer, basketball & football. Their participation in sports and extra-curricular activities taught them valuable lessons in teamwork. Hartland Schools gave them a great foundation for their college years and beyond. I believe in the 3 Rs: reason, respect & responsibility.

I volunteered for many school activities when my children were in school including PTO, book fairs, Fun Fest, and Senior All Night Party, and I have been on the Hartland United Soccer board for over 15 years.

I enjoy working with students of all ages I just love going to our pre-school classrooms to visit the 3 & 4 year olds. They are so funny!

One memorable moment is a LEGACY success story. The student worked in our office and in our fitness babysitting class, then after graduation, she attended WCC. She was an assistant teacher for a Great Start preschool classroom; and is currently the long term substitute for her classroom. I am so proud of her!

That's the great thing about Hartland Schools, we have a place for everyone and we believe that everyone can learn and achieve. Hartland is a great place to be.

Above and Below: Football Friday's are huge events for HHS students. Whether the game is home or away, our students are there to support their team and show their school spirit.

Right: Karen Vermillion, Hartland Township Deputy Clerk came to Hartland High School on Wednesday, September 14 to register eligible students to vote. 56 students registered, many very excited to cast their ballots on November 8. HHS has held voter registration drives for the past 5 years, spearheaded by the late Larry Hopkins, Hartland's Township Clerk. Since that time, with the assistance of Clerk Larry Ciofu and Hartland Township, over 400 students have registered to be able to participate in their most fundamental right, the right to vote.

FALL PARENT-TEACHER CONFERENCES

Parent-Teacher Conferences are scheduled for November 10 and 16 as follows:

- Monday, November 9 from 4:00 to 7:00 p.m.
- Tuesday, November 16 from 4:00 to 7:00 p.m.

**Nov. 9 is a change from the original date. Look for more details to come.*

READER'S WORKSHOP AT HMS

Seventh grade students at Ore Creek cross teams to find their new “reading families.” These “families” get together once a week for book talks and other Reader’s Workshop activities. Students are encouraged to choose books that are of interest to them, are given time to read, have thought-provoking discussions, and make recommendations to each other. Here is what some of the students have to say:

“I like reading with my reading family because I like jumping into my story, and I think explaining it to other people helps me do that, and helps them want to jump into their stories too.” Madeleine Wisniewski

“I like reading with kids on other teams, because they can recommend books to you, and you can recommend books to them. It’s a really good way to get great books around!” Nathan Debol (pictured left)

“Reading with other people is like sharing music. You might not like the genre at first, but if you stay with that group, you might begin to enjoy it!” Andrew Cannart

TARDY TO SCHOOL POLICY

Please help your child do his or her best. Attendance is a crucial factor for student academic success.

- Students tardy to school (i.e. late to Homeroom) must be signed in at the front office by a parent or legal guardian in order for the tardy to be considered excused.
- Unexcused tardies to school will result in disciplinary action.
- Excessive parent excused tardies may be referred to the Livingston County Attendance Officer.

PHONE MESSAGES TO STUDENTS IN SCHOOL

It can be very disruptive to call students out of class to deliver routine messages. Please make every effort to communicate after school plans with students before they begin their school day. If there is a message that we need to pass on, we will deliver those during passing time with students called down to the office instead of interrupting class. We appreciate your help in keeping our school the best learning environment possible.

Round School Family – it has been a great start to the year!

Our Back to School Open House was a great success. A big thank you to our PTO for all their support. It has been an exciting start with a talented group of students and wonderful families. We are looking forward to achieving amazing things this year.

On September 23rd, we hosted the NED show. A fun interactive assembly focused on character education. NED is a loveable cartoon character whose name is an acronym for:

N = Never Give Up

E = Encourage Other

D = Do Your Best

The assembly began the excitement that will continue all year as we promote a culture of Reason, Respect and Responsibility. You can learn more about NED at: http://www.thenedshow.com/ned_program.html

Round Elementary has been awarded a Building Healthy Community Grant valued at about \$15,000. The staff will be working with Wayne State University to present nutrition education lessons, create a Healthy Kids Club, and attend professional development opportunities. The six components of this healthy school model include: 1. Principal Engagement 2. Classroom Education on Healthy Eating and Physical Activity 3. Quality Physical Education 4. Active Recess 5. Student Leadership 6. Healthy Kids Club.

We renewed our focus on reading instruction through a school wide effort to increase reading at school and at home with the grade level take home book bags. Every child has received a new book bag and is able to take home a book of their choice each night to read independently or with their family. These books are important because they are easy to read, high interest, and a support to families who are looking for good books. We hope our families are enjoying these books every night.

Round Elementary School is a special place where our commitment to excellence, relationships and the development of involved citizens is the priority.

Welcome back Round School family! We look forward to another wonderful year!

**BIO: PAUL BLACK
CROMAINE LIBRARY TRUSTEE**

I've been a resident of Hartland Township for 20 years. Born in Grand Rapids to a father who taught high school, my mother was a secretary to the company president. I attended school for many years, earning Bachelor degrees in English, Philosophy, and Theology and received my Masters degree from the University of Detroit (in those days, it was Mercy-less). I had a varied career working in retail, and in pastoral work, and am now retired from 35 years of condominium property management (that time spent both working for a company and as a company owner).

I've been married twice; widowed first, and now married to Sue, the love of my life. We love to travel and, in addition to a number of U.S. cities and the Caribbean, I enjoyed an around-the-world trip with the Nomads (U.S.-Scandinavia-Russia-China-U.S.). I served on the Novi Library board in the past and I'm now completing my second term on the Hartland Cromaine Library Board. I love to read and I want to serve the community. I hope to continue that service if re-elected to the Cromaine board in November 2016.

CROMAINE LIBRARY CONSTRUCTION UPDATE

September 9 the ground started moving and Cromaine in the Village started shaking--earth moving equipment scooping away the hill where the addition will be built is excitingly CLOSE to the building. The retention wall that has held back that hill for 35 years is now being removed for construction. That requires a jackhammer. Those who have thought that libraries are QUIET places have not been in one that is under construction! Still, the project is moving forward and until the windows are boarded, one can see that progress by visiting the second floor. Lots of little faces have been watching and will, we are sure!

IS YOUR CHILD BEING BULLIED?

PARENTS OFTEN NEVER KNOW!

Dear Fellow Parents,

Bullying can range from severe physical abuse to very mild "silent treatment" or exclusion by friends. Both can have long lasting and devastating affects on children. Many parents never know about the mild and moderate bullying of their child.

According to the book, *Bullies and Victims in Schools*, 96% of children will be bullied at least once in their lifetime. 46% of those children will suffer poor grades or will abstain from extra curricular activities because of the bullying. 2% of those children will commit suicide because of constant harassment from classmates.

Is your child being bullied? Look for these signs in your child:

1. Bruises, cuts, scratches, torn clothing that cannot be explained and complaints about not feeling well.
2. Reluctance to go to school or requests to change school.
3. Books, money, lunch or belongings stolen, damaged, scattered around or "lost".
4. Excuses to avoid going to school, or insistence that you take him/her to school even though you live close by.
5. Insomnia or bed-wetting.
6. Frequent requests for money.
7. A sudden, unexplained deterioration in class work, and/or homework.
8. Lack of participation in school activities, staying near the teacher during breaks.
9. Anxiety, insecurity, distress, unhappiness, secretiveness, mood changes and anger.

10. Claims of "I'm okay" when questioned about obvious unhappiness.
11. Low self-esteem.
12. Unhappiness at the end of weekends or school vacations.
13. Few friends or no friends in class and is not invited to birthday parties or other social activities.
14. Teasing or being laughed at by his/her peer group.

Bullying is a very difficult problem to stop. Our mission at Ohana Karate is to ensure every child has the right to feel safe and develop to their full potential. I feel that it is our responsibility to be a community leader and center for the fight against bullying. Can this crisis be stopped?

First, we must develop an ethos in which bullying is always unacceptable and will not be tolerated. Second, it takes a whole community to save our children. We must arm the victim, bully, bystander, parents, schools and community with the anti-bullying tools and systems. Please contact us if we can help you or your family.

Your partner in the fight against bullying.

Hartland Big Boy Restaurant Hosts Celebrity Server Night Tuesday, October 18th

How awesome would it be to have your principal or teacher serve you a delicious chocolate shake?

On October 18, the Hartland Big Boy will be hosting a "Celebrity Server Night" Fundraiser **from 5 -7 pm**. The night will benefit the Hartland Optimist Club's Christmas "Adopt a Family," and other Optimist Youth Activities and Programs. Hartland Schools' Administrators, Teachers, and Staff assist the Big Boy team for the evening raising money from a percentage of the dinner tab, tips, the 50/50 Raffle and a donation from Nick and Jean Shaieb, owners of the Big Boy Restaurant.

A special attraction to the event is for students to enter their name in a drawing for "Breakfast with their Principal." Thank you principals for your support and involvement with your students!

Optimist Clubs are recognized as a "Friend of Youth" and welcome any community member interested in promoting programs and/or activities for children in the Hartland Area.

For more information on the Hartland Optimist Club, our meeting times and location, please contact president Vicki Schiesel at 313.220.2797.

Hartland Teen Center Gets a New Look

The Teen center gets a new look, thanks to many volunteers in the community. United Way and TG Fluid volunteers helped clean the teen center to get it ready for the coming year. Hartland Community Chapel volunteers and teens helped paint the teen center. The teen center's new look is very inviting and welcoming to all teens that attend.

All teens from Hartland, 7th grade through 12th grade are welcome to join the fun at HERO Teen Center.

A new stage was built and a new music program will be added to the activities at the teen center. We are encouraging all teens that are interested in music to be part of helping create the new music program. Teens may bring in their guitars, amps, etc. and have an opportunity to jam with other musicians. The teens are interested in adding used instruments or donated instruments to their music program. It is a great place for teens to be creative and explore their interest in music.

Teens are also busy creating a mural on the wall at the teen center. Teens will come up with their own ideas and draw and paint a mural. The mural will represent them and be about diversity and inclusion at the teen center. Looking for creative and artistic teens that want to help with the wall mural.

Donations needed for music program: acoustic guitar, electric guitar, wifi headsets, 35 watt amps, guitar cords, drum set, microphone, etc...

Friends of Cromaine News

Today is truly a beautiful fall day, a bit cooler than last week, and a few trees are starting to change from vibrant green to beautiful shades of orange and yellow. We are sooooo lucky to live in Michigan where we can enjoy the special seasons.

Last week the "Friends" worked hard on their Fall Book & Bake Sale. Fortunately, it was very successful. The Event consumed about 5 days for set up, sales, and clean-up.

We thank all the volunteer workers, bakers, and those folks who came to purchase books and baked goods. All profits go to help the Library Staff with their numerous endeavors.

Many of us witnessed the "Ground Breaking Ceremony" on September 8, at Cromaine in the Village. We were honored by speeches from Bob MacBride and Frank Crouse, both descendants of J. Robert Crouse, founder of Cromaine Library.

Please note that the "Friends" next Meeting will be held on Tuesday, October 18, at 6:30 pm. on the 3rd floor of Cromaine in the Village. We always welcome visitors who enjoy a few goodies, and lots of conversation.

Your "Friend" Mary Lynn Thomson

Hartland Optimist Club Christmas "Adopt a Family"

The Hartland Optimist Club will once again sponsor the "Adopt-a-Family" Program for families in our community in need of help during the holiday season. If your group or family is looking for a community service project, or just a great way to celebrate the holiday season, in the true sense of giving why not consider Adopting A Community Family In Need.

**If you would like to adopt a family please call:
Vicki Schiesel at 313.220.2797.**

HHS and Community Ed will have boxes in their buildings so families can donate non-perishable food items, and paper goods.

As this is a large undertaking, the Optimist Club can always use monetary donations. If you are interested, you can send your donation to:

**Hartland Optimist Club, P.O. Box 64, Hartland, MI. 48353 or
online at www.paypal.me/optimists**

- There are many ways you can help support this project:
- Adopt a Family
- Donate nonperishable food items or paper products
- Make a donation to Hartland Optimist Club
- Join the Optimist Club

All donations are appreciated; every dollar helps and goes directly to our families. Community support makes this worthwhile project a success!

Struggling with Reading? Tried tutoring...but poor results?

Struggling Student Now Gets A's & B's - Thanks to Vision Therapy!

"By first grade, Davis was significantly behind. He couldn't keep up or follow directions. His teacher and a special education teacher expressed significant concerns regarding his inability to recall and remember."

"I brought Davis to his pediatrician. The meeting with his doctor did not go well. I was told to lower my expectations. He would never be 'fixed'. We went to Dr. Doud's the next day and I broke down crying as I told him what his doctor had stated. I let him know - I knew my little boy was intelligent. He just couldn't get it out."

"Dr. Doud tested Davis' vision and discovered that his vision was significantly delayed in several areas. He not only gave me hope - which at that point was all I wanted, but a plan to assist Davis."

After vision therapy, "Davis improved so significantly that at the end of second grade, I was told not to let the 3rd grade teachers know anything was wrong with his ability. He had all A's and B's. He was able to keep up and follow directions. His visual memory was 14% when we started vision therapy. It is now near 90%."

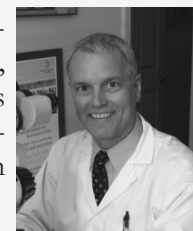

"I am so pleased and cry at the thought of how far he has come. It truly is overwhelming to think of what would have happened to Davis if we would have listened to his pediatrician, lowered expectations and accepted this situation, Davis would have failed at school and in life."

We can help—call today!

Serving families in Livingston County for more than 20 years...

Hartland Rotary News

Hartland Rotary is pleased to announce that due to the success of our Shooting Clay Fund Raiser Event, Sunday, July 17, 2016, at the Michigan Shooting Center, Island Lake Recreation Center, we will be supporting the above non-profits for 2016-17.

Next year our event will be even better. Save the Date, September, 2017. Specifics will be coming soon.

This year our President, David Walker, has designed our Rotary meetings to fit our busy schedules.

The 1st and 3rd Thursdays will be as usual at Hartland Insurance Agency from 7:15-8:30 AM. On 2nd and 4th Thursdays, David will be designing a podcast on our Hartland Rotary Facebook page, Hartland Rotary Club. Our members will receive attendance credit by watching the podcast and COMMENTING on it.

We have tried this agenda for September and found it to be appreciated by our members. Our fifth Thursdays of the month, if there are any, is always a social evening. The 29th of September, we are having a chili cook off and refreshing beverage night. Members bring friends and community residents who might enjoy becoming a member of our growing group.

Visitors are always welcome to join us on 1st and 3rd Thursday mornings for breakfast and informative presentations at the Hartland Insurance Agency, 2532 Old US 23 at 7:15 AM.

THE HOBBIT: This version of J.R.R. Tolkien's classic novel, is a suspenseful, fast-moving journey through the sometimes dark, sometimes charming, always compelling world of Middle Earth. Bilbo Baggins is a comfortably well-off hobbit with a love for rousing adventure stories. REAL adventures, however, are quite another thing! So...when Gandalf, the legendary wizard knocks on Bilbo's door, bringing along Thorin Oakenshield, 12 ragged dwarfs, and a contract for adventure, Bilbo could hardly be less interested-at first.....

Bringing this story to life is our talented cast: Andrea Arnold, Amber Clark, Eva Gill, Johanna Gill, Dominic Ignagni, Ella Kociba, Lauren Kreeger, Annika Kreeger, Lydia LaRue, Tommy Persons, Anabel Persons, Carmen Pushman, Elysia Reising, Emma Rider, Gracie Sheets, Avery Shrier, George Sweet, Sophia Van Buren, Lucas Welter, and Ella Willard. The production team includes: Savannah Lee, Director; Scotty Bell, Student Director; and Kay Simmons, Assistant Director/Producer. Be sure to catch one of our performances. It will be a "Real Adventure"!

October is Fire Prevention Month!

Well, at least that's the national designation for the United States.

In our opinion, EVERY month is Fire Prevention Month. Every year, the National Fire Protection Association gives the United States a national slogan or theme to remind of us various important topics. 2016 is no exception, and the 'Don't Wait, Check the Date' campaign is in full swing! So what does that mean?

By now, if you follow my articles, you know that Smoke Alarms are one of the best lines of defense to ensure your family's safety in the event of a fire. However, almost everybody I talk to never has a clue that smoke alarms have an expiration date!

That's right, ALL smoke alarm manufacturers recommend replacing your smoke alarms once every 10 years! Why? Well, there are many reasons why, but the most common are; Sensors, cleanliness of the unit, and technology. Think about it, how well does a computer that is 12 years old work? Get the idea?

So, you are going to check your date of the smoke alarm right now... Right? You get it down, and you look at the back of the smoke alarm, and you don't see a date. Now what? That smoke alarm is almost 15years old!!!! Before 2002, smoke alarms didn't have to have a date on the back of them. If you don't see a date, get a new one!

Now, you checked your date, and yours is within the 10 year old window. What can you do to keep yours working properly for the full 10 years? Vacuum around it once a month, and use a can of compressed air to blow out the sensors. This will remove the dust, and keep it working in top notch condition! Test the alarms to ensure that the speaker is working properly, and change the batteries in them at a minimum of twice per year if they are battery operated, or once per year if they are hardwired with a battery back up. Remember, you will still need to have a battery in them in the event of a power failure.

If you have questions, please feel free to call me at 810-632-7676, and I will be glad to help!
