Superintendent's Message

Janet Sifferman, Superintendent

I hope everyone had a fun-filled but relaxing summer. We are excited to welcome our students and families for the 2015/2016 school year. We have been busy this summer with some changes to our building leadership team due to retirements and new opportunities for some of our administrative staff. **Dave Minsker** has taken over the principalship of Hartland High School as **Ben Mainka** was chosen for a position with the Michigan Association of School Administrators. **Samantha Wakefield** has taken the lead at LEGACY with the resignation of **Kirk Evenson**. With the retirement of **Lindsay Smither** after 25 years with Hartland Schools, **Anthony Howerton** will be taking over the helm at Lakes Elementary School. And these changes of course had a ripple effect: **Alice Lashbrook** is now Assistant Principal at Hartland Middle School; **Chris Chanavier** subsequently moved into the vacated Assistant Principal position at Hartland High School; and **Jason Reck** moved from Athletic Director to Dean of Students. With Jason's move Hartland welcomes **J.D. Wheeler**, formerly of Grand Blanc Public Schools, as our new Athletic Director. **Dotty Selix** is the new principal for Round Elementary School and **Ethan Hawker** has moved from the classroom at Hartland High School to fill the new position of Curriculum Coordinator/Math Coach. We are very pleased to welcome all of our administrators and staff to a retooled and reinvigorated 2015/16 Hartland Consolidated Schools!

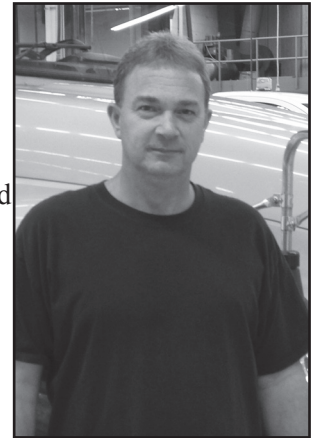

As many of you may know, I meet monthly with Hartland's District Parent Advisory Committee (DPAC) that includes representatives from each building's PTO/PAC. These building organizations do an amazing job of getting information out to our families, providing fundraising opportunities for the building, and most of all they make most of the activities going on in the buildings possible by volunteering as chaperones, homeroom aides, organizers, drivers – really the list is endless! Please check out the PTO/PAC groups in your students' buildings and consider participating. The more parents that volunteer, the lighter the load for the whole group and your students will appreciate your participation and the opportunities it provides them.

We continue to offer exemplary programming and opportunities for our students and look forward to beginning our work together. Please take a few minutes to stop in and see our facilities and what is happening in our classrooms.

Hartland Schools Person of the Month

Doug Oberstaedt

Doug has been working for Hartland Consolidated Schools for 23 years and is Head Mechanic in our always busy Bus Garage. He received his initial automotive training at AMC Training Centers and is an ASE Certified Master School Bus Technician, a state certified heavy duty truck technician, and state certified auto tech and collision repairman.

Doug and his wife Chris, who are celebrating their 25th anniversary next month, moved to Hartland 12 years ago so his children, Mike & Brandi, could attend Hartland Schools. Mike graduated in 2013 and was a varsity hockey player. He is currently attending Western Michigan University studying toward a degree in Criminal Justice. Brandi is entering her senior year and decided to forgo varsity volleyball to concentrate on her studies. She hopes to attend Michigan State to study Forensic Pathology. Doug notes that since both his children played on travel teams, family vacations generally centered around their tournaments and he and Chris "loved every minute!"

Doug's most memorable moment over the past 23 years was setting up a school bus for a handicapped student so he could ride to and from school with his friends. This was likely a memorable moment for the student as well!

"Hartland Schools is a great place to work. I like being responsible for the safe transport of our students and look forward to many more years of the same."

"Hartland has a very pleasant staff who are all dedicated to the best possible educational outcomes for our student."

ADVISORY TO ALL PARENTS INTEGRATED PEST MANAGEMENT

Dear Parent/Guardian:

The Hartland Consolidated Schools has adopted an Integrated Pest Management program. Inherent with this are the District's efforts to reduce pesticide use as much as possible. While it may occasionally be necessary to apply a pesticide, these will only be used as a last resort. This program does not rely on routine pesticide applications to resolve problems. We use various techniques such as habitat alteration, sanitation, mechanical means, exclusion, etc. to prevent pest from becoming a problem.

You will receive advanced notice of the application of a pesticide, other than bait or gel formulations at your child's school. This advance notice of the application will be given 48 hours before the application. The law requires us to do this notification by using two methods. The first method required by the law is the posting at the primary entrances to your child's school. The entrances that will be posted are those entrances that have a sidewalk that leads directly to a parking lot. The second method we are going to use is the posting in a common area located by the main office of the school. Parents are also entitled to receive this notice by first-class United States mail postmarked at least 3 days before the application. If you would like to be notified by mail please contact the Operations Department at (810) 626-2185. Please give the office your name, mailing address and what school your child attends.

In an emergency (for example, bees nest), pesticides may be applied without prior notice, but you will be provided notice following any such application.

You may review our IPM program or pesticide application records for your child's school by calling or e-mailing George Waldrup the District's Director of Operations at (810) 626-2185 e-mail at georgewaldrup@hartlandschools.us. This number or e-mail may also be used when school is not in regular session.

*Sincerely,
George Waldrup*

WELCOME FROM THE PRINCIPAL

On behalf of the faculty and staff of Hartland Middle School at Ore Creek, welcome to the students and families new to our school as well as to those returning for another school year. We have been working hard to continue to provide the best education possible for our students.

The school office reopens August 17 with office hours 7:00 a.m. to 4:00 p.m. Please feel free to drop by or call the Middle School office at (810) 626-2400 with any questions.

BACK TO SCHOOL

We will not be mailing out schedule/registration packets this year. You will find registration information online at www.orecreek.hartland-schools.us/Fall-Registration. Online forms will be available August 1 through September 1, 2015.

If you do not have access to a computer, you may pick up a registration packet in the front office of the Middle School, Monday through Friday, from 7:30 a.m. to 3:30 p.m. starting August 17th.

Dates for registration are:

- Last Names A through E — August 31, 2015 8:00 a.m. through 11:00 a.m.
- Last Names F through L — August 31, 2015 12:00 p.m. through 3:00 p.m.

- Last Names S through Z — September 1, 2015 12 p.m. through 3 p.m.

PARENT CONNECT

Parent Connect allows parents with Internet access to monitor their children's grades. If you had a password assigned last year, it remains the same. Contact Karen Wilson at pc@hartlandschools.us for assistance.

PHONE MESSAGES TO STUDENTS IN SCHOOL

It can be very disruptive to call students out of class to deliver routine messages. Please make every effort to communicate after school plans with students before they begin their school day. We appreciate your help in keeping our school the best learning environment possible.

SAFETY IN THE PARKING LOT

The morning "drop off" time before school and afternoon "pick up" time after school means that students who are being driven to and from school must negotiate a very busy parking lot. PLEASE DRIVE SLOWLY AND CAUTIOUSLY and put the safety of our students ahead of time issues.

PARENT E-MAILS

We will be making regular (usually weekly) mass e-mails with news and updates. If you do not have Internet access, you or your child may pick up a hard copy of the parent/guardian e-mail in the school office.

Above: HMS Track team record breakers and MVPs show off their awards.

Left: The hallways and classrooms at HMS will soon be alive with students again! Pictured here is the last Choir Concert of the 2014-15 school year.

Left: Eighth grade students on the bus to Cedar Point during the last week of school.

ATHLETICS

Cross Country and Girls Volleyball seasons start at the beginning of the school year. Students planning on participating in any school sports team or club this year must have a current physical (dated after April 15, 2015) on file in the Middle School office in order to participate (forms are available in the Middle School office and on our school web page). There is a participation fee for interscholastic sports and school sponsored clubs. A one-time \$95 fee will allow students to participate in any school team and/or club for which they otherwise qualify (this one-time fee covers all sports and clubs throughout the year).

TARDY TO SCHOOL POLICY

Please help your child do his or her best to be at school. Attendance is a crucial factor for student academic success.

- Students tardy to school (i.e. late to Homeroom) must be signed in at the front office by a parent or legal guardian in order for the tardy to be considered excused.
- Unexcused tardies to school will result in disciplinary action.
- Excessive parent excused tardies may be referred to the Livingston County Attendance Officer.

Welcome Back!

We are excited to start a new school year at Creekside! We look forward to welcoming all our new and returning students to school at our Back to School open house on **September 2nd**. Our Kindergarten and Junior Kindergarten students and parents will meet with their teachers from 4:30 to 5:30. **The PTO barbecue will start at 5:30 and the school will be open from 6:00 to 7:00 for classroom visitations.** Our teachers are excited to meet their new students and families and share information that will help everyone to be ready for the first day of school.

Our teachers have been very busy this month as they prepare their rooms and teaching materials for their new students. The physical facilities crew has also been busy this past summer cleaning and preparing our school for the start of the year. Our technology department has set up our new Chromebooks and cart so that they are ready for use by our students on day one. Thank you to our PTO for their ongoing support that has made the purchase of a classroom set of Chromebooks possible.

Consistent with our Green School philosophy, and our efforts to reduce costs, we will continue to communicate with our parents via email. Please be sure to provide us with updated email addresses as needed. Our webpage is another source of important information. We have added a Frequently Asked Questions section that parents may find helpful. The PTO section provides information on how you can assist in supporting the school. **Our first PTO meeting is September 17 at 4 pm in the Media Center.**

We look forward to a great year “Working Together to Grow Young Minds” at Creekside. See you soon!

Lakes Elementary News

Tony Howerton, Principal

810.626.2700

I am so pleased to welcome you all to Lakes Elementary for the 2015-2016 school year! I am sure that your summer was filled with exciting adventures, lots of reading, plenty of rest and relaxation, lots of writing, fun with family and friends, lots of math, and now I hope you are ready to begin another amazing school year. We wish the very best to our Lakes students who are moving on to 5th grade at Farms this year. We will miss you!

I would also like to send well wishes to staff members that will not be returning to Lakes this year. Congratulations to 4th grade teacher, Mrs. Juliar, on her retirement...she will be greatly missed by staff, students, and parents and we truly appreciate all her important contributions to our school community over many years at Lakes. Congratulations also to Mrs. Furr, who will be in her new position as ELA Literacy Coach. Although she will not be "housed" at Lakes any more, we will certainly see her in our building frequently as she continues to assist teachers with providing best practice instruction throughout the district. She truly has a gift in this area and will be a tremendous asset to Hartland Schools in her new position. We will also miss the many contributions of Mrs. Peterson who will be teaching full time at Farms this year.

I am pleased to announce two new additions to our Lakes staff this year. We are happy to welcome Mrs. Monique Alberts back to the 4th grade classroom. We are so happy to have her rejoin our Lakes family. We are also happy to welcome Mr. Scott Storey back to our staff for the mornings at Lakes, he will be a welcome addition. Mrs. Barb has moved up to teach first grade this year and she will be an excellent addition to our team at that level. Lastly, we are happy to announce that 4th grade teacher, Mrs. Katie Culbert, has been hired full time to continue to positively impact students like she has the past two years as a long-term substitute teacher.

I would like to let parents and students know about our starting and ending times for this year. Our beginning time will be 8:50 (the music to enter the building will start at 8:45) and dismissal will be at 3:50 (the same times as last year). Please be aware of the new dismissal policy we implemented last spring for students who are picked up at the end of the day. We will once again be having "early release Fridays" every week in order to provide more consistent and effective professional development for our teachers, which will directly and positively impact teacher instruction and student learning. Elementary dismissal time on Fridays will be 2:50. Bus service will be provided at the Friday time just as it is on other days. Of course, the Lakes Latch-Key will be available at 2:50 on Fridays as well, for those who register and participate in that program. Call Amy at 810.626.2780 for more information.

Finally, Lakes will be providing a "before-school-starts" **Open House for our 1st-4th grade students this year which will be held on Wednesday, September 2 from 5:30-6:30.** This will be an opportunity to bring your students into the school before the first day, in order to meet their teacher and locate their classroom. There will be no formal presentation, but teachers will have curriculum and procedural information available at the Open House for parents. Please note that our Kindergarten Orientation will also be on September 2, but it will be held from 4:30 to 5:30 and will include a short presentation for parents in the gym. We appreciate 1st-4th grade families waiting until 5:30 to come into the building, to allow our kindergarten students the opportunity to see their new school and visit with their teachers, without too much congestion in the building.

You will receive a letter from me sometime in late August, concerning teacher assignments for the new school year, as well as other important information to know before the first day. I want to thank Mrs. Smither for her exceptional leadership and the timely mentoring she has provided me and countless others during her time at Lakes. I know I have very big shoes to fill in taking over for Mrs. Smither and know what an amazing place Lakes has become under her watch. Fortunately, she has left behind an outstanding staff, amazing students, and incredibly supportive parents and community. I look forward to working hard to maintain the tradition of excellence that Mrs. Smither and many others have helped create for Lakes. Enjoy the rest of your vacation and I will see you soon!

Mr. Tony Howerton
Principal

LAKES ELEMENTARY DISMISSAL PICK-UP PROCEDURE

Due to the major congestion in our front hallway at dismissal time, and in order to make picking up your child at the end of the day at Lakes organized and safe, Lakes instituted a new pick-up procedure at the end of the day starting last April. This change ensured a safer dismissal for ALL students and please understand that these procedures will only be in effect when you are picking up your child at the end of the school day. The procedure is as follows:

- Students who will be picked up at dismissal time will be released from all classrooms at 3:40 every day except Fridays when they will be released at 2:40, and will report to the Cafeteria.
- Mrs. Nemecek and another staff member will be in the cafeteria to monitor the students (who will be seated at the lunch tables) and be ready to greet parents.
- At exactly 3:45 (2:45 on Fridays), the single outside door to the left of the front entrance will be unlocked and parents will enter that door to pick up their child in the cafeteria.
- A table will be set up just inside the cafeteria and parents will stop there to sign out their child. Mrs. Nemecek will monitor this and will call your child over as you sign him/her out.
- Parents and students will then leave by the same door that they entered...this will be our Dismissal door for end of the day pick-ups.
- Latch Key students will report to the gym each day at the usual dismissal time of 3:50 (2:50 on Fridays) where the latch key staff will be ready to greet them and take attendance. They will then return to their regular location of the cafeteria at approximately 3:55 (2:55 on Fridays) when all of our car riders have been picked up from the cafeteria.
- There will be a barrier set up restricting entrance into the main hall from the cafeteria until all students have left the building (bus riders and latch key students will leave their classrooms at the usual time of 3:50).
- If pick-up parents have a meeting with a teacher or other staff member after school, we will ask that you wait on the benches until we are done releasing students from the cafeteria and then we will remove the barrier.
- Siblings that walk over from Farms at the end of the day may still come in the back door and walk directly to the cafeteria, where they will be let through the barrier by a staff member. Please encourage your Farms student to walk quickly to Lakes so as not to hold up the check-out process.

*****Crucial to this pick-up process is that you are communicating to the office any changes in your regular routine** (ie: you usually pick up but want your child to go to latch key or ride the bus home today; or vice versa – your child usually goes to latch key or rides the bus and you will be picking them up at dismissal; or someone else will be picking them up, etc.). We will send passes down to teachers with the names of students who will be picked up each day, which is why it is so important that you contact the office with changes in routine. **PLEASE DO NOT EMAIL THESE CHANGES IN PICK-UP ROUTINE TO EITHER TEACHERS OR OFFICE STAFF ESPECIALLY LATER IN THE DAY...**we ask this because substitute teachers have no access to teacher email and both teachers and office staff are very busy throughout the day and may miss an email with changes. It is best if you make calls to the office with this information as early as possible, and we will make sure that the teachers know of these changes through the passes that will come down to your child. Please remember that if your child is usually a bus rider and you do not send in a note or call the office if you are picking him/her up, they WILL be put on the bus that day. We cannot rely on a young child saying "my mom said she will pick me up today" without verification from you...again, a safety issue.

Our expectation is that parents will all adhere to our time frame by being prepared to be at the new Pick-Up Door at 3:45 so that we can move you all through as quickly and safely as possible. We not only believe that it will alleviate the congestion in the front hallway, but that it may also alleviate some congestion in the parking lot. However, the bottom line is that we are doing this to better ensure the safety of our students and it will allow us a system of checks and double checks so that we know where our students are at dismissal, that we have them in the right spots and with the right people.

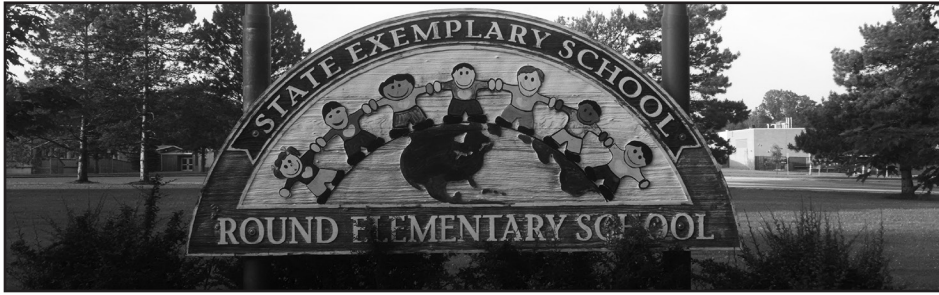

Thanks so much, in advance, for your patience and cooperation. We will work together to make this a successful effort to keep our students safe!

I hope you all had a wonderful and relaxing summer as we move closer to the 2015-2016 school year. It is a privilege for me to enter my fourteenth year as Principal of Village Elementary. I look forward to another year with this outstanding staff, great parents, and students, to provide the best possible educational experience for our children.

This year will be filled with many exciting activities and events, so I encourage you to attend the open house scheduled for September 2, from 5:00-7:00 p.m. here at Village.

In preparation for the up-coming school year, please note that correspondence from Village will be electronic for the most part, with hard copies available upon request. While reviewing the calendar for this new school year, like every year, there are many activities and events scheduled, promising to keep all of us busy. Communication is important to the success of any program, so please note the upcoming events and the schedules listed in this edition (bus schedules, etc.), and feel free to contact me at Village Elementary if you have questions regarding your Village Elementary student.

In anticipation of the promises of another great year here at Village, we are all excited for the challenges and rewards that a new year brings. The Village staff eagerly awaits the return of our children and families for what promises to be a rewarding year in the growth of our children. Fall is a wonderful time of year and my favorite season; we start fresh in anticipation of great things as we strive to improve student and staff performance.

Enjoy the summer that remains and return rested for what we believe will be the best school year to date. Remember to check Community Life and look for information coming home pertaining to the 2015-2016 school year.

We welcome all of our new comers to Village; we are all looking forward to this new beginning, and wish you a wonderful school year!

Another school year has ended and summer vacation is underway! The last few days of school were filled with celebrations... from the kindergarten picnic to the 4th grade clap out and everything in between! The halls were filled with laughter and excitement! Such a wonderful school year at Village filled with so many great memories! We want to wish the 4th grade class the best of luck as they move onto Farms in the fall and to all of our students.

LEGACY High School News

Samantha Wakefield, Lead Teacher

810.626.2105

The **Hartland LEGACY Alternative High School** does not shut down for the summer. There is a great deal of activity, supported by the “Michigan Works Program,” that takes place during the summer.

Students are hired by the program to learn job skills and do building/district maintenance, construction projects and work in the LEGACY vegetable/wild-flower garden that was initiated five years ago. Vegetables and spices grown in the garden are used to teach the students how to cook healthy foods and the balance is donated to the Hartland Senior Citizen’s Center.

Along with painting, gardening and building maintenance, the students made chair carts to move and store the tremendous number of chairs that are used for programs throughout the HESSC Building.

They created “Buddy Benches” for several of the elementary schools highlighted by the school mascots. In conjunction with the International “Little Free Library” Project promoting literacy throughout the world, “Little Free Libraries” were designed and decorated.

One of the libraries will be placed near the Legacy wildflower garden filled with gardening and children’s books for the preschool teachers to read to their students when the visit.

Sue Pearson, Director of Special Education who initially requested the project will be distributing the libraries within the county to highlight the importance of literacy and International Literacy Day September 8, 2015.

Memorial Day Parade was a big hit with teens at Hartland Teen Center. Teens had fun decorating a float for the parade. The float won runner up at the parade. The theme was, "Hand in Hand, United We Stand". The float was designed by the teens, it included a full size cut out soldier standing next to cut out images of the teens.

The float also had pictures of friends and family membersd who served in the military. Thirty teens dressed up in decorated t-shirts and red, white and blue beads. They enjoyed passing out candy to the kids. *Thank you to Mr. Schmidt and Hartland American Legion for helping with the float.*

Do You Know?

WE'RE DOING SOME MUCH-NEEDED REPAIRS HERE AT CROMAINE. HERE'S OUR LATEST PROJECT...

ATTIC REPAIR: During an annual review of emergency lights in the Village Library, it was discovered that a few of the posts which support the plaster ceiling in the Community Room had disconnected from the roof trusses. Although this was not a renovation project that was anticipated, Cromaine acted quickly to ensure not only repair, but improvement in the support of the ceiling. A three-day break "pause" in summer's very busy schedule was found. The disconnected posts were reconnected using an even longer-lasting method and additional posts were added in the center, along with completely new posts closer to the edges of the attic. The ceiling was re-plastered and painted. Next planned-for project: Replacement of the server room air conditioning unit which runs all year to ensure continued support of all of the library's online services.

TESTIMONIAL: KATE DEROSIER ON ZINIO

My sister in Alpena told me about Zinio and when I was on the Cromaine site recently to manage my holds on new books that I'd read about in New York Times' Review of Books, I saw that Cromaine has Zinio! What could be more convenient than grabbing a magazine from Zinio and putting it on my smartphone to read? I love it! Backpacker Magazine can go with me on my trip--I really value the reviews and will use them on my trips. I plan to also use it for Newsweek, National Geographic--there's a ton of magazines I love to read! And, I can give up paying for my subscription to Mental Floss! Zinio has it!

Hartland High School Bass Team

Camp Liberty is a volunteer group that sets up events for VA Veterans. They hosted a Tip Up For Troops on June 13- this event takes volunteer pro boaters and puts a VA Veteran on their boat to compete in a Bass Tournament. Many VA Vets have never fished before and this gives them the opportunity to experience it.

Hartland High School Bass Team volunteered their time to help with the event. We even had one of our students (Gunner Wilson) volunteer his boat and was able help Melinda (his assigned VA Veteran) weight in and take her place on stage to show them off. She had never fished before and was over the moon excited the whole day. Team member volunteers: Gunner Wilson, Jacob Nye, Ben Statly, Zach Manneback, Anthony Bosio, and Matt Shinkle.

The Hartland High School Bass Team had two Anglers last year (Gunner Wilson and Alec Lipon) who took the big bass trophy last year and this year's team there are 18 student anglers.

Hartland High School competed on June 20-21 in a 2 day BASS State Championship on Lake St. Clair. One of the two man angler teams took 1st place and won Biggest Bass. (Chris Bee and Alec Lipon) both seniors. The other Angerls that fished were Gunner Wilson, Zach Manneback, Ben Statly, Adam Isler, Matt Shinkle, and Ben Martin.

Hartland Chamber News

The Hartland Area Chamber of Commerce is pleased to announce that **Justin Paul Smith** (pictured left) was the recipient of a \$1,000 cash scholarship, which was presented on Tuesday, June 2, 2015 at Hartland High School's Senior Honors Night. Mr. Smith was chosen in large part due to his contribution to the community, academic achievement, financial need, and well-composed essay. Justin is planning to attend Grand Valley State University to pursue a Business Management degree. His interests lie in management and entrepreneurship. The Chamber looks forward to one day supporting Mr. Smith's dreams of owning a business.

Alyssa & Kaitlyn Hopkins, also seniors at Hartland High School, shared in the second \$1000 scholarship that was added to their GoFundMe account earlier in the year. The Hartland Area Chamber of Commerce wishes our 2015 recipients the very best of luck as they go forward.

To be considered for the scholarships, senior year students who reside in and/or attend Hartland Consolidated Schools, private, charter, or home-school must submit an application, which is available through the Hartland Chamber office and website, and the Hartland High School counseling office, provide recommendations, and write an essay. The scholarship winners were selected this year by a committee comprised of area business professionals, who included: Maureen Elliott of Edward Jones Investments; Gary Sunderland of Brown Drilling; Jennifer Dietrich of Universal Credit Services; and Faye Jones Bessette of Yarmak & Co. CPA.

The Hartland Chamber members via annual dues, our annual Carnival and golf outing graciously provide the funds for the Chamber's two scholarships.

The Hartland Area Chamber of Commerce's mission is to assist business establishment and growth in the Hartland area through information, support and networking; and to improve business conditions.

A Message from the Hartland Fire Marshal

It's that time of year again! Oh how the summer flew by!

Some kids are getting that slight pit in their stomach feeling, while some parents are rejoicing, because they can see the light at the end of the tunnel! I'm talking about going back to school! The sights and smells of fall are right around the corner! So, as you are gearing up for the new school year, take a few moments to gear up for fire safety as well!!

- Test your smoke alarms. Are they less than 10 years old?
- Does your family have a fire escape plan, AND practice it?
- Do you have an updated video of your home and its contents?

Over the school year, I will be writing articles highlighting the above topics, and much more! Make this school year, the safest year ever! Check back in each issue of Community Life for fire safety tips!

We are here for YOU! If you ever have questions, or would like a FREE in home fire safety analysis, feel free to contact us at 810-632-7676 during normal business hours, and we will get an appointment set up at your convenience.

*Yours In Fire Safety,
Michael Bernardin

Hartland Rotary Has Had a Very Busy 2015 Summer!

We are pleased to announce that the dedication for our **Larry Hopkins Memorial Butterfly Garden** took place on **August 13 at 2 PM.** Our garden is located behind the Hartland Township Hall on Clark Rd. Our members have worked together to create a beautiful garden for butterflies and have placed several benches there for residents to come, sit, and enjoy the butterflies also. Hartland Rotarians are honoring the memory of Larry Hopkins, former Hartland Township Clerk, with a garden he was very excited about. This event was open to the public.

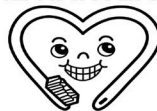

Hartland Rotary's 5th Annual Cardboard Regatta took Lake Walden by storm on Saturday, July 18, 2015. No pun intended; however, we did have a very strong wind that blew through the festivities. Mike Murphy, Livingston County Undersheriff was once again our Master of Ceremonies. All cardboard boats and crews of all ages had a ball trying to be the first to cross the finish line. The most excitement, of course, is the demolition derby event that ends the regatta. The proceeds from this exciting nautical event will stay focused on the Hartland Community and its youth. Hartland Rotary would like to once again thank the community for its support.

Hartland Rotary welcomes visitors to join us on Thursday mornings for breakfast and informative presentations at the Hartland Insurance Agency, 2532 Old US 23 at 7:15AM.

If you have a passion for community service and enjoy sharing the fellowship of those with a similar desire, please consider joining us. More information about our club can be viewed at: www.hartlandrotary.org

WORLD CHAMPIONS!! HARTLAND HS ARCHERY TEAM WINS WORLD CHAMPIONSHIP

The Hartland Archery Program wrapped up their season in style and reached an all new level as the HS Team won the 2015 World Championship which was held July 22nd-25th at the Music City Center in Nashville, TN.

Hartland took two teams (HS and MS) down to compete and both teams reached the podium, in fact the MS team reached it twice with a 3rd place finish in both the ring target event and the 3D IBO event. But it was the icing on the cake when the HS team was announced as this year's World Champions that caused the large group of Hartland spectators and archers to get up on their feet and cheer!

This victory really wrapped up the season as the HS Team won their 4th Consecutive State Championship in March, had their best finish ever at the 2015 National Tournament with a National Champion Runner-Up finish, and then this finale as the 2015 World Champions!

Individual Archers had a great season as well. The HS team had 12 archers win \$750 scholarships at nationals, one archer win \$1500, and Sydney Vivian who took home the top scholarship amount of \$20,000 at Nationals. The World Event did not have the scholarships, but still rewarded some of Hartland's top archers with medals, plaques, targets, arrows, and even new bows. World Individual Award winners were, Layla Rumble, Abby Gardner, Sarah Bragg, Emily Paajanen, and Shane Karls. Shane Karls won not only overall Top HS Male Archer, but also the Top Overall Champion at Worlds, which earned him two brand new bows!

The World Tournament is an event where schools from the USA, Canada, United Kingdom, South Africa, and Namibia come to compete against other schools from these competing countries. To qualify for Worlds the teams must shoot very well at their countries National Event. In the USA, Nationals had over 12,000 archers shoot at the event (setting a new world record for the largest archery tournament), and the top teams from this event attended Worlds. The World Tournament had nearly 5,000 archers in attendance, roughly 1,500 ES archers, 2,000 MS archers, and 1,500 HS archers.

Hartland High School Varsity Archery Sydney Vivian stayed a few extra days after the World Tournament to compete as a member of the USA All-Star team. The NASP All-Star Championship is an event where each country will take the top 16 archers from that country and compete in a bracket double elimination tournament. Vivian earned a spot on this team at the USA National Tournament, and her coach Rob Jellison was once again one of the Team Managers/Coaches of the USA All-Stars. Sydney's 4 person team reached the finals against another USA team (capturing a third consecutive Country Title for the USA). Her team finished in second place in the 4 person event and two other USA 4 person teams came in 1st and third.

The Hartland Archery Program will start up in September with an Intro to Archery Session for all new students who would like to try out this fast growing sport. For more information please see the ad on this page or contact

Coach Rob Jellison at robertjellison@hartlandschools.us.
